COVID-19 vaccination drive should become a people's movement: Vice President

VP urges public representatives, film and sports personalities to take lead in encouraging people to take vaccination

India should not lose the momentum in its remarkable and collective fight against COVID, says Vice President

Follow COVID appropriate behavior even after vaccination: Vice President

Urges that each individual should behave responsibly

VP launches free vaccination program of Swarna Bharat Trust in Hyderabad, Vijayawada and Nellore

The Vice President, Shri M Venkaiah Naidu today said the COVID-19 vaccination campaign should become a people's movement and appealed to every eligible person to take the required doses without any fear or hesitation.

Launching a free vaccination program organized by Swarna Bharat Trust in Hyderabad in collaboration with Bharat Biotech International Ltd and MediCiti Hospitals, Shri Naidu said there was no alternative to taking the vaccine.

Calling for countering the misinformation on vaccines, he urged the people's representatives, film and sports celebrities to take the lead in dispelling myths and fears on COVID-19 vaccination.

India at WHO SEARO

Dr. Bharati Pravin Pawar discusses India's challenges and opportunities during the COVID-19 Pandemic at the WHO SEARO Ministerial Roundtable

“With a decentralized but unified, whole of government approach, we focused on rapidly creating COVID dedicated infrastructure and upskilling our healthcare workforce”

Minister of State for Health and Family Welfare Dr. BharatiPravinPawar represented India at the World Health Organization- South East Asia Regional Office (WHO-SEARO) through video-conference today. She offered intervention on behalf of India at the Ministerial Roundtable for the Seventy-fourth Session of the WHO Regional Committee, for South-East Asia.

Acknowledging that the COVID-19 pandemic has affected virtually every sphere of life affecting lives and livelihoods alike apart from causing huge loss of lives, she said, “Guided by Hon’ble Prime Minister of India, country adopted a proactive, pre-emptive, whole of Government, whole of society and people-centric approach to manage the pandemic. Our preparedness and response strategies utilized our past experiences of managing public health emergencies and contemporary scientific knowledge about evolving nature of disease to decide requisite public health interventions. India’s strategy for fighting the pandemic is built on five pillars – Test, Track, Treat, Vaccinate and adherence to Covid Appropriate Behaviour. With a decentralized but unified, whole of government approach, we focused on rapidly creating COVID dedicated infrastructure and upskilling our healthcare workforce.”

KVIC Rehabilitates Nine Covid-Affected Women in Goa with Self-Employment

In a unique initiative that will have far-reaching benefits, Khadi and Village Industries Commission (KVIC) has paved the way for sustainable self-employment for nine women in Goa who were under acute distress due to loss of their loved ones due to Covid-19 pandemic. Amid grief, despair and livelihood crisis, KVIC has provided these women, who lost the bread-winners for their families, with financial assistance to set up their own manufacturing units under its flagship scheme Prime Minister’s Employment Generation Program (PMEGP). This is for the first time in the country that a government agency is creating livelihood support for the vulnerable people affected by the pandemic.
