The Centre is actively engaging with all State and UT governments, especially those showing an upsurge in daily new cases and with a high caseload of active cases. The Union Government is regularly reviewing the status of COVID containment and public health measures with them. Recently, the Centre rushed high level Public Health teams to Maharashtra and Punjab to assist in COVID-19 control and containment measures in view of recent spike in cases in these States. The Central Government had earlier also deputed high-level teams to Maharashtra, Kerala, Chhattisgarh, Madhya Pradesh, Gujarat,

Punjab, Karnataka, Tamil Nadu, West Bengal, and Jammu and Kashmir to support them in their fight against the recent spike in COVID-19 cases. The reports of Central Teams are shared with the States for further follow up action. The follow up and compliance on part of states is monitored by the Union Ministry of Health.
