### COVID-19 Update

- India's Cumulative COVID-19 Vaccination Coverage crosses the landmark of 39 Cr
- Recovery Rate increases to 97.28%
- 41,806 Daily New Cases reported in last 24 hours
- India's Active Caseload (4,32,041) presently constitutes 1.39% of total cases
- Daily Positivity Rate (2.15%) less than 3% for 24 consecutive days

India's COVID-19 vaccination coverage has crossed the landmark of 39 crores. Cumulatively, **39,13,40,491** vaccine doses have been administered through 49,41,567 sessions, as per the provisional report till 7 am today. **34,97,058** vaccine doses were administered in the last 24 hours.

These include:

<b>HCWs</b>	1 <sup>st</sup> Dose	<b>1,02,59,902</b>
	2 <sup>nd</sup> Dose	<b>74,67,814</b>
<b>FLWs</b>	1 <sup>st</sup> Dose	<b>1,77,49,670</b>
	2 <sup>nd</sup> Dose	<b>1,01,08,761</b>
<b>Age Group 18-44 years</b>	1 <sup>st</sup> Dose	<b>11,80,17,979</b>
	2 <sup>nd</sup> Dose	<b>42,03,947</b>
<b>Age Group 45-59 years</b>	1 <sup>st</sup> Dose	<b>9,60,12,486</b>
	2 <sup>nd</sup> Dose	<b>2,62,71,510</b>
<b>Over 60 years</b>	1 <sup>st</sup> Dose	<b>7,14,89,465</b>
	2 <sup>nd</sup> Dose	<b>2,97,58,957</b>
<b>Total</b>		<b>39,13,40,491</b>

The new phase of universalization of COVID-19 vaccination has commenced from 21st June, 2021. The Union Government is committed to accelerating the pace and expanding the scope of COVID-19 vaccination throughout the country.

Out of the people infected since the beginning of the pandemic, **3,01,43,850 people have already recovered from COVID-19** and **39,130** patients have recovered in the last 24 hours. This constitutes an overall recovery rate of **97.28%**, which is showing a sustained increasing trend.

## Recovered cases over 3.01 Cr & Recovery rate at 97.28%

f

in

India has reported 41,806 daily new cases in the last 24 hours.

Less than 50,000 Daily New Cases have been reported since eighteen continuous days. This is a result of sustained and collaborative efforts by the Centre and the States/UTs.

## 41k Daily New Cases reported in last 24 hrs

India's Active Caseload today stands at **4,32,041** and active cases now constitute **1.39%** of the country's total Positive Cases.

With substantially ramped up testing capacity across the country, a total of 19,43,488 tests were conducted in the last 24 hours in the country. Cumulatively, India has conducted over 43.80 crore (43,80,11,958) tests so far.

While on one side testing capacity has been enhanced across the country, a continued decline in weekly case positivity is noticed. **Weekly Positivity Rate is currently at 2.21%** while the **Daily Positivity rate stands at 2.15% today**. Daily Positivity rate has remained less than 3% for 24 consecutive days, and has remained below 5% for 38 consecutive days now.

**🗨️** **PM inaugurates and lays foundation stone of various development projects in Varanasi**

**✉️** **Lauds Kashi and Uttar Pradesh for their efforts in fight against the pandemic**

**in** **• Kashi is becoming a big medical hub of Purvanchal: PM**

- Cleanliness and beauty of Maa Ganga and Kashi is an aspiration and priority: PM**
- Work is on for schemes worth 8000 crore in the region: PM**
- Uttar Pradesh is fast emerging as the leading investment destination of the country:PM**
- Rule of law and focus on development is ensuring that people of UP are getting benefits of the schemes: PM**
- Reminds people of UP to remain vigilant against the virus**

Addressing the gathering, the Prime Minister recalled the difficult last few months when the mutated coronavirus attacked with full force. The Prime Minister lauded the efforts of Uttar Pradesh and Kashi in dealing with the challenge. He praised the efforts of the Government of Uttar Pradesh in dealing with the pandemic. He praised his team from Kashi, the administration and the entire team of Corona warriors for the way they mobilized day and night to create arrangements in Kashi. "Even in the difficult days, Kashi has shown that it never stops and never tires", said the Prime Minister. He contrasted the unprecedented handling of the second wave with the earlier instances when Japanese encephalitis type of diseases used to wreak havoc. Even the small challenges used to acquire massive proportions in the absence of medical facilities and political will. Today UP is the state with the highest number of tests and vaccinations, he said.

## ESIC felicitates donors to ESIC Hospitals during COVID-19 Pandemic

Speaking on the occasion, Union Minister for Labour & Employment and Environment, Forests and climate change Shri Bhupender Yadav said the government has undertaken the 3Ts for confronting the pandemic for over 125 crore people of the country. These include tracking, testing and treatment. He said, the country has moved ahead in the field of production of masks and PPE kits, while two indigenous vaccines have been developed in the country. He expressed hope that around 257 crore vaccines will be produced and distributed by the year end. The Minister said the government is totally committed for welfare of the people, it has endeavoured to provide electricity and health facilities to all in the country. In this direction, the health budget has been enhanced by 137per cent. He said under the new Social Security Codes all benefits will be extended even if there is only one employee covered in a company.
