In a significant achievement, a record high of more than **1.04 crore (1,04,42,184)** Vaccine Doses have been administered today, just five days after India witnessed the first day of administration of 1 Cr vaccine doses. India's COVID-19 vaccination coverage has also consequently crossed **65 Crore (65,12,14,767)** landmark milestone today.

This is as per the 7 pm provisional report. The daily vaccination tally is expected to increase with the compilation of the final reports for the day by late tonight.

Union Health Minister Shri Mansukh Mandaviya lauded the entire country for the achievement of more than 1 Cr doses for the second day within a span of five days.

देश ने स्थापित किया नया कीर्तिमान!
