<b>Code No.</b>	<b>1-1-0094-2401-51-105-96-51</b>
<b>Name of the Scheme</b>	<b>Scheme for Quality Control on Agriculture Inputs</b>
<b>Outlay</b>	<b>₹2,65,00,000/-</b>

It is a State Scheme and is in operation since 2006-07. The main object of the scheme is to check malpractices/adulteration in Fertilizers/Pesticides, Seeds and to ensure good quality of agricultural inputs to the farmers by analyzing pesticides, fertilizers and seeds samples on the basis of provisions of Insecticides Act, 1968, Insecticides Rules, 1971 and Fertilizers (Control) Order, 1985 and Essential Commodities Act, 1955, Seed Act, 1966 and Seed (Control) Order, 1983. Under this Scheme, Staff for Head Quarter, two State Quality Control Laboratories (Pesticides), Panchkula & Rohtak, State Quality Control Laboratory (Fertilizers), Rohtak and Seed Testing Laboratory, Sirsa have been provided. The benefit of the Scheme is to ensure adequate, timely supply of good quality agricultural inputs to the farmers.

A provision of ₹ 2, 65, 00,000/- has been kept for the year 2019-20 under this scheme.

<b>Code No.</b>	<b>1-1-0003-2401-51-105-95-99</b>
<b>Name of the Scheme</b>	<b>Providing Soil and Water Testing Services to the Farmers</b>
<b>Outlay</b>	<b>₹3,99,00,000/-</b>

It is a State Scheme. The main objective of the scheme is to analyze soil and water samples of the farmers for ascertaining the fertility status of soil and to construct the building of Soil and Water Testing laboratories. The scheme has been implemented in the State since 1991-92.

The farmers will be benefited with implementation of this scheme by analyzing their soil and water samples free of cost.

An outlay of ₹3,99,00,000/- has been kept for the year 2019-20. The entire amount will be used for construction of the new Soil Testing Laboratories buildings/Extension of existing Soil Testing Laboratories and Material Supply i.e. Chemicals, filter paper & glass ware etc. for all existing Soil Testing Laboratories.

<b>Code No.</b>	<b>1-1-0063-2401-51-105-86-51</b>
<b>Name of the Scheme</b>	<b>Scheme for the stocking and distribution of fertilizers by Institutional agencies</b>
<b>Outlay</b>	<b>₹25,00,00,000/-</b>

It is a State Scheme.

The main objective of the scheme is to create a buffer stock of DAP and Urea fertilizer with the institutional agencies like HAFED, HAIC and HLRDC during lean consumption period of fertilizers. It would ensure adequate and timely supply of fertilizers to the farmers. The agencies holding the buffer stock would be compensated by the State Government under this scheme.

An amount of ₹25,00,00,000/- has been kept for this scheme for the year 2019-20.

<b>Code No.</b>	<b>1-1-0040-2401-51-107-94-99</b>
<b>Name of the Scheme</b>	<b>Scheme for Setting up &amp; Strengthening of Bio-logical Control Laboratory at Sirsa under Integrated Pest Management</b>
<b>Outlay</b>	<b>₹10,00,000/-</b>

It is a State Scheme. The objective of the scheme is to reduce the consumption of chemical pesticides and to produce pesticides-free farm produce, with limited use of chemical pesticides and increased use of bio-pesticides and bio-agents. Under Integrated Pest Management (IPM) approach, the emphasis has been given to control the pest and disease infestation by way of methods other than the use of pesticides. Under this scheme, the bio agents (Trichogramma, Trichoderma, Bauveria, Bassiana & NPV) produced in Bio Control Lab will be distributed to the farmers free of cost to control the pests and diseases of field crops. As a result, there will be reduction in chemical pesticides to a great extent and increase in production of pesticide-free farm produce in addition to environment safety. The non judicious use of chemical pesticides/fertilizers is resulting in pollution of soil and water bodies. There is a need to monitor the level of residues of these chemicals in soil and water bodies.

A provision of ₹10,00,000/- has been kept under this scheme for the year 2019-20.

<b>Code No.</b>	<b>1-1-0086-2401-51-108-83-51</b>
<b>Name of the Scheme</b>	<b>Scheme for Promotion of Crops Diversification</b>
<b>Outlay</b>	<b>₹30,00,00,000/-</b>

It is a State Scheme. The main objective of the scheme is to promote the alternate crops like Summer Moong, Sunflower and Maize in order to reduce the Wheat and Paddy crop rotation. Cultivation of rice and wheat over a prolonged period has caused degradation of natural resources to a great extent. The soil health has deteriorated owing to decline in organic fraction and wide-spread deficiencies of micro nutrients. The ground water table has declined due to over exploitation of this resource in areas with fresh ground water. In view of the decline in organic fraction of the soil, high doses of fertilizers are required to sustain the present productivity levels which have resulted in increase in cost of cultivation. Further, the excessive doses of fertilizers also lead to pollution of ground water.

Diverting area from Paddy and Wheat to eco-friendly crops like Pulses, Oilseeds and Maize crops would be promoted under the scheme. Pulses crop, particularly Summer Moong will be promoted in Paddy-Wheat areas to provide an alternative crop to summer paddy growers. Moong being leguminous in nature will not only enrich the soil but also add organic matter in the soil. Being of short duration, moong crop also consumes less water and nutrients. Sunflower is an important oilseeds crop which is photo insensitive and thermo-neutral. This crop matures in 90-100 days. Thus, water and nutrients requirement is also comparatively less. Maize is also another important cereal crop after wheat, and will be suited to reduce the wheat-rice rotation too.

A provision of ₹30,00,00,000/- has been kept under this scheme for the year 2019-20.

<b>Code No.</b>	<b>2-1-0078-2401-51-109-80-51</b>
<b>Name of scheme</b>	<b>Scheme for Rashtriya Krishi Vikas Yojna</b>
<b>Outlay</b>	<b>₹350,00,00,000/-</b>

Department of Agriculture and Cooperation, Ministry of Agriculture Government of India had launched a 100% additional Central Assistance Scheme to incentivise the State to draw up plans for agriculture sector more comprehensively taking agro-climatic conditions, natural issues and technology into account and integrating livestock, poultry and fisheries, with the name as National Agriculture Development Programme (NADP)/Rashtriya Krishi Vikas Yojna (RKVY). The scheme aims at achieving 4% annual growth in the agriculture sector by ensuring a holistic development of agriculture and allied sector.

This scheme is being implemented on sharing basis in the ratio of 60:40. The main objectives of the scheme are as detailed below:-

1. To incentivise the State so as to increase public investment in Agriculture and allied sectors.
2. To provide flexibility and autonomy to State in the process of planning and executing Agriculture Schemes.
3. To ensure the preparation of Agriculture plans for the districts and the State based on agro-climatic conditions, availability of technology and natural resources.
4. To ensure that the local needs/crops/priorities are better reflected in the agricultural plans of the State.
5. To achieve the goal of reducing the yield gap in important crops through focused interventions.
6. To maximize returns to the farmers in agriculture and allied sectors.
7. To bring about quantifiable changes in the production and productivity of various components of Agriculture and allied sectors by addressing them in holistic manner.
8. Main-streaming gender concerns in extension.
9. Capacity building/skill up-gradation of farmers and extension functionaries.

The funds of RKVY scheme will be available under two distinct streams-I & II. Stream-I is Project based under which 75% of the total funds are allocated to make plans for Agriculture Development. Stream-II is to arrange/strengthen the existing State Schemes for skill up-gradation of farmer community. 25% funds are allocated for Stream-II.

An amount of ₹350,00,00,000/- (₹210,00,00,000/- Centre share and ₹140,00,00,000/- State Share) has been provided for the year 2019-20.

**Code No.** 2-1-0170-2401-51-109-77-51  
**Name of scheme** National Food Security Mission  
**Outlay** ₹35,50,00,000/-

It is a Sharing basis Scheme for general category farmers in the ratio of 60:40. The main objective of the Scheme is to increase area, productivity and production of wheat and pulses in the identified districts covered under the Mission through area expansion and productivity enhancement in a sustainable manner, restoring soil fertility and productivity at the individual farm level, and enhancing farm level economy (i.e. farm profits) to restore confidence amongst the farmers. Wheat component of the Mission is being implemented in seven districts whereas pulse component is being implemented in all districts. Coarse cereals component is introduced from this year with the inclusion of five districts of the State. NFSM commercial component is also included in the Scheme for this year. The cropping system approach and inter-cropping of pulses with commercial crops especially cotton, jute and sugarcane lead to improved land use efficiency and better use of land and water resources. The main objectives of including commercial crop based cropping system are to utilize vacant inter-row space of commercial crops for growing pulses; to generate higher net returns and cultivable land utilization index as compared to mono-cropping; to improve soil fertility status; to facilitate IPM strategies and reduce pest incidence through cropping system approach; to demonstrate latest technologies of intercropping, seed production and to implement need based interventions in cotton, jute and sugarcane crops.

An amount of ₹35,50,00,000/- (₹21,30,00,000/- Centre share and ₹14,20,00,000/- State Share) has been provided for the year 2019-20.

**Name of scheme** Modified National Agriculture Insurance Scheme renamed as Pradhanmantri Fasal Bima Yojana  
**Outlay** ₹313,83,67,000/-

It is Centrally Sponsored Scheme (Sharing basis 50:50).

**OBJECTIVES:** - The objectives of the scheme are as under:-

1. To provide insurance coverage and financial support to the farmers in the event of prevented sowing & failure of any of the notified crops as a result of natural calamities, pests and diseases etc.
2. To encourage the farmers to adopt innovative and modern agricultural practices.
3. To help stabilize farm income, particularly in disaster years.
4. Yield losses of the crops will be covered as per the norms of the scheme.

Comprehensive risk insurance is provided to cover yield losses due to non-preventable risks like natural fire and lightening, storm, hailstorm, Cyclone, Flood and Pests/Diseases etc.

In case farmer of an area is prevented from sowing/planting due to deficit rainfall or adverse seasonal conditions, such insured farmer who failed to sow/plant (but otherwise has every seasonal condition, such incurred expenditure for the purpose) shall be eligible for indemnity.

Coverage is available only for those crops which are allowed to dry in the field after harvesting against specified perils of cyclones in coastal areas, resulting in damage to harvested crop. Further the coverage is available only upto a maximum period of two weeks from harvesting. Assessment of damage will be on individual basis.

An outlay of ₹313,83,67,000/- has been kept as State Share for this scheme for the year 2019-20.

<b>Name of the Scheme</b>	<b>Scheme for Rashtriya Krishi Vikas Yojna for Scheduled Castes</b>
<b>Outlay</b>	<b>₹20,00,00,000/-</b>

Department of Agriculture and Cooperation, Ministry of Agriculture Government of India had launched a 100% additional Central Assistance Scheme to incentivise the State to draw up plans for agriculture sector more comprehensively taking agro-climatic conditions, natural issues and technology into account and integrating livestock, poultry and fisheries, with the name as National Agriculture Development Programme (NADP)/Rashtriya Krishi Vikas Yojna (RKVY).

The aim of the scheme is to increase public investment in Agriculture and allied sectors and autonomy to State in the process of Planning and executing Agriculture Schemes; to ensure that local needs/crops/priorities are better reflected in the agricultural plans of the State; to reduce the yield gap in important crops; to maximize returns through focused interventions etc.

The funds of RKVY scheme will be available under two distinct streams i.e. Stream -I & II. Stream-I is Project based under which 75% of the total funds are allocated to make plan for Agriculture Development. Stream- II is to arrange/strengthen the existing State Schemes for skill up-gradation of farmer community. 25% funds are allocated for Stream-II. The scheme will be beneficial for skill up-gradation of scheduled caste farming community.

An amount of ₹20,00,00,000/- (₹12,00,00,000/- as Centre Share and ₹8,00,00,000/- as State Share) has been provided for the year 2019-20 for Scheduled Castes farmers.

## SOIL AND WATER CONSERVATION PART-I STATE SCHEMES

(1)

<b>Code No.</b>	<b>1-1-0121-2402-51-101-97-51</b>
<b>Name of the Scheme</b>	<b>Scheme for Integrated Watershed Development and Management Project in the State</b>
<b>Outlay</b>	<b>₹15,00,00,000/-</b>

It is a State Scheme. Watershed development and management attains significance in the sustainable development of rain-fed areas and degraded lands due to water erosion. Watershed development programmes have brought significant all round development in the watershed areas and has changed socio-economic conditions of the poor farmers. Need based Soil & Water Conservation activities like Water Harvesting Structure, Earthen Gully Plugs, Drop Structures, Retaining Wall, Crate Wire Structures and Check Dams etc. are taken up under this scheme.

The scheme will benefit large farming community with increased per unit productivity; socio- economic conditions of the poor farmers with improved Soil & Moisture will be conserved and employment will be generated for rural people.

The scheme will cover the districts of Ambala, Panchkula, Yamuna Nagar, Bhiwani, Hisar, Jhajjar, Fatehabad, Mahendergarh, Mewat, Gurugram and Rewari.

An outlay of ₹ 15,00,00,000/- has been kept under this scheme for the year 2019-20.

(2)

<b>Code No.</b>	<b>1-1-0000-2402-51-102-86-99</b>
<b>Name of the Scheme</b>	<b>Scheme for pilot project for the reclamation of saline soil and waterlogged land in the State</b>
<b>Outlay</b>	<b>₹5,00,00,000/-</b>

This is a State Scheme. The objective of the scheme is to preserve as well as the improvement of the agricultural production capacity of land that has already become unproductive and is in danger of becoming unproductive, in the water logged/saline soils of Haryana.

The scheme will benefit large farming community with increased per unit productivity. Socio- economic conditions of the poor farmers will improve.

A provision of ₹ 5,00,00,000/- has been kept under the scheme for the year 2019-20.

(3)

<b>Code No.</b>	<b>1-1-0118-2402-51-102-80-51</b>
<b>Name of Scheme</b>	<b>Scheme for providing Assistance on Adoption of Water Saving Technology</b>
<b>Outlay</b>	<b>₹3,50, 00,000/-</b>

It is State scheme. The scheme concerns different components viz adoption of water saving technologies, accelerated recharge of ground water & management of Natural Resources (Ground Water). The scheme came in to existence during 2006-07.

It is proposed to construct 100 Nos. of Rooftop Rain Harvesting Structures, 150 Nos. of Peizometric tubes for strengthening of observation wells network and installation of 50 Nos. digital data loggers on existing Peizometric tubes for automatic recording of water level behavior during the year 2019-20.

A provision of ₹ 3,50,00,000/- has been kept for the year 2019-20.

**PART-II CENTRALLY SPONSORED SCHEMES (SHARING BASIS)****(4)**

**Code No.** 2-1-0122-2402-51-101-95-51  
**Name of the Scheme** Soil Health Card Scheme  
**Outlay** ₹16,49,68,000/-

This is a Centrally Sponsored Scheme (Sharing Basis 60:40). The main objectives of the scheme are to provide Soil Health Cards to farmers in the State to strengthen functioning of Soil Testing Laboratories, to diagnose soil fertility related constraints, to develop & promote soil test based nutrient management in the State for enhancing nutrient use efficiency & capacity building in the districts.

The scheme came in to existence during 2015-16 with a target to distribute soil health cards to all the farmers.

The scheme will benefit the farmers in terms of improving soil fertility viz-a-viz increasing crop productivity. The farmers will also be benefited by knowing the exact health of their soil and using balanced dose of fertilizers.

An outlay of ₹ 16,49,68,000/- (₹ 9,89,81,000/- Centre Share and ₹ 6,59,87,000/- State Share) has been kept under the scheme during the year 2019-20.

## **Part-II CENTRALLY SPONSORED SCHEMES (SHARING BASIS)**

(15)

<b>Code No.</b>	<b>2-1-0302-2403-51-101-63-51</b>
<b>Name of the Scheme</b>	<b>Scheme for Livestock Health &amp; Disease Control (60:40)</b>
<b>Outlay</b>	<b>₹13,50,00,000/-</b>

This scheme is a part of White Revolution Umbrella scheme of the Government of India which includes the following ongoing component for which the Government of India releases funds regularly:-

### **(a) Foot & Mouth Disease Control Programme**

FMD is the most important livestock disease in term of economic impact Though the morbidity rate is high, the mortality rate due to FMD is low. A location specific programme called Foot and Mouth Disease Control Programme with 60:40 central assistance is being implemented in the entire State under which a major thrust is upon the control and virtual eradication of Foot & Mouth Disease from the country as a whole and Haryana in particular.

### **(b) Control of Brucellosis**

Brucellosis is also an economically important abortifacient disease of cattle. Infected cows/buffaloes usually abort in the second half of pregnancy with the squeal of retained placenta, delayed involution, predisposal to secondary bacterial infections and acute or chronic endometritis. Provision has also been made under this scheme for taking steps to control this disease also. In initial phase, the testing against brucellosis will be undertaken at bull mother farms, sperm production centers and in the areas having high density of good quality livestock. It is a centrally assisted 60:40 basis component.

### **(c) National Animal Disease Reporting System.**

Disease reporting has enormous importance. Prompt reporting of any epidemic is essential not only for undertaking immediate control measures to prevent the further spread of the disease, but also for formulating long term disease control strategy. The Government of India provides assistance to the States under this component. It is a centrally sponsored 100% basis component.

### **(d) National Project for Rinderpest Eradication.**

Laboratory expenses as well as publicity etc. have been proposed in current financial year. It is a centrally sponsored 100% basis component.

**(e) National Control Programme on Peste des Petits Ruminants (NCPPPR) Project for Rinderpest Eradication.**

The Peste des Petits Ruminants (PPR) is a viral disease of sheep and goats characterized by high fever, inflammation of the gastro-intestinal tract leading to necrosis and ulceration of the mucous membrane and diarrhea. The Government of India have initiated a control programme and aims at the eradication of this disease from the country in a time bound manner on the lines of Rinderpest eradication. The programme involves vaccination of all susceptible goats & sheep. It is a centrally assisted 60:40 basis component.

**(f) Assistance to State for Control of Animal Disease (ASCAD)**

Under this component, the Government of India is providing assistance to the States for the control of economic disease of livestock and Poultry by way of immunization, strengthening of existing State Veterinary Biological Production Institutions, strengthening of existing State Disease Diagnostic Laboratories, holding workshops/seminars and in-service training to Veterinary and para Veterinaries. It is a centrally assisted 60:40 basis component.

**(g) Professional Efficiency Development-Establishment of State Veterinary Council**

This component of the scheme aims at the registration of Veterinary Graduates as per the provision laid down in Indian Veterinary Council Act, 1984. To the control and regulate the practices of Veterinary Profession and its conduct and further educate them, a Veterinary Council has been formulated in the State. Grant-in-aid is released to this council out of the provision made in the scheme. A provision to release a grant of Rs.10.00 lac to the Haryana Veterinary Council is made in this

**(h) Establishment and Strengthening of existing Veterinary hospitals /dispensaries (ESVD).**

For the strengthening of the existing veterinary institutions, the Government of India provides assistance for improving the infrastructure of the existing veterinary hospitals and dispensaries. Provision has also been made for such funds in the scheme. It is a centrally assisted 60:40 basis component.

A provision of ₹ 13,50,00,000/- (₹ 5,40,00,000/- as State Share and ₹ 8,10,00,000/- as Centre Share) has been kept under this umbrella scheme of the Government of India for the year 2019-20.

## FORESTS PART-I STATE SCHEMES

(1)

**CODE NO.** : 1-1-0544-2406-01-001-99-99  
**NAME OF SCHEME** : Information Technology at H.Q  
**Outlay** : ₹ 3,50,00,000/-

This is a State Scheme.

To undertake intensive re-engineering and administrative reform, recasting the structure and functioning of governance to facilitate adaptation to IT.

During the implementation of IT Plans (2006-09 and 2011-13), the department has initiated the process of procurement of hardware and software to computerize its activities. Development of web based modules is being taken up simultaneously. These include development of modules for Forest Areas Management, Nursery Stock Management, Forest Offence Management and Forest Assets Management etc. Department has linked all its field offices through broadband. This will make collection, compilation and retrieval of data in field offices, district offices and head office very easy and bring accessibility, transparency and accountability in the working of the department. Server, hardware and software have been procured and installed at State Data Centre. IT Plan (2014-16) of the department has also been approved by the IT Prism. This IT Plan is proposed to be implemented during 2019-20.

A provision of ₹ 3,50,00,000/- has been kept under this scheme for the year 2019-20.

**CODE NO.** : 1-1-0516-2406-01-070-97-51  
**NAME OF SCHEME** : Building  
**Outlay** : ₹ 9,00,00,000/-

This is a State Scheme.

Forest Department has grown into one of the largest departments of the state. Its assets include large number of buildings, in the field as well as at headquarters in the form of offices, residences and rest houses. These require annual maintenance and repairs. A large number of employees in the department are still without Government accommodation. Thus, there is a need to construct new buildings and also maintain the existing buildings / rest houses.

A provision of ₹ 9,00,00,000/- has been kept under this scheme for the year 2019-20.

**CODE NO.** : 1-1-0545-2406-01-102-68-51  
**NAME OF SCHEME** : Revitalization of Institutions in Aravali Hills  
**Outlay** : ₹ 19,00,00,000/-

This is State Scheme.

EU sponsored project for rehabilitation of Aravalli Hills was executed by the department during 1991-2000. Village institutions were created and plantations were done in almost 350 villages in six districts having Aravalli Hills.

After closure of the project, these institutions have become defunct and in several villages, the plantations have become degraded. This new scheme is proposed to revive these institutions to maintain green cover over the Aravalli Hill, one of the oldest mountain systems in the world.

Fresh micro plants will be prepared. Women in development programmes will be revived to involve women in forest conservation. Self Help Groups will be

constituted in each village. Gap planting will be done in areas where degradation has taken place. Check dams and ponds will be repaired.

A provision of ₹ 19,00,00,000/- has been kept for the year 2019-20.

**CODE NO.** : **1-1-0542-2406-01-102-71-51**  
**NAME OF SCHEME** : **Herbal Nature Park**  
**Outlay** : **₹ 16,50,00,000/-**

This is a State Scheme.

To make general public, especially farmers, aware of the importance, scope and potential of herbal plants, cultivation and propagation of medicinal plants outside forest is important for conservation and meeting the demand of medicinal plants, herbs and shrubs.

The setting up of Herbal parks in each district helps in generating awareness, preserving gene pool and production of quality seeds and seedlings for distribution to farmers. Herbal Gyan Kendras setup inside the park will be utilized to educate people about the traditional Indian system of medicine.

A provision of ₹ 16,50,00,000/- has been kept for the year 2019-20.

**CODE NO.** : **1-1-0537-2406-01-102-78-51**  
**NAME OF SCHEME** : **Development of Agro-forestry clonal and non clonal**  
**Outlay** : **₹ 90,00,00,000/-**

Agro-forestry is a dynamic land management system that combines agriculture with silviculture, horticulture, medicinal plants and/or animal husbandry on the same piece of land. It utilizes production potential of land in two to three tiers with suitable crop-tree combinations. Because of greater economic returns per unit area of agro-forestry, the latter has acquired national and international recognition as models to be emulated. The demand for agro-forestry products and services in the Country is increasing with rapid economic growth, industrialization and increase in population. Agro-forestry is emerging as diversification and resource conservation options with the farmers. Integrated cultivation of agriculture and tree crops is being adopted as a strategy to save natural forests and to ensure sustained supply of raw-material to wood-based Industries. There is now an increasing realization that the conservation of natural forests and creation of agro-forestry plantations are inextricably linked with the ecological security of man-kind.

Besides Agro-forestry on Private farm lands, the other components of the scheme include creation of wood lots on Panchayat lands/Institutional lands / Community lands. A provision of ₹ 90,00,00,000/- has been kept for the year 2019-20.

**CODE NO.** : **1-1-0511-2406-01-102-88-51**  
**NAME OF SCHEME** : **Afforestation of Waste Land & Agro Forestry.**  
**Outlay** : **₹ 46,90,00,000/-**

The proposed outlay for the scheme during 2019-20 has been kept at ₹ 4690.00 lakhs to meet with the expenses on salary as per approved cadre of the establishment of the department under the scheme. The whole salary portion of Strip plantation on Government & development of agro-forestry clonal & non-clonal scheme merged in this scheme.

Afforestation of Wastelands and Agro-forestry Project was launched in the state in the year 1991-92 to continue as Social Forestry Project. This project covered wastelands including Alkali lands, Sand Dunes, Other Panchayat Land and Agriculture fields which are generally not covered under traditional forestry programme. The Project paid vital role in harmonizing the regional imbalance of climate and environment in the

State and neighboring areas. The project also promoted social, economic and developmental activities.

A provision of ₹ 46,90,00,000/- has been kept for the year 2019-20.

**CODE NO.** : 1-1-0519-2406-01-102-90-51  
**NAME OF SCHEME** : Green Belts in Urban Areas  
**Outlay** : ₹ 12,00,00,000/-

This is a State Scheme.

To take up tree plantation activity in urban area along roads, in parks and in other areas available in various localities for beautification. To increase the green cover in urban areas for amelioration of the local environment and to check air pollution.

The urban areas are most affected from vehicular and industrial pollution. The population in the urban areas, therefore, suffers from respiratory and water borne diseases. The amelioration of urban environment effectively checks the air pollution bringing respite to the residents.

A provision of ₹ 12,00,00,000/- has been kept for the year 2019-20.

**NAME OF SCHEME** : Agro-forestry under National Mission for Sustainable Agriculture (NMSA) Centrally Sponsored Scheme.  
**Outlay** : ₹ 1,50,00,000/-

This is a centrally sponsored scheme implemented on 60:40 sharing basis. The main objectives of the scheme are as under:-

- (i) To establish modern nurseries for raising quality plants to be used under this scheme.
- (ii) To undertake plantation on farmers field in the form of bund planting/block plantations.
- (iii) To increase the tree cover in the State.
- (iv) To provide Employment opportunities to local people in the selected districts under this scheme.

The tree cover in the State will increase by implementation of this scheme. The farmers/beneficiaries of this scheme will be benefited by sale of the farm produce. No new staff is being proposed.

A provision of ₹ 1,50,00,000/- (₹60,00,000/- as State Share and ₹ 90,00,000/- as Central Share) has been kept for the year 2019-20.

CODE NO. : 2-1-0540-2406-01-102-74-51  
 NAME OF SCHEME : Intensification of Forest Management Scheme (earlier name as Integrated Forest Protection Scheme)  
 Outlay : ₹ 2,00,00,000/-

This is a centrally sponsored scheme implemented on 60:40 sharing basis.

World over, the efforts are being made to protect and conserve the forests for healthy and clean environment. Government of India launched "Integrated Forest Protection Scheme", commencing from the year 2002-03. The scheme makes judicious use of all available methods for better protection and conservation of forest resources of the country. These methods include control of forest fires, creation of fire lines and fire watch towers, fire mapping, purchase of fire fighting equipments and creation of awareness among the local masses.

Natural state owned forests are located in Shivalik hills and other important block Forest areas in plains constituting the most important segment of habitat forests. Every year forest fires have become very common and destroy very large areas of natural forests. The Government of India especially intervened and guided the affected States to set up fire protection measures. Under the Government of India guidelines such schemes of permanent nature have to be adopted as State schemes. Training would also be given to the field staff in control of Forest fires.

A provision of ₹ 2,00,00,000/- ( ₹ 80,00,000/- as State Share and ₹ 1,20,00,000/- as Central Share) has been kept for the year 2019-20.

**WILD LIFE PRESERVATION  
PART-I STATE SCHEMES**

(1)

**CODE NO.** : 1-1-0527-2406-02-110-93 -51  
**NAME OF SCHEME** : Wild life Protection in Multiple Use Area.  
**Outlay** : ₹ 10,00,00,000/-

This is a State Scheme for protection of wildlife and for extension activities. It is proposed to encompass all these into one scheme and expand the activities for improvement of habitat for wildlife, especially for birds outside protected areas and for promotion of facilities for eco-tourism. Additional check posts and regulatory chain gate at entry points will be established for apprehending poachers and illegal trade in wildlife produce. A very effective means of protection of wildlife is through education of the common masses, farmers, teachers and students. Holding nature education camps, preparing the educational material and such other activities are included in this scheme. It is also proposed to strengthen the information on the wildlife resources in the State. For this census of wildlife in the Protected Areas needs to be carried out. In-service training of the forestry staff in the wildlife and in-service training for up-grading the skills of the wildlife staff for better management of resources in the State has been proposed and incorporated. There are several important bird areas outside National Parks and Sanctuaries that will be developed. Activities to encourage publicity, extension and eco-tourism will be undertaken. As in other States, the adult monkeys are to be sterilized and rehabilitated back in the wildlife by organizing "monkey sterilization and rehabilitation camps" in those districts which are worst affected by the monkey menace. For this programme, a separate project needs to be formulated later in collaboration with Government of India.

In addition Haryana Forest Department has started a scheme for the adoption of animals and birds in zoos and deer parks of the State to generate love for animals and birds.

Through the implementation of the scheme, the wildlife in the State will be better conserved and protected and any adverse effect on human and live stock population and agriculture due to decline in wildlife will be checked.

A provision of ₹ 10,00,00,000/- has been kept under this scheme for the year 2019-20.

(2)

**CODE NO.** : 1-1-0526 -2406 -02-800-98 -51  
**NAME OF SCHEME** : Extension of Zoos & Deer parks.  
**Outlay** : ₹ 6,50,00,000/-

This is a State Scheme.

The zoos in the country have to follow the guidelines issued by the Central Zoo Authority (CZA) of MOEF (GOI) and have to be approved by it. In the absence of adequate resources for the management of zoos, four zoos were closed in the State and only two zoos at Pipli and at Rohtak were given provisional approval by CZA. CZA has given specific requirement of space and facilities for each species of wild animal kept in the zoo. The layout plan for Pipli and Rohtak zoos has been prepared and submitted for approval to CZA. Although some cages at Pipli and Rohtak zoos fit into these specifications, there are other enclosures that need to be renovated and enlarged. CZA provides adequate funds for such works, although the basic responsibility of maintaining the zoos lies with the State Government. More cages are required to be constructed in the zoo as per CZA guidelines. As indicated above following Zoos, Deer Parks and Peacock and Chinkara Breeding Centre will be developed /maintained under the scheme.

1. Mini Zoo, Pipli.
2. Mini Zoo, Rohtak.

3. Mini Zoo, Bhiwani.
4. Deer Park, Hisar.
5. Deer Park/Rescue Centre, Meham.
6. Peacock and Chinkara Breeding Centre Jhabua, Rewari.

A provision of ₹ 6,50,00,000/- has been kept under this scheme for the year 2019-20.

#### **PART-II CENTRALLY SPONSORED SCHEMES (SHARING BASIS)**

(3)

<b>CODE NO.</b>	:	<b>2-1-0532-2406-02-110-91-51</b>
<b>NAME OF SCHEME</b>	:	<b>Strengthening, expansion and Improvement of Sanctuaries (60:40)</b>
<b>Outlay</b>	:	<b>₹ 30,00,000/-</b>

This is a centrally sponsored scheme on sharing basis (60:40).

Although wildlife is found throughout, the secure home of wildlife are the National Parks and Wildlife Sanctuaries in the State where the animals have assured protection. The total area covered under the National Parks & Wildlife Sanctuaries is 303.62 Km<sup>2</sup>. Although the wild animals live in wilderness, yet to mitigate the ill effects of human activities in their habitats, some activities are required for the development of these Protected Areas for the protection and welfare of wildlife therein. Necessary action for improvement of wildlife habitats, adequate provisions for water, construction of fence, plantation of fruits and fodder trees, removal of harmful excess weeds, erection of watch towers, development of camping sites, provisions for guided tours and nature education, procurement of necessary equipment for bird watching, creation of nature trails, repair and creation of inspection paths & roads etc. are undertaken in these protected areas. Eco-development activities in villages adjoining protected areas are also undertaken to the extent possible.

##### **(i) Sultanpur National Park**

It is the oldest recognized bird habitat in the State visited by a large variety of inland and migratory birds. The condition of this water body was adversely affected by changes in land use and natural drainage of adjoining area in the post. However, a pipeline has been laid from village Kaliawas through Gurugram water supply scheme for augmentation of water to Sultanpur National Park. The eroded mounds will be strengthened. Ground water of Sultanpur and surrounding areas is brackish, and hence, plans are to bring treated water from Gurugram water supply scheme to Sultanpur Lake for the staff and visitors. A Stone based boundary wall with fence will be constructed around the periphery of the park for proper protection from stray animals, neelgai and poachers. An area of 15 acres of the lake will be deepened to increase the water holding capacity of the lake.

##### **(ii) Bhindawas Wildlife Sanctuary**

It is the largest water body in Haryana regularly visited by over 300 species of migratory and domestic birds. It requires adequate water from JLN Canal System. The whole lake area will be ploughed & harrowed with tractors in summer months when lake remains completely dry. The old chain link fence around the sanctuary will be repaired and replaced. Plantation of fruit trees, de-silting of lake and construction of mounds inside lake bed will be undertaken to improve the habitat for birds.

##### **(iii) Kalesar National Park and Wildlife Sanctuary.**

This protected area is well known not only in the State but in the northern Indian region. It is necessary to increase the water points to spread out the wild population. Trenches need to be dug at strategic locations around and inside the protected area. In addition fire prevention measures are required. Research of Red jungle fowl and other endangered species is being undertaken under the scheme. Two more guard huts and check posts will be constructed. Communication system will be strengthened and 3 more motorcycles will be provided to the newly posted staff for better protection. Camping

sites and nature trails will be established to promote eco-tourism. Existing katcha roads and inspection paths will be strengthened in the park.

#### **(iv) Bir Shikargah Wildlife Sanctuary**

Bir Shikargah Wildlife Sanctuary is close to cities of Chandigarh and Panchkula, easily accessible, densely covered with tree vegetation and having sizeable population of ungulates and birds. Since it does not have perennial water resources, artificial water sources will be provided. A deep tubewell is proposed to be installed in the sanctuary and all the guzzlers need to be connected through pipelines to this tube well. Two-three small water ponds/tanks need to be constructed to maintain water sources throughout the year. Salt licks also needed at 8-10 places in the sanctuary. Lantana weed is required to be removed regularly to improve the habitat of the sanctuary. Gaps in the existing Eucalyptus plantations will be filled by planting fruit and fodder trees with a view to phase out Eucalyptus gradually. Check posts will be set up to improve protection.

#### **(v) Khol-Hi-Raitan Wildlife Sanctuary**

An area of 2226.58 hectare of Reserve Forest has been declared as Wild Life Sanctuary vide Haryana Government notification No. S.O.269/C.A 53/1972/S.26-A/2004 dated 10.12.2004 w.e.f 10.12.2004. This area will be developed. Water and fodder will be provided to the animals in the sanctuary.

#### **(vi ) Nahar (Rewari), Saraswati (Kaithal), Bir Bara Ban (Jind) and Berwala (Panchkula) Wildlife Sanctuaries.**

Adequate protection would be provided to these sanctuaries. The basic requirement of food and water of the resident animal population would be met. Census of animals within the sanctuaries will be done. Habitat will be improved by planting grasses, fodder and fruit trees and through decongestion of excessive weeds like mesquite which hinders the free movement of ungulates in Nahar Wildlife Sanctuary.

A provision of ₹ 30,00,000/- (₹12,00,000/- as State Share and ₹ 18,00,000/- as Central Share) has been kept under the scheme for the year 2019-20.

<b>CODE NO.</b>	:	<b>2-1-0549-2406-02-110-88-51</b>
<b>NAME OF SCHEME</b>	:	<b>Integrated Development of Wild life (60:40)</b>
<b>Outlay</b>	:	<b>₹ 3,50,00,000/-</b>

This is a Centrally sponsored scheme on sharing basis.

The erstwhile "Assistance for Development of National Parks and Sanctuaries" was modified and renamed as "Integrated Development of Wildlife Habitats". This Central sector scheme provides the following:

1. Support to Protected Areas (National Parks, Wildlife Sanctuaries, Conservation Reserves and Community Reserves).
2. Protection of Wildlife outside Protected Areas.
3. Recovery Programmes for saving critically endangered species and habitat.

In Haryana, the wildlife conservation is being achieved through in-situ and ex-situ conservation strategies. There are 2 National Parks, 8 Wildlife Sanctuaries and 2 Conservation Reserves in the State subjected to in-situ conservation. Under ex-situ conservation, breeding of Red Jungle Fowl is being done at Barwala and Morni (Panchkula). A Jatayu (Vulture) Conservation and Breeding Centre is established at Bir-Shikargah near Pinjore in collaboration with Bombay Natural History Society (BNHS). A Peacock and Chinkara Conservation Breeding Centre has been established at Jhabua, Rewari. Chinkara and Black bucks are also being in-situ protected at Kairu in Bhiwani and at Nahar in Jhajhar. An Elephant Rehabilitation Centre is being established at Ban Santor in Yamunanagar. Department has established a deer park at Hisar and small zoos at Bhiwani, Rohtak and Pipli (Kurushetra).

Under the Integrated Development of Wild Life Habitat Scheme, following activities may be implemented with a view to support Protected Areas (PAs), providing

protection to wildlife outside PAs and in developing research base for safeguarding critically endangered species.

1. Regular research projects can be given to Lala Lajpat Rai University of Veterinary Sciences, Hisar to monitor the behavior and adverse effect on their health in captivity for zoos in Haryana.
2. Various wildlife conservation activities in the protected areas for the development, management and improving the Wildlife habitat.
3. Various habitat enrichment and protection activities for wildlife found outside protected areas including wetlands.
4. Empowering the staff in effectively carrying out their duties by developing infrastructure like vehicle, communication system and procuring weapons/tranquilizer guns, medicines and other tools for rescue operations etc.
5. Wildlife wing of Forest department, Haryana can work in collaboration or invite for independent research projects with renowned wildlife institutions, NGO, educational institutions for suggested following studies of importance to Haryana:
  - a) A study regarding breeding potential of various species and improving their health in the established breeding centres in Haryana. Regular monitoring of the health of animals by taking various blood & faecal samples.
  - b) A study to mitigate the man animal conflict specially the crop raiding by Neelgai and various deer's species.
  - c) A research study on the behaviour of monkeys to prepare a plan to control the monkey menace in Haryana.
  - d) A research study to find out reasons for disappearance of house sparrow and various other avian fauna in Haryana.
  - e) A study on floral and faunal identification and classification inside/outside the protected areas.

Our National Park, Sultanpur, Kalesar and other wildlife sanctuaries will be developed and habitats will be improved which is very important for wildlife conservation.

A provision of ₹ 3,50,00,000/- (₹1,40,00,000/- as State Share and ₹ 2,10,00,000/- as Central Share) has been kept under the scheme for the year 2019-20.

**Scheme Code:** 2-1-0000-2406-02-110-87-51  
**Name of Scheme:** Conservation and Management of Wetland in Haryana Under the National Plan for Conservation of Aquatic Eco- Systems.  
**Outlay:** ₹ 3,20,00,000/-

It is a new State Scheme.

There are two wetlands in Haryana viz. Sultanpur Wetland and Bhindawas Wetland which are notified as sanctuaries under Wildlife Protection Act, 1972. Both of these wetlands carries out habitat improvement activities like deepening of lake area, weed removal from the lake surrounding area, development of watch tower/birds sighting sites, ecosystem stability by introducing fish fingerling etc. Other activities include improving the research base and scientific management by assessing the water quality and identification of flora and fauna in these wetlands. The financial assistance for carrying out new activities in Sultanpur Wetland and Bhindawas Wetland has been provided under National Wetland Conservation Programme(NWCP), Ministry of Environment, Forest and Climate Change, New Delhi with funding on a cost sharing basis of 60:40 between the Central Govt. and State Govt. As per the direction issued by MoEF& CC, Government of India vide their letter No. J-22012/85/2009-CS(W) dated 08.01.2010 State Steering Committee has been constituted vide Principal Secretary to Govt. of Haryana, Forest & Wildlife Department Notification No. 3837-Ft-4-2011/8048 dated 19.05.2011 .

For the development and maintenance of these wetlands, Wetland Section of Environment Department, MoEF& CC, Govt. of India is providing financial assistance .As per the direction issued by MoEF& CC vide its letter No.J-22012/25/2004-CS dated 28.05.2013, funds for development and conservation activities of wetland can only be released after due approval of the Annual Management Action Plan by the Steering Committee.

A provision of ₹ 3,20,00,000/- (₹1,28,00,000/- as State Share and ₹1,92,00,000/- as Centre Share) has been kept under this scheme for the year 2019-20.

Code No. : 1-1-0640-2425-51-107-76-51  
 Name of the Scheme : Mukhya Mantri Dugdh Utpadhak Protsahan Yojana in Haryana.  
 Outlay : ₹ 33,30,00,000/-

**Explanation****a) Financing of the Scheme:**

The whole amount will be provided by the State Government.

**b) Object and performance of the scheme from its initiation:**

In order to ensure remunerative prices of milk to milk producers and for sustainable growth of dairy sector, the quality based incentive ₹ 4/- per litre of milk for Fat % 3.5 to 5.0 and ₹ 5/- per litre of milk for Fat % more than 5.0 will be provided during lean period i.e. 'April to September'. The milk procurement in the state goes down at a minimum level whereas, market demand increases in the lean period. Due to this, milk producers divert their milk to private agencies to get higher rate for their milk. To overcome this problem, State Government has decided to provide subsidy per litre of milk, so that the milk producers may continue supplying their milk to the Dairy Cooperatives instead of private agencies. The Haryana Dairy Development Cooperative Federation Ltd. Panchkula is implementing this scheme.

**c) Targets achieved so far:**

This scheme was introduced in 2013-14. Under this scheme an amount of ₹ 1016.16 lakh, ₹ 2500.00 lakh, ₹ 2318.22 lakh and 3167.37 lakh released to Dairyfed for more than 1 lakh milk pourers each year during the period 2013-14 to 2016-17. In addition ₹ 3850.00 lakh and 2917.67 lakh has been sanctioned during financial year 2017-18 and 2018-19.

**d) Financial and Physical targets for the year 2019-20**

The provision of ₹ 3330.00 lakh is made for granting the quality based incentive of ₹ 4/- per litre of milk for Fat % from 3.5 to 5.0 and ₹ 5/- per litre of milk for Fat % more than 5.0 to approx. 1.20 lakh milk pourers in the state of Haryana on 10 day basis along with the milk payment being made to them for milk supplied by them during lean period of financial year 2019-20.

**Code No. :** 2-1-0953-2501-06-101-99-99  
**Name of Scheme :** National Rural Livelihoods Mission (NRLM/Aajeevika)- Normal  
**Outlay :** ₹75,00,00,000/-

Deen Dayal Antodya Yojana (DAY)-NRLM a flagship program of Government of India launched through Ministry of Rural Development by restructuring Swarnajayanti Gram Swarozgar Yojana (SGSY) aims at promoting poverty reduction through building strong institutions for e.g. Self Help Group (SHG), Village Organizations (VO) and Cluster Level Federations (CLF) of the poor, particularly women and enabling these institutions to access a range of financial services and livelihoods services.

These five principles focus on education, health, participation in Gram Sabha, entitlements and livelihood enhancement. After 3 months of formation of SHGs to ₹ 10000/- are transferred into their bank accounts through NEFT from NRLM bank account. As an SHG becomes six months old it matures for credit linkage from nearby branch of bank. The scheme does not have any capital subsidy instead interest subvention with maximum of 5.5% is afforded on the loans raised from banks and repaid regularly. The ultimate objective sought to be achieved through NRLM is to enhance the income level of poor households through sustainable livelihoods so that poverty is reduced and standard of living improves.

The financing of the program is shared between the Centre and the State in the ratio of 60:40.

### **Initiatives launched under NRLM (DAY-NRLM)**

#### **1. Mahila Kisan Sashaktikaran Pariyojana (MKSP)**

**Mahila Kisan Sashaktikaran Pariyojana (MKSP)** has been taken up for implementation on pilot basis in 4 blocks. The objectives of MKSP is:-

- To strengthen small and marginal holder agriculture through promotion of **Community Managed Sustainable Agriculture (CMSA)**. CMSA involves making best use of locally available resources and takes best advantage of natural processes.
- To promote Non-Pesticide Management (NPM).
- Promotion of Pashu Sakhi (Community Veterinary Para Professional) for door step services to livestock.
- Promotion of multi crops.
- Promotion of Kitchen Garden for Household food security.

MKSP is being implemented in Bawani Khera, Matanhail, Naranuand and Siwan, blocks in Bhiwani, Jhajjar, Hisar and Kaithal districts respectively.

**2. Start-up Village Entrepreneurship Programme (SVEP)**, a sub scheme of NRLM is for helping rural poor youth to start and support rural enterprises. The overall objective of SVEP is to stimulate economic growth and reduce poverty and unemployment in the villages. It is being implemented in Bawani Khera (Bhiwani) & Tauru (Nuh) Blocks.

#### **3. Aajeevika Grameen Express Yojana (AGEY)**

The objective of AGEY is:-

- To provide an alternative source of livelihood to members of SHGs under DAY-NRLM by facilitating them to operate public transport services in backward rural areas.
- To provide safe, affordable and community monitored rural transport services (e-rickshaw, 3-4 wheeler motorized transport vehicles) to connect remote villages with key services and amenities for overall economic development of that area by making other support available within the framework of DAY-NRLM.

#### **4. Deen Dayal Upadhyaya Grameen Kaushal Yojana (DDU-GKY) Scheme**

In the State of Haryana, 11 projects have been sanctioned to 11 Project Implementing Agencies (PIAs) under DDU-GKY scheme for skill development of rural youth for wage employment. The District Rural Development Agencies have traditionally been the principal organ at the district level to oversee the implementation of different anti poverty programmes. Earlier, the administrative costs of the DRDAs were met by way of setting apart a share of the allocations for each programmes like IRDP, DDP, JRY etc. However, keeping in view the need for an effective agency at the district level to coordinate various schemes sponsored by the Centre & State Governments, the Government of India, Ministry of Rural Development has introduced DRDA-Administration scheme from the year 1999-2000.

The financing of the program is shared between the Centre and the State in the ratio of 60:40.

An outlay of ₹ 10,00,00,000/- (₹4,00,00,000/- as State share and ₹6,00,00,000/- as Central share) has been provided for the year 2019-20.

**Name of scheme** : Saansad Adarsh Gram Yojana (SAGY)  
**Outlay** : ₹ 2,50,00,000/-

This is 100% centrally sponsored scheme. Saansad Adarsh Gram Yojana (SAGY) has been launched by Hon'ble Prime Minister of India on 11<sup>th</sup> October, 2014. Under this scheme, Hon'ble MPs will identify initially one Gram Panchayat of population 3000-5000 to be developed by 2016 and thereafter two such GPs to be developed upto 2019. These GPs will be developed using convergence with various Centrally Sponsored and States Schemes to motivate the neighbouring villages to make their GPs as Adarsh Village.

The main objectives of the Scheme are:-

- To trigger processes which lead to holistic development of the identified Gram Panchayats.
- To substantially improve the standard of living and quality of life of all sections of the population through:-
  - Improved basic amenities.
  - Higher productivity.
  - Enhanced human development.
  - Better livelihood opportunities.
  - Reduced disparities.
  - Access to rights and entitlements.
  - Wider social mobilization.
  - Enriched social capital.

- To generate models of local level development and effective local governance which can motivate and inspire neighbouring Gram Panchayats to learn and adapt.
- To nurture the identified Aadarsh Grams as schools of local development to train other Gram Panchayats.

All the Hon'ble Lok and Rajya Sabha MPs have selected the 15 GPs in 1<sup>st</sup> Phase, 11 GPs in 2<sup>nd</sup> Phase and 6 GPs in 3<sup>rd</sup> Phase uploaded the same on the website of the Ministry of Rural Development and the Rural Development Department, Haryana.

Under this scheme, an outlay of ₹ 2,50,00000/- has been provided for the year 2019-20.

**Outlay** : ₹ 67,00,000/-

It is a Centrally Sponsored Scheme (Sharing Basis 75:25).

The main objectives of the scheme are:-

- a) Data Entry of legacy encumbrance data
- b) Scanning & Preservation of Old documents
- c) Data Entry of valuation details
- d) Computerization of Registration Work
- e) Computerization of SROs.
- f) Connectivity of SROs with Revenue Offices

Development of a modern, comprehensive and transparent land records management system is envisaged to be set up. The system will be based on following basic principles i.e.

- a. A single window to handle land records (including the maintenance and updating of textual records, maps).
- b. Timely issuance of copies of land records in the shortest possible time to those who need it.

- c. Elimination of corruption and harassment to the general public in matter like registration of documents, sanction of mutations and aspects of public dealings.
- d. Creation of land records information system, which automatically updates revenue record by bringing all the revenue entries on-line.
- e. Creation of land information system and database for effective reforms, revenue administration and development at grass root level.
- f. Low cost easy storage medium for revenue records and database and efficient retrieval of information both spiritual and textual.
- g. Land disputes will be minimized.

An amount of ₹ 67,00,000/- ( ₹ 50,00,000/- State Share and ₹ 17,00,000/- Central Share) has been kept for the year 2019-20.

**Name of Scheme** : Rationalisation of Minor Irrigation Statistics Headquarter Staff Information Technology.  
**Outlay** : ₹ 2,00,000/-

It is a 100% Centrally Sponsored Scheme. This scheme was introduced in the State during the 7<sup>th</sup> Five Year Plan as a part of the All India project. Keeping in view the lack of proper coordination between the departments dealing with the statistics relating to Minor Irrigation projects in the States in its totality and considering the lack of uniformity in the concept of terminology used in data relating to minor irrigation projects and matters relating to the fixation of norms of minor irrigation structure, a need was felt to carry out a comprehensive survey of minor Irrigation schemes to have a sound data base for planning purposes. This scheme was approved by the Ministry of Water Resources (Government of India) with 100% Central assistance. The main objectives of the scheme are:-

1. To take up studies regarding reconciliation of discrepancies in figures of area irrigated reported in the agricultural statistics and in periodical progress reports received from the State Government.
2. To coordinate statistics relating to minor irrigation projects on quarterly and annual basis.
3. To organize special survey in between two censuses for estimating yard-stick of additional area irrigated for different categories of minor Irrigation Projects.
4. To ascertain reasons for the disuse of projects through special survey as also the rate of depreciation due to siltation of surface water storage projects.
5. To organize on quinquennial basis a census of minor irrigation projects.
6. To compile statistics of area irrigation under crops according to seasons.
7. To explore the possibility of organizing pilot studies and to ascertain the increase in productivity due to minor irrigation projects and,
8. To collect information regarding the extent of construction of minor irrigation works through institutional finance and through own private finance of farmers as a part of the quinquennial.

Four minor Irrigation censuses taking 1986-87, 1993-94, 2000-2001 and 2006-07 as the reference years have already been conducted in the State. The work of 5<sup>th</sup> Minor Irrigation Census is in progress at field level.

An amount of ₹ 2,00,000/- for data entry work has been kept for the year 2019-20.

**Code No.** : 1-1-1105-2515-51-102-96-99  
**Name of Scheme** : Scheme for Swarn Jayanti Maha Gram Vikas Yojana (SMAGY) Normal Plan  
**Outlay** : ₹10,00,00,000/-

This is a State Plan scheme. Up-to Dec 2006, the outlay of this scheme was being used for a wide range of activities including Health & Sanitation, Education, Rural Sports, Rural Roads, IEC, and maintenance of Women Sanitary Complexes (particularly benefiting the Scheduled Caste families). Later-on, it was felt that the range of activities is very wide whereas the funds are meager, hence in January 2007, it was decided that the funds should be utilized for drainage of waste water and maintenance of Community Toilets under Total Sanitation Campaign. From the year 2009-10, the funds are being utilized for the management of liquid waste i.e. stabilization of water ponds.

The Haryana Swarn Jayanti Mahagram Vikas Yojana intends to cover the 125 villages having population more than 10,000. The existing infrastructure shall be upgraded, such as, all streets to be paved with interlocking paver blocks/bitumen roads, provision of street lights, Water supply of 135 LPCD, Sewerage system (preferably on PPP Mode), Solid Waste Management System i.e. Garbage collection system, public parks/playgrounds, management of ponds through liquid waste management system, Cremation ground with all facilities for seating and toilets etc. Besides it, better educational facilities up-to 10+2 level school, facilities of 50 bedded Hospitals-cum-CHC, Veterinary Hospital & Community Centre with banquet Hall/Library etc. Banks, Post office. In addition to it, to improve the standard of living and to provide livelihood opportunities, the provision of housing for all under Indira Awaas Yojana(IAY)/Priyadarshani Awaas Yojana (PAY), Laying out of developed sectors through Haryana Rural Development Authority, toilets for all under Swachh Bharat Mission-Gramin, employment generating activities under MGNREGA and NRLM and skill training under various Government initiatives.

Promotion of entrepreneurship program, design and marketing support to cottage industry and impetus to non-farm sector growth. . The outlay of 2018-19 was Rs. 2.00 Lac(including Rs. 1 Lac of SCSP), as a token money. The Scheme has been transferred to the Public Health Department, Haryana.

A token provision of ₹10,00,00,000/- has been provided for the year 2019-20.

**Code No.** : 1-1-0000-2515-51-102-83-51  
**Name of scheme** : Awareness amongst village Youth Volunteers for Rural Development  
**Outlay** : ₹5,00,00,000/-

It is well known that the Government is implementing vast range of programs in the rural areas but the delivery of these programs needs to be improved. It is often felt that the people in the rural areas are either not aware of the opportunities that are being provided by the programs of various department/bank/private institutions or they do not have an easy access to them. It felt that the youth if trained can becomes a facilitative link.

With this background, Government has decided to initiate a new scheme called "Youth for Rural Development". It seeks to tap the energy and potential of the youth, to trigger faster development of rural areas. Under this scheme, youth will be selected and trained as volunteers in the villages. The scheme aims to inspire the young to become volunteer and build their capacity to become change facilitators in the village community in order to ensure faster inclusive and sustainable social, human and economic development in rural areas.

An outlay of ₹5,00,00,000/- has been provided for the year 2019-20.

**Name of scheme** : Haryana State Gramin Swachhata Puraskar scheme  
**Outlay** : ₹20,00,00,000/-

The Swachh Bharat Mission-Gramin was launched by the Hon'ble Prime Minister of India w.e.f. 2<sup>nd</sup> October, 2014 with the objective to bring about an improvement in general quality in the rural areas by achieving the open defecation free status through accelerated sanitation coverage to access to toilets to all by 2019 and scientific management of solid and liquid waste in rural areas.

According to 73<sup>rd</sup> Constitution Amendment Sanitation is included in the 11<sup>th</sup> Schedule. Accordingly, Gram Panchayats have a pivotal role in the implementation of Swachh Bharat Mission-Gramin. Panchayats have been given responsibility to carry out the social mobilization for construction of toilets and also maintain the clean environment by way of safe disposal of solid & liquid waste.

In order to promote the role of Gram Panchayats in sanitation as envisaged in Constitution, the State Government took a decision to incentivize such Gram Panchayats which achieve Open Defecation Free (ODF) status. The Hon'ble Chief Minister of Haryana has announced an incentive scheme of ₹1.00 lakh to each GP, ₹5.00 lakh to each

Panchayat Samiti and ₹20.00 lakh to each Zila Parishad on achieving the Open Defecation Free (ODF) status.

**Code No.** : 1-1-0000-2700-80-800-96-51  
**Name of Scheme** : Compensation to farmers for loss of their crop due to breach of canal  
**Outlay** : ₹ 50,00,000/-

It is a State Scheme. Irrigation and Water Resources Department, Haryana is maintaining the irrigation canal network with its best efficiency and efforts. However, due to shortage of regular watch and ward staff and due to natural reasons such rat/ snakes holes, weak bunds or any other reason some unexpected breaches of canal occurred and because of which the water is filled up in the adjoining fields and sometimes standing crops were damaged. The farmers of the adjoining fields whose crops were damaged have to bear the loss without any fault. Now the Government has decided that compensation to farmers for loss of their crop due to breach of canal will be given after confirming the assessment of field and District authorities. The approval of Government for case to case basis as per the recommendation of District Level Authorities shall be taken-up.

An amount of ₹50,00,000/- has been kept for the year 2019-20.

**Code No.** : 1-1-5201-4700-07-800-98-51  
**Name of Scheme** : Construction of Canal(SYL)  
**Outlay** : ₹ 100,00,00,000/-

It is a State Scheme. S.Y.L. Project was conceived in the year 1978 to bring Haryana shares of Ravi-Beas Water. This project consisted of two segments, one lying in Haryana (91kms.) and other in Punjab (121kms.). Haryana completed its portion of the Channel in year 1979 at a cost of ₹56.00 crore, but Punjab has not so far completed the Canal in its territory. The completion of SYL Canal will bring full share of Ravi Beas waters to the State of Haryana and Potential created through various Projects such as Jawahar Lal Nehru Lift Irrigation Scheme, Loharu Lift Irrigation Scheme, Rewari Lift Irrigation Scheme and Gurgaon Canal will be fully utilized. Now the Hon'ble Supreme Court of India has decide the case in favour of state of Haryana and it is likely that SYL canal would be completed.

A provision of ₹100,00,00,000/- has been kept for the year 2019-20 for Haryana portion of SYL Canal.

**Code No.** : 1-1-5209-4700-13-800-98  
**Name of Scheme** : Construction of Canal  
**Outlay** : ₹ 154,35,00,000/-

It is a State Scheme. Most of the canal system in Haryana is 40-50 years old. The rehabilitation and modernization of existing system is being given priority to improve the hydraulic flow conditions and to reduce losses to achieve the designed efficiency of water carrier/feeder distribution network. More stress is being given to bring back the canal system to its designed/required parameters and efficiency with the minimum possible investment. Most of the CM Announcements of the department are under this head. Major rehabilitation works costing about ₹ 600.00 crore would be taken-up during the financial year 2019-20 and thereafter. In addition, various unserviceable damaged pumps and machinery of various pump houses of lift irrigation system shall also be replaced under this head. Due to meager land holding of schedule caste population in the state, no rehabilitation of canal network scheme could benefit directly to schedule caste population. However, flow of benefit in terms of employment and drinking water to SC population can be ensured. For improvement in construction works and rehabilitation of existing canal network for efficient distribution of water, a provision of ₹100,00,00,000/- under Scheduled Castes Sub Plan and ₹ 154,35,00,000/- has been kept under general component in the year 2019-20.

**Code No.** : 1-1-0000-4700-13-800-97-51  
**Name of Scheme** : Improving capacity of WJC & JLN Canal System.  
**Outlay** : ₹ 80,00,00,000/-

It is a State Scheme. The basic concept of the project is to utilize maximum Yamuna water during rainy season for the benefit of the State, particularly the water-deficit South Haryana. Further, WJC carrier system is not designed to run all the off-taking channels simultaneously during rainy season when sufficient water is available in Yamuna. Therefore, in this proposal the WJC Carrier system has been designed in a manner that all the off-taking canal systems from Khubru, Munak and Indri will be able to

run simultaneously. If there is demand in the area and no rotational programme would be enforced when sufficient water is available during rainy season. This will help not only to meet with the drinking & irrigation needs of the water starved area of South Haryana but also help in equitable distribution of surface water to some extent. The estimated cost of the project has been worked out about ₹ 600.00 Crore. An amount of ₹ 80,00,00,000/- has been kept for the year 2019-20.

It is a State Scheme. Shahbad Nalvi Irrigation Scheme was conceived in 1980 to provide surface Irrigation and improve the depleting water table, a project amounting to ₹ 167.62 crores was approved during November, 2004. Subsequently the project was revised in October, 2005 to ₹ 267.27 crores with three Phases to provide irrigation to 92532 Hectares of land. The length of channel is 374.24 Kms. The Gross Area/culture able Command Area is 1,02,812/92,532 hectares. The discharge at head is 590 Cs. and additional area to be brought under irrigation is 22566 hectares. This scheme will recharge ground water in sweet water zone already declared as dark and gray by Central Ground Water Board. The canal constructed as katcha canal and no lining is proposed except at critical reaches so that recharging of ground water takes effectively. The work of 1st Phase has been completed. Now, State Government has been de-notified the land acquired for this Project and decided to close the project. However, a token provision of ₹ 50,00,000/- has been kept for ongoing work or any pending liability under this head.

It is a State Scheme. Punjab is supplying part of Haryana's share of Satluj and Ravi-Beas water through Bhakra Main Line Canal at RD.390000 and Narwana Branch Canal at RD.160000. Due to constant running of these channels since 1954, designed carrying capacity of these channels has been reduced from 10794 Cs. to 9500 Cs. In order to restore this authorized capacity and for special repairs to be carried out for maintaining the capacity of the channels, so that Haryana keeps on getting uninterrupted authorized share of the State, funds are being released to Punjab Irrigation department on the basis of estimates submitted by them after taking administrative approval of Government.

An amount of ₹7,00,00,000/- has been kept for the year 2019-20.

**Name of Scheme** : Construction of Canal  
**Outlay** : ₹ 40,00,00,000/-

It is a State Scheme. Government has major policy changes in the field of irrigation to realize the vision of "HarKhetKoPani", by extending the lined watercourses from 24 ft. per Acre to 40 ft. per Acre of Culturable Command Area (CCA), resulting in increase of intensity of irrigation in the State. Out of the total 15404 watercourses, 9700 have been lined under various projects by both Irrigation and CADA. Since many of these watercourses were lined more than 30 years ago, some have been damaged and require major rehabilitation. Department has identified 7500 watercourses for major repairs & rehabilitation. Work on remodeling and rehabilitation of watercourses has also been taken up in a phased manner. Department has planned to rehabilitate about 200 watercourses during the financial year 2019-20 under State Plan & NABARD. For improvement in construction works by rehabilitation of watercourses in the State, a provision of ₹18,00,00,000/- under Schedule Castes Sub Plan has been kept in the budget Estimates 2019-20, which will ensure the flow of benefit to SC population residing along the watercourses. Further, provision of ₹ 40,00,00,000/- has been kept under General component of the scheme in the year 2019-20.

It is a State Scheme. In order to develop/rehabilitate canal infrastructure for the benefit of villagers and thereby increasing the agriculture production and overall income of small and marginal farmers under Scheduled Caste Sub Plan, NABARD has been approached for finances on loan basis. Numbers of schemes are being identified for better water management, recharge and providing irrigation under Scheduled Caste Sub Plan of NABARD in the State. A project of increasing the capacity of Parallel Delhi Branch costing ₹ 304.00 Crore has been recently approved by SFC and sent to NABARD for funding. Further, to minimize the Gap between irrigation potential created and Irrigation potential utilized, a project for rehabilitation of 565 watercourses costing about ₹ 300.00 Crore is under progress. The work of project would be completed in 2 years. Further a project for rehabilitation of 52 channels costing ₹ 245.00 Crore has been recently approved under RIDF-XXIII. In addition, A project of Remodelling of Augmentation Canal with an estimated cost of ₹ 489.00 Crore with the proposal to construct a new cement-concreted lined channel with the designed capacity of 6000 Cs has been approved by Standing Finance Committee 'C' under the Chairmanship of Hon'ble Finance Minister for posing to NABARD.

## COMMAND AREA DEVELOPMENT AUTHORITY (CADA)

### PART-II CENTRALLY SPONSORED SCHEMES (SHARING BASIS)

**Code No.** : 2-1-1206-2705-51-190-95-51  
**Name of Scheme** : Area Development Programme for Canal Area (50% Basis)  
**Outlay** : ₹ 205,00,00,000/-

Command Area Development Authority (CADA), Haryana has been implementing the Centrally Sponsored Command Area Development (CAD) Programme initiated by the Government of India in 1974-75 for systematic development and management of command areas of irrigation projects; improving utilization of irrigation potential and optimizing agricultural productivity and production from the irrigated areas by integrating all functions related with irrigated agriculture.

The Command Area Development Programme is an integrated area development approach towards the command areas of major and medium irrigation projects in the country. The programme is aimed at bridging the gap between the irrigation potential created (IPC) and actually utilized by linking the canal outlets to the field gates (also called naka) through a network of field channels (watercourses) and other related activities for optimum production.

The CAD programme was restructured and renamed as Command Area Development & Water Management (**CADWM**) w.e.f. 01.04.2004 and since 2008-09 the programme is being implemented as a State sector scheme with Central assistance. As per GOI from the financial year 2017-18 onwards the CAD & WM works have been covered under newly "Incentivisation for Briding Irrigation Gap" (ISBIG) under the umbrella scheme of "Pradhan Mantri Krishi Sinchai Yojana" (PMKSY) and the central assistance is now available to the State under this scheme as per the latest guidelines/norms of ISBIG. As per these guidelines on-going and new projects are required to be completed within four years i.e. from October, 2017 to September, 2021. The strategies of this organization is to complete all on-going as well as new projects as per schedule of ISBIG. Therefore, an outlay for CADA an amount of ₹ 205,00,00,000 has been provided for the year 2019-20 comprising Central Share of ₹ 100,00,00,000 and State Share of ₹ 105,00,00,000.

**Scheme Code:-** 1-1-1356-4801-05-190-99-51  
**Name of Scheme:-** Equity Capital to HVPNL  
**Proposed Outlay:-** ₹171,69,00,000/-

Haryana Vidyut Parsaran Nigam Limited (HVPNL) is a State Transmission Utility declared under Section 39 of the Electricity Act, 2003. It is a State Scheme. The proposed investment will strengthen the communication of the transmission system. The State Government is supporting power project through its Plan allocation to the extent of 20% of the cost of the works which is used as margin money and balance 80% is raised by the company from financial institutions.

HVPNL is the co-owner of BBMB projects with other partner States. BBMB is executing R&M of Nangal project which will enhance the production capacity of the plant and will in turn benefit the partner States including Haryana. The partner States are contributing the project in the power sharing ratio which consists of loan from REC taken by the Utilities and Plan support from the State Government. During the year 2019-20, ₹ 10.00 crore is proposed to be received as a Plan support from the State Government.

HVPNL is also implementing ERP solutions with the assistance of Mahindra Satyam Ltd as system integrator. Implementation of ERP will facilitate improvement in the business environment of the company which will promote transparency and efficiency in the day to day working of the company.

An outlay of ₹ 171,69,00,000/- has been provided under this scheme for the year 2019-20.

**Scheme Code:-** 1-1-1355-4801-05-190-99-51  
**Name of Scheme:-** Equity Capital to HPGCL  
**Proposed Outlay:-** ₹40,03,00,000/-

Following scheme will be implemented during 2019-20.

**1. Arrangement of Dust Suppression System at ash dyke for RGTPP Hisar.**

Ash Dyke of Rajiv Gandhi Thermal Power Project (RGTPP) is situated very near to the village Khedar. The area is dust prone due to climatic region and continuous loading of pond ash by vehicle as per MOE&F notification for various uses. Whenever, the direction of the wind is towards West side, the probability of entering of ash in the village area cannot be ruled out because of vast area of the dyke and villagers usually complaint in this regard. In order to address the problems of the villagers, Health of people living in the vicinity of dyke and also Keeping in view the Environmental norms Dust suppression system is essential. Accordingly, it was decided to place such a system in line with NTPC Ramagundam. The installation of dust suppression has been estimated as ₹ 450.00 lakh of which ₹ 200.00 lakh has been expected to be incurred during the FY 2019-20. Accordingly an amount of ₹ 40.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**2. Construction of 2 no. Barracks for CISF at RGTPP Hisar.**

HPGCL is required to station CISF personnel at its power plants as per Ministry of Home Affairs (MHA) notifications. RGTPP Colony is situated about 35 KMs away from main city. As on date total strength of CISF personnel at RGTPP is 191. For CISF personnel, only 25 Nos. houses have been earmarked initially.

The total number of houses of all categories in the Colony is 417 (excluding 25 earmarked for CISF). The total sanctioned strength of officers and officials at RGTPP is 574 Nos. There is always scarcity of houses in the colony. Moreover, in addition to CISF, officers/officials of HPGCL, houses have to be allotted to the various contracting agencies as per terms of the contract. To accommodate CISF personnel's, presently there are 2 Nos.

barracks which can accommodate 44 Nos. personnel's only. There is a continuous demand from CISF to allocate more houses. To meet with the requirement of CISF personnel, HPGCL has decided that two no. more barracks on the first floor of the existing barracks to accommodate 50 no. CISF Personnel is constructed. The construction cost of 2 nos. Barracks has been estimates as ₹ 128.00 lakh of which ₹ 28.00 lakh has been expected to be incurred during the FY 2018-19 and ₹ 100.00 lakh during the FY 2019-20. Accordingly an amount of ₹ 20.00 lakh has been proposed as equity support of State Government for FY 2019-20.

### **3. Construction of DAV school in Power Plant Colony at RGTPS Hisar.**

Provision of school already exists in detailed project report of RGTPP power plant to cater to Educational requirement of wards belonging to Employees/Workers of the plant. RGTPP colony is located 35 Km away from main city. For officers and officials, residential colony has been constructed near the plant. The colony is spread in 50 acres and is having about 440 no. of houses of various categories. The colony was got constructed from HSRDC as deposit work. About 1500 persons are residing in the Colony. The residents of the colony are facing hardship for education of their children.

A MoU has been signed with DAV college managing committee for setting of DAV school. The School in the RGTPP colony has started from the academic year 2016-17. Presently school upto 5th Standard has been started in civil complaint centre after carrying minor modifications. The existing building is not sufficient to cater to future requirements. Therefore new building is required for proper school. The construction cost of DAV school has been estimates as ₹ 687.00 lakh of which ₹ 300.00 lakh has been expected to be incurred during the FY 2019-20. Accordingly an amount of ₹ 60.00 lakh has been proposed as equity support of State Government for FY 2019-20.

### **4. Capital Overhauling at WYC.**

The scope of work for overhauling of 4 Nos. machines i.e. A-I, B-I, C-I & C-II of WYC Hydel has been finalized as per direction of higher authority in association with M/S Voith Hydro. The e-NIT for overhauling of 2 Nos. machines has already been floated, the e-NIT will be opened in the first week of August 2017. After finalization of this e-NIT, the NIT for balance 2 Nos. machines will be floated. The total cost of overhauling has been estimated of ₹ 3600 lakh of which ₹ 1000.00 lakh has been expected to be incurred during the FY 2019-20. Accordingly an amount of ₹ 200.00 lakh has been proposed as equity support of State Government for FY 2019-20.

### **5. Civil Works for WYC Hydel Project.**

WYC Power house-A, B and C were commissioned in FY 1986-1989 and have already completed 30 years of their life. The civil works of these plants have also aged and needs repair and replacement so that their life may be extended. Hon'ble Commission has already allowed capital overhaul of machinery of these plants to extend their life. Correspondingly capital works also needs to be done for civil structure of these plants. Repair and replacement of following civil structures needs to be done:

- i) Repair to damaged concrete lining of canal between power house B & C: During May 2014 it was observed that the lining on both side of the canal between Power House B & C was damaged. The damage was measured at 14000 m2 and was increasing. Hence to contain the damage it is essential to repair the concrete lining. As per recommendation by IIT Roorkee that " this lining needs immediate treatment". The report of IIT Roorkee is enclosed as Annexure-S.
- ii) Repair of damaged roads of WYC: The roads on the project area of WYC are more than 30 years old Due to plying of heavy vehicles road of length 5 Kms has undergone damaged and same is required to be reconstructed with rich specification. In addition road between Power House A& C of 8.5 Kms needs to be carpeted with bitumen.
- iii) Repair of Power house buildings of Power House-A, B & C: The buildings of power house are more than 30 years old and being water retaining structure seepage has started from various locations in the power house. The expansion and construction joints have also started showing seepage and gaps have widened The Power house

building also needs to be checked for structural health and strength as well as pressure grouted for better life of the same.

- iv) Repair of Residential and non-Residential buildings: Residential and Non-residential building of WYC Project are also 35 years old and require major repairs including repairs.

The civil works will be carried out at expenses of ₹ 750.00 lakh. Accordingly an amount of ₹ 150.00 lakh has been proposed as equity support of State Government for FY 2019-20.

#### **6. Energy Management System at PTPS Unit- 7 & 8.**

HPGCL has got conducted the energy audit of its plants. As per the Energy Audit Report conducted by M/s Steag Ltd. Energy Management System is to be provided in PTPS Units 7-8 to monitor auxiliary consumption. Installation of the system will help in monitoring energy consumption of various auxiliaries with diagnostic tool. This will help in identification of areas where energy consumption is high and proper remedial measures in the identified areas will result in reduction in APC and improvement in overall heat rate of Unit. The estimated cost of installation of Energy Management Systems is ₹70.00 lakh only. Accordingly an amount of ₹14.00 lakh has been proposed as equity support of State Government for FY 2019-20.

#### **7. Implementation of ERP and Allied Works:**

HPGCL is in the process of implementation of ERP to interconnect all its generating stations and Head quarter. The work has been awarded to M/s L&T Infotech, Mumbai. The total cost of project has been estimated to be ₹ 3500.00 lakh of which ₹ 1000.00 lakh has been expected to be incurred during the FY 2018-19 and ₹ 2500.00 lakh during the FY 2019-20. Accordingly an amount of ₹ 500.00 lakh has been proposed as equity support of State Government for FY 2019-20.

#### **8. Improvement Work of Cooling Towers of RGTPP Unit I & II.**

The purpose of the Cooling Tower is to cool down the water after condensate the steam in condenser which is left out after doing the work in LP Turbine. Better cooling of the water resulting into improvement in the Vacuum. The performance of cooling tower has deteriorated over period of time as a result of which Vacuum of the units are not being achieved as per design. Due to non achieving of the designed vacuum, SHR of the Turbine has increased resulting into low efficiency of the Turbine. The cooling tower site has been visited by M/s L&T - S&L Limited. The improvement work of cooling tower has been estimated of ₹ 1600.00 lakhs with equal expenditure incurred in 2018-19 and 2019-20. Accordingly an amount of ₹ 160.00 lakh has been proposed as equity support of State Government for FY 2019-20.

#### **9. Installation of CCTV Surveillance System in RGTPP Hisar.**

In order to effective security of plant it is proposed to install CCTV surveillance system in conjunction with existing manpower deployed by CISF. As per recommendation of Intelligence Bureau (IB) all entry/exit and other sensitive points including water intake area may be covered by CCTV Surveillance System and frisking of employees' contract/casual laborers and visitors should be carried out by trained staff with help of trained staff with the help of technical gadgets like DFMD, HHMD at all entry points. The installation cost of CCTV surveillance System has been estimated of ₹ 200.00 lakhs. Accordingly an amount of ₹ 40.00 lakhs has been proposed as equity support of State Government for FY 2019-20.

#### **10. Installation of Variable Frequency Drive in Condensate Extraction Pump (CEP) of RGTPP Unit I & II.**

The function of CEP is to extract condensate from hot well and supply the condensate to the de-aerator. It maintains de-aerator level by throttling control valve and recirculation valve. The throttling of these valves cause losses. The process of maintaining deaerator valve can be achieved without throttling process by varying speed of pump by maintaining VFD on CEP pump.

The Audit of Auxiliary power, condenser Vacuum etc. has been conducted by M/s PWC and recommended for installation of VFD on CEP. The installation cost of VFD on Condensate Extract Pump (CEP) of both the Units (4 No.) has been estimated of ₹ 521.00 lakh. Accordingly, an amount of ₹ 104.20 lakh has been proposed as equity support of State Government for FY 2019-20.

**11. Installation of Low NOx Burner and Secondary over Fire Air (SOFA) at RGTPP, DCRTTP and Unit- 7& 8 of PTPS**

The Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India, notified the Environment (Protection) Amendment Rules, 2015 (Amendment Rules, 2015) on 7.12.2015, amending/introducing the standards for emission of environmental pollutants to be followed by the Thermal Power Plants. The same were to be complied with in 2 Years of notification i.e. up to December, 2017.

All the power plants of the HPGCL are under the NCR jurisdiction as such compliances of the new environmental norms in a time bound manner are more rigid for it. All the HPGCL plants need installation of additional pollution control equipments to meet the new environment norms.

The following actions are required to be taken for compliance of new norms:-

- i) SOx:- Flue Gas Desulphurisation (FGD) is required to be installed to control SOx levels,
- ii) NOx:- Following are the technologies for control of NOx levels:-
  - (a) Combustion modifications i.e. installation of low NOx burners and Separated over Fire Air(SOFA) Damper.
  - (b) Installation of Selective Catalytic Reduction (SCR) / Selective Non- Catalytic Reduction (SNCR).
- iii. SPM:- ESP rectification/up-gradation needs to be carried out to control SPM levels.

Initially, HPGCL has planned to install Low NOx burners and Secondary over Fire Air (SOFA) Compartments to control NOx levels. The estimated capital expenditure is as under:-

Units	Total Estimated cost	Proposed capex. during FY 2019-20	Proposed equity from State Government i.e. 20 % of the cost	Proposed equity for 2019-20
Unit- 7 & 8, PTPS	3785	3785	757	516.85
Unit-1 & 2, DCRTTP	4680	4680	936	639.06
Unit-1 & 2, RGTPP	5540	5540	1108	756.49
<b>Total</b>	<b>14005</b>	<b>14005</b>	<b>2801</b>	<b>1912.40</b>

**12. Mobile Coal Sampling System at RGTPP, Hisar.**

HPGCL has decided to install a Mobile Coal Sampling System at RGTPP, Hisar. Coal is being received at RGTPP in coal wagons. Before unloading coal wagons are collected manually from wagons for purpose of analysis of coal at unloading end which doesn't give accurate results. To study the system at other power plants a committee of HPGCL officials visited Koradi TPS, MSPGCL and Gandhi Nagar TPS, GSECL where automatic auger sampling process is used to collect coal sample. The cost of installation of Mobile Coal Sampling System has been estimated of ₹ 66.00 Lakhs. Accordingly an amount of ₹ 13.20 lakh has been proposed as equity support of State Government for FY 2019-20.

**13. Providing of 2 No. VFD on Unit- II DCRTTP, 6.6 KV Motor of CEP.**

HPGCL has decided to install VFD on 6.6 KV motors of CEP 6.6 KV motors of Unit-1, DCRTTP Yamuna Nagar. Function of Condensate Extraction Pump is to extract condensate from the hot well of the condenser and feed it into Deaerator. Presently this level is maintained by throttling of control valve (CV), wasting energy across CV by throttling. When VFD is installed, the operation of CV shall remain in the manual mode and fully open and speed of condensate flow will be varied by varying speed of the motor. This will reduce losses by eliminating throttling losses. After installation of VFD, APC is likely to be reduced by 0.10% for the Unit. The cost of installation of has been estimated as ₹ 236.00 lakh.

Accordingly, an amount of ₹ 47.20 lakh has been proposed as equity support of State Government for FY 2019-20.

**14. Replacement of AD Line in Ash Handling & repair D2 of ESP Field at PTPS Unit-6.**

Ash Disposal (AD) Lines have not been replaced since commission of unit-6 of PTPS. Approx.. 5 km. AD Line which are damaged due to continuous erosion and needs to be replaced. Further due to raise height of Ash Dyke additional AD lines is required. HPGCL has also observe the economy in expenditure and utilization of old line of the retired unit PTPS 1 to 4 of approx. value of ₹ 90 lakhs. Even after utilization of old line there will be additional expenditure on the replacement and laying of new lines.

The one field of the ESP unit-6 is out. Outage of the field has resulted in poor performance of ESP and it has become difficult to achieve existing ESP norms C. As such to meet with the pollution norms, one no. completely damaged ESP need to be revived. The cost of replacement of AD lines and ESP field has been estimated as ₹ 220.00 lakh of which ₹ 100.00 lakh has been expected to be incurred during the FY 2018-19 and remaining amount of ₹ 120.00 lakhs during the FY 2019-20. Accordingly an amount of ₹ 24.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**15. Revival of 20 Nos. ESP fields and repairing of balance 36 Nos. ESP fields of Unit-1& 2 DCRTTP Yamuna Nagar.**

Due to poor evacuation of fly ash from hoppers of ESP 12 no of fields of ESP of Unit no.1 and 8 nos of ESP of Unit-2 got damaged during year 2010. These ESP fields are lying defunct and beyond repair. Outage of these fields has resulted in poor performance of ESP and it has difficult to achieve existing ESP norms as notified by MoEFCC. These norms have been made more stringent by MoEFCC vide notification dated 07.12.2015 wherein the SPM level norm has been reduced to 50 mg/Nm<sup>3</sup>. It would not be possible to achieve new norms without complete repair of damaged fields and rehabilitation of the entire ESP as a whole. Efforts have been made to get these fields repaired through OEM (SEC China), BHEL or other reputed agencies, but these fields could not be repaired due to non-availability of long shutdown. Now in-principle decision has been taken by HPGCL to get these ESP fields revived through OEM/OES. A team of ESP experts of OEM M/s SEC China has already inspected ESP of Unit-1 during November, 2015 and Unit-2 during May, 2016 and SEC has submitted their offer with estimated amount of ₹ 2500.00 lakh which includes erection, testing and commissioning for Unit-1. The amount for Unit-2 is expected for similar work at ₹ 2000.00 lakh. Out of which ₹ 2200.00 lakh has been expected to be incurred during the FY 2018-19 and balance of ₹ 2300.00 lakh during the FY 2019-20. Accordingly an amount of ₹ 460.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**16. Replacement of DAVR in DCRTTP Yamuna Nagar Units 1 &2.**

Digital Automatic Voltage Regulator (DAVR) is very sophisticated equipment used for initial build-up of Generator Voltage to maintain terminal voltage of the generator at constant level. In eventuality of any fault in hardware or software of DAVR, services of OEM is generally required. Previously DAVR of Unit-II has also failed in 2010 and that time it was rectified with the help of RIL (EPC Contractors). Channel-II of DAVR for Unit-I also failed on 23.02.2017.

OEM (M/s SEC China) has also not ensured service support for existing DAVR during upcoming overhaul of DCRTTP Units. For rectification of electronic module or component of existing DAVR they are required to be sent to SEC, China. The repair of these modules are very time consuming because of procedural delays and also OEM services is not available in India. Now in any case of further fault in DAVR system the unit will have to be put under forced-shutdown till rectification of the fault.

Further as per NRPC guidelines it is mandatory to carry out step voltage test every 3 years and if the response of the system is not as per NRPC guideline then PSS tuning of the DAVR is required to be carried out. The detailed procedure for PSS tuning as issued by NRPC is attached at Annexure-2. By installing new DAVR system work of PSS tuning can be done at time of commissioning and extra cost of ₹ 46 Lakhs pertaining to PSS tuning can be saved. Moreover DAVR is under the category of I.T. equipment which was installed at

DCRTPP at the time of commissioning of the project in 2008 and has already outlived its life and is due for replacement.

Keeping in view above facts present DAVR system needs to be replaced by DAVR system of suitable and compatible make which also have service facility available in India to avoid any outage of the Plant as well as to timely meet the NRPC guidelines. The estimated cost of replacement of DAVR is ₹ 150.00 lakh only which proposed to be incurred with equal expenditure of ₹ 75.00 lakh in 2018-19 and 2019-20. Accordingly an amount of ₹ 15.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**17. Revival of 02 Nos of ESP fields of RGTPP Unit I**

The ESP of Unit-1 of RGTPP, Hisar have completed 8 years and their rectification of 2 nos. ESP has become essential to avoid further damage to the ESP. The cost of repair of 2 Nos. ESP has been estimated as ₹ 800 lakhs of which ₹ 500.00 lakhs has been expected to be incurred during the FY 2018-19 and balance of ₹ 300.00 lakhs during the FY 2019-20. Accordingly, an amount of ₹ 60.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**18. Township for DCRTPP, Yamuna Nagar**

The capital expenditure has been taken to complete construction of DCRTPP Township as contained in original scope of project. Originally the works were to be completed by HSRDC, however they were not able to complete the same fully. Accordingly a part payment was made to them during the FY 2015-16. Now the work will be completed by the HPGCL with the estimated cost of ₹ 240.00 lakhs. Accordingly, an amount of ₹ 48.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**19. Up-gradation of Human Machine Interface (HMI) System of pro-control supplied by M/s BHEL at PTPS Unit-6.**

The existing HMI system supplied by M/s. BHEL is based on Windows NT platform which is no more available in the market and has become obsolete. OEM M/s BHEL has recommended that since the system is already 15 years old, it is necessary to migrate to the latest system offered by M/s. BHEL which would be based on latest version of Windows. As per HERC MYT Regulation, 2012 also the useful life of the IT equipment is only 6 years which has already been completed in this case. The estimated cost of up-gradation of Human Machine Interface System of pro-control is ₹ 150.00 lakh only. Accordingly, an amount of ₹ 30.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**20. Upgradation of C&I System for RGTPP Hisar.**

Since then these units are in operation. Boiler & its auxiliaries, Turbine & its auxiliaries are monitored and controlled by the M/s Yokogawa supplied Digital Control System (DCS); Centum CS3000 and M/s Emerson Ovation make Digital Electro-Hydraulic (DEH) respectively. Due to rapid change in the technology both system the DCS and DEH needs to be upgradation. As per HERC MYT Regulation, 2012 the useful life of the IT equipment is 6 years only. In view of the above upgradation of the system is essential and inevitable. The upgradation cost of C&I system has been estimates as ₹ 300.00 lakhs. Accordingly an amount of ₹ 60.00 lakh has been proposed as equity support of State Government for FY 2019-20.

**21. Upgradation of existing PLC & SCADA at DCRTPP**

HPGCL has planned to upgrade existing PLC & SCADA system of CHP, AHP, DM Plant & Mill Reject Handling System at DCRTPP, Yamuna Nagar. The PLC & SCADA system installed in CHP, AHP, DM Plant & Mill Reject Handling System is of M/s Rockwell Automation make (with 1756-L63 controller) which was supplied & commissioned by M/s Rinfra under respective package for 2x300 MW DCRTPP. Presently, the Operating station & Engineering station of the CHP, AHP, DM Plant & MRHS at DCRTPP are running on Microsoft Windows XP Professional operating system. The Microsoft Windows XP Professional is no longer being supported by Microsoft Incorporation in view of the fast pace of change of technology. The software and hardware of the existing installed systems have also been obsolete.

The PLC & SCADA system will be revived in the FY 2019-20 at expenses of ₹ 225.00 lakhs and will be capitalized in the same Year. Accordingly an amount of ₹ 45.00 lakh has been proposed as equity support of State Government for FY 2019-20.

An outlay of ₹ 40,03,00,000/- has been provided under this scheme for the year 2019-20.

UDAY (Ujwal DISCOMs Assurance Yojana), a scheme for the financial turnaround of Power Distribution companies (DISCOMs) has been approved by the Government of India with an objective to improve the operational and financial efficiency of the State DISCOMs. This scheme shall apply only to State-owned DISCOMs. DISCOMs for the purpose of this scheme may include combined generation, transmission and distribution undertakings. Participating States would undertake to achieve operational and financial turnaround of DISCOMs with measures outlined in the OM dated 20<sup>th</sup> Nov., 2015 issued by the Ministry of Power, Government of India.

State Government of Haryana has executed the tripartite UDAY MOU on dated 11.03.2016 and implementing the UDAY scheme. As per the scheme, the 75% of ₹ 34600.00 Crore, the outstanding debts of the DISCOMs as on 30.09.2015, i.e. ₹ 25950.00 crore has been taken over by the State Government

The Haryana DISCOMs will achieve the following AT&C loss reduction trajectory with the technical and managerial interventions as under:-

FY 2015-16	FY2016-17	FY2017-18	FY2018-19
28.05%	24.02%	20.04%	15.00%

State shall take over the future losses of DISCOMs in a graded manner and shall fund the loss as follows:-

Year	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
Previous years DISCOM loss to be taken over by State.	0% of the loss of 2014-15.	0% of the loss of 2015-16.	5% of the loss of 2016-17.	10% of the loss of 2017-18.	25% of the loss of 2018-19.	50% of the previous year loss

The debts amounting to ₹ 17300.00 Crore will be taken over and transferred to DISCOMs fiscal 2015-16 and ₹ 8650 Crore had been taken over in 2016-17 by September, 2016, out of which an amount of ₹ 2673,14,66,000/- will be provided to UHBVNL as equity capital during the FY 2019-20.

An outlay of ₹ 2673,14,66,000/- has been provided under this scheme for the year 2019-20.

**Name of Scheme:-** Loans to HPGCL from NABARD under RIDF Schemes.  
**Proposed Outlay:-** ₹53,86,00,000/-

Loan from NABARD through State Government for setting up of 12 MW ground mounted Solar PV Power Plant at WYC, Hydell, Yamuna Nagar.

The following solar power projects are proposed to be funded in the debt equity ratio of 95:05 in view of earlier approval accorded by State Government for setting up the Solar Project at Panipat i.e. 5% of the project cost of these projects are proposed to be financed by State Government as equity support and 95% loan from NABARD under RIDF scheme for the FY 2018-19. Accordingly an amount of ₹ 22011 lakhs had been proposed as loan from NABARD for these solar projects under RIDF scheme for the FY 2018-19 which has been approved by the State Government in its annual budget for the FY 2018-19.

Sr. No.	Name of Project	Capacity (in MW)	Estimated Project Cost	Equity from State Government (5% of project cost)	Loan from NABARD (95% of Project cost)

The NABARD had sanctioned a loan amounting to ₹ 53.87 Crore for setting up of 12 MW ground mounted Solar PV Power Plant at WYC, Hydel, Yamuna Nagar vide sanction order No. SPD/RIDF XXIII-2307 (Haryana)/ISC-29/2017-18 dated 06.03.2018. However, the project was deferred in view of decision of joint meeting of CMD UHBVNL & MD, HPGCL held on 19.01.2018. Now, SCPP in its meeting held on 27.07.2018 has decided that HPGCL may set up the proposed solar power plant. The process for appointment of project consultant is under consideration. The cost of project has been estimated of ₹ 5670.00 lakhs.

Accordingly an amount of ₹ 53,86,00,000/- i.e. 95% of the project cost has been proposed as loan from NABARD under RIDF scheme for the FY 2019-20 as a spillover of the previous year.

The remaining aforesaid projects have been deferred.

**DEPARTMENT OF NEW & RENEWABLE ENERGY  
PART-I STATE SCHEMES**

(1)

**CODE NO** : P-01-40-2810-51-101-98-51  
**NAME OF THE SCHEME** : Installation of Solar water Pumping System  
**OUTLAY** : ₹ 400,00,00,000/-

This is new NABARD aided scheme introduced during 2018-19. Under this scheme, solar water pumping systems will be provided to the farmers' with 75% subsidy (State).

1.a) Long term objective	To reduce the dependence on conventional power and to replace diesel pumps.
b) Medium term objective ( 5 years horizon)	35000 nos. of solar water pumps are proposed to be provided to farmers of the state to irrigate their fields during next five years of capacity ranging from 3 to 10 HP.
c) Annual objective & impact expected	About 65.2 % population lives in the rural area. It is difficult to meet the energy demand from the conventional sources. Renewable Energy sources are available in abundant and these are sufficient to meet energy demand. Medium and small farmers in the state are using diesel pump sets to irrigate their fields. These pumps create pollution and affect the climate. Solar Pumps are very useful for meeting the irrigation needs of the farmers and are pollution free. Once the systems are installed, there is no recurring & running expenditure on their day to day working, thus helping these small farmers for having sustainable income from their farming.
d) Strategies	HAREDA would arrange rate contract for the supply, installation and commissioning of 35000 nos. of 3 HP to 10HP solar water pumping systems for providing the same to the farmers' with 75% subsidy (State)

An outlay of ₹ 400,00,00,000/- has been provided under this scheme for the year 2019-20.

(2)

**CODE NO** : P-01-40-2810-51-101-99-51  
**NAME OF THE SCHEME** : Grid Connected Rooftop (GCRT) Solar Power Plant Programme  
**OUTLAY** : ₹ 50,00,00,000/-

This is a State Scheme. Under this Scheme, Programmes of Solar Cooker, CBP/IBP/NSBP, LED based SPV Home Lighting, SPV Street Lighting System for Urban Area, SPV Street Lighting System for Rural Area, Off Grid Power Plant, Grid Connected Rooftop Solar Power Plant Programme, SPV Pumps, are to be implemented during the year 2019-20.

Programmes of Solar Cooker, CBP/IBP/NSBP, LED based SPV Home Lighting, SPV Street Lighting System for Urban Area, SPV Street Lighting System for Rural Area Off Grid Power Plant, Grid Connected Rooftop Solar Power Plant Programme and SPV Pumps.

a) Long term objective	To reduce the dependence on conventional power for street lighting in rural areas.
b) Medium term objective	21500 Solar Street Lights (Stand Alone/Centralized Power Plant based/grid tied solar street lighting systems) are proposed to be provided in the rural areas of the state in next five years for illuminating community places like Panchayat Ghar, Chaupals, Streets etc. Funds required for 5 years:Rs864lacs

c) Annual objective & impact expected	During 2019-20, 1850 no.s of Solar Street lights (Standalone/centralized solar power plants) are proposed to be installed in the state as per MNRE/HAREDA Specifications. The cost of the systems will be approx. Rs. 13500/-. The Solar Street Lights shall help illumination in the community places in villages and will help in popularizing green and clean power. It is expected that installation of 1850 Solar Street Lights will benefit about 20,000 households and about 1,00,000 people. These systems shall help illumination in the community places and will help to conserve electricity. these systems shall help illumination in the community places and will help to conserve electricity and help to increase social security in semi urban /rural areas where higher incidence of crimes are reported in night/dark.
d) Strategies	Suitable locations for installation of solar street lights through the office of the ADC-cum-CPO of the district. Priority shall be given to under privileged areas like slums, SCBC, Bastis etc. the system shall be installed through rate contract/purchase finalized by the competent authority of the State Govt.

An outlay of ₹ 50,00,00,000/- has been provided under this scheme for the year 2019-20.

**CODE NO** : P-01-40-2810-51-103-99-51  
**NAME OF THE SCHEME** : Promotion of New & Renewable Energy for Urban Industrial Commercial Applications  
**OUTLAY** : ₹ 1,30,00,000/-

This is a new State Scheme. Under this Scheme, Demonstration Application of Solar Thermal Technologies for Social Sector and Promoting Solar Water Heating Systems for general public/solar Cities, are to be implemented during the year 2018-19.

Under this Scheme, Demonstration Application of Solar Thermal Technologies for Social Sector, Promoting Solar Water Heating Systems for general public/ Solar Cities 60000 LPD Solar Thermal Technologies in Social Sector and 50000 LPD Solar Water Heating Systems in General Public Sector are likely to be provided/installed during the year 2019-20.

An outlay of ₹ 1,30,00,000/- has been provided under this scheme for the year 2019-20.

(4)

**CODE NO** : P-01-40-2810-51-104-99-51  
**NAME OF THE SCHEME** : Research Design & Development in Renewable Energy  
**OUTLAY** : ₹ 2,55,00,000/-

This is a State Scheme. Under this Scheme, programmes of Publicity and Awareness, Energy Conservation Award, Scheme on Promotion of Energy Efficiency initiatives (BURM), Energy Audit & its implementation, Energy Audit of Villages and Energy Efficient Equipment Devices are to be implemented during the year 2019-20.

An amount of ₹3,00.00 lakh is required for the year 2019-20 for Energy Audit of Villages and Energy Efficient Equipment Devices.

An outlay of ₹2,55,00,000/- has been provided under this scheme for the year 2019-20.

(5)

**CODE NO** : P-01-40-2810-51-190-98-51  
**NAME OF THE SCHEME** : Energy Efficient Building Programme  
**OUTLAY** : ₹1,05,00,000/-

This is a State Scheme. Under this Scheme, Energy Efficient Building Programme is to be implemented during the year 2019-20.

Under this Scheme, expenditure towards payment for housekeeping and building maintenance etc. will likely be incurred.

An outlay of ₹1,05,00,000/- has been provided under this scheme for the year 2019-20.

(6)

**CODE NO** : P-01-40-2810-51-789-99-51  
**NAME OF THE SCHEME** : Shikshadeep Schemes on LED Based Solar Lanterns for SC Students.  
**OUTLAY** : ₹1,00,000/-

This is a State scheme under SCSP. This scheme is to promote 3000 Solar Home Systems (Manohar Jyoti) with three LED lights (2 bulbs and 1 tube light), 1 DC ceiling fan and provision of 2 USB ports, among the SC families of Haryana State.

An outlay of ₹1,00,000/- has been provided under this scheme for the year 2019-20.

(7)

**CODE NO** : P-01-40-4810-51-101-99-99  
**NAME OF THE SCHEME** : Purchase and Installation of Solar Panel and Allied Equipments-Installation of Solar Power Plants in Gaushalas in the State  
**OUTLAY** : ₹9,19,00,000/-

This is new State Scheme including during the financial year 2018-19.

Prime Minister sets an ambitious target of addition of 1.00 Lakh MW of solar Power in the Country by the year 2021-22. To contribute to this National Goal Haryana has to add about 4030 MW of Solar Power by the year 2021-22 including 1600 MW capacity Rooftop solar plants.

Summary of implementation of activity under this scheme is as under:-

Range of Capacity	Number of Goshalas	Total Proposed Capacity (in kWp)	Rate per kWp (₹ lakh)	Total Amount (₹ lakh)
<b>A. Grid Connected Rooftop Solar Power Projects</b>				
1-10 kWp	183	926	0.53	490.78
11-50 kWp	15	325	0.47	151.13
<b>Total (A)</b>	<b>198</b>	<b>1251</b>		<b>641.91</b>
<b>B Off- Grid Projects</b>	<b>80</b>	<b>355</b>	<b>1.35</b>	<b>477.48</b>
<b>Grand Total (A+B)</b>	<b>278</b>	<b>1606</b>		<b>1119.39</b>
User share (estimated)				200.39
Balance				919.00

## Calculations of saving &amp; Payback Period:

Number of Goshalas	278
Cumulative capacity of Solar Power Plants (kWp)	1606
Total Cost of the systems (Rs.)	111938000
Estimated Subsidy (Rs.)	33581400
Balance Share (Rs.)	7835600
Estimated no. of units produced from this capacity of plants	2409000
Annual Saving (Rs.), if tariff is taken @ Rs. 7.50 per unit	18067500
Pay Back Period (Years)	4.3

Installation of the rooftop solar power plant on Goshalas will contribute to productive utilization of available rooftop space and also create public awareness and environment consciousness amongst the citizens. There will be substantial saving on the electric bills of these Goshalas. It is also mentioned that the land is mostly agricultural land and there is shortage of land for installation of ground mounted solar projects, so the rooftop area of government building shall be utilised for setting up of the solar plants.

An outlay of ₹9,19,00,000/- has been provided under this scheme for the year 2019-20.

<b>Name of the Scheme</b>	<b>Establishment of the Industries Department allocated to Scheme- Establishment Expenses &amp; Information Technology.</b>
<b>Outlay</b>	<b>₹ 4,00,00,000/-</b>

This is a State scheme. This Schemes is for Administrative and Establishment works and purposes have been merged and brought under a single scheme namely; "Establishment of the Industries Department allocated to State Schemes". The details of the schemes merged in the above said scheme is as under:-

**i) Expansion of existing QMC/HTC/IDC.**

Realizing the catalytic role played by quality in the development of Industry, Government of Haryana started Quality Marking Scheme during late fifties which have influenced the manufacturers of the State to a large extent in the field of quality consciousness. Similarly, the Industrial Development Centres and Heat Treatment Centre has been started by the state Government which houses costly machines required by the entrepreneurs and who otherwise cannot afford these facilities in their Industrial Unit. Initially, this scheme was started on voluntarily basis and had received a very encouraging response from the industry and the Government had been increasing the network of these Centres from time to time, which has helped the industry in meeting their quality standards and making them compatible in the global market.

**ii) Staff for DIC Development Programme.**

The District Industries Centres were created in the year 1976 under a centrally sponsored scheme to streamline the setting up of small scale units in the far-flung areas of the country. Under the scheme each district was to have one District Industries Centre headed by a General Manger and assisted by Functional Managers, Industrial promotion officers. Field Functionaries and the necessary supporting staff. With the passage of time and the experience gained from the running of the scheme and also with the creation of

new districts, the staff strength has been rationalized keeping in view the essentially required staff. Also the Government of India has discontinued the assistance under the Scheme and the scheme has been transferred to the State side. As a result of this the State Government is meeting the entire expenditure of the Staff under the scheme.

**(iii) Training of Technical Staff in Special Training Program.**

Due to rapid changes and technological development in the Industrial Sector, it has been felt that the technical staff posted in the Field Offices as well as at Head Quarter is required to be trained on the latest development made in various technical fields through different institutions from time to time to enable them to render better technical assistance to the industry. Besides deputing the officer/official for various training course, they will be deputed to attend various seminars and discussions organized by Government and semi Government institutions, National Level Bodies.

**(iv) Information Technology Plan.**

The State Government has formulated Information Technology policy, 2000, wherein it has been provided that all the department shall prepare their IT plan for:-

1. Upgrading the standard and Quality for administration in social and public services sector through a process of modernization and Nationalization of the administrative set up.
2. Providing public centred efficient and cost effective government.
3. Extensive percolation of IT Literacy and education in the state.
4. Promoting investment s in IT industry.
5. Encouraging private sector initiative in IT related infrastructure and services.
6. Increasing the share of IT in state Gross Domestic product.
7. Generating IT restated employment opportunity.
8. Enhancing earning capacity of the residents, thereby ensuring a better quality of life.

**(v) Consultancy Services/Professional Services**

In order to implement the IT plan of the department it is required to get the services of professional and technical persons of IT field. These professionals will study in detail the functioning of the Industries & Commerce department, Haryana and suggest the revised role of the department for achieving the goals in the changing scenario. State Government will hire Services of professional persons.

**(vi) Creation of Industrial Facilitation Council (IFC) Cell.**

The Government of India has enacted a new Act called "The Micro, Small, and Medium Enterprises Development Act, 2006 under which the Haryana Micro & Small Enterprises Facilitation Council (HMSEFC) has been constituted for arranging to make the delayed payment of Micro and Small Enterprises. The function of HMSEFC is of legal and commercial nature. Therefore, an Assistant District Attorney, an accountant, an assistant, one clerk, a stenographer and a peon are required for the functioning of the council.

An outlay of ₹ 4,00,00,000/- has been provided under this scheme for the year 2019-20.

Code No.	1-2-1616-2852-80-789-99-51
Name of the Scheme	Entrepreneur Development Programme for Scheduled Caste beneficiaries
Outlay	₹44,00,000/-

This is a State scheme. For rapid economic development, it is required to make every one of the society a partner in the development process. It is necessary for the social and economic up-liftment of SC/ST, a booster dose in the form of special incentives to encourage them to become entrepreneurs and to start their own industrial service

venture. It is proposed to organize Entrepreneurial Development Programmes with special focus on SC rural youth and women in each district of the State to educate them and make them aware of the requirements for setting up their ventures. Under this scheme, SC category candidates are specifically targeted to impart them EDPs. A group of about 35 Scheduled Caste candidates is provided EDP at the cost of ₹ 1.00 lakh for each EDP. This scheme is applicable in all the districts of the State for SC beneficiaries.

An outlay of ₹ 44,00,000/- has been provided under this scheme for the year 2019-20.

**Code No.** 1-1-1658-4851-51-102-95-51  
**Name of the Scheme** Modernization of field offices/Directorate office premises  
**Outlay** ₹15,00,00,000/-

The department has field offices in each district of the State and the Directorate at Chandigarh. The office buildings of these offices require up-gradation and maintenance from time to time. The department proposes to get this work done through HSIIDC, which has been performing the same work for establishment and maintenance of the Industrial estates in the State.

For this purpose, an outlay of ₹ 15,00,00,000/- has been provided for the year 2019-20.

(13)

**Code No.** 1-1-1710-4885-01-190-80-51  
**Name of the Scheme** Share Capital to HSIIDC  
**Outlay** ₹ 1,00,000/-

HSIIDC was established in March, 1967 with the objective to accelerate the pace of industrialization by providing equity support & term lending to industrial units. It also provides infrastructure facilities to the entrepreneurs by setting up industrial estates at various strategic points in the State. HSIIDC is a Nodal agency for development of industrial infrastructure in the State. The State Government has been giving equity support to the HSIIDC for strengthening of financial base of the Corporation.

An outlay of ₹ 1,00,000/- has been provided under this scheme for the year 2019-20.

(14)

**Code No.** 1-1-1752-6851-51-102-90-51  
**Name of the Scheme** Interest Free Loan in lieu of deferred Sales Tax/VAT  
**Outlay** ₹70,00,00,000/-

The State Government is implementing this scheme to provide the incentive of deferred sales tax which is recoverable after the period of five years. It was being considered as income of the assesses for the purpose of computing his income tax liability under section 43-B of the Income Tax Act. The State Government therefore decided to provide interest free loan through this scheme, to the extent of sales tax liabilities of an industrial unit which has opted for its deferred payment under the Industrial policy of the State Government.

On the same pattern a new scheme viz. "Refund of Tax under VAT to new industrial units" has been introduced by the State Government, as per the Industrial Policy 2005, under which incentive of deferment of Tax, collected under VAT, is provided to the industrial units and the same is converted into Interest Free Loan, which is returned by beneficiary after a period of 5 years. Under this scheme Mega project with investment of ₹100.00 crore and above or any project employing more than 500 persons irrespective of investment to be set up in the backward areas would be extended the facility of financial assistance to be quantified at 50% of the tax paid on the sale of goods produced by such industrial units, under the Haryana Value Added Tax Act 2003 for a period of 7 years from the date of start of commercial production, as Interest Free Loan (IFL) repayable after a period of 5 years from the date of grant of IFL. Food

Processing Industries shall be provided IFL @ 75% of the tax paid under VAT for period of five years.

Under the Industrial Policy 2005, New SSI Units in the backward areas would be extended the facility of financial assistance in the shape of Interest Free Loan to be quantified at 50% of the tax paid on the sale of goods produced in such industrial units, under the Haryana Value Added Tax Act, 2003 for a period of 5 years from the date of start of commercial production to be repayable after a period of 5 years.

Since, the purpose and nature of both of the above schemes are same, therefore, both of the above two schemes have been merged and renamed as "Grant of Interest Free Loan in lieu of Sales Tax/VAT".

An outlay of ₹ 70,00,00,000/- has been provided under this scheme for the year 2018-19.

**Name of Scheme:** Setting up of Instrument Design Development and Facility Centre, Ambala Under UNDP  
**Outlay :** ₹ 3,50,00,000/-

Under financial and technical assistance from UNDP/UNIDO, HARTRON has set up an Instruments Design Development and Facilities Centre (IDDC) at Ambala in order to provide a wide range of centralized facilities to electronic and Electro-optical Industry in the Region. The Centre is already catering to more than 1000 units in the region. As a result of extensive R&D Centre, a large number of import substitute items have been developed. These hi-tech products include: laser pointer, night vision devices, laser range finder- electronic sub system, wide field unit magnification telescope, optical components for photo copiers and electronic controls for LCVs.

In addition to this, HARTRON had been running two more Research & Development Centres namely Electronics Research Development and Facilities Centre (ERDC) and Precision Mechanical Design and Associates Facilities for Electronics Industry (PMDf) at Gurugram. Board of Hartron decided that all the activities of the ERDC & PMDF at Gurugram may be synergized with the activities at IDDC, Ambala and accordingly, the employees and machineries/ equipment of R&D Centre at Gurugram be shifted to IDDC, Ambala alongwith the staff attached with them where there is sufficient space and building to accommodate all the activities.

An outlay of ₹ 3,50,00,000/- has been provided under this scheme for the year 2019-20.

**Name of Scheme:** Computer Network  
**Outlay:** ₹29,00,00,000/-

Government of India has stated its Digital India vision. The first pillar in the vision is Infrastructure as a utility for every citizen and the pillar is titled - "Broadband Highways". Broadband Highways envisages integration of three National optical fiber networks – NKN, NOFN and SWAN. SWAN is being implemented at an estimated cost of ₹ 102.62 crore (approved by GOI 2005-06) with a contribution of 60% from the Government of India and 40% from the State Government. Under this network, State Head Quarters, Haryana Bhawan at New Delhi and 124 Blocks/Sub-Divisions. Tehsils /Sub-Tehsils for providing facilities such as inter and intra data Transfer /sharing Voice over internet Protocol (IP), video etc. are covered. Beside this 1233 offices of 19 Departments have also been connected.

The SWAN connectivity is critical backbone to provide various citizen centric services. GOI has already contributed their share in setting up of the network; now operation and management of this project is the responsibility of the State.

M/s RailTel Corporation India limited, a corporation under Ministry of Railway, Government of India has been engaged for O&M services at a total project cost of

₹ 120.51 crore ( i.e ₹ 91.67 crore to be paid to RailTel Corporation India Limited, ₹ 15.81 crore to be paid to M/s BSNL for bandwidth, ₹ 3.00 crore for diesel and electricity, rest ₹ 10.00 crore for Project Monitoring) for a period of five years.

Further, Under Broadband for All – Rural, all the Gram Panchayats are to be connected on optical fibre (NOFN/Bharatnet) for delivery of G2C and G2G services through citizen services centres being established all across the State. Since this is being funded by Central Government under USOF (Universal Service Obligation Fund). Till date, PLB duct laying work has been completed in 2950 Gram Panchayats. OFC laying work has been completed in 2561 Gram Panchayats.

However when NOFN finally reaches the villages, the internet connectivity has to be delivered to the citizens – at present there is no provision for providing connectivity to citizens under NOFN. The ideal technology to deliver connectivity would be “Wi-Fi”. Even connectivity to Government institutions like gram panchayat buildings, schools, and other departmental buildings viz., primary health centres and government offices will be given through Wi-Fi under the NOFN/Bharatnet.

An outlay of ₹ 29,00,00,000/- has been provided under this scheme for the year 2019-20.

**Code No.** 1-1-1608-2852-07-202-93-51  
**Name of Scheme:** Organisation of Seminars/Exhibitions/Workshops at National /International level  
**Outlay :** ₹50,00,000/-

The vision of Digital India programme is to transform India into a digitally empowered society and knowledge economy. It is much more than going paperless, but it is about transforming the lives of people across societies through effective use of ever evolving robust technologies and methodologies.

It is also known that with the rapid technological innovations and large number of IT & electronic units entering in the field, the market is getting highly competitive. Thus, it is becoming difficult for the industry to market their products and services. It is particularly so for small-scale industry, which has meagre resources in terms of trained manpower and finances for interacting with the buyers and to exhibit products and services in the national/ international exhibitions.

In view of the above, it is proposed that HARTRON/Society under the above scheme, may assist the IT & electronic industry in the State in the form of;

- (i) Holding workshops/ seminars at the State level on e-Governance, Cyber Security, Social & Financial inclusion, Incubation & Entrepreneurship, Awareness on Technology Innovations, Public Private Partnerships etc inviting stakeholders in the development of State. Stakeholders in the State would be academics, technology providers, government, industry and the citizens
- (ii) Arranging buyers’ Sellers’ Meet where the products of the local industry will be displayed. Seminars will be held so as to know their requirements and future trends.
- (iii) Participation in national/ International seminars and Exhibitions by senior officials so as to know the emerging trends in the field of Information Technology and Electronics.
- (iv) A massive promotion/ advertising campaigns would be done at district, block and village levels to connect to the grass root level.

At least five seminars/workshops are to be organized from time to time at National/ Inter National level in Electronics & IT Sector.

A outlay of ₹ 50,00,000/- has been provided under this scheme for the year 2019-20.

Code No. 1-1-1610-2852-07-202-91-51  
 Name of Scheme: IT Plan for Haryana  
 Outlay : ₹67,50,00,000/-

Government of India has embarked on an ambitious mission called Digital India that will facilitate transformation of the country into a digitally empowered society and knowledge economy. State of Haryana has aligned its vision with the three focus areas of the Digital India Programme which are Digital Infrastructure as a Utility to every citizen, Governance & Services on demand and Digital Empowerment of Citizens.

2. These visions are to be realized under specific 9 pillars. Accordingly, the funds required for the activities to be performed under the Digital India Pillars for the financial year 2018-19 are envisaged as under:-

- (i) **State Resident Data Base:** The initial version of the project is operational and has about 1.58 cr. Citizens Records from the Aadhaar repository. About 20 e-services of Revenue, Urban Local Bodies and Health Department have been integrated with the SRDB.
- (ii) **E-Disha/Common Service Centres:** There is plan to increase the numbers of e-services offered through CSCs and e-Disha Kendra. 150 of services are envisaged to be added during the year 2018-19. This is a continuing State Scheme. Haryana State Council for Science and Technology (HSCST) is an autonomous body, a registered society, under the Societies Registration Act, 1860. The Council came into existence during the year 1986.

Since, its inception the council has been closely interacting with Department of Science and Technology, Government of India and various Science and Technology institutions of national repute and also with the line departments of the State Government. The following activities are being undertaken in the Council:

1. Bio-technology Policy.
2. Science Popularization Programme.
3. Grant-in-aid to Research and Development Projects.
4. Setting up of Kalpana Chawla Memorial Planetarium Tissue Culture Centre.
5. Setting up of Centre of Plant Biotechnology
6. Exposure visit of the meritorious students
7. Haryana Vigyan Ratna Award to outstanding scientists
8. Fellowship to the Research Scholars
9. Setting up of Observatory/Telescope

The Science Popularization programme being organized during 2010-11 viz: Science Quiz Contests, Children Science Congress, Science Essay Writing Competition for Colleges, Science Essay Writing Competition for Schools, Popular Science Lectures, Science Awareness Camp etc. has been organized during 2011-12. A Planetarium in the memory of late Astronaut Smt. Kalpana Chawla was set up at Kurukshetra. The planetarium is imparting education about astronomy among school students and general masses by showing shows.

All regular programmes will be organized in addition to the new scheme initiated by the department for promotion of Science & Technology related activities/programmes and other programmes sponsored by National Council of Science & Technology Communication (NSCTC), DST, Government of India.

**Name of the Scheme** : Strengthening of District Planning Machinery  
**Outlay** : ₹ 95, 00,000/-

This is an ongoing State Scheme. There were 36 posts under this scheme upto the year 2009-10. Out of these 36 posts, 30 posts have been converted into non-development side (Recurring). Now only 6 posts consisting of two Planning Officers, One Assistant Planning Officer, One Cartographer, One Peon and One Peon –cum- Chowkidar are on the development side. The department undertakes multifarious activities under the Planning Wing. The department has to assess the level of development in important sectors, financial, manpower and material resources, to determine the priorities, suggest policies and programmes for removing the imbalances prevailing in various regions in the State. The department plays a Major role to assist in formulation of district plan, to make critical appraisal of ongoing programmes and to advice on such other matters connected with the economic development as may be assigned by the State Government.

A provision of ₹ 95,00,000/- has been kept under this scheme for the year 2019-20.

**Outlay** : ₹ 50, 00,000/-

In today's modern technological era, the system of manual data processing and analysis has become obsolete and is also not suited to cope up with even the existing statistical system; increasing demand was felt in the department for new computer based data processing technique since long time. The Department had prepared its IT plan as per State Government instructions and purchased Computer Hardware and Software. Keeping in view the nature and quantum of work of various sections of the Department at Headquarter as well as its District level field offices, the department has identified 28 application software in all required for the full implementation of the department's IT Plan.

An outlay of ₹ 50,00,000/- has been kept under this scheme for the year 2019-20.

**Name of the Scheme** : Swaran Jayanti Haryana Institute for Fiscal Management.  
**Outlay** : ₹10,00,00,000/-

Government of Haryana intends to set up a state level academic institution to be named Swaran Jayanti Haryana Institute for Fiscal Management with the objective of providing specialized research opportunities in the areas of public finance and policy of members from Government, business fraternity, industry associations, academic institutions and other research and consultancy organizations; along with specialized training opportunities to officers of Government of Haryana and other States' Government.

The mission of SJHIFM is to position itself as the first point of reference for consultancy and handholding by the Government. To provide structured training and research programmes for Government officers/officials in the areas of public finance policy, financial management and financial administration with specific focus on taxation, budgeting, financial planning, audit and account management procedures and policy issues.

Like any good institution, this Institute would have to be adequately equipped with quality infrastructure facilities and faculty resources if it is to provide quality education and genuine opportunities for research, capacity building and knowledge enhancement to its participating members, trainees and other potential users. In general, this would require setting up of infrastructure facilities as set out above at the time of inception, which could be progressively upgraded depending on future requirements.

A provision of ₹ 10,00,00,000/- has been kept under this scheme for the year 2019-20.

## CENSUS SURVEY AND STATISTICS

### PART-I STATE SCHEMES

#### (1)

**Code No.** : 1-1-2451-3454-02-001-98-51  
**Name of Scheme** : Family Income & Expenditure Survey Plan  
**Outlay** : ₹ 1,00,000/-

In this survey, detailed information is collected from a large number of working class families regarding daily expenditure incurred by them on each and every item of food, clothing, fuel, education, medicines recreation, etc. This information is necessary to work out the consumption pattern of working class and also to know the relative importance of the various items in the overall consumption pattern.

The field work of the survey is to continue for a full year so as to take care of the seasonal variations. Additional time is needed for processing and analysis of the data. The entire process for collection and processing of the data required for the index involves a period of about two years. Now, efforts will be done to explore the possibilities of implementing the results of Labour Bureau by applying some conversion.

An outlay of ₹ 1,00,000/- has been kept under this scheme for the year 2019-20.

#### (2)

**Code No.** : 1-1-2454-3454-02-001-95-51  
**Name of Scheme** : Modernization and strengthening of State Statistical System  
**Outlay** : ₹ 40, 00,000/-

It is a State scheme. The Ministry of Statistics and Programme Implementation (MOSPI) in Government of India initiated the Indian Statistical Strengthening Project (ISSP), objective of which is to help in achieving the recommendation of the National Statistical Commission (NSC), Government of India. The mission of the Indian Statistical System shall be to provide, the decentralized structure of the system, reliable, timely & credible socio economic statistics, to assist decision making within & outside the Government, stimulate research and promote informal debate relating conditions affecting people's life. The ISSP project is being implemented by Government of India (GOI) in two tiers. Tier-I comprises assessments and recommendations and Tier-II comprises implementation. In Tier-I, MOSPI conducted a study to identify the specific requirements for State Statistical Bureaus (SSBs)/State Directorates of Economics and Statistics (DESS). The objective of this study was to document the status of data collection, processing & standard followed in each State, to assess the infrastructure & human resource available and make recommendations for improving statistical capacity in each State. Some of the recommendations are given as under:-

1. Directorate of Economic and Statistics (DES) should be made a separate department in each State and be declared as Nodal Agency for providing all information related to statistics.
2. In most of the States, there is a system for collection of village level statistics. Therefore, this system should also be created in the remaining States. DES should also be involved in the process of generating local area development statistics.
3. Additional manpower needed to be provided for statistical activities especially at the primary local level.
4. ISSP is crucial for the development of State Statistical System and so it should be implemented as early as possible.
5. Most of the States have Common Statistical Cadre at least in respect of key departments. Having a common cadre is essential to generate quality statistics and improve Statistical coordination. So, all States should work for common

statistical cadre by covering Statistical Units/Cells functioning in various other departments of State Government.

Keeping in view the above mentioned recommendations by Ministry of Statistics and Programme Implementation (MOSPI) Government of India, there is also an urgent need to strengthen the State Statistical System of Haryana State so that an effective system could be developed at both levels for getting reliable and timely desired results.

An outlay of ₹ 40,00,000/- has been kept under this scheme for the year 2019-20.

## (3)

**Code No.** : 1-1-2463-3454-02-001-84-51  
**Name of Scheme** : Provision for allotment of funds for Training/meeting at State as well as District Statistical Offices  
**Outlay** : ₹ 2,00,000/-

It is a State scheme. The availability and supply of the authentic and reliable data is the main basis for formulation of any development plans in the State. Sometimes, the data received from the field is very unrealistic and unreliable which may be attributed to the lack of trained statistical personnels. Therefore, in order to improve the quality of data, a Training Cell in this office is functioning with the following objectives:-

- i) To impart Elementary Statistical Training regarding Collection, Compilation and Tabulation of official statistics to middle/lower level personnels of the various departments at District Head Quarter. Four Districts are covered per year with the number of participants varying between 40-50 in each district.
- ii) To conduct on job training to the staff of District Statistical Agencies regarding various socio-economic adhoc surveys allotted by the Government from time to time.
- iii) To conduct training to District Statistical Officer, Inspectors (NSS) and Junior Field Investigators (50 in numbers) for smooth conduct of National Sample Survey under the guidance of Ministry of Statistics and Programme Implementation, Government of India.
- iv) To organize the training of the officer/officials of the organization by the departmental officers who had received training at Haryana Institute of Public Administration, Gurugram, Central Statistical Organisation, Government of India and other institutes for enhancing knowledge and technical skills of officers.

As the Department of Economic & Statistical Analysis, Haryana is the nodal department for the formulation and monitoring of State Schemes. In this context, various preliminary meetings are held with officers/officials of all the concerned departments at Headquarter level. Sometimes, these meetings run into several days continuously. Review meetings are also held regularly during the year to monitor the expenditure incurred under State Scheme.

An outlay of ₹ 2,00,000/- has been kept under this scheme for the year 2019-20.

**PART-III-CENTRALLY SPONSORED SCHEMES (100%)**

**Code No.** : 3-1-2467-3454-02-001-82-98  
**Name of Scheme** : State Strategic Statistical Plan (SSSP) at State and District Level-Establishment Expenses  
**Outlay** : ₹ 1,00,00,000/-

The Ministry of Statistics and Programme Implementation (MOSPI) in Government of India has initiated the India Statistical Strengthening Project (ISSP) on the recommendation made by National Statistical Commission (NSC), Government of India. In order to strengthen statistical system in the State and making further improvement in the present statistical system for producing accurate and timely data, maintaining proper

coordination among all the line departments, preparation of “ State Strategic Statistical Plan (SSSP)” was initiated in the State.

As per guidelines issued by MOSPI, a High Level Steering Committee (HLSC) under the Chairmanship of Chief Secretary, Haryana was constituted vide Notification No. 30/19/09-1Plg. dated 25.09.2009. Administrative Secretaries of various departments have been included in the committee as members.

The objective of the SSSP was to develop a viable, technically-sound and user-oriented work program with planned actions, including interalia budget lines and timelines for data production, analysis and dissemination.

Now, the MOSPI has renamed the above project as “Support for Statistical Strengthening (SSS)” to be implemented by the concerned State’s/UT’s.

An outlay of ₹1,00,00,000/- has been kept under this scheme for the year 2019-20.

<b>Name of Scheme</b>	:	<b>Rajiv Awas Yojana-Capacity Building/Preparatory Activities/ICE Activities</b>
<b>Outlay</b>	:	<b>₹ 23,00,000/-</b>

Ministry of Housing and Urban Poverty Alleviation, National Building Organization, Government of India, New Delhi, had started “Urban Statistics for HR and Assessment (USHA)” scheme which is now a part of Rajiv Awas Yojana (RAY). Its main objective is to collect data regarding buildings material prices, wages of building construction labour and other information of urban houses and to prepare a sound national data base. Presently, NBO identified total 300 cities in India having population more than 1 lakh as per census 2011 for collection and transmission of housing and building construction data online through state DES. NBO identified 11 cities in Haryana and sanctioned an amount of ₹58.00 lakhs to collect and transmit online the required information.

The following five types of data on building construction and housing related activities will be collected by the DES from different sources in the states:-

1. Collection and compilation of building permits and completion certificates using prescribed formats.
2. Collection and compilation of building material prices as per the prescribed format.
3. Collection and compilation of Wages of building construction labour as per the prescribed format.
4. Circle Rate, Market Rate and Rental Rate of Residential Housing Property.
5. Collection of data on dilapidated/dangerous old buildings as per the prescribed format.

All data to be supplied quarterly online to NBO, M/o HUPA.

Total 7 types of schedules will be canvassed to collect the information required.

An outlay of ₹ 23,00,000/- has been kept under the scheme Rajiv Awas Yojana-Capacity Building/Preparatory Activities/ICE Activities for the year 2019-20.

**Scheme Name** Continuous and Comprehensive Evaluation  
**Outlay** ₹ 5,00,00,000/-

Teaching and evaluation have been taken together since long time in our education system. In traditional approaches, the area of assessment has been limited to the cognitive domain only and the objective of assessment has been just to declare how much the student has learnt. This approach encouraged rote learning to pass the examination. Therefore, it doesn't serve the needs of today and there is a need to equip schools with appropriate mechanism of evaluation for regular assessment of all aspects of pupil growth and development i.e. continuous and comprehensive evaluation. In the light of NCF-2005, Department of School Education, Haryana has decided to adopt continuous and comprehensive evaluation in its schools at Senior & Secondary level.

**Code No.** : 1-1-2952-2204-51-104-47-51  
**Name of the Scheme** : Promotion of Sports Activities (E&T)  
**Outlay** : ₹ 60,00,00,000/-

The amount from this head will be utilized in sports promotion activities like building, maintaining and operating playgrounds in the state, hosting special sports competitions, meeting special training requirements (manpower and infrastructure), building hi-tech and modern sports facilities, procuring specialized high-end equipments, hiring specialized coaches etc. The focus of the scheme will be on requisite maintenance and operation of the playgrounds. Besides this, in future all kinds of

incentives and prize money to medal winners will be disbursed to beneficiaries from Sports Development Fund and grant-in-aid to the sports association also will be given under this scheme. Provision in this scheme has been made on the basis of collections in the cess on liquor.

#### Constitution of Haryana Sports Development Fund

To meet the growing needs for sports development in the State, to take up research and development studies, to give cash award to the medal winners in national and international events, to give grant-in-aid/special grants to state sports associations, clubs, meritorious players, welfare measures of the sports persons, to provide suitable assistance/pension to outstanding sportspersons now living in indigent circumstances etc. Haryana Sports Development Fund is intended to be created under the Chairmanship of Hon'ble Chief Minister, Haryana. Collection of cess on liquor would be transferred to Sports Development Fund.

#### Incentives to sportspersons-cash award:-

##### Cash award to medal winners

Recognizing Medal winning sportspersons by way of cash award is the most effective way of promoting excellence in sports. Such awards will enhance their prestige and motivate them to perform better. The cash awards and other incentives are to be given to the medal winners of national and international competition. Amount of cash award for each member of position holder team will be equivalent to the amount to be given to the position holder of individual events. The scope of awards shall be suitably increased/modified and notified by the State Government from time to time. Coaches of the medal winners will also be rewarded for which it is proposed to bring a separate scheme.

##### Eligibility & conditions for cash award

The sports persons must have represented the State of Haryana in the national team, in case of national level competitions. Players shall be given awards for the performance of preceding financial year only. No award for past performance/achievements will be considered.

The applications should be received through District Sports & Youth Affairs Officer concerned. The cash award will only be given to those sportspersons who have represented the state of Haryana in sports. The sportsperson or parents of the sportsperson should be resident/domicile of Haryana. He/she must submit Haryana resident certificate (domicile certificate) from competent authority along with application. In a particular/same sports for first medal full payment (highest award medal) and on additional medals half amount of second/subsequent winning medal would be given.

##### Financial support for infrastructure development and cadet support to mother institution

A scheme would be formulated to identify mother institution of the medal winning sportsperson who participated in international events. If these athletes qualify for the cash award scheme then the mother institution would be given financial support to the tune of 10 percent of the award value for the infrastructure and equipment support to budding sportsperson in that institution.

Hence, an amount ₹ 60,00,00,000/- has been provided for the year 2019-20 under the scheme.

**PART-III CENTRALLY SPONSORED SCHEMES (100%)**

(12)

<b>Code No.</b>	:	<b>3-1-2945-2204-51-104-57-51</b>
<b>Name of the Scheme</b>	:	<b>Infrastructure Scheme</b>
<b>Outlay</b>	:	<b>₹ 4,00,00,000/-</b>

This is a 100% Centrally Sponsored Scheme Under the creation of Urban Sports Infrastructure Scheme (USIS) 100% grant-in-aid provided by Govt. of India. In the above background of the present scheme envisages the following structure:

- i. Development of community play-fields- State Government through Play Field Association;
- ii. Coaching and Coach Development Programme- Through Central and State Government by means of structured training to provide coach education and physical education (teachers as well as coaches, including community coaches); and
- iii. Players Academies- The SAI Centers will provide the nucleus of a hub and spoke model for such academies, catering to premier sports in each state.

Creation of Sports Training Facilities/ Players Academies

At present, the preparation of national athletes is supported by SAI, which is fully financed by the Govt. of India. SAI operates several schemes for identification and development of talent at national level. In doing so it also helps state in terms of sports infrastructure support and deployment of coaches. This support is extended under different SAI schemes like the SAI Training Centre (STC) scheme, Special Area Games (SAG) scheme and SAI extension Center scheme. However, its spread is confined to locations where SAI already has a physical reach. The creation of such facilities throughout the country is limited by the budgetary constraint and shortage of coaches in SAI. With a view to overcoming these constraints and ensuring maximum utilization and sustainability of such facilities, the present scheme envisages development of sports training infrastructure in partnership mode with State

Governments/ local bodies/ colleges/ universities/ sports control boards on the one hand, and SAI on the other. Under the scheme, the Ministry of Youth Affairs and Sports (MYSA) will provide assistance directly, for the creation of need-based sporting infrastructure in states, which will also be made available to SAI free of charge on time sharing basis to train its trainees, and for holding sports competitions and national coaching camps. The entire responsibility of maintenance of the said infrastructure will be that of the State Government beneficiary entity.

With a view to maintaining focus on mother sports and popular sports, especially those in which we have good medal prospects, the following types of sports infrastructure will get preference over others:

1. Synthetic playing surface(for hockey, football and athletics);
2. Multipurpose indoor hall. The approximate cost of these projects as per current CPWD schedule of rates is as under:
  - I. Synthetic athletic track approximate cost of ₹ 5.50 crore with normal lighting.
  - II. Synthetic hockey field approximate cost of ₹ 4.50 crore (₹ 5.00 crore with normal lighting).
  - III. Synthetic turf football ground approximate cost of ₹ 4.50 crore with normal lighting.
  - IV. Multipurpose hall of size 60M x 40M approximates cost of ₹ 6.00 crore.

Hence, an amount of ₹ 4,00,00,000/- has been provided for the year 2019-20 under the scheme.

#### Sports Competition

Rajiv Gandhi Khel Abhiyan (RGKA) has been started by the Govt. of India from 01/04/2014. Under this scheme block, district and state level rural competitions (under 16 years' boys and girls) and district & state women sports competitions (under 25 years) will be organized by the department.

#### Sports Equipments

38 proposals of block level stadiums have been sent to Govt. of India during this year and 25 block level stadiums will be sent for the year 2016-17. These stadiums will be made of fabricated material and completed in a time bound manner. Govt. of India will be releasing the amount of ₹ 15.00 lakhs for each stadium for procurement of sports equipment. In these stadiums one master trainer and two trainer will be appointed and honorarium will be paid @ ₹ 3,500/- and ₹ 2,500 each respectively. In addition ₹ 1.50 lakhs will be provided for office furniture for each block stadium.

**Outlay** ₹ 80,00,000/-

The sex ratio (females against 1000 males) of Haryana has declined from 870 in the year 1981 to 865 in the year 1991 and to 861 in the year 2001 which is a point of major concern.

In order to stabilize the population of the state and to check the declining trend in the sex ratio, apart from already existing spacing and permanent methods, some innovative scheme is felt to be introduced in the state which can sensitize the community towards the need of adopting one child norm and spacing of children. It is important to promote these ideas especially among the newlyweds.

Incentives:-

A monthly incentive at the rates given below up to 20 years from the date of adoption of terminal method of Family Planning by either of the partner of a couple, will be given under the scheme.

Sr. No.	Stage of adoption	Incentive amount per month

<b>Name of the Scheme</b>	<b>Providing Independent Feeder Lines and Water Supply in Hospitals</b>
<b>Outlay</b>	<b>₹ 2,50,00,000/-</b>

Medical and Health Services are essential Services and core of services like Operation Theaters, Labour Room, X-ray, ECG Machine, Lab-Services etc. fully dependent on the Power for their functioning. Frequent power break downs/cuts are there which adversely affect the delivery of the Primary/Secondary Health Care from the Government Hospitals. In order to ensure un-interrupted power supply to the Sub-Divisional/District Hospitals, it is proposed to provide independent feeders in these institutions. The scheme will be extended to the Community Health Centers and Tehsil Hospitals in phased manner. The Hotline/Independent feeders will be got executed through Haryana Vidyut Prasarn Nigam as per the estimates prepared by them, for different Health Institutions. The scheme will be beneficial for Public at large, in delivery of Health Care Services to the Community.

Medical and Health Services are essential Services and core of services like Operation Theaters, Labour Room, X-ray, ECG Machine, Lab-Services etc. fully dependent on the Portable Water Supply for their functioning. The Patients visiting to the OPDs and admitted in the wards and their attendants require a lot of water throughout the day. Usually the water for the Public Health Water Supply is supplied once or twice a day and at times, the pressure is low with the result the water doesn't reach the overhead water tank which not only hampers the Health Care Services but also causes a lot of inconvenience, to the patients and their attendants. It is proposed to augment the water storage capacity of the Hospitals/CHCs/PHCs in the State, by installation of more water storage tanks of larger capacity, at the ground level and providing a booster, to lift the water, to the over-head water storage tanks.

<b>Code No.</b>	<b>2-1-0000-2210-80-199-99-51</b>
<b>Name of the Scheme</b>	<b>Ayushman Bharat Haryana Health Protection Mission (60:40)</b>
<b>Outlay</b>	<b>₹ 150,00,00,000/-</b>

Hon'ble Finance Minister of India in his budget speech on 1st February 2018, announced to launch a flagship National Health Protection Scheme (NHPS) to cover approximately 10 crore poor and vulnerable families providing coverage up to Rs. 5.00 lakh per family per annum for secondary and tertiary care hospitalization. Government of India has conceptualized Ayushman Bharat National Health Protection Authority (AB-NHPA). AB-NHPA is a public health care scheme with the potential to transform the health care landscape of our nation.

The AB-NHPA has subsumed extant RSBY and will be implemented in alliance with other State health insurance schemes. AB-NHPA, with its coverage of more than 50 crore lives, is the most ambitious scheme of its kind in the world. It seeks to cover nearly 1350 procedures through a country wide network of empanelled hospitals in a cashless and paperless manner. Aided by a robust IT system it intends to provide seamless portability of benefits to beneficiaries from one state to another, across the country.

An MoU was signed by the Government of Haryana on with National Health Agency of Ministry of Health & Family Welfare, Government of India to implement the Ayushman Bharat Scheme in State of Haryana.

Salient features of the Ayushman Bharat Scheme are as under:

- 1) Cashless and paperless access to services for the beneficiary at the point of services in any (both public and private) empanelled hospitals across India.
- 2) The benefit coverage of AB-NHPA is Rs. 5,00,000/- covering 15.5 lakh families (identified through SECC database).
- 3) The scheme is on entitlement basis. Every family figuring in defined Socio Economic Caste Census 2011 database is entitled to claim benefits under the scheme. The beneficiaries are being encouraged to bring Aadhaar for the purpose of identification. However, no person will be denied benefits under the scheme in the absence of Aadhaar.
- 4) Implementation Arrangement – Implementation is being done on Assurance Model with internal team of medical officers.
- 5) A well-defined Complaint and Public Grievance Redressal Mechanism actively utilizing electronic, mobile platform, internet as well as social media, has been put in place through which complaints/grievance will be registered, acknowledged, escalated for relevant action, resolved and monitored.

- 6) While ensuring user convenience, AB-NHPA would create robust safeguards to prevent misuse/fraud/abuse by providers and users. Pre-Authorization will be made mandatory for all tertiary care and selected secondary care packages.

Beneficiary data

The total families of Haryana covered under the Government of India SECC criteria are 15, 51,731. The funds for the coverage of these families will be shared between Government of Haryana and Government of India in 40:60 ratio. As the SECC survey was conducted in 2011, GoI decided to conduct an additional data collection drive for both rural and urban beneficiaries.

A sum of ₹150,00,00,000/- has been kept to implement this scheme for the year 2019-20.

Under this scheme the following sub-schemes is being implementing:-

**Establishment of District Ayurvedic Offices:-**

District Ayurvedic Office, Nuh, Palwal had been established during the year 2006-2007. These sanctioned posts for the District Ayurvedic Officers, Nuh & Palwal are to be continued during the year 2019-20 along with their staff. Further, there are only four vehicles available at District Head Quarters (Rohtak, Hisar, Karnal, Gurugram). Most of the Government Ayurvedic dispensaries are situated in rural and remote areas. Apart from this, a new component i.e. mainstreaming of AYUSH under NHM has also been introduced in 2007-08 in which 21 AYUSH Wings, 92 AYUSH IPDs and 100 AYUSH OPDs at DH, CHC and PHC respectively have been established. Therefore, there is an urgent need of vehicles for monitoring/supervision and checking purpose to District Ayurvedic Officers (DAOs).

**Establishment of Specialized Therapy Centre of AYUSH in PGIMS, Rohtak .**

The Government of India (GOI) is laying a lot of emphasis on AYUSH with Indian Systems of medicines. Under NHM, GOI has started a component of mainstreaming of AYUSH where in AYUSH services are being provided to people under one roof in all District Hospitals, CHCs and PHCs. In lines with this, in 2013, Government of India sanctioned establishment specialized therapy center of AYUSH in PGIMS, Rohtak. The posts created under this scheme are to be continued during the year 2019-20.

**Establishment of Specialised Therapy Centre of Ayush in Sector-9, Panchkula.**

The Panchkarma facilities have been set up in Government Ayurvedic Dispensary, Sector-9, Panchkula to provide better Health facilities to the people of Panchkula town and surrounding areas. In this centre, Panchkarma therapies are being used to treat patients suffering from chronic diseases. The posts of Panchkarma Specialist,

Panchkarma Therapist, Kitchen Assistants and other staff created in the year 2015-16 for this centre are to be continued during the year 2019-20. An appropriate provision of funds is to be made under Information Technology (Computerization IT) to continue the scheme of IT for the year 2019-20.

<b>Code No.</b>	<b>1-1-3148-2210-04-101-86-51</b>
<b>Name of the Scheme</b>	<b>Strengthening of Ayurvedic/Unani/Homeopathic Dispensaries/Prathmic Swasthya Kendra and Special Medicine for Women, Children and aged person</b>
<b>Outlay</b>	<b>₹8,00,00,000 /-</b>

Under this scheme, the following components are being implemented during the year 2019-20.

#### **Opening/Continuation of Ayurvedic Dispensaries**

AYUSH Medicines are getting importance amongst masses due to adverse effect of Allopathic medicines. The staff posted in these institutions are also fully involved in all the National and State Health Programmes. Ayurvedic/Unnai/ Homeopathic Dispensaries are so much acceptable to the people of the State that the Government is receiving more and more demands to open Ayurvedic Dispensaries in the State. 29 dispensaries already functioning under this component will continue operations.

#### **Improvement of existing Ayurvedic/Unani/ Homoeopathic dispensaries - Special Medicine for Women, Children and Aged.**

At present approximately 539 Government institutions of AYUSH are working in the Haryana State. Most of these institutions are functioning in remote rural areas. Where patients can get medicines of general ailments free of cost. Most of the deliveries in rural areas are non institutional in nature. In some cases, mother and infants require immediate medical care. To provide proper and timely medical care to women, new born children/ aged and other such as accidental and incidental cases, Medicines are procured under this scheme for Government Ayurvedic Homeo and Unani dispensaries.

#### **Supply of laboratory equipment/furniture for ISM&H institutions**

In the rural areas where Ayurvedic/Unani/Homoeopathic dispensaries are located, there is usually no Primary Health Centre or any Pathological Laboratory for testing blood, urine etc. Therefore, it is proposed that the basic minimum diagnostic facilities and basic minimum furniture as essential is to be given to each dispensary.

#### **Up-gradation of Ayurvedic dispensaries into AyurvedicPrathmicSwasthyaKendras(APSK)**

At present 6 Ayurvedic Prathmic Swasthya Kendras are functioning in Haryana State. There is a provision of one MPHWS each in the upgraded dispensaries into PSKs. Besides other staff, these 6 posts of MPHWS of these PSKs will be continued under this component in the Annual Budget 2019-20.

A sum of ₹8,00,00,000/- has been kept under this scheme for the year 2019-20.

The Ministry of Housing & Urban Poverty Alleviation, (Government of India) had launched a scheme of Rajiv Awas Yojana (RAY) for assisting the States to make cities slum free. The Ministry has issued detailed guidelines for Slum Free City Planning under RAY. As per these guidelines, the State is required to prepare slum free city plans. The Slum-free city plan will broadly involve Slum Redevelopment/Rehabilitation plans based on (a) survey of all slums-notified and non-notified; (b) mapping of slums using the state-of-art technology; (c) integration of geo-spatial and socio-economic data; and (d) identification of development model proposed for each slum. Base maps to an appropriate scale would be a pre-requisite for the preparation of Slum Redevelopment Plan/Slum-free City Plan.

A Outlay of ₹100,00,00,000 lakh (₹4000.00 lakh as State share and ₹6000.00 lakh as Centre share) has been kept for this scheme for the year 2019-20.

**Name of Scheme** : Grant-in-Aid to Haryana Development Authority for NCR satellite around Delhi  
**Outlay** : ₹ 520,00,00,000/-

This is a continued State Scheme aiming at overall development and up gradation of infrastructure in the towns falling under NCR.

An outlay of ₹ 520,00,00,000/- has been provided for the year 2019-20.

(2)

**Code No.** 1-1-0000-4217-60-051-89-51  
**Name of Scheme** Swaran Jayanti Haryana Urban Infrastructure Development Scheme.  
**Outlay** ₹ 1300,00,00,000/-

This is a State Scheme. Mangal Nagar Vikas Yojna was started from Financial Year 2017-18 w.e.f. 01.04.2017. The receipt on account of EDC has been deposited in the consolidated fund of the state. The money collected on account of EDC is insufficient to carry out all the development works under EDC for the Urban Estates as per approved master plan. "Mangal Nagar Vikas Yojna" was introduced to provide the additional funds from the budget apart from EDC receipt to ensure that overall development of the Urban Estate does not suffer due to paucity of Funds.

**Objective:**

The objective of the scheme is to execute development works in urban areas of the state pertaining to water supply, sewerage, drainage, necessary provisions of treatment and disposal of sewage, sullage and storm water, roads, electrical works, solid waste management and disposal, slaughterhouses, colleges, hospitals, stadium/sports complex, fire stations, grid sub-stations etc.

An outlay of ₹ 1300,00,00,000/- has been provided in the State Budget under the scheme for the year 2019-20.

<b>Name of the Scheme</b>	<b>:</b>	<b>Strengthening of Safety and Health Inspection System in the Factories.</b>
<b>Outlay</b>	<b>:</b>	<b>₹ 4,00,000/-</b>

This is a continuing State Scheme. Industrial Hygiene Laboratory has been functioning at Faridabad and Gurugram since 1984. The purpose of this laboratory is to regulate and monitor the working environment in the factories so that the health of workers is not adversely affected. During the year 2018-19, approximately 400 Chemical & Hazardous Factories were inspected.

In addition to the above, various provisions of the Factory Act, 1948 relating to safety and health of workers in factories are implemented through inspections, guidance and advice to the factory Management so that accidents are prevented. There are 11,500 registered factories in which 755133 workers are working in the State. About 2500 factories have been inspected so far and remedial measures have been suggested where irregularities were noticed. It is proposed to inspect 650 factories during the year 2019-20.

An outlay of ₹ 4,00,000/- has been kept for the year 2019-20 under this scheme.

<b>Name of the scheme</b>	<b>:</b>	<b>Providing of Mobile vans for facilitating of the Health Care of workers working in factories</b>
<b>Outlay</b>	<b>:</b>	<b>₹ 25,00,000/-</b>

Haryana is one of the most industrialized states in the country, particularly in the field of chemicals, petrochemicals, hydro carbons pharmaceuticals, fertilizers, textiles etc. The total number of registered factories are approximately 11500 & approximately 8,00,000 workers are employed in factories. In Haryana approx. 1700 Brick kilns and 400 Rice Sheller are carrying out the manufacturing processes and the total number of workers employed in these processes is approximately 1,85,000.

Most of the hazardous factories are located outside the municipal limits, where public transport system is not available. A mobile van equipped with necessary equipments is required for medical examination of the workers. Sampling of the work places, monitoring of the provisions of the Factories Act, 1948 and rules framed there under to advise the managements for remedial measures to be taken for their control within permissible limits, as prescribed under the Acts. It will be a social service to the poor labourers and will prove to be a good welfare measure.

Regular camps will also be held for medical examination of the workers for diagnosing the occupational diseases at the initial stage, so that proper advice and guidance could be given for their treatment and the remedial measures could be advised to the management.

An outlay of ₹ 25,00,000/- has been kept for the year 2019-20 under this scheme.

<b>Name of the scheme</b>	<b>:</b>	<b>Establishing two industrial hygiene laboratories (IHL) at Gurugram and Faridabad</b>
<b>Outlay</b>	<b>:</b>	<b>₹ 40,00,000/-</b>

This is a continuing State Scheme. Haryana is one of the most industrialized state in the country, particularly in the fields of automobiles, chemicals, petrochemicals, hydro

carbons, pharmaceuticals, fertilizers, textiles, engineering agriculture etc. Total Number of registered factories are approximately 11,500 & establishments under Building & Other Construction Workers Act (BOCW Act) are approximately 2000 in Haryana State. In above said industries about 8 lakh workers are employed in factories & around 450000 workers are employed in construction activities.

At present, the posts of two Deputy Directors, Industrial Health, five Assistant Directors, Industrial Safety & Health (Chemical) and five Assistant Directors, Industrial Health-cum-Certifying Surgeons are sanctioned in the State. They are assigned the duties of inspection of hazardous factories and enforce the Safety, Health and welfare provisions under the Factories Act, 1948 & B.O.C.W. Act, 1996 and rules framed there-under. The department does not have any equipment for the analysis, facilities to take samples of effluents & pollutants in the air inside the factory premises and instruments to carryout medical examination of the workers for detecting the occupational diseases like silicosis, byssinosis, baggiosis, asbestosis etc. for proving the observations in the court of law as well as suggesting their remedial measures on the basis of their results. Though an Industrial Hygiene Lab at Faridabad was provided in the eighties but with the increase in pace of industrialization & various new chemicals in manufacturing processes, these equipments are now outdated or obsolete, so there is a necessity of new sensitive & specialized instruments & equipments for the monitoring of the health of workers, so that they can be protected from the occupational diseases.

The two districts of Haryana i.e. Gurugram & Faridabad have the maximum industrial development & about 2,50,000 workers are engaged in the various manufacturing & construction activities. To monitor the health status of workers in different industries it is necessary to have a good coverage.

- The main work of the IHL will be to inspect the working environment for checking its suitability for workers.
- IHL is required to have different kinds of measuring instruments which will measure the air borne concentration of the air contaminants.
- The IHL shall also be provided with the analytical instruments for the analysis of the different contaminants collected during the field visits to the industrial organization.
- All the instruments required will be helpful in collection of different samples of the chemical contaminants as well as the other measurements of the physical hazards like noise, vibration and the radiation.

**The objectives of the scheme are as follows:-**

1. Detection and control of Occupational diseases such as silicosis, byssinosis, baggiosis, asbestosis etc.
2. To co-relate the work environment and disease.
3. Awareness and education in workers about occupational disease.
4. Early diagnosis, isolation of the workers and prevention of the occupational diseases. This early diagnosis is very important in detection of the occupational diseases as this can give further remedial measures for the diseases.

An outlay of ₹ 40,00,000/- has been kept for the year 2019-20 under this scheme.

<b>Name of the scheme</b>	<b>:</b>	<b>Setting up of a Child Labour Cell for implementation of National Programme of Elimination of Child Labour</b>
<b>Outlay</b>	<b>:</b>	<b>₹ 5,00,000/-</b>

This is a continuing State Scheme, wholly financed by the State Government. The elimination of Child Labour is becoming increasingly fundamental thrust of the State Govt. along with over-all healthy development of children in the State. To achieve these goals an exhaustive State Action Plan for the Child was prepared by the Department of Women and Child Development. This action Plan on Child Labour is being implemented by the Labour Department. With the rapid growth of industry in the State,

the Labour Department is to be equipped with infrastructure and manpower to monitor and gradually prevent employment of Child Labour in any occupation whatsoever.

In the Child Labour Cell, the field functionaries conduct survey and detect Child Labour engaged in the establishments and also implement the provisions of Child Labour (Prohibition and Regulation) Act, 1986. An Officer of the rank of Deputy Labour Commissioner along with supporting staff, monitors and co-ordinates the work at Headquarter and also looks after the work of data collection and tabulation.

This is a continuing State Scheme. The Government had approved the setting up of Rehabilitation Centre for Faridabad, Panipat and Yamuna Nagar. These centers are started functioning w.e.f. 14.11.08 and have aroused a very positive response.

The concept of such rehabilitation centers was created in response to urgency to address the needs of destitute child labour detected during the survey under the National Child Labour Projects and during surprise checks. The concept has been received very well, therefore, it is proposed as follows:

Three new rehabilitation centers apart from Faridabad, Panipat and Yamuna Nagar may be established in Gurugram, Rohtak & Hisar. The setting up of these centers is justified for the simple reason that Gurugram is already covered by National Child Labour Project which is to be supported with a rehabilitation center. Hisar has the largest automobile market where child labour both local and migrant, is commonly detected. Therefore, there is an urgent need for such a center to cater to need of Hisar and other neighboring districts. Similarly, Rohtak has a large number of sweet shops and eateries employing child labour; it will be central to Districts Jhajjar, Sonapat & Bhiwani.

This is a continuing State Scheme. The Labour Department, Haryana was initially computerized during 2002-03. In the IT- PRISM meeting it was decided to computerize all offices at Gurugram, Faridabad, Panchkula, Panipat and Hisar with Headquarter at Chandigarh so that data pertaining to various labour legislation could be shared on daily/monthly/yearly basis by concerned Officers. It was also decided to develop various software's under the guidance of NIC and hiring professionals from HARTRON.

In the IT-PRISM meeting it was decided to computerize all the seven Labour Courts-cum-Industrial Tribunals located at different geographical locations in the State with HQ, so that data pertaining to Industrial Disputes could be shared on daily/monthly/yearly basis by the concerned Offices/Officers. It was also decided to develop various software's under the guidance of NIC and hiring professionals from HARTRON

All software will be integrated into a single application which will be a centralized solution. The entire field Offices will be connected to the server located at HQs. Through SWAN and all the transactions occurring at field level will get reflected in the central server. The application will be based on REAL TIME, centralized solution to maintain integrity and allow centralized monitoring and access to the data of entire

**Code No.** : 2- 1-3905-2230-01-112-99-51  
**Name of the scheme** : Rehabilitation of Bonded Labour  
**Outlay** : ₹ 5,00,000/-

This is a sharing basis Central Scheme. The Bonded Labour System (Abolition) Act, 1976 came into force in the State of Haryana w.e.f. 23.10.1976. It provides for the abolition of bonded labour system to prevent the economic and physical exploitation of weaker sections of the society. Most of the bonded labour, which have been detected, were migratory from far off States and from socially and economically

very poor background. They were mostly found on brick kilns. Fifty percent of subsidy under the scheme is given as central assistance and the remaining fifty percent is to be met by the State Government. As per the scheme of Government of India, a sum of ₹ 20,000/- is given for rehabilitation of bonded labour. Funds are also utilized for the identification of bonded labour through exhaustive survey with the help of NGOs.

There is no reported case of bonded labour in Haryana pending rehabilitation at present and therefore provision of ₹ 2.50 lakh only has been proposed towards grant for the year 2019-20 on 50:50 basis. However, extra funds would be sought for rehabilitation of bonded labour as and when detected, if necessary.

The District Magistrates and the Sub Divisional Magistrates are designated authorities in the said Act *ibid* for its enforcement. However, the monitoring and evaluation of the implementation of the scheme is done at the level of the Labour Commissioner.

An outlay of ₹ 5,00,000 /- ( ₹ 2,50,000 of State Share and ₹ 2,50,000 of Central Share) has been kept for the year 2019-20 under this scheme.

PART-I STATE SCHEMES**

(1)

**Code No.** 1-1-4071-2235-02-101-73-51  
**Name of the Scheme** State Level Project/Home for Mentally Challenged  
**Outlay** ₹ 3,50,00,000/-

It is a State Scheme. In Haryana approximately 4.50 lakh children are mentally challenged and out of this, more than 50% fall in the category of educable and remaining 50% in the category of trainable group. Though a few special schools are being run by some voluntary organizations, yet it seems that these are not able to provide full facilities to the mentally challenged due to financial crunch or due to lack of Grant-in-Aid from funding agencies. These schools are providing educational facilities and elementary or vocational training to benefit the challenged of the limited area where these centres are situated. It is also observed that in these centers only mentally retarded are getting benefited. The children who have cerebral palsy (complex, multi-challenged condition) are not being benefited. These children have number of other major impairment and locomotive disabilities.

To provide full rehabilitation facilities under one roof to the mentally retarded children with cerebral palsy, it is essential to set up a State Level Home for Mentally Retarded Children for their overall development.

An amount of ₹3,50,00,000/- has been provided under this scheme for the financial year 2019-20.

**Code No.** 1-1-4070-2235-02-101-72-51  
**Name of the Scheme** Financial assistance to non-school going differently abled children.  
**Outlay** ₹ 14,90,00,000/-

It is a State Scheme. Presently Haryana Government is providing financial assistance in the form of scholarship to such disabled children of state who are below 18 years of age and are getting formal education in different schools, colleges, technical institutions and universities etc. Those disabled persons who are above 18 years of age are being provided financial assistance in the form of Disabled Pension. But there are some mentally retarded children in the age group of 0 to 18 years, who are in the category of profound & severe retardation, who are not able to attend formal education, training etc. due to their disability. They are totally dependent on their parents or relatives and need constant supervision and care of their families. Some of them require nursery care also. These children because of their severity of retardation are looked down upon in society and are also forced to live in deplorable and humiliating environment. Their Parents find it difficult to look after them properly either due to financial difficulties or otherwise. Therefore, it is felt that in order to boost the morale of these children as well as provide support to their parents some financial assistance should be given to them for their welfare and respectful upbringing. Keeping this in view, a scheme named "Financial Assistance to the Non- School going disabled Children" is formed aiming at providing financial assistance, to such parents who cannot send them for formal schooling and boarding of their disabled wards in the age group of below 18 years because of financial constraints or because of their mental disability.

An amount of ₹ 14,90,00,000/- has been provided under this scheme for the financial year 2019-20.

**Code No.** 1-1-4069-2235-02-101-71-51  
**Name of the Scheme** Establishment of Research Centre/Special School and Recreation Centre for the disabled .  
**Outlay** ₹ 10,00,00,000/-

It is a State Scheme. For setting up special recreational centers for the persons with disability, the Panchayat & Development Department, Rural Development Department and Haryana Sahari Vikas Pradhikaran shall allot land to the Municipal

Corporation at nominal price, which would further be developed by the institution at their own cost.

Panchayat & Development Department, Rural Development Department and Haryana Sahari Vikas Pradhikaran shall allot land to the societies with firm dedication and established track record of at least 3 years preceding the date of application, in the field of research, for setting up research centers for the general welfare of the persons with disability.

It is proposed that the State Government would provide the accessories/equipment's to the NGOs for running recreational centre as Grant-in-Aid especially to the District Red Cross Societies.

An amount of ₹10,00,00,000/- has been provided under this scheme for the financial year 2019-20.

**Outlay** ₹ 10,00,00,000/-

It is a State Scheme. The prevalence and use of drugs, alcohol and narcotic substances has been increasing worldwide as well as in the country. The State of Haryana has also been affected by these unhealthy trends. It is commonly felt that consumption of drugs has increased in both urban and rural areas. As far as the State of Haryana is concerned, the use of type of drugs varies in different parts of the State. The

victims of this abuse are the middle class and the poor, who just use various drugs for the sake of enjoyment for a short time and do not hesitate to spend their hard-earned money which has resulted in destroying families, and breaking the marriages. Accordingly, in order to get rid of this severe problem, a scheme has been framed for treatment of the drug-addicts, their rehabilitation and taking preventive measures.

Government of India has formulated a scheme known as Central Sector Scheme of Assistance for Prevention of Alcoholism and Substance (Drugs) Abuse and for Social Defence Services. However, analysis based on reports from field reveal that there are certain lacunae in the Scheme.

The State has also decided to make minimum criteria/benchmarks for various institutions like a Drug De-addiction Centres. It will supplement the Government of India Scheme wherever it falls short of the standards. This Scheme will aim at (i) setting up new model De-addiction Centres (ii) Upgradation of the existing institutions by supplementing the funds received from Government of India.

The aims and objectives of the scheme for prevention of alcoholism and substance abuse will be same as laid down by the Government of India which are as follows:-

- To create awareness about the ill-effects of alcoholism and substance abuse to the individual, the family and the society at large.
- To provide range of community based services for the identification, motivation, counseling, de-addiction, after care and rehabilitation for Whole Person Recovery(WPR) of addicts;
- To alleviate the consequences of drug and alcohol dependence amongst the individual, the family and society at large;
- To facilitate research, training, documentation and collection of relevant information to strengthen the above mentioned objectives; and
- To support other activities which are in consonance with the mandate of the Ministry of Social Justice & Empowerment in this field.

**Name of Scheme** Communication and Publicity  
**Outlay** ₹ 35, 00,000/-

Efforts are being made to meet the multifarious needs of children and women through various schemes and programmes and through convergence. The Government has accorded priority to women and children in the development programmes. Various indicators reveal that the routes of development have not flown to women and children due to existing social impediments in the development process, which include certain practices, behavioural patterns and attitude towards issues concerning child development especially the girl child and women. One of the other important reasons of low status of women in the society and low nutritional and health status of children is attributed to lack of awareness and knowledge. Thus, the role of publicity in the context of child and women development is vital for furthering advocacy, social mobilization and community empowerment. This scheme aims to provide funds for these activities.

A sum of ₹ 35,00,000/- has been provided for the year 2019-20.

(10)

**Code Number** 1-1-4057-2235-02-103-79-51  
**Name of Scheme** Gender Sensitization  
**Outlay** ₹ 17,00,000/-

The village community in general and women in particular come into frequent contact with various development functionaries and officials at the village level. These service providers are usually Doctors, MPHWS, ANMs, Educationists, Panchayati Raj Personnel, Police etc. These officials often lack gender sensitivity owing to the fact that they are also brought up and socialized in the same society as that of the community. Efforts of empowerment get diluted in the absence of support from service providers. It is, therefore, important to sensitize them.

Under this scheme, it is proposed to initially gender sensitize Panches and Sarpanches, Medical Officers and Police Personnel. These gender sensitization trainings will be organized at district level in 2160 batches consisting of 54682 panches, 6035 sarpanches, 2000 doctors and 2000 police personnel (Total 64717 participants). Each batch will consist of 30 participants. A three day's training manual will be used for orienting these functionaries. These trainings will be imparted through Expert Agencies/Gender Consultants / NGOs @ 6 training programmes per block per year @ ₹ 10,000/-.

A sum of ₹ 17,00,000/- has been provided under this scheme for the year 2019-20.

(11)

**Name of Scheme** Financial Assistance to Scheduled Caste families under Gender Sensitization  
**Outlay** ₹ 3,50,000/-

The village community in general and women in particular come into frequent contacts with various development functionaries and officials at the village level. These service providers are usually Doctors, MPHs, ANMs, Educationists, Panchayati Raj Personnel, Police etc. These officials often lack gender sensitivity owing to the fact that they are also brought up and socialized in the same society as that of the community.

Efforts of empowerment get diluted in the absence of support from service providers. It is, therefore, important to sensitize them. Under this scheme, it is proposed to initially gender sensitize Panches and Sarpanches, Medical Officers and Police Personnel.

These gender sensitization trainings will be organized at district level in 2160 batches consisting of 54682 panches, 6035 sarpanches, 2000 doctors and 2000 police personnel (Total 64717 participants). Each batch will consist of 30 participants. A three days training manual will be used for orienting these functionaries. These trainings will be imparted through Expert Agencies / Gender Consultants / NGOs @ 6 training programmes per block per year @ ₹ 10,000/-.

A sum of ₹ 3,50,000/- has been provided under this scheme for the year 2019-20.

**Name of Scheme** Financial Assistance to Scheduled Caste families by Haryana Women Development Corporation  
**Outlay** ₹ 50,00,000/-

Haryana Women Development Corporation was incepted with a view to promote activities for women's development, awareness generation, vocational training and arrange institutional finance for self employment of women. To make women economically independent, more and more women are required to be canalized into income generating activities. But the women, without resources are incapable of starting their ventures. Since group activities through community mobilization is over emphasized as an empowerment strategy, more and more SHGs are emerging at the village level. Unless, these women's groups are linked with economic institutions, the vital issue of economic empowerment of women will not be adequately addressed. Within this context, to make economic resources more easily accessible to women, HWDC can play a vital role through its loaning scheme.

It is envisaged to cover at least 10,000 prospective women entrepreneurs every year not only to give direction and strength to the existing SHGs but also to motivate more and more women to take up income generating activities to become productive members of the society.

A sum of ₹ 50,00,000/- has been provided under this scheme for the year 2019-20.

**Name of Scheme** Financial Assistance to Women Awareness and Management Academy (WAMA)  
**Outlay** ₹ 40,00,000/-

WAMA at Rai was set up in January, 1995 which is registered under the Societies Act, 1860. The essence was to cater to the training needs of the rural women and other grass-root level functionaries. It goes without saying that since the development planning has moved from welfare to development followed by empowerment approach, the need of the hour is to orient the development machinery on various gender issues, gender development constructs, community mobilization, participatory approach etc. Consequently, this Institution was upgraded as Regional Level Gender Training Institute in the Women's Empowerment Year, 2001. Thousands of Sanjeevanies and Didies under Integrated Women's Empowerment and Development Project and women of SWASHAKTI Project had been successfully imparted training in this institute apart from organizing workshops.

This Institute has no resources of its own and depends upon State Government Grants. In order to achieve the desired goals, the institutional mechanism needs to be strengthened for regular and quality trainings. It needs to be strengthened not only from infra-structure point of view but also from management perspective as well.

A sum of ₹ 40,00,000/- has been provided under this scheme for the year 2019-20.

**Code Number** 2-1-0000-2235-02-199-99-51  
**Name of Scheme** Ujjawala (60:40)  
**Outlay** ₹ 20,00,000/-

It is a scheme for Prevention of Trafficking and Rescue, Rehabilitation and Re-integration of Victims of Trafficking for Commercial Sexual Exploitation. Trafficking of women and children for commercial sexual exploitation is an organized crime that violates basic human rights. India has emerged as a source, destination and transit for both in-country and cross border trafficking. The problem of trafficking of women and children for commercial sexual exploitation is especially challenging due to its myriad complexities and variation. Poverty, low status of women, lack of a protective environment etc. are some of the causes for trafficking.

Keeping the above issues and gaps in mind the Ministry has formulated a Central Scheme "Comprehensive Scheme for Prevention of Trafficking for Rescue, Rehabilitation and Re-Integration of Victims of Trafficking for Commercial Sexual Exploitation-Ujjawala". The implementing agencies can be the Social Welfare/Women and Child Welfare Department of State Government, Women's Development Corporations, Women's Development Centres, Urban Local Bodies, reputed Public/Private Trust or Voluntary Organizations. The organization must have adequate experience in the field of trafficking, social defence, dealing with women and children in need of care and protection, children in conflict with law, etc.

The funding pattern for the release of funds will be shared between the Central Government, States and implementing agencies in ratio 60:30:10. Funds to the States/UTs will be released in two instalments every year. Allocation to a State/UT for the year will be decided considering the number of operational projects, number of new projects likely to be sanctioned in the year and availability of resources. First instalment amounting to 50% of allocated grant will be released in the beginning of the Year after deducting any unspent balance available with the State/UT. Second instalment will be released after 60% of the first instalment has been utilized. State Governments/ UTs are required to furnish half yearly statement of expenditure to the Ministry of Women and Child Development.

A sum of ₹ 20,00,000/- (₹ 8.00 lakh as State Share+ ₹ 12.00 lakh as Centre Share) has been provided under the scheme for the year 2019-20.

**Code Number** 3-1-0000-2235-02-103-66-51  
**Name of Scheme** Universalization of Women Helpline  
**Outlay** ₹ 52,00,000/-

This is a 100% Centrally Sponsored Scheme "Universalization of Women Helpline" is intended to provide 24 hours immediate and emergency response to women affected by violence through referral (linking with appropriate authority such as police, One Stop Centre, hospital) and information about women related government schemes programs across the country through a single uniform number.

Women Helpline (WHL) will be integrated with One Stop Centre Scheme (OSC) under which one OSC shall be established in every State/UT to provide integrated support and assistance to women affected by violence, both in private and public spaces under one roof. Women affected by violence and in need of redressal services will be referred to OSC through WHL.

Under the WHL Scheme, the States/UTs will utilise or augment their existing women helplines through a dedicated single national number. Department of Telecommunication, Government of India has allocated short code 181 to all States/UTs which is being used by some States/UTs such as Delhi, Chandigarh, Chhattisgarh as Women Helpline. Under this Scheme, States/UTs need to adopt this short code 181 as Women Helpline (WHL). It is envisaged that this number would be compatible with all the existing telecommunication channels whether providing post/pre-paid mobile or landline services through any public or private network i.e. GSM, CDMA, 3G, 4G etc. All the state/ district/ city level helplines whether private or public would be integrated with this women helpline.

**The objectives of the Scheme are:**

1. To provide toll-free 24-hours telecom service to women affected by violence seeking support and information.
2. To facilitate crisis and non-crisis intervention through referral to the appropriate agencies such as police/Hospitals/Ambulance services/District Legal Service Authority (DLSA)/Protection Officer (PO)/OSC.
3. To provide information about the appropriate support services, government schemes and programmes available to the woman affected by violence, in her particular situation within the local area in which she resides or is employed.

**Target Group**

Any woman or girl facing violence within public or private sphere of life or seeking information about women related programmes or schemes.

A sum of ₹ 52,00,000/- has been provided under the scheme for the year 2019-20.

<b>Name of the Scheme</b>	<b>Supplementary Nutrition Programme</b>
<b>Outlay</b>	<b>₹ 150,00,00,000/-</b>

This Scheme was started under Integrated Child Development Scheme (ICDS) in the State of Haryana during the year 1975-76. The State Government is providing Supplementary Nutrition (SNP) containing an average nutritive value as per norms fixed i.e. in the case of Pregnant/Lactating mothers 600 calories and 18-20 gm. proteins, in case of children 500 calories and 12-15 gm. protein and in case of severely mal-nourished children 800 calories and 20-25 gm. protein @ ₹ 9.50/- per mother, ₹ 8/- per child and ₹ 12/- per mal-nourished child per day for 300 days in a year. Presently 8.27 lakh children and 2.59 lakh pregnant/ lactating mothers are covered under Supplementary Nutrition Programme. The recipes provided under ICDS are Poshtic Panjiri, Bharwa Parantha, Aloo puri, Meetha Chawal, Meetha Dalia, Pulao. Gulgale and Chana, Murmura & Mungfali Mixture etc. The expenditure of SNP is being shared by Centre & State in the ratio of 50:50. At present two Panjiri Plants, one at Gharundha (Karnal) and another one at Gurugram are functioning in the State. These Panjiri Plants are producing 3.5 MT Panjiri per month. The Panjiri produced by these Panjiri Plants is fortified with micronutrients and is being given to the children in age group of 6 months to 18 months of Anganwadi Centres. At present these plants are producing Panjiri which caters only 14% requirements. To upgrade of these Panjiri Plants consultant has been appointed. There is proposal to set up a Panjiri Plant in district Panchkula. The Panjiri is to be given as Take Home Ration (THR) to approximately 2.6 lakh children between 6-18 months of age.

Now the Government of India has agreed to bear 50% expenditure of Supplementary Nutrition Programme from 1.4.2005 onwards. So the entire expenditure of this scheme will be met under sharing basis. A sum of ₹ 150,00,00,000/- has been provided for the financial year 2019-20.

<b>Outlay</b>	<b>₹ 50,00,00,000/-</b>

The Scheme envisages providing cash directly to P&L women during pregnancy and lactation in response to individual, fulfilling specific conditions. It would address short term income support objectives with long term objective of behaviour and attitudinal change. The scheme attempts to partly compensate for weight loss to pregnant & lactating women both prior to and after delivery of the child. The scheme will be

implemented using the platform of ICDS with the objectives to improve the health and nutrition status of pregnant, lactating women and infants by (I) Promoting appropriate practices, care and service utilization during pregnancy, safe delivery and lactation (II) Encouraging the women to follow (optimal) IYCF practices including early and exclusive breast feeding for six months (III) Contributing to better enabling environment by providing cash incentives for improved health and nutrition to pregnant and nursing mothers. Under the scheme pregnant Women of 19 years of age and above for first live births are entitled for benefits under the scheme. All Government (Central & State) employees will be excluded from the Scheme as they are entitled for paid maternity leave.

The beneficiaries will be paid ₹ 5000/- in three instalments per P&L women between the second trimester till the child attains the age of 6 months on fulfilling specific conditions related to maternal and child health to partly compensate for weight loss to mothers- women during pregnancy and period of lactation.

Anganwadi workers (AWWs) and Anganwadi helpers (AWHs) would receive an incentive of ₹ 200/- and ₹ 100/- respectively per P & L woman after all the due cash transfers to the beneficiary are complete.

A sum of ₹ 50,00,00,000/- has been provided under this scheme for the financial year 2019-20.

**Outlay** ₹ 17,00,00,000/-

Currently, only very small proportion of India’s workforce has any formal skill training. At the same time, large sections of the country’s youth are looking for economic and livelihood opportunities. In this context, skill development has become a key priority area for the country. This is not only essential for economic development, but would help to fulfill youth aspirations for good quality, better paid jobs and self-employment opportunities. This would also enable the country to take advantage of its favorable demographic profile. With a large pool of skilled people, India has an opportunity to become a skill provider for the world, particularly the ageing developed world. National Skill Development Policy 2015 and also National Skill Development Mission have been launched by Government of India.

As per National Skill Development Agency (NSDA), Government of India each State shall have State Skill Development Mission which would be the single point of contact within the government to formulate and steer various skill development schemes/ projects and will bring necessary synergy, oversight and effective co-ordination in the implementation of the skill development schemes across the departments. The mission monitors and coordinates on Government of Indian skill schemes in the State and integrates efforts of various departments of the State and Central Government organizations engaged in providing skill development training and make available employment oriented and placement linked training in vocational skills to the beneficiaries of the State.

Haryana Skill Development Mission in society mode was approved by Hon’ble Chief Minister on 13.02.2015. Concurrence of Finance Department was also obtained on 31.03.2015. “Haryana Skill Development Mission” society has been registered by the District Registrar for Societies, Panchkula on 04.05.2015.

A sum of ₹17,00,00,000 has been kept under the scheme for the year 2019-20.

DGT, Government of India has decided to upgrade 29 Government ITIs into Model ITIs in the country. Accordingly, ITI Gurugram has been identified for up-gradation under this project in the State of Haryana. Industrial sector is rapidly around Gurugram and it is a Industrial hub and cluster of Industries. Government ITI Gurugram is also adopted by M/s Maruti Suzuki India Ltd., Gurugram. As Gurugram is a industrial hub and workers of different industries / sector can be trained and placed at large scale. In this scheme, the long term objectives are to provide benefits to new job entrants through existing trades, starting of new trades and to conduct short term training programmes with customized skill training. In addition to new job entrants, the existing workers and the workers of un-organized sector will also be benefited.

Existing Government ITI, Gurugram is to be converted into Model ITI. The key objective is to develop a benchmark for Industry oriented ITI which would serve as a role model for other ITIs and would also raise the dignity of ITI education. The ITI will be provided funds for taking up several initiatives and reforms to achieve broad objective. The Model ITI will establish links with the industrial clusters in their vicinity to enable it to function as a solution provider to the group. The objectives will include offering training to new job entrants, existing workers & workers of un-organized sector. Model ITI may plan to upgrade existing trades, close obsolete trades and start new trades that cater to the Industry clusters. Further, they can run short-term courses under Modular Employable Skills (MES).

An amount of ₹1,00,00,000/- (₹ 70,00,000/- 70% as Central share & ₹ 30,00,000/- 30% as State share) has been kept under the scheme for the year 2019-20.

India is one of the youngest nations in the world with more than 62% of its population in the working age group (15-59 years), and around 54%, below 25 years of age. To take advantage of this demographic dividend, India needs to equip its workforce

with employable skills and knowledge so that they can contribute to the economic growth of the country, 22% of Indians are still below the poverty line and the Government's skill development policies are focused on increasing the incomes of these sections of society and bringing about inclusive growth. Also skilling of those in the education system is becoming important as the industry finds these graduates highly unemployable. To address these challenges, Government has set up an ambitious target to train including up-skilling/re-skilling 400 million people by 2022. National Skill Development Policy (NSDP) 2015 aims to meet the challenges of skilling at scale, speed and to standards (quality). The PMKY scheme shall be implemented by the Centre along with the States having two components i.e. Centrally Sponsored Centrally Managed (CSCM) and Centrally Sponsored State Managed (CSSM). The role of State Skill Development Mission (SSDMs) shall be Trainee Mobilization and counseling, to provide administrative support in the conduct of Kaushal Melas by training providers appointed by National Skill Development Corporation (NSDC), to provide support to create and make available a dynamic database of employers and their requirements for skilled manpower in the State, to create awareness amongst State Level industries and employers about PMKVY scheme, to engage with employers and enlist their participation in job Melas, to frame rigorous continuous monitoring systems to ensure adherence of training under PMKVY 2.0 to quality standards and guidelines of the scheme. The Haryana Skill Development Mission has been assigned the target to train 56,036 trainees from FY 2017-18 to 2019-20 for which 100% funds to the tune of Rs. 86.28 crore will be provided by MSDE, GOVERNMENT OF INDIA out of which a sum of 21.57 crore (Grant-in-Aid) have been released in June 2017 to State Finance Department which have been provided to the department by Finance Department in 1<sup>st</sup> Supplementary.
