**Subject: Regarding recovery of interest payment on delayed payment under Major Head- 2049.**

-----

I am directed to invite your attention towards the subject noted above and to inform that a large number of cases received in this office from various Departments to do budget online for the payment of interest on delayed payment of retiral dues etc. as per orders of Hon'ble Court. But reason for the delayed payment is nowhere mentioned.

2. Now, Government has reconsidered the matter and decided that this type of payment is extra burden on the State exchequer and reason should be mentioned for the delay i.e. who is responsible for that delay or any other reason etc. so that in future, the delayed interest payment can be recovered from the defaulting official/officer to avoid the ignorance of such cases and the retiral benefits should be released to Govt. employees well in time.

3. Therefore, you are requested to mention the reason for the delay while sending budget demand to Finance Department, Haryana for making payment of interest on delayed payment. However, orders of Hon'ble High Court be strictly followed.

4. These instructions may brought to the notice of all concerned for strict compliance.
