## **PM addresses CoWin Global Conclave as India offers CoWIN platform as a digital public good to the world to combat COVID19**

### **CoWin platform is being made open source, available to any and all countries: PM**

**With nearly 200 million users, the 'AarogyaSetu' app is a readily available package for developers: PM**

**No parallel to such a pandemic in hundred years and no nation, however powerful, can solve a challenge like this in isolation: PM**

**We have to work together and move ahead together: PM**

**India adopted a completely digital approach while planning its vaccination strategy: PM**

**Secure and trustworthy proof help people to establish when, where and by whom they have been vaccinated: PM**

**Digital approach also helps in tracking the usage of vaccination and minimizes the wastage: PM**

**Guided by the approach of 'One Earth, One Health', humanity will certainly overcome this pandemic: PM**

The Prime Minister, Shri Narendra Modi today addressed the CoWin Global Conclave as India offered CoWIN platform as a digital public good to the world to combat COVID19.

The Prime Minister began with conveying his condolences for all the lives lost to the pandemic, in all the countries. The Prime Minister remarked that there is no parallel to such a pandemic in hundred years and no nation, however powerful, can solve a challenge like this in isolation. “The biggest lesson from the COVID-19 pandemic is that for humanity and the human cause, we have to work together and move ahead together. We have to learn from each other and guide each other about our best practices” said the Prime Minister.
