CROP HUSBANDRY
Part-1 STATE SCHEMES

(1)

Code No.	1-1-0094-2401-51-105-96-51
Name of the Scheme	Scheme for Quality Control on Agriculture Inputs
Outlay	₹3,73,00,000/-

It is a State Scheme and is in operation since 2006-07. The main object of the scheme is to check malpractices/adulteration in Fertilizers/Pesticides, Seeds and to ensure good quality of agricultural inputs to the farmers. To analyse pesticides, fertilizers and Seeds samples on the basis of provisions of Insecticides Act, 1968, Insecticides Rules, 1971 and Fertilizers (Control) Order, 1985 and Essential Commodities Act, 1955, Seed Act, 1966 and Seed (Control) Order, 1983. Under this Scheme, Staff for Head Quarter, two State Quality Control Laboratories (Pesticides), Panchkula & Rohtak, State Quality Control Laboratory (Fertilizers), Rohtak and Seed Testing Laboratory, Sirsa have been provided. The benefit of the Scheme is to ensure adequate, timely supply of good quality of agricultural inputs to the farmers and to check malpractices/adulteration in Fertilizers, Pesticides and Seeds.

A provision of ₹3,73,00,000/- is being made for the year 2017-2018 under this scheme.

(2)

Code No.	1-1-0003-2401-51-105-95-99
Name of the Scheme	Providing Soil and Water Testing Services to the Farmers
Outlay	₹1,30,00,000/-

It is a State Scheme.

The main objective of the scheme is to analyze soil and water samples of the farmers for ascertaining the fertility status of soil and to construct the building of Soil and Water Testing laboratories. The scheme has been implemented in the State since 1991-92.

Under the scheme 12,50,000 Soil & Water samples have been analyzed during the year 2016-17 so far. Targets have been fixed for analysis of soil samples during 2017-18.

The scheme will be implemented throughout the State. The farmers will be benefited with implementation of this scheme by analyzing their soil and water samples free of cost.

An outlay of ₹1,30,00,000/- has been earmarked for the year 2017-2018 and the entire amount will be used for construction of the new Soil Testing Laboratories buildings/Extension of existing Soil Testing Laboratories and Material Supply i.e. Chemicals filter paper & glass ware for all existing Soil Testing Laboratories.

(3)

Code No.	1-1-0063-2401-51-105-86-51
Name of the Scheme	Scheme for the stocking and distribution of fertilizers by Institutional agencies
Outlay	₹27,50,00,000/-

It is a State Scheme.

The main objective of the scheme is to create a buffer stock of DAP and Urea fertilizer with the institutional agencies like HAFED, HAIC and HLRDC during lean consumption period of fertilizers for compensating the carrying cost. It would ensure adequate and timely supply of fertilizers to the farmers.

An amount of ₹27,50,00,000/- has been kept for this new scheme for the year 2017-2018.

(4)

Code No.	1-1-0040-2401-51-107-94-99
Name of the Scheme	Scheme for Setting up & Strengthening of Bio-logical Control Laboratory at Sirsa under Integrated Pest Management
Outlay	₹20,00,000/-

It is a State Scheme. The objective of this scheme is to reduce the consumption of chemical pesticides and to produce pesticides free farm produce, with limited use of chemical pesticides and increased use of bio- pesticides and bio agents. Under Integrated Pest Management (IPM) approach, the emphasis has been given to control the pest and disease infestation by way of methods other than the use of pesticides and strengthened to undertake Microbiological Pathological Entomological residue tests. Under this scheme, the bio agents (Trichogramma, Trichoderma, Beauveria, Bassiana & NPV) produced in Bio Control Lab will be distributed to the farmers free of cost to control the pests and diseases of field crops. As a result, there will be reduction in chemical pesticides to a great extent and production of pesticide-free farm produce in addition to environment safety. The non judicious use of chemicals pesticides/fertilizers is resulting in pollution of soil and water bodies. There is a need to monitor the level of residues of these chemical in soil and water bodies.

A provision of ₹20, 00,000/- is provided under this scheme for the year 2017-2018.

(5)

Code No.	1-1-0086-2401-51-108-83-51
Name of the Scheme	Scheme for Promotion of Crops Diversification
Outlay	₹6,00,00,000/-

It is a State Scheme. The main objective of the scheme is to promote the alternate crops like Summer Moong, Sunflower and Maize in order to reduce the Wheat and Paddy crop rotation because the Wheat and Paddy crops rotation is not in the national interest. Cultivation of rice and wheat over a prolonged period has caused degradation of natural resources to a great extent. The soil health has deteriorated owing to decline in organic fraction and wide-spread deficiencies of micro nutrients. The ground water table has declined due to over exploitation of this resource in areas with fresh ground water. In view of the decline in organic fraction of the soil, higher doses of fertilizers are required to sustain the present productivity levels which has not only resulted in increase in cost of cultivation but the excessive doses of fertilizers can also lead to pollution of ground water.

The sustainability of rice-wheat cropping system is thus being questioned. Diverting area from Paddy and Wheat to eco-friendly crops like Pulses, Oilseeds and Maize crops would be promoted. Pulses crop, particularly Summer Moong will be promoted in Paddy-Wheat areas to provide an alternative crop to summer paddy growers. Moong being leguminous in nature will not only enrich the soil fertility but also add organic matter in the soil. Being short duration moong crop also consumes less water and nutrients. Sunflower is an important oilseeds crop which is photo insensitive and thermo-neutral. This crop matures in 90-100 days. Thus, water and nutrients requirement is also comparatively less. Maize is also another important cereal crop in the world after wheat, and will be suited to reduce the wheat-rice rotation too. Thus total budget of ₹6,00,00,000/- has been proposed for conducting demonstrations under this scheme for the year 2017-2018 and entire assistance will be borne by the State Government.

(6)

Code No.	1-1-0095-2401-51-108-81-51
Name of Scheme	Scheme for Technology Mission on Sugarcane
Outlay	₹5,50,00,000/-

It is a technical scheme and is in operation from the year 2010-2011 and this scheme will be implemented in the assigned areas of the Sugar Mills in the State. The main objectives of the scheme are as under:-

1. To achieve the desired growth in area, productivity, production and recovery of Sugarcane in the State.
2. To increase the income of cane growers and sustainability of Sugarcane.
3. To develop linkages with Sugar Mills research centers and other organizations for collaborative exchanges of information and material.
4. To disseminate the information/ technologies to the cane growers.
5. To provide training to cane growers at regional and State levels.
6. To maintain varieties balance of Sugarcane varieties.

A provision of ₹5,50,00,000/- is being made for the year for the year 2017-2018 under this scheme.

(7)

Code No.	1-1-0100-2401-51-108-80-51
Name of Scheme	Scheme for Promotion of Cotton Cultivation in Haryana State
Outlay	₹3,50,00,000/-

It is a State Scheme. The main objective of the scheme is to increase the productivity and production of cotton crop and improving the economic condition of the farmers in the State. Cotton is one of the important commercial cash crop of the State which is generally grown in south-western part of the State. The area under this crop generally varies between 5.00 lakh hectare to 7.00 lakh hectare year to year in the State.

During 2015-16, the target of the area and production 6.00 lakh hectare and 25.05 lakh bales with average productivity of 710 kg/hect. was fixed. The estimated coverage of 5.76 lakh hect. has been recorded under cotton crop during the year 2015-2016 and production of 17.00 lakh bales is expected from this area with average productivity of 274 kg per hect. A target of 27.00 lakh bales with average productivity of 780 kg per hect. from the area of 6.50 lakh hect. have been proposed of the year 2017-2018 and area recorded 5.35 lakh hectare average yield recorded 464 kg/hact and productivity was recorded 14.61 lakh bales. The tentative operational targets of area for the year 2017-18 and production 6.35 lakh hectare and 25.86 lakh bales and average productivity is 692 kg/hact.

To promote the cotton cultivation in the State, various developmental programmes viz. distribution and production of certified & foundation seeds, organization of Farmers training, distribution of manually and tractor mounted spray pumps, farmers trainings, installation of drip irrigation, farmers exposure visits programme etc. were implemented under this scheme during 2016-17 in the twelve district of State namely Hisar, Sirsa, Fatehabad, Jind, Rohtak, Jhajjar, Bhiwani, Rewari, Mohindergarh, Sonapat, Palwal and Kaithal based on the new production technologies. With the implementation of this Scheme, the productivity of this crop has been increased to a greater extent and farmers are being greatly benefitted by the cultivation of this crop. Additional new programmes will also be implemented under this Scheme during 2017-18.

An outlay of ₹3,50,00,000/- has been earmarked under this scheme to implement the various developmental programmes in the state for the year 2017-2018.

(8)

Code No.	1-1-0096-2401-51-109-97-51
Name of Scheme	Scheme for Agriculture Extension Training Services to Farmers
Outlay	₹2,10,00,000/-

It is a State Staff Scheme started during the year 2010-11. The main objectives of the scheme will be as under:-

1. To increase the knowledge system and technical competency of the farmers at village level.
2. To provide correct advice on farming practices.
3. To conduct regular & Special studies on the various aspect of Agriculture.
4. To improve the main power of planning and Management in order to upgrade the quality & relevance of Agriculture Educations.
5. To improve the scientific way of cultivation of crops.
6. To provide a communication link between the extension staff of the Department & farming community based on the new research.
7. On the advice of Govt. of India Special Publicity Exhibition units to carry out the work of popularization new technology in the fields.

A provision of ₹2,10,00,000/- has been made in the budget estimates for the year 2017-2018 under this scheme.

(9)

Code No.	1-1-0008-2401-51-109-93-51
Name of Scheme	Scheme for Strengthening of Agriculture Extension Infrastructure
Outlay	₹ 3,00,00,000/-

This State Scheme was started from the year 2008-09. The objective of the scheme is to ensure maintenance, improve & peruse the mandates of training, construction of new building and visit programme of Agriculture. The benefit of the scheme is to provide proper maintenance and new vehicle/building for achieving better targets in the crop field. 10 new vehicles shall be purchased in the replacement of old condemned vehicles & proper maintenance of the Krishi Bhawan & Krishi complex is to be maintained.

A provision of ₹3,00,00,000/- is being made for the year for the year 2017-2018 under this scheme.

(10)

Code No.	1-1-0079-2401-51-109-81-51
Name of the Scheme	Scheme for Promotion of Sustainable Agriculture Strategic Initiatives
Outlay	₹1,15,00,000/-

It is a State Scheme. The main objectives of the scheme are detailed as under:-

- (i) To generate healthy competition amongst the farmers/growers of the State resulting in higher productivity and more production.
- ii) To strengthen the extension services by using print and electronic media and information technological support.
 - a) Publication
 - b) Advertising and Publicity

The 100% cost of the seed treatment of certified seed will be borne on sharing basis i.e. 50% under the State Scheme and 50% share under RKVY for the year 2012-13. Where in required free of cost to the farmers as per seed treatment policy.

Many farmers, villages and districts played a significant role in the adoption of innovative practices and making special contribution in improving the crop productivity. Such farmers, villages

and districts needs to be motivated by rewarding their contribution so that others may also follow their footsteps.

Many farmers played a significant role in the adoption. Expenditure of such activity may be carry out in this component.

The benefit of the scheme would be to provide the necessary support to the farmer for increasing the production and productivity of the crops.

A provision of ₹1,15,00,000/- is being made for the year for the year 2017-2018 under this scheme.

(11)

Code No.	1-1-0151-2401-51-109-79-51
Name of the Scheme	Scheme for Constitution of Haryana Kisan Ayog
Outlay	₹3,00,00,000/-

It is State Scheme. The objectives of the scheme are as under:-

1. To analyses the factors responsible for the decline in farm income and suggest measures to enhance income of the farmers through market-driven crop diversification, improved marketing, hassle free regulatory and fiscal regime, value addition and agro-processing.
2. To propose methods of enhancing the productivity, profitability, stability and sustainability of the major farming systems of the State based on an Agro-ecological and Agro-climates approach and the harnessing of frontier technologies.
3. To suggest a vialable and compatible crop(including horticulture)-Livestock-fish integrated system and synergy among agriculture and allied sectors.
4. To bring synergy between technology and public policy and recommend measures for enhancing income and employment potential in rural areas through diversification, application of appropriate technology including IT for information on market, weather, credit facilities and e-commerce, training and market reforms.
5. To examine the current inputs-used efficiency and functioning of the delivery systems for seeds, fertilizers, pesticide and credit and to suggest improvement therein.
6. To review the current status of water use for agriculture, its performance and potential; and make recommendations for a rational, efficient and sustainable exploitation of underground and surface water for enhanced agriculture productivity.
7. To suggest measures for enhancing the quality and cost competitiveness of farm commodities so as to make them globally competitive through providing adequate facilities and application of frontier science and promote quality literacy for code alimentarious standard, sanitary and phyto-sanitary measures among farmers through reorienting and re-tooling extension machinery.
8. To suggest comprehensive policy, reforms designed to enhance investment in agri-research, substantially increase flow of rural credit to farmers including small and marginal, triggering agriculture growth led economic progress which can lead to opportunities for a healthy and productive life to rural families.
9. To suggest measures to attract and retain educated youth in farming and recommend for this purpose- methods of technological upgrading of crop husbandry, horticulture, animal husbandry, fisheries (inland & marine), agro forestry and agro-processing and associated marketing infrastructure.
10. To consider any other issue, which is relevant or pertinent to the above or is specially referred to the Commission by the State Government.

The Ayog will review the current status of agriculture and allied sectors in the State, its performance, strengths & weaknesses and assess the status of different categories of farmers in various agro-climatic sub-regions and work out a comprehensive strategy for achieving sustainable and equitable agricultural development of the State.

An amount of ₹3,00,00,000/- has been provided for the year 2017-2018.

(12)

Code No.	1-1-0166-2401-51-111-89-51
Name of the Scheme	Scheme for Improvement of Agriculture Statistics
Outlay	₹40,00,000/-

This is a State Scheme. The main objectives of the scheme are:-

1. To improve the quality of data collection and analysis for providing assistance to the labour/farmers and workers for Crop Cutting Experiments.
2. To improve the skills of the staff.
3. To improve the quality of output.
4. To update the latest statistical information in time.
5. To adopt latest information technologies.

An amount of ₹40,00,000/- is being provided for this scheme during the year 2017-2018.

(13)

Code No.	1-1-0007-2401-51-113-96-51
Name of the Scheme	Scheme for Agriculture Engineering Service
Outlay	₹5,58,00,000/-

This is a State Scheme. The objectives of the scheme are:-

1. To provide fuel for cooking purpose and organic manure to rural household through the construction of family type biogas plants.
2. To mitigate drudgery of rural women, reduce pressure on forest and accentuate social benefit.
3. To improve sanitation in villages by linking sanitary toilet with biogas plants.
4. To strengthen of tubewell machinery & equipments for augmentation of under water resources for irrigation purposes.

An amount of ₹5,58,00,000/- is being provided for the year 2017-2018.

(14)

Code No.	1-2-0168-2401-51-789-89-51
Name of the Scheme	Scheme for providing implements/machinery on subsidy to the group of farmers and SC farmers
Outlay	₹3,00,00,000/-

This is technical Scheme for providing Implements/Machinery on Subsidy to the group of farmers and individual scheduled caste farmers. The main objectives of the scheme are as under:-

1. Employment generation of Scheduled Caste Farmers by establishing implements banks having latest Agricultural implements on subsidy.
2. Making farming a profitable business and improving financial condition of farmers.
3. To increase the farm power availability in Haryana State.
4. Making latest, costly and sophisticated Agricultural implements/machineries available to normal farmers of Haryana on custom hiring basis.
5. Providing small Agricultural implements like Cono Weeder and Wheel Hand Hoe to scheduled caste farmers on subsidy for earning their livelihood.

An amount of ₹3,00,00,000/- is being provided for the year 2017-2018.

PART-II-Centrally Sponsored Sharing Basis Schemes

(15)

Code No. 2-1-0000-2401-51-001-96-51
Name of the Scheme National e-governance Plan for Agriculture(NeGP-A)
Outlay ₹3,00,00,000/-

This is a centrally sponsored scheme(sharing basis 60:40).
 The objectives of the Scheme are:-

1. Bringing farmer centricity & service orientation to the programs.
2. Enhancing reach & impact of extension services.
3. Improving access of farmers to information & services throughout crop-cycle.
4. Building upon, enhancing & integrating the existing ICT initiatives of Centre, and States.
5. Enhancing efficiency & effectiveness of programs through process redesign.
6. More effective management of schemes of DAC.
7. Promoting a common framework across states.

An outlay of ₹3,00,00,000/- (₹1,80,00,000/- Centre Share and ₹1,20,00,000/- State Share) has been provided for the year 2017-2018.

(16)

Code No. 2-1-0093-2401-51-105-84-51
Name of the Scheme National Project on Management of Soil Health & Fertility.
Outlay ₹150,00,000/-

It is a Centrally Sponsored Scheme.

The main objective of the scheme is to set up new Static Mobile Soil Testing Laboratories and to provide soil and water testing facilities to the farmers free of cost.

The scheme was launched during the year 2010-11. The entire State would be covered under the scheme.

An amount of ₹150,00,000/- has been provided for the year 2017-2018 under the scheme.

(17)

Code No. 2-1-0052-2401-51-108-86-51
Name of the Scheme ISOPOM renamed as National Mission of Oilseeds and Oil Palm Mission (NMOOP).
Outlay ₹20,00,00,000/-

It is a Centrally Sponsored scheme on 60:40 sharing basis between Govt. of India and State Govt. specifically for general category farmers under Mini Mission-I of National Mission on Oilseeds and Oil Palm(NMOOP).

The main objective of the scheme is to increase the production of oilseeds crops in the State. Govt. of India has merged existing OPP & NPDP schemes into the scheme known as ISOPOM and is being implemented from 2004-05. OPP and NPDP schemes were being implemented in the State for the promotion of oilseed and pulses crops since 1986-87. The name of ISOPOM Scheme has been changed from ISOPOM to Mini Mission-I of National Mission Oilseeds and Oil Palm(NAMOOP) from the Year 2014-15. Over the years, area and production of oilseeds have increased considerably and productivity of mustard crop of Haryana State is highest in the country. There is tremendous scope further to increase the productivity of mustard crop in the State. The overall performance of the Scheme is encouraging. The targets of area of oilseeds have been fixed at 9.90 lakh tones. The efforts would be made to bring more and more under other oilseeds crops like til, groundnut, castor, toria, mustard etc. and increase the productivity also.

An outlay of ₹20,00,00,000/- has been kept for the year 2017-2018. Out of this ₹12,00,00,000/- will be borne by Govt. of India as its 60% share and ₹8,00,00,000/- by State Govt.

(18)

Code No.	2-1-0054-2401-51-109-85-51
Name of the Scheme	Scheme for Central Sector Scheme Support to State Extension Programmes for Extension Reforms.
Outlay	₹32,00,00,000/-

A Centrally Sponsored Scheme on 60:40 sharing basis has been approved by Govt. of India.

This scheme has been implemented since 2005-06. The main object of the scheme is to benefit the farmers through Extension Officers by imparting training and involving them in exposure visits, Demonstrations, Study tours, Exhibitions etc. This entire gamut of extension related activities is broadly termed as ATMA Cafeteria. A new institutional arrangement in the form of ATMA at the district level was created for coordinating the extension activities. Similarly, State Institutes popularly known as HAMETI was entrusted with the task of training of Extension Officers and farmers at the State Level.

An outlay of ₹32,00,00,000/- has been kept for the year 2017-2018. Out of this, ₹19,20,00,000/- will be borne by Govt. of India as its 60% share and ₹12,80,00,000/- by State Government.

(19)

Code No.	2-1-0078-2401-51-109-80-51
Name of scheme	Scheme for Rashtriya Krishi Vikas Yojna
Outlay	₹4,00,00,00,000/-

Department of Agriculture and Cooperation, Ministry of Agriculture Govt. of India has launched a 100% additional Central Assistance Scheme to incentivise the State to draw up plans for agriculture sector more comprehensively taking agro-climatic conditions, natural issues and technology into account and integrating livestock, poultry and fisheries more fully with the name as National Agriculture Development Programme (NADP)/Rashtriya Krishi Vikas Yojna (RKVY). The scheme aims at achieving 4% annual growth in the agriculture sector by ensuring a holistic development of agriculture and allied sector.

Now this scheme is being implemented on sharing basis in the ratio of 60:40. The main objectives of the scheme are as detailed below:-

1. To incentivise the State so as to increase public investment in Agriculture and allied sectors.
2. To provide flexibility and autonomy to State in the process of planning and executing Agriculture Schemes.
3. To ensure the preparation of Agriculture plans for the districts and the State based on agro-climatic conditions, availability of technology and natural resources.
4. To ensure that the local needs/crops/priorities are better reflected in the agricultural plans of the State.
5. To achieve the goal of reducing the yield gap in important crops through focused interventions.
6. To maximize returns to the farmers in agriculture and allied sectors.
7. To bring about quantifiable changes in the production and productivity of various components of Agriculture and allied sectors by addressing them in holistic manner.
8. Main streaming gender concern in extension.
9. Capacity building/skill up-gradation of farmers and extension functionaries.

The funds of RKVY scheme will be available under two distinct stream-I & II. Stream-I is Project based under which 75% of the total funds are allocated to make plan for Agriculture Development. Stream-II is to arrange/strengthen the existing State Schemes for skill up gradation of farmer community. 25% funds are allocated for Stream-II.

An amount of ₹400,00,00,000/- (₹240,00,00,000/- Centre share and ₹160,00,00,000/- State Share) has been provided for the year 2017-2018.

(20)

Code No. 2-1-0174-2401-51-109-78-51
Name of scheme Scheme for Agriculture Mechanization
Outlay ₹6,00,00,000/-

It is a centrally sponsored sharing basis scheme. Some components are on sharing basis of 50:50 and some are 100% borne by the Government of India. The main objectives are as detailed below:-

1. Increasing the reach of farm mechanization to small and marginal farmers and to the regions where availability of farm power is low.
2. Promoting 'Custom Hiring Centres' to offset the adverse economies of scale arising due to small landholding and high cost of individual ownership.
3. Creating hubs for hi-tech and high value farm equipments.
4. Creating awareness among stakeholders through demonstration and capacity building activities.
5. Ensuring performance testing and certification at designated testing centres located all over the country.

An outlay of ₹6,00,00,000/- (₹3,00,00,000/- Centre share and ₹3,00,00,000/- State Share) has been provided for the year 2017-2018.

(21)

Code No. 2-1-0170-2401-51-109-77-51
Name of scheme National Food Security Mission
Outlay ₹32,00,00,000/-

It is a Sharing basis Scheme for general category farmers in the ratio of 60:40. The main objective of the Scheme is to increase area, productivity and production of wheat and pulses in the districts covered under the Mission, through area expansion and productivity enhancement in a sustainable manner in the identified districts, restoring soil fertility and productivity at the individual farm level, and enhancing farm level economy (i.e. farm profits) to restore confidence amongst the farmers. Wheat component of the Mission is being implemented in seven districts whereas pulse component is being implemented in all districts. Coarse cereals component is introduced from this year with the inclusion of five districts of the State. NFSM commercial component is also included in the Scheme for this year. The cropping system approach and inter-cropping of pulses with commercial crops especially cotton, jute and sugarcane leads to improve land use efficiency and better use of land and water resources. The main objectives of including commercial crop based cropping system are to utilize vacant inter-row space of commercial crops for growing pulses; to generate higher net returns and cultivable land utilization index as compared to mono-cropping; to improve soil fertility status; to facilitate IPM strategies and reduce pest incidence through cropping system approach; to demonstrate latest technologies of intercropping, seed production; and to implement need based interventions in cotton, jute and sugarcane crops.

The Scheme will be implemented in all districts of Haryana State. The head quarter of the Scheme will be at Panchkula. The Director General, Haryana will be the Controlling Officer. An amount of ₹32,00,00,000/- (₹19,20,00,000/- Centre share and ₹12,80,00,000/-State Share) has been provided for the year 2017-2018.

(22)

Code No. 2-1-0152-2401-51-111-90-51
Name of scheme Modified National Agriculture Insurance Scheme renamed as Pradhanmantri Fasal Bima Yojana
Outlay ₹300,00,00,000/-

It is Centrally Sponsored Scheme (Sharing basis 50:50).

OBJECTIVES:- The objectives of the scheme are as under:-

1. To provide insurance coverage and financial support to the farmers in the event of prevented sowing & failure of any of the notified crops as a result of natural calamities, pests and diseases etc.
2. To encourage the farmers to adopt innovative and modern agricultural practices.

3. To help stabilize farm income, particularly in disaster years.
4. Yield losses of the crops will be covered as per the norms of the scheme.

Comprehensive risk insurance is provided to cover yield losses due to non-preventable risks like natural fire and lightning, storm, hailstorm, Cyclone, Flood and Pests/Diseases etc.

In case farmer of an area is prevented from sowing planting due to deficit rainfall or adverse seasonal conditions, such insured farmer who failed to sow/plant (but otherwise has every seasonal condition, such incurred expenditure for the purpose) shall be eligible for indemnity.

Coverage is available only for those crops which are allowed to dry in the field after harvesting against specified perils of cyclones in coastal areas, resulting in damage to harvested crop. Further the coverage is available only upto a maximum period of two weeks from harvesting. Assessment of damage will be on individual basis.

An outlay of ₹300,00,00,000/- has been kept as state share for this scheme for the year 2017-2018.

(23)

Code No.	2-2-0165-2401-51-789-97-51
Name of the Scheme	Scheme for Rashtriya Krishi Vikas Yojna for Scheduled Castes
Outlay	₹10,00,00,000/-

Department of Agriculture and Cooperation, Ministry of Agriculture Govt. of India has launched a 100% additional Central Assistance Scheme to incentivise the State to draw up plans for agriculture sector more comprehensively taking agro-climatic conditions, natural issues and technology into account and integrating livestock, poultry and fisheries more fully with the name as National Agriculture Development Programme (NADP)/Rashtriya Krishi Vikas Yojna (RKVY).

The aim of the scheme is to increase public investment in Agriculture and allied sectors and autonomy to State in the process of Planning and executing Agriculture Schemes; to ensure that local needs/crops/priorities are better reflected in the agricultural plans of the State; to reduce the yield gap in important crops; to maximize returns through focused interventions etc.

The funds of RKVY scheme will be available under two distinct streams i.e. Stream -I & II. Stream-I is Project based under which 75% of the total funds are allocated to make plan for Agriculture Development. Stream- II is to arrange/strengthen the existing State Schemes for skill up-gradation of farmer community. 25% funds are allocated for Stream-II. The scheme will be beneficial for skill up-gradation of scheduled caste farming community.

Now this scheme has being implementing on sharing basis in the ratio of 60:40. An amount of ₹10,00,00,000/- (₹6,00,00,000/- as Centre Share and ₹4,00,00,000/-as State Share) has been provided 2017-2018 for Scheduled Castes farmers.

(24)

Code No.	2-2-0159-2401-51-789-94-51
Name of scheme	(ISOPOM) renamed as National Mission on Oilseeds and Oil Palm (NMOOP) for Scheduled Caste Farmers.
Outlay	₹5,00,00,000/-

It is a Centrally Sponsored scheme on 60:40 sharing basis between Govt. of India and State Govt. under Mini Mission-I of National Mission on Oilseeds and Oil Palm(NMOOP).

The main objective of the scheme is to increase the production of oilseeds crops in the State. Government of India has merged existing OPP & NPDP schemes into the scheme known as ISOPOM and is being implemented from 2004-05. OPP and NPDP schemes were being implemented in the State for the promotion of oilseed and pulses crops since 1986-87. The name of ISOPOM Scheme has been changed from ISOPOM to Mini Mission-I of National Mission Oilseeds and Oil Palm(NAMOOP) from the year 2014-15. Over the years, area and production of oilseeds have increased considerably and productivity of mustard crop of Haryana State is highest in the country. There is tremendous scope further to increase the productivity of mustard crop in the State. The overall performance of the Scheme is encouraging. The targets of area of oilseeds have been fixed at 6.37 lakh hectares for the year 2017-18. Similarly targets of production of oilseed have been fixed at 11.63 lakh tones. The efforts would be made to bring more and more under other oilseeds crops like til, groundnut, castor, toria, mustard etc. and increase the productivity also.

An outlay of ₹5,00,00,000/- has been kept for the year 2017-2018. Out of this ₹3,00,00,000/- will be borne by Government of India as its 60% share and ₹2,00,00,000/- by State Government as 40% share. The Scheme is very beneficial to the farmers for increasing production

(25)

Code No. 2-2-0169-2401-51-789-90-51
Name of the Scheme Support to State Extension Programme for Extension Reforms for Scheduled Caste Farmers.
Outlay ₹8,00,00,000/-

A Centrally Sponsored Scheme on 60:40 sharing basis has been approved by Govt. of India. The main object of the scheme is to benefit the farmers through Extension Officers by imparting training and involving them in exposure visits, Demonstrations, Study tours, Exhibitions etc. This entire gamut of extension related activities is broadly termed as ATMA Cafeteria. A new institutional arrangement in the form of ATMA at the district level was created for coordinating the extension activities. Similarly, State Institutes popularly known as HAMETI was entrusted with the task of training of Extension Officers and Scheduled Caste farmers at the State Level.

An outlay of ₹8,00,00,000/- has been kept for the year 2017-2018. Out of the said amount, ₹4,80,00,000/- will be borne by Government of India as its 90% share and ₹3,20,00,000/- by State Government as its 10% share.

(26)

Code No. 2-1-0173-2401-51-789-85-51
Name of the Scheme National Food Security Mission for Scheduled Castes.
Outlay ₹8,00,00,000/-

It is a Sharing basis Scheme for Scheduled category farmers in the ratio of 60:40.

The main objective of the Scheme is to increase area, productivity and production of wheat and pulses in the districts covered under the Mission, through area expansion and productivity enhancement in a sustainable manner in the identified districts, restoring soil fertility and productivity at the individual farm level, and enhancing farm level economy (i.e. farm profits) to restore confidence amongst the Scheduled Caste farmers. Wheat component of the Mission is being implemented in seven districts whereas pulse component is being implemented in all districts. Coarse cereals component is introduced from this year with the inclusion of five districts of the State. NFSM commercial component is also included in the Scheme for this year. The cropping system approach and inter-cropping of pulses with commercial crops especially cotton, jute and sugarcane leads to improve land use efficiency and better use of land and water resources. The main objectives of including commercial crop based cropping system are to utilize vacant inter-row space of commercial crops for growing pulses; to generate higher net returns and cultivable land utilization index as compared to mono-cropping; to improve soil fertility status; to facilitate IPM strategies and reduce pest incidence through cropping system approach; to demonstrate latest technologies of intercropping, seed production; and to implement need based interventions in cotton, jute and sugarcane crops.

The Scheme will be implemented in all districts of Haryana State. The head quarter of the Scheme will be at Panchkula. The Director General, Haryana will be the Controlling Officer.

An outlay of ₹8,00,00,000/- (₹4,80,00,000 as Centre Share and ₹3,20,00,000/- as State Share) has been provided for Scheduled Castes during the year 2017-2018.

PART-III-100% Centrally Sponsored Schemes

(27)

Code No. 3-1-0017-2401-51-105-94-51
Name of the Scheme Setting up of Biogas Plants
Outlay ₹3,00,00,000/-

It is a 100% Centrally Sponsored Scheme.

The main objectives of the Scheme are as under:-

1. Central subsidy to the different categories of beneficiaries on the rates fixed by the G.O.I. for various size of biogas plants.
2. Support fee to private entrepreneurs for turnkey jobs @ ₹ 700/- per unit actually set up.
3. Organizational support for organizing construction-cum-maintenance training courses.
4. Organizational support for organizing women and Refresher training courses.
5. Staff support will be given by State Govt. range.
6. There will be no income from the scheme.

An amount of ₹3,00,00,000/- has been provided for this scheme for the year 2017-2018.

(28)

Code No. 3-1-0057-2401-51-109-84-51
Name of the Scheme Scheme for National Project on Organic Farming
Outlay ₹50,00,000/-

It is a 100% Centrally Sponsored Scheme.

The main objective of the scheme is to cultivate the land and raising crops in a way to keep the soil alive and in good health. Organic farming helps in maintaining environment healthy by reducing level of pollution. It reduces the human and animal hazards by reducing the level of residue in the products.

Target will be achieved during the year 2017-2018. An amount of ₹50,00,000/- has been provided for the year 2017-2018.

(29)

Code No. 3-1-0013-2401-51-111-97-51
Name of the Scheme Timely Reporting of Estimates of Area on Production of Principal Crops in Haryana.
Outlay ₹50,00,000/-

It is a 100% Centrally Sponsored Staff Scheme.

This scheme is being implemented:-

1. To obtain reliable estimates of area under the principal crops soon after the Girdawari on priority in the selected village and estimates of production of principal crops covered by crop cutting surveys immediately after harvest.
2. To obtain differential estimates of irrigated and high yielding varieties area of principal crops.
3. To bring improvement in accuracy in the production statistics of crops by introducing intensive supervision of area enumeration work.

An amount of ₹50,00,000/- has been provided for this scheme for the year 2017-2018.

(30)

Code No. 3-1-0014-2401-51-111-96-51
Name of the Scheme Improvement of Crop Statistics
Outlay ₹60,00,000/-

It is a 100% Centrally Sponsored Staff Scheme.

The objectives and Performance of the Scheme are as under:-

1. To bring improvement in area statistics of the crops by conducting spot check of area enumeration carried out by the Patwaries in a set of random/selected villages.
2. To obtain information about trends in area of important crops.
3. To inspect crop cutting experiments in a pre-assigned sampled villages on randomized basis with a view to ascertain the quality of field work as well as to attempt estimates of yield rates for important crops grown in the State.
4. Tabulation and analysis of the supervised data both for State and Central sample will be done.

An amount of ₹60,00,000/- has been provided for this scheme for the year 2017-2018.

(31)

Code No. 3-2-0175-2401-51-789-86-51
Name of the Scheme Scheme for setting up of Biogas Plants for Scheduled Caste Farmers.
Outlay ₹1,00,000/-

It is a 100% Centrally Sponsored Scheme.

The main objectives of the Scheme are as under:-

1. Central subsidy to the different categories of beneficiaries on the rates fixed by the Government of India for various size of biogas plants.
2. Support fee to private entrepreneurs for turnkey jobs @ ₹ 700/- per unit actually set up.
3. Organizational support for organizing construction-cum-maintenance training courses.
4. Organizational support for organizing women and Refresher training courses.
5. Staff support will be given by State Govt. range.
6. There will be no income from the scheme.

An amount of ₹1,00,000/- has been provided for this scheme for the year 2017-2018.

.....

SOIL AND WATER CONSERVATION

(1)

Code No. or scheme	1-1-0121-2402-51-101-97-51
Name of the Scheme	Scheme for Integrated Watershed Development and Management Project in the State
Outlay	₹8,50,00,000/-

Explanation

a) Financing of the Scheme: This is a State Scheme.

b) Objectives of this Scheme

It is a technical State Scheme approved by State Government for the year 2012-13. Watershed development and management attains significance in the sustainable development of rain-fed areas and degraded lands due to water erosion. Watershed development programmes have brought significant all round development in the watershed areas and has changed socio-economic conditions of the poor farmers.

c) Targets achieve so far:

The scheme came in to existence during the 2012-13 & an area 7500 hect. has been covered under the scheme upto the year 2016-17. Need based Soil & Water Conservation activities like Water Harvesting Structure, Earthen Gully Plugs, Drop Structures, Retaining Wall, Crate Wire Structures and Check Dams etc. are taken up under this scheme.

d) Financial & Physical Targets for the year 2017-18:

It is proposed to treat 5200 hectare area with the need based soil and water conservation activities like water harvesting structures, falling under various watersheds during 2017-18. However a provision of ₹850,00,000/- is being made for the year 2017.18.

e) Quantum of Funds likely to be borne by GOI or by any external agency:

The whole amount will be borne by the State Govt.

f) Benefit of the Scheme:

The scheme will benefit large farming community with increased per unit productivity; socio-economic conditions of the poor farmers with improve Soil & Moisture conserve & employment generate for rural people.

g) Area of Operation

The scheme will cover the district of Ambala, Panchkula, Yamuna Nagar, Bhiwani, Hisar, Jhajjar, Fatehabad, Mahendergarh, Mewat, Gurgaon & Rewari districts. The shivalik area experience moderate to heavy rainfall (Annual around 1200mm) covering Ambala, Panchkula & Yamuna Nagar districts whereas, Bhiwani received minimum rainfall of around 350mm. Whereas, other districts also falls under the category of Semi-arid receiving rainfall around 500mm annually.

(2)

Code No.	1-1-0118-2402-51-102-80-51
Name of Scheme	Scheme for providing Assistance on Adoption of Water Saving Technology
Outlay	₹5,90, 00,000/-

Explanation

a) Financing of the Scheme: This is a State Scheme.

b) Objectives of this Scheme

It is State Plan scheme for implementation of different components viz adoption of water saving technologies, accelerated recharge of ground water & management of Natural Resources (Ground Water).

c) Targets achieve so far:

The scheme came in to existence during the 2006-07. Under this scheme Number of Roof top Rain Water Harvesting Structure constructed till 2015-16.

d) Financial & Physical Targets for the year 2017-18:-

It is proposed to construct 100 no. of Rooftop Rain Harvesting Structure, 150 no. of Peizometric tubes for strengthening of observation well network and installation of 50 no. digital data logger on existing Peizometric tubes for automatic recording of water level behavior during the year 2017-18. However a provision of ₹ 5,90,00,000/- is being made for -the year 2017-18.

e) Quantum of Funds likely to be borne by GOI or by any external agency:

The whole amount will be borne by the State Govt.

f) Benefit of the Scheme:

To monitor the water table behavior and artificial recharge to reduce the depleting rate of ground water table in the state.

(3)

Code No. or scheme	2-1-0122-2402-51-101-95-51
Name of the Scheme	Soil Health Card Scheme
Outlay	₹10,08,00,000/-

Explanation

a) Financing of the Scheme: This is a CSS Sharing Basis (60:40) Scheme.

b) Objectives of this Scheme

The main objective of the scheme is to provide Soil Health Cards to farmers in the State. To strengthen functioning of Soil Testing Laboratories, to diagnose soil fertility related constrains, to develop & promote soil test based nutrient management in the districts for enhancing nutrient use efficiency & capacity building in the districts

c) Targets achieve so far:

The scheme came in to existence during the 2015-16 ₹2.48 lakh Soil Health Cards have been provided to farmers in the State against the targets of ₹4.02 lakh so far.

d) Financial & Physical Targets for the year 2017-18:

It is proposed to provide ₹5.00 lakh Soil Health Cards during the year 2015-16. However a provision of ₹10,08,00,000/- lakh is being made for the year 2017-18.

f) Benefit of the Scheme:

The scheme will benefit the farmers in terms of improving soil fertility viz-a—viz increasing crop productivity. A farmer will also benefited by knowing the exact health of their soil and using balance dose of fertilizer.

Code No. or scheme	2-1-0120-2402-51-102-86-99
Name of the Scheme	Scheme for pilot project for the reclamation of saline soil and waterlogged land in the State
Outlay	₹4,50,00,000/-

Explanation

a) **Financing of the Scheme:** This is a State Scheme.

b) **Objectives & Performance of the scheme from its installation**

The preservation of the agricultural production capacity of agricultural land in the water logged/saline soils of Haryana, which is in danger of becoming unproductive and the improvement of the agricultural production of land that has already become unproductive because of water logging/salinity and consequently improvement in the socio economic condition of the rural people. Restoring land degradation due to Salinity/ Water logging and enhance production of agriculture crops.

c) **Targets achieved so far**

An area of 9836 hect. has been reclaimed since the inception of the scheme during the year 1994 in different districts of the state.

d) **Financial & Physical targets for the year 2017-18**

An area of 1350 hect. Is likely to be developed which is either totally barren or producing very little crops. However, a provision of ₹4,50,00,000/- is being made for the year 2017-18.

e) **Quantum of Funds likely to be borne by GOI or by any external agency:**

The whole amount will be borne by the State Govt.

f) **Benefit of the Scheme:**

The scheme will benefit large farming community with increased per unit productivity; socio-economic conditions of the poor farmers will improve a lot.

Part-II Sharing Basis

Code No. or scheme	2-1-0123-2402-51-102-77-51
Name of the Scheme	National Mission on Sustainable Agriculture
Outlay	₹8,00,00,000/-
Explanation	

a) **Financing of the Scheme:** This is a CSS Sharing Basis (60:40) Scheme.

b) **Objectives & Performance of the scheme from its installation**

To make agriculture more productive sustainable, remunerative and climate resilient by promoting location specific Integrated/composite Farming.

To conserve natural resources through appropriate soil and moisture conservation measures. To adopt soil health management practices based on soil fertility maps, soil test based application of macro & micro nutrients. To optimize utilization of water resources through efficient water management to expand coverage for achieving more crop per drop. To develop capacity of farmers and stake holders in conjunction with other ongoing mission. To improving productivity of rainfed farming and establish an inter and intra departmental/Ministerial coordination.

c) **Targets achieved so far**

An amount of ₹1,00,00,000/- has been released to the field factories with the targets to cover an area of 8000 hect.

d) Financial & Physical targets for the year 2017-18

The different activities will be carried out under this scheme. However, a provision of ₹8,00,00,000/- is being made for the year 2017-18.

e) Quantum of Funds likely to be borne by GOI or by any external agency:

60% amount will be borne by the GoI. The scheme is on 60:40 share basis.

f) Benefit of the Scheme:

The benefit of the scheme will be to make agriculture more productive, remunerative and climate resilient. Large farming community will be benefitted in terms of increased per unit productivity; socio- economic conditions of the poor farmers will also improve.

. (6)

Code No. or scheme	2-1-0000-2402-51-789- 99 -51
Name of the Scheme	National Mission on Sustainable for Agriculture for Scheduled Caste Farmers
Outlay	₹2,00,00,000/-

Explanation

a) Financing of the Scheme: This is a CSS Sharing Basis on (60:40).

b) Objectives & Performance of the scheme from its installation

To make agriculture more productive sustainable, remunerative and climate resilient by promoting location specific Integrated/composite Farming.

To conserve natural resources through appropriate soil and moisture conservation measures. To adopt soil health management practices based on soil fertility maps, soil test based application of macro & micro nutrients. To optimize utilization of water resources through efficient water management to expand coverage for achieving more crop per drop. To develop capacity of farmers and stake holders in conjunction with other ongoing mission. To improving productivity of rainfed farming and establish an inter and intra departmental/Ministerial coordination.

c) Targets achieved so far

This is a new scheme.

d) Financial & Physical targets for the year 2017-18

The different activities will be carried out under this scheme. However, a provision of ₹2,00,00,000/- is being made for the year 2017-18.

e) Quantum of Funds likely to be borne by GOI or by any external agency:

60% amount will be borne by the GoI. The scheme is on 60:40 share basis.

f) Benefit of the Scheme:

The benefit of the scheme will be to make agriculture more productive, remunerative and climate resilient. Large farming community will be benefitted in terms of increased per unit productivity; socio- economic conditions of the poor farmers will also improve.

(7)

Code No. or scheme	2-1-0000-2402-51-789- 98 -51
Name of the Scheme	Soil Health Card Scheme for Scheduled Caste farmers
Outlay	₹1,92,00,000/-

Explanation

a) Financing of the Scheme: This is CSS Sharing Basis on (60:40).

b) Objectives of this Scheme

The main objective of the scheme is to provide Soil Health Cards to farmers in the State. To strengthen functioning of Soil Testing Laboratories, to diagnose soil fertility related constraints, to

develop & promote soil test based nutrient management in the districts for enhancing nutrient use efficiency & capacity building in the districts

c) Targets achieve so far:

This is a new scheme.

d) Financial & Physical Targets for the year 2017-18:

It is proposed to provide 1.00 lakh Soil Health Cards during the year 2015-16. However a provision of ₹1, 92, 00,000/- is being made for the year 2017-18.

e) Quantum of Funds likely to be borne by GOI or by any external agency:

50% amount will be borne by the GoI. The scheme is on 50: 50 share basis.

f) Benefit of the Scheme:

The scheme will benefit the farmers in terms of improving soil fertility viz-a—viz increasing crop productivity. A farmer will also benefited by knowing the exact health of their soil and using balance dose of fertilizer.

HORTICULTURE

(1)

Code No. : 1-1-0021-2401-51-119-94-51
Name of the Scheme : Setting up of Directorate of Horticulture in Haryana.
Outlay : 2,90,00,000/-

SCHEME & BUDGET PROVISION: This is a State staff scheme. This scheme was started in the year 2005-06. For the year 2017-18 a budget provision of ₹2,90,00,000/- has been made.

i) Departmental Long Term Objective:

This scheme was launched to cater the salary and other wages for the newly sanctioned staff for the District Mewat, Panchkula and Palwal. Long term objective are as under:

- a) Diversification towards Horticulture Crops.
- b) To depute staff for extension services to farmers.

ii) Departmental Medium Term Objective (Five Years):

- a) To bring more area under Horticulture activities.
- b) Development of Marketing and Post-Harvest Management infrastructures.
- c) To create required facilities in the offices.
- d) To provide extension services to farmers.

iii) Annual Objective & Impact Expected:

1. To update Directorate Office and District administration regarding various extension activities and progress made under various schemes of Govt.
2. Special focus in Morni Block in District Panchkula for adoption of Horticulture activities.
3. Focus in Mewat District for marketing and post-harvest management infrastructural activities.
4. To implement State Schemes and Central Sector Schemes namely National Horticulture Mission, Micro Irrigation and National Medicinal Plants.
5. Maintenance of departmental infrastructure i.e. four residential quarters at Head Office, Administrative block, residential quarters, hostel, 17 Nos. of District Horticulture Offices and 24 nos. of Govt. Garden & Nurseries.

iv) Strategies:

Extension services shall be provided to the farmers for creating awareness about the benefits of horticulture sector. Farmers shall be motivated through awareness campaigns for adoption of horticulture activities. Financial assistance shall be provided to the farmers under various Centrally Sponsored Schemes.

Allocation requirements:

The proposed Scheme is meant for staff salary and maintenance infrastructural facilities for staff like construction of offices. The funds requirement of ₹3,20,00,000/- is assessed for the year 2016-17.

v) Role Out of the Scheme in Terms of Commencement of Activities/Projects:

With the launching of this scheme in the State the development under Horticulture has been increased manifold. Extension Officer is to reach the farmers at frequent intervals and transfer the scheme objectives and other activities to the farmers in more efficient manner.

vi) In House/Third Party Assessment Method:

This Scheme is meant for Staff Salary and infrastructure development for staff. The internal audit shall be carried out by Horticulture Department and Scheme audit shall be carried out by staff of Accountant General, Haryana.

vii) Physical Target

This is a staff scheme. However, some minor works are under taken, targets for the same for 2017-18 is under:

SN	Component	Targets
1	Minor Civil work at Field Level	Civil work for offices buildings at shall be taken as per the estimate submitted by the civil works department/board.

(2)

Code No. : 1-1-0025-2401-51-119-92-98
Name of the Scheme : **Scheme for Agricultural Human Resources Development- Establishment Expenses**
Outlay : 2,26,00,000/-

SCHEME & BUDGET PROVISION: - The State scheme was started in the year 2000-01. A provision of ₹2,26,00,000 has been made for the year 2017-18 and the whole fund shall be borne by State Govt. The substantial increase is due to new proposals for in fracture facilities and payments for Haryana Samvad.

i) Departmental Long Term Objective:

- a) To act as media for refreshing with latest technologies.
- b) To transmit the new technology to the farmers.
- c) To reduce the communication gap between the Horticulture Officers and farmers.

ii) Departmental Medium Term Objective (Five Years):

- a) To effectively develop the human and institutional capacity and Cooperatives for efficient and effective delivery of services.
- b) To effectively manage the utilization of human, financial, material and other resources in order to ensure the attainment of the overall objectives.
- c) Provision of administrative support services to the Departments.
- d) Effective development of human and institutional capacity.

iii) Annual Objective & Impact Expected:

- a) To train Officers/ Officials and farmers with the latest innovative technology in the field of Horticulture.
- b) Special Training to the women regarding post-harvest management in Horticulture crops.

iv) Strategies:

- a) Contribute to the eradication of hunger, food insecurity and malnutrition
- b) Increase and improve provision of goods and services from agriculture, forestry and fisheries in a sustainable manner
- c) Reduce rural poverty
- d) Enable more inclusive and efficient agricultural and food systems at local, national and international levels
- e) Increase the resilience of livelihoods to threats and crises
- f) Additional objective
- g) Technical quality, knowledge and services.

v) Role out of the scheme in Terms of Commencement of Activities/Projects:

- a) To increase in production and quality horticultural crops with decrease in post-harvest losses
- b) To train farmers at HTI, Uchani (Karnal) about horticulture technologies
- c) Weekly training programme at HTI, Uchani (Karnal).
- d) 6 months Gardener training programme HTI, Uchani (Karnal).
- e) 3 months entrepreneur course at HTI, Uchani (Karnal).

vi) Cash flow Requirement: For salary, the funds shall be required every month for which sanction of budget of whole year shall be required at the be at once in the beginning of the year. For other works the budget shall be required in stages, for which sanctions shall be carried out on case basis.

vii) Reporting system / Format: Reporting shall be made to Govt. in the prescribed formats as when required. However, budget utilization reports shall be online.

viii) In house/ Third party Assessment Method: The internal audit shall be carried out by Horticulture Department and Scheme audit shall be carried by staff of Accountant General.

- ix) **Physical Target:** Under AHRD training programs are organized at Horticulture Training Institute, Uchani, Karnal. The target for the year 2017-18 is as under:

SN	Component	Targets
1	No. of trainees	2400
2	One year diploma in Supervisor Course	One course (25 students)
3	Six months certificate course for Gardener	Two course (50 students)
4	Three months certificate course in Entrepreneurship	One course (25 students)
5	State Mela/Expos	5 nos.
6	Interstate Study Tour of farm	100 farmers
7	Foreign training program	10 persons
8	Awareness camps	275 nos.

(3)

Code No. : 1-1-0071-2401-51-119-70-51
Name of the Scheme : Scheme for Demonstration-cum-Food Processing Technology in Haryana
Outlay : 68,00,000/-

SCHEME & BUDGET PROVISION: - This State scheme was started in the year 2007-08 with the primary objective to conserve food and vegetable produce. A provision of ₹68,00,000/- has been made for the year 2017-18 and the whole fund shall be borne by State Govt.

i) **Departmental Long Term Objectives:**

- To aware farmers about post-harvest losses of horticultural crops. To educate the farmers especially ladies to be self-sufficient in preparation of fruit and vegetable products.
- To educate the farmers and make available them the infrastructural facilities with respect of value addition.
- To prepare the produce for local consumption.

ii) **Departmental Medium Term Objectives (5 Years Horizon):**

- Women, farmers, and entrepreneurs aware of post-harvest techniques about the losses in fruit and vegetable
- To provide the training regarding fresh fruit products.

iii) **Annual Objective & Impact Expected:**

- Training conducted on post-harvest management and Processing of horticulture crops.
- Regular training modules shall be provided.

iv) **Strategies :**

- To reduce the post-harvest losses to the fruits and vegetable.
- To provide the Healthy fruits and vegetable products.

v) **Roll Out of the Scheme in Terms of Commencement of Activities/ Projects:** Free trainees for one day training programme at the centre is being provided. Demonstration of various processed products is given on the spot.

vii) **Reporting system / Format:** Reporting shall be made to Govt. in the prescribed formats as when required. However, budget utilization reports shall be online.

viii) **In House/Third Party Impact Assessment Method:** The internal audit shall be carried out by Horticulture department and Scheme audit shall be carried by staff of Accountant General.

ix) **Physical Target:** Training programs are being organized at three Food Technology Centres. The target for the year 2017-18 is as under:

SN	Component	Targets
	No. of trainees (at three Centres)	3000 women and farmers

(4)

Code No. : 1-1-0081-2401-51-119-66-51
Name of the Scheme : **Scheme for Horticulture Bio-Technology Centre in Haryana State**
Outlay : 1,36,00,000/-

SCHEME & BUDGET PROVISION: - This state scheme was stated in the year 2008-09 with the primary objective of multiplication of plants through tissue culture technology and application of biotechnology in the field of horticulture. In the year 2016-17, a provision of ₹3,51,00,000/- was made and a full-fledged tissue culture laboratory in the name of Horticulture Biotechnology Centre is being established at Govt. Garden & Nursery, Shamgarh (Karnal). For the year 2017-18, the budget provision of ₹1,36,00,000/- is being made and the whole funds shall be borne by State Govt. The increase in budget is due to purchase of Equipments for lab and construction of Boundary Wall at the Farm.

i) Departmental Long term objectives:

- a) Enhanced production of quality planting material of potato
- b) DNA finger printing facility to monitor genetic fidelity
- c) Virus indexing facility
- d) Regional hardening facility

ii) Department Medium term objective:

- a) Accreditation of laboratory
- b) Enhanced Mini -tuber production of potato
- c) Micro- irrigation facility
- d) Processing facility for potato

iii) Annual Objective & Impact Expected:

- a) Multiplication of 10000 plants of Banana through tissue culture
- b) Multiplication of more than 100000 micro-plants of different varieties of potato
- c) Multiplication of mini -tubers in net house ,G1 ,G2,G3 crop in open field for mini-tuber of potato
- d) Impart training to potato seed growers of the state regarding hi-tech production

iv) Strategies:

The laboratory will be shifted to the newly constructed building at Shamgarh and micro-plants of potato shall be multiplied through plant tissue culture technique. Initial cultures of potato shall be brought from CPRI, Shimla Mini-tuber production of G1, G2, and G3 generations shall be taken up in net houses and open fields. In addition collaborative trials with International Potato center and CPRI shall be conducted. Potato seed tubers shall be stored in the newly developed cold storage facility at the farm and help in reducing storage losses . Allocation requirements: For implementation of new initiatives, a budget provision of Rs.351.00 lakhs is purposed for the year 2016-17.

v) Role out of the scheme in Terms of Commencement of Activities/Projects:

With the introduction of this scheme there will be rapid mass multiplication of quality planting material of economically important of horticulture crops through the use of plant tissue culture technique and potato mini- tubers production. Also lesser exposure to field conditions and therefore, less chance of virus infection. Under this programme mini- tubers of potato and tissue culture plants of banana have been produced and distributed to the farmers since 2008-09.

vi) Cash flow Requirement:

For salary , the funds shall be required every month for which sanction of budget of whole year shall be required at the be at once in the beginning of the year. For other works the budget shall be required in stages, for which sanctions shall be carried out on case basis..

vii) Reporting system / Format:

Reporting shall be made to Govt. in the prescribed format as and when required. However, budget utilization reports shall be online.

viii) In house/ Third party Assessment Method:

The internal audit shall be carried out by Horticulture department and Scheme audit shall be carried by staff of Accountant General.

x) **Physical Target**a) **Anticipated achievements of 2015-16:**

Seed Potato Production: 5000 qtl.

Mini tuber production: 5,00,000 nos.

Micro plants production: 100000 nos.

Area under seed potato crops: 76 acres

b) **Target for 2017-18**

(5)

Code	:	1-1-0091-2401-51-119-65-51
Name of the Scheme	:	Scheme for Integrated Horticulture Development in Haryana State
Outlay	:	₹11,00,00,000/-

SCHEME & BUDGET PROVISION: This Scheme is planned on the pattern of National Horticulture Mission and operational in three major districts namely Kaithal, Faridabad and Rewari. The assistance given to the farmers on various components viz. area expansion under fruits, vegetables spices and flowers, Creation of Water sources, Protected cultivation, INM, IPM etc. In addition to this the component of promotion of onion crop and promotion of mushroom cultivation in the State have also mentioned. The promotion of horticulture in Shivalik area has also incorporated in the AAP for three Districts i.e. Panchkula, Ambala and Yamunanagar. Assistance percentage available under this scheme is raises from 25% to 100% depending upon the component. For the year 2017-18, an amount of ₹11,00,00,000/- has been provided under this scheme.

i) Departmental Long term objectives:

- a) To make horticulture a profitable diversified farm activity for farmers.
- b) To achieve potential productivity through sustained and advanced technologies.
- c) To provide nutritional security to the masses.

ii) Department Medium term objective:

- a) To enhance production by increasing productivity per unit area.
- b) To minimize the post-harvest losses and to promote Agro processing industries for developing domestic market and also to earn foreign exchange.
- c) To provide elite and disease free quality planting material.

iii) Annual Objective & Impact Expected:

- a) To implement various horticulture activities in the specified area.
- b) To promote formation of Farmer Interest Groups (FIG) and Farmer Producer Organizations (FPO).
- c) To introduce and promote latest technologies in horticulture including plasticulture, mechanization etc.

iv) Strategies: Various horticulture activities under the Annual Action Plan shall be undertaken. Farmers shall be motivated to adopt new technologies like protected cultivation etc. Technical know-how and extension services shall be provided to the farmers about new technologies through field visits and other exposure programmes. Assistance as per norms shall be given to farmers to encourage them for horticulture programmes.

v) Role out of the scheme in Terms of Commencement of Activities/Projects:

The scheme shall be implemented in three districts namely Faridabad, Rewari and Kaithal, which are not covered under MIDH in the state. The execution of scheme shall be implemented at distt. level and shall be monitored by State Headquarter. The norms and guidelines as framed by GOI shall be applicable. The benefits which were seen in NHM Districts especially with regard development of clusters and creation of infrastructure in horticulture shall be replicated in the non NHM. Further, for promotion of onion crop and mushroom cultivation in the State the subsidy provision have also kept for the benefit of farmers. Under promotion of Horticulture in Shivalik Area in District Panchkula, Ambala and Yamunanagar special benefit will be given to the farmers in this area.

vi) Reporting system / Format:

Reporting shall be made to Government in the prescribed format as and when required. However, budget utilization reports shall be made online.

vii) In house/ Third party Assessment Method: The internal audit shall be carried out by Horticulture department and Scheme audit shall be carried by staff of Accountant General.

ix) Physical Target:

SN	Component	Targets 2017-18
1	Area expansion under fruits, vegetables, spices, flowers etc.	As per action Plan for the year 2017-18
2	Protected cultivation	
3	Cultivation of High value vegetables/flowers under protected cultivation	
4	Water tanks (nos.)	
5	Promotion of IPM/INM	
6	Vermi-compost unit (nos.)	
7	Honey bee colonies/bee hives (nos.)	
8	Exposure visit (nos.)	
9	Pack house (nos.)	
10	Low cost onion storage	
11	Promotion of Onion crops in the state (ha.)	
12	Promotion of Horticulture in Shivalik Area (Panchkula, Ambala & Yamunanagar)	
13	Promotion of Mushroom cultivation in the State	

(6)

Code No. : 1-1-0161-2401-51-119-61-51

Name of the Scheme : **Scheme for Good Agricultural Practices and Effect of Pesticide Residue on Fruits & Vegetables**

Outlay : **1,50,00,000/-**

SCHEMES & BUDGET PROVISION : This State Scheme was stated in the year 2012-13 with the objective to educate farmers and entrepreneur about minimum use of pesticides in Haryana by adopting Good Agricultural Practices by ensuring environmental, economic and social sustainability. Hon'ble Punjab & Haryana High Court has taken serious view of higher level of pesticide residue in fruits and vegetables. It was learnt that pesticides residue laid is 200 times more in fresh fruits and vegetables. Farmers are adopting these practices to increase the production level by containing insect pest and disease population and further due to poorer awareness among growers, level and method adopted for using pesticides in unorganized way. For the year 2017-18, an amount of ₹1,50,00,000/- has been provided under this scheme and the whole funds shall be borne by State Government.

i) Department Long Term Objective:

- To make aware about the safe use of pesticides to various stakeholders i.e growers, vendors, pesticide firms and dealers.
- To promote Good Agricultural Practices & Organic way of farming
- To promote Good Agricultural Practices in the use of insecticides, fungicides and herbicides and implement GAP component of the various schemes.
- To provide organic farming in the state and to implement organic component of various schemes.
- To monitor maximum residual limit of various pesticides being used in F&V by collecting and analyzing samples at regular intervals.

ii) Departmental Medium Term Objective (5 Years Horizon):

- Promotion to organic way of farming will get boost and chemical free produce may be make available in the market.
- Horticulture produce from the State of Haryana will be more acceptable in the domestic market and export market can be catered along with.

iii) Annual Objective & Impact Expected:

- To conduct seminar/ workshop/trainings/awareness campaigns regarding ill-effect and to promote safe use of pesticides.
- Farmers will aware and learnt the safe use of chemical pesticides and fertilizers to that their presences remain under tolerance limit.
- To provide the pesticide free Vegetable to people of Haryana.

- iv) **Strategies:**
- Extensive awareness programme conducted along with promotion of organic farming and certification.
 - Seminar/workshop/training will be conducted throughout the state.
 - Samples be taken from the field.
 - To track on the residual limit in the fruits and vegetables.
- v) **Roll out of the Scheme in Terms of Commencement of Activities/Projects:**
To provide the extension awareness programme will be conducting along with promotion of organic farmer and certification.
- vi) **Cash Flow Requirement:**
For salary, the funds shall be required every month for which sanction of budget of whole year shall be required at the be at once in the beginning of the year. For other works the budget shall be required in stages, for which sanctions shall be carried out on case basis.
- vii) **Reporting System/Format:**
Reporting shall be made to Govt. in the prescribed formats as when required. However, budget utilization reports shall be online.
- viii) **In House/Third Party Impact Assessment Method:**
The internal audit shall be carried out by Horticulture department and Scheme audit shall be carried by staff of Accountant General.
- ix) **Physical Target**

SN	Component	2017-18 Targets
1	Awareness visits and camps (nos.)	120
2	Collection of samples for testing of pesticide residue (nos.)	500
3	Seminar (nos.)	5
4	Field days	22
5	IPM (Pheromone Traps) (ha.)	600
6	e-surveillance	10
7	Radio	10

Code No. : 1-1-0153-2401-51-119-60-51
Name of the Scheme : Scheme for Information Technologies in Horticulture
Outlay : ₹1,25,00,000/-

SCHEMES & BUDGET PROVISION : This is a State Scheme. As per IT Plan of Horticulture Department, the various horticulture activities are to be IT enabled. In this direction various steps have already been taken and to accomplish objectives of the scheme a staff has been engaged as envisaged in IT Plan. Therefore, for implementation new initiatives a budget provision of ₹1,25,00,000/- has been made for the year 2017-18.

- i) **Departmental Long Term Objective:**
- To brought Horticulture activities under e-governance.
 - To implement Horticulture Programmes through online system.
- ii) **Departmental Medium Term Objective:**
- To make Horticulture Department IT enabled.
 - To start implementation of Horticulture Programmes through online system.
- iii) **Annual Objective& Impact Expected:**
- To launch Horticulture web site and to update it regularly.
 - To have online progress updating and monitoring of various schemes of Govt.
 - To have regular maintenance work in various offices of the Department by IT Staff.
- iv) **Strategies:**
With the involvement of National Informatics Centre (NIC), various activities shall be brought under e-governance. Centrally Sponsored Schemes MIDH shall be implemented through HORT-NET and Micro Irrigation Programme under National Mission for Sustainable Agriculture (NMSA) shall be implemented through MI-NET. Maintenance of IT System and computerization shall be through HARTRON.

- v) **Role Out of the Scheme in Terms of Commencement of Activities/Projects:**
This scheme will benefit speedy transaction of information among various field offices and in between Directorate office and extension offices. The farmers of the State may have direct access about various programmes of the Department and can down load or up load various information and necessary formats for applications to avail the benefit under various schemes.
- vi) **Cash Flow Requirement:**
For salary, the funds shall be required every month for which sanction of budget of whole year shall be required at once in the beginning of the year. For computerization and online system, the budget shall be required in stages, for which sanctions shall be required on case basis.
- vii) **Reporting System/Format:**
Reporting shall be made to Govt. in the prescribed formats as and when required. However, budget utilization reports shall be available online.
- viii) **In House/Third Party Assessment Method:**
The internal audit shall be carried out by Horticulture Department and Scheme audit shall be carried out by staff of Accountant General, Haryana.
- ix) **Physical Target**

SN	Component	2017-18 Targets
1	Computers/laptops& Hardware (nos.)	50
2	Internet connectivity (nos).	28 locations
3	Bio-metric attendance devices	125
4	SFACH website	1
5	E-Governance Projects (Nos.)	3

(8)

Code No. : 1-1-0160-2401-51-119-59-51
Name of the Scheme : Scheme for Strengthening of Horticulture
Outlay : ₹9,00,00,000/-

SCHEMES & BUDGET PROVISION : This is a State staff scheme. This scheme was started in the year 2014-15. For the year 2017-18, a budget provision of ₹9,00,00,000/-has been made.

- i) **Departmental Long Term Objective:**
- To strengthen departmental infrastructure with adequate staff.
 - To increase work efficiency and area under horticulture activities.
- ii) **Departmental Medium Term Objective:**
- To implement various programmes in efficient and effective manner.
 - To create necessary infrastructure in the Department.
 - Doubling of horticulture production in the next 6 years thereby ensuring nutrition security.
 - To make Haryana as Modern Fruit & Vegetable Cultivation in the State with a vision to lead in domestic and export market by incorporating various components and thereby providing for reaching benefits to the State.
- iii) **Annual Objective & Impact Expected:**
- To provide extension services to the farmers.
 - To start awareness campaigning in the field.
 - To create infrastructure like offices for the staff under Scheme.
 - To deploy staff on contract against vacant post for smooth implementation of departmental programmes till arrangement of regular staff.
 - To give focus on water conservation techniques.
 - To introduce new technologies in the field of protected cultivation.
 - To focus on post-harvest management, marketing and processing of horticultural crops.
 - To implement objectives of new projects envisaged under Indo-Israel, Organic, Flower and other projects.

- iv) **Strategies:**
Staff salary posted against the vacant post through transfer, new appointments and on contract basis till the arrangement of regular staff through new appointments. The posted staff shall start monitoring of departmental programmes and organized campaigns for awareness of Schemes amongst the farmers. Required extension services shall be provided to the farmers with technical know-how.
- v) **Role Out of the Scheme in Terms of Commencement of Activities/Projects:**
- Doubling of horticulture production in the next 6 years thereby ensuring nutrition security.
 - Optimal use of basic natural resources thereby saving the ever depleting natural resources like water and soil.
 - Improvement in productivity, yield and quality of horticulture produce and thereby reaching to large masses and nutritional security.
 - Increase in economic status and thereby increase in income per unit of the farmers.
 - Creation of export potential and earning of foreign exchange to enhance the GDP of the State.
- vi) **Reporting System/Format:**
Reporting shall be made to Govt. in the prescribed formats as and when required. However, budget utilization reports shall be made available online.
- vii) **In House/Third Party Assessment Method:**
The internal audit shall be carried out by Horticulture Department and Scheme audit shall be carried out by staff of Accountant General, Haryana.
- viii) **Physical Target**
This is a staff scheme. However, some minor works are under taken, targets for the same for 2017-18 is under:

Component	Targets
Minor Civil work at all Field Offices & Centres	Civil work for offices buildings at shall be taken as per the estimate submitted by the civil works department/board.

(9)

Code : 1-1-0160-2401-51-119-58-51

Name of the Scheme : **Scheme for promotion of Advanced National & International Technologies in Horticulture Sector**

Outlay : ₹9,00,00,000/-

Department is now collaborating with International Agency in the field of Horticulture of transfer of International Technologies in the State of Haryana with an objective to increase production and productivity of the corps. This is a scheme for promotion of advance National & International Technologies in horticulture sector. For the year 2017-18, a budget provision of ₹9,00,00,000/-has been made.

- i) **Departmental Long Term Objective:**
- Diversification through National & International Horticulture Technology.
 - Study and import of suitable advanced technologies.
 - To create Advanced marketing infrastructure.
- ii) **Departmental Medium Term Objective (5 Years Horizon):**
- To bridge productivity and quality gap of horticulture produce.
 - To provide the good quality planting material to the farmers.
 - To introduce new varieties of horticulture crops in the State of Haryana.
 - To minimize the post - harvest losses.
- iii) **Annual Objective& Impact Expected:**
- To demonstrate technologies at Govt. and farmers field.
 - To trained the crop specific specialist in the concerned field.
 - To analysis the quality parameters of the horticulture produce at Govt. fields.
 - To trained the farmers regarding National & International technologies for increase in production for raise per unit income of farmers.
 - To promote farmer groups and collective marketing.
 - To create awareness amongst the farmers use of new horticulture technologies.

- iv) **Strategies:** Establishment of new International technologies in Horticulture and development of Post –harvest management technologies and Marketing Infrastructure. Policies to develop more such projects with International technologies.
- v) **Roll Out of the Scheme in Terms of Commencement of Activities/Projects:** There is tremendous benefits to the Staff of the State department of horticulture, Scientist, Department of horticulture, Haryana Agriculture university and farmers to learn new International & National technologies can compared and new horticulture crop, varieties can be tasted and demonstrated for adaptability under Haryana condition..
- vi) **Reporting System/Format:** Reporting shall be made to government in prescribed formats as and when required. The monthly progress report collected from Project Officer of the centers and compilation of report at H.Q. level. However, budget utilization report shall be available by budget branch.
- vii) **In House/Third Party Assessment Method:** For the Inspection purpose, time to time visit by the consultants as well as International Experts visit on these projects and also inspection done by the HQ level. Internal Audit shall be carried out by Accounts Officer deputed by Horticulture Department and scheme audit shall be carried out by the staff of Accountant General, Haryana.
- ix) **Physical Target:** This is a staff scheme. However, some minor works are under taken, targets for the same for 2017-18 is under:

SNo.	Component	2017-18 (Target)
1	Minor Civil work at Field Offices.	Civil work for offices buildings at shall be taken as per the estimate submitted by the civil works department/board.
2	Production of fruit plants (grafted/budded) - (nos.)	3.00 lacs
3	Production of fruit plants (seedling)– (nos.)	5.00 lacs
4	Production of vegetable seedling (nos.)	80.00 lacs
5	Supply of hybrid vegetable seedlings on subsidy (nos.)	50.00 lacs

(10)

Code No. : 1-1-0180-2401-51-119-54-51
Name of the Scheme : On-Farm & Marketing Support to Horticulture Farmers.
Outlay : ₹50,00,00,000/-

SCHEMES & BUDGET PROVISION : This is a State Scheme. The whole expenditure shall be borne by the State Government in the form of assistance to the farmers on the innovative components which are not started so far in the State. Therefore, for proper for promotion of innovative component as farm supports in the interest of farmers a budget provision of ₹50,00,00,000/- has been made for the year 2017-18.

- i) **Departmental Long Term Objective:**
- To promote horticulture activities with the involvement of latest technologies.
 - To promote use of solar energy in horticulture activities.
- ii) **Departmental Medium Term Objective (5 Years Horizon):**
- To explore advantages of new technologies in Horticulture Sector.
 - To encourage the farmers for adoption of new technologies.
 - To make new technologies sustainable.
- iv) **Annual Objective& Impact Expected:**
- To harness solar energy from atmosphere for farm uses like power supply to operate tubewell & micro irrigation systems round the year.
 - To maintain the eco-environment by promotion of solar energy and reduction in diesel use.
 - To promote crop cultivation in poly houses round the year and reduction of glut in the market.
 - To provide post- harvest management facilities to farmers.
 - To promote idea of self-retailing by farmers for more remuneration and employment to youth.
- v) **Strategies:** Farmer shall be acquainted with new technologies like solar energy, protected cultivation and post-harvest management technologies etc. On Farm Support shall be

provided to the farmers for adoption of new technologies and farmers shall be encouraged for retail marketing.

- vi) **Role Out of the Scheme in Terms of Commencement of Activities/Project:** Farmers may be able to supply power to the tubewell/poly houses/irrigation systems through solar system round the year as per crop requirement. Harnessing of solar energy from atmosphere shall provide the powers for use of farms and it shall help in maintaining the eco-environment as well. Crop cultivation in poly houses round the year and reduction of glut in the market shall be resulted. Farmers will get more remuneration through self-retailing. Post-harvest losses shall be minimized.
- vii) **In House/Third Party Assessment Method:** This Scheme is meant for subsidy to farmers. The internal audit shall be carried out by Horticulture Department and Scheme audit shall be carried out by staff of Accountant General, Haryana.
- viii) **Physical Target:** It is a new scheme, under which following physical targets are proposed for the year 2017-18.

SN	Component	2017-18 Target
1	Strengthening of Baagwani Clusters & Centres for market linkages	(Units)
i)	Marketing Professional	21
ii)	Pack House operation professional	21
iii)	Horticulture Workers	140
iv)	Equity Grant share	8
2	Infrastructure Development of CCDP Centres	
i)	Collection Centre, Pack-house, grading packing machines, cold rooms, refer vans, ware hose	30
ii)	Primary processing units	20
iii)	Waste-bye-product, management	21
iv)	E-marketing platforms	21
v)	Retail outlets	21
vi)	Mobile retail Vans	21

(11)

Code No. : 1-1-0179-2401-51-119-53-51
Name of the Scheme : Establishment of Horticulture University
Outlay : ₹1,00,000/-

SCHEME & BUDGET PROVISION: This is a State scheme. This scheme is being launched during 2017-18 with a budget provision of ₹1,00,000/-.

- i) **Departmental Long Term Objective:**
a) Enhancement of education and knowledge in Horticulture Sector.
b) Research & Development.
- ii) **Departmental Medium Term Objective (5 Years Horizon):**
a) Innovation of new technologies and specific technical back-up in Horticulture field.
b) Diversification towards Horticulture.
c) Development of Marketing and Post-Harvest Management infrastructures.
d) Graduation and Post-Graduation study programmes.
- iii) **Annual Objective& Impact Expected:**
a) To hire consulting agency for DPR.
b) To identify area for setting up of university.
c) To make Master Plan for university.
d) To start civil works.
- iv) **Strategies:** Detail project reports shall be prepared with the help of consulting agency and Master Plan shall be prepared. Work shall be started according to Master Plan with the involvement of various institutions like CCS HAU, IARI, UHF-Nauni (Solani), Horticulture Department etc.
- v) **Role Out of the Scheme in Terms of Commencement of Activities/Projects:**
State and Country shall be benefitted with the advanced technologies, employment opportunities, education and knowledge etc. Horticulture sectors shall lead in the national economy with improvement in socio economic status of farmers.
- vi) **Reporting System/Format:** Reporting shall be made to Govt. in the prescribed formats as and when required. However, budget utilization reports shall be available online.

vii) **In House/Third Party Assessment Method:** The internal audit shall be carried out by Horticulture Department and Scheme audit shall be carried out by staff of Accountant General, Haryana.

viii) **Physical Target**

SN	Component	2017-18 Targets
1	Grant-in-aid	Establishment of Horticulture University.

(12)

Code No. : 1-2-0083-2401-51-789-98-51
Name of the Scheme : Integrated Horticulture Development Scheme of Scheduled Caste Families(SCSP Component)
Outlay : ₹4,00,00,000/-

SCHEME & BUDGET PROVISION: - The State Scheme was started in the year 2007-08. For the year 2017-18, a budget provision of ₹4,00,00,000/- has been made under this scheme.

i) **Departmental Long Term Objective:**

- To encourage the SC farmers to take horticultural crops as an option.
- To acquaint the SC farmers about the latest technologies in the field of Horticulture.
- To increase the income of the land of SC families by way of increasing output by adopting various horticultural crops.

ii) **Departmental Medium Term Objective:**

- To increase area under Horticulture Crops.
- To increase income and generate employment opportunities for SC families.
- To create awareness among SC farmers/families through training, exposure visit & seminars / workshops.

iii) **Annual Objective & Impact Expected:**

- To increase area under Horticulture Crops.
- To motivate SC farmers/families for adoption of latest Horticulture Technologies.
- To provide extension services to SC farmers.

iv) **Strategies:**

- To give quality planting material and other inputs of mushroom, vegetable seeds and also to provide trainings on different aspects.
- Diversification from Agricultural Crops to other cash crops like fruit, vegetable, flowers etc.
- The SC families which have less land holdings in the State can be benefited by Horticultural Crops which are more employment generating and remunerative.

Roll out of the Scheme in Terms of Commencement of Activities / Projects: This scheme was in operation since 2007-08 in the state. During the year 2017-18, the proposed activities for the benefit of SC Families are Mushroom Trays, Hybrid vegetable cultivation, stacking in vegetables, construction of low cost poly tunnels and Cultivation of high value vegetables in low cost poly tunnels.

v) **In House / Third Party Impact Assessment Method:** Yet, there is no provision of third party assessment of the scheme but monitoring of the scheme will be carried out by the Department Officers on District and H.Q. level and scheme audit shall be carried out staff of Accountant General Haryana.

vi) **Physical Target**

SN	Component	2017-18 phy. Targets	Proposed Amount (Rs.)
1.	Mushroom trays (nos.)	44104	11908000
2.	Stacking in Vegetables (0.5 acre)	220	5500000
3.	Cultivation of Hybrid Vegetables (acre)	440	7040000
4.	Low cost Poly House (sqm)	32000	11520000
5.	High Value Vegetable cultivation in Low Cost Poly Tunnel (sqm)	32000	4032000
	Total		40000000

PART-II-Centrally Sponsored Sharing Basis Schemes

(13)

Code No.	:	2-1-0000-2401-51-119-91-51
Name of the Scheme	:	Scheme for the Market Intervention for Procurement of grapes and Kinnow, Malta Renamed as Market Intervention and Price Stabilization.
Outlay	:	₹2,00,000/-

SCHEMES & CORPUS FUND : This is a Centrally Sponsored (50:50) sharing Basis Scheme. Prices of some of the horticultural commodities especially onion and potato are highly volatile. At the harvest time and soon after steep fall in the wholesale and retail price is normally observed. With depletion of the stored stocks, the prices tend to increase. Abnormal increase in the prices of these commodities affects the consumers by way of increase in food consumption budget, while a decrease in prices below the cost of cultivation affects the producers/ farmers. Moreover, horticulture commodities are not covered under the minimum support price mechanism.

CORPUS FUND: For providing working capital to eligible agencies to enable procurement of horticulture produce, a corpus of Rs. 150.00 lacs is created at Central Government level. State Government have to procure the commodities at its own level (i.e. fund have to manage by the State Government). From the corpus fund interest free working capital advance will be provided to the State Government. Advance received cannot be utilized for any purpose by any recipient agency. Losses if any incurred by Central Government agency on account of intervention in the Scheme will be met out from this fund. Losses incurred in case of intervention by State Government, the State Government agency will be met to the extent of 50% only.

i) Objectives:

- i. To protect farmers from distress sale of selected horticulture commodities.
- ii. To promote direct purchase by identified/ designated Central/ State agencies from farmers/ farmers association
- iii. To maintain a strategic buffer stock that would discourage hoarding and unscrupulous speculation
- iv. To supply such commodities at reasonable prices through calibrated release of stock and their proper distribution.

ii) Strategies:

To mitigate hardship to both, consumers as well as farmers a new Central Sector Scheme providing working capital and other incidental expenses for procurement and distribution of perishable horticultural commodities has been approved. For this purpose, a corpus – price stabilization fund is being created. The intervention is expected to regulate price volatility through procurement by Central/ State Government agencies of selected produce, maintenance of buffer stock and regulated release into the market.

iii) Allocation requirements:

The proposed scheme is meant to provide remunerative prices to the farmers and the consumers. As minimum support price has not been provided for horticulture commodities. An amount of Rs. 3.00 crore approximately required for procurement of 40000 quintals of potato @ Rs. 800 per quintals. For onion if quantities of 40000 quintals have to be procured @ Rs. 10 per kg then the Rs. 4.00 crore required. Therefore, the total requirement of procurement of Potato & Onion will be round about Rs. 7.00 crores.

iv) Role Out of the Scheme in Terms of Commencement of Activities/ Project:

Farmers may be able to get remunerative prices of their produce. To provide remunerative prices of horticulture commodity not only to the farmers but consumers also. It will encourage the farmers to grow more potato and onion in the State which in turn will enhance the socio-economic status of the farming community.

v) Cash Flow Requirement:

The assistance will be provided to the farmers at the time of procurement of their produce. As potato is grown once and onion twice in the year. Therefore, it will be better for the farmers to get the cost of their produce thrice in a year.

vi) Reporting System/ Format:

Reporting shall be made to Government in the prescribed format as and when required. However, budget utilization reports shall be available online.

For the year 2017-18, a budget provision of ₹2,00,000/- is being provided.

(14)

Code No. : 2-1-0061-2401-51-119-72-51
Name of the Scheme : Scheme on Micro Irrigation
Outlay : ₹88,80,00,000/-

SCHEME & BUDGET PROVISION: This is a Centrally Sponsored (60:40) Sharing Basis scheme. This scheme was started in the year 2006-07. The assistance under the scheme is 70% for small & Marginal farmers and 60% for other farmers. For the year 2017-18, a budget provision of ₹88,80,00,000/- is being provided out of which ₹44,00,00,000/- will be borne by Government of India and ₹44,80,00,000/- will be kept as State Share.

Departmental Long Term Objective:

- a) Water conservation through micro irrigation technologies.
- b) To convert un-irrigated area into irrigated area.

i) Departmental Medium Term Objective:

- a) To enhance water use efficiency.
- b) To save water, energy and labour.
- c) Increase yield and quality of produce.
- c) To create employment opportunities for skilled & un-skilled persons specially unemployed youths.
- d) To impact the performance of related sectors viz. irrigation and water resources sector, fertilizer sector, power sector, banking sector, agriculture sector, forest and environment sector, petroleum sector and petrochemical sector

ii) Annual Objective & Impact Expected

- a) To increase area under Micro Irrigation.
- b) To motivate farmers for adoption of micro irrigation technologies.
- c) To create awareness amongst the farmers for the use of micro irrigation technologies.
- d) To provide extension services to farmers.

iii) Strategies:

Awareness shall be created amongst the farmers for adoption of micro irrigation technologies. Various sources shall be made available to farmers for getting micro irrigation system. Assistance shall be provided to farmers as per norms and guidelines of Scheme.

iv) Role Out of the Scheme in Terms of Commencement of Activities/Projects:

There is tremendous benefit of water saving by adopting this technology and saving of 25-50% in water, 20-30% in fertilizers and increase in 20 to 60% in productivity has been noticed.

v) Cash Flow Requirement:

For salary, the funds shall be required every month for which sanction of budget of whole year shall be required at once in the beginning of the year. For subsidy the funds shall be demanded after release of Government of India. Finance Department shall have to release subsidy share of both Centre and State to State Micro Irrigation Committee in the form of grant-in-aid.

vi) In House/Third Party Assessment Method: For the inspection purpose, NABARD Consultancy Services shall be engaged. Internal audit shall be carried out by Accounts Officers deputed with Horticulture Department and Scheme audit shall be carried out by the staff of Accountant General Haryana.

vii) Physical Target

SN	Component	Targets 2017-18
1	Horticulture Drip Irrigation/Mini Sprinkler	17000 ha
2	Agriculture Drip Irrigation /portable Sprinkler	13000 ha

(15)

Code No. : 2-1-0070-2401-51-119-69-51
Name of the Scheme : Scheme for National Horticulture Mission
Outlay : ₹141,90,00,000/-

SCHEME & BUDGET PROVISION: This is a Centrally Sponsored (60:40) Sharing Basis scheme. For the year 2017-18, a budget provision of ₹141,90,00,000/- is being provided out of which ₹76,80,00,000/- will be borne by Government of India and ₹65,10,00,000/- will be kept as State Share.

i) Departmental Long Term Objective:

- a) To make horticulture a profitable diversified farm activity in increasing income of the farmers by achieving potential productivity through sustained and advanced technologies.
- b) Diversification from Agriculture to Horticulture.
- c) To provide nutritional security to the masses.

ii) Departmental Medium Term Objective (5 Years Horizon)

- a) To enhance production by increasing productivity per unit area.
- b) To promote formation of Farmer Interest Groups (FIG) and Farmer Producer Organizations (FPO).
- c) To introduce and promote latest technologies in horticulture including plasticulture, mechanization etc.
- d) To minimize the post-harvest losses and to promote Agro processing industries for developing domestic market and also to earn foreign exchange.

e) To provide elite and disease free quality planting material.iii) Annual Objective& Impact Expected:

- a) To achieve physical and financial targets as per MIDH Annual Action Plan 2016-17.
- b) To expedite the work at Govt. Centers and nurseries viz. CSTF, Ladwa, Kurukshetra, IBDC, Ramnagar, Kurukshetra, GDC, Bhuna, Fatehabad etc.
- c) To generate employment opportunities for skilled and unskilled manpower.
- d) To meet out domestic demand of fresh fruits & vegetables.
- e) To promote public-private-farmer-partnership in horticulture activities.
- f) Support capacity-building and Human Resource Development at all levels.

iv) Strategies: To achieve above objectives, the mission will adopt the following strategies:

- a) Adopt an end-to-end holistic approach covering pre-production, production, post-harvest management, processing and marketing to assure appropriate returns to growers/producers;
- b) Promote new technologies for cultivation, production, post-harvest management and processing with special focus on cold chain infrastructure for extending the shelf life of perishables;
- c) Improve productivity by way of quality through:
 - i. Diversification, from traditional crops to plantations, orchards, flowers, vegetable gardens.
 - ii. Extension of appropriate technology to farmers for high-tech horticulture including protected cultivation and precision farming.

v) Rollout Of The Scheme In Terms Of Commencement of Activities/Projects:

The scheme shall be implemented in eighteen districts (all distts. except Faridabad, Rewari and Kaithal) of the state. The annual action plan from all the district offices has been received and the budget shall be released in consonant with the sector wise requirement with the onset of Financial year 2017-18. The execution of scheme shall be implemented at distt. level and shall be monitored by State Headquarter. The norms and guidelines as framed by GOI shall be applicable.

vi) Reporting System/Format:

The reporting of this scheme is being maintained on web portal of NIC
<http://nhm.dacnet.nic.in>

viii) In House/Third Party Impact Assessment Method: In house/Third Party impact assessment is being conducted by an independent agency from time to time. In year 2017-18 the impact assessment shall be conducted as per Govt. instructions.

ix) Physical Target

Physical Targets (2017-18)
As per Action Plan for the year 2017-18 on the components viz. nursery, plantation, water resources, protected cultivation, organic, mechanization, PHM, Marketing and HRD.

(16)

Code No. : 2-1-0089-2401-51-119-63-51
Name of the Scheme : Scheme for Horticulture Crop Insurance in Haryana sharing basis 50:50
Outlay : ₹2,00,000/-

SCHEME & BUDGET PROVISION: This Centrally Sponsored scheme (50:50) sharing basis was started in the year 2011-12. This is weather based crop insurance scheme and under this scheme a part 50% payable to ensured cultivator and balance 50% is given as assistance and is to be borne by the Central Govt. & State Govt. on 50:50 basis on availing crop insurance. For the year 2017-18, a provision of ₹2,00,000/- has been made as State Share under this scheme. Central Share will be directly released to the implementing Agency by Government of India.

Departmental Long Term Objective:

- a) To ensure sustainability of Horticulture Sector through facility of crop insurance.
 - b) To create employment opportunity in relevant Sectors.
- i) Departmental Medium Term Objective (Five Years):**
- a) To encourage farmers to adopt progressive farming practices, high value-in-puts and higher technology in Horticulture.
 - b) To help stabilize farm incomes, particularly in disaster years.
- ii) Annual Objective & Impact Expected:**
- a) To provide insurance coverage and financial support to the farmers in the event of failure of crops as a result of unfavourable weather conditions viz. excess/deficit rain, hailstorm, fog, temperature and humidity etc.
 - b) To encourage the farmers for undertaking high value crops.
- iii) Strategies:**
 Extension services shall be provided to the farmers for creating awareness about the benefits of crop insurance. Various companies shall be made available to farmers for crop insurance. Subsidy shall be provided to the farmers against the crop insurance scheme as per Govt. norms.
- iv) Role Out of the Scheme in Terms of Commencement of Activities/Projects:**
 The farmers shall take the advantage of crop insurance and get motivated to enter for adoption of crops having any type of risk due to adverse weather. In case of crop damage due to unfavourable weather the farmers may be able to get insured amount against the cost of cultivation.
- v) Cash Flow Requirement:**
 The State Share shall be released against the premium of crop insurance after the crop coverage under policy. The amount of State Share to this account shall be released to the insurance companies on submission of bills.
- vi) Reporting System/Format:**
 Reporting shall be made to Govt. in the prescribed formats as and when required. However, budget utilization reports shall be available online.
- vii) In House/Third Party Assessment Method:**
 The internal audit shall be carried out by Horticulture Department and Scheme audit shall be carried out by staff of Accountant General, Haryana.

(17)

Code No. : 2-2-0177-2401-51-789-88-51
Name of the Scheme : Scheme for National Horticulture Mission for Scheduled Caste Farmers (60:40)
Outlay : ₹32,98,40,000/-

SCHEME & BUDGET PROVISION: It is a Centrally Sponsored (Sharing Basis) scheme for SCSP component. For the year 2017-2018, a budget provision of ₹32,98,40,000/- is being provided out of which ₹17,67,00,000/- will be borne by Government of India and ₹15,31,40,000/- will be kept as State Share.

PATTERN OF ASSISTANCE: Assistance shall be available both for SC farmers and entrepreneurs. The %age of assistance is exactly as per norms of National Horticulture Mission prescribed by Govt. of India and ranges from 25-100%.

(18)

Code No. : 2-2-0176-2401-51-789-87-51
Name of the Scheme : **Scheme for Micro Irrigation/National Mission on Sustainable Agriculture for Scheduled Caste Farmers (60:40)**
Outlay : ₹15,00,00,000/-

SCHEME & BUDGET PROVISION: It is a Centrally Sponsored (Sharing Basis) (60:40) scheme. From the year 2016-2017 a separate budget allocation was given under SCSP component. (8)

Code No. 1-1-0292-2403-51-102-70-51
Name of the scheme Scheme for establishment of Hi-tech Dairy Units.
Outlay ₹10,00,00,000/-

This is a continued programme being implemented in the State with the objectives:-

To provide self employment to unemployed rural/rural youths.

To enhance the production of milk to cope up with the increasing demand of consumers in general and milk plants of the state in particular.

To help to provide additional income to the families of the young entrepreneurs.

Creation of pool of quality germ plasma of Murrah Buffaloes.

Earlier, for providing self employment opportunities and raising the socio economic status of the beneficiaries mini dairy units of 3/5/10 milch animals were being setup . Similarly to give a boost to indigenous cattle rearing, dairy unit of 3/5 milch animals of indigenous cattle i.e Haryana, Sahiwal were included under this scheme from 2015-16 for which the quantum of subsidy is 50%. Now in the interest of making dairy units economically viable and more competitive, provision has been made to setup a Hi-tech dairy unit of 50 milch animals. To begin with a target to setup 50 hi-tech dairy units of 50 milch animals is kept for the current financial year 2017-18. The beneficiaries of large size dairy unit of 50 milch animals will be given subsidy in the form of interest subvention on loan raised by them for the establishment of a hi-tech large dairy unit of 50 animals. However, provision to clear the liability of the units of 3/5/10 dairy units setup in the year 2016-17 has also been made in the scheme. A target to setup 800 mini dairy units of 3/5/10 milch animals and 200 units exclusively of indigenous cattle including Haryana, Sahiwal and Belahi breeds is proposed for the year 2017-18. It is a non-staff scheme & will be implemented with the help of the existing staff. A provision of Rs.10,00,00,000 is provided in the scheme.

(9)

Code No. 1-1-0307-2403-51-102-69-51
Name of the Scheme Scheme for the Establishment of Gau Seva Ayog.
Outlay ₹20,00,00,000/-

The Govt. have established Haryana Gau Seva Aayog for the preservation and welfare of cows in the State, for supervision and control of institutions established for the purpose and to provide for matters connected therewith and incidental thereto. For the functioning of this Aayog, an amount of ₹20,00,00,000/- is earmarked for the year 2017-18 which will be released to the Haryana Gau Sewa Ayog as a Grant-in-aid to fulfill its objects. The Ayog will utilize this grant ₹10,00,00,000/- to assist the Gaushalas establish and ₹10,00,00,000/- Gau Abhyarans in the State to provide a secure shelter for ownerless and stray cattle as well as to control stray cattle menace including provision of registration, identification and fertility control.

(10)

Code No.	1-1-0316-2403-51-102-66-51
Name of the Scheme	Scheme for the conservation and development of indigenous cattle (Gosamvardhan)
Outlay	₹4,00,00,000

It is a state scheme included in the budget with an objective of conservation and development of the indigenous cows. The potential to enhance the productivity of the Indigenous breeds of cattle through professional management and superior nutrition is immense. For encouraging the farmers to rear the indigenous breeds of cows this scheme has been formulated through which incentive money will be paid to the owners of the high milk yielding 'Hariana , Sahiwal and Behlai ' breed of cows. The milk recording of the cows under the scheme should be done under public view preferably at a common public place to avoid any possible malpractice. A maximum of two animals (cows) per farmer/organization will be eligible for the incentive money under this scheme. However, the recordings of the all/as much number as possible belonging to any farmer/organization should be carried out for collecting the data of the top quality indigenous cows. The incentive money of the recorded cows be released after four months of the peak recording to avoid the chances of the same cow being recorded again during its current lactation. Incentive on the following rates will be given to the owners:-

Yield (Kgs)	Incentive (Rs.)
Hariana Cows	
8-10 Kg	10000
>10-12Kg	15000
>12 Kg	20000
Sahiwal Cows	
10-12 Kg	10000
>12-15 Kg	15000
>15 Kg	20000
Belahi Cow (Indigenous)	
5-8 Kg	5000
> 8-10 Kg	10000
> 10 Kg	15000

An amount of ₹ 4,00,00,000/- has been provided for the year 2017-18.

(11)

Code No.	1-1-0264-2403-51-113-97-51
Name of the scheme	Establishment of Agricultural Human Resources Development Project renamed as Scheme for the Management of Haryana Veterinary Training Institute.
Outlay	₹30,00,000/-

It is a State Scheme included in the budget of the Department for the year 2017-18. A major part of which has been converted into committed liabilities. This scheme aims at the development of human resources. With the aid of the world bank a Vety. Training Institute has been set up at Hisar. In this institute Veterinary and para Veterinary staff of the Department is imparted training to update their technical knowledge. (14)

Code No.	1-1-4652-4403-51-101-99-51
Name of the Scheme	Scheme for Veterinary Infrastructure Construction/Re-construction in the State under RIDF-VIII
Outlay	₹15,00,00,000/-

The department is facing lot of financial constraints to set up various projects which are important in the present days. There is an increase in the occurrence of newly emerging disorders/diseases in the livestock, which, if not properly diagnosed and treated at the earliest may take a huge toll among the livestock population. Diagnosis which was not rule of the day in veterinary practice in olden days does not hold good now. Diagnosis of diseases of livestock based on the clinical features may prove useful for treating the diseases or disorders in a symptomatic manner. Department will utilized ₹14,00,00,000/- for the construction of the buildings of about 52 GVHs and 115 GVDs and ₹1,00,00,000/- for equipments and furniture etc. in the newly constructed Poly clinics at Jind and Saharanwas (Rewari).

A sum of Rs. ₹15,00,00,000/- is provided under the scheme for the year 2017-18.

Part-II CENTRALLY SPONSORED SCHEMES
SHARE BASED SCHEMES

(1)

Code No.	2-1-0302-2403-51-101-63-51
Name of the Scheme	Scheme for Livestock Health & Disease Control (60:40)
Outlay	₹16,50,00,000/-

This scheme is a part of White Revolution umbrella scheme of the Government of India which includes the following ongoing component for which the Govt. of India releases funds regularly:-

(a) Foot & Mouth Disease Control Programme

FMD is the most important livestock disease in term of economic impact Though the morbidity rate is high, the mortality rate due to FMD is low. A location specific programme called Foot and Mouth Disease Control Programme with 60:40 % central assistance is being implemented in the entire State under which a major thrust is upon the control and virtual eradication of Foot & Mouth Disease from the country as a whole and Haryana in particular.

(b) Control of Brucellosis

Brucellosis is also an economically important abortifacient disease of cattle. Infected cows/buffaloes usually abort in the second half of pregnancy with the squeal of retained placenta, delayed involution, predisposal to secondary bacterial infections and acute or chronic endometritis. Provision has also been made under this scheme for taking steps to control this disease also. In initial phase, the testing against brucellosis will be undertaken at bull mother farms, sperm production centers and in the areas having high density of good quality livestock. It is a centrally assisted 60:40 basis component.

(c) National Animal Disease Reporting System.

Disease reporting has enormous importance. Prompt reporting of any epidemic is essential not only for undertaking immediate control measures to prevent the further spread of the disease, but also for formulating long term disease control strategy. The Government of India provides assistance to the States under this component. It is a centrally sponsored 100% basis component.

(d) National Project for Rinderpest Eradication.

The aim of the scheme is to strengthen the veterinary services and to eradicate Rinderpest and Contagious Bovine Pleuro-Pneumonia. Funds to meet out their TA, POL, Laboratory expenses as well as publicity etc. have been proposed in current financial year. It is a centrally sponsored 100% basis component.

(e) National Control Programme on Peste des Petits Ruminants (NCPPPR) Project for Rinderpest Eradication.

The Peste des Petits Ruminants (PPR) is a viral disease of sheep and goats characterized by high fever, inflammation of the gastro-intestinal tract leading to necrosis and ulceration of the mucous membrane and diarrhea. The Government of India have initiated a control programme and aims at the eradication of this disease from the country in a time bound manner on the lines of Rinderpest eradication. The programme involves vaccination of all susceptible goats & sheep. It is a centrally assisted 60:40 basis component.

(f) Assistance to State for Control of Animal Disease (ASCAD)

Under this component, the Government of India is providing assistance to the States for the control of economic disease of livestock and Poultry by way of immunization, strengthening of existing State Veterinary Biological Production Institutions, strengthening of existing State Disease Diagnostic Laboratories, holding workshops/seminars and in-service training to Veterinary and para Veterinaries. It is a centrally assisted 60:40 basis component.

(g) Professional Efficiency Development-Establishment of State Veterinary Council

This component of the scheme aims at the registration of Veterinary Graduates as per the provision laid down in Indian Veterinary Council Act, 1984. To the control and regulate the practices of

Veterinary Profession and its conduct and further educate them, a Veterinary Council has been formulated in the State. Grant-in-aid is released to this council out of the provision made in the scheme. A provision to release a grant of ₹ 10,00,000/- to the Haryana Veterinary Council is made in this

(h) Establishment and Strengthening of existing Veterinary hospitals /dispensaries (ESVD).

For the strengthening of the existing veterinary institutions, the Govt. of India provides assistance for improving the infrastructure of the existing veterinary hospitals and dispensaries. Provision has also been made for such funds in the scheme. It is a centrally assisted 60:40 basis component.

A total provision of ₹ 16,50,00,000/- has been made in the scheme under this umbrella scheme of the Government of India which includes ₹ 6,60,00,000/- as State and ₹ 9,90,00,000/- as Centre share for the year 2017-18.

(2)

Code No. 2-1-0306-2403-51-102-67-51
Name of the scheme Scheme for the implementation of National Livestock Mission (60:40)
Outlay ₹4,00,00,000/-

This scheme was included in the budget in the year 2015-16 and will remain continue in the year 2017-18. Government of India took a policy decision to club and modify following 7 Centrally Sponsored and 7 Central Sector Schemes and include them under the National Livestock Mission. Funds released by the GOI under these schemes will be utilized by the department out of the provisions made in this scheme as per the guidelines of the Government of India. It is a central share based scheme for which an amount of ₹ 4,00,00,000/- is proposed in the budget for the year 2017-18 out of which ₹ 2,40,00,000/- will be Centre Share and ₹ 1,60,00,000/- State share:-

Name of the Central Sector Schemes
Central Fodder Development Organizations
Central Sheep Breeding Farm
Central Poultry Development Organizations
Integrated Development of Small Ruminants and Rabbits
Piggery Development
Poultry Venture Capital Fund
Salvaging and rearing of male buffalo calves
Centrally Sponsored Fodder and Feed Development Scheme
Conservation of Threatened Breeds of Livestock
Poultry Development
Utilisation of Fallen Animals
Livestock Insurance
Establishment / modernization of Rural Slaughterhouses, including mobile slaughter Plants
Livestock extension and delivery services

(3)

Code No. 2-1-0313-2403-102-65-51
Name of the Scheme Scheme for National Plan for Dairy Development. (60:40)
Outlay ₹16,00,00,000/-

It is a Centrally Sponsored share bases scheme being implemented by the department in the budget 2015-16 and will continue in the year 2017-18. This scheme will be carried out for the benefit of the livestock breeders as per the guidelines of the Govt. of India for the enhancement of the productivity of the indigenous breed of milch animals and aims at the conservation and development of indigenous breeds in a focused and scientific manner. Under this programme focus of the State will be on Murrah breed of buffaloes and cattle Haryana and Sahiwal breed of cows. An amount of

₹16,00,00,000/- has been made under this scheme of which ₹ 9,60,00,000/- will be Centre Share and ₹6,40,00,000/- State share respectively.

(4)

Code No. 2-1-0270-2403-51-113-96-51
Name of the Scheme Scheme for the Sample Survey estimation of production of milk, eggs, wool and meat, Fodder and Grasses/Assessment of development project (50:50)
Outlay ₹1,80,00,000/-

It is a Centrally Sponsored Scheme and the quantum of assistance is 50:50. The object of the scheme is to undertake survey for estimating the production of milk, wool, egg and meat. For the year 2017-18, a sum of ₹ 1,80,00,000/- is provided under this scheme.

The Govt. of India and the State Govt. will bear 50% of the amount i.e. ₹90,00,000/- each as their share. This scheme will be beneficial to the Department in conducting the survey for determining the production of milk, wool, egg and meat etc.

(5)

Code No. 2-2-0312-2403-51-789-92-51
Name of the Scheme Scheme for Livestock Health and Disease Control Programme.
Outlay ₹1,00,00,000/-

This scheme is Centrally sponsored scheme and has been include the budget as SCSP to provide veterinary care to the livestock of the scheduled castes families out of the funds released by the Government of India under the following activities. An amount of ₹1,00,00,000/- is provided under the scheme which includes ₹40,00,000/- as State and ₹60,00,000/- as Centre share. This amount will be utilized under the following components:-

- a Foot & Mouth Disease Control Programme
- b Control of Brucellosis
- c National Control Programme on Peste des Petits Ruminants (NCPPPR)Project for Rinderpest Eradication.
- d Assistance to State for Control of Animal Disease (ASCAD)

(6)

Code No. 2-2-0310-2403-51-789-89-51
Name of the scheme Scheme for the implementation of National Livestock Mission for SCs (60:40)
Outlay ₹1,60,00,000/-

This scheme was included in the budget in the year 2015-16 and will remain continue in the year 2017-18. Government of India took a policy decision to club and modify following 7 Centrally Sponsored and 7 Central Sector Schemes and include them under the National Livestock Mission. Funds released by the GOI under these schemes will be utilized by the department out of the provisions made in this scheme as per the guidelines of the Government of India . It is a central share based scheme for which an amount of ₹1,60,00,000/- is proposed in the budget for the year 2017-18 out of which ₹96,00,000/- will be Centre Share and ₹64,00,000/- State share:-

Name of the Central Sector Schemes
Central Fodder Development Organizations
Central Sheep Breeding Farm
Central Poultry Development Organizations
Integrated Development of Small Ruminants and Rabbits
Piggery Development

Poultry Venture Capital Fund
Salvaging and rearing of male buffalo calves
Centrally Sponsored Fodder and Feed Development Scheme
Conservation of Threatened Breeds of Livestock
Poultry Development
Utilisation of Fallen Animals
Livestock Insurance
Establishment / modernization of Rural Slaughterhouses, including mobile slaughter Plants
Livestock extension and delivery services

(7)

Code No. 2-2-0314-2403-789-88-51
Name of the Scheme Scheme for National Plan for Dairy Development for SCs (60:40)
Outlay ₹4,00,00,000/-

It is a Centrally Sponsored share bases Scheme under SCSP component being implemented by the department in the Annual Plan 2015-16 and will continue in the year 2017-18. This scheme will be carried out for the benefit of the livestock breeders as per the guidelines of the Govt. of India for the enhancement of the productivity of the indigenous breed of milch animals and aims at the conservation and development of indigenous breeds in a focused and scientific manner. Under this programme focus of the State will be on Murrah breed of buffaloes and cattle Haryana and Sahiwal breed of cows. An amount of ₹4,00,00,000/- has been made under this scheme of which ₹2,40,00,000/- will be Centre Share and ₹1,60,00,000/- State share respectively.

PART-III 100% CENTRALLY SPONSORED SCHEMES

(1)

Code No. 3-1-0284-2403-51-102-76-51
Name of the Scheme Scheme for Assistance to States for conduct of Livestock Census.
Outlay ₹ 4,00,00,000/-

For conducting the 20th livestock census in the State, the Govt. of India have sanctioned a scheme with 100% Central Assistance for imparting Training to the persons engaged in livestock census, printing of schedules and guidelines for the census, collection of data on breed wise details of cattle and buffalo as well as other livestock and poultry birds data on facilities for veterinary health and fisheries activities available in the villages, training to be imparted to the officials of the State Animal Husbandry Department was approved by the Govt. of India in the year 2016-17. This scheme is a continued scheme for conducting livestock census.

For the year 2017-18, a provision of ₹ 4,00,00,000/- is made which will be borne by the Govt. of India on 100% basis.

**FISHERIES
PART-I STATE SCHEMES**

(1)

Scheme code No. : 1-1-0401-2405-51-101-92-51
Name of the Scheme : **Scheme for the Intensive Fisheries Development Programme.**
Outlay : ₹4,00,00,000/-

a) Financing of Scheme:

It is continued State Scheme.

b) Object and Performance of the Scheme:

The objective of the scheme is to provide technical assistance of the Fish Farmers for sustainable fish farming in village ponds and micro-water sheds.

c) Target achieved so far:

12644.50 hectare water area has been brought under fish culture by stocking 5488.99 lakh quality fish seed and produced 97482.70 tonne fish during the year 2016-2017 and expected to produce 115200.00 tonne fish during the year 2017-2018.

d) Financial and physical target for the year 2017-2018:

It is a continuing scheme. An outlay of ₹4,00,00,000/- has been kept for the year 2017-18. It is proposed to bring 16000.00 hectare water area under fish culture by stocking 4671.00 Lakh fish seed and to produce 115200.00 tonne fish

e) Benefit of the Scheme :

Employment and income generation opportunities would be provided to 16000 families under this scheme.

(2)

Scheme code No. : 1-1-0402-2405-51-101-91-51
Name of the Scheme : **Scheme for the National Fish Seed Programme.**
Outlay : ₹5,00,00,000/-

a) Financing of Scheme:

It is continued State Scheme.

b) Object and Performance of the Scheme:

The objective of the scheme is to produce and supply quality fish seed to the fish farmers

c) Target achieved so far:

841.61 lakh fish seed was produced at Govt. Fish Seed Farms and 3467.00 lakh fish seed by private fish farmers during 2016-2017. It was targeted to produce 1375.00 lakh and 6500.00 lakh fish seed in Govt. Sector and Private Sector respectively during the year 2016-2017.

d) Financial and physical target for the year 2017-2018:

It is continuing scheme. An outlay of ₹5,00,00,000/- has been kept for the year 2017-2018 It is targeted to produce 1600.00 lakh fish seed at Govt. Fish Seed Farms and 6000.00 lakh fish seed at the private fish seed production units.

e) Benefit of the Scheme :

Technical assistance would be provided to more than 16 fish seed producers having hatcheries and fish seed production units. It is targeted to supply 7600.00 lakh fish seed to more than 20000 farmers.

(3)

Scheme code No. : 1-1-0434-2405-51-101-73-51
Name of the Scheme : Scheme for the Ornamental Fisheries.
Outlay : ₹10,00,00,000/-

a) Financing of the Scheme:

It is a continuing State Scheme.

b) Object and Performance of the Scheme from its initiation:

The main objective of this scheme is to demonstrated a new avocation of self-employment and export oriented product in fisheries sector. Training will be imparted to un-employed youth.

c) Target achieved so far:

50 persons have been trained in Ornamental fish breeding and rearing by 2016-2017.

d) Financial and physical target for the year 2017-2018.

An outlay of ₹10,00,00,000/- has been kept for the year 2017-2018. It is proposed to produce various varieties of ornamental fishes to be supplied to private sector and to impart technical know how and training to the unemployed youths in the State.

e) Benefit of the Scheme:

The unemployed youths and private entrepreneur will be helped in setting of ornamental fish units during the year 2017-2018.

(4)

Scheme code No. : 1-1-0405-2405-51-109-99-99
Name of the Scheme : Scheme for Agriculture Human Resources Development-
Information Technology
Outlay : ₹40,00,000/-

a) Financing of the Scheme:

It is a continue State Scheme.

b) Object and Performance of the Scheme from its initiation:

The objective of the scheme is to develop Human Resource of the department by way of in-service training and training to fish farmers in increase the work efficiency and enhanced fish production per unit area.

c) Target achieved so far:

Training provided to 1265 persons and 690 soil and water samples were tested along with the other extension activities during 2016-2017.

d) Financial and physical target for the year 2017-2018:

A provision of ₹40,00,000/- has been made for the year 2017-2018 under object Head i.e. Computerisation (IT). The applied research programme in the filed of biotechnology and bio-diversity shall be undertaken in addition to short term training/refresher courses to various fish farmers.

e) Benefit of the Scheme :

Department would provide in-service training to officers and Para-fisheries staff and Hand on training to the fish farmers and Fishermen. In this scheme, a provision for the purchase of computer, fax machines to all the offices for smooth and quick redressal in the working. This would increase the efficiency for the production of fish.

(5)

Scheme code No. : 1-1-0405-2405-51-109-99-98
Name of the Scheme : **Scheme for Agriculture Human Resources Development- Establishment Expenses.**

Outlay : ₹1,15,00,000/-

a) Financing of the Scheme:

It is a continue State Scheme.

b) Object and Performance of the Scheme from its initiation:

The objective of the scheme is to develop Human Resource of the department by way of in-service training and training to fish farmers in increase the work efficiency and enhanced fish production per unit area.

c) Target achieved so far:

Training provided to 1265 persons and 690 soil and water samples were tested along with the other extension activities during 2016-2017.

d) Financial and physical target for the year 2017-2018:

A provision of ₹1,15,00,000/- has been made for the year 2017-2018. It is targeted to provide training to 1500 official/officers/ fish farmers. The applied research programme in the field of biotechnology and bio-diversity shall be undertaken in addition to short term training/refresher courses to various fish farmers.

e) Benefit of the Scheme :

Department would provide in-service training to officers and Para-fisheries staff and Hand on training to the fish farmers and Fishermen. This would increase the efficiency for the production of fish.

(6)

Scheme code No. : 1-2-0435-2405-51-789-99-51
Name of the Scheme : **Scheme for Welfare of Scheduled caste Families under Fisheries Sector (SCSP-Component).**

Outlay : ₹ 2,50,00,000/-

a) Financing of the Scheme:

It is a continue State Scheme.

b) Object and Performance of the Scheme from its initiation:

The objective of the scheme is to provide full time employment to persons belonging to scheduled caste families in fisheries sector.

c) Target achieved so far:

Direct financial assistance to more than 1000 families has been extended so far during the year 2016-2017.

d) Financial and physical target for the year 2017-2018:

An outlay of ₹2,50,00,000/- has been kept under the scheme for the year 2017-2018. It is targeted to provide short term training of 10 days to upgrade the skill of unemployed persons belonging to Scheduled Caste in wholesale and retail fish marketing, fishing in natural and pond water besides preparation of fish snacks. It is proposed to provide subsidy to the Scheduled Caste beneficiaries on first year lease amount of fish pond, fishing right of notified waters, purchase of nets, pelleted(inputs). It is also proposed to extend financial benefits in the forum of subsidy of excavation of fish pond (Grant to Panchyat i.e. 100%).

e) Benefit of the Scheme :

Direct financial and technical assistance would be provided to 420 Scheduled Caste farmers.

(7)

Scheme code No. : 1-1-5251-4405-51-101-99-51
Name of the Scheme : Capital Outlay on Fisheries-Construction of Office Building.
Outlay : ₹ 65,00,000/-

- a) **Financing of the Scheme:**
It is a continue State Scheme.
- b) **Object and Performance of the Scheme from its initiation:**
The objective of the scheme is to create infrastructure like buildings etc.
- c) **Target achieved so far:**
To strengthen the infrastructure i.e. Government Fish Seed Farms, Training hall and Other infrastructure at Aquaculture Research Training Institute, Hisar.
- d) **Financial and physical target for the year 2017-2018 :**
An outlay of ₹65,00,000/- has been kept under the scheme for strengthening of Building infrastructure at farms during the year 2017-2018.
- e) **Benefit of the Scheme :**
Office accommodation shall be made available for better efficiency of staff.

Part-II CENTRAL SCHEMES (Sharing Basis)

(1)

Scheme code No. : 2-1-0430-2405-51-101-83-51
Name of the Scheme : Scheme for Development of Water logged area in Aquaculture Estate/ Renamed as Development of Water Logged Area
Outlay : ₹1,11,18,000/-

- a) **Financing of the Scheme:**
It is a continue Centrally Sponsored Schemes on 50:10:40 (Centre:State:Beneficiary) sharing basis under Blue Revolution Scheme.
- b) **Object and Performance of the Scheme:**
The objective of the scheme is to develop water logged areas into aquaculture estate to increase fish production.
- c) **Target achieved so far:**
211.50 hectare water area was brought under fish culture by stocking 81.75 lakh quality fish seed and produce 1107.20 tonne fish so far.
- d) **Financial and physical target for the year 2017-2018:**
An outlay of ₹1,11,18,000/- has been provided for the year 2017-2018 (₹92,64,000/- as Central Share and ₹18,54,000/- as State Share). It is proposed to bring 250 hectare water area under fish culture besides creating 8 hectare additional water area.
- e) **Benefit of the Scheme :**
150 unemployed families would get self employment and 500 persons will get part time employment opportunities under this scheme.

(2)

Scheme code No. : 2-1-0429-2405-51-101-82-51
Name of the Scheme : Inland Capture Fisheries Reservoir/rivers/ Renamed as Inland Capture Fisheries (Village, Ponds, Tank etc.)
Outlay : ₹86,95,000/-

a) Financing of the Scheme:

It is a continue Centrally Sponsored Schemes on 50:10:40 (Centre:State:Beneficiary) sharing basis under Blue Revolution Scheme.

b) Object and Performance of the Scheme:

The objective of the scheme is to conserve and propagated the natural fishery with the operation of general public.

c) Target to be achieved:

Financial assistance for the purchase of nets will be provided to 1000 Fisherman during the year 2017-2018.

d) Financial and physical target for the year 2017-2018:

An outlay of ₹86.95 lakh has been provided for the year 2017-2018 (₹51,75,000/- as Central Share and ₹35,20,000/- as State Share). It is targeted to provided financial assistance to 500 persons besides arranging State and District Level Awareness Camps highlighting the importance of natural fishery.

e) Benefit of the Scheme :

1200 unemployed persons would get self employment and 2000 persons will get part time employment opportunities under this scheme

(3)

Scheme code No. : 2-1-0433-2405-51-101-77-51
Name of the Scheme : Scheme for Establishment of National Fisheries Development Board/ Renamed as National Fisheries Development Board (NFDB).
Outlay : ₹12,62,50,000/-

a) Financing of the Scheme:

It is a continue Centrally Sponsored Scheme (50% Centre and 50% Beneficiary).

b) Object and Performance of the Scheme:

The main objective of the scheme is to increase productivity in the existing water bodies and to bring additional water area under fish culture to meet out demand of fish in the country.

c) Target achieved so far:

An amount of ₹10.00 Lakh was NFBD Board released by the scheme during the year 2015-16 and utilized to implement the scheme and funds were not released till date during the year 2016-17 as project was approved amounting to ₹1262.50 Lakh for Pangasius Sutchi Culture by the Govt. of India.

d) Financial and physical target for the year 2017-2018 :

An outlay of ₹12,62,50,000/-has been provided for the year 2017-2018 (as Centre Share). It is proposed to renovate & excavate 400 hectare pond water area for the introduction of Pangasius Sutchi Fish Culture during the year during the year 2017-2018.

e) Quantum of funds likely to be borne by Govt. of India or by any external agency.

For the implementation of above schemes, 50% share will be borne form the Central Government and 50% share will be borne by the beneficiary itself.

f) Benefit of the Scheme :

It is proposed to provide benefit to 400 persons to get self employment.

(4)

Scheme code No. : 2-1-0000-2405-51-101-72-51
Name of the Scheme : Development of Fresh Water Aquaculture
Outlay : ₹16,39,92,000/-

a) Financing of the Scheme:

It is a newly introduced on 50:10:40 (Centre:State:Beneficiary) sharing basis under Blue Revolution Scheme.

b) Objective and Performance of the Scheme:

The objective of the scheme is to bring more area under Fish Culture by introduction new fish variety and new technique like Recirculatory aquaculture system (RAS) saline affected area under fish culture.

c) Target achieved so far:

1989.84 hectare water area has been brought under fish culture by stocking 1001.40 lakh quality fish seed and produced 11317.60 tonne fish so far. During the year 2016-17, 2500.00 hectare water area would be brought under fish culture and to produce 18000.00 tonne fish.

d) Financial and physical target for the year 2017-2018:

An outlay of ₹16,39,92,000/- has been provided for the year 2017-2018 (₹13,54,70,000/- as Central Share and ₹2,85,22,000/- as State Share). It is proposed to bring 825.00 hectare water area under fish culture.

e) Benefit of the Scheme :

Approximate 1000 unemployed families would get self employment and 1500 persons will get part time employment opportunities under this scheme.

(5)

Scheme code No. : 2-1-0408-2405-51-109-98-51
Name of the Scheme : Scheme for Education, Training & Extension/ Renamed as Training, Skill Development and Capacity Building of Fish Farmers and Other Stakeholders in all Fisheries related activities both marine and Inland Fisheries
Outlay : ₹ 10,00,000/-

a) Financing of the Scheme:

It is a continue Centrally Sponsored Scheme 50:10:40 (Centre:State:Beneficiary) sharing basis under Blue Revolution Scheme.

b) Object and Performance of the Scheme:

The main objective of the scheme is to disseminating the fisheries development programme by publication of training material, extension material and providing training for the production fish.

c) Target achieved so far:

10 days training to fishers and State Level and National Level Workshops & Seminars were conducted during the year during the year 2016-2017.

d) Financial and physical target for the year 2017-2018:

An outlay of ₹10.00 lakh has been provided for the year 2017-2018 (only Centre Share). It is Central Sponsored Scheme under which GOI provide 50% assistance to the state government for providing the training to the fish farmers, establishing fish farmers awareness centre, publication of various extension and training material, organizing the workshop and seminars etc. The training of various aspects of fisheries shall be provided to progressive farmers at ARTI Hisar and Sub Centre Training at Jyotisar. The stipend shall be provided to the farmers as per guidelines of Govt. of India Programme during training and study tour. It is also proposed to arrange workshops and seminar at ARTI Hisar. New pamphlets and manual shall be proposed to disseminate the technology to the farmers.

f) Benefit of the Scheme :

Training shall be provided to 300 persons.

(6)

Scheme code No. : 2-1-0203-2415-05-004-98-51
Name of the Scheme : **Scheme for Utilization of Saline Ground Water/ Renamed as Productive utilization of Saline Alkaline Water for Aquaculture.**
Outlay : ₹1,09,09,000/-

a) Financing of the Scheme:

It is a continued Centrally Sponsored Scheme on 50:10:40 (Centre:State:Beneficiary) sharing basis under Blue Revolution Scheme.

b) Object and Performance of the Scheme:

The objective of the scheme is to utilize saline/alkaline soil and water for fish culture of fish and prawn.

c) Target achieved so far:

135.40 hectare water area was brought under fish culture by stocking 47.20 lakh quality fish seed and produced 857.00 tonne fish so far. During the year 2016-17, 180.00 hectare water area would be brought under fish culture and to produce 1295.00 tonne fish.

d) Financial and physical target for the year 2017-2018:

An outlay of ₹1,09,09,000/- has been provided for the year 2017-2018 (₹90,91,000/- as Central Share and ₹18,18,000/- as State Share). It is proposed to bring 220.00 hectare water area under fish culture besides creating 40.00 hectare additional water area.

e) Benefit of the Scheme :

150 unemployed families would get self employment and 500 persons will get part time employment opportunities under this scheme.

PART-III- CENTRALLY SPONSORED SCHEMES (100%)

(1)

Scheme code No. : 3-1-0428-2405-51-101-81-98
Name of the Scheme : **Scheme for Strengthening of Database and Information Networking for Fisheries Sector/ Renamed as Strengthening of Databasis and Information Networking for Fisheries Sector- Establishment Expenses**
Outlay : ₹1,30,00,000/-

a) Financing of the Scheme:

It is a continued 100% Centrally Sponsored Scheme.

b) Object and Performance of the Scheme:

The objective of the scheme is to compile fisheries statistic to frame the future development programme for enhancing the fish production..

c) Target achieved so far:

Compilation of data of fish production in 8 districts by random selection has been completed during the year 2016-2017.

d) Financial and physical target for the year 2017-2018:

An outlay of ₹1,30,00,000/- has been provided for the year 2017-2018. Compilation of data of fish production in 21 districts by random selection is proposed to be completed during the year 2017-2018.

e) The whole amount of ₹1,30,00,000/- would be borne by Govt. of India.**f) Benefit of the Scheme:**

The compiled data would be useful for further formulation of schemes & policies in fisheries sector.

FORESTS
Part -1 State Schemes

(1)

CODE NO. OF SCHEME : 1-1-0544-2406-01-001-99-51
NAME OF SCHEME : Information Technology at H.Q
Outlay : ₹ 4,00,00,000/-

This is a State Scheme. All the expenditure is to be borne by the State Government .

To undertake intensive re-engineering and administrative reform, recasting the structure and functioning of governance to facilitate adaptation to IT.

The department has initiated the process of procurement of hardware and software to computerize the activities. Computers have been provided upto range office level. Decision Support Systems (DSSs) for various core forestry functions like FOMS, FLMS, FEMS, WLMS, WHMS, FNMS, FPMS and WPMS are being developed with the help of MP Forest Department. The required hardware is being procured through HARTRON , MPFD and other approved agencies.

The department has prepared its IT Plan for the year 2011-12 and 2015-16 and it is under consideration of the Technical Committee of the Govt. for its approval. During first phase of the implementation of IT plan, the Department has initiated the process of procurement of hardware and softwares to computerize its activities. Development of web based software modules are being taken up simultaneously. These include development of modules of Nursery and Plantation, Forest Conservation, Fire Management, control of illicit felling in Forest areas, legal cases, Accounts, establishment, harvesting of trees etc. Department has planned to link all its officers through State Wide Area Network (SWAN) facility to be provided by HARTRON. This will make collection, compilation and retrieval of data in field offices, district offices and head office every easy and bring transparency and accountability in working of department.

An amount of ₹ 4,00,00,000/- has been provided to continue this scheme during the year 2017-18.

(2)

CODE NO. OF SCHEME : 1-1-0503-2406-01-003-97-51
NAME OF SCHEME : Forest Publicity, Public Relation and Extension
Outlay : ₹ 3,00,00,000/-

This is a continuing State Scheme. All the expenditure is to be borne by the State Government .

To create awareness amongst the people about protection of forests, environment and the effects of climate change. To carry out publicity and extension of the tree plantation schemes of the Department to make tree plantation activity, a people's movement. For easy access of forestry information, books, periodicals, documentaries for the officials and the common public. Most of the Forest Guards and Foresters have been provided trainings relating to field works.

District level and State level functions for Van Mahotsava, Wildlife week, fire protection, nature conservation will be organized to fully involve maximum number of citizen of the State in forest and environmental awareness in order to realize the objectives of State and National Forest Policies of conservation of natural resources and to increase the Forest and Tree cover in the State.

An amount of ₹ 3,00,00,000/- has been provided to continue this scheme during the year 2017-18.

(3)

CODE NO. OF SCHEME : 1-1-0516-2406-01-070-97-51
NAME OF SCHEME : Building
Outlay : ₹ 7,00,00,000/-

This is a continuing State Scheme. All the expenditure is to be borne by the State Government.

Forest Department has grown into one of the largest department of the state. Its assets include a stock of large number of buildings in the field and at headquarters for office and for residence. These require annual maintenance and repairs. A large number of employees in the department are still without Govt. residence. The scheme is for maintaining old buildings and constructing a few new ones.

An amount of ₹ 7,00,00,000/- has been provided for this scheme during the year 2017-18.

(4)

CODE NO. OF SCHEME : 1-1-0504-2406-01-101-98-51
NAME OF SCHEME : Rehabilitation of Degraded Forests
Outlay : ₹ 20,00,00,000/-

This is a continuing State Scheme. All the expenditure is to be borne by the State Government.

To rehabilitate the degraded forest areas particularly in Shivaliks to stall their further degradation and bring them under green cover and in the process check soil erosion. Conservation of soil and water through construction of water harvesting structures in shivaliks to increase the moisture regime in these areas

Wherever, there is adequate capacity for regeneration in natural forests, advantage would be taken and remaining area will be treated with artificial plantation to support regeneration. Efforts will be made by the Forest Department to constitute as many HRMSs and village forest committees as are possible within the area to spread the concept of joint forest management. This would help in preservation of the catchments by community participation and natural regeneration through observance of Social fencing. The scheme will be implemented through out the state wherever the degraded forest exist in the state.

PHYSICAL / FINANCIAL TARGETS

2016-2017(achieved)		2017-18 (Proposed)	
Phy. Ha.	Fin. ₹. in lakhs	Phy. Ha.	Fin. ₹. in lakhs
794	1500.00	-----	2000.00

An amount of ₹ 20,00,00,000/- has been provided under this scheme during the year 2017-18.

(5)

CODE NO. OF SCHEME : 1-1-0509-2406-01-102-94-51
NAME OF SCHEME : Survey, demarcation and settlement of forest area.
Outlay : ₹ 3,00,00,000/-

This is a continuing State Scheme. All the expenditure is to be borne by the State Government.

The objective of the scheme is carrying out forest resource surveys, preparation of survey map and boundary demarcation of existing block and strip forests to prevent encroachments of forest lands. As the land resource is limited and fast becoming a scarce resources, there is a greater tendency to encroach on state owned forest areas by unscrupulous elements. If the forest area is properly demarcated by erecting suitable boundary pillars, detection of encroachments and their removal is easier.

An amount of ₹ 3,00,00,000/- has been provided to continue this scheme during the year 2017-18.

(6)

CODE NO. OF SCHEME : 1-1-0519-2406-01-102-90-51
NAME OF SCHEME : Green Belts in Urban Areas
Outlay : ₹ 13,75,00,000/-

This is a continuing State Scheme. All the expenditure is to be borne by the State Government.

To take up tree planting activity in urban area along roads, in parks and in bank areas available in various localities for beautification. To increase the green cover in urban areas for amelioration of the local environment and to check air pollution.

The urban areas are most affected from vehicular and industrial pollution. The population in the urban areas, therefore, suffers from respiratory and water borne diseases. The amelioration of urban environment effectively check the air pollution brining respite to the residents.

PHYSICAL / FINANCIAL TARGETS

2016-2017 (achieved)		2017-18 (Proposed)	
Phy. Ha.	Fin. ₹ in lakhs	Phy. Ha.	Fin. ₹ in Lakhs
0/392	900.00	0/-----	1375.00

An amount of ₹ 13,75,00,000/- has been provided to continue this scheme during the year 2017-18.

(7)

CODE NO. OF SCHEME : 1-1-0537-2406-01-102-78-51
NAME OF SCHEME : Development of Agro-forestry clonal and non clonal
Outlay : ₹ 90,00,00,000/-

Agro-forestry is a dynamic land management system that combines agriculture with silviculture, horticulture, medicinal plants and/or animal husbandry on the same piece of land. It utilizes production potential of land in two to three tiers with suitable crop-tree combinations. Because of greater economic returns per unit area of agro-forestry, the latter has acquired national and international recognition as models to be emulated. The demand for agro-forestry products and services in the Country is increasing with rapid economic growth, industrialization and increase in population. Agro-forestry is emerging as diversification and resource conservation options with the farmers. Integrated cultivation of agriculture and tree crops is being adopted as a strategy to save natural forests and to ensure sustained supply of raw-material to wood-based Industries. There is now an increasing realization that the conservation of natural forests and creation of agro-forestry plantations are inextricably linked with the ecological security of man-kind.

Prior to 1988 Forest Policy of India, wood-based Industries were heavily dependent upon Government Forests for their raw material needs. The 1988 Policy specifically laid down that; Farmers would be encouraged to grow wood species required by Industries for their raw material needs. National Agricultural Policy 2000 also emphasized that "Agro-forestry and Farm Forestry are the prime-requisites for maintenance of ecological balance and augmentations of bio-mass production in the agricultural systems and therefore, the farmers will be encouraged to take up Agro-forestry and Farm-forestry for higher income generation by evolving technology, extension and credit support".

With this background, the new scheme on Clonal Agro Forestry has been conceived to encourage practice of Agro Forestry on Farm Lands using Clonal plants. The main emphasis in the scheme is on raising plants of commercial value of clonal Eucalyptus and Poplars and planting them on the fields of small Farmers to enhance their income augment the supply of raw material for wood based Industries and to increase the tree cover in the State. To produce quality seedlings of Eucalyptus and other species high-tech Clonal Propagation Centre already exists at Seonthi in District Kurukshetra. Besides Agro- forestry on farm lands, the other components of the scheme include creation of wood lots on Panchayat lands/institution lands, rehabilitation of sand dunes and salt effected water logged lands and training of VFCs and SHGs.

PHYSICAL / FINANCIAL TARGETS

2016-2017 (achieved)		2017-18 (Proposed)	
Phy.	Fin.	Phy.	Fin.
Ha.	₹ in lakhs	Ha.	₹ in lakhs
2900/1000	6000.00	-----	9000.00

An amount of ₹ 90,00,00,000/- has been provided under this scheme during 2017-18.

(8)

CODE NO. OF SCHEME	:	1-1-0542-2406-01-102-71-51
NAME OF SCHEME	:	Herbal Nature Park
Outlay	:	₹ 5,50,00,000/-

This is a continuing State Scheme. All the expenditure is to be borne by the State Government .

To make general public, especially farmers, aware of the importance, scope and potential of herbal plants. Cultivation and propagation of medicinal plants outside forest is impotent for conservation and for meeting the demand of medicinal plants, herbs and shrubs.

The setting up of Herbal parks in each district help in generating awareness, preserving gene pool and production of quality seeds and seedlings for distribution to farmers. Herbal Gyan Kendras setup inside the park will be utilized to educate people about the traditional Indian system of medicine.

An amount of ₹ 5,50,00,000/-has been provided to continue for this scheme during the year 2017-18.

(9)

CODE NO. OF THE SCHEME	:	1-1-0545-2406-01-102-68-51
NAME OF SCHEME	:	Revitalization of Institutions in Aravali Hills
Outlay	:	₹ 20,00,00,000/-

This is continuing State Scheme. All the expenditure is to be borne by the State.

EU sponsored project for rehabilitation of Aravalli Hills was executed by the department during 1991-2000. Village institutions were created and plantations were done in almost 350 villages in six districts having Aravalli Hills.

After closure of the project, these institutions have become defunct and in several villages, the plantations have become degraded. This new scheme is proposed to revive these institutions to maintain green cover over the Aravalli Hill, one of the oldest mountain systems in the world.

In this scheme it is proposed to reconstitute VFCs in 200 Aravalli Villages during 2009-10. Fresh micro plans will be prepared Women in development programme well be revived to involved women in forest conservation. Self Help Groups will be constituted in each village. Gap planting will be done in areas where degradation has taken place. Check dams and ponds will be repaired.

PHYSICAL / FINANCIAL TARGETS

An amount of ₹ 20,00,00,000/- has been provided for this scheme during the year 2017-18.

[76]

(10)

CODE NO. OF SCHEME : 1-1-0511-2406-01-102-88-51
NAME OF SCHEME : Afforestation of Waste Land & Agro Forestry.
Outlay : ₹ 40,00,00,000/-

This is continuing State Scheme. All the expenditure is to be born by the State

Afforestation of Wasteland and Agroforestry Project was launched in the state in the year 1991-92 to continue Social Forestry Project. This project covers wastelands including alkali land, sand dunes, other Panchayat land and agriculture fields which are generally not covered under traditional forestry programme. The project will pay vital role in harmonizing the regional imbalance of climate and environment in the State and neighboring areas. The objective of the project is to promote and sustain agriculture production by maintaining fertility status. The project also promote social, economic and developmental activities.

An amount of ₹ 40,00,00,000/- has been provided for this scheme during the year 2017-18.

Part-II Sharing Basis Schemes

(11)

CODE NO. OF SCHEME : 2-1-0540-2406-01-102-74-51
NAME OF SCHEME : Intensification of forest management Scheme (earlier name as Integrated Forest Protection Scheme)
Outlay : ₹ 3,00,00,000/-

This is a centrally sponsored scheme implemented on 60:40 sharing basis. The total outlay of ₹ 3,00,00,000/- has been kept under the scheme out of which the state share is ₹1,20,00,000/- and ₹1,80,00,000/- central share for the year 2017-18.

World over, the efforts are being made to protect and conserve the forests for healthy and clean environment. Government of India launched "Integrated Forest Protection Scheme", commencing from the year 2002-2003. The scheme makes judicious use of all available methods for better protection and conservation of forest resources of the country. These methods include control of forest fires, creation of fire lines and fire watch towers, fire mapping, purchase of fire fighting equipment's and creation of awareness among the local masses.

Natural state owned forests are located in Shivalik hills and other important block Forest areas in plains constituting the most important segment of habitat forests. Every year forest fires have become very common and destroy very large areas of natural forests. The Government of India specially intervened and guided the affected states to set up fire protection measures. Under the Government of India guidelines such schemes of permanent nature have to be adopted as state schemes. Training would also be given to the field staff in control of Forest fires.

An amount of ₹ 3,00,00,000/- has been provided under this scheme during the year 2017-18.

(12)

CODE NO. OF THE SCHEME : 2-1-0552-2406-01-101-96-51
NAME OF SCHEME : Agro-forestry under National Mission for sustainable-Agriculture (NMSA) Centrally Sponsored Scheme.
Outlay : ₹ 6,00,00,000/-

This is a centrally sponsored scheme implemented on 60:40 sharing basis. The total outlay of ₹ 6,00,00,000/- has been kept under the scheme out of which the state share is ₹2,40,00,000/- and ₹3,60,00,000/- central share for the year 2017-18.

During the year, the proposed outlay under the scheme is Rs. 600 lacs and the physical target is as under:-

Nursery Development

Small Nurseries-9, Big Nurseries-3 Hi-Tech Nurseries-3 Low Density Plantations is 340 Ha. High Density Block Plantations is 375 Ha.

The tree cover in the State will get increased by implementation of this scheme. The farmers/beneficiaries of this scheme will be benefited by sale of the farm produce. No new staff is being proposed.

An amount of ₹ 6,00,00,000/- has been provided for this scheme during the year 2017-18.

(13)

CODE NO. OF THE SCHEME : **2-1-0552-2406-01-102-64-51**
NAME OF SCHEME : **National Afforestation Programme**
(National Mission for a Green India)
Outlay : **₹ 20,00,00,00,000/-**

This is a centrally sponsored scheme implemented on 60:40 sharing basis. The total outlay of ₹ 20,00,00,00,000/- has been kept under the scheme out of which the state share is ₹ 8,00,00,00,000/- and ₹12,00,00,00,000/- central share for the year 2017-18.

Under National Afforestation Programme (NAP), Forest Development Agencies have been constituted in every district. They have been duly registered under Societies Registration Act 1860. Under this scheme, afforestation and other allied activities are undertaken mainly in forest areas through Joint Forest Management mechanism. As per the revised operational guidelines of NAP, a State Level Forest Development Agency (SFDA) has already been constituted in Haryana State. The SFDA has also been duly registered under Societies Registration Act 1860. The SFDA functions as a federation for the various district level Forest Development Agencies. The funds received from Government of India under National Afforestation Programme and Green India Mission are being routed to FDAs through SFDA.

Green India Mission (GIM) is one of the eight Missions identified under the National Action Plan on Climate Change (NAPCC). The GIM aims to address key concerns related to Climate Change in the forest sector, namely: Adaptation, Mitigation, Vulnerability and Ecosystem Services.

The activities under the scheme have been designed to raise Afforestation on Govt. Forest lands, Panchayat lands and Institutional lands. Active involvement of Village Forest Committees will be ensured in protection of forests through Joint Forest Management.

An amount of ₹ 20,00,00,00,000/- has been provided under this scheme during the year 2017-18.

Soil and Water Conservation (Forest)

(1)

CODE NO. OF THE SCHEME : 1-1-0106 -2402 -51-102-91 -51
NAME OF SCHEME : Afforestation of Special sites, for Desert Control.
Outlay : ₹ 100,00,000/-

This is a continuing State Scheme. All its expenditure is to borne by the State Government .

The desert conitions prevail in the district of Bhiwani, Hisar,Sirsa, Fatehabad, Rewari, Mohindergarh, Jhajjar and Rohtak. The rainfall is scanty as the area is marked by the extremes of climate. It is a generally dry during the greater part of the year. The area affected by wind eroision constitutes nearly 20% of the total area of the State. The treatment consists in raising shelterbelts and wind breaks along Rail Road, Canal and Bunds. The species that will be planted include Azadirachts indica, Acacia nilotica, Pongamia pinnata, Zizyphus, Dalbergia etc.

WILD LIFE PRESERVATION

(1)

CODE NO. OF THE SCHEME : 1-1-0526 -2406 -02-800-98 -51
NAME OF SCHEME : Extension of Zoos & Deer parks.
Outlay : ₹ 4,50,00,000/-

This is a continuing State Scheme. All its expenditure is to borne by the State Government .

The zoos in the country have to follow the guidelines issued by the Central Zoo Authority (CZA) of MOEF (GOI) and have to be approved by it. In the absence of adequate resources for the management of zoos, four zoos were closed in the State and only two zoos at Pipli and at Rohtak were given provisional approval by CZA. In the light of the various directions issued by Govt. of India for proper enclosures for the zoo animals, a lot of improvement needs to be done at these zoos. CZA has given specific requirement of space and facilities for each species of wild animal kept in the zoo. The layout plan for Pipli and Rohtak zoos has been prepared and submitted for approval to CZA. Although some cages at Pipli and Rohtak zoos fit into these specifications, there are other enclosures that need to be renovated and enlarged. CZA provides adequate funds for such works, although the basic responsibility of maintaining the zoos lies with the State Govt. Therefore, the funds asked for under this scheme are for normal upkeep and maintenance of the animals in the zoo. More cages are required to be constructed in the Zoo as per CZA guidelines. As indicated above following Zoos, Deer Parks and newly Peacock and Chinkara Breeding Centre will be developed /maintained under the scheme.

1. Minis Zoo, Pipli.
2. Mini Zoo, Rohtak.
3. Mini Zoo, Bhiwani.
4. Deer Park, Hisar.
5. Deer Park/Rescue Centre Meham.
6. Peacock and Chinkara Breeding Centre Jhabua, Rewari.

The school children and people in general get information about wildlife. It also creates awareness among people regarding wildlife conservation. They can also observe wildlife from close distance.

An amount of ₹ 4,50,00,000/- has been provided under this scheme during 2017-18.

(2)

CODE NO. OF THE SCHEME : 1-1-0527-2406-02-110-93 -51
NAME OF SCHEME : Wild life protection in multiple use area.
Outlay : ₹ 4,00,00,000/-

This is a continuing State Scheme. All the expenditure is to be borne by the state.

This is a staff scheme for protection of wildlife and to some extent for extension activities. It is proposed to encompass all these into one scheme and expand the activities for improvement of habitat for wildlife, especially for birds outside protected areas and for promotion of facilities for eco-tourism. Additional check posts and regulatory chain gate at entry points will be established for apprehending poachers and illegal trade in wildlife produce. A very effective means of protection of wildlife is through education of the common masses, farmers, teachers and students. Holding nature education camps, preparing the educational material and such other activities are included in this scheme. It is also proposed to strengthen the information on the wildlife resources in the State. For this census of wildlife in the Protected Areas needs to be carried out. In-service training of the forestry staff in the wildlife and in-service training for up gradation the skills of the wildlife staff for better management of resources in the State has been proposed and incorporated. In recent years unusual mortality of peacocks, partridges and quails has been reported. Excessive use of pesticides/insecticides in agriculture may be harming the birds. There are several important bird areas outside National Parks and Sanctuaries that will be developed. Activities to encourage publicity, extension and eco-tourism will be undertaken. Monkey menace is getting all out attention from the

public. The problem needs to be tackled on priority. As in other States, the adult monkeys are to be sterilized and rehabilitated back in the wild by organizing "monkey sterilization and rehabilitation camps" in those districts which are worst affected by the monkey menace. For this programme, a separate project needs to be formulated later in collaboration with G.O.I. As per rough estimates, the total monkey population in the State may be around 33000 and one third of them are adult males.

In addition Haryana Forest Department has started a scheme for the adoption of animals and birds in zoos and deer parks of the state to generate love for animals and birds. For maintaining transparency in this scheme, a provision of ₹284000/- in contribution is being done during the financial year 2016-17.

Through the implementation of the scheme, the wildlife in the State will be better conserved and protected and any adverse effect on human and live stock population and agriculture due to decline in wildlife will be checked.

An amount of ₹ 4,00,00,000/- has been provided under this scheme during 2017-18.

(3)

CODE NO. OF THE SCHEME	:	2-1-0532-2406-02-110-91-51
NAME OF SCHEME	:	Strengthening, expansion and Improvement of Sanctuaries (60:40)
Outlay	:	₹ 6,00,00,000/-

This is a centrally sponsored scheme on sharing basis. The total scheme is for ₹6,00,00,000/- in which the State share is ₹2,40,00,000/- and ₹ 3,60,00,000/- is Central share.

Although wildlife is found throughout, the secure home of wildlife are the National Parks and Wildlife Sanctuaries in the State where the animals have assured protection. The total area covered under the National Parks & Wildlife Sanctuaries is 303.62 Km². Although the wild animals live in wilderness, yet to mitigate the ill effects of human activities in their habitats, some activities are required for the development of these Protected Areas for the protection and welfare of wildlife therein. Necessary action for improvement of wildlife habitats, adequate provisions for water, construction of fence, plantation of fruits and fodder trees, removal of harmful excess weeds, erection of watch towers, development of camping sites, provisions for guided tours and nature education, procurement of necessary equipment for bird watching, creation of nature trails, repair and creation of inspection paths & roads etc. are undertaken in these protected areas. Eco-development activities in villages adjoining protected areas are also undertaken to the extent possible

(i) Sultanpur National Park

It is the oldest recognized bird habitat in the State visited by a large variety of inland and migratory birds. The condition of this water body was adversely affected by changes in land use and natural drainage of adjoining area in the past. However, a pipeline has been laid from village Kaliawas through Gurgaon water supply scheme for augmentation of water to Sultanpur National Park. The eroded mounds will be strengthened. Ground water of Sultanpur and surrounding areas is brackish, and hence, plans are to bring treated water from Gurgaon water supply scheme to Sultanpur lake for the staff and visitors. A Stone based boundary wall with fence will be constructed around the periphery of the park for proper protection from stray animals, neelgai and poachers. An area of 15 acres of the lake will be deepened to increase the water holding capacity of the lake.

(ii) Bhindawas Wildlife Sanctuary

It is the largest water body in Haryana regularly visited by over 300 species of migratory and domestic birds. It requires adequate water from JLN Canal System. The whole lake area will be ploughed & harrowed with tractors in summer months when lake remains completely dry. The old chain link fence around the sanctuary will be repaired and replaced. Plantation of fruit trees, de-silting of lake and construction of mounds inside lake bed will be undertaken to improve the habitat for birds.

(iii) Kalesar National Park and Wildlife Sanctuary.

This protected area is well known not only in the State but in the northern Indian region. It is necessary to increase the water points to spread out the wild population. Trenches need to be dug at strategic locations around and inside the protected area. In addition fire prevention measures are required. Research of Red jungle fowl and other endangered species is being undertaken under the scheme. Two more guard huts and check posts will be constructed. Communication system will be strengthened and 3 more motorcycles will be provided to the newly posted staff for better protection. Camping sites and nature trails will be established to promote eco-tourism. Existing kutcha roads and inspection paths will be strengthened in the park.

(iv) Bir Shikargah Wildlife Sanctuary

Bir Shikargah Wildlife Sanctuary is close to cities of Chandigarh and Panchkula, easily accessible, densely covered with tree vegetation and having sizeable population of ungulates and birds. Since it does not have perennial water resources, artificial water sources will be provided. A deep tube-well is proposed to be installed in the sanctuary and all the guzzlers need to be connected through pipelines to this tube well. Two-three small water ponds/tanks need to be constructed to maintain water sources throughout the year for the needy wildlife of the area. Salt licks also needed at 8-10 places in the sanctuary.

(v) Khol-Hi-Raitan Wildlife Sanctuary

An area of 2226.58 ha. Of R.F has been declared as Wild Life Sanctuary vide Haryana Government notification No. S.O.269/C.A 53/1972/S.26-A/2004 dated 10.12.2004 w.e.f 10.12.2004. This area will be developed. Water and fodder will be provided to the animals in the sanctuary.

(vi) Nahar (Rewari), Saraswati (Kaithal), Bir Bara Ban (Jind) and Berwala (Panchkula) Wildlife Sanctuaries.

Adequate protection would be provided to these sanctuaries. The basic requirement of food and water of the resident animal population would be met. Census of animals within the sanctuaries will be done.

An amount of ₹ 6,00,00,000/- has been provided to continue for the above activities along with recurring expenditure on staff deployed in these sanctuaries during the year 2017-18.

(4)

CODE NO. OF THE SCHEME	:	2-1-0549-2406-02-110-88-51
NAME OF SCHEME	:	Integrated Development of Wild life(60:40)
Outlay	:	₹ 4,00,00,000/-

This is a Centrally sponsored scheme on sharing basis. The total outlay of ₹ 4,00,00,000/- has been kept under the scheme in which State Share is ₹ 1,60,00,000/- and ₹ 2,40,00,000/- is the Central share..

The erstwhile "Assistance for Development of National Parks and Sanctuaries" was modified and renamed as 'Integrated Development of Wildlife Habitats'. This Central sector scheme provides the following:

1. Support to Protected Areas (National Parks, Wildlife Sanctuaries, Conservation Reserves and Community Reserves).
2. Protection of Wildlife outside Protected Areas.
3. Recovery Programmes for saving critically endangered species and habitat.

In Haryana, the wildlife conservation is being achieved through in-situ and ex-situ conservation strategies. There are 2 National Parks, 8 Wildlife Sanctuaries and 2 Conservation Reserves in the State subjected to in-situ conservation. Under ex-situ conservation, breeding of Red Jungle Fowl is being done at Barwala and Morni (Panchkula). A Jatayu (Vulture) conservation and breeding centre is established at Bir-Shikargah near Pinjore in collaboration with Bombay Natural History Society (BNHS). A Peacock and Chinkara conservation breeding centre has been established at Jhabua, Rewari. Chinkara and Black bucks are also being in-situ protected at Kairu in Bhiwani and at Nahar in Jhajhar. An Elephant rehabilitation centre is being established at Ban Santor in Yamunanagar district. Department has established a deer park at Hisar and small zoos at Bhiwani, Rohtak and Pipli (Kurushetra).

Under the Integrated Development of Wild Life Habitat Scheme, following activities may be implemented with a view to support Protected Areas (PAs), providing protection to wildlife outside PAs and in developing research base for safeguarding critically endangered species.

1. Regular research projects can be given to Lala Lajpat Rai University of Veterinary Sciences, Hisar to monitor the behaviour and adverse effect on their health in captivity for zoos in Haryana.
2. Various wildlife conservation activities in the protected areas for the development, management and improving the Wildlife habitat.
3. Various habitat enrichment and protection activities for wildlife found outside protected areas including wetlands.
4. Empowering the staff in effectively carrying out their duties by developing infrastructure like vehicle, communication system and procuring weapons/tranquilizer guns, medicines and other tools for rescue operations etc.
5. Wildlife wing of Forest department, Haryana can work in collaboration or invite for independent research projects with renowned wildlife institutions, NGO, educational institutions for suggested following studies of importance to Haryana;
 - a) A study regarding breeding potential of various species and improving their health in the established breeding centres in Haryana. Regular monitoring of the health of animals by taking various blood & faecal samples.
 - b) A study to mitigate the man animal conflict specially the crop raiding by Neelgai and various deer's species.
 - c) A research study on the behaviour of monkeys to prepare a plan to control the monkey menace in Haryana.
 - d) A research study to find out reasons for disappearance of house sparrow and various other avian fauna in Haryana.
 - e) A study on floral and faunal identification and classification inside/outside the protected areas.

Our National Park, Sultanpur, Kalesar and other wildlife sanctuaries will be developed and habitats will be improved which is very important for wildlife conservation . An amount of ₹ 4,00,00,000/- has been provided under this scheme during the year 2017-18.

COOPERATION
MEMORANDUM EXPLANATORY OF THE STATE SCHEMES

(1)

Code No. : 1-1-0610-2425-51-001-97-99
Name of the Scheme : Scheme for Various branches of RCS,
 Office at Head Quarter-Information Technology.
Outlay : ₹1,50,00,000/-

Explanation

- a) **Financing of the Scheme:** State Scheme.
- b) **Object and performance of the scheme from its initiation:**
 This is a continuing scheme. The computers and software will be purchased to computerize the office of the Registrar, Cooperative Societies, Haryana, Panchkula, as well as field offices of the department. To make best use of computers for office purpose, so that office work is carried out in a fast manner with accuracy. .
- c) **Targets achieved so far:**
 During the year 2011-12 the IT Plan of the department had been approved. However, the department succeeded in purchasing the computers for the office use. RFP for E-governance implementation of Registrar Cooperative Societies has been prepared and same would be sent to Govt. for approval and tendering thereof. The internet band width speed has been increased 5 MBPS to 10 MBPS. 30 sets of 1 KVA offline UPS have been purchased. 18 computers have also been purchased. The HP Scan jet Scanner has been purchased. Ten wi-fi Routers, 5 BAS tablets have been installed in the office premises.
- d) **Financial and Physical targets for the year 2017-18**
 Computers will be purchased for the Head Office as well as remaining field level Offices. The department will need more funds for the implementation of the IT Plan which comes to approx. Rs. 11.72 Crore. Multifunctional printers (44), Photocopiers Machines (14), Computers and UPS (50) are needed to be purchased. The Set up of IT Server Room will be rearranged.
 However, a provision of ₹1,50,00,000/- is being made for the year 2017-18 for purpose of Hardware and for development of various software, which is to be finalized.
- e) **Quantum of funds likely to be borne by GOI or by any external agency:**
 The whole amount will be borne by the State Government.
- f) **Benefit of the Scheme:**
 Due to the changing trends; it has become necessary for the State Government to computerize the official work. It will increase the efficiency of office work with accuracy.

(2)

Code No. : 1-1-0606-2425-51-105-98-51
Name of the Scheme : Publicity and Propaganda through Cooperative
 Development Federation (Harcofed)
Outlay : ₹1,50,00,000/-

Explanation

- a) **Financing of the Scheme:** State Scheme
 The whole amount will be provided by the State Government.

- b) Object and performance of the scheme from its initiation:**
Harcofed has been entrusted the job of publicity of the Cooperative Movement in the State of Haryana and it publishes Magazines, Folders, Pamphlets, Books containing data of Cooperative Societies. It also organizes Conferences, Radio T.V. talk debate etc. The Cooperative week is also celebrated through Harco Fed.
- c) Targets achieved so far:**
During the year 2010-11, Harcofed published 26 magazines namely Haryana Sahakari Parkash, Cooperative Mirror and organized Cooperative Week as well as other regular books & folders containing the cooperative movement were published and distributed among public at various functions. During the year 2011-12 and 2012-13 the Harco Fed organized 67 events and 68 events under which 2039 members and 2410 members, respectively got benefit. During annual plan 2013-14, Harcofed had benefitted 2628 members which covered various programmes under 73 events. About 3474 and 3587 members had been benefitted under 94 and 89 events in the year 2014-15 and 2015-16, respectively. Moreover, 1842 members have already been benefitted under 47 events during 2016-17.
- d) Financial and Physical targets for the year 2017-18**
The Harcofed will publish 26 issues of magazines, Haryana Sahakari Parkash, Cooperative Mirror and will organize Cooperative Week in the month of November, 2016 at a place which will be selected by the Govt. Harcofed will also organize debates on Cooperative Movement in the State of Haryana in different Cooperative Banks/PACSS, DPCARDBs, Schools & Colleges. Hence a provision of ₹1,50,00,000/- has been made under this scheme for the year 2017-18. During the year 2017-18 Harcofed shall organize 95 events for providing benefit to the total no of 3700 members.
- e) Quantum of funds likely to be borne by GOI or by any external agency:**
The whole amount will be provided by the State Government.
- f) Benefit of the Scheme:**
The Cooperative Movement of Banking Sector, Housing Sector, Milk Union, Marketing Sector, Dairy Sector, Labour Sector will get publicity through the publication of publicity material by the Harcofed.

(3)

Code No.	:	1-1-0618-2425-51-107-94-51
Name of the Scheme	:	Assistance to Women Cooperatives.
Outlay	:	₹80,00,000/-

Explanation

- a) Financing of the Scheme: State Scheme.**

Part-II-

- a) Financing of the Scheme: State Scheme.**
The whole amount will be provided by the State government.
- b) Object and performance of the scheme from its initiation:**
The loan facility will be extended to the Women Cooperative Societies in the State for improvement in the quality of Vegetables and Fruits as well as evolution of a system where both growers as well as consumers are benefitted and also advancement of loan to Women Cooperative societies for undertaking of various types of activities for their benefit and upliftment. Under this scheme the loan of Rs. 5.00 lakh will be provided by the Central Cooperative Banks, out of which subsidy portion of 20% or a maximum subsidy of Rs.1.00 lakh will be provided to each society by the State Govt.
- c) Targets achieved so far:**
New Scheme
- d) Financial and Physical targets for the year 2017-18**
To extend benefits to at least 80 Women Cooperative Societies during financial year 2017-18
- e) Benefit of the Scheme:**
It will help in upliftment of women who have so far remained downtrodden strata.

(4)

Code No.	:	1-1-0617-2425-51-107-93-51
Name of the Scheme	:	Assistance for contribution to Guarantee fees for deposit of guarantee Scheme for Primary Agriculture Cooperative Societies.
Outlay	:	₹ 2,00,000/-

Explanation

- a) Financing of the Scheme: State Scheme.**
The whole amount will be provided by the State Government.
- b) Object and performance of the scheme:**
This is a continuing scheme. This scheme is called as Deposit Guarantee Scheme for Primary Agriculture Cooperative Societies (PACS) to provide insurance cover for deposit mobilized by PACS amounting to `50,000/- per member. This scheme was formulated by the Haryana State Cooperative Apex Bank Ltd., Chandigarh (Harco Bank) in the year 2005-06. Till now, the total fund in the Corpus Fund of this scheme has reached to ₹2646.00 lakh (₹2538.00 lakh contribution and ₹108.00 lakh interest). The Corpus fund is being maintained by Harco Bank. Till now, no PACS has applied for Financial Assistance under this scheme. Harco Bank allow maximum rate of interest as SB/AC special on this Corpus fund. The Govt. will contribute @ 0.15% towards the corpus on behalf of PACS.

- c) **Financial and Physical targets for the year 2017-18**
On the implementation of this scheme a sense of security is created in the mind of depositors. During the financial year 2017-18, under this scheme an amount of ₹50,000/- per depositor is proposed to be insured. The Corpus Fund will be maintained for Deposit Guarantee Scheme in the ratio of PACS 0.15%, CCBs 0.10% and SCBs 0.05%. Hence a provision of ₹2,00,000/- has been made under this scheme for the year 2017-18.
- e) **Benefit of the Scheme:**
On the implementation of this scheme a sense of security on deposits upto ₹50,000/- will be created in the mind of the depositors. The implementation of the scheme will lead in mobilization of the credit at Primary Agriculture Cooperative Societies level.

(5)

- e) **Quantum of funds likely to be borne by GOI or by any external agency:**
The whole amount will be provided by the State Government.
- f) **Benefit of the Scheme:**
A part of Labour Cooperatives will be enabled to have machinery and equipments required for timely and speedy completion of work of its initial phase executing by Labour Societies.

(7)

Code No.	:	1-1-0640-2425-51-107-76-51
Name of the Scheme	:	Mukhya Mantri Dugh Utpadhak Protsahan Yojna in Haryana.
Outlay	:	₹ 35,40,00,000/-

Explanation

- a) **Financing of the Scheme: State Scheme.**
The whole amount will be provided by the State Government.

- b) Object and performance of the scheme from its initiation:**
To give remunerative process to the milk producers for sustainable growth of Dairy Sector, subsidy ₹5 per litre is paid in addition to existing rate to milk pourers of Cooperative Milk Societies during lean period i.e. April to September. During lean period the milk procurement in the State goes down at a minimum level whereas market demand increases. Due to this, milk producers divert their milk to private agencies to get higher rate of their milk. To overcome this problem, State Govt. has announced to enhance subsidy from ₹ 4 to ₹ 5 per litre of milk, so that the milk producers may continue supplying their milk to the Dairy Cooperatives instead of private agencies. This scheme is being implemented by the Haryana Dairy Development Cooperative Federation Ltd. Panchkula.
- c) Targets achieved so far:**
This scheme was introduced in 2013-14. Under this scheme an amount of Rs. 1016.16 lakh released to the Dairyfed for 1 lakh milk pourers. The subsidy of Rs. 2500.00 lakh had been provided to total no. of 100000 pourers during financial year 2014-15. In addition Rs. 2318.22 lakh and Rs. 2450.00 lakh has already been provided during financial year 2015-16 and 2016-17, respectively.
- d) Financial and Physical targets for the year 2017-18**
During the financial year 2017-18, a provision of ₹35,40,00,000/- is made for granting funds to the HDDCF for providing subsidy @ ₹5/- per litre to approximately 1 lakh milk pourers on milk procured by the Milk Unions during lean period.
- e) Quantum of funds likely to be borne by GOI or by any external agency:**
The whole amount will be provided by the State Government.
- f) Benefit of the Scheme:**
The benefit of the scheme will be that the milk producers will get per litre higher prices of milk and it will help to add in the economy of the members. The Dairyfed will also increase their quantum of milk procurement that is essential to meet the requirement of increased demand of milk and milk products.

(8)

Code No.	:	1-1-0643-2425-51-107-75-51
Name of the Scheme	:	Assistance to Cooperative Labour and Construction Societies.
Outlay	:	₹10,00,000/-

Explanation

- a) Financing of the Scheme: State Scheme.**

**RURAL DEVELOPMENT
PART- I - STATE SCHEMES**

(1)

Code No. : 1-1-0952-2501-06-800-98-51
Name of the Scheme : **DWCRA scheme renamed as Scheme for Rural Development Establishment Expenses Field Staff**
Outlay : **₹3,50,00,000/-**

The posts of Additional Gram Sevikas were sanctioned under the erstwhile scheme of Development of Women & Children in Rural Areas (DWCRA). The Government of India had merged DWCRA scheme in Swarnajyanti Gram Swarozgar Yojana during the year 1999-2000 now National Rural Livelihood Mission (NRLM). To provide staff support to the groups being formed under National Rural Livelihood Mission, the entire expenditure of Additional Gram Sevikas is now being met by the State Government.

An outlay of ₹3,50,00,000/- has been provided for the year 2017-2018.

(2)

Code No. : 1-1-1009-2505-01-702-88-99
Name of Scheme : **Rashtriya Sam Vikas Yojana/Backward Region Grant Fund Renamed as Swarn Jayanti Uthaan Yojana-Normal Plan**
Outlay : **₹67,00,00,000/-**

This is a State Scheme. The main objective of the scheme is to solve the problems of poverty, low growth, poor governance in Sirsa and Mohindergarh districts. There will be no income from the scheme. However, the programme is likely to prove an effective instrument in solving the problems of poverty, low growth, poor governance in the backward district Sirsa and Mohindergarh for their development.

An outlay of ₹67,00,00,000/- has been provided for the year 2017-2018.

(3)

Code No. : 1-2-1012-2505-01-789-99-91
Name of Scheme : **Scheme for the Backward Grant Region Fund for Scheduled castes Renamed as Swarn Jayanti Uthaan Yojana.**
Outlay : **₹33,00,00,000/-**

This is a State Scheme. The main objective of the scheme is to solve the problems of poverty, low growth, poor governance in Sirsa and Mohindergarh districts. There will be no income from the scheme. However, the programme is likely to prove an effective instrument in solving the problems of poverty, low growth, poor governance in the backward district of Sirsa and Mohindergarh for their development.

An outlay of ₹33,00,00,000/- has been provided for the year 2017-2018.

(4)

Code No. : 1-1-0000-2515-51-106-99-51
Name of scheme : **Vidhayak Adarsh Gram Yojana (VAGY)**
Outlay : **₹18,00,000/-**

Vidhayak Adarsh Gram Yojana (VAGY) has been approved on the pattern of Sansad Adarsh Gram Yojana (SAGY) by State Government. All the Minister and MLAs have to identify the Gram Panchayat as per the guidelines of this scheme. Till date, 55 MLAs have identified the GPs. This scheme will be implemented in a time bound manner.

An amount of ₹18,00,000/- has been provided for the year 2017-2018.

PART-II : CENTRAL STATE SCHEMES (Sharing Basis)

(1)

Code No. : 2-1-0959-2501-05-101-99-51
Name of the Scheme : Integrated Wasteland Development /Management Project
Outlay : ₹80,00,00,000/-

From the year 2008, the schemes of DDP & IWDP were merged into new scheme called Integrated Watershed Management Programme (IWMP). The objective of IWMP is to conserve water, recharging of water table, production of enhancement and to create livelihood opportunities. Watershed projects were taken up from the year 2011-12 in 7 district of Panchkula, Yamunanagar, Ambala, Hisar, Rewari, Mahendragarh & Bhiwani and Entry Point Activities & Natural Resource Management (NRM) works have been completed in these district. In the successive year (2012-13, 2013-14 & 2014-15), 6 more districts namely Gurgaon, Mewat, Palwal, Jhajjar, Sonipat & Rohtak were covered.

88 Watershed Projects have been sanctioned by the Ministry covering an area of 3.6 lakh hectare with total project cost of ₹437.25 crore by the end of 2015-16. Entry Point Activities in sanctioned 60 projects during the year 2011-12, 2012-13 have been completed.

An outlay of ₹80,00,00,000/- (₹32,00,00,000 as State share and ₹48,00,00,000 as Central share) has been provided for the year 2017-2018.

(2)

Code No. : 2-1-0000-2501-05-789-99-51
Name of the Scheme : Integrated Waste Land Development Management Project Castes
Outlay : ₹20,00,00,000/-

From the year 2008, the schemes of DDP & IWDP were merged into new scheme called Integrated Watershed Management Programme (IWMP). The objective of IWMP is to conserve water, recharging of water table, production of enhancement and to create livelihood opportunities. Watershed projects were taken up from the year 2011-12 in 7 district of Panchkula, Yamunanagar, Ambala, Hisar, Rewari, Mahendragarh & Bhiwani and Entry Point Activities & Natural Resource Management (NRM) works have been completed in these district. In the successive year (2012-13, 2013-14 & 2014-15), 6 more districts namely Gurgaon, Mewat, Palwal, Jhajjar, Sonipat & Rohtak were covered.

88 Watershed Projects have been sanctioned by the Ministry covering an area of 3.6 lakh hectare with total project cost of ₹437.25 crore by the end of 2015-16. Entry Point Activities in sanctioned 60 projects during the year 2011-12, 2012-13 have been completed.

An outlay of ₹20,00,00,000/- (₹8,00,00,000 as State share and ₹12,00,00,000 as Central share) has been provided for the year 2017-2018.

(3)

Code No. : 2-1-0953-2501-06-101-99-99
Name of the Scheme : Integrated Rural Development Programme including
SGSY renamed as National Rural Livelihoods Mission
(NRLM/Aajeevika)
Outlay : ₹15,00,00,000/-

NRLM is under implementation in the state of Haryana since 2013-14. In its 1st phase of implementation, 4 districts namely Kaithal, Jhajjar, Bhiwani and Mewat were taken up for intensive implementation. In the next phase i.e. 2014-15, five more districts were taken up for intensive implementation thus spreading the coverage to 9 districts. In the current financial year yet another district has been added in its coverage raising the no. of districts for intensive implementation of NRLM to 10 where as in the remaining districts also the NRLM is being implemented in identified areas.

Under this scheme, the Self Help Groups of women from rural poor households are to be granted relaxation in interest rate on their borrowings from the banks by way of providing interest subvention in the case of SHGs repaying their loans on regular basis. Accordingly, such Self Help Groups are being identified and the process of releasing interest subvention to them has since been initiated. Interest subvention to 51 of such SHGs has already been granted and the process is being accelerated to cover more SHGs increasingly.

An outlay of ₹15,00,00,000/- (₹6,00,00,000 as State share and ₹9,00,00,000 as Central share) has been provided for the year 2017-2018.

(4)

Code No. : 2-2-0960-2501-06-789-99-51
Name of the Scheme : Scheme for the Swaranjyanti Gram Swarozgar Yojana for scheduled castes renamed as National Rural Livelihood Mission (NRLM/Aajeevika)
Outlay : ₹15,00,00,000/-

NRLM is under implementation in the state of Haryana since 2013-14. An outlay of ₹15,00,00,000/- (₹6,00,00,000 as State share and ₹9,00,00,000 as Central share) has been provided for the year 2017-2018.

(5)

Code No. : 2-1-0958-2501-06-800-97-51
Name of the Scheme : DRDA-Administration
Outlay : ₹30,00,00,000/-

The District Rural Development Agencies have traditionally been the principal organ at the district level to oversee the implementation of different anti poverty programmes. Earlier, the administrative costs of the DRDAs were met by way of setting apart a share of the allocations for each programmes like IRDP, DDP, JRY etc. However, keeping in view the need for an effective agency at the district level to coordinate the anti- poverty effort, Centrally Sponsored Scheme known as DRDA Administration has been introduced by the Govt. of India from the year 1999-2000.

An outlay of ₹30,00,00,000/- (as State Share) has been provided for the year 2017-2018.

(6)

Code No. : 2-1-1005-2505-01-702-93-99
Name of Scheme : Construction/up-gradation of Houses for S.Cs./STs Freed bonded labour under Indira Awas Yojna (NR)-Normal Plan
Outlay : ₹125,00,00,000/-

The objective of Indira Awas Yojna is primarily to help construction of dwelling units by members of non-Scheduled Castes rural poor living below the poverty line. As per guidelines 70,000/- per house in plain areas and ₹75,000/- per unit in hilly/difficult areas is being given as grant in aid to the BPL families in the rural areas. It is a Centrally Sponsored Scheme on 60.40 sharing basis.

An outlay of ₹125,00,00,000/- (₹50,00,00,000 as State share and ₹75,00,00,000 as Central share) has been provided for the year 2017-2018.

(7)

Code No. : 2-2-1011-2505-01-789-98-51
Name of Scheme : Scheme for the construction/Up-gradation of Houses for scheduled castes and scheduled tribe freed bonded labour under Indira Awas Yojna
Outlay : ₹177,00,00,000 /-

The objective of Indira Awas Yojna is primarily to help construction of dwelling units by rural poor members of Scheduled Castes living below the poverty line. As per guidelines ₹70,000/- per house in plain areas and ₹75,500/- per unit in hilly/difficult areas is being given as grant in aid to the BPL families in the rural areas. It is a Centrally Sponsored Scheme on 60:40 sharing basis.

An outlay of ₹177,00,00,000/- (₹75,00,00,000 as State share and ₹102,00,00,000 as Central share) has been provided for the year 2017-2018.

(8)

Code No.	:	2-1-1010-2505-02-101-99-99
Name of Scheme	:	Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGA)-Normal Plan
Outlay	:	₹184,00,00,000/-

Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) is being implemented in all the districts of Haryana State from the year 2008-09.

The basic objective of the scheme is to enhance livelihood security in rural areas by providing atleast 100 days of guaranteed wage employment in a financial year to every household whose adult members volunteer to do unskilled manual work.

The scheme is applicable only to rural areas. 1/3rd of the jobs are reserved for women. Minimum wages applicable in the State would be payable to the persons employed. Unemployed persons are to apply for registration with concerned Gram Panchayats. After registration, Job Cards are issued to the household by the Gram Panchayats. The payment of wages is being made on weekly or fortnightly basis. The contractors are banned under this programme. It is a Centrally Sponsored Scheme on 90.10 sharing basis

An outlay of ₹184,00,00,000 (₹40,00,00,000 as State share and ₹144,00,00,000 as Central share) has been provided for the year 2017-2018.

(9)

(10)

Code No.	:	2-1-0000-2515-51-106-97-51
Name of scheme	:	Shyama Prasad Mukherjee Rurban Mission (SPMRM)
Outlay	:	₹80,00,00,000/-

Hon'ble Prime Minister, Govt. of India has launched a new scheme namely Shyama Prasad Mukherjee Rurban Mission (SPMRM) on 21st Feb., 2016. The Mission aims at development of Rurban clusters, which would trigger overall development in the region. The clusters would be developed by provisioning of economic activities, developing skills & total entrepreneurship and providing infrastructure amenities. It is a Centrally Sponsored Scheme on 60.40 sharing basis

An amount of ₹80,00,00,000/- (₹32,00,00,000 State Share & ₹48,00,00,000 Centre Share) has been provided during the year 2017-2018.

Part-III-Centrally Sponsored Scheme (100%)

(1)

Code No. : 3-1-0000-2515-51-106-98-51
Name of scheme : Pradhan Mantri Adarsh Gram Yojana (PMAGY)
Outlay : ₹2,20,00,000/-

The Ministry of Social Justice and Empowerment had introduced the Pradhan Mantri Adarsh Gram Yojana (PMAGY) during the year 2014-15. The main objective of the scheme is to ensure integrated development of the selected 1000 villages with more than 50% SC population into "Model Villages".

An amount of ₹2,20,00,000/- has been provided for the year 2017-18.

(2)

Code No. : 3-1-0000-2553-51-101-98-51
Name of scheme : Saansad Adarsh Gram Yojana (SAGY)
Outlay : ₹2,50,00,000/-

Saansad Adarsh Gram Yojana (SAGY) had been launched by Hon'ble Prime Minister of India on 11th October, 2014. Under this scheme, Hon'ble MPs will identify initially on a Gram Panchayat of population 3000-5000 to be developed by 2016 and thereafter two such Gram Panchayats to be developed upto 2019. These GPs will be developed using convergence with various centrally sponsored and states schemes to motivate the neighbouring villages to make their GPs as Adarsh village.

An amount of ₹2,50,00,000/- has been provided for the year 2017-18.

LAND RECORDS
Part-II Central Schemes (Sharing Basis)

Code No. (1)
2-1-1054-2506-51-103-99-98

Name of Scheme: National Land Records Modernization Programme-98 Survey/resurvey and Modern Record Room (50:50 sharing basis shared Central).

Outlay ₹ 10,00,00,000/-

(a) FINANCING PATTERN OF THE SCHEME (SP, CSS, CSP) OR EAP:

National Land Records Modernization Programme-98-Survey/resurvey and Modern Record Room (50:50 sharing basis shared Central). The expenditure incurred under this scheme is borne by the Government of India and State Government on 50:50 sharing basis.

(b) AIMS AND OBJECT OF THE SCHEME FROM ITS INITIATION AND ITS PERFORMANCE.

The main objectives of the scheme are:-

- a) Survey/Resurvey and Updating of Survey and Settlement Records (including ground control network and ground trusting)-50 %Central share.
- b) Modern Record Room/Land Records Management Centre at Tehsil /Sub Tehsil level (50% Central Share)

(c) TARGETS ACHIEVED SO FAR:

The Government of India has decided to implement the Centrally Sponsored Scheme in the shape of the National Land Records Modernization Programme (NLRMP) by merging two existing Centrally- Schemes of Computerization of Land Records and Strengthening of Revenue Administration and Updating of Land Records in the Department of Land Resources, Ministry of Rural Development. The integrated programme would modernize management of land records, minimize scope of land dispute, enhance transparency in the land records maintenance system, and to facilitate moving eventually towards guaranteed conclusive titles to immovable properties in the country. This scheme is being implemented from the year 2010.

HARSAC, which is a nodal agency for GIS work in the State has been entrusted to accomplish the job of digitization of cadastral maps and scanning of old records under this programme.

The HARSAC allotted the work to four venders selected through RFP process. Revenue Department has already made a proposal to modernize the Tehsil level revenue record room and providing the compactors/optimizers for storage of revenue records and computers, printers etc. to provide the copy of scanned revenue record.

1160 Dell make Computer have been purchased and supplied to all Sub Tehsils/Tehsil in the State for setting up of Modern Record Room under NLRMP Scheme. Server, MFD, UPS and WiFi cards have also been made available to all the Tehsils/Sub Tehsils to make all the Moder Record Rooms functional. An amt. of Rs. 1000.00 lakh (Rs. 500.00 lakh as State Share and Rs. 500.00 Lakh as Central share has been provided during the current financial year 2017-2018 under this scheme.

(d) FINANCIAL & PHYSICAL TARGETS FOR THE YEAR 2017-2018:

An amount of Rs. 1000.00 lakh (Rs. 500.00 lakh State Share and Rs. 500.00 lakh Central Share) for the Survey/Resurvey and Updating of Survey and Settlement Records (including ground control network and ground trusting) has been provided for the year 2017-18. Modern record rooms are to be set up at all the tehsil/sub tehsil level in the State under this scheme for which @ Rs. 25.00 lakh for each modern record room has been sanctioned. For Setting up of Modern Record rooms, optimizer/compactors computer servers, Gen Set furniture, Wi Fi cards, MFD, printers, UPS system are to be procured. Director Supplies and Disposal Haryana have been requested to procure Gen Set and also requested to Forest Deptt. Haryana to procure computer tables, chairs to Tehsil, Sub Tehsil levels. All efforts will be made all Modern Records rooms functional in the next financial year.

(e) BENEFITS OF THE SCHEME AND REASONS FOR CONTINUATION OF THE SCHEME DURING 2016-2017

Development of a modern, comprehensive and transparent land records management system in the State with the aim to implement the conclusive land titling system with tile guarantee. The system will be based on four basis principles i.e.

- (i) Single window to handle land records (including the maintenance and updating of textual records, maps).
 - a. Timely issuance of copies of land records in the shortest possible time to those who need it.
 - b. Elimination of corruption and harassment to the general public in matter like registration of documents, sanction of mutations and aspects of public dealings.
 - c. Creation of land records information system, which automatically updates revenue record by bringing all the revenue entries on-line.
 - d. Creation of land information system and database for effective reforms, revenue administration and development/ ning at grass root level.
 - e. Low cost easy storage medium for revenue records and database and efficient retrieval of information both spiritual and textual.
 - f. Land disputes will be minimized.

National Land Records Modernization Programme-97-Computerisation of Registration(75:25 sharing basis shared Central) The expenditure incurred under this scheme is borne by the Government of India and State Government on 75:25 sharing basis shared Central)

(d) AIMS AND OBJECT OF THE SCHEME FROM ITS INITIATION AND ITS PERFORMANCE.

The main objectives of the scheme are:-

- a) Data Entry of legacy encumbrance data
- b) Scanning & Preservation of Old documents
- c) Data Entry of valuation details
- d) Computerization of Registration Work
- e) Computerization of SROs.
- f) Connectivity of SROs with Revenue Offices

(e) TARGETS ACHIEVED SO FAR:

The Government of India has decided to implement the Centrally Sponsored Scheme in the shape of the National Land Records Modernization Programme (NLRMP) by merging two existing Centrally- Schemes of Computerization of Land Records and Strengthening of Revenue Administration and Updating of Land Records in the Department of Land Resources, Ministry of Rural Development. The integrated programme would modernize management of land records, minimize scope of land dispute, enhance transparency in the land records maintenance system, and to facilitate moving eventually towards guaranteed conclusive titles to immovable properties in the country. This scheme is being implemented from the year 2010.

HARSAC, which is a nodal agency for GIS work in the State has been entrusted to accomplish the job under this programme. The HARSAC identified four selected vendors for the purpose of Computerization of Registration in the State.

Deed registration work has been computerized in the 18 SRO offices in the State. Haryana Registration Information System (HARIS) developed by NIC Haryana is being used to computerize the deed registration work. In case of rural agricultural land software picks the details of the owners. Khewats and khasra nos. etc. from the Jamabandis data and mutation activities can be started immediately after the deed registration. HARIS implemented in all the 118 tehsils and sub tehsils of State. Project implemented on self sustainable basis by DITS. Daily Registration data from the 120 locations coming to State Date Centre. Collector rates are available on www.Jamabandis.nic.in. Web site and Deed templates are also available on Revenue Department's web site. An amt. of Rs. 67.00 lakh (Rs. 50.00 lakh as State Share and Rs. 17.00 lakh as Central Share has been provided for the current financial year under this scheme.

f) FINANCIAL & PHYSICAL TARGETS FOR THE YEAR 2017-18:

An amount of Rs. 67.00 lakh (Rs. 50.00 lakh State Share and Rs. 17.00 lakh Central Share) is being proposed for the year 2017-18 under this scheme for Scanning & Preservation of Old documents.

(g) BENEFITS OF THE SCHEME AND REASONS FOR CONTINUATION OF THE SCHEME DURING 2017-2018

Development of a modern, comprehensive and transparent land records management system in the State with the aim to implement the conclusive land titling system with tile guarantee. The system will be based on four basis principles i.e.

1. A single window to handle land records (including the maintenance and updating of textual records, maps).
2. Timely issuance of copies of land records in the shortest possible time to those who need it.
3. Elimination of corruption and harassment to the general public in matter like registration of documents, sanction of mutations and aspects of public dealings.
4. Creation of land records information system, which automatically updates revenue record by bringing all the revenue entries on-line.
5. Creation of land information system and database for effective reforms, revenue administration and development/ ning at grass root level.
6. Low cost easy storage medium for revenue records and database and efficient retrieval of information both spiritual and textual.
7. Land disputes will be minimized.

Part-III Central Sponsored Schemes (100%)

Code No.	(1) 3-1-1301-2029-51-103-97-99
Name of Scheme:	Rationalisation of Minor Irrigation Statistics Headquarter Staff Information Technology.
Outlay	₹ 10,00,000/-

(a) This Scheme was started in 1987.

(b) AIMS AND OBJECT OF THE SCHEME FROM ITS INITIATION AND ITS PERFORMANCE.

This scheme was introduced in the State during the 7th Five Year as a part of the All India project. Keeping in view the lack of proper coordination between the departments dealing with the statistics relating to Minor Irrigation projects in the States in its totality and considering the lack of uniformity in the concept of terminology used in data relating to the minor irrigation projects and the related matter relating to the fixation of norms of minor irrigation structure, a need was felt to carry out a comprehensive survey of Minor Irrigation scheme to have a sound data base for planning purposes. This scheme was approved by the Ministry of Water Resources (Government of India) with 100% Central assistance and is likely to be implemented during the 12th Five year. The scheme is proposed to be included in the annual 2017-18. The main objectives of the scheme are:-

1. To take up studies regarding reconciliation of discrepancies in figures of area irrigated reported in the agricultural statistics and in periodical progress reports received from the State Government.
2. To coordinate statistics relating to minor irrigation projects on a quarterly and on annual basis.
3. To organize special survey in between two censuses for estimating yard-stick of additional area irrigated for different categories of minor Irrigation Projects.
4. To ascertain reasons for the disuse of projects through special survey as also the rate of depreciation due to siltation of surface water storage projects.
5. To organize on quinquennial basis a census of minor irrigation projects.
6. To compile statistics of area irrigation under crops according to seasons.
7. To explore the possibility of organizing pilot studies and to ascertain the increase in productivity due to minor irrigation projects and,
8. To collect information regarding the extent of construction of Minor irrigation Works through institutional finance and through own private finance of farmers as a part of the quinquennial.

c.) TARGETS ACHIEVED SO FAR:

(b) Four Minor Irrigation censuses taking 1986-87, 1993-94 2000-2001 and 2006-07 as the reference years have already been conducted in the State. The 5th Minor Irrigation Census is proposed to be conducted with 2013-14 as the reference year. The work of 5th Minor Irrigation Census is in progress at field level.

(c) Other objectives of the scheme will be achieved as per directions of Government of India during the current financial year 2017-18. The work relating to printing & Schedules and guidelines has been completed and training at State level has been imparted. The data work of field in schedules of 5th Minor Irrigation of 6840 village out of 748 villages has been completed, remaining work is near completion and is expected to be completed by October, 2016

d.) FINANCIAL & PHYSICAL TARGETS FOR THE YEAR 2017-2018:

An amount of Rs 10.00 lakh for data entry work are proposed for the year 2017-2018 under this scheme for its smooth working. The field work of the 5th minor irrigation census will be completed shortly.

(e) BENEFITS OF THE SCHEME AND REASONS FOR CONTINUATION OF THE SCHEME DURING 2017-18.

The very purpose of this scheme is to ascertain the extent of irrigation from minor sources (both ground and surface) having cultivable commands area up to 2000 hectares. It gives the information of irrigation potential created and potential utilized along with the cultivable command area under the project(s). This scheme proved useful for the Professionals, and Researchers in irrigation and agriculture section and also for all other who are directly or indirectly connected with it. A sound database has been created in respect of Minor Irrigation Projects in the State.

(2)

Code No.	3-1-1301-2029-51-103-97-98
Name of Scheme:	Rationalisation of Minor Irrigation Statistics Headquarter Staff Establishment Expenses.
Outlay	₹ 1,13,00,000/-

This Scheme was started in 1987.

(b) FINANCING PATTERN OF THE SCHEME (SP,CSS,CSP) OR EAP:

Rationalization of Minor Irrigation Statistics is a 100% Centrally Sponsored Scheme. The whole expenditure incurred under this scheme is borne by the Government of India.

(c) AIMS AND OBJECT OF THE SCHEME FROM ITS INITIATION AND ITS PERFORMANCE.

This scheme was introduced in the State during the 7th Five Year as a part of the All India project. Keeping in view the lack of proper coordination between the departments dealing with the statistics relating to Minor Irrigation projects in the States in its totality and considering the lack of uniformity in the concept of terminology used in data relating to the minor irrigation projects and the related matter relating to the fixation of norms of minor irrigation structure, a need was felt to carry out a comprehensive survey of Minor Irrigation scheme to have a sound data base for planning purposes. This scheme was approved by the Ministry of Water Resources (Government of India) with 100% Central assistance and is likely to be implemented during the 12th Five year. The scheme is proposed to be included in the annual 2017-18. The main objectives of the scheme are:-

1. To take up studies regarding reconciliation of discrepancies in figures of area Irrigated reported in the agricultural statistics and in periodical progress reports received from the State Government.
2. To coordinate statistics relating to minor irrigation projects on a quarterly and on annual basis.
3. To organize special survey in between two censuses for estimating yard-stick of additional area irrigated for different categories of minor Irrigation Projects.
4. To ascertain reasons for the disuse of projects through special survey as also the rate of depreciation due to siltation of surface water storage projects.

6. To compile statistics of area irrigation under crops according to seasons.
7. To explore the possibility of organizing pilot studies and to ascertain the increase in productivity due to minor irrigation projects and,
8. To collect information regarding the extent of construction of Minor irrigation Works through institutional finance and through own private finance of farmers as a part of the quinquennial.

d) TARGETS ACHIEVED SO FAR:

b. Four Minor Irrigation censuses taking 1986-87, 1993-94 2000-2001 and 2006-07 as the reference years have already been conducted in the State. The 5th Minor Irrigation Census is proposed to be conducted with 2013-14 as the reference year. The work of 5th Minor Irrigation Census is in progress at field level.

c. Other objectives of the scheme will be achieved as per directions of Government of India during the current financial year 2017-18. The work relating to printing & Schedules and guidelines has been completed and training at State level has been imparted. The data work of field in schedules of 5th Minor Irrigation of 6840 village out of 748 villages has been completed, remaining work is near completion and is expected to be completed by October, 2016

g) FINANCIAL & PHYSICAL TARGETS FOR THE YEAR 2017-2018:

An amount of Rs 53.00 lakh for the statistical Cell and Rs. 60.00 lakh for the scheme of Rationalization of Minor Irrigation Statistics Honorarium are proposed for the year 2017-2018 under this scheme for its smooth working. The field work of the 5th minor irrigation census will be completed shortly.

(d) QUANTUM OF FUNDS LIKELY TO BE BORNE BY GOVERNMENT OFINDIA OR BY ANY OTHER EXTERNAL AGENCY.

Since this is a 100% Centrally Sponsored Scheme, therefore the whole amount will be borne by the Government of India.

(e) BENEFITS OF THE SCHEME AND REASONS FOR CONTINUATION OF THE SCHEME DURING 2017-18.

The very purpose of this scheme is to ascertain the extent of irrigation from minor sources (both ground and surface) having cultivable commands area up to 2000 hectares. It gives the information of irrigation potential created and potential utilized along with the cultivable command area under the project(s). This scheme proved useful for the Professionals, and Researchers in irrigation and agriculture section and also for all other who are directly or indirectly connected with it. A sound database has been created in respect of Minor Irrigation Projects in the State.

(3)

Code No. 3-1-1302-2029-51-103-96-51**Name of Scheme: Headquarter Staff Land Records Agricultural Census.****Outlay ₹ 1,35,00,000/-**

a) This scheme was started in 1970-71

b) FINANCING PATATERN OF THE SCHEME

Agricultural census is a 100% Centrally Sponsored Scheme. The whole expenditure incurred under the scheme is borne by the Government of India.

(c) AIMS AND OBJECTS OF THE SCHEME FROM ITS INITIATION AND ITS PERFORMANCE

Agricultural Census Scheme is an integral part of world/ national programme. Since 1970-71, it is conducted in all the States/ UTs of the country on quinquennial basis. Its main objectives are to provide data on number and area of Operational holdings, their tenancy particulars, land utilization, irrigation status, and source- wise area irrigated number of wells and tube wells, area under crops according to irrigated and unirrigated conditions and dispersal of operated

area. The performance of this scheme since its inception has been very good. All the information relating to each census is sent to Government of India well in time.

(d) **TARGETS ACHIEVED SO FAR:**

The Agricultural Census is conducted on quinquennial basis. First Agricultural Census was conducted with 1970-71 as the reference year. The subsequent censuses were conducted with 1976-77, 1980-81, 1985-86, 1990-91, 1995-96, 2000-01 and 2005-06 & 2010-2011. The present 10th Agricultural Census with reference year 2015-2016 followed by an Input Survey 2016-17 as the reference year is being conducted. The priority Table-I of Agricultural Census has been started. The Agricultural Census 2015-16 have been punched and schedules for collecting data at field level got printed from Govt. Press. Training has been imparted to the field staff. The priority Table 1 of Agril. Census 2015-16 is near completion. 10th Agril. Census work in the time limit prescribed by the Govt. of India i.e. 30-9-2016.

(e) **BENEFITS OF THE SCHEME AND REASONS FOR CONTINUANCE OF THE SCHEME DURING THE YEAR 2017-18.**

The main occupation of the people in India is Agriculture as more than 70% population is directly/indirectly dependent on agricultural sector. The data collected under this scheme is very important and useful for administrators, and research scholars. The data is collected in respect of land holders' size class wise, social status wise and sex wise which is widely used for agriculture and development purposes. The posts which have been sanctioned vide Haryana Government Revenue Department Memo. 621-ARS-II-2016/4175 dated 6-4-2016 for the year 2016-17 have been shown in the Annexure. The continuation of the posts sanctioned for the current financial year 2016-2017 under this scheme is absolutely necessary for the year 2017-2018 for the smooth completion of work under the scheme.

(4)

Code No.	3-1-1054-2506-51-103-99-99
Name of Scheme:	National Land Records Modernization Programme Computerization of Land Records.
Outlay	₹ 3,67,00,000/-

This scheme is being implemented since the year 2010.

(a) **FINANCING PATTERN OF THE SCHEME (SP,CSS,CSP) OR EAP:**

National Land Records Modernization Programme-99-Computerisation of Land Records is a 100% Centrally Sponsored Scheme. The whole expenditure incurred under this scheme is borne by the Government of India.

(b) **AIMS AND OBJECT OF THE SCHEME FROM ITS INITIATION AND ITS PERFORMANCE.**

The main objectives of the scheme are:-

- a) Data entry/re-entry/data conversion of all textual records including mutation records and other land attributes data.
- b) Digitization of cadastral maps.
- c) Integration of textual and spatial data.
- d) Inter-connectivity among revenue offices.

(c) TARGETS ACHIEVED SO FAR:

The Government of India has decided to implement the Centrally Sponsored Scheme in the shape of the National Land Records Modernization Programme (NLRMP) by merging two existing Centrally Schemes of Computerization of Land Records and Strengthening of Revenue Administration and Updating of Land Records in the Department of Land Resources, Ministry of Rural Development. The integrated programme would modernize management of land records, minimize scope of land dispute, enhance transparency in the land records maintenance system, and to facilitate moving eventually towards guaranteed conclusive titles to immovable properties in the country. This scheme is being implemented from the year 2010.

HARSAC, which is a nodal agency for GIS work in the State, has been entrusted to accomplish the job under this programme. The HARSAC identified four companies for the purpose of Computerization of Land Records in all districts and the work has been started by these companies in field. 121 primary and 589 secondary control points have been established. Hundred percent work of scanning of musavisi has been completed. There is a budget provision of Rs. 269.00 lakh for the year 2016-17 under this scheme for remaining work.

(d) BENEFITS OF THE SCHEME AND REASONS FOR CONTINUATION OF THE SCHEME DURING 2017-2018.

Development of a modern, comprehensive and transparent land records management system in the State with the aim to implement the conclusive land titling system with tile guarantee. The system will be based on four basis principles i.e.

- a. A single window to handle land records (including the maintenance and updating of textual records, maps).
- b. Timely issuance of copies of land records in the shortest possible time to those who need it.
- c. Elimination of corruption and harassment to the general public in matter like registration of documents, sanction of mutations and aspects of public dealings.
- d. Creation of land records information system, which automatically updates revenue record by bringing all the revenue entries on-line.
- e. Creation of land information system and database for effective reforms, revenue administration and development at grass root level.
- f. Low cost easy storage medium for revenue records and database and efficient retrieval of information both spiritual and textual.
- g. Land disputes will be minimized.
- h. The integrated programme would modernize management of land records, minimize scope of land dispute, enhance transparency in the land records maintenance system, and to facilitate moving eventually towards guaranteed conclusive titles to immovable properties in the country.

COMMUNITY DEVELOPMENT AND PANCHAYATS
PART-I- STATE SCHEMES

(1)

Code No : 1-1-1101-2515-51-101-95-51
Name of Scheme : Matching Grant-in-aid for Development works (People share)
Outlay : ₹2,00,00,000/-

This is a State Scheme introduced in the year 1979-80. The funds under the scheme are allocated/sanctioned for specific projects i.e. school buildings, veterinary dispensaries, hospitals, recreation centres, Mahila Mandal Bhawans, Harijan and Backward Chaupals and other development works through Panchayats/Panchayat Samitis, PWD (B&R) and Local Committees. The rural people themselves identify the projects and raise their public contribution and are associated throughout the implementation of the project. This scheme has evoked a big response from the people and every year there an increase in the demand for this grant. In order to motivate the public and to increase their participation in the development of their area and to create a sense of ownership.

The public and Government contribute in equal share but in case of projects related to women, the government contributes double of the public share. On receipt of sanction for a particular works from the Chief Minister, Ministers, State Ministers, Speaker, Deputy Speakers etc. on the demand of people of a particular area, the Deputy Commissioner concerned will take steps to deposit the contribution of the people/society in the receipt head of the department and after satisfying himself that the Matching Grant is admissible under the rules.

The funds under the scheme are allocated/sanctioned for specific projects i.e. School buildings, Veterinary Dispensaries, Hospitals, Recreation Centers, Mahila Mandal Bhawans, Harijan and Backward Chaupals and other development works through Panchayats/Panchayat Samitis, PWD (B & R) and Local Committees.

The audit and inspection of the accounts of the Gram Panchayats, office of BDPO/DDPOs and Executive Engineers who are executing agencies is carried out by the Local Audit Department and Principle Accountant General, Haryana from time to time.

An amount of ₹2,000,000/- (People share) has been provided for the year 2017-2018.

(2)

Code No : 1-1-1110-2515-51-101-93-51
Name of Scheme : Matching Grant-in-aid for Development Works- (Govt. Share)
Outlay : ₹2,75,00,000/-

The scheme of Matching Grant was introduced during the year 1979- 80 to improve the living conditions of the Rural masses and to give them incentive. This scheme is executed under specific rules for projects namely school buildings, Veterinary dispensaries, Recreation Centers, Pavement of streets, Harijan and Backward classes chaupals and other development works. The people make contribution for development works and the Government gives grants to beneficiaries equal to the people's share. (10)

Code No. : 1-1-0000-2515-51-102-83-51
Name of scheme : Awareness amongst village Youth Volunteers for Rural Development
Outlay : ₹10,00,00,000/-

It is well known that the Government is implementing vast range of programs in the rural areas but the delivery of these programs needs to be improved. It is often felt that the people in the rural areas are either not aware of the opportunities that are being provided by the programs of various department/bank/private institutions or they do not have an easy access to them. It felt that the youth if trained can become a facilitative link.

With this background, Government has decided to initiate a new scheme called "Youth for Rural Development". It seeks to tap into the energy and potential of the youth, to trigger faster development of rural areas. Under this scheme, youth will be selected and trained as volunteers in the villages. To inspire the young to become volunteer and build their capacity to become change facilitators in the village community in order to ensure faster inclusive and sustainable social, human and economic development in rural areas.

An outlay of ₹10,00,00,000/- has been provided for the year 2017-2018.

(11)

Code No. : 1-1-0000-2515-51-102-82-51
Name of scheme : Haryana State Gramin Swachhata Puraskar scheme
Outlay : ₹7,50,00,000/-

The Swachh Bharat Mission-Gramin was launched by the Hon'ble Prime Minister of India w.e.f. 2nd October, 2014 with the objective to bring about an improvement in general quality in the rural areas by achieving the open defecation free status through accelerated sanitation coverage to access to toilets to all by 2019 and scientific management of solid and liquid waste in rural areas.

According to 73rd Constitution Amendment Act 1992, Sanitation is included in the 11th Schedule. Accordingly, Gram Panchayats have a pivotal role in the implementation of Swachh Bharat Mission-Gramin. Panchayats have been given responsibility to carry out the social mobilization for

construction of toilets and also maintain the clean environment by way of safe disposal of solid & liquid waste.

In order to promote the role of Gram Panchayats in sanitation as envisaged in constitution, the State Government took a decision to incentivize such Gram Panchayats which achieve Open Defecation Free (ODF) status. The Hon'ble Chief Minister of Haryana has announced an incentive scheme of ₹1.00 lakh to each GP, ₹5.00 lakh to each Panchayat Samiti and ₹20.00 lakh to each Zila Parishad on achieving the Open Defecation Free (ODF) status.

An outlay of ₹7,50,00,000/- has been provided for the year 2017-2018.

Name of Scheme : Mahatma Gandhi Gramin Basti Yojana (SCSP)
Outlay : ₹82,50,00,000/-

The Planning Commission, Government of India, had been stressing from time to time to frame special schemes for the upliftment of the Scheduled Castes. Keeping in view the guidelines of the Planning Commission, Mahatma Gandhi Gramin Basti Yojna was launched in the State of Haryana in the year 2008. This scheme is aimed at benefiting the poorer sections of the society. The scheme aimed to allot free residential 100 Square yards plots to the eligible SC families, Backward Class (Category-A) families and BPL families in the villages out of available suitable shamlat land.

In the first phase, the plots are being provided out of the shamlat lands wherever suitable land is available with the Panchayats and in the villages where no suitable Panchayat land is available, it is being made available either by way of exchange with that of the private land owners or by acquisition. Basic infrastructural facilities such as streets, drinking water, drainage, power supply etc. are provided along with these residential plots, in phased manner. Further, a sum of ₹10,000/- per acre per year is being paid as annuity to those Gram Panchayats whose land has already been utilized for the purpose of allotment of plots.

An amount of ₹82,50,00,000/- has been provided for the year 2017-2018.

Maintenance includes repair of lining, pucca structures and earth work. Additional staff for watch and ward of the canal and drainage system is also being engaged during peak season which is also being charged to this head.

Hence, an amount of ₹65,00,00,000/- has been provided for the year 2017-2018.

(8)

Code No : 1-1-0000-2700-51-800-96-51
Name of Scheme : Compensation to farmers for loss of their crop due to breach of Canal
Outlay : ₹25,00,000/-

Irrigation & Water Resources Department is maintaining the canal networks with its best efforts and efficiency. However, due to shortage of regular staff for regular watch and ward and some unavoidable circumstance like rat/snake holes in the banks, canal & distributaries breach, due to which some time standing crops of farmers in nearby fields damages and causes great loss to the farmers. Govt. has decided to compensate the farmers for loss of their crop due to breach of canal will be given after confirming the assessment of Field and District Authorities. The approval of Government for case to case basis as per the recommendation of District level authorities shall be taken up. A provision ₹25,00,000/- has been made for the year 2017-2018.

(9)

Code No. : 1-1-5201-4700-07-800-98-51
Name of Scheme : Construction of Canals
Outlay : ₹ 100,00,00,000/-

SYL Project was conceived in the year 1978 to bring Haryana shares of Ravi-Beas Water. This project consisted of two segments, one lying in Haryana (91kms.) and other in Punjab (121kms.). Haryana completed its portion of the channel in the year 1979 at a cost of ₹56.00 crore, but Punjab has not so far completed the Canal in its territory. The completion of SYL Canal will bring full share of Ravi-Beas water to the State of Haryana and potential created through various projects such as JLN Lift Irrigation Scheme, Loharu Lift Irrigation Scheme, Rewari Lift Irrigation Scheme and Gurgaon Canal will be fully utilized.

Hence, an amount of ₹100,00,00,000/- has been provided for the year 2017-2018 for Haryana portion of SYL Canal.

(10)

Code No.	:	1-2- 5228-4700-13-789-99-51
Name of Scheme	:	Rehabilitation Canal Network - Improvement in Rehabilitation of Water Courses in Scheduled Castes population in the State
Outlay	:	₹94,00,00,000/-

Most of the canal system in Haryana is 40-50 years old. The rehabilitation and modernization of existing system is being given priority to improve the hydraulic flow conditions and to reduce losses to achieve the designed efficiency of water carrier/feeder distribution network. More stress is being given back the canal system to its designed/required parameters and efficiency with the minimum possible investment. The major rehabilitation works costing about ₹150.00 crore would be taken up on Petwar Distributory, Hisar Major Distributory, Prithla Distributory, Khanouri Minor, Jhakoli Distributory, Tohana Distributory, Urlana Minor, Jahangirpur Minor, Paharipur Minor, Loharu Distributory, Bassai Distributory etc. during the financial year 2016-2017 and thereafter. Further, 5 old dilapidated bridges on Western Jamuna Canal (WJC) are being reconstructed with the cost of about ₹25.00 crore. With this the capacity of WJC carrier system would be enhanced. In addition, various unserviceable damaged pumps and machinery of various pump houses on lift irrigation system shall also be replaced under this head. Due to meagre land holding of scheduled caste population in the State, no rehabilitation of canal network scheme could benefit directly to scheduled caste population. However, flow of the benefit in terms of employment and drinking water to SC population can be ensured. For improvement in construction works and rehabilitation of existing canal network for efficient distribution of water, a provision of ₹94,00,00,000/- under Scheduled Castes Sub Plan in the State has been made for the year 2017-2018.

(11)

Code No.	:	1-1-5209-4700-13-800-98-51
Name of Scheme	:	Construction of Canal
Outlay	:	₹135,00,00,000/-

In order to minimize the water losses in the old existing canal network, schemes are being prepared for better water management and to achieve the desired target of particular area by increasing the intensity of irrigation. Various works for rehabilitation and modernization of canal such as restoring, repairing, strengthening and raising of banks, repair of damaged lining, doing lining, repairing water crossing structure such as siphon, culverts and bridges etc. are being taken under the scheme. For improvement & construction works of New Minor and rehabilitation of existing canal network for efficient distribution of water, a provision of ₹135,00,00,000/- has been made for the year 2017-2018 .

(12)

Code No.	:	1-1-0000-4700-13-800-97-51
Name of Scheme	:	Improving Capacity of Western Jamuna Canal (WJC) and Jawahar Lal Nehru (JLN) System
Outlay	:	₹30,00,00,000/-

The basic connect of the project is to utilize maximum Yamuna water during rainy season for the benefit of the State, particularly the water-deficit South Haryana. Further, WJC carrier system is not designed to run all the off-taking channels simultaneously during rainy season when sufficient water is available in Yamuna. Therefore, in this proposal the WJC carrier system has been designed in a manner that all the off-taking channels system from Khubru, Munak and Indri will be able to run simultaneously. If there is demand in the area and no rotational programme would be enforced when sufficient water is available during rainy season. This will held not only to meet with the drinking and irrigation needs of the water starved area of South Haryana but also held in equitable distribution of surface water to some extent. A provision of ₹30,00,00,000/- has been provided for the year 2017-2018.

(13)

Code No. : **1-2-5207-4700-14-789-99-51**
Name of Scheme : **Recharge ground Water in Sweet Water in Scheduled Castes population in the State**
Outlay : **₹1,50,00,000/-**

Shahabad Nalvi Irrigation scheme was conceived in 1980, to provide surface irrigation and improve the depleting water table, a project amounting to ₹167.62 crore was approved in November, 2004. Subsequently, the project was revised in October, 2005 to ₹267.27 crore with three Phases to provide irrigation to 92532 hectares of land. The length of the channel is 374.24 Kms. The gross area/cultivable command area is 102812/92532 hectares. The discharge at the head is 590 Cs. and additional area to be brought under irrigation is 22566 hectares. This scheme will be recharge ground water in sweet water zone already declared as dark and grey by Central Ground Water Board. The canal constructed as kachcha canal and no lining is proposed except at critical reaches so that recharging of ground water takes efficiency. The work of the 1st Phase has been completed. In order to complete the various works of 2nd Phase channel, a provision of ₹1,50,00,000/- has been made under Scheduled Castes Sub Plan of the scheme for the year 2017-2018, which will ensure the flow of benefit to Scheduled Caste population residing along the channel.

(14)

Code No. : **1-1-5201-4700-14-800-98-51**
Name of Scheme : **Construction of Canal**
Outlay : **₹3,50,00,000/-**

Shahabad Nalvi Irrigation scheme was conceived in 1980, to provide surface irrigation and improve the depleting water table, a project amounting to ₹167.62 crore was approved in November, 2004. Subsequently, the project was revised in October, 2005 to ₹267.27 crore with three Phases to provide irrigation to 92532 hectares of land. The length of the channel is 374.24 Kms. The gross area/cultivable command area is 102812/92532 hectares. The discharge at the head is 590 Cusec and additional area to be brought under irrigation is 22566 hectares. This scheme will be recharge ground water in sweet water zone already declared as dark and grey by Central Ground Water Board. The canal constructed as katcha canal and no lining is proposed except at critical reaches so that recharging of ground water takes efficiency. The work of the 1st Phase has been completed. In order to complete the various works of 2nd Phase channel, a provision of ₹3,50,00,000/- has been made for the year 2017-2018.

(15)

Code No. : **1-1-5225-4700-15-800-98-51**
Name of Scheme : **Restoration Capacity of B.M.L.**
Outlay : **₹7,00,00,000/-**

Punjab is supplying part of Haryana's share of Satluj and Ravi-Beas water through Bhakra Main Line Canal at RD.390000 and Narwana Branch Canal at RD.160000. Due to constant running of these channels since 1954, designed carrying capacity of these channels has been reduced from 10794 Cs. to 9500 Cs. In order to restore this authorized capacity and for special repairs to be carried out for maintaining the capacity of the channels, so that Haryana keeps on getting uninterrupted authorized share of State, funds are being released to Punjab Irrigation Department on basis of estimates submitted by them after taking administrative approval of Government.

Hence, an amount of ₹7,00,00,000/- has been provided for the year 2017-2018 under this scheme.

(16)

Code No. : 1-1-5204-4700-15-800-97-51
Name of Scheme : BML-Hansi Branch-Butana Branch Multipurpose Link Channel
Outlay : ₹1,00,00,000/-

Government has decided to ensure equitable distribution of water. Therefore, a new scheme for construction of BML-Hansi Branch-Butana Branch Multipurpose Link Channel has been proposed. This channel will be a multipurpose channel. Besides ensuring equitable distribution of water, this scheme will also help in recharge of the sweet water zone. The State is not able to distribute the water equitably as the Hon'ble Supreme Court has stayed the operationalization of BML-Hansi Branch-Butana Branch Multipurpose Link Channel.

Hence, a token provision of ₹1,00,00,000/- has been provided for the year 2017-2018 under this scheme.

(17)

Code No. : 1-1-5208-4700-16-789-99-51
Name of Scheme : Improvement in Construction works and rehabilitation of Water Courses in Scheduled Castes population in the State
Outlay : ₹35,00,00,000/-

Out of the total 15404 Watercourses, 9423 have been lined under various projects by both Irrigation and CADA. Since, many of these Watercourses were lined more than 30 years ago, some have been damaged and required major rehabilitation. The department has identified 7500 Watercourses for major repair and rehabilitation. Work on remodelling and rehabilitation of watercourses has also been taken up in a phased manner and 2730 watercourses have been rehabilitated so far and work on about 188 watercourses are in progress. Balance watercourses will be rehabilitated in a phased manner.

For improvement in construction works by rehabilitation of watercourses in the State, a provision of ₹35,00,00,000/- under Scheduled Castes Sub Plan has been made for the year 2017-2018, which will ensure the flow of benefit to Scheduled Caste population residing along the watercourses.

(18)

Code No : 1-1-5205-4700-16-800-98-51
Name of Scheme : Construction of Canal
Outlay : ₹25,00,00,000/-

Out of the total 15404 Watercourses, 9423 have been lined under various projects by both Irrigation and CADA. For improvement in construction works by rehabilitation of watercourses in the State, a provision of ₹25,00,00,000/- has been made for the year 2017-2018.

(19)

Code No : 1-1-0000-4700-26-800-99-51
Name of Scheme : Sarasvati River Heritage Development Programme
Outlay : ₹1,00,00,000/-

State Govt. has decided that to revive Holy Sarasvati River. Accordingly, Sarasvati River Heritage Board has been constituted to look after the feasibility of revival of Heritage Sarasvati River. On the request of this Board, a new circle namely Sarasvati River Heritage Circle with its

Headquarter at Kurukshetra has been created and three of the existing Construction Divisions of the Department have been renamed and brought under the jurisdiction of this circle with their Headquarter at Jagadhari, Kurukshetra and Kaithal. Now, the various projects including the construction of Adibhadri Dam for revival of Sarasvati River has been identified and shall be taken up during the financial year after examination of technical feasibility.

A token provision of Rs.1,00,00,000/- has been made for the year 2017-18

(20)

Code No. : **1-1-4431-4701-06-789-99-51**
Name of scheme : **Improvement in New Minor for Equitable distribution of water for Scheduled castes population in the State**
Outlay : **₹10,00,00,000/-**

Construction of new minor is being discouraged due to lesser availability of water even for the existing canal system. However, to meet the public demand some new minors are being taken as per the orders of the Government. In addition to utilize the surplus water of Ghaggar some new minors are being constructed, off-taking from Ottu Pond. The ultimate vision of the department is 'Har Khet Ko Paani'. For Improvement in construction works of New Minor a provision of ₹10,00,00,000/- under Scheduled Castes Sub Plan in the State has been made for the year 2017-2018, which will ensure the flow of benefit to Scheduled Caste population residing along the newly constructed minor and other infrastructure.

(21)

Code No. : **1-1-4413-4701-06-800-98-51**
Name of scheme : **Construction of Canal**
Outlay : **₹10,00,00,000/-**

Construction of new minor is being discouraged due to lesser availability of water even for the existing canal system. However, to meet the public demand some new minors are being taken as per the orders of the Government. In addition to utilize the surplus water of Ghaggar some new minors are being constructed, off-taking from Ottu Pond. The ultimate vision of the department is 'Har Khet Ko Paani'. For Improvement in construction works of New Minors, a provision of ₹10,00,00,000/- has been made for the year 2017-2018.

(22)

Code No. : **1-1-4446-4701-06-800-97-51**
Name of scheme : **Annuity of Land**
Outlay : **₹20,00,00,000/-**

As per the policy of the State Government annual compensatory payment is to be made to the farmers whose land is being acquired by the State Government for implementation of various schemes for the benefit of the public of the State. In the last year, this component has been taken under Head 4701-06-800-98-51 as a sub component. Since annuity is to be paid for 33 years. In order to have proper accounting of the payments made, it is proposed to make the provision of ₹20,00,00,000/- for the year 2017-2018.

(23)

Code No. : **1-2-4436-4701-07-789-99-51**
Name of scheme : **Improvement of old/existing Channels under RIDF (NABARD) for Scheduled Castes population in the State.**
Outlay : **₹49,50,00,000/-**

In order to develop/rehabilitate canal infrastructure for the benefit of villagers and thereby increasing the agriculture production and overall income of small and marginal farmers under Scheduled Caste Sub Plan, NABARD has been approached for finances on loan basis. Numbers of schemes are being identified for better water management, recharge and providing irrigation under

Scheduled Caste Sub Plan of NABARD in the State. As a first step towards realizing the vision of the Government i.e. 'Har Khet Ko Paani' a project for improving capacity of various pump houses and canals of the JLN Lift Irrigation System costing of ₹143.00 crore has been approved. The project is being taken up in phased manner. Further, to minimize a gap between irrigation potential created and irrigation potential utilized. A project for rehabilitation of 565 watercourses costing about ₹300.00 crore has been recently approved from NABARD. The work of project would be completed in two years.

The provision of ₹49,50,00,000/- has been made for the year 2017-2018 under this scheme, which will ensure the flow of benefit to Scheduled Castes' population residing along the various channels and watercourses rehabilitated under this scheme.

(24)

Code No. : 1-1-4421-4701-07-800-98-51
Name of scheme : NABARD – Construction of Canal
Outlay : ₹50,50,00,000/-

In order to develop/rehabilitate canal infrastructure for the benefit of villagers and thereby increasing the agriculture production and overall income of small and marginal farmers under Scheduled Caste Sub Plan, NABARD has been approached for finances on loan basis. Numbers of schemes are being identified for better water management, recharge and providing irrigation under Scheduled Caste Sub Plan of NABARD in the State. As a first step towards realizing the vision of the Government i.e. 'Har Khet Ko Paani' a project for improving capacity of various pump houses and canals of the JLN Lift Irrigation System costing of ₹143.00 crore has been approved. The project is being taken up in phased manner. Further, to minimize a gap between irrigation potential created and irrigation potential utilized. A project for rehabilitation of 565 watercourses costing about ₹300.00 crore has been recently approved from NABARD. The work of project would be completed in two years.

The provision of ₹50,50,00,000/- has been made for the year 2017-2018 under this scheme.

(25)

Code No. : 1-1-4428-4701-19-800-98-51
Name of scheme : Construction of Canals.
Outlay : ₹1,00,00,000/-

The work of Kaushalya Dam is almost completed. The Dam will provide drinking water to Panchkula Town and adjoining area and will also help in moderation of flash floods. In order to complete the left over work like plugging of seepage and pending liabilities of the project, a provision of ₹1,00,00,000/- has been made for the year 2017-2018.

(26)

Code No. : 1-1-4437-4701-22-800-98-51
Name of scheme : Construction of Canal
Outlay : ₹1,00,000/-

The scheme for constructing Mewat Canal has been envisaged to provide irrigation and drinking water supply facility to the deprived and backward area of district Mewat. The preliminarily works i.e. survey of channel has been completed for fixing the alignment. The matter regarding alignment has been referred to I.I.T. Roorkee for studying the feasibility for providing tunnel instead of 3 number Pump Houses only token provision has been made.

A token provision of ₹1,00,000/- has been made for the year 2017-2018 under this scheme.

(27)

Code No. : 1-1-4477-4701-23-800-98-51
Name of scheme : Water Bodies – Construction of Canal
Outlay : ₹25,00,00,000/-

Under the scheme, the department proposes to develop, rehabilitate and renovate three existing water bodies namely Kotla Lake and other Water Bodies in the State. In addition, the project of injection wells costing ₹6.50 crore for recharging the ground water with surplus water during rainy season shall also be executed under this scheme.

Kotla Lake is a natural depression with non-permeable rocks at the bottom and used to get replenishments from the flood waters received from Aravali Hills in Alwar region. Since the sub-surface water is not useable and the fact that the water body can play a vital role in resuscitating the local economy and the communities there, it is proposed that a water body of 108 acres will be created in the first phase. Accordingly, it is proposed to develop and renovate 1st phase of Kotla Lake at a cost of ₹17.00 Crore to be executed from State resources. The 2nd Phase of the project shall be executed out of funds provided under economic stimulus package. The storage shall provide irrigation to 5512 acres of land. This will benefit the villages of Kotla, Akora, Mohamadpur, Khanpur, Nuh located in Mewat district.

The department has already started the work of land acquisition for these water bodies and payment of the same is likely to be made in the financial year 2016-2017. Hence, a provision of ₹25,00,00,000/- has been made for the year 2017-2018 under this scheme.

(28)

Code No. : 1-1-4430-4701-80-002-99-51
Name of scheme : Data Collection of Irrigation Projects
Outlay : ₹20,00,00,000/-

For efficient working and Institutional Strengthening in Irrigation & Water Resources Department, an amount of ₹25,00,00,000/- is required for the year 2016-2017. Under this scheme, the work of construction of office complexes, maintenance of Canal Colony and Rest Houses etc. and procurement of various machineries for Data Collection and Institutional Strengthening of the department will be taken up. In addition, recently Govt. has accorded the administrative approval of Sinchai Colony at Panchkula, the work of which has been planned to start in financial year 2016-2017 and thereafter.

Hence, a provision of ₹20,00,00,000/- has been made for the year 2017-2018 under this scheme.

(29)

Code No. : 1-1-4422-4701-80-052-99-51
Name of scheme : Institutional Strengthening Data Collection etc.
Outlay : ₹5,00,000/-

For efficient working and Institutional Strengthening in Irrigation & Water Resources Department (M&E), a provision of ₹5,00,000/- is required for 2017-2018 under this scheme. The procurement of various machineries for Data Collection and Institutional Strengthening of the department will be made.

Hence, a provision of ₹5,00,000/- has been made for the year 2017-2018 under this scheme.

(30)

Code No. : 1-1-4418-4701-80-800-98-51
Name of scheme : Payment of Enhanced land compensation under Court Orders (Charged)
Outlay : ₹70,00,00,000/-

Under this head of account payments of enhancement of land compensation and other cases decided by the various courts from time to time for the land already acquired for Plan schemes is to be made. In addition, payment is also made for Court payments of arbitration cases.

Hence, an amount ₹70,00,00,000/- has been provided for the year 2017-2018 under this scheme.

(31)

Code No : **2-1-5249-4700-25-800-98**
Name of Scheme : **AIBP – Construction of Canal.**
Outlay : **₹10,00,000/-**

It is a Central Scheme in sharing with State Govt. A comprehensive programme namely Pradhan Mantri Krishi Sinchai Yojna (PMKSY) has been formulated to provide end-to-end solutions in irrigation supply chain, such as creation of water sources, rain water harvesting distribution network, efficient on farm application and extension services on new technologies/information.

The scheme has been developed amalgamating various previous sectoral programmes like Accelerated Irrigation Benefit programme; Repair, Restoration and Renovation of water bodies and Command Area Development of Ministry of Water Resources, Integrated Watershed Management Programme of Department of land Resources and On Farm Water Management (component of NMSA) of Ministry of Agriculture to bring about a comprehensive water resources development and management.

The four components of the programmes are as under:-

- i. Accelerated Irrigation Benefit Programme – (MoWR)
- ii. PMKSY (Har Khet ko Pani) – (MoWR)
- iii. PMKSY (Per drop more crop) – (MoA)
- iv. PMKSY (Watershed Development) (DoLR)

The eligibility criteria to assess the PMKSY funds are as under:-

- a) A State will become eligible to access PMKSY fund only if it has prepared the District Irrigation Plans (DIP) and State Irrigation Plan (SIP), excepting for the initial year, and the expenditure in water resource development for agriculture sector in the year under consideration is not less than baseline expenditure. The baseline expenditure will be the average of expenditure in irrigation sector irrespective of state departments (i.e. creation of water source, distribution, management and application from State plan schemes) in State Plan in three prior to the year under consideration.
- b) States will be given additional weightage for levying charges on water and electricity for irrigation purposes, so as to ensure sustainability of the programme.

To utilize the maximum resources from Govt. of India, a provision of ₹10, 00,000/- including the central assistance of ₹6,00,000/- has been made for the year 2017-2018 under this scheme.

(32)

Code No. : **2-1-4483-4701-23-800-97-51**
Name of scheme : **Repair, Renovation and Restoration of Water Bodies**
Outlay : **₹1,00,000/-**

It is a Central Scheme sharing with State Government. The scheme has also now brought under PMKSY. Under the scheme, about 10,000 water bodies having a Cultivable Command Area (CCA) of 6.235 lakh hectare at a cost of ₹10,000 crore would be covered. Out of 10,000 water bodies, 9,000 water bodies will be in rural areas and balance 1,000 water bodies will be in urban areas. Out of ₹10,000 crore, central share is ₹6235 crore which includes ₹250 crore for spill over work in respect of water bodies taken up during XI Plan. The remaining amount of ₹3765 crore is to be arranged by State Governments themselves. The State would also be encouraged to seek external assistance for funding of RRR of Water Bodies. The main objective of the scheme is Comprehensive improvement and restoration water bodies thereby increasing tank storage capacity, Ground Water Recharge. The funding pattern for the scheme is Central Assistance 60% and State Share 40%.

Hence, a provision of ₹1,00,000/- has been made including Central Share of ₹60,000/- for the year 2017-2018.

FLOOD CONTROL

(1)

Code No. 1-1-5175-2700-18-001-93-51
Name of Scheme Chief Engineer
Outlay ₹ 6,00,00,000/-

The temporary posts of Engineer-in-Chief, Irrigation Department, Chief Engineers and their allied staff at the Head Quarter at Panchkula have been provided for which a provision of ₹6,00,00,000/- has been made for the year 2017-18 for salary and other allowances for expenses of staff.

(2)

Code No. 1-1-5174-2700-18-001-92-51
Name of Scheme Superintending Engineer
Outlay ₹5,00,00,000/-

The temporary posts of Superintending Engineers and their supporting staff at circle level in the department is for supervision of various flood control and drainage works in the field. In order to execute various works, temporary staff has been provided for which provision of ₹5,00,00,000/- has been made for the year 2017-18, for salary and other allowances for expenses of staff.

(3)

Code No. 1-1-5173-2700-18-00-91-51
Name of Scheme Executive Engineer
Outlay ₹48,34,00,000/-

The temporary posts of Executive Engineer and their supporting staff in the department is for execution of various flood control and drainage works in the department. No physical target has been fixed for this scheme. However in order to execute various works, temporary staff has been provided for which a provision of ₹48,34,00,000/- has been made for the year 2017-18, for salary and other allowances for expenses of staff.

(4)

Code No. 1-1-5133-4711-01-201-99-51
Name of Scheme Flood Protection and Disaster Preparedness.
Outlay ₹75,00,00,000/-

Various capital works relating to the Flood Protection & Drainage, Restoration and Disaster Management, will be executed under this scheme. Haryana State Flood Control Board under the chairmanship of Hon'ble C.M. approves various flood control and drainage schemes in the interest of the State and in order to get the flood works completed before the onset of monsoon for the financial year 2017-18, the 48th meeting of Haryana State Flood Control Board is likely to be held in the last week of February under the Chairmanship of Hon'ble C.M. Haryana and the Board, the schemes so approved by the Board will be taken upon priority. However, the 47th meeting of Haryana State Flood Control Board was held on 13.1.2016 under the Chairmanship of Hon'ble C.M. Haryana wherein 140 ongoing schemes with the balance requirement of funds of Rs.256.80 crore and 123 new schemes costing Rs.154.41 crore were approved by the Board. The department has completed 110 schemes and work on 50 schemes is in progress and total expenditure of about Rs.84.00 crore during the financial year 2016-17. In order to meet the capital expenditure for Flood Protection/drainage works and disaster management, an amount of ₹75,00,00,000/- has been provided for the year 2017-18.

(5)

Code No. 1-1-5135-4711-01-789-99-51
Name of Scheme Flood Protection Restoration and Disaster Management in Scheduled Castes population area in the State.
Outlay ₹50,00,00,000/-

In order to meet the capital expenditure for flood protection and drainage works which will directly or indirectly benefiting the scheduled caste population in the State, a provision of ₹50,00,00,000/- under Scheduled Castes Sub Plan has been made in the budget estimates 2017-18, which shall provide flow of benefits to scheduled caste population residing in the area.

COMMAND AREA DEVELOPMENT AUTHORITY

Code No. : 2-1-1206-2705-51-190-95-51
Name of Scheme : Area Development Programme for Canal Area (50% Basis)
Outlay : ₹205,00,00,000/-

Command Area Development Authority (CADA), Haryana has been implementing the Centrally Sponsored Command Area Development (CAD) Programme initiated by the Government of India in 1974-75 for systematic development and management of command areas of irrigation projects; improving utilization of irrigation potential and optimizing agricultural productivity and production from the irrigated areas by integrating all functions related with irrigated agriculture.

The Command Area Development Programme is an integrated area development approach towards the command areas of major and medium irrigation projects in the country. The programme is aimed at bridging the gap between the irrigation potential created (IPC) and actually utilized by linking the canal outlets to the field gates (also called naka) through a network of field channels (watercourses) and other related activities for optimum production.

The CAD programme was restructured and renamed as Command Area Development & Water Management (**CADWM**) w.e.f. 01.04.2004 and since 2008-09 the programme is being implemented as a State sector scheme with Central assistance. From the financial year 2015-16 onwards the CAD&WM works are covered under “**Har Khet Ko Pani**” component of the newly launched “**Pradhan Mantri Krishi Sinchai Yozna**” (**PMKSY**) as per the **Operational guidelines of the Scheme issued by the Ministry of Agriculture, Government of India, vide F. No. 19-4/2015-RFS-III dated 30th July, 2015** and the central assistance is now available to the State under this scheme as per the latest guidelines/norms for CADWM programme issued by the MOWR, RD & GR.

Since inception of the CADP/CADWM programme the following selected and approved projects have been taken up under the programme:

1. Gurgaon Canal Command
2. Rewari Lift Irrigation Scheme
3. Jui lift Irrigation Scheme
4. JLN Canal Command
5. Agra Canal Command Phase I
6. Agra Canal Command Phase-II
7. WJC Command Phase-I
8. WJC Command Phase-II
9. WJC Command Phase-III
10. WJC Canal Command Ph-IV
11. WJC Canal Command Ph-V
12. Hansi Area Project
13. Bond Distributory Command Project/Bhiwani Area.
14. Dulehra Distributory Command Project
15. Bhakra Canal Command Project Phase-1
16. JLN, Canal Command Phase-II
17. WJC Canal Command Ph-VI
18. Bhakra Canal Command Ph-II

Out of above projects, 15 projects bearing Sr. No. 1 to 15 have been completed, remaining three projects bearing Sr. No.16, 17 & 18 are going on.

Implementation of Micro Irrigation Project:

Keeping in view the growing water crisis and the need to produce more crop per drop of water and to enhance the crop productivity, there is an urgent need for adoption of more water efficient irrigation methods in place of the present practice of flood irrigation and therefore, in Draft Vision – 2025 of Irrigation by CADA has been envisaged in the districts where CADA setup exists to be implemented as demonstrative schemes for the improvement in the water use efficiency on pilot basis.

As per proposed scheme of Incentivisation for Briding Irrigation Gap (ISBIG) atleast 30% area of CCA of the onging project can be covered under Micro Irrigation and 30% CCA of Micro Irrigation can be covered under installation of solar power system for Micro Irrigation. Tentatively a provision of ₹41,25,00,000 has been made for the year 2017-18 for implementation of Micro Irrigation component.

For CADA, an outlay of ₹205,00,00,000 has been provided for the year 2017-18 comprising Central Share of ₹.100,00,00,000 and State Share of ₹105,00,00,000.

Scheme Code : **1-1-0000-2801-05-800-95-99**
Name of Scheme : **Grant/Assistance to Haryana DISCOMs under UDAY – Grant-in-aid to UHBVNL**
Proposed Outlay :- **Rs.2274,84,34,000/-**

UDAY (Ujwal DISCOMs Assurance Yojana), a scheme for the financial turnaround of Power Distribution companies (DISCOMs) has been approved by the Government of India with an objective to improve the operational and financial efficiency of the State DISCOMs. This scheme shall apply only to State-owned DISCOMs. DISCOMs for the purpose of this scheme may include combined generation, transmission and distribution undertakings. Participating States would undertake to achieve operational and financial turnaround of DISCOMs with measures outlined in the OM dated 20th November, 2015 issued by the Ministry of Power, Government of India.

State Government of Haryana has executed the tripartite UDAY MOU on dated 11.03.2016 and implementing the UDAY scheme. As per the scheme, the 75% of Rs.34600 crore, the outstanding debts of the DISCOMs as on 30.09.2015, i.e.Rs. 25950 crore has been taken over by the State Govt.

The Haryana Discoms will achieve the following AT&C loss reduction trajectory with the technical and managerial interventions as under:-

FY 2015-16	FY2016-17	FY2017-18	FY2018-19
28.05%	24.02%	20.04%	15.00%

State shall take over the future losses of DISCOMs in a graded manner and shall fund the loss as follows:-

Year	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
Previous years DISCOM loss to be taken over by State.	0% of the loss of 2014-15.	0% of the loss of 2015-16.	5% of the loss of 2016-17.	10% of the loss of 2017-18.	25% of the loss of 2018-19.	50% of the previous year loss

The debts amounting to Rs. 17300 crore will be taken over and transferred to DISCOMs in current fiscal 2015-16 and Rs. 8650 crore will be taken over in 2016-17 by September 2016, out of which an amount of Rs.2274,84,34,400/- will be provided to UHBVNL as grant-in-aid during the FY 2017-18.

Hence, a provision of Rs. 2274,84,34,400/- has been made for the year 2017-18 under this scheme.

Hence, a provision of Rs.171,00,00,000/- has been made for the year 2017-18 under this scheme.

(4)

Code No. : 1-1-1356-4801-05-190-99-51
Name of Scheme : Equity Capital to HVPNL
Proposed Outlay : Rs.103,40,00,000/-

HVPNL is a State Transmission Utility declared under Section 39 of the Electricity Act, 2003. It is a state scheme. The proposed investment will strengthen the communication of the transmission system and will be a vital link in management of flow of power in the state. The State Govt. is supporting power project through its allocation to the extent of 20% of the cost of the works which is used as margin money and balance 80% is raised by the company from financial institutions.

HVPNL is the co-owner of BBMB projects with other partner States. BBMB is executing R&M of Nangal project which will enhance the production capacity of the plant and will in turn benefit the partner States including Haryana. The partner States are contributing the project in the power sharing ratio which consists of loan from REC taken by the Utilities and support from the State Govt. During the year 2017-18 Rs.10.00 crore is proposed to be received as a support from the State Govt.

HVPNL is also implementing ERP solutions with the assistance of Mahindra Satyam Ltd as system integrator. Implementation of ERP will facilitate improvement in the business environment of the company which will promote transparency and efficiency in the day to day working of the company. A sum of Rs.1.78 crore has been proposed out of budget of the State Govt. for implementing ERP in HVPNL.

Hence, a provision of Rs.103,40,00,000/- has been made for the year 2017-18 under this scheme.

(5)

Code No. : 1-1-1355-4801-05-190-98-51
Name of Scheme : Equity Capital to HPGCL
Proposed Outlay : Rs.13,60,00,000/-

Implementation of ERP in HPGCL:

HPGCL is in the process of implementation of ERP to interconnect all its generating stations and Head quarter. It is a proven computerized system for optimum utilization of man, machine and material. The total cost of project has been estimated to be Rs. 29.60 Crore. Capital cost of project is being financed by way of equity support from State Govt. (30%) and through loan (70%) from Financial Institutions. The work has been awarded to M/s L&T Infotech, Mumbai. The work was started during February,2016 and likely to be completed during the FY 2017-18. State Govt. has released an amount of Rs. 68 lakh for the project during the FY 2016-17. In anticipation of non release of amount during the year 2016-17, the remaining amount of Rs. 8.22 Crore has been proposed as equity support for the project for the FY 2017-18.

Setting up of 10 MW PV Solar Projects at Panipat.

The work for setting up of 10 MW PV Solar Projects at Panipat has been awarded to M/s Sterling and Wilson Pvt. Ltd Noida with a EPC cost of Rs. 57.67 Crore on 30.05.2016 with completion schedule on 190 days. The total cost of the project is Rs. 60.55 Crore. The capital cost of project is being financed by way of equity support from State Govt. (5% i.e. 3.06 crore) and through loan (95% i.e. 57.49 crore) from NABARD.

Accordingly an amount of Rs. 3.06 Crore has been proposed as equity support of State Govt. during FY 2016-17 for the project, out of which an amount of Rs. 0.85 Crore has been released by the State Govt. In anticipation of non release of remaining amount of Rs. 2.21 Crore in the same year i.e. during 2016-17 the same also been considered for the financial year 2017-18 as a spillover of the previous year.

Setting up of PV Solar Power Project:

i) 20 MW PV Solar Projects at Faridabad,

ii) 13.20 MW ground mounted Solar PV Power Plant at WYC, Hydrel, Yamuna Nagar

iii) 1MW Solar PV Power Plant at Raw Water reservoir RGTPP, Hisar :

HPGCL has initiated the process to set up solar plants on the land available at its power stations at Panipat, Yamuna Nagar, KhedarHisar and Faridabad. As per survey carried out by the GERMI(Consultant engaged by HPGCL for setting up of solar power plants in Haryana), the

estimated potential for solar power projects is about 133.20 MW at various site of HPGCL. At present, project execution activities to 10 MW PV Solar Power Plant at PTPS, Panipat are in full swing and same is scheduled to be commissioned in December, 2016.

The Board of Directors of HPGCL has approved in principal the setting up of 20 MW solar PV Power Plant at old ash dyke of FTPS, Faridabad with a capital cost of Rs. 130.60 crore i.e. Rs. 6.53 crore per MW, 13.2 MW ground solar PV power plant at WYC Hydel, Yamuna Nagar with a capital cost of Rs. 75.58 crore i.e. Rs. 5.726 per MW and 1 MW solar PV power plant at Raw Water reservoir RGTPP, Hisar with a capital cost of Rs. 9.50 Crore.

The projects are proposed to be funded in the debt equity ratio of 95:05 in view of earlier approval accorded by State Govt. for setting up the Solar Project at Panipat i.e. 5% of the project cost of these projects are proposed to be financed by State Govt. as equity support and 95% loan from NABARD under RIDF policy. All the aforesaid projects are likely to be started and completed during the financial year 2017-18.

Revival of 20 ESP fields and repairing of balance 36 no. ESP fields of Unit-1 & 2 of DCRTPP, Yamuna Nagar.

Due to poor evacuation of fly ash from hoppers of ESP 12 no of fields of ESP of Unit no.1 and 8 nos of ESP of Unit-2 got damaged during year 2010. These ESP fields are lying defunct and beyond repair. Outage of these fields have resulted in poor performance of ESP and it has difficult to achieve existing ESP norms as notified by MoEFCC. These norms have been made more stringent by MoEFCC vide notification dated 07.12.2015 wherein the SPM level norm has been reduced to 50 mg/Nm³. It would not be possible to achieve new norms without complete repair of damaged fields and rehabilitation of the entire ESP as a whole. Efforts have been made to get these fields repaired through OEM (SEC China), BHEL or other reputed agencies, but these fields could not be repaired due to non-availability of long shutdown.

Now in-principle decision has been taken by HPGCL to get these ESP fields revived through OEM/OES. A team of ESP experts of OEM M/s SEC China has already inspected ESP of Unit-1 during November 2015 and Unit-2 during May 2016 and SEC has submitted their offer with estimated amount of Rs. 25 Crores which includes erection, testing and commissioning for Unit-1. The amount for Unit-2 is expected for similar work at Rs 20 Crores. Accordingly an amount of Rs. 6.75 Crore has been proposed as equity support of State Govt. for FY 2016-17 and 2017-18 respectively.

Upgradation of DCS System in Unit-7 & 8 PTPS, Panipat

PTPS unit 7&8 were commissioned in 2004-05. The max DNA DCS system supplied by M/s BHEL. Its DPU-4E processors having original version of 3.2 which was upgraded to 3.4 by BHEL soon after commissioning. The existing HMI workstation of max DNA is based on Window 2000 professional.

There is requirement of Up gradation of existing max DNA DPU-4E to DPU 4F system along with Window 2000 based HMI system in 2X250MW, Unit#7&8, PTPS, due to the following reasons :-

1. Window 2000 based operating system required for HMI system has become obsolete long back and there is no support of hardware as well as software neither from OEM (BHEL) nor from open market.
2. Problems in DPU-4E have been observed frequently such as hanging of Primary DPUs with non-takeover of healthy Secondary DPUs, non-resetting of DPUs through Soft/hard Reset from HMI.
3. Problem of network storm as well as loss of data due to problem in communication between DPU and network switches.
4. Further existing processors DPU-4E are not compatible with window 7 and existing DPU version has been declared as obsolete by OEM.
5. Various problems are being faced in CW Pump house PLC controls due to specific component obsoleting and difficulty in fault tracking due to no SCADA system.

OEM M/s BHEL has recommended for upgradation of MAXDNA. BHEL letter containing recommendation is attached as Annexure-O. As per Appendix-II of the HERC MYT Regulation, 2012 also the useful life of the IT equipment is only 6 years which in this case has already been completed. As such replacement / upgradation of the DCS system is essential and the need of the

time. Accordingly an amount of Rs. 1.50 Crore has been proposed as equity support of State Govt. for FY 2016-17 and Rs. 3.54 Crore for the FY 2017-18.

Replacement of PVC fills of cooling Tower of Unit-7 & 8, PTPS, Panipat

The Cooling Tower of the PTPS unit-7&8 are more than 12 years old. The cooling towers are of Natural Draft type and are designed for using PVC fill sheet for proper distribution of Air and Water. With the passage of time it is observed that there is thick deposit of Siliceous and other foreign material had increased the weight of PVC fill pack due to which these got sheared off and also damaged the supporting structure and ultimately fell into the cooling tower basin. The cooling tower is designed to give inlet water temperature of 330 Celsius to the condenser and design vacuum is 0.8967 kg/Cm². Due to falling and chocking of PVC fill packs performance of cooling tower is adversely affected and inlet temperature to condenser remains high during summer temperature. During May 2014 the inlet temperature was observed as 380Celsius against the designed value of 330Celsius. The high temperature adversely affects the vacuum. The average value of vacuum from April to September remained at -0.8418 kg/cm². As such it was decided to undertake the work of replacement of PVC fill pack to improve condenser vacuum of Unit-7&8 which would result in improvement of SHR of the plant. The work of PTPS unit-7 is already over in FY 2015-16 and of Unit-8 will be carried out during F.Y. 2017-18. Accordingly an amount of Rs.4.97 Crore has been proposed as equity support of State Govt. for FY 2016-17 and 2017-18 respectively.

Hence, a provision of Rs.1360,00,00,000/- has been made for the year 2017-18 under this scheme.

(6)

Code No. : 1-1-1359-4801-05-190-97-51
Name of Scheme : Equity Capital to UHBVNL
Proposed Outlay : Rs.41,50,00,000/-

It is a State scheme. The proposed investment is to create additional infrastructure in the distribution sector for distribution of additional electricity and to strengthen the distribution network for increasing the quality and reliability of power and up-gradation of distribution system in the State by UHBVNL. During 2017-18, the company will need a support of Rs.247.05 crore from State Govt. for these activities.

Hence, a provision of Rs.41,50,00,000/- has been made for the year 2017-18 under this scheme.

(7)

Code No. : 1-1-1358-4801-05-190-96-51
Name of Scheme : Equity Capital to DHBVNL
Proposed Outlay : Rs.41,50,00,000/-

It is a State scheme. The proposed investment is to create additional infrastructure in the distribution sector for distribution of additional electricity and to strengthen the distribution network for increasing the quality and reliability of power and up-gradation of distribution system in the State by DHBVNL. During 2017-18, the company will need a support of Rs.190.40 crore from State Govt. for these activities.

Hence, a provision of Rs.41,50,00,000/- has been made for the year 2017-18 under this scheme.

(8)

Code No. : 1-1-0000-4801-05-190-95-99
Name of Scheme : Equity Capital to DISCOMs under UDAY – Equity Capital to UHBVNL under UDAY
Proposed Outlay : Rs.793,12,35,000/-

UDAY (Ujwal DISCOMs Assurance Yojana), a scheme for the financial turnaround of Power Distribution companies (DISCOMs) has been approved by the Government of India with an objective to improve the operational and financial efficiency of the State DISCOMs. This scheme shall apply only to State-owned DISCOMs. DISCOMs for the purpose of this scheme may include combined generation, transmission and distribution undertakings. Participating States would

undertake to achieve operational and financial turnaround of DISCOMs with measures outlined in the OM dated 20th Nov., 2015 issued by the Ministry of Power, Government of India.

State Government of Haryana has executed the tripartite UDAY MOU on dated 11.03.2016 and implementing the UDAY scheme. As per the scheme, the 75% of Rs. 34600 crore, the outstanding debts of the DISCOMs as on 30.09.2015, i.e.Rs.25950 crore has been taken over by the State Govt.

The Haryana DISCOMs will achieve the following AT&C loss reduction trajectory with the technical and managerial interventions as under:-

FY 2015-16	FY2016-17	FY2017-18	FY2018-19
28.05%	24.02%	20.04%	15.00%

State shall take over the future losses of DISCOMs in a graded manner and shall fund the loss as follows:-

Year	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
Previous years DISCOM loss to be taken over by state.	0% of the loss of 2014-15.	0% of the loss of 2015-16.	5% of the loss of 2016-17.	10% of the loss of 2017-18.	25% of the loss of 2018-19.	50% of the previous year loss

The debts amounting to Rs. 17300 crore will be taken over and transferred to DISCOMs in current fiscal 2015-16 and Rs. 8650 crore will be taken over in 2016-17 by September 2016, out of which an amount of Rs.793,12,35,000/- will be provided to UHBVNL as equity capital during the financial year 2017-18.

Hence, a provision of Rs. 793,12,35,000/- has been made for the year 2017-18 under this scheme.

(9)

Code No. : 1-1-0000-4801-05-190-95-98
Name of Scheme : Equity Capital to DISCOMs under UDAY – Equity Capital to DHBVNL under UDAY
Proposed Outlay : Rs.504,37,65,000/-

UDAY (Ujwal DISCOMs Assurance Yojana), a scheme for the financial turnaround of Power Distribution companies (DISCOMs) has been approved by the Government of India with an objective to improve the operational and financial efficiency of the State DISCOMs. This scheme shall apply only to State-owned DISCOMs. DISCOMs for the purpose of this scheme may include combined generation, transmission and distribution undertakings. Participating States would undertake to achieve operational and financial turnaround of DISCOMs with measures outlined in the OM dated 20th Nov., 2015 issued by the Ministry of Power, Government of India.

State Government of Haryana has executed the tripartite UDAY MOU on dated 11.03.2016 and implementing the UDAY scheme. As per the scheme, the 75% of Rs. 34600 crore, the outstanding debts of the DISCOMs as on 30.09.2015, i.e.Rs. 25950 crore has been taken over by the State Govt.

The Haryana Discoms will achieve the following AT&C loss reduction trajectory with the technical and managerial interventions as under:-

FY 2015-16	FY2016-17	FY2017-18	FY2018-19
28.05%	24.02%	20.04%	15.00%

State shall take over the future losses of DISCOMs in a graded manner and shall fund the loss as follows:-

Year	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
Previous years DISCOM loss to be taken over by state.	0% of the loss of 2014-15.	0% of the loss of 2015-16.	5% of the loss of 2016-17.	10% of the loss of 2017-18.	25% of the loss of 2018-19.	50% of the previous year loss

The debts amounting to Rs. 17300 crore will be taken over and transferred to DISCOMs in current fiscal 2015-16 and Rs. 8650 crore will be taken over in 2016-17 by September

2016, out of which an amount of Rs. 504,37,65,000/- will be provided to DHBVNL as equity capital during the FY 2017-18.

Hence, a provision of Rs.504,37,65,000/- has been made for the year 2017-18 under this scheme.

(10)

Code No. : 1-2-1360-4801-05-789-98-51
Name of Scheme : Improvement in quality of power and un-interrupted supply of power to scheduled Caste population under DHBVNL
Proposed Outlay :- Rs.27,84,00,000/-

It is a state scheme. For improvement in quality of power and un-interrupted supply of power to the scheduled Castes population in the State, a provision of Rs.27,84,00,000/- has been proposed under this scheme for the year 2017-18.

(11)

Code No. : 4-1-1401-6801-51-205-98-51
Name of Scheme : Loans to Haryana Vidyut Parsaran Nigam Ltd.
Proposed Outlay : Rs.683,15,00,000/-

The company along with one of the distribution company (DHBVNL) negotiated loan with the World Bank in August, 2009 amounting USD 330 Million. The projects are likely to be completed by 2017. Govt of Haryana is a party to the tripartite agreement executed amongst World Bank, Central Govt and the State Govt. As per the agreement, 20% of the cost of the project is to be provided by Govt of Haryana and rest of the 80% will come through State treasury to the Utilities. During the year, HVPN Lisprojecting a release of Rs. 85.80crorefrom the World Bank through State treasury. The amount is being spent for creation of new sub stations and transmission lines required for evacuation of power from new sources and strengthening of the State Grid. During the year 2017-18, a sum of Rs.297.35 crore and Rs.300.00 crore are proposed to be spent out of State as assistance by Japan International Cooperation Agency (JICA) for Haryana Distribution system upgradation project of UHBVNL & DHBVNL respectively.

Hence, a provision of Rs.683,15,00,000/- has been made for the year 2017-18 under this scheme.

(12)

Scheme Code : 1-1-0000-6801-51-800-98-51
Name of Scheme : Loans to HPGCL from NABARD under RIDF Schemes.
Proposed Outlay : Rs.240,00,00,000/-

Loan from NABARD through State Govt. for setting up of 10 MW Solar Projects at Panipat:

The work for setting up of 10 MW PV Solar Projects at Panipat has been awarded to M/s Sterling and Wilson Pvt. Ltd Noida with a EPC cost of Rs. 57.67 Crore on 30.05.2016 with completion schedule on 190 days. The total cost of the project is Rs. 60.55 Crore. The capital cost of project is being financed by way of equity support from State Govt. (5% i.e. 3.06 crore) and through loan (95% i.e. 57.49 crore) from NABARD. The work is in full swing and same is scheduled to be commissioned in December, 2016

Accordingly an amount of Rs. 57.49 Crore has been proposed as loan from NABARD during FY 2016-17 for the project. In anticipation of non release of entire amount of NABARD loan during 2016-17 the same also been proposed for the financial year 2017-18 as a spillover of the previous year.

Loan from NABARD through State Govt Setting up of PV Solar Power Project:

i) 20 MW PV Solar Projects at Faridabad.

ii) 13.20 MW ground mounted Solar PV Power Plant at WYC, Hydell, Yamuna Nagar

iii) 1MW Solar PV Power Plant at Raw Water reservoir RGTPP, Hisar :

HPGCL has initiated the process to set up solar plants on the land available at its power stations at Panipat, Yamuna Nagar ,Khedar Hisar and Faridabad. As per servey carried out by

the GERMI(Consultant engaged by HPGCL for setting up og solar power plants in Haryana) , the estimated potential for solar power projects is about 133.20 MW at various site of HPGCL. At present, project execution activities to 10 MW PV Solar Power Plant at PTPS, panipat are in full swing and same is scheduled to be commissioned in December, 2016.

The Board of Directors of HPGCL has approved in principal the setting up of 20 MW solar PV Power Plant at old ash dyke of FTPS, Faridabad with a capital cost of Rs. 130.60 crore i.e.Rs. 6.53 crore per MW , 13.2 MW ground solar PV power plant at WYC Hydel , Yamuna Nagar with a capital cost of Rs. 75.58 crore i.e. Rs. 5.726 per MW and 1 MW solar PV power plant at Raw Water reservoir RGTPP, Hisar with a capital cost of Rs. 9.50 Crore.

The projectsare proposed to be funded in the debt equity ratio of 95:05 in view of earlier approval accorded by State Govt. for setting up the Solar Project at Panipat i.e. 5% of the project cost of these projects are proposed to be financed by State Govt. as equity support and 95% loan from NABARD under RIDF policy. All the aforesaid projects are likely to be started and completed during the financial year 2017-18.

Hence, a provision of Rs.240,00,00,000/- has been made for the year 2017-18 under this scheme.

RENEWABLE ENERGY
EXPLANATORY MEMORANDUM OF SCHEMES

(1)

Code No. : **1-1-1451-2810-2-001-99-51**
Name of the scheme : **Administration set up of Non-conventional Sources of Energy**
Outlay : **₹1,32,50,000/-**

This is a State Scheme. Under this scheme, 6 posts of Project Officer, One post of Private Secretary, One post of Personal Assistant, One post of Programmer, 4 posts of Assistant Project Officers, 2 posts of Steno-Typist and 2 posts of Clerk have been sanctioned. These posts would continue during the year 2017-18.

Hence, an outlay of ₹1,32,50,000/- has been provided for the year 2017-18.

(2)

Code No. : **1-1-1452-2810-02-101-99-99**
Name of the Scheme : **Promotion of Non-conventional Energy Sources**
Outlay : **₹ 99,21,00,000/-**

This is a State Scheme. Under this scheme, programmes of Solar Photo Voltaic systems in the State, Demonstration Application of Solar Thermal Technologies for Social Sector, Promoting Solar Water Heating systems for general public/Solar Cities, Solar Charger Inverter (300 Watt/500 Watt), Grid Connected Power Plant, Publicity and Awareness Programme, Green Energy & Energy Conservation (EC) Fund, Energy Efficient Building Programme are to be implemented during the year 2016-17.

Under these Scheme, LED based Solar Home Systems (Manohar Jyoti) (150watt), Demonstration Application of Solar Thermal Technologies for Social Sector, Promoting Solar Water Heating systems for general public/Solar Cities, Solar Charger Inverter (300 Watt/500 Watt), Off Grid Power Plant, Grid Connected Power Plant, Publicity and Awareness Programme, Green Energy & Energy Conservation (EC) Fund, Energy Efficient Building Programme are likely to be implemented during the year 2017-18. Under these schemes, physical targets of 46600 LED based Solar Home System (Manohar Jyoti), 60000 LPD Solar Thermal Technologies in Social Sector, 50000 LPD Solar Water Heating Systems in General Public Sector, 5000 nos. of Solar Inverter Chargers, 500 kW Off Grid Power Plant, 7500 kW Grid connected Power Plant are likely to be provided/installed during the year 2017-18.

For these schemes, an amount of ₹ 99,21,00,000/- has been provided for the year 2017-18.

(3)

Code No. : **1-1-1453-2810-02-789-99--51**
Name of the Scheme : **Shikshadeep Scheme on LED based Solar Lanterns for SC Students**
Outlay : **₹1,50,00,000/-**

The scheme to provide LED based Solar Home Lighting Systems for SC families under IAY has been discontinued by the Department.

Now, under this project, it is proposed to promote 3400 Solar Home Systems (Manohar Jyoti) with three LED lights (2 bulbs and 1 tube light), 1 DC ceiling fan and provision of 2 USB ports, among the SC families of the Haryana State.

Hence, a sum of ₹1,50,00,000/- has been provided for the year 2017-18 for this scheme.

4. Incubation Assistance for other sector
5. Creation of Industrial Infrastructure Development Fund
6. Critical Infrastructure Project Scheme (CIP)
7. Technology Institute for Technical Textiles
8. Modified Special Incentive package Scheme (ESDM)
9. Export Exhibition Centre
10. Assistance for Zero liquid Discharge Common Effluent Treatment Plants. (Supplement to Gol Scheme).

An outlay of ₹ 1,50,00,00,000/- has been provided during the year 2017-18 under this scheme.

(2)

Code No.	1-1-1586-2851-51-102-78
Name of the Scheme	Grant in Aid to Investment Promotion Centre
Outlay	₹ 2,00,00,000/-

Investment Promotion Centre (IPC) has been constituted to coordinate the activities of various departments, authorities and Corporation concerned with the development of industry in the State and to act as Institutional point of contact to expedite the clearance for the setting up of Industrial units in Haryana. The staff of Industrial Promotion Centre is provided by the State Level Corporations viz Haryana State Industrial Development Corporation, Haryana Financial Corporation, Haryana Urban Development Authority, HARTRON, Haryana State Small Industries & Export Corporation and Directorate of Industries, Haryana. The expenditure on office contingency, advertisement, publicity, printing of literature stationery etc. are borne from the funds provided by aforesaid Corporations and Directorate of Industries.

An outlay of ₹ 2,00,00,000/- has been provided for the year 2017-18 under this Scheme.

(3)

Code No.	1-1-1593-2851-51-102-74
Name of the Scheme	Promotion of Handlooms, Handicrafts & Exports
Outlay	₹ 1,25,00,000/-

In order to promote Handlooms, Handicrafts and Exports in the State the scheme of Promotion of Handlooms, Handicrafts and Exports has been proposed in financial year 2015-16 with the following projects.

(i) Promotion of Handlooms

In order to develop the skilled manpower under Handloom sector stipend is provided to the students sponsored by Haryana State for 3 years Diploma in Handloom Technology at Indian Institute of Handloom Technology, Jodhpur. The expenditure is also incurred for giving advertisement in the press for selection of candidates on merits. The expenditure of stipend is borne by the State and the Govt. of India on 50:50 basis.

(ii) Promotion of Handicrafts.

Under this scheme, State Awards are given to outstanding master crafts persons, selected by the State Level Committee constituted by the State Government. The Govt. of India Sponsored Rajiv Gandhi Shilpi Swasthya Bima Yojna is also implemented for welfare of Handicraft Artisans. The State Govt. provides 50% of the premium of the Health Insurance to be given by the Handicraft Artisans. The Govt. of India share is provided directly to the Insurance Agency. The State Govt. shall provide 50% of the beneficiary's share of premium.

(iii) Promotion of Exports.

Export plays a vital role in the Economy of the Country. Government of India is giving thrust mainly to promote export from the country to earn valuable foreign exchange. A number of facilities such as Income Tax benefit, sale Tax Exemption, special Import License status of Export Houses and National Export Awards are given to the Exporting units by the Government of India.

The State Government is providing a number of facilities to the Exporting units such as sales Tax Exemption, Public utility status, priority in release of power connection, 10% reservation of Industrial plots. To encourage exporting industrialists of the State, the State level awards are given to the leading exporters under this scheme.

An outlay of ₹ 1,25,00,000/- has been provided for the year 2017-18 under this Scheme.

(4)

Code No.	1-1-1594-2851-51-102-72
Name of the Scheme	Winding up Expenses of closed Corporations (HSSI&EC/HSH&HC/HTL)
Outlay	₹ 30,00,000/-

For the promotion of Small Industries, Exports, Handlooms, Handicrafts and Leather Industries in the State, the State Government had constituted "Haryana State Small Industries and Export Corporation (HSSI&EC), Haryana State Handloom and Handicrafts Corporation (HSH&HC) and Haryana Tanneries Ltd. (HTL)". Due to one reason or another 3 corporations went in losses and the State Government decided to close these corporations. Now, the winding up of these 3 corporations is under process. For winding up of these Corporations, the funds are required for filing application in the Hon'ble High Court, contingencies and advocate fee etc.

An outlay of ₹ 30,00,000/-has been provided for the year 2017-18 under this Scheme.

(5)

Code No.	1-1-1595-2851-51-102-70
Name of the Scheme	Enumeration of MSMEs in the State
Outlay	₹ 10,00,000/-

It has been proposed to undertake a fresh survey of industrial units established and operating in the State as the database of industrial units has become outdated with the change of definitions of various categories of industrial units during a period of last 15 years. The credible database is very important for taking policy initiatives and undertaking promotional activities. The department proposes to engage services of a competent agency for undertaking the fresh survey of industrial units in the state of Haryana.

An outlay of ₹ 10,00,000/- has been provided for the year 2017-18 under this Scheme.

(6)

Code No.	1-1-1599-2851-51-102-69
Name of the Scheme	Rebate on Interest to Entrepreneurs with Disabilities for Purchase of Industrial Plots.
Outlay	₹ 10,00,000/-

This is a new State Scheme introduced by the State Government that the entrepreneurs with disabilities as defined in the Persons with Disabilities (Equal Opportunities, Protection of Right and Full Participation) Act, 1995 shall be allotted industrial plot on preferential basis up to 2% of the total number of industrial plots available for allotment for the establishment of industrial unit. However, the same price of plot would be charged as applicable to general category. The Interest on installment to be paid shall be 7% and the penal Interest, if any, shall be @11%. A person with disabilities shall be eligible for the allotment of industrial land. The difference in amount due to less rate of interest on installments shall be paid by the Department to the developing agency.

An outlay of ₹ 10,00,000/- has been provided during the year 2017-18 under this scheme.

(7)

Code No.	1-1-0000-2851-51-102-65
Name of the Scheme	Incentives for Development of Industries under New Enterprises promotion Policy-2015
Outlay	₹ 1,50,00,00,000/-

The New Enterprises Promotion Policy- 2015 is effective from 15.08.2015 in the State. In order to attract and motivate financial investment in the State to set up industrial ventures, various financial incentives have been proposed so that the economic activities and employment opportunities can be increased. The following incentives for enterprises have been proposed in the Enterprises Policy-2015:-

1. Investment Subsidy on VAT
2. Employment Generation Subsidy
3. Electricity Duty Exemption
4. Stamp Duty Refund
5. EDC exemption
6. Credit Linked Capital Subsidy
7. Testing Equipment Assistance Subsidy
8. Patent Cost Subsidy
9. Assistance for Environment Compliance
10. Energy Audit Subsidy
11. Water Audit
12. Safety Audit Subsidy
13. Special Provision for State ups/ First Generation Entrepreneurs
14. MSME State Awards
15. Credit Rating Subsidy
16. Quality Certification
17. Market Development Assistance
18. Power Tariff Subsidy
19. Mandi Fees Exemption
20. Exemption from Transfer Property Tax
21. Excise Duty Exemption
22. Market Fee Exemption
23. VAT subsidy for footwear Industries

An outlay of ₹ 1,50,00,00,000/- has been provided during the year 2017-18 under this scheme.

(8)

Code No.	1-1-1592-2851-51-105-99
Name of the Scheme	Grant-in-aid to Khadi and Village Industries Board
Outlay	₹ 15,00,00,000/-

The Khadi and Village Industries Commission, Govt. of India provides budget for implementation of their schemes for the development of Khadi and Village Industries. The State Government provides necessary funds for establishment expenditure on staff of Khadi and Village Industries Board (KVIB) and the KVIC provides funds for promotional schemes. The KVIC has discontinued the scheme of rebate on sale of Khadi from the year 2010-11 and introduced the scheme of Market Development Assistance (MDA). However, the State government is providing Rebate on sale of Khadi @ 10% of the sale in the State. In order to provide the State Govt. share @ 10% on the pattern of the Govt. of India's MDA scheme.

An outlay of ₹ 15,00,00,000/- has been provided for the year 2017-18 under this Scheme.

(9)

Code No.	1-1-1600-2851-51-105-96
Name of the Scheme	Grant-in-aid to Haryana Mitti Kala Board
Outlay	₹ 18,00,000/-

Haryana has been an industrially fast developing State and has good performance to its credit. However, it has been observed that the traditional handicrafts, especially in the hands of kumbhkars, are taking a back-seat in the face of technology driven modern development, Recognizing the significance of this invaluable historical art and conscious of the need for its revival, the Hon'ble Chief Minister had announced the constitution of a "Mitti Kala Board". Pursuant to the concurrence to the Finance Department, a Notification bearing No. 1/15/2010-3IB-I/1525 dated 08.12.2010 was issued for the constitution of the Board.

An amount of ₹ 18,00,000/- has been provided for the year 2017-18 under this Scheme.

(10)

Code No.	1-1-0000-2852-08-600-97
Name of the Scheme	Collateral Free Credit Guarantee Scheme for MSME Grant-in-Aid to Credit Guarantee Trust for Micro, Small Enterprise (CGTMSE)
Outlay	₹ 1,00,000/-

In order to attract and motivate financial investment in the State to set up industrial ventures, it has been proposed in the **New Enterprises Promotion Policy- 2015** to create Rs. one thousand crore fund under the Collateral Free Credit Guarantee Scheme for MSME (CGTMSE), Scheme of Government of India for providing collateral free loans upto one crore to MSMEs through Credit Guarantee Trust for Micro, Small Enterprise . A sum of Rs 100.00 crore is to be provided as Grant-in-Aid to Credit Guarantee Trust for Micro, Small Enterprises (CGTMSE) as one time Guarantee.

An outlay of ₹ 1,00,000/- has been provided for the year 2017-18 under this scheme.

(11)

Code No.	1-1-1617-2852-80-001-89
Name of the Scheme	Establishment of the Industries Department allocated to Scheme-Information Technology
Outlay	₹ 3,00,00,000/-

The Schemes for Administrative and Establishment works and purposes have been merged and brought under a single scheme namely; "Establishment of the Industries Department allocated to State Schemes". The details of the schemes merged in the above said scheme is as under:-

i) Expansion of existing QMC/HTC/IDC.

Realizing the catalytic role played by quality in the development of Industry, Government of Haryana started Quality Marking Scheme during late fifties which have influenced the manufacturers of the state to a large extent in the field of quality consciousness. Similarly, the Industrial Development Centres and Heat Treatment Centre has been started by the state Govt. which houses costly machines required by the entrepreneurs and who otherwise cannot afford these facilities in their Industrial Unit. Initially, this scheme was started on voluntarily basis and had received a very encouraging response from the industry and the Government had been increasing the network of these Centres from time to time, which has helped the industry in meeting their quality standards and making them compatible in the global market.

ii) Staff for DIC Development Programme.

The Distt. Industries Centres were created in the year 1976 under a centrally sponsored scheme to streamline the setting up of small scale units in the far-flung areas of the country. Under the scheme each district was to have one District Industries Centre headed by a General Manger and assisted by Functional Managers, Industrial promotion officers. Field Functionaries and the necessary supporting staff. With the passage of time and the experience gained from the running of the scheme and also with the creation of new districts, the staff strength has been rationalized keeping in view the essentially required staff. Also the Govt. of India has discontinued the assistance under the Scheme and the scheme has been transferred to the State side. As a result of this the State Govt. is meeting the entire expenditure of the Staff under the scheme.

(iii) Training of Technical Staff in Special Training Program.

Due to rapid changes and technological development in the Industrial Sector, it has been felt that the technical staff posted in the Field Offices as well as at Head Quarter is required to be trained on the latest development made in various technical fields through different institutions from time to time to enable them to render better technical assistance to the industry. Besides deputing the officer/official for various training course, they will be deputed to attend various seminars and discussions organized by Govt. and semi Govt. institutions, National Level Bodies.

(iv) Information Technology Plan.

The State Government has formulated Information Technology policy, 2000, wherein it has been provided that all the department shall prepare their IT plan for:-

1. Upgrading the standard and Quality for administration in social and public services sector through a process of modernization and Nationalization of the administrative set up.
2. Providing public centered efficient and cost effective government.
3. Extensive percolation of IT Literacy and education in the state.
4. Promoting investment s in IT industry.
5. Encouraging private sector initiative in IT related infrastructure and services.
6. Increasing the share of IT in state Gross Domestic product.
7. Generating IT restated employment opportunity.
8. Enhancing earning capacity of the residents, thereby ensuring a better quality of life.

In order to meet the above objectives and to fully computerize the department and facilitate E-Governance, the department has since proposed Information Technology plan in the department.

(v) Consultancy Services/Professional Services

In order to implement the IT plan of the department it is required to get the services of professional and Technical persons of IT field. These professionals will study in detail the functioning of the Industries & Commerce department, Haryana and suggest the revised role of the department for achieving the goals in the changing scenario. State Govt. will hire Services of Professionals persons.

(vi) Creation of Industrial Facilitation Council (IFC) Cell.

Govt. of India enacted "Interest on delayed payment to small scale and Ancillary Industrial Undertakings Act, 1993" to facilitate earlier payment to the small scale industrial units supplying goods to the other units, and the State Govt. set up Industrial Facilitation Council, Haryana with Headquarters at Chandigarh. The Government of India has enacted a new Act called "The Micro, Small, and Medium Enterprises Development Act, 2006 under which the Haryana Micro & Small Enterprises Facilitation Council (HMSEFC) has been constituted for arranging to make the delayed payment of Micro and Small Enterprises. The function of HMSEFC is of legal and commercial nature. Therefore, an Assistant District Attorney, an accountant, an assistant, one clerk, a stenographer and a peon are required for the functioning of the council.

An outlay of ₹ 3,00,00,000/- has been provided for the year 2017-18 under this Scheme.

Code No.	(12)
Name of the Scheme	1-2-1616-2852-80-789-99
Outlay	Entrepreneur Development Programme for Scheduled Castes beneficiaries
	₹ 42,00,000/-

For rapid economic development it is required to make every one of the society a partner in the development process. For the social and economic up-liftment of SC/ST a booster dose in the form of special incentives to encourage them to become entrepreneurs and to start their own industrial service venture, is necessary. It is proposed to organize Entrepreneurial Development Programmes with special focus on SC rural youth and women in each district of the State to educate them and make them aware of the requirements for setting their ventures. Under this scheme, SC Category candidates are specifically targeted to impart them EDPs. A group of about 35 Scheduled Caste Candidates is provided EDP at the cost of Rs. 1.00 lakh for each EDP. This scheme is applicable in all the districts of the State for SC beneficiaries.

An outlay of ₹ 42,00,000/- has been provided for the year 2017-18.

(13)

Code No.	1-1-1658-4851-51-102-95
Name of the Scheme	Modernization of field offices/Directorate office premises
Outlay	₹ 10,00,00,000/-

The department has field offices in each of the district of the State and the Directorate at Chandigarh. The office buildings of these offices require construction, up-gradation and maintenance from time to time. The department proposes to get this work done through HSIIDC, which has been performing the same work for establishment and maintenance of the Industrial estates in the State.

For this purpose, an outlay of ₹ 10,00,00,000/- has been provided for the year 2017-18.

[200]

(14)

Code No. 1-1-1710-4885-01-190-80
Name of the Scheme Share Capital to HSIIDC
Outlay ₹ 1,00,000/-

HSIIDC was established in March, 1967 with the objective to accelerate the pace of industrialization by providing equity support & term lending to industrial units. It also provides infrastructure facilities to the entrepreneurs by setting up industrial estates at various strategic points in the State. HSIIDC is a Nodal agency for development of industrial infrastructure in the State. The State Govt. has been giving equity support to the HSIIDC for strengthening of financial base of the Corporation.

An outlay of ₹ 1,00,000/- has been provided for the year 2017-18 under this.

(15)

Code No. 1-1-1752-6851-51-102-90
Name of the Scheme Interest Free Loan in lieu of deferred Sales Tax/VAT
Outlay ₹ 30,00,00,000/-

The State Government is implementing this scheme to provide the incentive of deferred sales tax which is recoverable after the period of five years. It was being considered as income of the assessee for the purpose of computing his income tax liability under section 43-B of the Income Tax Act. The State Govt. therefore decided to provide interest free loan through this scheme, to the extent of sales tax liabilities of an industrial unit which has opted for its deferred payment under the Industrial policy of the State Govt. This scheme has been discontinued w.e.f. 1.4.2002. However, to clear the claims of the units which have already been established in the State prior to the cut-off date i.e. 15.11.1999.

On the same pattern a new scheme viz. "Refund of Tax under VAT to new industrial units" has been introduced by the State Govt., as per the Industrial Policy 2005, under which incentive of deferment of Tax, collected under VAT, is provided to the industrial units and the same is converted into Interest Free Loan, which is returned by beneficiary after a period of 5 years. Under this scheme Mega project with investment of Rs.100.00 crore and above or any project employing more than 500 persons irrespective of investment to be set up in the backward areas would be extended the facility of financial assistance to be quantified at , 50% of the tax paid on the sale of goods produced by such industrial units, under the Haryana Value Added Tax Act 2003 for a period of 7 years from the date of start of commercial production, as Interest Free Loan (IFL) repayable after a period of 5 years from the date of grant of IFL. Food Processing Industries shall be provided IFL @ 75% of the tax paid under VAT for period of five years.

Under the Industrial Policy 2005, New SSI Units in the backward areas would be extended the facility of financial assistance in the shape of Interest Free Loan to be quantified at 50% of the tax paid on the sale of goods produced in such industrial units, under the Haryana Value Added Tax Act, 2003 for a period of 5 years from the date of start of commercial production to be repayable after a period of 5 years.

Since, the purpose and nature of both of the above schemes are same, therefore, both of the above two schemes have been merged and renamed as "Grant of Interest Free Loan in lieu of Sales Tax/VAT".

An outlay of ₹ 30,00,00,000/- has been provided for the year 2017-18 under this Scheme.

Part-II Central Schemes (Sharing Basis Schemes)

(16)

Code No.	2-1-1596-2851-51-102-71
Name of the Scheme	MSME Cluster Development Programme.
Outlay	₹ 2,00,00,000/-

The Micro, Small and Medium Enterprises Cluster Development Programme is implemented for holistic development of clusters of MSMEs. The programme envisages measures for capacity building, skill development, technology up gradation of the enterprises, improved credit delivery, marketing support, setting up of common facility centres, etc. based on diagnostic studies carried out in consultation with cluster units and their collectives and management of cluster-wise facilities by the cluster collectives. This office has received 15 proposals from the various districts of the State. The Government of India provides maximum grant-in-aid to the extent of Rs. 15.00 crore per cluster or the 70% of cost of the cluster which ever is less. The approximate cost of project of these clusters shall be to the extent of Rs. 150.00 crore and as per the scheme 70% shall be given by the Government of India, 10% State Government and rest of the 20% shall be borne by the end users i.e. the members of the cluster. The approximate share of the State Government shall be approx Rs. 15.00 crore.

An outlay of ₹ 2,00,00,000/- as State share has been provided for the year 2017-18 under this Scheme.

(17)

Code No.	2-1-1771-2851-51-103-89
Name of the Scheme	Comprehensive Handlooms Development Scheme
Outlay	₹ 50,00,000/-

During the 11th Five year Plan and 2012-13, following 3 Schemes were implemented by Government of India for the development of Handlooms sector:-

- i) Integrated Handlooms development Scheme (IHDS)
- ii) Marketing and Export Promotion Scheme (MEPS), and
- iii) Diversified Handlooms Development Scheme (CHDS)

These three schemes have now been merged into "Comprehensive Handlooms development Scheme (CHDS)", Which will be implemented from the year 2013-14.

In view of the above a new scheme namely "Comprehensive Handlooms Development Scheme (CHDS)" has been proposed in the financial year 2017-18 with the provision of ₹ 50,00,000/- (₹ 25,00,000/- lakh as State Share and ₹ 25,00,000/- lakh as GoI Share).

(18)

Code No.	2-1-1775-2851-51-103-88
Name of the Scheme	Health Insurance Scheme for Powerloom weavers/workers for Promotion of Powerloom under RSBY
Outlay	₹ 9,00,000/-

1. The Ministry of Textiles, Govt. of India vide letter dated 30.06.2014 had conveyed that the Government intends to introduce health insurance scheme for power loom weavers including the workers those engaged in pre-work such as winding, warping, sizing and drying etc. throughout the country. It is proposed to be launched on the platform of Rashtriya Swasthya Bima Yojana (RSBY). The scheme would cover all power loom weavers and workers below and above poverty line except those covered under ESI.

2. The powerloom weavers/workers shall be able to take treatment either through OPD or IPD through cashless facility by way of smart card. In this way, the likely rate of premium for Health Insurance Scheme for powerloom weaver per family would be Rs. 750/- . Out of which Rs. 565/- shall be borne by Central Government and Rs. 185/- by the State Govt. The other expenses for issue of Smart Card to the tune of Rs. 60/- per card will be borne by Govt. of India.

3. As on today as well in the past, the department has not provided any facility to the poor powerloom weavers. The powerloom industry is mainly located in the districts of Panipat, Bhiwani, Faridabad, Sonapat, Bahadurgarh and Panchkula. As per information received from Joint Director, District Industries Centre in the State, there are 15239 nos. of powerloom weaver/workers engaged in 1429 nos. of powerloom units. It is proposed to cover 5000 powerloom weavers under the scheme during the year 2015-16, for which the expenditure on state share of premium for Health Insurance cover to powerloom weavers will be Rs. 925000/- and the Govt. of India share will be Rs. 28,25000/-, which is proposed to be provided in the financial year 2017-18.

An outlay of ₹ 9,00,000/- (State Share) has been provided during the year 2017-18 under this Scheme.

Part-III Centrally Sponsored Schemes (100%)

(19)

Code No.	3-1-1567-2851-51-001-97
Name of the Scheme	Enforcement of Handloom Reservation Act 1985
Outlay	₹ 12,00,000/-

The Govt. of India approved to the State Govt. to set up effective machinery for the implementation of Handloom (Reservation) Act, 1985 which provides protection to the Handloom Weavers from the on-slaught of the powerful Powerloom sector. As per instructions of Govt. of India an Enforcement Cell has been set up at Panipat where in following staff is sanctioned:-

1. Deputy Director (Enforcement Cell) -1 (Filled)
2. Assistant -1(Filled) (out of three)
3. Legal Assistant -1 (Vacant)
4. Clerks -2 (Filled)
5. Driver -1 (Vacant)

The entire expenditure of the scheme is borne by Govt. of India.

An outlay of ₹ 12,00,000/- has been provided during the year 2017-18 under this Scheme.

(1)

Code No. 01-01-1607-2852-07-202-98
Name of Scheme: Setting up of Instrument Design Dev. and Facility Centre, Ambala Under UNDP
Outlay : Rs. 3,50,00,000/-

Under financial and technical assistance from UNDP/UNIDO, HARTRON has set up an Instruments Design Development and Facilities Centre (IDDC) at Ambala in order to provide a wide range of centralized facilities to electronic and Electro-optical Industry in the Region. The Centre is already catering to more than 1000 units in the region. As a result of extensive R&D Centre, a large number of import substitute items have been developed. These hi-tech products include: Laser pointer, night vision devices, laser range finder- electronic sub system, wide field unit magnification telescope, optical components for photo copiers and electronic controls for LCVs. The annual turn of industries is approximately Rs. 1200.00 crore with nearly 400.00 crore being the export component.

2. In addition to this, HARTRON had been running two more R&D Centres namely Electronics Research Development and Facilities Centre (ERDC) and Precision Mechanical Design and Associates Facilities for Electronics Industry (PMDF) at Gurgaon. Board of Hartron decided that all the activities of the ERDC & PMDF at Gurgaon may be synergized with the activities at IDDC, Ambala and accordingly, the employees and machineries/ equipment of R&D Centre at Gurgaon be shifted to IDDC, Ambala alongwith the staff attached with them where there is sufficient space and building to accommodate all the activities.

An outlay of ₹ 3,50,00,000/- has been provided under this scheme for the year 2017-18.

(2)

Code No. 01-01-1606-2852-07-202-96
Name of Scheme: Computer Network
Outlay: Rs. 23,40,00,000/-

Government of India has stated its Digital India vision. The first pillar in the vision is Infrastructure as a utility for every citizen and the pillar is titled - "Broadband Highways". Broadband Highways envisages integration of three national optical fiber networks – NKN, NOFN and SWAN. SWAN is being implemented at an estimated cost of Rs. 102.62 crore (approved by GOI 2005-06) with a contribution of 60% from the Government of India and 40% from the State Government. Under this network, State Head Quarters, Haryana Bhawan at New Delhi and 124 Blocks/Sub-Divisions. Tehsils /Sub-Tehsils for providing facilities such as inter and intra data Transfer /sharing Voice over internet Protocol (IP), video etc. Beside this 1233 offices of various 19 Departments have also been connected.

2. The SWAN connectivity is critical backbone to provide various citizen centric services. GOI has already contributed their share in setting up of the network; now operation and management of this project is the responsibility of the State. .

3. M/s RailTel Corporation India limited, a corporation under Ministry of Railway, Government of India has been engaged for O&M services at a total project cost of Rs. 120.51 crore (i.e Rs. 91.67 crore to be paid to RailTel Corporation India Limited, Rs. 15.81 crore to be paid to M/s BSNL for bandwidth, Rs. 3.00 crore for diesel and electricity, rest Rs. 10.00 crore for Project Monitoring) for a period of five years.

4. Further, Under Broadband for All – Rural, all the Gram Panchayats are to be connected on optical fiber (NOFN/Bharatnet) for delivery of G2C and G2G services through citizen services centres being established all across the State. Since this is being funded by Central Government under USOF (Universal Service Obligation Fund). Till date, PLB duct laying work has been completed in 2950 Gram Panchayats . OFC laying work has been completed in 2561 Gram Panchayats

5. However when NOFN finally reaches the villages, the internet connectivity has to be delivered to the citizens – at present there is no provision for providing connectivity to citizens under NOFN. The ideal technology to deliver connectivity would be "wifi". Even connectivity to Government institutions

like gram panchayat buildings, schools, and other departmental buildings viz., primary health centres and government offices will be given through wifi under the NOFN/Bharatnet. For this, in first phase, it is proposed to cover 100 villages in the State to showcase the utility of NOFN/Bharatnet for which, the estimated would be Rs. 10.00 crore i.e 100x10 lakh.

An outlay of ₹ 23,40,00,000/- has been provided under this scheme for the year 2017-18.

(3)

Code No. 01-01-1608-2852-07-202-93
Name of Scheme: Organizing of Seminars/Exhibitions/Workshops at National /International level
Outlay : 50,00,000/-

The vision of Digital India programme is to transform India into a digitally empowered society and knowledge economy. It is much more than going paperless, but it is about transforming the lives of people across societies through effective use of ever evolving robust technologies and methodologies.

2. It is also known that with the rapid technological innovations and large number of IT & electronic units entering in the field, the market is getting highly competitive. Thus, it is becoming difficult for the industry to market their products and services. It is particularly so for small-scale industry, which has meager resources in terms of trained manpower and finances for interacting with the buyers and to exhibit products and services in the national/ international exhibitions.

3. In view of the above, it is proposed that HARTRON/Society under the above scheme, may assist the IT & electronic industry in the State in the form of;

- (i) Holding workshops/ seminars at the State level on e-Governance, Cyber Security, Social & Financial inclusion, Incubation & Entrepreneurship, Awareness on Technology Innovations, Public Private Partnerships etc inviting stakeholders in the development of State. Stakeholders in the State would be academics, technology providers, government, industry and the citizens
- (ii) Arranging buyers' Sellers' Meet where the products of the local industry will be displayed. Seminars will be held so as to know their requirements and future trends.
- (iii) Participation in national/ International seminars and Exhibitions by senior officials so as to know the emerging trends in the field of Information Technology and Electronics.
- (iv) A massive promotion/ advertising campaigns would be done at district, block and village levels to connect to the grass root level.

At least five seminars/workshops are to be organized from time to time at National/ Inter National level in Electronics & IT Sector.

A outlay of ₹ 50,00,000/- has been under this scheme for the year 2017-18.

(4)

Code No. 01-01-1610-2852-07-202-91
Name of Scheme: IT Plan for Haryana
Outlay : Rs. 75,800,000/-

Government of India has embarked on an ambitious mission called Digital India that will facilitate transformation of the country into a digitally empowered society and knowledge economy. State of Haryana has aligned its vision with the three focus areas of the Digital India Programme which are Digital Infrastructure as a Utility to every citizen, Governance & Services on demand and Digital Empowerment of Citizens.

2. These visions are to be realized under specific 9 pillars. Accordingly, the funds required for the activities to be performed under the Digital India Pillors for the financial year 2016-2017 are envisaged as under:-

- (i) **State Resident Data Base:** The initial version of the project is operational and has about 1.58 cr. Citizens Records from the Aadhaar repository. About 20 e-services of Revenue, Urban Local Bodies and Health Department have been integrated with the SRDB. An amount would be required for procurement of tablates, manpower, for Household Survey, managing existing SRDB, Integration with Departments and setting up of MDM operations.

- (ii) **E-Disha/Common Service Centres:** There is plan to increase the numbers of e-services offered through CSCs and e-Disha Kendra. 150 of services are envisaged to be added during the year 2016-2017. Activities involved will be setting up of IT Labs for development & testing, Manpower for application development of citizen services, security audit of services, Procurement of Hardware , hiring of servers on cloud manpower at State & District Level , Mobile governance, Technical, Awareness and campaigning. Amount would be required under the project during the year 2016-2017.
- (iii) **Information Security Management Office (ISMO) :** A comprehensive InfoSec Policy is being prepared for the State, for which Information Security Management Office (ISMO) has already been set up. A small dedicated team of security specialists have been engage in carrying out Vulnerability analysis (VA) and Presentation Testing (PT) on a continuous basis for 30 IT Assets of the State. There is plan to cover all the IT assets of State within one year. There is also plan to set up a Security Operations Centre (SOC) for real time monitoring of security events and gathering threat intelligence both from preventive and remedial perspectives. amount would be required under the project during the year 2016-17.
- (iv) **Mobile Platform:** It is planned to develop minimum of 50 e-services on mobile platform. Various activities under this will be development of applications on mobile plat for, application for VLE management, Trainers for the services, Setting up of the Helpdesk, Operations Management of CSCs, conducting VLE Workshops, Awareness& Campaigning at SCC, TV, Radio, Newspapers. Amount would be required under the project during the year 2016-17.
- (v) **Specialized Labs:** There is plan to set up four Specialized Labs in the field of Fiber Optics, Robotic, IOT(Internet of things) under ESDM scheme . amount would be required for the purpose.
- (vi) **Skill Development :** There is plan to train 50,000 persons in the field of Information Technology , Electronics & Telecom @ Rs. 12000/- per person . The said amount i.e. Rs. 60.00 crore would be funded by the Central Government . 25% of the cost would be met out by State for Awareness creation, Management and operation. Therefore, an amount would be required for the purpose during the year 2016-2017.
- (vii) **Innovation Campus:** for created more job opportunities in the State, Innovation campus at Gurgaon would be set up in collaborations with NASSCOM. Only operation expenses would be required during the year. Therefore, amount would be required for the purpose.
- (viii) **Multi-Skill Development Centre:** There is a need for renovating and upgradation of the existing infrastructure of Haryana Multi Skill Development Centre at Gurgaon and Amabala. Therefore, amount would be required for the purpose.
- (ix) **IT Training to Citizens :** There is plan to trained all the citizen of the State in age group of 18-65 years. The initiative shall be management through CSCs and through reputed Agencies like CSC-Gov, HKCL, Hartron Workstation. It is envisaged to trained 50 lacs citizens in the next five years, out of which 10 lacs citizens are to be trained during the year 2016-2017. Therefore, amount would be required for the purpose.
- (x) **Incubation Centres:** There is plan to open one incubation centre at each University at the cost of Rs. 30.00 lacs per incubation centre. Therefore, amount would be required for the purpose.
- (xi) **General Awareness Training:** There is plan to train 5 thousand Government employees in the field of IT . Therefore amount would be required for the purpose.
- (xii) **Incentives to IT/ITES Industry:** Some incentives are being proposed in the new IT Policy for IT/ITES Sector . Therefore, amount would be required for the purpose.
- (xiii) **Cyber Centre, New Delhi:** Department has already set up a Cyber Centre , New Delhi. Therefore, amount would be required for meeting the salary expenses of manpower, hardware etc.
- (xiv) **Technical Consultancy Services:** Currently, there is no such capacity with IT Department with regard to handling e-Governance Projects and Mission Mode Project. Therefore amount would be required for the purpose.

An outlay of ₹ 75,80,00,000/- has been provided under this scheme for the year 2017-18.

(5)

Code No. 01-01-0000-2852-07-202-88-51
Name of Scheme: Setting up of Haryana Governance Reforms Authority.
Outlay : Rs. 2,50,00,000/-

This is a new State Scheme. In order to enhance the quality and ease of access of all citizens to various development programs, services and scheme of the State Government and to make the delivery of services harassment and corruption free, the State Government has set up Haryana Governance Reforms Authority with following mandate.

2. The said authority will suggest change in :- (i) The processes, procedures, rules, regulations, design of various public services, social and economic programs and social security schemes to improve their delivery and to ensure that the disadvantaged, marginalized and deprived sections of society are able to access these in a dignified manner. (ii) The institutional arrangements of the State Government, Urban Local Bodies and Panchayati Raj institutions required to deliver services to citizens. (iii) The dispute resolutions mechanisms to ensure active engagement of expert citizens and to make recommendations on :- (a) Improving health , literacy, social development indicators of gender, caste and other disadvantaged groups (b) Strengthening citizenship rights in provisioning and use of police services (c) Enhancing convergence of e-governance with citizen's engagement in administration (d) improving the grievance Redressal mechanism and ensuring accountability of service providers (e) New modalities for skill up-gradation, training and redressal of grievances of services provider.

An outlay of ₹ 2,50,00,000/- has been provided under this scheme for the year 2017-18.

Part-II Central Scheme (Sharing Basis)

(6)

Code No. 2-01-1614-2852-07-202-89
Name of Scheme: National e-Governance action Plan (50:50 Basis).
Outlay : Rs. 19,30,00,000/-

Government of India has embarked on an ambitious mission called Digital India that will facilitate transformation of the country into a digitally empowered society and knowledge economy. State of Haryana has aligned its vision with the three focus areas of the Digital India Programme which are Digital Infrastructure as a Utility to every citizen, Governance & Services on demand and Digital Empowerment of Citizens.

Government of India has planned a National Level Initiative- National e-Governance Plan for increase transparency, efficiency and effectiveness for delivery of citizen services. An important component of NeGP are state related Mission Mode Projects, which falls essentially with in the domain of State Government.

The funds (100% basis) were being provided by Government of India under National e-Governance Plan for various Mission Mode Projects i.e e-District, Common Service Centre, State Service Delivery Gateway, State Data Centre and Capacity Building and SWAN. As per funding pattern conveyed by Government of India vide letter dated 20.11.2015 for various schemes under NeGP, the funding shall be shared 50:50 ratio and Centre share is directly released to the implementing agency by the Govt. of India. The detail of State share is as follows:-

Name of Project	State Share
Capacity Building	Rs. 2.00 crore
CSC	Rs. 0.78 crore
e-district	Rs. 8.00 crore
SDC	Rs. 7.30 crore
SSDG	Rs. 1.22 crore
Total	Rs. 19.30 crore

An outlay of ₹ 19,30,00,000/- has been provided under this scheme for the year 2017-18.

(1)

Code No. 1-1-2054-5053-60-052-99-51
Name of the Scheme Purchase of spare parts, Air-Crafts & Other Equipments
Outlay ₹ 4,15,50,000/-

An amount of 4,15,50,000/- is required for modern and advance aircraft equipped with latest instruments, like as Cessna-152 allotted by Aero club at India, New Delhi to the branches of Haryana Institute of Civil Aviation (HICA). Commissioning of C of A engine, aircraft workshop the requisite paraphernalia such as jacks, pedestal, pulleys, gadgets, engine special tools and ground machinery, dyes and jig-jag etc. are required to be procured. For the maintenance of trainer, advanced trainer aircraft, glider and VIPs Aircraft in order to provide self sufficiency in the matter of keeping maximum aircraft and glider serviceable.

Hence, an amount of ₹ 4,15,50,000/- is being provided for the year 2017-18.

(2)

Code No. 1-1-2053-5053-60-052-98-51
Name of the Scheme Air Traffic Control facilities at different Aerodromes
Outlay ₹ 20,00,000/-

The VHF (Very High Frequency) Sets and NDBs (Non Directional Beacons) facilities have been provided to the Karnal, Bhiwani and Narnaul Civil Aerodromes. High Frequency Radio sets, Runway Lighting and Air Traffic Control facilities are also required to be provided at Karnal & Hissar for night flying training.

Hence, an amount of ₹ 20,00,000/- is being provided for the year 2017-18.

(3)

Code No. 1-1-2051-5053-60-800-99-51
Name of the Scheme Maintenance of Aerodromes
Outlay ₹ 20,00,00,000/-

Construction & extension of runway of Civil Aerodromes, Airstrips and other avionics buildings in the State for modern infrastructural facilities for setting up flying training academies at Bhiwani, Pinjore, Hisar and Narnaul Civil Aerodrome/ Airstrips. Acquisition of land for extension and recarpetting, construction and Junk Room providing Cement pavement for Civil Aerodrome Karnal.

Hence, an amount of ₹ 20,00,00,000/- is being provided for the year 2017-18.

(4)

Code No. 1-1-0000-5053-60-800-96-51
Name of the Scheme Swaran Jayanti Integrated Aviation Hub at Hissar
Outlay ₹ 50,00,00,000/-

In the budget 2016-17 an amount of ₹ 50,00,00,000/- have been approved by Vidhan Sabha for the project of Hisar International Airport. The Haryana Govt. is having 194 acres of land at Hisar Aerodrome and additional 3500 acres of land has been identified adjoining the existing aerodrome at Hisar which can be used for development of Integrated Aviation Hub at Hisar. The Haryana Govt. has already engaged M/s Frost & Sullivan India Private Limited, Chennai as consultant for development of Hisar International airport. The Primary task of the consultant for development shall be to conduct feasibility study and prepare detailed technical qualifications/parameters to help the Government in floating global tenders and ensuring financial closure in PPP mode. In the first phase is expansion of the existing runway from 4000 ft. to 7000ft. provision of night landing facility, maintenance Repair Overhaul (MRO) Activities and Renovation of the terminal building at a cost of ₹ 50,00,00,000 The project is divided into 3 phases. Phase 1 and Phase II are in fact parallel activities. Phase I is to operationalized the existing airstrips 4000ft. at Hissar and to place Hissar on the aviation map of India. Phase 2 will involve the construction of a new airstrip (7000ft) and airport at Hisar and marketing activities to allocated land to potential investors in Hisar. Phase III of the project will involve extension of the new runway to 9000 ft to target MRO business and allow for flights of narrow body jets to and from Hisar.

Hence, an amount of ₹ 50,00,00,000/- is being provided for the year 2017-18.

Hence, a provision of ₹12,00,00,000/- has been made for the year 2017-18 under this scheme.

(10)

Code No. : **1-1-0000-4216-01-106-76-51**
Name of Scheme : **Swaran Jayanti Scheme for Residential Complex/Transit Flats at Sub Division level**
Outlay : **₹ 20,00,00,000/-**

Work of construction of transit flat at Nuh is administratively approved for ₹400.00 lakh and finalization of drawing and land for construction of transit flat at Assandh and Dadri are under process. These works will be taken up during the year 2017-18.

Hence, a provision of ₹20,00,00,000/- has been made for the year 2017-18 under this scheme.

(11)

Code No. : 1-1-2115-5054-03-101-81-99
Name of Scheme : **Construction of Bridges in Haryana State – Construction of Bridges and Railway Over Bridges under State Scheme**
Outlay : ₹ 15,00,00,000/-

Two Nos. of Bridges including existing Bridges/ Railway under Bridges have been proposed for construction during the year 2017-18 and necessity has arisen to widen the existing bridges and to re-construct the old bridges under State Scheme. Thus, a provision of ₹15,00,00,000/- has been made for the year 2017-18. It will be very beneficial in the Public interest as it will help in enhancing road safety and saving considerable time and fuel.

(12)

Code No. : 1-1-2119-5054-03-101-81-98
Name of Scheme : **Construction of Bridges in Haryana State – Construction of Bridges and Railway Over Bridges for National Capital Region Scheme**
Outlay : ₹ 15,00,00,000/-

Three Nos. of Bridges including Railway Over Bridges/Railway Under Bridges have been proposed for construction during the year 2017-18 and necessity has arisen to widen the existing bridges and to re-construct the old bridges under State Scheme. Thus, a provision of ₹15,00,00,000/- has been made for the year 2017-18 under this scheme. It will be very beneficial in the Public interest as it will help in enhancing road safety and saving considerable time and fuel.

(13)

Code No. : 1-1-2120-5054-03-337-88-99
Name of Scheme : **Construction of Roads in Haryana State – Construction/ strengthening/widening and improvement of roads for State \ Scheme**
Outlay : ₹110,00,00,000/-

The total length of the State Highways in the State is 1801 Kms. Traffic intensity has increased tremendously on the State Highways in terms of volume as well as axle load. The existing crusts of State Highways require strengthening to bear the onslaught of increased traffic. Also some sections of Highways require widening for increasing capacity. This has been necessitated for the construction of road works of improvement & Upgradation of State Highways in Haryana. Out of which, 435 Kms. are under National Capital Region as these kilometer of roads of Haryana in NCR region serve as corridor routes for interstate traffic comprising of 13 Districts namely Gurgaon, Faridabad, Nuh (Mewat), Palwal, Rewari, Rohtak, Karnal, Panipat, Jind, Sonapat, Jhajjar, Bhiwani & Mahendergarh which is 66% of the area of the State. Hence, a provision of ₹ 110,00,00,000/- has been made for the year 2017-18 under this scheme.

(14)

Code No. ; 1-1-2120-5054-03-337-88-98
Name of Scheme : **Construction of Roads in Haryana State –Construction / strengthening/widening and improvement of roads for National Capital Region Scheme**
Outlay : ₹ 70,00,00,000/-

The total length of the State Highways in the State is 1801 Kms. Traffic intensity has increased tremendously on the State Highways in terms of volume as well as axle load. The existing crusts of State Highways require strengthening to bear the onslaught of increased traffic. Also some sections of Highways require widening for increasing capacity. This has been necessitated for the construction of road works of improvement & up-gradation of State Highways in Haryana. Out of

which, 435 Kms. are under National Capital Region as these kilometer of roads of Haryana in NCR region serve as corridor routes for interstate traffic comprising of 13 Districts namely Gurgaon, Faridabad, Nuh, Palwal, Rewari, Rohtak, Karnal, Panipat, Jind, Sonapat, Jhajjar, Bhiwani & Mohindergarh which is 66% of the area of the State. A provision of ₹ 70,00,00,000/- has been made for the year 2017-18 under this scheme.

(15)

Code No. : 1-1-2122-5054-04-101-84-99
Name of Scheme : Construction of Bridges and Railway Over
 : Bridges in Haryana State under State Scheme
Outlay : ₹ 125,00,00,000/-

Thirty one Nos. of Bridges including 12 Nos. existing Railway Over Bridges/Railway Under Bridges have been proposed for construction/rehabilitation during the year 2017-18. A provision of ₹125,00,00,000/- has been made for the year 2017-18 under this scheme. It will be very beneficial in the public interest as it will help in enhancing road safety and saving considerable time and fuel.

(16)

Code No. : 1-1-2124-5054-04-101-84-98
Name of Scheme : Construction of Bridges and Railway Over
 : Bridges in Haryana State under NCR Scheme
Outlay : ₹ 100,00,00,000/-

Four Nos of Bridges including Railway Over Bridges/Railway Under bridges have been proposed for construction/rehabilitation during the year 2017-18. A provision of ₹100,00,00,000/- has been made for the year 2017-18. It will be very beneficial in the Public interest as it will help in enhancing road safety and saving considerable time and fuel.

(17)

Code No. : 1-1-2122-5054-04-101-84-97
Name of Scheme : Construction of Bridges and Railway Over
 : Bridges in Haryana State under NABARD Scheme
Outlay : ₹ 30,00,00,000/-

Five Nos. of New Bridges, 2 Nos. replacement of old Bridges and 3 Nos. existing Bridges have been proposed for construction/rehabilitation during the year 2017-18. A provision of ₹ 30,00,00,000/- has been made for the year 2017-18. It will be very beneficial in the Public interest as it will help in enhancing road safety and saving considerable time and fuel.

(18)

Code No. : 1-1-2106-5054-04-337-99-99
Name of Scheme : District Roads - Construction/ strengthening/
 : widening and improvement of roads for State Scheme
Outlay : ₹70,00,00,000/-

The total length of the Major District Roads in the State is 1395.00 Kms. Traffic on Major District Roads has substantially increased in last couple of years. In order to cater to the demand of increased traffic, some reaches of District Roads are required to be widened and strengthened. A provision of ₹70,00,00,000/- has been made for the year 2017-18. It will be beneficial in the interest of Public and also improve the condition of roads for smooth and efficient flow of traffic.

(19)

Code No. : 1-1-2128-5054-04-337-99-98
Name of Scheme : District Roads - Construction/ strengthening/
widening and improvement of roads for NCR Scheme
Outlay : ₹ 40,00,00,000/-

The total length of the Major District Roads in the State is 1395.00 Kms. Traffic on Major District Roads has substantially increased in last couple of years. In order to cater to the demand of increased traffic, some reaches of District Roads are required to be widened and strengthened. A provision of ₹40,00,00,000/- has been made for the year 2017-18. It will be beneficial in the interest of Public and also improve the condition of roads for smooth and efficient flow of traffic.

(20)

Code No. : 1-1-2107-5054-04-337-98-99
Name of Scheme : Rural Roads - Construction/ strengthening/
widening and bye-passes of roads for State Scheme
Outlay : ₹750,00,00,000/-

The total length of the Rural Roads in the State is 20363.00 Kms. Traffic has increased on Rural Roads also in the State. In fact, some of the rural roads act as alternative arterial routes. Thus, new roads, by-passes are to be constructed and also to be widened and strengthened to improve connectivity of inter villages for providing facilities for better education, medical help and other social needs in the State. ROAD TRANSPORT

(1)

Code No. 1-1-5401-2041-51-102-98-51
Name of the Scheme Road Safety Awareness & Computerization of Regulatory Wing
Outlay ₹ 15,00,00,000/-

An amount of ₹ 15,00,00,000/- is required for making payment/maintenance of space as mentioned in the agreement for preparation of smart card based Driving Licence/Registration Certificate and for providing computer, hardware and software updation etc. and rent of BSNL Connectivity.

Hence, an amount of ₹ 15,00,00,000/- is being provided for the year 2017-18.

(2)

Code No. 1-1-4901-3055-51-001-99-99
Name of the Scheme Central offices-Information Technology
Outlay ₹ 2,00,00,000/-

For computerization of Haryana Roadways, the State Govt. has provided ₹ 2,00,00,000/- under this scheme information and Technology for Headquarter of Transport Department and 24 depots of Haryana Roadways.

Hence, an amount of ₹ 2,00,00,000/- is being provided for the year 2017-18.

(3)

Code No. 1-1-2511-5055-51-050-78-51
Name of the Scheme Haryana Roadways Depots
Outlay ₹ 70,00,00,000/-

An amount of ₹ 70,00,00,000/- has been provided under this scheme for the year 2017-18. The funds will be utilized for on-going projects as well as construction of new bus stands /workshops and acquisition of land for construction of bus stands.

Hence, an amount of ₹ 70,00,00,000/- is being provided for the year 2017-18.

(4)

Code No. 1-1-2514-5055-51-050-77-51
Name of the Scheme Purchase of Land and Construction of Building for Regulatory Wing
Outlay ₹ 16,00,00,000/-

An amount of ₹ 16,00,00,000/- is required for the construction of RTA Office Rohtak, Bahadurgarh and Panchkula and Constructions of ITDR Chappera will also be started similarly the work of ITDR at Kaluwas (District Bhiwani) and Bahin (District Palwal) also be started in the next financial year 2017-18 and this scheme is to bring awareness programme and make projects pertaining to road safety.

Hence, an amount of ₹ 16,00,00,000/- is being provided for the year 2017-18.

(5)

Code No. 1-1-2512-5055-51-102-77-51
Name of the Scheme Haryana Roadways Depots-N.A
Outlay ₹ 180,00,00,000/-

An amount of ₹ 180,00,00,000/- will be utilized for purchase of new chassis and bus body fabrication during the year 2017-18. It is proposed to replace 850 buses and addition of around 300 buses for providing better Transport service to the public during the financial year 2017-18.

Hence, an amount of ₹ 180,00,00,000/- is being provided for the year 2017-18.

(6)

Code No. 1-1-2513-5055-51-103-76-51
Name of the Scheme Haryana Roadways Depots-N.A
Outlay ₹ 1,00,00,000/-

An amount of ₹ 1,00,00,000/- has been provided for the acquisition of floating assemblies, automatic bus washing machines, installation of water treatment plants, pollution check devices and other equipments for modernization of workshops during the year 2017-18. The scheme is meant for improvement of efficiency of workshops of Haryana Roadways.

Hence, an amount of ₹ 1,00,00,000/- is being provided for the year 2017-18.

(7)

Code No. 1-1-2316-5055-51-190-99-51
Name of the Scheme Haryana Roadways Engineering Corporation Ltd. Gurgaon
Outlay ₹ 5,00,000/-

The funds amounting to ₹ 5,00,000/- has been provided as a share capital to Haryana Roadways Engineering Corporation, Gurgaon for the year 2017-18 for undertaking the task of modernization and up-gradation of its facilities.

Hence, an amount of ₹ 5,00,000/- is being provided for the year 2017-18.

(8)

Code No. 1-1-2271-5055-51-800-77-51
Name of the Scheme Driver Training School
Outlay ₹ 50,00,000/-

The funds amounting to ₹ 50,00,000/- provided under this scheme will be utilised for equipping the Driving Training Schools at Murthal, Karnal, Hissar, Gurgaon, Rohtak and Narnaul with latest technology to impart training to drivers and conducting refresher courses for drivers and conductors of Haryana Roadways.

Hence, an amount of ₹ 50,00,000/- is being provided for the year 2017-18.

SCIENCE AND TECHNOLOGY PROGRAMME

(1)

Code No. : **1-1-1510-3425-60-001-99**
Name of the Scheme : **Science & Technology Programme**
Outlay : **₹ 3,13,00,000/-**

This is a continued State Scheme. The department of Science & Technology was created in March 1983 to promote Science & Technology in the State and to inculcate scientific temper among the youths of the State.

Since its inception, the Department has been implementing number of schemes and making continuous efforts to promote research & development activities. It functions through its two organizations namely (i) Haryana State Council for Science and Technology (HSCST) which is engaged in planning, implementing and monitoring policies for promotion of Science and Technology in the State and (ii) Haryana State Remote Sensing Application Centre (HARSAC), Hisar which is a premier agency for utilization and application of satellite data in various economic sectors of the state.

The major activities being taken up by the department are Setting up Centre of Excellence/Common Research Centre, Promotion of Science Education, Setting up of Library-cum-Technical Data Centre, financial assistance to scientists, for attending international conference abroad, setting up of Sub-Regional Science Centre etc.

The above activities will continue to be taken during the year 2017-18 for which a provision of ₹ 3,13,00,000/- is being made for the year 2017-18.

(2)

Code No. : **1-1-1506-3425-60-001-97**
Name of the Scheme : **Grant-in-aid to Science and Technology Council**
Outlay : **₹ 4,00,00,000/-**

This is a continuing State Scheme. Haryana State Council for Science and Technology (HSCST) is an autonomous body, a registered society, under the Societies Registration Act, 1860. The Council came into existence during the year 1986.

Since its inception the council has been closely interacting with Department of Science and Technology, Government of India and various Science and Technology institutions of national repute and also with the line departments of the State Government. The following activities are being undertaken in the Council:

1. Bio-technology Policy.
2. Science Popularization Programme.
3. Grant-in-aid to Research and Development Projects.
4. Setting up of Kalpana Chawala Memorial Planetarium Tissue Culture Centre.
5. Setting up of centre of Plant Biotechnology
6. Exposure visit of the meritorious students
7. Haryana Vigyan Ratana Award to outstanding scientists
8. Fellowship to the research scholars
9. Setting up of Observatory/Telescope

The Science Popularization programmes being organized during 2010-11 viz: Science Quiz Contests, Children Science Congress, Science Essay Writing Competition for Colleges, Science Essay Writing Competition for Schools, Popular Science Lectures, Science Awareness Camp etc. has been organized during 2011-12. A Planetarium in the memory of late Astronaut Smt. Kalpana Chawla was set up at Kurukshetra. The planetarium is imparting education about astronomy among school students and general masses by showing shows.

All regular programmes will be organized in addition to the new schemes initiated by the department for promotion of Science & Technology related activities/programmes and other programmes sponsored by National Council of Science & Technology Communication (NSCTC), DST Govt. of India.

A provision of ₹ 400,00,000/- is being made for the year 2017-18.

(3)

Code No. : **1-1-1504-3425-60-001-96**
Name of the Scheme : **State Natural Resources Data Management System (NRDMS)**
Outlay : **₹ 21,50, 000/-**

This is a continuing State Scheme. It was initiated during the year 1998- 99. A State Natural Resources Data Management System Centre (NRDMS) has been established in the Haryana State Remote Sensing Application Centre (HARSAC) Hisar. The main objective of the centre is to increase the efficiency of use of natural resources of the state and districts through application of scientific management principles for sustainable development. The centre provides facilities for creation of spatial data base which includes both natural resources as well as socio-economic data required for micro-level planning. A resource atlas depicting the natural resources and socio data of whole of the Haryana has been published under this project.

A budget provision of ₹ 21,50,000/- is being made for the year 2017-18.

(4)

Code No. : **1-1-1503-3425-60-001-95**
Name of the Scheme : **Grant-in-Aid to Haryana State Remote Sensing Application Centre (HARSAC)**
Outlay : **₹ 4,28,50,000/-**

This is a continuing State Scheme. Haryana State Remote Sensing Application Centre (HARSAC) was established as an autonomous body in the year 1986. It is acting as a nodal agency in the state for all Remote Sensing and GIS related activities. It has already completed more than 100 projects since its inception.

Major projects included waste land mapping, agricultural land use/land cover mapping, urban land use planning, site selection for thermal power station and sewerage treatment plants, river migration, flood management, integrated resources surveys, wetland mapping, current fallow mapping, mapping mining areas, forest mapping, crop production forecasting, hydro-geomorphology mapping and Natural Resources Information System (NRIS) etc.

It has been decided by the Haryana Govt. that all line departments will work through HARSAC for their remote sensing GIS related works. Presently besides the other projects, the HARSAC is working on a prestigious viz Haryana Spatial Data Infrastructure (HSDI), Space based information support for decentralized Planning (SIS-DP), Modernization of land record in Haryana etc.

A budget provision of ₹ 4,28,50,000/- is being made for the year 2017-18.

(5)

Code No.: **1-1-1507-3425-60-001-93**
Name of the Scheme : **Micro Propagation of High Quality Planting Material through Tissue Culture Technology**
Outlay : **₹ 1,50,00,000/-**

This is a continuing State Scheme. Centre for Research & Application in Plant Tissue Culture (CRAPTC), Hisar has been established in the year 2000-01 jointly by Department of Biotechnology (DBT), Govt. of India and Haryana State Council for Science & Technology, DST, (Govt. of Haryana) at CCSHAU New Campus, Hisar. The center is multiplying elite germplasm of Guava, Alovera, Sarvandha, Stevia, Banana, Gladiolous, bamboo, eucalyptus, chlorophytum, dahia, potato, jojoba, strawberry, mehandi, sugarcane & other plants.

Further, Department of Biotechnology and Department of Science & Technology, Govt. of India and the National Oil & Vegetable Development Board (NOVOD) has sanctioned projects amounting to which are operational in the center and these projects will also continue in the next years.

A budget provision of ₹1,50,00,000/- is being made for the year 2017-18.

(6)

Code No. : **1-1-1509-3425-60-001-88**
Name of the Scheme : **Office Automation Computerisation and Information Technology**
Outlay : **₹ 5,00,000/-**

This is a continuing State Scheme. In order to introduce the office automation in the Council, the latest equipment has been procured and the existing equipment was updated during the 11th Five Year Plan. The website of the department and HSCST has been launched in November, 2007.

For further modernization and networking between the centres at Hisar, Kurukshetra and other Govt. departments a proposal has been invited from the HARTRON for preparation of the Information Technology Plan of Science and Technology Department.

A budget provision of ₹ 5,00,000/- is being made for the year 2017-18.

(7)

Code No. : **1-1-0000-5425-51-600-99**
Name of the Scheme : **Setting up of Science City at Sonipat**
Outlay : **₹ 80,00,00,000/-**

This is a new State Scheme. A Science City at Murthal is planned to be set up as per announcement of Hon'ble CM Haryana on 11.02.2016. The total cost of this project is ₹191.00 Crore, out of which ₹ 147.00 Crore is project cost and ₹ 44.00 Crore is for corpus fund. This cost will be shared by the State and Centre Govt. as per the guidelines of the Ministry of Culture Govt. of India. The State share would be ₹ 94.00 Crore (40% of project cost i.e. ₹ 58.80 Crore and 80% of the corpus fund i.e. ₹. 35.20 Crore) and the Govt. of India will provide ₹ 97.00 Crore.

A budget provision of ₹ 80,00,00,000/- is being made for the year 2017-18.

ENVIRONMENTAL PROGRAMME

(1)

Code No. : **1-1-2404-3435-03-800-97**
Name of Scheme : **Setting up of Special Environment Courts.**
Outlay : **₹ 40,00,000/-**

The department of Environment has set two Special Environment Courts i.e one at Faridabad and other at Kurukshetra presided over by Presiding Officer for speedy disposal of cases under water (Prevention & Control of Pollution) Act, 1974, Air Act, 1981, Environment Protection Act, 1986, Forest Conservation Act and Wild Life Act pending in other courts on violation for the various provisions under these acts. The department ensure of speedy disposal of pending cases under various acts.

Therefore, a sum of ₹40,00,000/- has been provided under this scheme for the year 2017-18.

(2)

Code No. : **1-1-2403-3435-03-800-95**
Name of Scheme : **Environment Training Education and Awareness Programme.**
Outlay : **₹40,00,000/-**

Awareness and education about environmental pollution / hazards can be promoted through short films, pamphlets, distribution of environmental literature, posters, hoardings, blow-ups, conducting seminars/workshops and conferences, holding exhibitions, imparting training and advertising in leading newspapers, radio and television. Films on environmental issues will be screened in different parts of the State in collaboration with Pollution Control Board and involvement of NGOs. To create awareness at the grass root level in general public is a very big project. The Environment Department with the involvement of District Environment Committees, Pollution Control Board, voluntary organizations and NGOs will do the work of awareness at a large scale.

To spread awareness in school/college students with the co-ordination of Education Department regular seminars/workshops/quiz competitions for different age groups initially in urban areas and then in rural areas of whole States and when it is promoted in the coming generation, the schools are the best stage for creating awareness in the coming generations.

Therefore, a sum of ₹ 40,00,000/- has been provided under this scheme for the year 2017-18.

(3)

Code No. : **1-1-2410-3435-03-800-92**
Name of Scheme : **Establishment of ECO Clubs**
Outlay : **₹1,00,00,000/-**

Eco-Clubs has been established in 2850 schools of Haryana State to create awareness regarding Environment amongst the school children. From this financial year, the number of school is going to be increased to 5250 in the State. Financial assistance to these schools is given by MOEF, GOI @ ₹ 2500/- for each eco-clubs which has been distributed by the HSPCB being a nodal agency.

To organize workshop, State Level Eco-Club camp, awareness rallies and publication of literature/ pamphlets and other activities relating to the eco-clubs, in only motive to create awareness amongst the new generation.

A provision of ₹ 1,00,00,000/- has been made for the year 2017-18.

(4)

Code No. : **1-1-2411-3435-03-800-89**
Name of Scheme : **Setting up of Environment Training Institute at Gurgaon**
Outlay : **₹ 200,00,000/-**

This scheme is proposed for setting up of Environment Training Institute. The main objective to start this scheme to promote environmental sensitivity and knowledge in all section of the society including Industrial units as Air, water, Hazardous & Solid waste pollution being created by the Industrial units and the persons handling these works are totally ignorant manner regarding scientific disposal/management of units. To impart training to these workers of industrial units who has handling ETP, Hazardous/solid Waste disposal for proper functioning. It is proposed to prepare short films, environmental literature, posters holding exhibitions, imparting training and advertising in the leading newspaper and other training related to the field of environment. There is no training institute in the State. The Institute will also undertake the research studies on environmental protection and monitoring of various Air and water quality. This scheme will be started by the State Govt. in collaboration with Industrial units situated in District Gurgaon.

The department planned to establish Training Institute at Gurgaon (Swarna Jayanti Scheme). A Token provision of ₹200.00 lacs has been kept for the year 2016-17 for construction of building of Environment Training Institute at Gurgaon.

The main objective to start this scheme to promote environmental sensitivity and knowledge in all section of the society including matters of Industrial units as Air Water Hazardous & Solid waste pollution being created by the Industrial units and all persons handling these works are totally ignorant about scientific disposal/management of Waste of these units. The training will improve the pollution due to various Environmental factors.

A token provision of ₹ 200,00,000/- has been made for the year 2017-18.

(5)

Code No. : **1-1-2417-3435-03-800-88**
Name of Scheme : **State Environment Impact Assessment Authority**
Outlay : **₹ 80,00,000/-**

This is State scheme started during the financial year 2009-10. MOEF, GOI vide notification dated 21.8.2015 constituted a State Level Environment Appraisal Committee and State Level Environment Impact Assessment Authority for giving environmental clearance to Category 'B' Projects under EIA Notification dated 14.09.2006 in the State.

An amount of ₹ 80,00,000/- has been provided under this scheme for the year 2017-18.

(6)

Code No. : **1-1-2418-3435-03-800-84**
Name of Scheme : **Climate Change Division**
Outlay : **₹ 10,00,000/-**

Indian National Action Plan on Climate Change (NAPCC) released in 2008 outlines its strategy is meet the challenge of Climate Change. The NAPCC is guided by the principles of sustainable development and aligns the environmental and economic objectives. It outlines a national strategy that aims to enable the country adapt to Climate Change and enhances the ecological sustainability of India's development path. It stresses the maintain of high growth rate is essential for increasing living standards of the vast majority of people of India and reducing their vulnerability of the impacts of Climate Change. There are Eight " National Missions" which form the core of the National Action Plan. They focus on promoting understanding of Climate Change, adaptation and mitigation, energy efficiency and natural resources conservation.

All the states have been asked to prepare a state level action plan on Climate Change to deal with the challenges of climate change. The State Level Action Plan is envisioned to be an extension of NAPCC. The Environment Department in the State Government has been assigned the job for preparation of SAPCC which is advance stage of completion.

An amount of ₹ 10,00,000/- has been provided under this scheme for the year 2017-18.

SECRETARIAT ECONOMIC SERVICES & DECENTRALISED PLANNING

(1)

Code No. : 1-1-2353-3451-51-102-98-51
Name of the Scheme : **Strengthening of District Planning Machinery**
Outlay : **₹70,00,000/-**

This is an ongoing State Scheme. There were 36 posts under this scheme upto the year 2009-10. Now only 6 posts consisting of two Planning Officers, One Assistant Planning Officer, One Cartographer and One Peon-cum-Chowkidar are on the State Scheme side. The detail is as given below:-

Sr.No.	Name of post	Converted to Non-Plan	To continue on State Scheme side
1.	Chief Planning and Development Officer	3	-
2.	Planning Officer	2	2
3.	Assistant Planning Officer	3	1
4.	Cartographer	2	1
5.	Assistant	6	-
6.	Steno-typist	3	-
7.	Gestetnor Operator	7	-
8.	Peon-cum-Chowkidar	3	1
9.	Peon	1	1
	Total:	30	6

The department undertakes multifarious activities under the Head 3451 under the Planning Wing. The department has to assess the level of development in important sectors for the State, the financial, manpower and material resources, to assist the State Government in the formulation of the Five Year Plan and Annual Plan, to determine the priorities, suggest policies and Programmes for removing the imbalances prevailing in various regions in the State, to assist in formulation of district plan, to make critical appraisal of ongoing Programmes and to advice on such other matters connected with the economic development as may be assigned by the State Government.

Hence, a provision of ₹70, 00,000/- is being made for the year 2017-18 under this scheme.

(2)

Code No. : 1-1-2352-3451-51-102-97
Name of the Scheme : **Strengthening of Planning Machinery at State Level**
Outlay : **₹185,00,000/-**

(i) 99-Information Technology (Computerization)
₹10,00,000/-

As mentioned earlier, in today's modern technological era, the system of manual data processing and analysis has become obsolete and is also not suited to cope up with even the existing statistical system; increasing demand was felt in the department for new computer based data processing technique since long time. The department had prepared its I.T. plan as per State Government instructions. As per I.T. Plan, the department had purchased Computer hardware and software. Keeping in view the nature and quantum of work of various sections of the department at Headquarter as well as its District level field offices, the department has identified 28 application software in all required for the full implementation of the department's I.T. Plan. Therefore, for day to day data administration and data communication between districts and state headquarter level, development of application software's and their proper implementation and maintenance along with the maintenance of LAN data base and systems is essential.

To provide the facility of Computerization at District level and Headquarter, a provision of ₹10, 00,000/- is being made under the scheme for the year 2017-18.

(ii) 98-Establishment Expenses

₹175,00,000/-

Since independence, India has adopted planning as a major instrument for socio-economic development. The Five Year Plans and Annual Plans for Central and State Government constitute the key elements of the planning strategy.

The Planning Commission lays stress on District Planning in order to achieve optimum outcomes in terms of balanced development. Based on the recommendation of an Expert Group on Planning at grass root level, guidelines for District Planning were framed by Planning Commission, Govt. of India in 2006. These guidelines were issued to State Governments to specify the steps to be taken at the State and district level and suggest modalities for the State's Twelfth Plan proposals. Through these guidelines, Planning Commission also suggested for strengthening of the existing institutions like State Planning Board and State Planning Department.

Keeping in view the above mentioned recommendations by Ministry of Statistics and Programme Implementation (MOSPI) and Planning Commission, Govt. of India, there is also an urgent need to strengthen the State Planning Process of Haryana State so that an effective system could be developed at State level as well as at both levels for getting reliable and timely desired results. Therefore, it is necessary to strengthen the Planning Unit at State level so that all functions/ activities could be carried out properly as detailed below:-

<u>Sr.No.</u>	<u>Name of Posts</u>	<u>No. of posts</u>
1.	Programmer	1
2.	Assistant Programmer	1
3.	Networking Assistant	1
4.	Data Entry Operator	10

Implementation of internship & consultants (SJS)

Research and Analysis is one of the key activities of the Planning and Finance Department. Presently these activities are being done by the Research Officers in the Finance Department. The services of consultants are required to supplement the capacity of existing employees for some specific time bound job.

i) To associate young academic talent to be associated in the Planning and Finance Departments in the state.

ii) To provide exposure to the interested willing students of various recognized Universities and Research institutes about the overall process of formulation of economic and financial policies of the Government .

iii) The interns may benefit by getting exposure to the Government functioning and development policy issue in the State and contribute to the policy formulation by generating policy inputs such as empirical analysis, briefing reports, policy papers etc. An amount of ₹50,00,000/- is required for internship.

Hence, a provision of ₹175, 00,000/- is being made for the year 2017-18 under this scheme.

(3)

Code No. : **1-1-0000-3451-51-102-94-51**
Name of the Scheme : **Swaran Jayanti Institute for Fiscal Management.**
Outlay : **₹100, 00,000/-**

Swaran Jayanti Haryana Institute for Fiscal Management is the institute with the objective of providing specialized research opportunities in the areas of public finance and policy of members from Government, business fraternity, industry associations, academic institutions and other research and consultancy organization. It provides the specialized training opportunities to officers of Government of Haryana and other State Government.

The mission of SJIFM is to position itself as the first point of reference for consultancy and handholding by the Government. To provide structured training and research programmes for Government officers/officials in the areas of public finance policy, financial management and financial administration with specific focus on taxation, budgeting, financial planning, audit and account management procedures and policy issues.

Like any good institution, this Institute would have to be adequately equipped with quality infrastructure facilities and faculty resources if it were to provide value education and genuine opportunities for research, capacity building and knowledge enhancement to its participating members, trainees and other potential users. In general, this would require setting up of infrastructure facilities as set out above at the time of inception, which could be progressively upgraded depending on future requirements.

Hence, a provision of ₹ 1, 00, 00,000/- is being made for the year 2017-18 under this scheme.

(4)

Code No. : **1-1-0000-5475-51-115-99-51**
Name of the Scheme : **Haryana Institute for Fiscal Management**
Outlay : **₹15, 00, 00,000/-**

Haryana Institute for Fiscal Management is a state level academic institution with the objective of providing specialized research opportunities in the areas of public finance and policy to members from government, business fraternity, industry associations, academic institutions and other research and consultancy organizations; along with specialized training opportunities to officers of Government of Haryana and other State governments.

The mission of IFM is to position itself as the first point of reference for consultancy and handholding by all Government administrator units by imbibing the sense of fiscal responsibility and by infusing the matching practices and by providing its services and outputs of reasonable and affordable costs to use within and outside Government system.

It is a new scheme. Hence, a provision of ₹ 15,00,00,000/- is being made for the year 2017-18 under this scheme.

CENSUS SURVEY AND STATISTICS

(1)

Code No. : **1-1-2451-3454-02-001-98-51**
Name of Scheme : **Family Income & Expenditure Survey Plan.**
Outlay : **₹ 15,00,000/-**

The Department of Economic and Statistical Analysis, Haryana at present compiles Working Class Consumer Price Index Numbers in respect of six important industrial centres of State namely; Bhiwani, Hisar, Sonapat, Surajpur-Pinjore, Bahadurgarh and Panipat with 1982 as the base. These indices are based on the weighting diagram computed on the basis of Family Income and Expenditure Survey conducted for these centres during 1981-82. However, the indices for Yamunanagar and Faridabad are issued separately by the Labour Bureau, Govt. of India.

The ILO had recommended that Family Budget Enquiries should be repeated after every ten years as the consumption pattern of any class of people changes in such long span. Therefore, the existing weighting diagrams require modification for the preparation of realistic Consumer Price Index Numbers which are often used for fixing minimum wages and determining the DA also doing of the industrial workers. The Labour Bureau, Government of India, has completed such survey. It is now, therefore, approved to conduct a fresh Family Income and Expenditure Survey in respect of six centres namely; Ambala, Hisar, Panipat, Sonapat, Jhajjar and Rewari in the State.

In this survey, detailed information is collected from a large number of working class families regarding daily expenditure incurred by them on each and every item of food, clothing, fuel, education, medicines recreation, etc. This information is necessary to work out the consumption pattern of working class and also to know the relative importance of the various items in the overall consumption pattern.

The field work of the survey is to continue for a full year so as to take care of the seasonal variations. Additional time is needed for processing and analysis of the data. The entire process for collection and processing of the data required for the index involves a period of about two years. Now, efforts will be done to explore the possibilities of implementing the results of Labour Bureau by applying some conversion.

Hence, total proposed outlay on the scheme Family Income & Expenditure Survey Plan ₹ 15,00,000/- is approved for the year 2017-18.

(2)

Code No. : **1-1-2454-3454-02-001-95-51**
Name of Scheme : **Modernization and strengthening of State Statistical System**
Outlay : **₹ 20,00,000/-**

The Ministry of Statistics and Programme Implementation (MOSPI) in Government of India initiated the Indian Statistical Strengthening Project (ISSP), objective of which is to help in achieving the recommendation of the National Statistical Commission (NSC), Govt. of India. The mission of the Indian Statistical System shall be to provide, within the decentralized structure of the system, reliable, timely & credible socio economic statistics, to assist decision making within & outside the Government, stimulate research and promote informed debate relating conditions affecting people's life. The ISSP project is being implemented by Government of India (GOI) in two tiers. Tier-I comprises assessments and recommendations and Tier-II comprises implementation. In Tier-I, MOSPI conducted a study to identify the specific requirements for State Statistical Bureaus (SSBs)/State Directorates of Economics and Statistics (DESs). The objective of this study was to document the status of data collection, processing & standard followed in each State, to assess the infrastructure & human resource available and make recommendations for improving statistical capacity in each State. Some of the recommendations are given as under:-

1. Directorate of Economic and Statistics (DES) should be made a separate department in each State and be declared as Nodal Agency for providing all information related to statistics.
2. In most of States, there is a system for collection of village level statistics. Therefore, this system should also be created in the remaining States. DES should also be involved in the process of generating local area development statistics.
3. Additional manpower needed to be provided for statistical activities especially at the primary local level.

4. ISSP is crucial for the development of State Statistical System and so it should be implemented as early as possible.
5. Most States have Common Statistical Cadre at least in respect of key departments. Having a common cadre is essential to generate quality statistics and improve Statistical coordination. So, all States should work for common statistical cadre by covering Statistical Units/Cells functioning in various other departments of State Government.

A need has, therefore, been felt that in order to accelerate processing of data, its analysis and preparation of reports on various key indicators, i.e., GSDP, NSDP, Index of Industrial Production, Capital Formation, Price Index etc. within specified time schedules. National Statistical Commission has also recommended in its report submitted to Government of India that a Centrally Sponsored Scheme for strengthening the statistical system in the States should be drawn up immediately for inclusion in the Annual Plan 2007-08 as well as in ensuing Plans. As such, there is a need to modernize and strengthen the State Statistical System.

Keeping in view the above mentioned recommendations by Ministry of Statistics and Programme Implementation (MOSPI) Govt. of India, there is also an urgent need to strengthen the State Statistical System of Haryana State so that an effective system could be developed at both levels for getting reliable and timely desired results. Accordingly, the following staff is urgently required for the year 2017-18:-

Sr. No.	Name of Post	No. of post
1.	Programmer	1
2.	Network Assistant	1
3.	Data-Entry Operator	2

Provision of Vehicles at Head Quarter:-

Activities undertaken by Department of Economic & Statistical Analysis, Haryana relates to collection, compilation and analysis of data on socio-economic aspects of the State economy, conducting of surveys and studies, evaluation of development programmes. In addition, the work regarding formulation of Annual/Five Year Plan is also being handled by this Department which almost in all other States is being done by a separate Directorate. Of late, it has been felt to strengthen this Department by creating senior level posts at the State Head Quarter. But in view of the latest State Government policy regarding right-sizing of the State Administration, this is not being done. However, it is absolute necessary to increase the mobility of senior level officers at the State Head Quarter. Presently there are 2 sanctioned post of Additional Director, 2 post of Joint Director and 10 post of Deputy Director in this Department. It may be mentioned here that presently there are only three vehicles including one which is used by Director and other two by senior level officers and staff. Thus, the department would require two more vehicles at the State Head Quarter during the year 2017-18. To run these vehicles, one post of driver is needed to be created during the year 2017-18.

Hence, total proposed outlay on the scheme of Modernization and Strengthening of State and District Statistical System will be ₹ 20,00,000/- for the year 2017-18.

(3)

Code No. : **1-1-2459-3454-02-001-90-98**
Name of Scheme : **Assistance under Eleventh Finance Commission for Computerisation-Establishment Expenses**
Outlay : **₹ 15,00,000/-**

Information Technology (IT) has a prominent and progressive role in the new millennium as the single most important enabler for improving efficiency and effectiveness in the department. The State Government recognizes the role of IT as an effective tool in catalyzing economic activity, in efficient governance and in developing human resource.

Each department should earmark 5% of its budget for IT Applications. Keeping in view, this department has made provision of ₹ 2,50,000/- for the IT purposes. This office has provided two computer, two printers (one laser and one DMP) and two UPS to each District Statistical Office. This department needs funds for their maintenance such as change of batteries of UPS, repair of computers and printers etc. So it is approved that ₹25000/- will be provided to each District Statistical Office for maintenance and repair of computers etc. At Head Office also funds are required

for maintenance and upgradation of computers etc. Because these systems had also been purchased 4-5 years back. These systems are now out of warranty and needed regular repair. Besides maintenance computer related stationery items will also be purchased from these funds.

In order to look after the activities relating to the computerization of the department following manpower is needed during the year 2017-18:-

Sr.No.	Name of the Posts	No. of Posts
1.	Assistant Programmer	1
2.	Data Entry Operator	2

Keeping in view the guidelines of Government to provide the facility of Computerization, proposed outlay of ₹15,00,000/- is approved for the year 2017-18.

(4)

Code No. : **1-1-2463-3454-02-001-84-51**
Name of Scheme : **Provision for allotment of funds for Training/meeting at State as well as District Statistical Offices**
Outlay : **₹ 2,00,000/-**

The availability and supply of the authentic and reliable data is the main basis for formulation of any development plans in the State. Sometimes, the data received from the field are very unrealistic and unreliable which may be attributed to the lack of trained statistical personnels. Therefore, in order to improve the quality of data, a Training Cell in this office is functioning with the following objectives:-

- i) To impart Elementary Statistical Training regarding Collection, Compilation and Tabulation of official statistics to middle/lower level personnels of the various departments at District Head Quarter. Four Districts are covered per year with the number of participants varying between 40-50 in each district.
- ii) To conduct on job training to the staff of District Statistical Agencies regarding various socio-economic adhoc surveys allotted by the Government from time to time.
- iii) To conduct training to District Statistical Officer, Inspectors (NSS) and Junior Field Investigators (50 in numbers) for smooth conduct of National Sample Survey under the guidance of Ministry of Statistics and Programme Implementation, Government of India.
- iv) To organize the training of the officer/officials of the organization by the departmental officers who had received training at Haryana Institute of Public Administration, Gurgaon, Central Statistical Organisation, Government of India and other institutes for enhancing knowledge and technical skills of officers.

Apart from it, this office has been entrusted with the very important task of formulation and monitoring of Annual and Five Year State Plan, District Plan and collection of statistical data on various socio-economic aspects of State economy for the policy makers of the State Government. For the execution of the above mentioned task properly, various meetings and training are organized at the State as well as District level from time to time. In addition to it a meeting of the District Statistical Officers and Planning Officers is being held regularly on quarterly basis to review the progress, to maintain proper coordination and to know their difficulties in discharging their official responsibilities.

As the Department of Economic & Statistical Analysis, Haryana is the nodal department for the formulation and monitoring of Plan Schemes, in this context, various preliminary meetings are held with officers/officials of all the concerned departments at Headquarter level. Sometimes, these meetings run into several days continuously. Review meetings are also held regularly during the year to monitor the expenditure incurred under State Plan Scheme.

When such type of trainings and meetings are held, it becomes necessary for the participants who come from far places to provide them working lunch and tea etc. But at present there is no specific budget provision for this purpose in this department. It is stated here that in other departments a sufficient budget provision from contingency fund is made for the year by seeking approval of Administrative Department for such type of meetings/training/seminar etc.

Therefore, keeping in view the importance of organizing such trainings and meetings in this department, it is submitted that a proposed of funds may be allowed. The likely expenditure on training/meeting works out to be ₹ 2,00,000/- for the year 2017-18.

(5)

Code No. : **2-1-2467-3454-02-001-82-98**
Name of Scheme : **State Strategic Statistical Plan (SSSP) at State and District Level**
Outlay : **₹ 60,00,000/-**

The Ministry of Statistics and Programme Implementation (MOSPI) in Govt. of India has initiated the India Statistical Strengthening Project (ISSP) on the recommendation made by National Statistical Commission (NSC), Govt. of India. In order to strengthen statistical system in the State and making further improvement in the present statistical system for producing accurate and timely data, maintaining proper coordination among all the line departments, preparation of "State Strategic Statistical Plan (SSSP)" was initiated in the State.

As per guidelines issued by MOSPI, a High Level Steering Committee (HLSC) under the Chairmanship of Chief Secretary, Haryana was constituted vide Notification No. 30/19/09-1PIg. dated 25.09.2009. Administrative Secretaries of various departments have been included in the committee as members.

The objective of the SSSP was to develop a viable, technically-sound and user-oriented work program with planned actions, including interalia budget lines and timeliness for data production, analysis and dissemination.

Now, the MOSPI has renamed the above project as "Support for Statistical Strengthening (SSS)" to be implemented by the concerned State's/UT's.

Thus a token provision of ₹60,00,000/- has been kept under this scheme for the year 2017-18.

(6)

Code No. : **3-1-2469-3454-02-001-80-51**
Name of Scheme : **Rajiv Awas Yojana-Capacity Building/Preparatory Activities/ICE Activities**
Outlay : **₹ 30,00,000/-**

Ministry of Housing and Urban Poverty Alleviation, National Building Organization, Government of India, New Delhi, had started "Urban Statistics for HR and Assessment (USHA)" scheme which is now a part of Rajiv Awas Yojana (RAY). Its main objective is to collect data regarding buildings material prices, wages of building construction labour and other information of urban houses and to prepare a sound national data base. Presently, NBO identified total 300 cities in India having population more than 1 lakh as per census 2011 for collection and transmission of housing and building construction data online through state DES. NBO identified 11 cities in Haryana and sanctioned an amount of ₹58.00 lakh to collect and transmit online the required information. Guidelines received from Government of India, NBO M/o HUPA allocate the financial support on following basis:-

1. ₹ 12.00 lakh annually for cities with population of 10 lakh or more.
2. ₹ 7.00 lakh annually for cities with population of 5-10 lakh.
3. ₹ 5.00 lakh annually for cities with population of 3-5 lakh.
4. ₹ 4.00 lakh annually for cities with population of 1-3 lakh.

The following five types of data on building construction and housing related activities will be collected by the DES from different sources in the states:-

1. Collection and compilation of building permits and completion certificates using prescribed formats.
 2. Collection and compilation of building material prices as per the prescribed format.
 3. Collection and compilation of Wages of building construction labour as per the prescribed format.
 4. Circle Rate, Market Rate and Rental Rate of Residential Housing Property.
 5. Collection of data on dilapidated/dangerous old buildings as per the prescribed format.
- All data to be supplied quarterly online to NBO, M/o HUPA.

Total 7 types of schedules will be canvassed to collect the information required.

Hence, an outlay of ₹ 30,00,000/- his being provided under the scheme Rajiv Awas Yojana-Capacity Building/Preparatory Activities/ICE Activities for the year 2017-18.

TOURISM

(1)

Code No. 1-1-2501-5452-80-800-99-51
Name of the Scheme Holiday & Recreation Resorts at Badkhal Lake
Outlay ₹ 70,00,000/-

The Tourist Complex at Badkhal, Faridabad (32 Kms. from Delhi) with its numerous attractions/facilities is a very popular resort for the residents of Delhi and Faridabad. The Tourist Complex was set up in the year 1973 around the beautiful natural lake.

A budget provision of ₹ 70,00,000/- is being made for renovation/up gradation of existing tourist complex for the year 2017-18.

(2)

Code No. 1-1-2502-5452-80-800-98-51
Name of the Scheme Tourist Facilities at Surajkund.
Outlay ₹ 4,50,00,000/-

The Surajkund Tourist Complex is situated just 8 Kms. away from South Delhi. The facilities of Hotel, Hermitage, Restaurant, Bar, Conference Hall, Health Club, and Sprawling lawns are available at site. The Surajkund derives its name from an amphi-theatre (Sunpool) dating back to the 10th century A.D. The Sunpool is an ancient Kund which was a part of Sun temple constructed there. Though there are now remnants of the Sun temple but the Sunpool (Kund) is existing in its original concept and shape. The Surajkund Tourist Complex is also famous for International Surajkund Craft Mela which is held every year in the month of February. The mela promotes Indians heritage and culture.

Keeping in view the heritage and culture importance of Surajkund, it is proposed to add new facilities and also to improve the existing infrastructure to facilitate visit of the tourists to this place.

A provision of ₹ 4,50,00,000/- is being made for the year 2017-18 for construction of boundary wall around land at village Khori, construction of kitchen for design gallery, construction of golden jubilee gate in Surajkund Mela area, renovation and other infrastructure works in Hotel Rajhans, Interior and exterior paint of Porta Cabin at Lake View huts and hermitage huts and construction of temporary kitchen and diswashing area at Sunbired Motel Surajkund.

(3)

Code No. 1-1-2503-5452-80-800-97-51
Name of the Scheme Tourist Facilities at Pinjore
Outlay ₹ 50,00,000/-

The historic 17th Century Mughal Garden at Pinjore with numerous facilities is a very popular tourist spot on Chandigarh-Shimla highway. The Garden is also famous for its seven terraces and water fountains. A comprehensive programme has been taken up to develop this spot as a major tourist attraction.

A provision of ₹ 50,00,000/- is being made for the year 2017-18 for renovation and up-gradation of Pinjore Garden. The work will be started in April, 2017 and completed in June, 2017.

(4)

Code No. 1-1-2504-5452-80-800-96-51

DISTRICT PLAN

(5)

Code No. : **1-1-0000-5475-51-115-99-51**
Name of the Scheme : **Strengthening of District Plan**
Outlay : **₹240,00,00,000/-**

District Plan Scheme was introduced in Haryana State during the year 2008-09 with the provision of ₹ 10062,00,000/-. Funds are allocated under this scheme to the districts on the basis of total population of a district. An amount of ₹ 400,00,00,000/- is approved under District Plan for the year 2017-18. 40% of the total funds are to be spent on the schemes exclusively benefiting Schedule Castes in the districts.

With a view of ensuring proper and timely utilization of District Plan Funds in public interest and avoiding non-utilization of funds, the Government of Haryana constituted District Development and Monitoring Committees (DDMC) in all districts from the year 2012-13. The committee in each district is Chaired by the Minister heading the District Public Relations and Grievances Committee in district concerned. The Deputy Commissioner of a District is the Vice-Chairman of the committee and he will also chair the meeting of DDMC in the absence of chairman. The DDMC is empowered to approve various development works if locally left needs. These funds are released to Additional Deputy Commissioners-Cum-Chief Planning & Development Officers for the execution of development works.

The scheme has been transferred from Revenue side to Capital side from the financial year 2017-18.

Hence, a provision of ₹ 240,00,00,000/- is being made for the year 2017-18 under this scheme.

(6)

Code No. : **1-1-0000-5475-51-789-99-51**
Name of the Scheme : **Welfare of Scheduled Castes under the District Plan**
Outlay : **₹160,00,00,000/-**

Decentralized Planning Scheme introduced in 1985-86 has been discontinued and District Plan has been introduced from the year 2007-08.

These funds are released/ sanctioned for execution of development works approved by respective District Planning committees. These funds can be utilized to meet the gap of resources of different departments at district level. 25% of the total funds are to be spent on the schemes exclusively benefiting Schedule Castes in the districts.

The funds are utilized for execution of works of locally felt need of the area to provide direct benefit to the Scheduled Castes population.

The scheme has been transferred from Revenue side to Capital side from the financial year 2017-18.

Hence, a provision of ₹160,00,00,000/- is being made for the year 2017-18.

More over to strengthen the Head Quarter number of posts of different category have been approved by the Govt. during the year 2008-09. All these posts will continue during the year 2017-18 as spill over programme. An amount of ₹ 2,83,00,000/- Lac for Annual Plan 2017-18 has been proposed under this scheme for these posts</p> <p>Salary Expenses: field Offices To improve supervisory structure of the Secondary Education Department, posts of various categories are sanctioned by the Government. For setting up of DEO Mewat office at Nuh, Palwal and Evaluation Cell at district level, posts of different categories were sanctioned during 2005-2006 to 2008-09. All these posts will continue during 2017-18 as spill over programme. An amount of ₹ 5,41,31,000/-Lac for Annual Plan 2017-18 has been proposed under this scheme for these posts.</p> <p>Monthly Magazine & Teacher Dairy: For information, communication and education of teachers and also for establishing communication link between the directorate and schools a monthly magazine is being published. This magazine includes circulars, orders and instructions by the directorate, matters relating to education policy, activity calendar of the department, monthly action plan for the schools, gender empowerment, AIDs awareness programme. This magazine also covers articles on moral education, IT education, yoga, sports, fair and festivals, great leaders, scientists, social reformers, freedom fighters etc. The scheme is being implemented through 'Shiksha Lok' society. The amount, under the scheme would be transferred to 'Shiksha Lok' society as grant for publishing magazine titled 'Shiksha Lok' and printing and publishing of teachers activity book and other relevant material.</p>
(a)	Financing of the Scheme (SP, CSS, CSP) or EAP	State Scheme
(b)	Object and Performance of the Scheme from its initiation	<p>Improving the supervisory structure of the Field Offices.</p> <p>Magazine:</p> <ul style="list-style-type: none"> - To act as a communication link between directorate and schools. It will also act as reference for guidance of teachers and heads of institutions. - <p>Teachers Dairy:</p> <ul style="list-style-type: none"> - For planning, management and organizing of education delivery in Schools by teachers.

(c)	Targets achieved so far	For implementing both the components of the scheme i.e. publication of monthly magazine and teachers' Dairy, "Shiksha Lok Society" has been constituted and got registered under Societies Registration Act. Teachers' Dairy format finalized and the work of publication and printing is under progress. The teachers' Dairy would be made available to all teachers of the Secondary Education Department.				
(d)	Financial and physical targets for the year 2016-17	Financial: <table border="1" data-bbox="775 501 1209 600"> <tr> <td colspan="2" data-bbox="775 501 1209 546">Annual Budget 2017-18</td> </tr> <tr> <td data-bbox="775 546 991 600">Total</td> <td data-bbox="991 546 1209 600">₹ 824.31 Lac.</td> </tr> </table>	Annual Budget 2017-18		Total	₹ 824.31 Lac.
Annual Budget 2017-18						
Total	₹ 824.31 Lac.					
(e)	Benefit of the Scheme	With the strengthening of supervisory structure, inspection of schools would be taken up in a systematic manner. This would result in improvement in teaching-learning environment of schools. This will bridge the existing communication gap between directorate and schools which often leads to under-utilization of funds/mis-utilization of funds, inefficiency in education management, planning and administration, failure to achieve desired objectives and targets set out for school education department. Bring out bilingual monthly magazine and Teachers Dairy and other related material would facilitate management, administration, planning, and organizing of education delivery. It will benefit both students and teachers.

Code No. 1-1-2690-2202-02-109-85-51
Name of the Scheme Opening of Model School in Educationally Backward Blocks.
Outlay ₹ ,30,00,00,000/-

The Govt. of India has decided to implement a Centrally Sponsored Scheme to set up Model Schools in the Educationally Backward Blocks in the country. The funding pattern for this scheme will be 50:50 to be borne by the Central and State Government respectively during the 12th Five year Plan. As per the scheme a Model School will have the infrastructure and facilities at least of the standard as in a Kendriya Vidyalaya and with stipulations on pupil teacher ratio ICT usage, holistic educational environment, appropriate curriculum and emphasis on output and outcome.

The State of Haryana has 36 Educationally Backward Blocks. The Project Approval Board at MHRD, New Delhi has approved the state proposals for setting up of 36 Model Schools in

Educationally Backward Blocks in Haryana held on 23-07-2010. An amount of ₹ 3000.00 Lac is required for continuation of this scheme in the year 2017-18.

Hence, a sum of ₹ 30,00,00,000/- is provided for the year 2017-2018..

2.	Name of the Scheme	83- Continuous and Comprehensive Evaluation		
3.	17 digit code No.	1-1-2704-2202-02-109-83-51		
4.	Outlay	₹ 4,00,00,000/-		
5.	Description: Teaching and evaluation have been taken together since long time in our education system. In traditional approaches, the area of assessment has been limited to the cognitive domain only and the objective of assessment has been just to declare how much the student has learnt. This approach encouraged rote learning to pass the examination. Therefore, it doesn't serve the needs of today and there is a need to equip schools with appropriate mechanism of evaluation for regular assessment of all aspects of pupil growth and development i.e. continuous and comprehensive evaluation. In the light of NCF-2005, Department of School Education, Haryana has decided to adopt continuous and comprehensive evaluation in its schools at Sr. & Sec. Level.

(34)

Code No. 1-1-0000-2202-02-800-97-98
Scheme name Swaran Jayanti Programme Sugam Shiksha – Providing of teachers to all schools
Outlay ₹ 50,00,00,000

This is a New State Scheme

To educate the students about the significance of environment for the human race and for animals alike. Linking the concept with Swachhta Kosh at a larger scale, the state will witness the coming around of Swachh Bharat Abhiyan through school education, as cleanliness coupled with eco-sensitivity will be a value imbibed in every student studying in Secondary and Senior Secondary Schools. Further, strengthening of the 3447 Eco Clubs and setting up of new Eco Clubs in all the Govt. Middle/High/Senior Secondary and Aided schools of the State with the convergence of Department of Environment, Haryana State Pollution Control Board, Forest Department etc.

Strengthening of the existing 3447 Eco Clubs by providing training to all the Eco Club In-charges at school level, educate & motivate every student of the concerned schools to keep their surroundings green & clean, originating Rallies, to undertake Plantation Activities, to celebrate environmental days etc. and to conduct various School level, Block Level, District Level and State Level competitions like poster making etc.

To aware the youth for the benefits of neat, clean and green environment, eco friendliness, effects of global warming etc. and the remedies there to, so that they may be able to contribute for protecting the environment.

The grant of Rs. 5000 (Rupees Five Thousand) for carrying out the activities of the Eco-Clubs will be given in addition to the grant of Rs. 1000 to Rs. 2000 presently being received from the States Pollution Control Board to all the Government High, Senior, Govt. Aided Schools and Aarohi Model Schools for strengthening the Eco-Clubs. A part of the grant would be utilized at State/ District level for State level activities.

Allocation Requirement-Project/Activity-wise

Financial Year	Project/Activity	Allocation requirement
2017-18	Strengthening of Eco Club in 3447 schools (1382 GHS+1829 Senior Secondary +36 Aarohi Model+ 01 Saarthak Model+199 Government Aided Schools)	Rs. 172.35 Lac

Roll Out of the Scheme in Terms of Commencement of Activities/Projects:- All the 3447 having Eco- Clubs including Government High, Senior, Govt. Aided Schools and Aarohi Model Schools will be provided trainings / plants/ equipments for plantation to improve environment and strengthen the Eco Clubs.

I) Suggam Shiksha:- Providing teachers to the Schools.

Departmental long term objective:- For sustainable development and for maintaining quality of education continuum in instructions from a good and experience teacher is utmost requirement.

Departmental Medium Term Objective (5 Years Horizon):- Vacancy being a permanent and regular feature at the Department due to cyclical processes of retirements, transfers, leaves and other like factors. Hence, to address the issue it is proposed to engage retired teachers as a stop-gap arrangement to enhance the learning level of the students and as per requirement of the RTE ACT.

Annual Objective & Impact Expected:- The average score/results of all the classes would increase from year to year basis.

Strategies:-

- i) A panel of retired teacher at block and district level would be prepared and preference in engagement according to their block and districts.
- ii) The provision for 8517 numbers of Lecturer/PGT for leave reserved pool for engaging retired teachers has to be made with a pay provision/ remuneration of quarter of an academic year, as per the reemployment policy of the Govt. of Haryana.

Financial Outlay:- An amount of Rs. 9774.00 Lac has been required for this purpose.

Remuneration:- Retired teachers shall be given fixed remuneration as per re-employment policy of the State Government and latest instructions for Fixation of Pay on re-employment of a pensioner (including military pensioner retired on or after attaining the age of 55 years).

Roll Out of the Scheme in Terms of Commencement of Activities/Projects:- With the help of wide publicity in the print media and electronic media a panel of retired teacher at block and district level would be prepared. A committee of three officials at District and Block level would be constituted for engaging, deserving/willing retiree teacher with the preference to the local block resident. The Block level committee would be as follows:

- i) Block Education Officer Chairman
- ii) Head of the Institute concerned, member Secretary.
- iii) Chairman, SMDC / SMC member

Hence, a sum of ₹ 50,00,00,000/- is provided for the year 2017-2018.

(35)

Code No.	1-1-0000-2202-02-800-97-97
Scheme name	Swaran Jayanti Programme Su-Sanskar Beti Bachao –Beti Padhao (BBBP)
Outlay	₹ 20,00,00,000

This is a New State Scheme.

To ensure survival, protection, welfare and education of girls. As per national targets of this programme, enrollment of girls at secondary level is to be increased from time to time. The Department wants to ensure that all girls are able to study up to Class-XII and integrating the 'Beti Bachao Beti Padhao' Abhiyan (B3P) initiative of the Government of India by taking various initiatives in this direction.

Integrating the 'Beti Bachao Beti Padhao' Abhiyan (B3P) initiative of the Government of India and taking various initiatives in this direction. The initiatives include organization of various awareness activities (by way of Rallies, Print Media, Electronic Media, Jingles, Competitions at Schools, Block, District and State Levels etc.), Celebration of events (like 'Beti Ka Salam: Rashter Ke Naam', 'Mera Pehla Gantantra Divas' etc.) Cultural Study Camps at Hilly & Coastal areas etc. Even though Haryana is much above the cut off/targets fixed for 2017, the Department wants to ensure that all girls are able to study up to Class-XII and to increase the enrollment of girls at secondary level every year.

Enrollment of the girls at school level will increase and drop-out rate of the girls will decreased.

Schools (specially girls schools) parents would be encouraged to promote higher education among girls and will be motivated to stand by their girl child for the education chosen by their daughter.

The programmes among at ensuring survival, protection, welfare and education of girls would be organized various camps at hilly areas and coastal areas of girls would be organized recognition of highly educated girl as a role model will be carried out by department.

As per the laid down procedure of the Government 445 Sanitary Napkins Vending Machines and Incinerators would be provided in all the exclusive girls High Schools, Senior Secondary Schools. Hence, an amount of Rs.20,00,00,000/- is provided for the year 2017-2018.

(36)

Code No. 1-1-0000-2202-02-800-97-96
Scheme name Swaran Jayanti Programme – Cultural Programme for students
Outlay ₹ 2,00,00,000

This is a New State Scheme

For strengthening of cultural values, Folk Art, Heritage and Customs of society to maintain the cultural transformation mechanism for coming generation of Haryana, School Education Department would like to develop a system for students with the way of school level competitions in Dance, Drama, Music and Music Instruments, Haryanavi Archestra, Haryanavi songs on various occation like Bhat, Banra which are commonly sung by the community.

Sharing of information and knowledge with the form of cultural activities always very useful within the school children. Co-curricular activities are very joyful and their acceptance among the children are very high , if we really see the current changes in school system globally we really see the system of learning and teaching changing day by day, department started joyful activity day Saturday from 14 November and now these activities are going a regular part of curriculam and school system to fulfill the requirement of continuous and comprehensive evaluation these co-curricular activities are very much essential for all round development of children.

In the end of every Academic Year it is expected that all the students not only assist on their basis on their academic performance but due weightage must be given to their co-curricular activities. If students is achieving low grades in academics it is expected that he or she must be very talented or sharp in co-curricular activities. So annual objective of this programme is to give equal opportunity to all the students to show their inherent talent the new pedagogy and education policy elaborate that students are not dump of information they are expected to be a skilled resources of nation.

Recently during the launching of Saturday: Joyful day department already provided the path way to the schools how to go further during every academic year more than 30 days are purely dedicated to these co-curricular activities as every Saturday is activity day from 14th November 2016. Schools are already provided more than 50 activities which are related to development of various skills like, Dance, Music, Singing, Yoga, Clay Modeling, Painting, Folk Dance, Science labs, Glass Painting, Class room Painting, Card Board Work etc.

Financial Outlay -Allocation Requirement-Project/Activity-wise:-

Code No. 2-1-2612-2202-02-001-97-51
Name of the Scheme Computer Literacy and Studies in School
Outlay ₹ 96,57,00,000/-

This is a Sharing Basis Scheme

Centrally Sponsored ICT Scheme is being implemented by the Education Department Haryana in 3122 (500+1000+1617+5 Smart Schools) Govt. High/Sr. Sec. Schools in the state of Haryana. The funding of the centrally sponsored Scheme by the Central Govt. and State Govt. is in the ratio of 75:25 on BOO/BOOT model for a period of 5 years through various Service Providers by allotting contract after obtaining approval from High Powered Purchase Committee. Computer labs with computer hardware and allied items, DG set, computer furniture, Broadband facility, computer faculties etc. have been provided in these schools.

As per MHRD guidelines, Central Government releases non-recurring grant in yearly installments for computer hardware and allied items for the setting up of computer labs. The over and above expenditure towards non-recurring expenditure is to be borne by the State Government in addition to 40% share as well as 100% recurring expenditure for running and maintenance of ICT Computer Labs. The recurring expenditure to the extent of 60% is reimbursable by MHRD after incurring 100% expenditure during the year.

During the year 2017-18, the tentative requirement of funds is ₹ 9657.00 Lac (State Share Rs. 9080.19 Lac and Central Share ₹ 576.81 Lac) to meet non-recurring as well as recurring expenses for the implementation of ICT Scheme in 3122 schools. The ICT Scheme sponsored by the Central Govt. will run up to academic session 2015-2016.

Hence, a sum of ₹ 96,57,00,000/- is provided for the year 2017-2018.

(70)

Code No. 2-1-2709-2202-02-105-92-51
Name of the Scheme Setting up of District Institute of Education & Training (DIET)
Outlay ₹ 48,98,00,000/-

This is a Sharing Basis Scheme

Hence, a sum of ₹ 80,00,00,000/- has been provided for the year 2017-2018.

(78)

Code No. 2-1-2715-2202-03-103-97-51
Name of Scheme Rashtriya Uchchar Shiksha Abhiyan (RUSA)
Outlay ₹ 100,00,00,000/-

This is a Sharing Basis Scheme

Major Head	Revenue	Capital	Loan	Total
Centre Share	60,00,00,000	-	-	60,00,00,000
State Share	40,00,00,000	-	-	40,00,00,000

- RUSA is a new funding mechanism to support State HEIs and it aims at comprehensive reform agenda at Institutional as well as State Government level.
- The proposed Rashtriya Uchchar Shiksha Abhiyan is a new centrally sponsored scheme for funding the state universities to achieving the aims of equity, access and excellence. It is an umbrella scheme that would subsume other existing schemes in the area. The central funding would flow from MHRD through State Councils of Higher Education to institutions.
- The funding to states would be given on the basis of state scheme of higher education prepared by the states. The plans would address each state's strategy to address the issues of equity, access and excellence. All funding under the RUSA would be norm based and future grants would be outcome dependent. Following are the main components of RUSA:-
 1. Creation of new Universities
 2. Converting colleges/cluster of colleges into Universities
 3. Expansion of Courses
 4. One Model College in each district
 5. Research and Innovation grants

6. Creation of State Higher Education Councils
 7. Creation of Accreditation Agencies
 8. Infrastructural Up gradation
 9. Expansion of Distance Education programmes
 10. Establishing Management Information System
 11. Faculty support-recruitment
 12. Administrative reforms
 13. Academic and examination reforms
 14. Affiliation reforms
 15. Leadership development of Educational Administrators
- An Undertaking of the State Government as required by MHRD has been submitted to MHRD alongwith the check list.
 - RUSA is an umbrella scheme that would subsume other existing schemes in the area. The central funding would flow from MHRD through State Councils of Higher Education to institutions.
 - The funding to states would be given on the basis of state scheme of higher education prepared by the states. Haryana State Budget has been prepared and submitted for approval.
 - RUSA mission in its first meeting held on 8th January 2014 has approved the proposal of Haryana and shortly the state will get preparatory funding under RUSA.
- Hence, a sum of ₹ 100,00,00,000/-has been provided for the year 2017-2018.

(79)

Code No. 2-1-2695-2202-04-200-97-51

(2)

Code No. 1-1-0000-2203-51-001-91-51
Name of Scheme Establishment of Haryana Skill Development Mission
Outlay ₹ 25,00,00,000/-

Currently, only a very small proportion of India's workforce has any formal skill training. At the same time, large sections of the country's youth are looking for economic and livelihood opportunities. In this context, skill development has become a key priority area for the country. This is not only essential for economic development, but would help to fulfill youth aspirations for good quality, better paid jobs and self-employment opportunities. This would also enable the country to take advantage of its favorable demographic profile. With a large pool of skilled people, India has an opportunity to become a skill provider for the world, particularly the ageing developed world. National Skill Development Policy 2015 and also National Skill Development Mission have been launched by Government of India.

As per National Skill Development Agency (NSDA), Govt. of India each State shall have State Skill Development Mission which would be the single point of contact within the government to formulate and steer various skill development schemes/ projects and will bring necessary synergy, oversight and effective co-ordination in the implementation of the skill development schemes across the departments. The mission monitors and coordinates ongoing skill schemes in the State and integrates efforts of various departments of the State and Central Government organizations engaged in providing skill development training and make available employment oriented and placement linked training in vocational skills to the beneficiaries of the State.

Haryana Skill Development Mission in society mode was approved by Hon'ble Chief Minister on 13.02.2015. Concurrence of FD was also obtained on 31.03.2015. "Haryana Skill Development Mission" society has been registered by the District Registrar for Societies, Panchkula on 04.05.2015.

The structure of HSDM is as under:

- Governing Council under the Chairmanship of Chief Secretary.
- Executive Committee under the Chairmanship of Administrative Secretary, Technical Education.
- State Programme Management Unit (SPMU) headed by Mission Director, Director General Technical Education has been assigned the duty of Mission Director by State Government.
- District Project Management Units (DPMU) under the supervision of Deputy Commissioners.

Haryana Skill Development Mission has been constituted as per directions of Ministry of Skill Development and Entrepreneurship, Govt. of India. The basic structure of Haryana Skill Development Mission is based on the pattern of Uttar Pradesh Skill Development Mission as suggested by the Ministry. Range headquarters have been formed based on geographical distribution of districts & district-wise work to be achieved. The number of posts at Mission head quarter, range headquarters & at district centers and their qualifications were finalized in the meeting held under the Chairmanship of Chief Secretary on 27.05.2015 in which PS-Finance and PSTE participated.

A sum of ₹25,00,00,000(including ₹5,00,00,000 as SC Component) has been provided for the year 2017-18 under the said scheme.

(3)

It was felt that in the country in general, and in North India in particular, the education opportunities in the area of visual and performing arts are lacking. Hence, the State Government decides to establish world class institutes offering newer disciplines in these fields for young and aspiring students. To nature this initiative, a unique autonomous campus has been setup for offering degree level academic programmes in Design, Film & TV, Fine Arts and Urban Planning & Architecture by the Department of Technical Education, Government of Haryana.

In the First phase undergraduate programmes are being offered and in subsequent phase, master and research programmes shall be offered. The vision is to establish these institutes as a center of excellence in their respective areas. They shall act as a catalyst for development of art & design industry, undertake research in urban planning, boost experimental & regional cinema, act as mentor to neighboring institutes and undertake faculty and management development programmes for the academia & the corporate sector. The classes of SIFA (120 seats) SID (80 seats), SIFTV (60 seats) were started from the academic session 2011-12, whereas classes of SIUPA (40 seats) started from the academic session 2012-13.

The Integrated Campus at Rohtak, has a unique interdisciplinary approach towards the field of visual & performing arts where young professionals are prepared to be a part of the ever growing demands of these fields. The campus comprises of four institutes namely State Institute of Urban Planning & Architecture (SIUPA).

The Haryana Legislature vide Act No. 24 of 2014 has up-graded the integrated campus of Govt. Technical Institute(s), Society, Rohtak comprising of four institutes namely, State Institute of Fine Arts, State Institute of Design, State Institute of Film and Television and State Institute of Urban Planning & Architecture into a leading university namely State University of Performing and Visual Art Rohtak to facilitate and permute studies and research in emerging arrears of higher education with focus on new frontiers of Design, Fin Art, Film & Television, Urban Planning & Architecture and also to achieve excellence in these connected field. The Govt. has issued a notification to this effect vide No. Leg. 30/2014 dated 01.10.2014.

A sum of ₹ 20,00,00,000 (including ₹ 4,00,00,000 for SC Component) has been provided for the year 2017-18 under this scheme.

(7)

Code No.	1-1-0000-2203-51-102-95-51

(2)

Code No.	1-1-2945-2204-51-104-57-51
Name of the Scheme	Infrastructure Scheme
Outlay	₹ 100,00,00,000/-

Development of sports infrastructure: State Sports Grid

Government of Haryana will plan development of sports in a phased manner so that necessary infrastructure is built up over a period of time. There is an immediate need to create a network of basic sports infrastructure throughout the state to enable more people to participate in sports thereby broadening our base for scouting of talent. Sports infrastructure would be created uniformly throughout the state. 'State Sports Grid' would be developed so that maximum people have access to use sports infrastructure.

Sports facilities in rural areas

Although the government has implemented several schemes to provide rural sports infrastructure, their reach and range has been limited owing to the constraint of resources. Further, maintenance has suffered over the years on account of low priority and lack of sustainable institutional arrangements. Another major constraint is the gross inadequacy of trained sportspersons who can coach the local villagers to take to sports and games in any meaningful manner. The upside is the tremendous variety of indigenous sports and games in the state. It is, therefore, important to balance the provision of infrastructure for internationally recognised sports and games with facilities for encouraging locally popular varieties.

All this calls for the introduction and implementation of a major initiative as under Rajiv Gandhi Khel Abhiyan to provide sufficient resources, in convergence with appropriate existing schemes to enable panchayats to create the minimum sports infrastructure in every panchayat area to cover state over a five year period. Apart from dovetailing central and state schemes for rural infrastructure with the resources made available for this specific purpose by government, panchayats will be charged with the responsibility of identifying an active local institution, such as a Nehru Yuva Kendra or other local youth club, or village sports council to be responsible for organizing and managing sports and games in the village. A scheme is intended to be formulated to provide recurring financial assistance to such local institutions for procurement/replacement of sports equipment and consumables (such as footballs) and maintenance of the grounds and facilities.

Gram panchayat level

It is intended that a new programme under the name 'Vyayamshala' would be launched at panchayat and block level where it is intended that one mini stadium will be developed in each Gram Panchayat. The land requirement for village mini stadium would be 2 acres or more. An integrated approach for creation of sports facilities at gram panchayat level would be adopted through convergence with MGNREGA; creation of at least five outdoor games facilities in each gram panchayat area. Gram panchayats are expected to take up maintenance of the playfields out of their own resources.

Panchayats that already have basic sports infrastructure, including school playgrounds which can also be used for community sports beyond school hours and during holidays, shall ensure that such infrastructure already created is made available for community use or to be managed by suitable local arrangements or the sports youth club/NYKS registered youth club, as decided by the elected gram panchayat or village sports council.

Schools may be given first priority for development of playfields subject to the availability of requisite quantum of land with them. The mini stadium already created in some of the villages are to be attached with the nearby school. The state Government shall continue to build new sports infrastructure in rural areas out of its own resources and with the assistance of Haryana Rural Development Fund.

The department will build stadiums & play grounds (Vyayamshalas) in the state's remaining villages. The landmass of 2 acres or more and 10% of the project cost will be arranged by the beneficiary panchayat, 90% of funding will be done by the department.

Respective sports council will take necessary steps to equip maintain and operate these facilities. It will also take suitable steps hiring services of trainers, grounds man and chowkidars on contract basis in accordance with existing government policy to ensure optimum utilization of the facility. MNREGA & RGKA scheme will be appropriately harnessed in maintaining and operating these facilities.

Block level

It is intended that one block level sports complex (block level **Vyayamshala**) will be developed in each block of all the districts in the states over a period of next five years. These block level stadiums will have both indoor and outdoor facilities. In these block level stadiums sports facilities for about fifteen outdoor and indoor sports disciplines, along with sports equipment of requisite quality would be created by convergence of resources under different schemes. The block level sports stadium may be located within the premises of an existing school/college playground, provided the available area is minimum 6-7 acres. Block panchayats that already have basic sports infrastructure, including school (high/higher secondary)/college playgrounds, which can also be used for community sports beyond working hours and during holidays shall ensure that such sports infrastructure already created is made available for community use or to be managed by suitable local arrangements or sports youth club/NYKS registered youth club, as decided by the elected block panchayat or block sports council.

187 Rajiv Gandhi Gramin Khel Parisars at block level are at various stages of development all over the state. The HRDF is funding and the HSAMB is constructing these stadiums. The completed stadiums are being transferred to sports department for maintenance and operation. Required number of grounds manager, ground men and security guards will be hired on contract basis for operation and maintenance of these complexes. Water and electricity connection will be installed. MNREGA & RGKA scheme will be appropriately harnessed to equip and maintain them. District Sports Councils will hire services of volunteers on honorarium and trainers on contract basis on need-basis to organize sporting activities in these facilities more efficiently.

District level stadiums

It is intended that up-gradation of district level stadiums would be taken up. Facilities for minimum fifteen sports discipline (ten outdoor and five indoor games) would be created, if not existing. Gymnasium facility in all districts level stadiums would be provided. District level stadium would be owned, managed and operated by respective district sports council.

Sports facilities in urban areas

While the level of sports infrastructure in larger urban agglomerations is generally better than in rural areas, land is at a premium. There are also wide disparities in access to sports facilities for different segments of society, the economically weaker sections being the most disadvantaged, along with girls, children and the physically challenged. While the local municipal bodies try to provide reasonable level of parks and playgrounds, private institutions, sports associations and clubs tend to concentrate on indoor facilities and outdoor facilities only for commercially remunerative sports. In smaller towns, such facilities are far less in number and quality although land is more easily available and at reasonable prices. Also, because of the density of population, and frequent competitions, the requirements for spectator amenities is on the increase, especially in the bigger cities. Bearing these factors in mind. The government intends to introduce and implement a programme in urban areas, parallel to the 'Rajiv Gandhi Khel Abhiyan' for rural areas, to financially support the municipal bodies and other urban local institutions to provide basic safe places to play in poorer areas in convergence with other schemes. The municipal bodies will need to provide the minimum prescribed extent of land on a realistic basis.

Encourage municipal bodies and private institutions to allocate more resources for investment in sports infrastructure, equipment and trained staff in selected sports and games in each urban area to make available sports facilities for the general public on commercial terms. Funds would be earmarked out of Rajiv Gandhi Urban Renewal Mission for development of sports infrastructure in urban areas.

Conscious efforts shall be made with the stakeholders concerned to promote physical activity and sport in everyday context – at work and at home. All organizations shall be encouraged to provide facilities to their employees to promote physical fitness.

Urban areas and municipal towns

It is intended that minimum one stadium in each municipal town will be created alongwith creation of at least five outdoor games facilities. Schools/colleges may be given priority subject to the availability of requisite quantum of land with them. College/school playgrounds may be developed as municipal town stadiums which can be used for community sports beyond working hours and during holidays. Wherever open spaces/green spaces/playfields are available within the municipal area these would be developed and preserved for the use of community for sports and physical activity. In the development plan of all the urban areas in the state requisite provision of playfields and sports facilities will be made.

Sports stadiums would be constructed by HUDA in the urban areas within its jurisdiction and requisite sports facilities would be created in a time bound manner in consultation with sports department. Four zonal level sports stadiums would be created at the divisional headquarters. One more state level sports stadium would be established at Gurgaon apart from two existing state level stadiums. One stadium with international level facilities would be created. Additional resources would be mobilized for development of sports infrastructure in the state making use of PPP model.

Sports facilities in educational institutions

The state sports policy reiterates the critical importance of sports and games in educational institutions and seeks to get physical education and sports made an integral part of the curriculum up to the higher secondary level.

It is required to make available adequate number of trained physical education and sports teachers through a time-bound programme and arrangements made for playfields. It is incumbent to engage physical instructors in schools and make available at least 1 acre of land for a primary school and 2.5 acres of land for an upper primary school for use as playgrounds. Guidelines may be put in place for the recruitment of physical education instructors, and provision of developed playfield and sports equipment, for recognition of schools and colleges.

The managements of educational institutions in both the public and private sectors would be encouraged to allocate adequate resources in a time-bound manner for infrastructure, equipment and trained staff to provide all students with a minimum prescribed standard of facilities for a minimum number of selected sports and games.

The managements of educational institutions in both the public and private sectors would be encouraged to optimally utilize their sports facilities by making them available on commercial terms

during off-hours or week-ends or vacations to local communities/youth/sports clubs for regular practice, or to reputed players to run coaching academies, or to reputed organizations to conduct tournaments and other competitions.

Sports infrastructure in schools

Sports infrastructure within the school system is not only most inadequate, it has, in fact, been in serious decline. It is intended that playfields would be developed in all schools in the state. At least one game facility in elementary schools, two games facilities in secondary schools and three games facilities in senior secondary schools would be provided.

Sports infrastructure in colleges

It is intended that playfields would be developed in all colleges in the state. At least five games facilities would be provided in all the colleges. Multipurpose halls in the colleges would be remodelled for use as indoor stadium for games wherever feasible.

Sports infrastructure in universities

It is intended that requisite sports infrastructure would be created in all the universities of the state. National level sports facilities in at least five games would be created/upgraded in the universities. State government would support universities in upgradation of their sports infrastructures either from its own sources or making funds available from Government of India. Each university would have high quality infrastructure such as Astroturf, synthetic track etc. Faculty of physical exercise and sports sciences would be opened in the universities. Sports labs would also be setup in the universities where-ever feasible.

PPP model for development of sports infrastructure

The PPP model would be used to mobilize additional resources for development and maintenance of sporting infrastructure as approved by state government.

Fostering a sports club culture

It is required to encourage and support the setting up in both rural and urban areas, with particular emphasis on poorer localities, of a variety of public and private sports and youth development institutions, as well as sports and health clubs, to enable the young and the old, men and women, the physically challenged and the children, casual players and serious contenders, employees and professionals, the health conscious and talented sportspersons, to find a suitable playing environment to meet their playing needs.

These sports clubs would either create their own facilities or access public or private facilities through suitable 'pay and play' or 'come and play' schemes for their members. They could also avail of the governmental programmes and schemes to provide the required facilities, equipment and technical support. There are a large number of clubs or private coaching institutions run by private coaches. Several sportspersons, who have taken training in such places, have done remarkably well at the national and international levels. The department shall provide need based guidance and assistance including coaching to clubs/players. Club culture shall be promoted to create a competitive sporting environment in the state. For this purpose, a committee shall be set up to suggest a detailed action plan.

High end sports infrastructure development - Astroturf and synthetic tracks & courts

The department will build more modern play-surfaces like Astroturf, synthetic tracks and courts at suitable locations to make international standard facilities available to career sportspersons. The department will provide 100% funding for such projects. The department will explore the avenue for PPP (Public Private Partnership) for building, maintaining and operating high-end sporting facilities.

Constitution of Sports Authority of Haryana

For creation of infrastructure along with its repair and maintenance, procurement and maintenance of specialised sports equipments and for running of sports nurseries, academies and centres Sports Authority of Haryana is intended to be created. To accelerate project preparation and monitoring of project under execution better, a project cell will be constituted either in the department or in the Sports Authority of Haryana once it is created. It will have one executive engineer, one SDO, three junior engineers, one head draftsman, one accountant-cum-assistant and one driver with vehicle. Department will hire technical people from the open market on contract basis to meet the need of

technical input. The project cell will focus on contemporary, innovative and cost-efficient designs of playgrounds and work for expeditious completion of ongoing projects.

The scheme will fund up-gradation of existing stadiums and office on need basis. The department will sanction grants-in-aid to district sports councils or Sports Authority of Haryana after its constitution to maintain and operate stadiums and playgrounds as per sports policy. Funds will be utilized for services like horticulture, security, irrigation, minor repair and electricity charges. Instrumentalities like outsourcing, re-employment, private partnership, volunteerism etc will be used to mobilize necessary manpower to utilize these premises efficiently.

Hence, an amount of ₹ 100,00,00,000/- is provided for the year 2017-2018.

(3)

Code No.	:	1-1-2944-2204-51-104-56-51
Name of the Scheme	:	Human Resource Development scheme
Outlay	:	₹50,00,00,000/-

Training, Seminars & Conferences

The department will organize seminars, workshop and conferences for coaches, sports officials and athletes to keep them abreast with latest development in their field. The scheme will cover seminars, workshops and conferences on game specific themes.

Senior coaches on the verge of promotion as DSOs will be made to undergo orientation courses so that they develop necessary administrative skills. Coaches and sports officers will attend important national and international sporting events, workshops and visit premier sporting infrastructure to develop insight for organizing mega events and to identify good practices. Necessary partnerships will be developed with reputed training institutes for developing useful training modules for the state's coaches.

Special Coach Development Programme

Special coach development programme would be initiated so that sports coaches assist athletes in developing to their full potential and are able to discharge responsibility effectively for training athletes in a sport by analyzing their performances, instructing in relevant skills and by providing encouragement.

State Government recognise that the role of the coach are many and varied, from instructor, assessor, friend, mentor, facilitator, demonstrator, adviser, supporter, fact finder, motivator, counsellor, organizer and planner. The programme will aim to develop capacity in the coaches to create the right conditions for learning to happen and to find ways of motivating the athletes and to generate excitement and enthusiasm in them.

The programme will empower coaches to assist athletes to prepare training programs, communicate effectively with athletes, assist athletes to develop new skills, use evaluation tests to monitor training progress and predict performance. High performance coaches will be given training in the quality institutions/coaching centres both within India and abroad.

Deployment of coaches

All block level stadiums shall be provided one coach each. All district level stadium will have coaches in minimum five sports disciplines.

Accountability

A system for evaluation for performance of coaches will be put in place so as to make coaches accountable.

Attachment of sports academy with coaches

Every coach will be given a sports academy in his own discipline and his performance evaluation will be based on output and performance of the nursery.

Hiring of coaches on contract basis

The Department/Sports Council shall also hire coaches on contract basis to provide coaching of desired standard with the clearly defined deliverables. In various disciplines where either coaches

are not available in the department or only very few coaches are available for such games, coaches would be recruited/engaged on contract basis.

Involvement of physical education teachers in sports coaching

The vast manpower pool in the form of DPEs of colleges and physical training instructors of the schools is involved in sports development and promotion activities. All such officials shall be actively encouraged to undergo specialized training programs to learn game-specific coaching skills. Necessary guidelines and rules would be put in place in consultation with education department.

Development programme for referees, umpires and judges

Referees, umpires and judges (to be referred as referees) are a very important part of sports. Regardless of the sport, the job is highly stressful because officials often must make split-second decisions. These decisions sometimes result in strong disagreement expressed by opposing team players, coaches, and spectators. It is necessary that the state has good referees with up to date knowledge of rules and regulations of their respective games. The sports department intends to take steps to raise their strength as well as their professional standard to national and international level during next five years.

The department intends to organize clinics and workshops for referees on a periodical basis. The department intends to issue a calendar of such workshops etc. Those referees, who do not perform well, would be taken off from the list and new ones would be added.

For certification of referees special courses would be organised in the State Institute of Sports Development and in collaboration with national sports federations, examination would be got conducted so as to raise strength of qualified referees, umpires and judges. Advance training for using latest gadgets and technology by referees, umpire and judges would be conducted.

Sports education

The government intends integration of sports in the former education system. The government will take steps to popularize sports among children and make schools and neighbourhood its hub. It will encourage teachers and parents to see participation in sports as vital for the development of key personality differentiator like commitment, perseverance, collaboration and commitment among children. These traits are central to their successful adjustment in adult life and promote them in a spirit of innovation and enterprise.

The government will require schools, colleges and neighbourhoods to have playable sports facilities and dedicated hours for sports. It will also see that there are teams and individual players and they get sufficient number of competitions at junior and grassroots level and opportunities to graduate to higher level of competition on strength of their performance. It will ensure that these competitions are well funded, have corporate backing, if possible carry decent award money and are well publicized to motivate players to give their best.

Moti Lal Nehru Sports School Rai - changing the character

The nature of Moti Lal Nehru Sports School Rai would be changed from public school with emphasis on sports to sports school with quality education. Moti Lal Nehru Sports School Rai may be renamed as Moti Lal Nehru Apex Sports School Rai.

Setting up sports schools

The sports infrastructure available in the school will be put to optimum use. To encourage talent the government intends to setup one sports school in each district by converting one senior secondary school in the district into a sports school.

State Institute of Sports Development

State Institute of Sports Development is intended to be set up for training of coaches, organising workshops, seminars, refresher courses for sports officials.

Strengthening of sports and physical education courses

Diploma and undergraduate education in sports and physical education will be strengthened keeping in view the requirements of rules and equipments of modern sports. It will entail curriculum up gradation and pedagogy development.

State sports university

The possibilities would be explored for setting up of a sports university and also to develop faculty of sports sciences and physical exercise in various universities of the state particularly in the Bansi Lal University, Bhiwani.

Development of specific games related literature.

For training and awareness specific games related literature would be developed and published. The publication of rules and regulations, ground measurement, strategy and tactics, terminology of specific games would be undertaken.

Promoting sports competitions

The state sports associations and their district and local constituent units, as also other sports administrative bodies like sports councils, besides the sports boards of the PSUs would be encouraged and incentives to organize on a massive scale a wide variety of individual and team-based sports competitions in their respective disciplines to cover both area-based competitions at inter-village/block/district/state level and between institutions such as interschool/college/university /club/youth club/sports club, as well as community-based informal organizations.

Such competitions would be organized from the village level upwards up to the state level for different categories of players like men, women, juniors and sub-juniors, veterans, and the physically challenged. Apart from annual knock-out tournaments at higher levels, the league format would be specially promoted for such competitions throughout the year at the local level. All participants in each category would be further subcategorized into different grades in accordance with their performance levels so as to provide fair competition to everyone.

The league format has the twin advantage of increasing the number of matches manifold and yet being extremely cost-effective for the organizers as the teams bear the small logistical costs of bilateral visits. The high number of matches sustains interest in the sport at the grassroots level as well as provides a fairer opportunity for every competitor/team to show their prowess for talent search.

A sports calendar shall be brought by 30th April every year detailing the various tournaments planned by various associations, School Education Department, Rajiv Gandhi Khel Abhiyan tournaments etc., so that there is no overlap of events and this will also help in making advanced preparations on the part of all concerned, including players. Only championships which are approved by the State Olympic Association and Department of Sports, Haryana and reflected in the sports calendar in advance will be financed and detailed guidelines for conducting such competitions will be evolved by the Sports Department.

Tournaments & Camps

The scheme shall cover activities mandated in the Sports Policy. Under the scheme, the department will conduct sports competitions in various games where all players benefiting from the government sports promotion schemes will compete. The tournaments will be meticulously organized and will have rigorous quality control in place. Capable observers will be invited for talent scouting. Sports associations will be invited to see the best in action and factor in their performance while selecting teams to represent the state. A database on participants will be created to weed out the malpractice of underreporting of age by unscrupulous elements. A rigorous quality control will be maintained to ensure that there is no transmission loss and the benefits are transferred to the sportspersons. Sports kits of the concerned game will be provided to players participating in tournaments organized by the department.

Rural competitions

Rural competitions, a mass participation sports programme, shall be organised across the state every year for providing ample opportunity to young and old, men and women of rural areas, to participate in the competitive sports. In the rural sports programme under Rajiv Gandhi Khel Abhiyan (RGKA), the rural sports competitions shall be organised at block, district, state level regularly as per following schedule:

Block level competitions	To be completed by the end of August of every year
District level competitions	To be completed by the end of October of every year
State level competitions	To be completed by the end of November of every year

National level competitions	To be completed by December of every year or by January of subsequent year (group-wise) Schedule to be obtained from sports ministry GoI as worked out by Mission Directorate-RGKA, MYAS on the basis of offers received from states.
------------------------------------	---

Women sports competitions

With a view to promote sporting spirit amongst women in the state, women sports competitions at district and state level shall be organised.

Particularly in rural India and many segments of urban society as well, there is significant gender discrimination in respect of even the limited access to organised games and sports. Moreover, social practices, and physical differences between the genders, usually make it imperative that separate but equal facilities be made available to girls and boys, men and women. It would ensure an equitable bridging of the gender divide in sports.

Special efforts shall be made to encourage women to participate in sports. It is intended to give higher scale of incentives for women who win tournaments at national and international level. It is intended to make available at least 30% of the available accommodation at various stadium to women players. Apart from yoga special efforts will be taken to promote karate and other self defence sports and games across all educational institutions.

Akhada competitions

With a view to promote 'akhadas' which are in large number in the state, akhada competitions shall be organised regularly. The award money for winners at the district level i.e. district kesari and district kumar and at the state level i.e. state kesri and state kumar is intended to be brought at honourable level.

State Level Akhara Kushti Competition

Position	Earlier Cash Award	Revised Cash Award
First	Rs. 500/-	Rs. 5100/-
Second	Rs. 300/-	Rs. 3100/-
Third	Rs. 200/-	Rs. 2100/-

State Level Kumar Dangal's winners

Position	Earlier Cash Award	Revised Cash Award
First	Rs. 21,000/-	51,000/-
Second	Rs. 11,000/-	31,000/-
Third	Rs. 5,000/-	21,000/-

State Level Haryana Kesri Dangal's winners

Position	Earlier Cash Award	Revised Cash Award
First	Rs. 31,000/-	1,51,000/-
Second	Rs. 21,000/-	1,00,000/-
Third	Rs. 11,000/-	51000/-

District championship & state championships

In collaboration with state Olympic association, state sports associations, district championship and state championships would be organised regularly. Requisite resources support would be made available to the state sports associations for organising these championship.

Inter college and Inter university championship

Inter college and inter university championships will be organised in the state. A special scheme to improve the competitiveness of school & college children would be formulated by the name "Haryana Grand Prix" in selected disciplines.

Other championships

Sports competitions for specific segments such as labour, services, farmers, police etc. in various game disciplines would also be promoted in collaboration with the concerned departments.

Chief Minister's trophy

It is proposed to institute Chief Minister's Trophy in disciplines like cricket, kabaddi, volleyball, hockey, golf, football etc. to encourage mass participation.

Haryana Premier League (HPL)

It is proposed to constitute Haryana Premier League to promote selected games including rural and traditional games. Inter district tournaments are proposed to be organised in various sports on league basis under HPL, with mass participation.

The government will actively engage existing sports leagues and take steps to ensure that maximum players of the state play in them, showcase their skill and grow into saleable brands. It will also help elite players in marketing themselves better and earn incomes in line of their brand value.

Hosting prestigious events

The government intends to harness sports to improve its relationship with other states and enhance its visibility. It will host prestigious events, send its teams to the ones being hosted elsewhere and ensure that these events and participation serve as brand ambassador of the progressive state of Haryana. It will actively seek assistance of and forge collaboration with commercial bodies worldwide who have delivered premium sporting events successfully.

Annual State Sports Tournament for Physically Challenged.

The government will roll out affirmative programs for children and girls, underprivileged and differently-abled to enable them to take to sports with confidence, realize their potential without inhibition and rise to the glory they are capable of without fail. It will reach out to the remote villages and crowded urban neighbourhoods and ensure utilization of the existing and development of new sports facilities in line with the preferences of the people/inhabitants.

The Sports Department shall take all necessary steps to meet sports needs of differently-abled persons. Due care shall be taken to ensure that there are sufficient infrastructure, training facilities and competitive events to enable them to participate fully in sports. District and state level tournament shall be organised in various games for differently-abled persons.

Government will make special efforts in promoting sports among persons with disability by raising awareness, removing barriers to access, enhancing participation and developing specialized systems for identification and training of talent. To this end, the sports infrastructure at all levels shall be made disabled friendly in a phased manner.

Conscious efforts shall be made for adapting different sports disciplines to meet the needs of disabled persons. Further, for persons with disability games such as wheelchair tennis, curling, fencing, basketball, rugby, baseball, blind cricket and blind golf shall be promoted with the help of the concerned state associations.

The recognition given to the Special Games Federation, and the growing popularity and spread of Paralympics events provides the appropriate opportunity to focus on sports for the differently-abled as an essential component of the sports promotion in the state. The state sports associations representing sports for disabled will be treated at par with other federations. In addition, it is intended to formulate a separate scheme to meet their specialized needs in the areas of specialized training infrastructure, training equipment and coaching.

The state government in association with the state associations shall make special efforts to have an organized competition structure for persons with disability at sub-district, district, and state level, leading to a well established disability sports calendar. The scheme of awards to sportspersons with disability will be prepared.

The department will organize camps prior to national championships in different games. Along with coaching, diet money @ Rs.150 per player per day will be given till it is revised.

Identification-sports talent hunt

Starring scheme for attaining particular level in physical activities - SPAT as foundation of starring scheme

With the motto 'catch them young, catch them right' a mass exercise to test physical exercise ability of all children would be organised annually in schools in collaboration with School Education Department. Participants from all over the state shall be administered a battery of standardized tests in three rounds. The score shall be published in percentile format on the pattern of CAT score. The result shall be made available in public domain of the department's website www.play4india.com. For those qualifying after second round will be given a certificate for their achievement in sports &

physical aptitude. A suitable starring scheme for attaining particular level in physical activities would be put in place.

Refreshment charges to SPAT/SPEED final round participants would be met by the department.

State Physical Fitness Programme

A 'State Physical Fitness Programme' using various youth networks such as National Service Scheme (NSS), Nehru Yuva Kendras (NYK), National Cadet Corps (NCC) and Bharat Scouts and Guides (BS&G) shall be carried out to encourage people of all age groups to engage in physical fitness activity.

A special programme of physical fitness shall be introduced in all schools. The physical education curriculum shall be specially developed for this purpose.

Youth development and sports

Physical education and sports as a core activity in the youth development programmes shall be introduced in association with the Nehru Yuva Kendra Sangathan (NYKS), National Social Service (NSS), Bharat Scouts and Guides (BS&G) and NGOs.

Specialized training in sports and games for youth coordinators and volunteers would be organised. Competitions in sports and games in the national and other camps of these organisation shall be organised. Sports as an "entry point activity" in community development programmes would be promoted. Role models from sports would be used for inducing desirable behavioural changes

The value of physical education and sports for better academic performance, better health and well-being, improved life skills and leadership qualities, promotion of social inclusiveness and growth of employment opportunities and economic development would be acknowledged and disseminated.

Sports and physical exercise for senior citizens

Special efforts shall also be made to promote physical activity and sports for senior citizens by introducing a scheme for senior citizens.

SPEED Test

The SPAT qualifiers after third round will have to undergo fourth round i.e. sports round. In this round qualifier has to opt for a game for which his aptitude would be tested through counselling and game specific physical exercises. The earlier Sports and Physical Aptitude Test (SPAT) scheme would be remodelled as it was directed towards physical exercises evaluation only not about sports aptitude in terms of their skills and proficiency in a specific game. The physical aptitude test was being conducted in three rounds and there was no requirement of choosing a particular game by the qualifier. Now SPAT qualifier has to undergo an additional games round to select a particular game. This scheme will be known as 'SPEED Test' (Sports and Physical Exercise Evaluation and Development Test).

SPACE Programme

Those who opt for nursery/academy of a specific game would only be given scholarships. The players selected for the nurseries/academies would have to undergo continuous evaluation. This new scheme will be known as Sports and Physical Aptitude Continuous Evaluation (SPACE). Along with other parameters like height, weight, blood group, place of birth, date of birth, background, preferred sports, parents' income level and occupation, SPACE score shall enable the department to create usable database in case of potential athletes in an objective, transparent and reliable manner.

Sports scholarships and stipends

It is recognised that scholarship and stipend are necessary to attract and retain talent in the sports. Sometimes, due to fragile socio-economic condition of the players, they have to leave the sports in the midway. The Government of Haryana will increase the number of sports scholarships as well as enhance the scholarship.

The department runs day-boarding and residential nurseries junior sports academies for talented players in 8-19 years age group. 5000 beneficiaries will be identified through sports and physical exercise evaluation and development test. The players will have the choice of opting for day-boarding or residential nurseries/academies. The day-boarders will be paid scholarships @ Rs 1500 for 8-14 years age group and Rs 2000 for 15-19 years along with sports kit of Rs. 400/- per player.

Diet money of Rs. 150 per day per beneficiary will be paid for residential nurseries/academies along with sports kits of Rs. 5000 along with necessary sports equipments. Residential nurseries/academies will be adequately furnished and equipped. State's players winning medals at state and participating at national and international levels will also be eligible for admission in the residential nurseries/junior sports academies.

Sports Academies and Sports Competition Centres

Sports academies

The present system of nurseries, academies and wings would be thoroughly over hauled. The sports nurseries would be converted into junior sports academies. In the academies only Sports Talent Hunt Test [Sports and physical exercises evaluation and development test] qualifiers and players with proven record who are already undergoing coaching would be admitted.

There would be substantial increase in the number of sports academies in the state to accommodate all the willing SPEED (Sports and physical exercises evaluation and development) test qualifiers. Presently there are thirty three nurseries and fifteen academies in operation. Their number would be increased to around two hundred academies in the state. Every block will have at least one sports academy.

Sports championship and competition centres

The sports wing would be converted into Sports Championship and Competition Centres. In the sports championship and competition centres only medal winners at the state level and above would be admitted.

The medal winners at state level and participants in national and international recognized tournaments at junior and senior levels in games recognized by the department will be provided sports equipment and training by department's coaches. Monthly refreshment money of Rs. 2500 at junior level and Rs. 3000 at senior level will be paid directly to the players as incentive for a period of six months starting from the month of August.

Support services

Services of sports psychologists and motivators shall be made available to help sportspersons to develop mental stamina and temperament required for competitive events. Sports persons in these academies and centre would also be provided support services in sports nutrition and diet, sports kinetics and sports injury management etc.

Sports and Physical Aptitude Continuous Evaluation (SPACE)

The selection of boys and girls for the academies shall be made in a transparent manner after fixing standards/criteria on the basis of SPEED test. Every year, the performance of all the boys and girls shall be evaluated and those who do not show requisite performance, shall be taken off from the academies. In their place, new boys and girls with potential shall be added. There would be continuous evaluation of performance and a new programme making use of information technology would be put in place by the name SPACE (Sports and Physical Aptitude Continuous Evaluation).

Sports Centre of Excellence

For promoting excellence in the games in which the sportsmen from the state have performed exceeding well at national and international level, 'Sports Centre of Excellence' would be set up for selected games. To start with such centres shall be set up for boxing, wrestling, football, cricket, basketball and kabaddi etc. i.e in priority games.

Centre of Excellence will accommodate best of talents and serve as training ground for international medal prospects from the state. The sports excellence centres will have best of training facilities. Best of coaches and support staff will be deployed. They may be hired on contract basis as per requirement. The Centre of Excellence players will compete regularly, particularly on weekends, to stay match-fit. Provisions for supplementary diets will be made on the line of SAI. Academies may enlist support from private sector as per the government's PPP policy.

Steps will be taken to have in the department on deputation sports quota inductees from other departments and utilize them in manning department's stadiums and playfields. They shall be made to undergo a pre-deployment short-duration course in coaching. Sports enthusiasts and retired coaches shall be encouraged to contribute on honorarium basis.

Yoga centres

Sports, games and physical fitness have been a vital component of our civilisation as is evident from the existence of the highly evolved system of yoga and a vast range of highly developed indigenous games, including martial arts. As stated in the Olympic Charter, Olympic is a “**philosophy of life, exalting and combining in a balanced whole the qualities of body, will and mind.**” So also is yoga based on the complete control of body and mind.

Yoga shall be given special emphasis as part of physical fitness for all age groups. Recognising that Yoga is a physical, mental and spiritual practice or discipline that aims to transform the body and mind and has got multifaceted benefits such as increased flexibility, increased muscle strength and tone, improve respiration, energy and vitality, the maintenance of a balanced metabolism, weight reduction, cardio and circulatory health, improved athletic performance, it will be introduced in all educational institutions in the state.

Yoga will be integral part of physical training programme in all education institutions. Yoga shall be compulsory in all schools and in the zero hour there will be regular Yoga practice in the schools. List of 'asanas' which can be performed in the schools shall be finalized. Yoga shall be treated as an integral part of all sports training programs. Appropriate techniques shall be introduced to help sportspersons improve flexibility, concentration and mental strength, which are pre-requisites for high quality performance.

One Yoga centre in all district sports stadium will be opened/introduced as an integral part for training and practice. Municipal local bodies and Haryana Urban Development Authority shall construct yoga practice halls in their areas of jurisdiction. Special coaching of physical education teachers in Yoga shall be organised.

The Education Department shall include yoga as a subject in the curricula of all degree and diploma level program of physical education. International Day of Yoga shall be celebrated on June 21 every year. Research projects in various aspects of yoga particularly yoga physiology shall be supported by the department.

Yoga camps would be held at various places in the state with the help of NGOs. For promoting yoga, awareness and mass communication exercises would be undertaken. Literature on yoga would be published for public use. Yoga competitions shall be organised at various levels for different segments and age-groups.

Yoga coaches and volunteers will run centers from department's premise. They will also organize camps and hold tournaments aimed at popularizing yoga among masses as envisaged in the Sports Policy.

Network of national academies

State would support to setup a network of national academies in collaboration with Sports Authority of India, national federations and private sector in the state to train players for international competitions. Three national academies viz. National Academy for Boxing, National Academy for Athletics and National Academy for Wrestling have already been sanctioned by Government of India and are likely to be operational soon. The state would endeavour to make maximum advantage of these institutes of international standard and would strive for maximum number of participant from the state.

Sports resource centres and sports labs

Sports resource centres will be developed at divisional sports complexes. It will have adequate number of audiovisual equipments whereby sportspersons can use video analysis software to improve their performance. It shall also stock latest CDs/DVDs on techniques of the game. It shall serve as single-point, exhaustive source of information and expert advice on matters relating to sports. It will have a lounge, a small library and necessary equipments. It shall be manned by coaches, doctors, sports psychologists and other experts. Proper sports labs would be set up in these centres.

These centres would be multi-sport talent development centres to manage young talented athletes. League matches and state level tournaments like “Chief Minister Cup” in different games will be organized to give players competitive opportunities.

Four sports resource centres/multi-sports talent development centres in popular games will be developed in collaboration with willing sponsors. These centres will be iconic and will provide to most talented of players –scoring very high in SPEED test or winning medals at state and having participated at national and international level, best of training facilities. Players of these centers will compete regularly among themselves and with other comparable teams to upscale their sporting standard.

National Sports Development Code

The adoption of good governance practices by sports federations, sports associations is essential for healthy sports development in the country as well as in the state. The state shall adhere to the National Sports Development Code of India (NSCI), 2011 to promote good governance practices in the management of sports at the state level in pursuance of sports policy.

In the recent past, Government of India has taken various steps to improve the management of NSFs and sports in the country such as notification of the Anti-Doping Code; introduction of annual recognition of NSFs to ensure transparency and accountability of NSFs; enforcement of age and tenure limit in respect of office bearers of NSFs, including the Indian Olympic Association; bringing NSFs under the purview of Right to Information Act; measures to ensure free, fair and transparent elections by the NSFs; and measures to combat age fraud in sports; and guidelines for the prevention for sexual harassment of women in sports. Similar steps are intended to be taken in respect of state sports associations.

Sports associations

Government will engage sports associations and federations constructively. It will encourage them to professionalize their work, maintain a high standard of ethics and integrity and synchronize their activities with the government programs and activities to optimize the output.

It shall be the endeavour of the Govt. of Haryana to streamline the procedure for effective coordination among various agencies. Over the years a number of state sports associations have come up for development of specific games/sports disciplines. The Government of Haryana in achieving their objectives has actively supported these associations. Existing guidelines for assisting state sports associations had to be reviewed and revised based on the past experience. Discussions will be held with state Olympic association and state sports associations to amend the guidelines. The major innovations and changes to be included in these guidelines are: a clear demarcation and identification of the role and responsibility of the agencies involved in sports development and promotion; clearly defined criterion for determining priority categories for government assistance; a discipline specific project approach to be adopted in processing cases for financial assistance; detailed guidelines for preparation of long term development plan to be laid; provision to be made for annual sanctions of development plans; also greater flexibility in meeting the specific requirements of associations; binding agreements between state sports associations and the department to be drawn up; an emphasis on professionalising and upgrading the administrative and financial management of associations; an emphasis on systems to handle players grievances; recognition of the role of sports promoters, particularly in event management.

In short, the new guidelines propose to replace the present approach with annual sanctions against an agreed programme for the development and promotion of each sports according to its unique requirements. This, in turn, requires significant improvements in the internal management practices of the associations. An important perspective in this exercise is to help associations attain financial self sufficiency over a period of time thereby reducing their dependence on the government.

The District Sports officers are playing major role in their respective districts in various sports & youth related programmes and activities. Need of vehicles for DSO's is urgently required for frequently visit in sports nurseries, sports wings, sports academies, sports complexes, stadiums, Rajiv Gandhi Sports complexes and rural mini stadiums. The requirement of vehicles is necessary to be mobile and discharge all their functions and duties assigned to them. Hiring of vehicles/drivers will be met out from the proposed budget till the formalities for purchase of new vehicles are completed.

The scheme shall cover activities mandated in the Sports Policy-2015, hence a provision of ₹ 50,00,00,000/- is being kept for the year 2017-18.

(4)

Code No. : 1-1-2943-2204-51-104-55-51
Name of the Scheme : Mass Popularization of Sports Scheme
Outlay : ₹ 1,10,00,000/-

Mass Communication

The government will put in place a well thought-out communication strategy to raise the level of awareness among masses about sports' role in personality development, youth engagement, preventive healthcare, social inclusion and national unity and integrity. It will make liberal use of tools of information technology tools and social media platforms to reach out to the people and encourage them to be active participants and have a healthy sporty lifestyle. It will also organize mass contact programs and well-attended events towards this end.

Under the banner of 'Play For India', the department will take steps to bridge the knowledge gap between facilities and opportunities available and people's awareness about these through aggressive information campaign. The campaign will aim at spreading awareness on following lines: KYC [Know Your Coaches], KYP [Know Your Play fields], KYSIR [Know Your Sporting Icons/Records] KYAP [Know Your Athletic Potential], KAOS [Know About Opportunities in Sports].

Media cell

Publicity and Media plays an important role in dissemination of information, popularization and promotion of sports amongst the masses. A media cell is to be created in the Directorate of Sports & Youth Affairs.

Sports magazine

A magazine of suitable title such as Khel Haryana, Sports Haryana Haryana Khel Samvad Haryana Sports would be started by the Sports Department.

Sports Library

Books and CDs/DVDs of different categories containing information on sports will be procured under the scheme. Coffee table books will be published on the state's sporting achievement. Documentaries on sports will also be got prepared highlighting state's sporting schemes and achievements.

Advocacy of benefits of sports

While the Department of Sports and Youth Affairs will bring about greater convergence in the programmes and activities of its Youth Bureau and its Sports Bureau, and make use of their synergies for the effective delivery of results, it will also play a pro-active role in advocating the benefits of sports and physical education among a variety of major stakeholders such as key departments and public sector undertakings, local bodies, NGOs and private enterprises, and in encouraging them to use sports and physical education as key instruments of public policy and programme activities.

Health and well-being

To disseminate the wide range of physical, social and mental health benefits, and how sports can contribute to strategies to improve diet; discourage use of tobacco, alcohol and drugs; help reduce violence; enhance functional capacity; break down stigmas attached to diseases like HIV/AIDS; and promote social interaction and integration. This would lead to reduced health care costs, increased productivity, and healthier physical and social lifestyles and environment.

DSOs will use YCOs' services for popularizing sports. Preventive healthcare, counter-delinquency and community building role of sports will be publicized through mass media and mass contact programs like street corner plays, essay competitions, painting competitions, singing competitions, debate, leaflets, marathon, festivals, etc. Signage in the way leading to sporting facilities will be clearly visible and pronounced.

Education and Sports

To show how sports can help in personal and social development, improve academic performance in key skills such as numeracy and literacy, reduction in truancy, and re-engaging young people in education and retention in schools, improve social behaviour and reduce anti-social and criminal tendencies.

Leadership and team-work

To highlight sports as a powerful tool for ice-breaking and engaging the whole of a community in a common activity; promoting personal development, leadership and team-work skills; fostering volunteering through coaching and sports administration; and developing community responsibility and involvement.

Building inclusive communities

Promoting social cohesion through sports to help build communities and a sense of belonging among all members of the community, enhance the self-image of individuals and the community as a whole, empower women and other weaker sections to promote their independence and self-confidence, and adopt an inclusive approach to the welfare of persons with disabilities.

Research and reference cell

To collect statistics and information on sports activities a research and reference cell is intended to be created in the sports department. In beginning professionals on contract would be hired till regular posts are sanctioned.

State Sports Gradation Authority

It is proposed to constitute a state sports gradation authority for issuing sports gradation certificates for sportspersons incorporating eminent sportspersons. All grievances relating to sports gradation shall be dealt by this committee.

Information material on mobile platform will be developed to reach out to target beneficiaries through their cellular phones. A mobile/audio book will be developed containing usable information about department's schemes.

Diet charges and other expenses for conducting SPAT/SPEED Test.

Sports & Physical Aptitude Tests/Sports and Physical Exercises Evaluation and Development Test would be conducted every year and expenditure on diet charges of participant in these tests in 2nd, 3rd and 4th round shall be born under this scheme.

Hence, an amount of ₹ 1,10,00,000/- is provided for the year 2017-2018.

(5)

Code No.	:	1-1-2942-2204-51-104-54-51
Name of the Scheme	:	Youth Development Schemes
Outlay	:	₹ 3,35,00,000/-

As of now, Haryana does not have any Youth Policy or a dependable Youth Affairs programme. There are about 6000 youth clubs out of which about 698 clubs are active. The rest of the clubs are defunct. In the main the youth affairs activities of the department comprise sporadic adventure sports activities and intermittent activities of various voluntary organizations/ clubs like Nehru Yuva Kendra, NSS, Scouts and Guides, NCC without any common thread running through these programmes and activities. The department is now seriously contemplating formulation of youth policy for Haryana for which the definition as given in NYP 2014 is proposed to be adopted. The Youth Policy would focus to empower youth of the state to achieve their full potential, and through them enable Haryana to fast pace the development process with the objective to create a productive workforce, develop a strong and healthy generation, install social values & promote community service, facilitate participation and civic engagement and support youth at risk & create equitable opportunities for all.

The state of Haryana has a youthful demographic profile. As per 2011 census, about 48% of its population is in the age bracket of 10-35 years. The people, particularly younger ones, are energetic, aware and amenable to mobilisation. The culture is, thus, open and competitive, spirit very much

Olympian-Faster, Higher & Stronger. However, in our youth policy we want to focus on the age-group of 15-29 years for which data is not readily available. However, by extrapolation it can be approximately presumed that population of the age-group of 15-29 years is 27.69% of the total population. Similarly Youth in the age group of 15 to 29 years in India comprise 27.05% of the total population. India is expected to become fourth largest economy by 2025 after US, China and Japan. This demographic dividend offers a great opportunity to Haryana also.

Under the scheme, the department will undertake activities aimed at helping youth to grow into well-adjusted individuals and productive citizens. Steps will be taken to foster constructive behaviour among youth and help them in actualizing their potential.

Adventure sports activities and camps

The department will organize camps for youth and offer them opportunities to participate in adventure sports like trekking, mountaineering, rock-climbing, skiing, rafting, water sports and paragliding. These activities will help them in developing *esprit de corps* and conquer fears. They will also be educated to stay away from disruptive behavior and hurtful addictions and trained on ways to spend leisure time constructively. These shall be organized in collaborations of various organization working in the area of adventure sports such as National Adventure Club etc.

Competitions on Youth Related Issues

Block, district and state-level essay-writing, painting, debate, poetry, short-story writing, drama, music and dance competitions on youth-related issues will be organized. The aim will be to raise their level of awareness and give the young boys and girls opportunity to showcase their extra-curricular talent.

The department will run centres and impart training in music, dance, drama, painting and oratory. The centers will be well-equipped and will have necessary funds to hire services on outsourcing basis.

Workshops & Seminars

The department will organize workshops and seminars on youth-related issues such as reproductive health, drug de-addiction, delinquency, career options, current national and international affairs, environment protection, energy conservation etc. Help of expert and agencies with requisite core competence in the area will be taken. Motivational and personality development workshops will be periodically organized across the state.

Cultural exchange programs & youth festivals

The department shall take necessary steps to organize and participate in cultural exchange programs. Youth & Cultural Organizers will maintain a database of willing and eligible participants. Partnerships will be forged with NGOs and international bodies working on youth related issues. Youth festivals at district and state level will be organized.

Youth Clubs

All the clubs which are defunct need to be rejuvenated out of passivity and dormant state by activating them and making them vehicles of social change. Youth Policy will focus on the youth in the age-group of 15-29 years by imparting them vocational skills to make them employable to address the problem of educated unemployed youth. To develop the qualities of entrepreneurship to realize the dream of 'Make in Haryana' on the pattern of 'Make in India'. to wean away the youth of Haryana from the menace of drugs of Quit Drugs Movement needs to be launched. Youth clubs can play a pivotal role in Swachh Haryana/Swachh India campaign. In the Geeta Jyanti year, the philosophy of Nishkaam Karam can best be propagated by the youth clubs. The activities of various youth clubs and organizations like Nehru Yuva Kendra, NSS, Scouts and Guides and NCC need to be collated and synchronized. For Youth related activities grant-in-aid would be given to these organizations. Under the scheme, the department will provide grant-in-aid to youth clubs and NGOs active in the area of youth empowerment and development. Special attention will be given to youth clubs active in areas like weaning youngsters away from disruptive behavior and engaging them in constructive activities like sports, environment protection, energy conservation, cultural exchange programs, hobby centers, employment generation programmes, eradication of social evils, sanitation drive, social welfare, child labour & abuses, women empowerment and skill development programmes etc. One state level youth club, 21 districts level youth clubs & 124 block level youth

clubs will be formed during the year. It is intended to cover all panchayats to have atleast one youth club in next five years. It is proposed to give initial seed money/grant-in-aid to youth clubs.

Sr.	Purpose	Amount	Remarks/Justification
1.	One State Youth Club	10,00,000 Lakhs	Amount required for youth activities start in 2016-17 for giving grant-in-aid to one state level youth club, 21 distt. level youth clubs & 119 block level youth clubs and for other youth activities.
2.	21 Distt. Level Youth Clubs	@ 5.00 Lakhs each 21X5.00 Lakhs= 1,05,00,000	
3.	119 Block level youth clubs	@1.00 lac each 1.00x119= 1,19,00,000/-	
	Total-	2,34,00,000	

Cultural Scholarships

500 scholarships of @ Rs 1000 per month will be given to youth performed well exceedingly in cultural talent hunt program. A state vide culture talent hunt programme would be launched in various disciplines a such as folk dance, folk lore, classical dance, acting, other visual and performing arts etc.

State test on history & culture of Haryana and general knowledge

To acquaint youth about history and culture of the state and to increase their general awareness it is intended to hold state level test on history and culture of Haryana and general knowledge both for junior and senior level separately.

Hence, an amount of ₹. 3,35,00,000/- is provided for the year 2017-2018 under this scheme.

(6)

Code No. : 1-1-2941-2204-51-104-53-51
Name of the Scheme : Modernization of Information System
Outlay : ₹ 85,50,000/-

Use of information technology and creation of sports databank

The Sports Department will harness its human resources and infrastructure imaginatively to deliver to the people increased participation, greater inclusion and higher level of excellence in sports. It will use information technology and modern management techniques to track performance of its coaches, administrators and sports quota inductees.

Sports Department shall make extensive use of information technology tools for dissemination of relevant information on matters relating to sports to the various stakeholders, media and public at large.

The Department of Sports shall set up and maintain an interactive website that shall contain necessary up-to-date information on matters relating to schemes, sports infrastructure, coaches, registered athletes, clubs, district sports associations, state sports associations, sports councils etc. The website shall, inter alia, host information relating to the rules of the various sports disciplines, results of the various championships conducted in the state and elsewhere and playfields details recognised by the international sports federations. The Department of Sports shall take steps to establish a sports museum and a sports library.

There shall be a data bank of all sports persons along with their performance log with the objective to evaluate their performance on regular basis to achieve excellence in sports. Department of Sports shall take steps to computerize the data of all sports persons above the district level.

There shall be periodic analysis of each sports person by setting targets and evaluating the same. There shall be computerization of records regarding performance of coaches. There shall be quarterly review and performance evaluation of all coaches to bring accountability in their jobs. A unique ID shall be issued to every sports participant and organisers shall be advised to insist on the unique ID Number for participation in various sporting activities/competitions.

IT cell

IT Cell will be setup to oversee the implementation of this policy initiative.

The scheme will fund implementation of the department's IT plan. Purchases will be made against the condemned computers as well as against the fresh requirement. Needed manpower will be hired under outsourcing policy. Required application will be got developed on outsourcing basis. The department's website and www.play4india.com will have online interface with intended beneficiaries.

A database on project underway will be maintained depicting details of fund released current status and likely date of completion. Resource mapping will be done to keep track of equipments given to playgrounds throughout the state. Salary, consumable items, maintenance charges of the computers, purchase of new hardware, software and furniture etc. will be funded from this head.

Hence, an amount of ₹ 85,50,000/- is provided for the year 2017-2018.

	(7)
Code No:	1-1-2940-2204-51-104-52-99
Name of the Scheme:	Sports Awards & Incentive Scheme –Normal Plan
Outlay:	₹ 5,00,00,000/-

Awards and incentives will be disbursed to beneficiaries identified as per Sports Policy-2016-17.

State award for senior players-Bhim award

Bhim Awards is the highest award of the state government for the outstanding players of the Haryana. The award is given to 11 sportspersons of the state; 5 in individual events, 3 in team events and 2 to Paralympics sportspersons and for mentally challenged sportspersons. The award will be given once in life to sportspersons of the Haryana state based on previous four years achievements. The criteria for the award will be rationalised and transparent selection procedure would be evolved.

New awards**State award for junior players-Eklavya award**

On the pattern of Bhim Awards for senior players, state award for the junior players will be instituted. The awards will be given every year to five junior sportspersons of the state; 3 in individual events and 2 in team events. The award will be given once in a life time to young/junior sportspersons of the Haryana state based on previous two years achievements. The award will comprise of cash amount of Rs. One lakh, memento, scroll, blazer & tie/scarf.

Award for lifetime contribution in sports for men-Maharana Pratap award

An award for lifetime contribution in sports for men in the name of Maharana Pratap award will be given every year. The award will comprise of cash amount of Rs.2 Lakhs, memento, scroll, blazer & tie/scarf.

Award for lifetime contribution in sports for women-Rani Laxmi Bai award

An award for lifetime contribution in sports for women in the name of Rani Laxmi Bai award will be given every year. The award will comprise cash amount of Rs.2 Lakhs, memento, scroll, blazer & tie/scarf.

Annual award for coach-Guru Vashisht award

An annual award for coaches in the name Guru Vashisht award will be given to one outstanding coach whether working in the government or in private sector for the exemplary service rendered for excellence in sports. In the earlier policy also there was a mention of annual award for coaches amounting to Rs. One lac, but it was not put in practice. The award will comprise of cash amount of Rs. 2 Lakhs, memento, scroll, blazer & tie/scarf.

Annual award for referee/umpire/judge-Vikramditaya award

An annual award for an outstanding referee/umpire/judge would be given every year in the name of Vikramditaya award. In the earlier policy also there was a mention of annual award for referee/umpire/judge amounting to Rs. One lac, but it was not put in practice. The award will comprise of cash amount of Rs.2 Lakhs, memento, scroll, blazer & tie/scarf.

Award for physical education teacher, PTI and DPE

An award for the one best performing physical education teacher who has played exemplary role in promotion of sports in the education institution will be given on annual basis. The award will comprise of cash amount of Rs.1 lac, memento, scroll, blazer & tie/scarf.

Award for best performing association

The State Government recognizes that the sports associations play a very important role in the promotion of sports and shall continue to support them in every manner in the interest of development of sports in the state. An award for best performing sports association will be given on annual basis. The amount of award would be Rs. 5.00 lakh. The award money would be used by the association for the promotion of concerned game.

Welfare measures for sportspersons

Insurance scheme for the sportspersons

An insurance scheme for the players would be formulated to insure them against sports accidents, sports injuries and other exigencies.

Pension scheme for eminent sportspersons

A pension scheme will be designed to give a clear cut message to all those talented sportspersons who want to become champions at international level. They will find that the government along with appreciation of their achievement would also provide concrete life-time assistance in the form of a pension. The need for assured monthly income through annuity for outstanding sportspersons has become imperative due to the fact that sportspersons spend prime of their youth in pursuit of intensive training, sacrificing other lucrative opportunities which are usually available.

Honorarium and pensions for awardees

Honorarium and pension shall be given to Arjun Awardees, Dyanchand Awardees and Rajiv Gandhi Khel Ratan Awardees from the state in addition to the incentives given by Government of India.

The department will provide special financial assistance up to Rs.5.00 lakhs to the sportspersons in case of injury and to their family in case of expiry of sportspersons.

Hence, an amount of ₹ 5,00,00,000/- is provided for the year 2017-2018.

(8)

Code No. : 1-1-2939-2204-51-104-51-51
Name of the Scheme : State Sports Council Scheme
Outlay : ₹ 1,00,00,000/-

The scheme shall provide fund for activities of setting up of various sports councils and their activities as envisaged in the Sports Policy in the state.

Constitution of sports councils

For promotion of sports and physical fitness, to augment athletic efficiency in the state and to promote the concept of 'Sports for All', statutory sports councils at state level, district level, block level, village level, municipal corporation level, municipal council level, municipal committee level and university level are intended to be constituted. The respective sports councils shall be responsible for coaching, training, competitions and playgrounds operation and maintenance.

Hence, an amount ₹ 1,00,00,000/- is provided for the year 2017-2018.

(9)

Code No. : 1-1-2952-2204-51-104-47-51
Name of the Scheme : Promotion of Sports Activities (E&T)
Outlay : ₹ 59,00,00,000/-

The amount from this head will be utilized in sports promotion activities like building, maintaining and operating playgrounds in the state, hosting special sports competitions, meeting special training requirements (manpower and infrastructure), building hi-tech and modern sports facilities, procuring specialized high-end equipments, hiring specialized coaches etc. The focus of the scheme will be requisite maintenance and operation of the playgrounds. Besides this, in future all kinds of incentives and prize money to medal winners will be disbursed to beneficiaries from Sports Development Fund and grant-in-aid to the sports association also will be given under this scheme. Provision in this scheme has been made on the basis of collections in the cess on liquor.

Constitution of Haryana Sports Development Fund

To meet the growing needs for sports development in the state, to take up research and development studies, to give cash award to the medal winners in national and international events, to give grant-in-aid/special grants to state sports associations, clubs, meritorious players, welfare measures of the sports persons, to provide suitable assistance/pension to outstanding sportspersons now living in indigent circumstances etc. Haryana Sports Development Fund is intended to be created under the Chairmanship of Hon'ble Chief Minister, Haryana. Collection of cess on liquor would be transferred to Sports Development Fund.

Incentives to sportspersons-cash award etc.

Cash award to medal winners

Recognizing Medal winning sportspersons by way of cash award is the most effective way of promoting excellence in sports. Such awards will enhance their prestige and motivate them to perform better. The cash award and other incentives to be given to the medal winners of national and international competition by the Sports Department out of Sports Development Fund are to be enhanced. The awards would be given to sportspersons for their outstanding performance in sports. Now the cash award to medal winners will be given as per the details given below:-

Amount of cash award for each member of position holder team will be equivalent to the amount to be given to the position holder of individual events. The scope of awards shall be suitably increased/modified and notified by the state government from time to time. Coaches of the medal winner will also be rewarded for which it is proposed to bring a separate scheme.

Eligibility & conditions for cash award

The sports persons must have represented the state of Haryana in the national team, in case of national level competitions. Players shall be given awards for the performance of preceding financial year only. No award for past performance/achievements will be considered.

Applications should be received through District Sports & Youth Affairs Officer concerned. The cash award will only be given to those sportspersons who has represented the state of Haryana in sports. The sportsperson or parents of the sportsperson should be resident/domicile of Haryana. He/she must submit Haryana resident certificate (domicile certificate) from competent authority along with application. In a particular/same sports for first medal full payment (highest award medal) and on additional medals half amount of second/subsequent winning medal would be given.

Financial support for infrastructure development and cadet support to mother institution

A scheme would be formulated to identify mother institution of the medal winning sportsperson who participated in international events. If these athletes qualify for the cash award scheme then the mother institution would be given financial support to the tune of 10 percent of the award value for the infrastructure and equipment support to budding sportsperson in that institution.

Hence, an amount ₹ 59,00,00,000/- is provided for the year 2017-2018.

(10)

Code No. : 1-1-0000-2204-51-104-46-51
Name of the Scheme : Swaran Jayanti Celebration Scheme
Outlay : ₹ 80,00,00,000/-

The Haryana State is celebrating the Golden Jubilee Year from 1st November, 2016 to 31st October, 2017. (11)

Code No. : 1-2-2950-2204-51-789-99-51
Name of the Scheme : Infrastructure Scheme for Scheduled Castes
Outlay : ₹ 16,00,00,000/-

This is a Sharing Basis Scheme

Scheme specifically meant for villages with more than 40% of SC population

The scheme is specifically meant for villages with more than 40% of SC population. It will fund initiative aimed at accelerated delivery of augmented benefits of department's, infrastructure and youth development schemes to the target villages. The scheme will provide 100% fund for construction of village and block level stadiums and multipurpose halls at panchayat land of required dimension. These stadiums and halls will be adequately equipped. Sports goods will be made available to participants at the centers being run in these facilities by the government. Schools in such villages will be supported with sports goods and equipments to encourage sporting activities there. Trainers and caretakers will be hired on contract basis to run centers here.

FAIF play scholarships

SC families medal winners at district and state level sporting events shall be given FAIR play sports scholarships for a year. For state level participation and winning first three positions, monthly scholarship amount will be Rs. 1500, Rs. 2500, Rs. 3000 & Rs. 3500 respectively. For the national level medal winning achievements, the amount shall be Rs. 3000, Rs.4000 and Rs. 5000 respectively. For the international level comparable achievement, the amount shall be Rs. 5000, 6000 & 7000 respectively. The amount will be additional Rs. 1000 in case of SC female athletes. The support will be for one year from the date of such achievements.

Special incentives for National and International Medal winners in SC category.

For national and international medal winners in SC categories, the department will bear full cost of training, travel and equipment. Such families shall also get accelerated access to other government welfare programs. Hence, an amount of ₹ 16,00,00,000/- is provided for the year 2017-2018.

(12)

Code No. : 1-1-2658-4202-03-101-99-51
Name of the Scheme : Building (Youth Hostel)
Outlay : ₹ 10,00,00,000/-

Hence, a provision of ₹ 10,00,00,000/- has been made in this scheme for the year 2017-2018.

(13)

Code No. : 1-1-000-4202-03-102-99-51
Name of the Scheme : Sports Infrastructure Scheme
Outlay : ₹ 50,00,00,000/-

The selected and identified construction work of Sports & Youth Affairs Department to build up Facilitation Centres, game specific centre of Excellence and Multipurpose indoor stadiums in each districts with playing facilities in Basketball, Volleyball, Gymnastic, Boxing, Weight –lifting, Badminton, Wrestling, Kabbadi etc. Apart from this, Youth Development Centre will be covered under this scheme.

Hence, a provision of ₹ 50,00,00,000/- has been kept under the scheme for the year 2017-2018.

(14)

Code No. : 3-1-2945-2204-51-104-57-51
Name of the Scheme : Infrastructure Scheme
Outlay : ₹ 10,25,00,000/-

This is a 100% Centrally Sponsored Scheme

Under the creation of Urban Sports Infrastructure Scheme (USIS) 100% grant-in-aid provided by Govt. of India. In the above background of the present scheme envisages the following structure:

- i. Development of community play-fields- State Government through Play Field Association;
- ii. Coaching and Coach Development Programme- Through Central and State Government by means of structured training to provide coach education and physical education (teachers as well as coaches, including community coaches); and
- iii. Players Academies- The SAI Centers will provide the nucleus of a hub and spoke model for such academies, catering to premier sports in each state.

Creation of Sports Training Facilities/ Players Academies

At present, the preparation of national athletes is supported by SAI, which is fully financed by the Govt. of India. SAI operates several schemes for identification and development of talent at national level. In doing so it also helps state in terms of sports infrastructure support and deployment of coaches. This support is extended under different SAI schemes like the SAI Training Centre (STC)

scheme, Special Area Games (SAG) scheme and SAI extension centers scheme. However, its spread is confined to locations where SAI already has a physical reach. The creation of such facilities throughout the country is limited by the budgetary constraint and shortage of coaches in SAI. With a view to overcoming these constraints and ensuring maximum utilization and sustainability of such facilities, the present scheme envisages development of sports training infrastructure in partnership mode with State Governments/ local bodies/ colleges/ universities/ sports control boards on the one hand, and SAI on the other. Under the scheme, the Ministry of Youth Affairs and Sports (MYSA) will provide assistance directly, for the creation of need-based sporting infrastructure in states, which will also be made available to SAI free of charge on time sharing basis to train its trainees, and for holding sports competitions and national coaching camps. The entire responsibility of maintenance of the said infrastructure will be that of the State Government beneficiary entity.

With a view to maintaining focus on mother sports and popular sports, especially those in which we have good medal prospects, the following types of sports infrastructure will get preference over others:

- i. Synthetic playing surface(for hockey, football and athletics);
- ii. Multipurpose indoor hall. The approximate cost of these projects as per current CPWD schedule of rates is as under:
 1. Synthetic athletic track approximate cost of Rs. 5.50 crore with normal lighting.
 2. Synthetic hockey field approximate cost of Rs. 4.50 crore (5.00 crore with normal lighting).
 3. Synthetic turf football ground approximate cost of Rs. 4.50 crore with normal lighting.
 4. Multipurpose hall of size 60M x 40M approximates cost of Rs. 6.00 crore.

Hence, an amount of ₹ 10,25,00,000/- is being provided for the year 2017-2018.

(15)

Code No. : 3-1-2949-2204-51-104-48-51
Name of the Scheme : Panchayati Yuva Krida Aur Khel Abhiyan (PYKKA)
Outlay : ₹ 14,30,00,000/-

This is a 100% Centrally Sponsored Scheme

Sports Competition

Rajiv Gandhi Khel Abhiyan (RGKA) has been started by the Govt. of India from 01/04/2014. Under this scheme block, district and state level rural competitions (under 16 years' boys and girls) and district & state women sports competitions (under 25 years) will be organized by the department.

Sports Equipments

38 proposals of block level stadiums have been sent to Govt. of India during this year and 25 block level stadiums will be sent for the year 2016-17. These stadiums will be made of fabricated material and completed in a time bound manner. Govt. of India will be releasing the amount of Rs. 15.00 Lakhs each stadium for procurement of sports equipment. In these stadium one master trainer and two trainer will be appointed and honorarium will be paid @ Rs. 3,500/- and Rs. 2,500 each respectively. In addition 1.50 lac will be provided for office furniture for each block stadium.

Hence, the amount of ₹. 14,30,00,000/- is being provided for the year 2017-2018.

HEALTH SERVICES AND FOOD & DRUG ADMINISTRATION

(1)

Code No: 1-1-3142-2210-01-001-99-51
Name of the Scheme **Headquarter Staff-Improvement and Strengthening of Health**
Outlay **Directorate**
₹ 55,00,000/-

It is a continuance scheme for One post of DGHS, One post of Joint Director (Admn)& Two Posts of Pharmacists at State Head Quarter. Two posts of Pharmacists for MSD branch of Directorate were sanctioned for procurement of medicines, for supply of free medicines in the OPD of all Health institution, for institutional deliveries in all Health Centres of Haryana and for surgery package. One post of Joint Director (Administration) at Head Quarter has been sanctioned vide Govt. letter no. 43/2/2011-6SII dated 15.09.2011. One additional post of Director General Health Services, Haryana at Headquarter has been sanctioned vide Govt. letter No.18/06/2012-5HBI dated 01.10.2012. In addition to above, a provision has been made for expenses in respect to honorarium to Enquiry Officers for conducting enquiries under Rule 7 against the officers.

A sum of ₹ 55,00,000/- is required to continue this scheme for the financial year 2017-2018

(2)

Code No: 1-1-3129-2210-01-001-98-51
Name of the Scheme **District Staff –Continuation of staff for Civil Surgeons**
Outlay **₹ 655,80,000/-**

As a result of organization of the Punjab State and formulation of Haryana State, new districts were created and the staff was sanctioned from time to time. This is a continuation plan for the staff of district Palwal. It also includes salary of one post of computer in MC Gohana .It is essential to continue these posts during the FY 2017-18. Neither any central assistance in the form of the grant and loan nor any contribution is expected to be received from the public or any other body or institution during the year 2017-18. No income is to accrue from this scheme

The various sub schemes under this head are as under Transport Scheme has to play a very important role in smooth and successful running of different programmed of the Health Department. To keep vehicles on road, the stock of Tyres/Tubes/Batteries spare parts and lubricants (as and when required) should be made available. This will increase number of working hours of the vehicles and will ultimately results the speedy implementation of various health programs of the Department.

There is the rise of petrol/diesel prices and cost of repair of the vehicles . Hence it is the need of hour to make provision for the purchase of these items so that the maximum vehicles be kept on road and work of the programme may not suffer.

2. Binding/printing of OPD Cards/Forms/Registers etc.

It is a continuous scheme for printing of various stationary items like forms / registers etc. required for sending various reports from the State Head Quarter. Registration and reporting of birth and deaths has been made compulsory under the RBD Act, 1969. Being an important data base, it has to be properly stored in specially printed registers.

A sum of ₹10.00 lakh is being provided under this component for the year 2017-18.

3. Strengthening of Supervision and Monitoring of FW Programme-Providing transport facilities.

The Cent percent expenditure of POL for 30 Vehicles under Head 2211-Family Welfare Programme was being borne by GOI, but as per the direction of the Planning Commission of India, the Scheme of Transport, under which the Grant was given in the form of POL, has been transferred to the State Govt. vide Govt. of India letter No. M11018/1/2006-FWB dated 1.5.2006. As desired by Govt. of India, in subsequent years the State will have to provide for POL in State's own budget. Accordingly, The Govt. of India has made no allocation for POL from the year 2006-07.

The Family Welfare Programme being a National Programme, it is necessary to continue this scheme by the State from their own budget for the year 2017-18. Hence, an amount of ₹ 30,00,000/- will be required under this scheme for the year 2017-18.

The Cent percent expenditure of POL for 30 Vehicles under Head 2211-Family Welfare Programme was being borne by GOI, but as per the direction of the Planning Commission of India, the Scheme of Transport, under which the Grant was given in the form of POL, has been transferred to the State Govt. vide Govt. of India letter No. M11018/1/2006-FWB dated 1.5.2006. As desired by Govt. of India, in subsequent years the State will have to provide for POL in State's own budget. Accordingly, The Govt. of India has made no allocation for POL from the year 2006-07.

The Family Welfare Programme being a National Programme, it is necessary to continue this scheme by the State from their own budget. Accordingly the expenditure of 30,00,000/- will be incurred by the State under this scheme.

A sum of ₹ 6,55,80,000/- is required to continue this scheme for the financial year 2017-2018.

(3)

Code No: 1-1-3006-2210-01-110-93-51
Name of the Scheme Grant-in-aid to Haryana Red Cross Blood Donation Services, Rohtak and P.G.I, Chandigarh
Outlay ₹ 3,35,000/-

This scheme was started in the State during the year 1995-96. The Scheme is meant to provide Blood facilities to the State Government Employees in PGI Chandigarh/Medical College Rohtak and Red Cross Society Haryana. This scheme is essential for the blood storage in PGI Chandigarh and Red Cross Society Haryana which can be used for State Government Employees and their dependent in emergency as and when needed. This scheme is essential in public interest.

A sum of ₹ 3,35,000/- is required to continue this scheme for the financial year 2017-2018.

(5)

Code No: 1-1-3009-2210-01-110-87-51
Name of the Scheme Grant-in-aid to St. John Ambulance Association for replacement of Old Ambulance.
Outlay ₹ 7,00,000/-

Ambulance Vans were provided to Ambulance Association. Most of the Vans are out of order and un-serviceable which require replacement. These vans were applied to shift the serious patients for specialized Medical Services to Medical Institutions to save lives. Now most of these old vehicles are out of order and it is essential to replace these vans in a phased manner by purchasing new Ambulance vans.

A sum of ₹ 7,00,000/- is required to continue this scheme for the financial year 2017-2018.

(6)

Code No: 1-1-3010-2210-01-110-86-51
Name of the Scheme: Oral Health Care facilities to Primary Health Clinics.
Outlay: ₹ 18,15,00,000/-

Haryana state is providing Oral health to its population through network of Primary health centers, Community health centers and District/other hospitals. It is a salary scheme for the staff related to oral health like dental surgeons/dental mechanics/hygienist etc.

According to National figures available around 70% to 80% of population suffers from dental disease. Around 90% of our children are malnourished leading to general health loss. Hence it is time that the basic Oral health care is made available to all and at the primary level. Total health care is the fundamental right of every individual.

Based on the above facts the various strategies adopted to attain objectives include rationalization of dental specialists available in state and equipping the clinics to provide specialty care. Ensuring the availability of dental armamentarium includes dental chair and dental surgeon at PHC level and training of dental surgeons for skill building training.

A sum of ₹18,15,00,000/- is required to continue this scheme for the financial year 2017-2018.

(7)

Code No: 1-1-3012-2210-01-110-82-51
Name of the Scheme: Grant-in-aid to New Saket Hospital, Panchkula.
Outlay: ₹ 2,80,00,000/-

Code No	1-1-3095-2210-01-110-69
Name of the Scheme	Financial Assistant for Bio Medical Waste Management
Outlay	₹ 8,00,00,000/-

Bio Medical Waste (Management & Handling) Rules have been notified in July 1998 with the objective of stopping indiscriminate disposal of Bio Medical Waste and to ensure that the waste is handled without any adverse on the human beings. For this purpose Bio Medical Waste Management facility like incinerators, microwaves, autoclaves etc are required to be provided in all Health Institutions which generate Bio Medical Waste. The implementation of this scheme is mandatory as per Guidelines and in public interest. No revenue will be generated. No employment will be generated out of this scheme. Keeping in view the high cost of purchase of equipment, the services are to be contracted out to authorized agencies in order to implementation of the guidelines of Hon'ble court. For this purpose additional finances will be required for the mandatory implementation of the guidelines given by the Hon'ble Supreme Court on Bio Medical Waste handling rules 1998.

The funds required for biomedical waste management will be used by the districts under biomedical waste management rules 1998, for making payment to the service provider who are authorized for disposal of Biomedical waste by the pollution control board, consumables (Gloves, Gowns, Boots, Spectacles, Caps, disinfectants etc.), equipment like hub cutters colour coded containers, bags, trolleys, needle destroyers, autoclaves, microwaves, shredders etc, and for IEC material. Therefore, the requirement of funds has been calculated on basis of the estimate of previous year i.e. 21, 42,857 per district and it comes out to be $21 \times 2142857 = 450$ lakhs.

A sum of ₹ 8,00,00,000/- is required to continue this scheme for the financial year 2017-2018.

(10)

Code No	1-1-3091-2210-01-110-65-51
Name of the Scheme	Devi Roopak Rashtriya Utthan Avam Parivar Kalyan Yojna
Outlay	₹ 70,00,000/-

Population of Haryana as per 1971 census was 10.36 million which rose to 16.46 million in the year 1991 showing a decadal growth rate of 27.4%. As per the 2001 census, the population of the state is 21.08 million showing a decadal growth rate of 28.06%. Further, the sex ratio (females against 1000 males) of Haryana has declined from 870 in the year 1981 to 865 in the year 1991 and to 861 in the year 2001 which is a point of major concern.

In order to stabilize the population of the state and to check the declining trend in the sex ratio, apart from already existing spacing and permanent methods, some innovative scheme is felt to be introduced in the state which can sensitize the community towards the need of adopting one child norm and spacing of children. It is important to promote these ideas especially among the newlyweds.

Incentives:-

A monthly incentive at the rates given below up to 20 years from the date of adoption of terminal method of Family Planning by either of the partner of a couple, will be given under the scheme.

Sr. No.	Stage of adoption	Incentive amount per month
1.	At the birth of first girl child	₹ 500/-
2.	At the birth of first male child	₹ 200/-
3.	At the birth of second child girl	₹ 200/-

A sum of ₹ 70,00,000/- is required to continue this scheme for the financial year 2017-2018.

(11)

A sum of ₹ 1,10,00,000/- is required to continue this scheme for the financial year 2017-2018.

(12)

Code No. 1-1-3144-2210-01-110-49-51
Name of the Scheme Strengthening of Urban Hospital and dispensaries
Outlay ₹ 109,67,00,000/-

During the previous years, medical and Para Medical staff was provided in the various health institutions according to the staffing norms laid down by the State Government. It is a salary scheme for various medical and paramedical staff posted in various Civil Hospitals, casualty services, intensive cardiac units Post Partum Centres etc. Apart from the salary it also includes expenditure in respect to medico legal and mortuary services.

In compliance of the Hon'ble High Court in the Crm Mis. No. 19820 of 2011 titles as Rajpal V/S State of Haryana and others the state govt. issued directions to all the Civil Surgeons that all the Post Mortem Reports and Medico Legal reports shall be issued in typed/computerized format w.e.f. 15-09-2011. The NIC Haryana has developed MedLEaPR software as per the Court Orders and it is being used in all the institutions in the State, for preparing MRL and MPR by the doctors.

Funds are required for training of doctors at district level, printing of manual and other formats, purchase of kits, preservatives, packing material, paper, annual maintenance of computers, annual maintenance of MedLEaPR software by NIC and requirement of Photostat paper at State Head Quarter.

The funds required for medico legal services will be used by the district & State for :-

Requirement at District Level:-

- Expenditure for printing of manual and other formats.
- Expenditure on purchase of kits for examination of victims of sexual assaults.
- Funds required for preservatives, packing material.
- Training to LMO & MO.
- Annual maintenance of computers
- Total funds on points mentioned at a, b, c, d, e, above will be required @ 1 lakh for each district which comes out to be ₹1,00,000*21 = ₹ 21,00,000/-.

Requirement at State Head Quarter:-

- Annual maintenance of MedLEaPR software by NIC = ₹ 7 lakh
- For purchase of Photostat paper as State Head Quarter= ₹ 2 lakh

Total funds required is 21+7+2= ₹ 30 lakh

The scheme is in the public interest. No. revenue will be generated as a result of implementation of the scheme in the State. No employment will be generated of this scheme.

This scheme also includes 8 posts of Physiotherapists, on contractual basis, 2 each at GH Panchkula, Ambala, Gurgaon & Faridabad, as per the decision taken in the meeting of State Health Mission held on 17-07-2012 under the Chairmanship of Hon'ble Chief Minister, Haryana.

This scheme also includes GIA which would be given to different district health societies for appointment of various specialists in district hospitals. The budget for various IEC activities is also included in this scheme.

A sum of ₹ 109,67,00,000/- is required to continue this scheme for the financial year 2017-2018.

(13)

Code No. 1-1-3143-2210-01-110-48-51
Name of the Scheme Providing Independent Feeder Lines and Water Supply in Hospitals
Outlay ₹ 2,50,00,000/-

Medical and Health Services are essential Services and core of services like Operation Theaters, Labour Room, X-ray, ECG Machine, Lab-Services etc. are fully dependent on the Power for their functioning. Frequent Power Break downs/cuts are there which adversely affect the delivery of the Primary/Secondary Health Care from the Government Hospitals. In order to ensure un-interrupted Power Supply to the Sub-Divisional/District Hospitals, it is proposed to provide independent feeders in these institutions. The scheme will be extended to the Community Health Centers and Tehsil Hospitals in phased manner. The Hotline/Independent feeders will be got executed through Haryana Vidut Prasarn Nigam as per the estimates prepared by them, for different Health Institutions. The scheme will be beneficial for Public at large, in delivery of Health Care Services to the Community.

Medical and Health Services are essential Services and core of services like Operation Theaters, Labour Room, X-ray, ECG Machine, Lab-Services etc. are fully dependent on the Portable Water Supply for their functioning. The Patients visiting to the OPDs and admitted in the wards and their attendants require lot of water throughout the day. Usually the water for the Public Health Water Supply is supplied once or twice a day and at times, the pressure is low with the result the water doesn't reaches the over head water tank which not only hampers the Health Care Services but also cause a lot of inconvenience, to the patients and their attendants. It is proposed to augment the water storage capacity of the Hospitals/CHCs/PHCs in the State, by installation of more water storage tanks of larger capacity, at the ground level and providing a booster, to lift the water, to the over-head water storage tanks.

A sum of ₹ 2,50,00,000/- is required to continue this scheme for the financial year 2017-2018.

(19)

Code No: 1-1-3197-2210-01-110-37-51
Name of the Scheme Haryana State Health Resources Centre for Quality improvement of
Outlay Health institutions & HMIS-GIA
 ₹ 24,00,00,000/-

Government of Haryana has taken an initiative to improve quality at various Govt. health care facilities, improvement in quality of care at Govt. health facilities would lead to better clinical outcomes, better access, better patient Communication, reduction in patient waiting times and better infection control practices in various facilities in Haryana etc.

National Quality Assurance Standards (NQAS) developed by Ministry of Health & Family Welfare Govt. of India were launched in 2014. NAQS standards are being implemented in 15 district hospitals, 10 SDH, 15 CHCs and 34 PHCs in Haryana in the current year 2015-16. Also Kayakalp program launched in June 2015 under the Swachh Bharat Abhiyan was completed for district hospitals in Haryana for FY 2015-16. The program would be expanded to include all SDH, CHCs, PHCs in Haryana for FY 2016-17. For provision of better health care services and aligning with National Guidelines, funds are required for activities like infection control practices in wards, O.Ts, ICUs etc., biomedical waste management, disaster management, fire safety, safe and disable friendly hospital buildings, handicapped friendly toilets, handrails, signage etc.

Besides quality improvement, Hospital Management & Information System project is to implement a state of the art ICT enabled Hospital Management & Information System (HMIS) in order to improve the state hospitals thereby, improving public health services and bring administrative efficiency in the entire healthcare system. In order to implement Hospital Management & Information System, it is urged that sufficient funds be provided.

A sum of ₹ 24,00,00,000/- is required to continue this scheme for the financial year 2017-2018.

Code No. 1-1-5501-2210-80-800-96-51
Name of the Scheme Strengthening of Civil Registration System.
Outlay ₹ 50,00,000/-

Birth and death registration in Haryana state is governed under Registration of Births and Deaths Act, 1969 and Haryana Registration of Births and Deaths Rules, 2002. Besides issuing birth and death certificates, the data generated through the system provides health and demographic indicators. Registration in Haryana has improved a lot in last few years and 99.0 per cent births and 95.3 per cent deaths are being registered as per latest estimates. It is the need of the day to strengthen the registration system in the state in order to make it public centric.

Strategies:

To improve upon the present system following activities are required to be initiated.

- Archival of old registration record/ Scanning of old record
- Digitization of old as well as current records
- Material & equipment, maintenance, trainings, field visits etc
- Provision of Manpower

A sum of ₹ 50,00,000/- is required to continue this scheme for the financial year 2017-2018.

AYUSH

(1)

Code No. 1-1-3122-2210-02-101-93-51
Name of the Scheme Strengthening of Directorate of AYUSH at Head Quarter.
Outlay ₹ 1,20,00,000 /-

The scheme includes the expenditure for salaries of staff posted at Head Quarter that will account for ₹ 1,20,00,000 /- during the annual plan 2017-18. At the senior level, the Directorate has 9 posts, one of Director General, One Deputy Director (Homeopathy), One ADA, Two Assistants, One Steno and Three Drivers. In the current plan, 2 more posts of Assistant Directors, one Personal Assistant, One Senior Scale Steno, 2 Steno and 2 Peons have been proposed to monitor the work of different branches and NHM at Head Quarters. Assistant Directors are required to occasionally monitor the field activities.

A sum of ₹ 1,20,00,000 /- is being provided under this scheme for the year 2017-2018.

(2)

Code No. 1-1-3145-2210-02-101-92-99
Name of the Scheme Strengthening of District Ayurveda Offices-Information Technology
Outlay ₹ 80,00,000/-

A provision under Information Technology scheme an amount of ₹ 80,00,000 /- will be required to continue this scheme during the year 2017-18.

A sum of ₹ 80,00,000/- is being provided under this scheme for the year 2017-2018.

(3)

Code No. 1-1-3145-2210-02-101-92-98-51
Name of the Scheme Strengthening of District Ayurvedic Offices.
Outlay ₹ 4,00,00,000/-

A provision under the scheme Strengthening of District Ayurvedic Offices an amount of ₹ 80,00,000 /- will be required to continue this scheme during the year 2017-18.

The proposed outlay for the scheme during 2017-18 has been kept as ₹ 4,00,00,000 /-

Establishment of District Ayurvedic Offices:-

District Ayurvedic Office, Mewat, Palwal have been established during the year 2006-2007. These sanctioned posts for the District Ayurvedic Officers, Mewat & Palwal are to be continued during the year 2017-18 along with their staff. Further, there are only four vehicles available at District Head Quarters (Rohtak, Hisar, Karnal, Gurgaon). There is a proposal to provide a vehicle at all remaining District Head Quarters during the 12th five year plan 2012-17. Most of the Govt. Ayurvedic dispensaries are situated in rural and remote areas. Apart from this, a new component i.e. mainstreaming of AYUSH under NHM has also been introduced in 2007-08 in which 21 AYUSH Wings, 92 AYUSH IPDs and 100 AYUSH OPDs at DH,CHC and PHC respectively have been established. Therefore, there is an urgent need of vehicles for monitoring/supervision and checking purpose to District Ayurvedic Officers (DAOs). During 12th five year plan 2012-17, there is a proposal to purchase 17 new vehicles along with creation of post of drivers in a phased manner for the district Head quarters. Three existing posts of drivers are also to be continued during that year 2017-2018.

Continuation of one post of Accupressurist in Haryana Bhawan, New Delhi.

An amount of ₹ 2.04 lakh has been kept as token money under this scheme is meant for salary of one post of Accupressurist.

Establishment of Specialized Therapy Centre of AYUSH in PGIMS, Rohtak .

Government of India (GOI) is laying lot of emphasis on AYUSH with Indian Systems of medicines. Under NRHM, GOI has started a component of mainstreaming of AYUSH where in AYUSH services are being provided to people under one roof in all District Hospital, CHC and PHCs.

In lines with this, in 2013, Govt of India sanctioned establishment specialized therapy center of AYUSH in PGIMS, Rohtak. The posts created under this scheme are to be continued in the Annual Plan 2017-18.

An outlay of ₹ 30.00 lakh has been kept under this component.

Establishment of Specialised Therapy Centre of Ayush in Sector-9, Panchkula.

In Panchkula, Panchkarma facilities have been set up in Govt. Ayurvedic Dispensary, Sector-9 to provide better Health facilities to the people of Panchkula town and surrounding areas. In this centre, Panchkarma therapies are being used to treat patients suffering from chronic diseases. The posts of Panchkarma Specialist, Panchkarma Therapist, Kitchen Assistants and other staff created in the year 2015-16 for this centre are to be continued during the year 2017-18.

An outlay of ₹ 62.15 lakh has been kept under this component that includes salaries of the staff, equipment & furniture, medicines and minor renovation works as well in the therapy centre.

Information Technology Computerization IT

A provision under Information Technology component an amount of ₹ 90,00,000 /- will be required to continue this scheme during the year 2017-18.

A sum of ₹ 4,00,00,000/- is being provided under this scheme for the year 2017-18

(4)

Code No.	1-1-3133-2210-02-102-99-51
Name of the Scheme	Opening/Continuation of Homoeopathy Dispensaries for the year 2017-18.
Outlay	₹ 75,00,000 /-

AYUSH dispensaries are very popular amongst masses . The staff posted in these dispensaries are also fully involved in all the National and State Health Programmes. Now it is the policy of the Government of India to utilize the infrastructure of AYUSH at large for the Primary Health Care, R.C.H. and other National Health Programmes. The Government is receiving more and more demands to open Homoeopathic dispensaries in the Haryana state. It is, therefore, proposed for the continuation of 2 Homoeopathic dispensaries (Jatt Dharamshala, Kurukshetra and Civil Hospital, Rohtak) during the year 2017-18.

A sum of ₹ 75,00,000 /- is being provided under this scheme for the year 2017-18

(5)

Code No.	1-1-3043-2210-04-101-94-51
Name of the Scheme	Grant-in-aid to various Institutions/ Gram Panchayats
Outlay	₹ 1,05,00,000

A provision under this scheme an amount of ₹ 1,05,00,000 /- will be required to continue this scheme during the year 2017-18. The following autonomous organizations are functioning under this scheme:-

- The Council of Homoeopathic Systems of Medicine, Haryana, Panchkula.
- The Board of Ayurvedic/Unani Systems of Medicine, Haryana, Panchkula.

The Board and Council have no regular source of income and have to depend upon the Government to pay salary of the staff and other day to day expenditure.

A sum of ₹ 1,05,00,000/-is being provided under this scheme for the financial year 2017-2018.

(6)

Code No.	1-1-3098-2210-04-101-90-51NA
Name of the Scheme	Health Awareness through ISM & H through fairs with Medical Camps.
Outlay	₹ 2,50,00,000/-

ISM&H has important role in the Health Care Delivery System due to its positive preventive and curative aspects for the healthy life of the masses. Accordingly, there is a need to distribute

IEC material of AYUSH to the masses through Fairs and Medical Camps in the rural areas besides special medical relief to the aged and needy persons. National Health Programmes like Family Welfare, AIDS, Blindness, Malaria, RCH, MCH etc. will also be propagated in these proposed Fairs.

Therefore, medicine, IEC material and office contingencies will be required for this purpose. A sum of ₹ 2,50,00,000/- is required to continue this scheme for the financial year 2017-2018

(7)

Code No.	1-1-3148-2210-04-101-86-51
Name of the Scheme	Strengthening of Ayurvedic/Unani/Homeopathic Dispensaries/Prathmic Swasthya Kendra and Special Medicine for Women, Children and aged person
Outlay	₹ 7,85,00,000 /-

Under this scheme the following components has been implemented during the year 2017-18.
Opening/Continuation of Ayurvedic Dispensaries:-

AYUSH Medicines are getting amongst masses due to adverse effect of Allopathic medicines. The staff posted in these institutions are also fully involved in all the National and State Health Programmes. Ayurvedic/Unnai/ Homeopathic Dispensaries are so much acceptable to the people of the State that the Govt. is receiving more and more demands to open Ayurvedic Dispensaries in the State. 29 dispensaries already functioning under this component will continue operations.

Improvement of existing Ayurvedic/Unani/ Homoeopathic dispensaries - Special Medicine for Women, Children and Aged.

At present approximately 539 Govt. institutions of AYUSH are working in the Haryana State. Most of these institutions are functioning in remote rural areas. Where patients can get medicines of general ailments free of cost. Most of the deliveries in rural areas are non institutional in nature. In some cases, mother and infants require immediate medical care. To provide proper and timely medical care to women, new born children/ aged and other such as accidental and incidental cases, this scheme was included in the 9th Five year plan and is being continued through 12th Five Year Plan. Medicines are procured under this scheme for Govt. Ayurvedic Homeo and Unani dispensaries.

Supply of laboratory equipment/furniture for ISM&H institutions.

In the rural areas where Ayurvedic/Unani/Homoeopathic dispensaries are located, there is usually no Primary Health Centre or any Pathological Laboratory for testing blood, urine etc. Therefore, it is proposed that the basic minimum diagnostic facilities and basic minimum furniture as essential is to be given to each dispensary.

Up-gradation of Ayurvedic dispensaries into Ayurvedic Prathmic Swasthya Kendras(APSK):-

At present 6 Ayurvedic Prathmic Swasthya Kendras are functioning in Haryana State. There is a provision of one MPHWS each in the upgraded dispensaries into PSKs. Besides other staff, these 6 posts of MPHWS of these PSKs will be continued under this component in the Annual Plan 2017-18.

A sum of ₹ 7,85,00,000/- is required to continue this scheme for the financial year 2017-2018

(8)

Code No.	1-1-3150-2210-05-101-88-51
Name of the Scheme	Continuation/improvement of Govt. Ayurvedic College/Govt. Ayurvedic Pharmacy/Drug Testing Laboratory, Kurukshetra and ISM&R Institute
Outlay	₹ 9,00,00,000/-

An outlay of ₹ 9,00,00,000/- has been proposed to continue this scheme during the Financial Year 2017-18.

A sum of ₹ 9,00,00,000/- is required to continue this scheme for the financial year 2017-2018.

(9)

Code No.	1-1-3163-4210-03-101-98-51
Name of the Scheme	Construction of Building of Government Institute of ISM&R Panchkula and Directorate of Ayurveda in the Campus of Institute.
Outlay	₹ 1,00,00,000 /-

Institute of Indian systems of medicine and research Panchkula was being run by the council of Indian System of Medicine and Research Panchkula and assistance was being provided by State Govt. to the Council because Council did not have the source of income and the institute was fully dependent on Govt. Therefore Govt. has taken over this institute from council w.e.f 1.1.2000. At present 4 huts OPD block Tubewell and open an auditorium exists. It is proposed to provide meditation centre & conference hall in the IISM&R campus with State of Art AYUSH blocks.

Improvement of Shri Krishna Government Ayurvedic College/Hospital, Kurukshetra and construction of building for this college/hospital:-

Shri Krishna Govt. Ayurvedic College & Hospital, Kurukshetra is being run by the State Government. The campus of college and Hospital is located in 23 Acres of land. The college and hostel started functioning in the year 1989. This component basically includes salaries of the college and hospital staff and faculty.

Establishment of Govt. Ayurvedic Pharmacy:-

At present there is no State Ayurvedic Pharmacy in the Haryana State and all the medicines for AYUSH institutions are being purchased from Central and State Public Sector Pharmacies operating in other states. The Government of India has directed all the States to establish Government Ayurvedic Pharmacy in their States. The Government of India has released ₹ 150.00 lakh to the State Government during the year 2005-2006. (₹ 100.00 lakh) for the construction of building and ₹ 50.00 lakh for the procurement of machinery and equipments. Manpower is to be provided by the State Government to establish and to run the Government Ayurvedic Pharmacy in the campus of Shri Krishna Govt. Ayurvedic College & Hospital, Kurukshetra.

After the establishment of Ayurvedic Pharmacy, a huge amount spent on the purchase of medicine.

Adequate manpower is required to run this pharmacy and the posts are required to be sanctioned accordingly. A token amount of ₹ 48.30 lakh has been kept under this component for the time being.

Setting up of state drug testing laboratory:-

Strict quality control over drugs is very essential for their efficacy and for consumer protection. Indian Systems of Medicine mostly use herbal medicines whose efficacy depends upon the genuineness and freshness of herbs, which necessitates proper scrutiny and certification of crude herbs to ensure that they have active principles in the desired proportion. Similarly the herbal formulations also need to be tested for the ingredients claimed to have been put in the formulations. The pharmacopoeia Laboratory for Indian Medicines located at Ghaziabad has laid down standard for single drugs and preparations against which testing is needed for certification of genuineness.

To verify the claims of private pharmacies and to give public a fair evaluation of contents and potency of the drugs in questions, a well equipped drug testing laboratory is essential. Certification will also help in exports and greater acceptability of not only AYUSH drugs but also the systems themselves. Existence of such unit would also discipline self-proclaimed physicians and shadowy pharmacies by making available facility to scrutinize their prescription at random. The Government of India has directed to setup drug testing laboratory in each State. The Government of India released Central Assistance of ₹100.00 lakh during the year 2005-2006 for establishment of State Drug Testing Laboratory (₹ 50.00 lakh for construction of building, ₹ 30.00 lakh for instruments and equipments and ₹ 20.00 lakh for manpower).

Adequate staff is required to run the drug testing lab as per proposed SNE. For the time being a token amount of ₹ 61.93 lakh has been kept under this component till the staff proposed is sanctioned by the Govt.

A sum of ₹ 1,00,00,000 /-is required to continue this scheme for the financial year 2017-18.

**PUBLIC HEALTH ENGINEERING
EXPLANATORY MEMORANDUM OF PLAN SCHEMES
PART-I STATE PLAN SCHEMES
(1)**

Code : 1-1-3362-2215-01-003-99-51
Name of the Scheme : Information, Education and Communication Activities
Outlay : ₹1,00,00,000/-

The policy of the State Govt. can be implemented successfully with the involvement of the public at large. It has been observed that in the absence of the involvement of the public the implementation or extension of the benefit to the public at large is not up to the mark as projected. Similarly, the personnel implementing the schemes are also required to upgrade their knowledge/skills with the latest fast changing technologies/ methodology.

A provision of ₹1,00,00,000/- has been made for the year 2017-18.

(2)

Code : 1-1-3360-2215-01-101-99-98
Name of the Scheme : Maintenance of Urban W/S and Sewerage-Maintenance Charges
Outlay : ₹30,00,00,000/-

All the towns of the State have been provided with drinking water supply facilities. The maintenance cost for the urban water supply scheme & sewerage is borne by the State government. Part expenditure is incurred from the Plan budget of the department.

A provision of ₹30,00,00,000/- has been made for the year 2017-18.

(3)

Code : 1-1-3353-2215-01-102-97-51
Name of the Scheme : Rural Water Supply Programme
Outlay : ₹50,00,00,000/-

All the villages of the State have been provided with drinking Water Supply facilities. The maintenance cost for the Rural Water Supply Scheme is borne by the State Govt. Part expenditure is incurred from the Plan budget of the department.

A provision of ₹50,00,00,000/- has been made for the year 2017-18.

(4)

Code : 1-2-3364-2215-01-789-99-51
Name of the Scheme : Maintenance of installations created under Indira Gandhi
: Drinking Water Supply Schemes in Rural Areas
Outlay : ₹15,00,00,000/-

The maintenance as well as payment of energy charges is required for upkeep of the installations under maintenance of installations created under Indira Gandhi Drinking Water Supply scheme in rural areas.

A provision of ₹15,00,00,000/- has been made for the year 2017-18.

(5)

Code : 1-2-0000-2215-01-789-98-51
Name of the Scheme : Maintenance of installations created under Indira Gandhi
: Drinking Water Supply Scheme in Urban Areas
Outlay : ₹6,00,00,000/-

The maintenance as well as payment of energy charges is required for upkeep of the installations created under maintenance of installations created under Indira Gandhi of Drinking Water Supply scheme in urban areas.

A provision of ₹6,00,00,000/- has been made for the year 2017-18.

(6)

Code : 1-1-3428-4215-01-101-99-99
Name of the Scheme : Urban Water Supply - Augmentation Water Supply
Outlay : ₹250,00,00,000/-

Although drinking water supply facilities are available in all the towns of the State, but the Status of Water supply is required to be improved further in the towns. This improvement will be done through the following activities.

- (i) Drilling additional tube wells.
- (ii) Augmentation of existing canal based Schemes.
- (iii) Creating new canal based water works.
- (iv) Constructing boosting stations.
- (v) Strengthening of existing distribution system.

For complete the work in the status of drinking water supply facilities, a provision of Rs.183,00,00,000/- has been made in the Budget Estimates 2017-18

A provision of ₹250,00,00,000/- has been made for the year 2017-18.

(7)

Code : 1-1-3421-4215-01-101-94-51
Name of the Scheme : National Capital Region
Outlay : ₹70,00,00,000/-

In order to reduce the stress on Delhi, NCR Planning Board has been assisting the State Government for improvement of the Water Supply and sewerage infrastructure in the towns adjoining the capital. NCR Planning Board assistance has been forthcoming since 2002-03 and the project implemented up to till 31st March, 2005, have been completed 75% of the project cost is to be provide by NCR Planning Board in the shape of loan, whereas 25% of the Project cost is to be provided by the State Government.

A provision of ₹70,00,00,000/- has been made for the year 2017-18.

(8)

Code : 1-1-3405-4215-01-102-93-94
Name of the Scheme : Rural Water Supply (SP) - Augmentation Water Supply
Outlay : ₹280,00,00,000/-

Supply of safe drinking water in the rural areas and improvement of environment is one of the important aspects under Development Programme being implemented by the Public Health Engineering Department. Provision of drinking water Supply is a priority at the national level also. All the 6759 villages were provided with at least one safe source of drinking water up to 31st March, 1992. Thereafter, the focus has been to augment/strengthen the drinking water supply infrastructures in the villages. It is a continuing scheme and a annual plan for 2017-18 amounting to ₹280,00,00,000/- has been approved by State Government.

A provision of ₹280,00,00,000/- has been made for the year 2017-18.

(9)

Code : 1-1-3405-4215-01-102-93-93
Name of the Scheme : Rural Water Supply (SP) - NABARD
Outlay : ₹120,00,00,000/-

In order to accelerate the pace of development work and augmentation of water supply up to 70 LPCD, the Department has soft loan from NABARD. The financial pattern for this project is 85% loan from NABARD and 15% from State resources.

A provision of ₹120,00,00,000/- has been made for the year 2017-18.

(10)

Code : 1-1-3405-4215-01-102-93-92
Name of the Scheme : Rural Water Supply (SP) – Independent Feeders
Outlay : ₹20,00,000/-

Due to erratic power, it is not possible to proved drinking water facilities at the designed norms. In order to ensure regular supply of power particularly for areas where there is acute per shortage, independent feeders are being installed in phased manner as per availability of funds.

A provision of ₹20,00,000/- has been made for the year 2017-18.

(11)

Code : 1-1-0000-4215-01-102-86-51
Name of the Scheme : Compensation for Acquired land for Rural and Urban Water Supply and Sewerage works
Outlay : ₹50,00,00,000/-

The land is acquired for construction of water works, boosting stations, intermediate pumping stations and sewerage treatment plant. Sometimes land enhanced compensation is awarded by various courts. To make this enhanced compensation, the process of preparing separate estimate and sanction of the same from the Government may consume lot of time which resulted into payment of interest on the enhanced compensation. In order to avoid delay in enhanced compensation, provision for making payment of enhanced compensation has been kept in Budget Estimates for the year 2017-18.

A provision of Rs.50,00,00,000/- has been made for the year 2017-18.

(12)

Code : 1-2-3426-4215-01-789-99-51
Name of the Scheme : Water Supply to Scheduled Caste dominated habitation in Urban Area N.A.
Outlay : ₹5,00,00,000/-

To provide water supply to habitations in the Urban Areas having S.C. population and to incur expenditure for new water works, augmentation of water supply schemes etc. in proportion of %age of S.C. population in towns a provision of ₹5,00,00,000/- has been made for the year 2017-18.

(13)

Code : 1-2-3425-4215-01-789-98-51
Name of the Scheme : Water Supply to Scheduled Caste dominated habitation in Rural Area N.A.
Outlay : ₹15,00,00,000/-

To provide water supply to habitations in the Rural Areas having S.C. population and to incur expenditure for new water works, augmentation of water supply schemes etc. in proportion of percentage of S.C. population in towns a provision of Rs.15,00,00,000/- has been made for the year 2017-18.

(14)

Code : 1-2-3445-4215-01-789-97-51
Name of the Scheme : Special Component Plan for Scheduled Castes under NABARD
Outlay : ₹30,00,00,000/-

In order to accelerate the pace of development work and augmentation of water supply up to 70 LPCD, the Department has soft loan from NABARD. The financial pattern for this project is 85% loan from NABARD and 15% from State resources. From the funds under NABARD, provision has been kept for incurring expenditure for Special Component Plan for Schedule Castes.

The expenditure for new water works, augmentation of water supply schemes etc. in villages shall be charged under this head in proportion to S.C. population of village.

A provision of ₹30,00,00,000/- has been made for the year 2017-18.

(15)

Code : 1-2-3444-4215-01-789-96-51
Name of the Scheme : Special Component Plan for Scheduled Castes under Augmentation of Rural Water Supply
Outlay : ₹70,00,00,000/-

It has been decided that 20% of the funds under Rural Augmentation water supply program shall be utilized under SCSP. The expenditure for new water works, augmentation of water supply schemes etc. in villages shall be charged under this head in proportion to S.C. population of village.

For providing water supply to SC dominated habitations in the Rural areas, a provision of ₹70,00,00,000/- has been made for the year 2017-18.

(16)

Code : 1-1-3427-4215-01-799-99-98
Name of the Scheme : Stock - credit to stock
Outlay : ₹5,00,00,000/-

For the purchase of store items required mainly for Mechanical divisions, items cannot be purchased under particular head of programme. Therefore, suspense stock Head has been got created for purchase of material to be kept temporarily in suspense Head for utilization of material on works as per requirement.

A provision of ₹5,00,00,000/- has been made for the year 2017-18.

(17)

Code : 1-3434-4215-01-800-99-51
Name of the Scheme : Institutional strengthening of Public Health Department
Outlay : ₹3,00,00,000/-

As per the policy of State Govt. annual compensatory payment is to be made to the farmers whose land is being acquired by the State Govt. for implementation of various schemes for the benefit of the Public of the State. Since, the annuity is to be paid for 33 years.

A provision of ₹3,00,00,000/- has been made for the year 2017-18.

(18)

Code : 1-1-3440-4215-01-800-98-51
Name of the Scheme : Annuity of Land Acquired by PHE Department
Outlay : ₹4,00,00,000/-

As per the policy of State Govt. annual compensatory payment is to be made to the farmers whose land is being acquired by the State Govt. for implementation of various schemes for the benefit of the Public of the State. Since, the annuity is to be paid for 33 years.

A provision of Rs.4,00,00,000/- has been made for the year 2017-18.

(19)

Code : 1-1-3414-4215-02-101-94-51
Name of the Scheme : Sewerage & Sanitation
Outlay : ₹250,00,00,000/-

The facility of sewerage system needs improvement in various towns of Haryana. To improve the sewerage facilities in the towns and for installation of Sewage Treatment Plants, various development works are under progress or are required to be taken in hand.

A provision of ₹250,00,00,000/- has been made for the year 2017-18.

(20)

Code : 1-2-3441-4215-02-789-99-51
Name of the Scheme : Sewerage facilities to S.C. dominated habitation in Urban Areas
Outlay : ₹9,00,00,000/-

It has been decided that the cost of providing sewerage facilities in various towns can be charged to SCSP in accordance with the percentage of SC population. A provision of ₹9,00,00,000/- has been made for the year 2017-18.

(21)

Code : 1-1-5134- 4711-01-201-98-51
Name of the Scheme : Urban Storm Water drainage Works
Outlay : ₹20,00,00,000/-

There is a problem of drainage of storm water in many areas in the Haryana State. In order to mitigate the storm water drainage problem in these areas, a sum of Rs.20,00,00,000/- has been provided in budget estimate for the year 2017-18.

A provision of ₹20,00,00,000/- has been made for the year 2017-18.

(22)

Code : 2-1-0000-2215-01-102-95-51
Name of the Scheme : Accelerated Rural Water Supply Programme
Outlay : ₹14,80,00,000/-

This is a Central Sponsored Scheme with share of 50:50 (Centre:State). The Public Health Engineering Department is maintaining the Rural Water Supply scheme. For ensuring adequate drinking water supply to the Public, it is imperative to operate the water supply scheme optimally. As per guidelines of Govt. of India 15% of the outlay under Accelerated Rural Water Supply Programme (ARWSP/NRDWP) is to be utilized for operation and maintenance on rural water supply schemes.

A provision of ₹14,80,00,000/- has been made including Central Share of Rs.7,40,00,000/- for the year 2017-18.

(23)

Code : 2-1-0000-2215-01-789-97-51
Name of the Scheme : Operation & Maintenance of installation under NRDWP for SCSP
Outlay : ₹5,20,00,000/-

This is a Central Sponsored Scheme with share of 50:50 (Centre:State). The Accelerated Rural Water Supply programme was launched in the country by the Govt. of India in the year 1977. This programme has been named as NRDWP w.e.f. 01.04.2009. Drinking Water Supply facilities are provided to the problem villages in the State under this Programme. The Central grant proposed under this programme will be utilized for ensuring water supply to the villages where the water allowances has gone down due to various reasons.

The expenditure for maintenance of water supply schemes etc. in villages shall be charged under this head in proportion to S.C. population of village.

A provision of Rs.5,20,00,000/- has been made including Centre Share of Rs.2,60,00,000/- for the year 2017-18.

(24)

Code No. : 2-1-0000-4215-01-102-98-99
Name of the Scheme : Accelerated Rural Water Supply – NRDWP- Coverage Central
Outlay : ₹75,00,00,000/-

The Accelerated Rural Water Supply programme was launched in the country by the Govt. of India in the year 1977. This programme has been named as NRDWP w.e.f. 01.04.2010. Drinking Water Supply facilities are provided to the problem villages in the State under this Programme. The Central grant proposed under this programme will be utilized for ensuring water supply to the villages where the water allowances has gone down due to various reasons. As per revised funding pattern, 50% cost of the project is to be borne by Govt. of India and balance 50% to be borne by the State Govt.

A provision of Rs.75,00,00,000/- has been made including Central Share of Rs.37,50,00,000/- under this scheme for the year 2017-18.

(25)

Code No. : 2-1-0000-4215-01-102-98-97
Name of the Scheme : Accelerated Rural Water Supply –NRDWP- Sustainability (Central)
Outlay : ₹ 12,35,00,000/-

Besides taking up various drinking water supply projects, it is imperative that sustainability of water resources are given due care. The Central grant proposed under this programme will be utilized to provide Sustainable projects for re-charging of depleting ground water table. As per revised funding pattern, 60% cost of the project is to be borne by the Govt. of India and balance 40% to be borne by the State Govt.

A provision of ₹12,35,00,000/- has been made including Central Share of Rs.7,40,00,000/- for the year 2017-18.

(26)

Code No. 2-1-0000-4215-01-102-98-94
Name of the Scheme Accelerated Rural Water Supply – NRDWP- (Support Activities)
Outlay ₹ 8,35,00,000/-

The Central grant proposed under this programme will be utilized to carry out HRD (Human Resource Development and IEC (Information Education & Communication) activities, Training of officials besides carrying out MIS (Management information system) activities. As per revised funding pattern, 60% cost of the Project is to be borne by Govt. of India and balance 40% to be by the State Govt.

A provision of ₹8,35,00,000/- has been made including Central Share of ₹5,00,00,000/- for the year 2017-18.

(27)

Code No. 21-0000-4215-01-102-98-93
Name of the Scheme Accelerated Rural Water Supply – NRDWP- (Water Quality Monitoring & Surveillance WQWS)
Outlay ₹ 5,00,00,000/-

Besides supplying drinking water to inhabitants of the State, it is also essential that safe drinking water is supplied. Effective water quality monitoring and surveillance is required for supplying potable water. Thus to carry out various activities of water quality monitoring and surveillance, provision is required in the Budget estimates for the year 2017-18. As per revised funding pattern, 60% cost of the Project is to be borne by Govt. of India and balance 40% to be by the State Govt.

A provision of ₹5,00,00,000/- has been made including Central Share of Rs.3,00,00,000/- for the year 2017-18.

(28)

Code : 2-1-0000-4215-01-102-98-91
Name of the Scheme : Accelerated Rural Water Supply – NRDWP (National Water Quality Sub Mission on Arsenic and Fluoride)
Outlay : ₹12,00,00,000/-

There are few areas in the State where underground water is not potable due to presence excess Arsenic and Fluoride. For mitigate the problems in such areas, Govt. of India provides 50% assistance so that projects to meet out the demand of such areas are undertaken. As per approved funding pattern, 50% cost of the project is to be borne by the Govt. of India and balance 50% to be borne by the State Govt.

A provision of Rs.12,00,00,000/- has been made including Centre Share of Rs.6,00,00,000/- for the year 2017-18 under this scheme.

(29)

Code No. : 2-1-0000-4215-01-102-96-51
Name of the Scheme : Desert Development Programme.
Outlay : ₹75,00,00,000/-

Under the Desert Development Programme (DDP), the Govt. of India is sanctioning schemes for augmenting the water allowances in villages to 70 IPCD (including requirement for cattle) in 8 Districts of the State namely Hisar, Sirsa, Bhiwani, Rohtak, Fatehabad, Jhajjar, Mahendergarh and Rewari. This programme was launched in the State in February, 1989.

There is acute shortage of drinking water in the DDP areas and the situation has further deteriorated with the shrinkage of the ground water reservoir.

In order to mitigate the drinking water problem in the drought areas, It is proposed to accelerate the pace of work during the year 2017-18. Funds proposed for the year 2017-18 will be utilized for completing the ongoing Schemes. As per revised funding pattern, 60% cost of the Project is to be borne by Govt. of India and balance 40% to be by the State Govt.

A provision of ₹75,00,00,000/- has been made including Central Share of ₹45,00,00,000/- for the year 2017-18 under this scheme.

(30)

Code No. 2-1-0000-4215-01-789-93-51
Name of the Scheme Special Component Plan for Scheduled Castes under NRDWP
Outlay ₹30,20,00,000/-

The Accelerated Rural Water Supply programme was launched in the country by the Govt. of India in the year 1977. 100% grants are made available for providing. This programme has been named as NRDWP w. e. f. 01.04.2009. Drinking Water Supply facilities are provided to the problem villages in the State under this Programme. The Central grant proposed under this programme will be utilized for ensuring water supply to the villages where the water allowances has gone down due to various reasons. The expenditure for new water works, augmentation of water supply schemes etc. in villages shall be charged under this head in proportion to S.C. population of village. As per revised funding pattern, 50% cost of the project is to be borne by Govt. of India and balance 50% to be borne by the State Govt.

A provision of Rs.30,20,00,000/- has been made including Central Share of Rs.15,10,00,000/- under this scheme for the year 2017-18 under this scheme.

(31)

Code No. 2-1-0000-4215-01-789-92-51
Name of the Scheme Special Component Plan for Scheduled Castes under DDP
Outlay ₹25,00,00,000/-

Under the Desert Development Programme (DDP), the Govt. of India is sanctioning schemes for augmenting the water allowances in villages to 70 IPCD (including requirement for cattle) in 8 Districts of the State namely Hisar, Sirsa, Bhiwani, Rohtak, Fatehabad, Jhajjar, Mahendergarh and Rewari. This programme was launched in the State in February, 1989. There is acute shortage of drinking water in the DDP areas and the situation has further deteriorated with the shrinkage of the ground water reservoir. The expenditure of new water works, augmentation of water supply schemes etc. in villages shall be charged under this head in proportion to S.C. population of village. As per revised funding pattern, 60% cost of the Project is to be borne by Govt. of India and balance 40% to be by the State Govt.

A provision of ₹25,00,00,000/- has been made including Central Share of ₹15,00,00,000/- for the year 2017-18 under this scheme.

(32)

Code No. : 2-2-3448-4215-01-789-91-51
Name of the Scheme : Special Component Plan for Scheduled Castes under NRCP
Outlay : ₹92,00,000/-

The Government of India has administratively approved projects costing Rs.217.87 crore under National River Conservation Plan (NRCP) for Panipat and Sonapat Towns. As per approved funding pattern, 70 % cost of the project is to be borne by Government of India and the balance 30 % by the State Government.

This project purposed is to provide interception & Diversion of sewers and other related work in six towns of Yamuna Nagar-Jagadhri, Karnal, Panipat, Sonipat, Gurgaon and Faridabad under National River Conservation Plan (NRCP).

The expenditure of new water works, augmentation of water supply schemes etc. in villages shall be charged under this head in proportion to S.C population of village.

A provision of ₹92,00,000/- has been made for the year 2017-18.

(33)

Code No. 2-1-3439-4215-02-101-90-51
Name of the Scheme National River Conservation Plan
Outlay ₹35,50,00,000/-

The Government of India has administratively approved projects costing ₹217.87 crore under National River Conservation Plan (NRCP) for Panipat & Sonipat Towns. As per approved

funding pattern, 70% cost of the project is to be borne by GOI and the balance 30% by the State Government.

The share of Government of India will be ₹.152.61 crore and that of the Government of Haryana will be Rs.65.36 crore. For this purpose provision of ₹35,50,00,000/- has been kept in the State plan as State share and ₹10,00,00,000/- for Central Plan during the year 2017-18.

This project purposed is to provide interception & Diversion of Sewers and other related works in six towns of Yamuna Nagar-Jagadhri, Karnal, Panipat, Sonapat, Gurgaon, and Faridabad under National River Conservation Plan (NRCP).

A provision of ₹35,50,00,000/- has been made including Central Share of Rs.25,50,00,000/- for the year 2017-18.

PART-III Central Scheme (Sharing Basis)

(34)

Code No.	3-1-0000-4215-01-102-85-51
Name of the Scheme	Installation of Community Water Purification Plants under NITI Ayog.
Outlay	₹ 2,66,00,000/-

Govt. of India, NITI Ayog has proposed to release the assistance for taking up the work of Installation of Community Water Purification Plants. The assistance proposed by NITI Ayog is not part of National Rural Drinking Water Programme. Thus, to carry out various activities regarding Installation of Community Water Purification Plants, a provision of Rs.2,66,00,000/- has been made for the year 2017-18 under this scheme.

**Urban Development
Part-I State Schemes**

(1)

Code No. : 1-1-3783-2217-80-191-96-51
Name of Scheme : **Contribution to Local Bodies from the proceeds of Stamp Duty to Municipal Corporation.**
Outlay : ₹ 4,84,00,00,000/-

This is a continued State Scheme for strengthening the financial position of Urban Local Bodies. It is released of 2% Stamp Duty collected by Revenue Department on behalf of MCs for transfer of immovable properties.

An outlay of ₹ 4,84,00,00,000/- has been provided under this scheme for the year 2017-2018.

(2)

Code No. : 1-1-3761-2217-80-192-98-51
Name of Scheme : **Strengthening of Fire Services**
Outlay : ₹ 35,00,00,000/-

This is a continued State Scheme for up gradation & strengthening of Fire Services. The overall objectives of the scheme are to up grade and strengthen the existing Fire and Emergency Services in the ULB's and progressively transform the Fire Services into multi-hazard response situations

An outlay of ₹ 35,00,00,000/- has been provided for the year 2017-2018.

(3)

Code No. : 1-1-3780-2217-80-192-97-51
Name of Scheme : **Rajiv Gandhi Shahri Bhagidari Yojna**
Outlay : ₹ 60,00,000/-

This is a continued State Scheme. On the pattern of Matching Grant Scheme in Panchayati Raj Institution in Haryana, Urban Local Bodies Department has launched Shahri Bhagidari Yojna in the name of Rajiv Gandhi Shahri Bhagidari Yojna (RGSBY) with the proposed contribution of State Govt. and Public in the ratio of 60:40.

An outlay of ₹60,00,000/- has been provided in the Budget Estimates 2017-2018.

(4)

Code No. : 1-1-3785-2217-80-192-92-51
Name of Scheme : **Contribution to Local Bodies from the proceeds of Stamp Duty to Municipal Committee/Council.**
Outlay : ₹ 3,14,60,00,000/-

This is a continued State Scheme. for strengthening the financial position of Urban Local Bodies. It is released of 2% Stamp Duty collected by Revenue Department on behalf of MCs for transfer of immovable properties.

An outlay of ₹ 3,14,60,00,000/- has been provided under this scheme for the year 2017-2018.

(5)

Code No. : 1-1-3800-2217-80-192-91-51
Name of Scheme : **Scheme for Up-gradation of Choupals/Community Centres in the Municipalities of the State.**
Outlay : ₹ 8,80,00,000/-

This is a continued State Scheme. The State Government has taken a decision that Choupals/Community Centres may be upgraded in ULB's. Choupals/Community Centres are public locations where members of a community tend to gather for group activities, social support, public information and other purposes. It is difficult for small and medium sized cities to maintain the existing Choupals/Community Centres because of lack of adequate capacity and resources. It has been felt that municipalities needs to be assisted, in terms of resources for creation and upgradation of

Choupals/Community Centres from the State. Choupals/Community Centres are very useful for local residents to hold their social programmes especially for the residents, who cannot afford the marriage palaces.

An outlay of ₹ 8,80,00,000/- has been provided under this scheme for the year 2017-2018.

(6)

Code No. : 1-1-3790-2217-80-192-90-51
Name of Scheme : **Scheme for Compensation of loss of commercial properties of small shopkeepers because of natural disasters.**
Outlay : ₹ 10,00,00,000/-

This is a continued State Scheme. It has been observed that small shop owners, rehriwalas, fadiwalas and khokha/kiosk owners do not have capital investment to restart their business after loss or damage caused due to fire, electrical hazards, flood and other natural calamities. This result in loss of the livelihood once their business is affected due to accidents, natural disasters etc. The following urban properties of Rehri, Fadi and Khokha/Kiosk shall be eligible for compensation:-

Shop up to area of 100 sq. feet for Municipal Corporation, 125 sq. feet for Municipal Council and 150 sq. feet for Municipal Committee,

An outlay of ₹ 10,00,00,000/- is being provided under this scheme for the year 2017-2018.

(7)

Code No. : 1-1-3793-2217-80-789-98-51
Name of Scheme : **Urban Solid Waste Management (SCSP)**
Outlay : ₹ 20,00,00,000/-

This is a continued State Scheme. Solid Waste Management is one of the important obligatory functions of the Urban local bodies. This service is falling short of the desired level resulting in problem of health, sanitation and environmental degradation. With the implementation of the scheme environment of the towns is improving.

An outlay of ₹ 20,00,00,000/- has been provided under this scheme for the year 2017-2018.

(8)

Code No. : 1-1-3774-2217-80-789-94-51
Name of Scheme : **Deen Dayal Upadhaya Sewa Basti Uthaan**
Outlay : ₹ 60,00,00,000/-

This is a continued State Scheme. During the review meeting of SCSP under the chairmanship of Chief Secretary, Haryana, it has been decided that the Urban Local Bodies Department shall propose exclusive scheme for development of Scheduled Castes Basties.

An outlay of ₹ 60,00,00,000/- has been provided for the year 2017-2018.

(9)

Code No. : 1-1-3792-2217-80-789-92-51
Name of Scheme : **Grant- in -aid to Municipalities for SC Component- State Finance Commission devolution.**
Outlay : ₹ 80,00,00,000/-

This is a continued State Scheme for SC Component. In order to strengthen the financial position of the Urban Local Bodies and for the implementation of recommendation of SFC, State Govt. has allocated an amount of ₹ 79,63,00,000/- for the year 2016-2017. The funds allocated under the scheme shall be utilized as per the guidelines of SFC. The allocation of funds to various ULBs in the State under this scheme shall be made as per formula suggested by State Finance Commission.

An outlay of ₹ 80,00,00,000/- is being provided under this scheme for the year 2017-2018.

(10)

Code No. : 1-1-3791-2217-80-789-91-51
Name of Scheme : **Share of Surcharge for SC Component on VAT for Urban Local Bodies**
Outlay : ₹ 5,44,00,00,000/-

This is a continued State Scheme for SC Component on VAT for financing Urban Sanitation/Cleanliness/Solid waste Management/other Civic Infrastructure component distributed amongst the ULBs under Rajiv Gandhi Urban Development Mission Haryana (RGUDMH). The RGUDMH, Haryana will be financed out of 5% surcharge on VAT collected by Excise & Taxation Department to be shared in the ratio of 80:20 amongst ULBs & PRIs respectively.

An outlay of ₹ 5,44,00,00,000/- has been provided for the year 2017-2018.

(11)

Code No. : 1-1-5505-2217-80-789-89-51
Name of Scheme : **Scheme for Up gradation of Choupals/Community Centres in the Municipalities of the State.**
Outlay : ₹ 2,20,00,000/-

This is a continued State Scheme. The State Government had taken a decision that Choupals/Community Centres may be upgraded in ULB's. Choupals/Community Centres are public locations where members of a community tend to gather for group activities, social support, public information and other purposes. It is difficult for small and medium sized cities to maintain the existing Choupals/Community Centres because of lack of adequate capacity and resources. It has been felt that municipalities needs to be assisted in terms of resources for creation and upgradation of Choupals/Community Centres from the State. Choupals/Community Centres are very useful for local residents to hold their social programmes and for the residents, who can not afford the marriage places.

An outlay of ₹ 2,20,00,000/- has been provided under this scheme for the year 2017-2018.

(12)

Code No. : 1-1-3754-2217-80-800-99-51
Name of Scheme : **Grant-in-Aid to Kurukshetra Development Board**
Outlay : ₹ 19,00,00,000 /-

This is a continued State Scheme. The purpose of the scheme is to maintain/develop the historical places in and around Kurukshetra. The development plans include land-scalping, renovation of historical/religious places, sacred and religious tanks and providing facilities to the pilgrims.

An outlay of ₹ 19,00,00,000/- has been provided under this scheme for the year 2017-18.

Code No. : 1-1-3769-2217-80-800-86-99
Name of Scheme : **Urban Solid Waste Management**
Outlay : ₹ 25,00,00,000/-

This is a continued State Scheme. Solid Waste Management is one of the important obligatory functions of the Urban local bodies. This service is falling short of the desired level resulting in problem of health, sanitation and environmental degradation. With the implementation of the scheme environment of the towns is improving.

An outlay ₹ 25,00,00,000/-is being provided under this scheme for the year 2017-2018.

(14)

Code No. : 1-1-3762-2217-80-800-84-51
Name of Scheme : Training Plan for Women Councilors
Outlay : ₹ 25,00,000/-

This is a continued State Scheme. As per 74th Constitutional Amendment, 33% reservation for the women in the office of President/Mayor and Municipal Councils in the Urban Local Bodies has been made. The new entrants are large in number and they have a defined role to play in the affairs of local bodies. Because of lack of knowledge and skill they are unable to contribute in a meaningful way thus training for elected Women Councilors regarding role and responsibility, power and functions is organized under this scheme as recommended by the Haryana Institute of Public Administration. The Government of India has also been requested to provide Grant-in-aid for this training.

An outlay of ₹ 25,00,000/- is being provided in under this scheme for the year 2017-2018.

(15)

(4)

Code No. : 1-1-3808-2220-60-101-97-51

Name of the Scheme : Exhibition

Outlay : ₹ 3,71,00,000/-

Explanation

a) **Financing of the Scheme:** State Scheme.

b) **Object and performance of the scheme from its initiation:**

Object:- This is a continuing scheme. The objective of the Scheme is dissemination of information on various policies, plans, programmes and schemes of the Government and generating mass awareness on social issues by using visual media through exhibitions thematic pavilions and other modes of visual publicity such as hoardings, rear bus boards, strengthening of exhibition and art set up of the department so as to effectively and functionally discharge the responsibilities in this regard.

Performance:- This is an effective medium because for the illiterate rural masses other mediums like reading materials, print medium Pamphlets are less effective.

c) **Targets achieved so far:** The exhibition unit of the department has been putting up exhibitions at the grassroots level and also organizes exhibition at national/ international levels. Publicity through hoardings, rear bus board and display of big size posters etc. is also resorted for generating mass awareness of programmes To acquaint the general public about the policies, programmes and achievements of the Government, the Department organized exhibitions at block and district level regularly. Exhibitions on celebrations of 150th year of First War of India's Independence – 1857, exhibitions on achievements of the State Govt. participation in IITF-09' State level exhibition on Geeta Jayanti - Kurukshetra, Gandhi Jayanti etc., were also arranged. Besides designing of exhibitions, display boards, rear bus boards, designing of publicity material for print media as well as for visual media was undertaken.

d) **Financial and Physical targets for the year 2017-18**

In order to strengthening of exhibitions, art set up and creating facilities for Visual Publicity, thematic pavilions, putting up of hoardings, posters on various programme and policies, schemes of the Government and generating mass awareness on social issues etc. a provision of ₹ 3,71,00,000/- is being made for the year 2017-18.

e) **Benefit of the Scheme:**

Exhibition and thematic pavilions are the most effective medium of visual publicity and have an immense value. These are planned to project Govt. policies and programmes. Exhibitions are helpful not only to promote national integration but also provide an opportunity to disseminate information to the general masses both in rural and urban areas.

(5)

Code No. : 1-1-3809-2220-60-103-98-51
Name of the Scheme : Information Centres
Outlay : ₹ 59,40,00,000/-

Explanation

a) **Financing of the Scheme:** State Scheme.

b) **Object and performance of the scheme from its initiation:**

Object:- This is a continuing scheme. The objective of the Scheme is to evolve effective strategy for mass communication, requirements of the Govt. departments and various organization both for print and electronic media by modern technological interventions and strengthening press information service in terms of man, machine and material so that public relations exercise becomes two way process of communication between the Govt. and public through publicity, feedback, training, research and development.

Performance:- By strengthening of press information service there has been a remarkable improvement in acceptability of Govt. programme and schemes. The output in terms of news coverage, display messages, remedial measures based on feedback and P.R. deliverables by engaging professionals and image building by facilitating media persons, communications supported by research and reference service has been phenomenal. Under this Scheme use of I.T. tools in the department has improved functioning and delivery of the various services.

c) **Targets achieved so far:** The targets achieved under this scheme both physical and financial were as per accepted levels and achieved set forth so far. Special print media advertisements and electronic media campaigns were carried out on different occasions besides special advertisement campaigns on Independence Day, Haryana Day, Celebrations of 150th years of First War of India's Independence-1857, Gandhi Jayanti and other important occasions

WELFARE OF SCHEDULED CASTES AND BACKWARD CLASSES.

(1)

Code No. 1-1-0752-2225-01-001-99-99
Name of Scheme Head Quarter Staff -Information Technology
Outlay ₹ 100,00,000/-

The Niti Ayog , Govt. of India, had desired that 2-3% of total outlay should be earmarked for Information & Technology sector. In view of the above observation, Welfare of Scheduled Castes and Backward Classes Department has agreed to earmark 2% of the total outlay for IT Sector for computerization.

An amount of ₹ 100,00,000/- is being provided under this scheme for the year 2017-2018.

(2)

Code No. 1-1-0752-2225-01-001-99-98
Name of Scheme Head Quarter Staff Establishment Expenses
Outlay ₹ 15,00,000/-

Since the Department of Welfare of Scheduled Castes and Backward Classes is the nodal department for formulation of Special Component for Sch. Castes. Hence for the monitoring, it is proposed to create monitoring cell at the Headquarter. A provision of ₹ 15,00,000/- is being provided under this scheme for the year 2017-2018.

(3)

Code No. 1-1-0804-2225-01-102-97-51
Name of Scheme District Staff
Outlay ₹ 2,00,00,000/-

The aim of the scheme is to enable Scheduled Caste Widows/girls/destitute women for self employment. A stipend of ₹ 100/- P.M. and raw material costing ₹ 150/- per month per trainee is given to a trainee for getting training from the nearest Kalyan Kendar run by this department. After completion of one year course, each widow/girl/destitute women is given a new sewing machine to earn her livelihood. The department has trained 130,500 Sch. Castes widows/destitute women/girls upto 2015-2016 and 2500 trainees are likely to be benefited during 2017-2018. Hence, an amount of ₹ 2,00,00,000/- is being provided under this scheme for the 2017-2018.

(4)

Code No. 1-1-0759-2225-01-277-88-51
Name of Scheme Financial Assistance for higher Competitive Entrance Examination for Scheduled Caste students.
Outlay ₹ 6,00,00,000/-

Under this scheme, financial assistance upto ₹ 10,000/- is given to Scheduled Caste/Backward Classes candidates for availing postal/class room coaching for Civil and other higher services examination to be conducted by various recruiting agency of State and Central Government from private reputed institutions. Besides this, financial assistance for personal/postal coaching in private institutions for pre-entrance examination in Medical and Engineering college is also provided. Under this scheme, 700 candidates will be benefited during 2017-2018.

Hence, an amount of ₹ 6,00,00,000/- is being provided under this scheme for the year 2017-2018.

(5)

Code No. 1-1-0811-2225-01-277-77-51
Name of Scheme Dr.Ambedkar Medhavi Chhatar Yojna.
Outlay ₹ 40,00,00,000/-

To encourage the meritorious Scheduled Castes and Backward Classes students for higher education, a new scheme known as "Dr.Ambedkar Medhavi Chhatar Yojna" will be started on the pattern of Himachal Pradesh Govt. Under this scheme, 5000 Scheduled Castes (Block A & B) and 1000 Backward Classes (Block'A') and 750 Backward Classes (Block B) students who secure 60% or more marks in 10th Class were being given scholarship @ ₹ 1000/-p.m. for ten months in 10+1 and 1st year of Polytechnic/ITI diploma courses. The students were also renewed scholarship in 10+2 and 2nd year of diploma courses. The scope of this scheme has been enhanced from the year 2009-10 and the scholarship is being given at different rates for different classes/courses. Hence an amount of ₹40,00,00,000/- is being provided under this scheme for the year 2017-2018.

(6)

Code No. 1-1-0816-2225-01-277-73-51
Name of Scheme Upgradation of the typing and data entry skill of the SC/BC unemployed youth through computer.
Outlay ₹ 1,50,00,000/-

Now a days in the era of Computer Science & Technology it is very much necessary for every youth to have a good knowledge of computer. Thus keeping in view this fact a new scheme known as up gradation of the typing and data entry skill of the SC/BC unemployed youth through computer will be started for this purpose to enable the Scheduled Caste and Backward Class unemployed youths to earn their livelihood after getting training of computer. According to this scheme, ₹ 250/- p.m. as scholarship will be given to each trainee during the training period.280 students would be covered every year under the scheme.

Hence, a sum of ₹ 1,50,00,000/- is being provided under this scheme for the year 2017-18.

(7)

Code No. 1-1-0820-2225-01-277-72-51
Name of Scheme Research & studies.
Outlay ₹ 30,00,000/-

Under this scheme the funds are provided for research & studies for knowing the impact of various schemes being implemented by the Department of Welfare of Scheduled Castes and Backward Classes as no survey is conducted by the Census Department regarding Backward Classes and Denotified Tribes and no provision of funds have been made for this purpose in the state plan. Hence it is proposed to create a head and provide funds for this purpose.

Hence, a sum of ₹ 30,00,000/- is being provided under this scheme for the year 2017-18.

(8)

Code No. 1-1-0762-2225-01-283-99-51
Name of Scheme Housing scheme for Scheduled Classes.
Outlay ₹ 34,50,00,000/-

(11)

Code No. 1-1-0813-2225-01-800-83-51
Name of Scheme Administrative Subsidy to Haryana Scheduled Castes Finance and Development Corporation.

Outlay ₹ 18,49,00,000/-

The Haryana Scheduled Castes Finance and Development Corporation was established in 1971 with an authorized share capital of ₹ 2.00 crore which was further enhanced from time to time and now it is ₹ 80.00 crore.

The Govt. of India started participating towards the Share Capital of this Corporation since 1978-79 onwards in the ratio of 49% beside Special Central Assistance. The remaining 51% is being contributed by the State Govt.

At present no grant for administrative expenditure is being given to the Corporation by the State Govt. whereas the annual administrative cost of Haryana Schedule Castes Finance and Development Corporation is approximately ₹ 333.00 lakhs P.A. Previously this expenditure was being met out from the resources of income of the Corporation such as interest from Loanees on margin money, interest on deposit, interest from loan to employees, 3% administrative subsidy out of SCA etc. Now the interest on deposit at present has been reduced from 12% to 5%p.a. In order to fill up this gap, it is proposed to provide 4% of the cumulative paid up share capital as subsidy for administrative expenses to Haryana Scheduled Castes Finance and Development Corporation. Hence, an amount of ₹ 18,49,00,000/-is being provided under this scheme for the year 2017-2018.

(12)

Code No. 1-1-0812-2225-01-800-82-51

LABOUR

EXPLANATORY MEMORANDUM OF SCHEMES

(1)

Code No.	:	1-1-3903-2230-01-102-98-51
Name of the Scheme	:	Strengthening of Safety and Health Inspection System in the Factories.
Outlay	:	₹ 4,00,000/-

Industrial Hygiene Laboratory has been functioning at Faridabad and Gurgaon since 1984. The purpose of this laboratory is to regulate and monitor the working environment in the factories so that the health of workers is not adversely affected. During the year 2017-18 approximate 400 Chemical & Hazardous Factories were inspected.

In addition to the above, various provisions of the Factory Act, 1948 relating to safety and health of workers in factories are implemented through inspections, guidance and advice to the factory Management so that the accidents are prevented. There are 11500 registered factories in which 755133 workers are working in the State. About 2500 factories have been inspected so far and remedial measures have been suggested where irregularities were noticed. It is proposed to inspect 500 factories during the year 2017-18.

Hence, a provision of ₹ 4,00,000/- is being made for the year 2017-18 under this scheme.

(2)

Code No.	:	1-1-3949-2230-01-102-93-51
Name of the scheme	:	Providing of Mobile vans for facilitation of the health care of workers working in factories
Outlay	:	₹ 30,00,000/-

The Haryana is one of the most industrialized states in the country, particularly in the field of chemicals, petrochemicals, hydro carbons pharmaceuticals, fertilizers, textiles etc. The total number of registered factories are approx. 11500 & approx. 800000 workers are employed in factories. In the State of Haryana approx. 1700 Brick kilns and 400 Rice Sheller's are carrying out the manufacturing processes and the total number of workers employed in these processes is approx. 1,85,000/-.

As most of the hazardous factories are located outside the municipals limits where public transport system is not available, a mobile van equipped with necessary equipments is required for medical examination of the workers, sampling of the work places, monitoring of the provisions of the Factories Act, 1948 and rules framed there under and advising the managements for remedial measures to be taken for their control within permissible limits, as prescribed under the Acts. It will also be a social service to the proper labourers and will prove to be a good welfare measure.

Regular camps will also be held for medical examination of the workers for diagnosing the occupational diseases at the initial stage, so that proper advice and guidance could be given for their treatment and the remedial measures could be advised to the management.

To achieve these objectives five mobile vans are needed and total expenditure of these mobile vans during the year 2016-17 would be to the tune of Rs. 22.00 lacs.

Hence, a provision of ₹ 30,00,000/- is being made for the year 2017-18 under this scheme.

(3)

Code No. : 1-1-3948-2230-01-102-92-51
Name of the scheme : Establishing two industrial hygiene laboratories (IHL) at Gurgaon and Faridabad
Outlay : ₹ 40,00,000/-

Haryana is one of the most industrialized state in the country, particularly in the fields of automobiles, chemicals, petrochemicals, hydro carbons, pharmaceuticals, fertilizers, textiles, engineering agriculture etc. Total Number of registered factories are approx. 11,500 & establishments under Building & Other Construction Workers Act (BOCW Act) are approx. 2000 in Haryana State. In above said industries about 8 lacs workers are employed in factories & around 450000 workers are employed in construction activities.

At present, the posts of two Deputy Directors, Industrial Health, five Assistant Directors Industrial Safety & Health (Chemical) and five Assistant Directors, Industrial Health-cum-Certifying Surgeons are sanctioned in the State. They are assigned the duties of inspection of hazardous factories and enforce the Safety, Health and welfare provisions under the Factories Act, 1948 & B.O.C.W. Act, 1996 and rules framed there-under. The department does not have any equipment for the analysis, facilities to take samples of effluents & pollutants in the air inside the factory premises and let them, instruments to carryout medical examination of the workers for detecting the occupational diseases like silicosis, byssinosis, baggiosis, asbestosis etc. for proving the observations in the court of law as well as suggesting their remedial measures on the basis of their results. Though an Industrial Hygiene Lab at Faridabad was provided in the eighties but with the increase in pace of industrialization & various new chemicals in manufacturing processes, these equipments are now outdated or obsolete, so there is a necessity of new sensitive & specialized instruments & equipments for the monitoring of the health of workers, so that they can be protected from the occupational diseases.

The two districts of Haryana i.e. Gurgaon & Faridabad have the maximum industrial development & about 2,50,000 workers are engaged in the various manufacturing & construction activities. To monitor the health status of the workers in the different industries it is necessary to have a good coverage.

- The main work of the IHL will be to inspect the working environment for checking its suitability for workers.
- IHL is required to have different kinds of the measuring instruments which will measure the air borne concentration of the air contaminants.
- The IHL shall also be provided with the analytical instruments for the analysis of the different contaminants collected during the field visits to the industrial organization.
- All the instruments required will be helpful in the collection of the different samples of the chemical contaminants as well as the other measurements of the physical hazards like that of the noise, vibration and the radiation.

The objectives of the scheme are as follows:-

1. Detections and control of Occupational diseases such as silicosis, byssinosis, baggiosis, asbestosis etc.
2. To co-relate the work environment and diseases.
3. Awareness and education in workers about occupational diseases.
4. Early diagnosis, isolation of the workers and prevention of the occupational diseases. This early diagnosis is very important in detection of the occupational diseases as this can give the further remedial measures for the diseases.

Hence, a budget provision of ₹ 40,00,000/- has been made for the year 2017-18 under this scheme.

(4)

Code No. : **1-1-3904-2230-01-113-98-98**
Name of the scheme : **Setting up of a Child Labour Cell for implementation of National Programme of Elimination of Child Labour**
Outlay : **₹ 9,50,000/-**

This is a continuing State Scheme, wholly financed by the State Government. The elimination of Child Labour is becoming increasingly fundamental thrust of the State Govt. along with over-all healthy development of children in the State. To achieve these goals an exhaustive State Action Plan for the Child was prepared by the Department of Women and Child Development. This action Plan on Child Labour is being implemented by the Labour Department. With the rapid growth of spectrum of industry in the State, the Labour Department is to be equipped with the infrastructure and manpower to monitor and gradually prevent the employment of Child Labour in any occupation whatsoever.

In the Child Labour Cell, the field functionaries conduct survey and detect Child Labour engaged in the establishments and also implement the provisions of Child Labour (Prohibition and Regulation) Act, 1986. An Officer of the rank of Deputy Labour Commissioner along-with supporting staff, monitors and co-ordinates the work at Headquarter and also looks-after the work of data collection and tabulation.

Expenditure of ₹9.50 lacs is required for advertisement of child labour and bonded labour campaign and for the purchase of Photostat-cum- printer machine.

Hence, a budget provision of ₹ 9,50,000/- has been made for the year 2017-18 under this scheme.

(5)

Code No. : **1- 1-3946-2230-01-113-97-51**
Name of the scheme : **Rehabilitation of Destitute and Migrant Child Labour**
Outlay : **₹ 70,00,000/-**

The Government had approved the setting up of Rehabilitation Centre for Faridabad, Panipat and Yamuna Nagar. These centers have already started functioning w.e.f. 14.11.08 and have aroused a very positive response.

It may be recalled that the concept of such rehabilitation centers was created in response to urgency to address the needs of destitute child labour detected during the survey under the National Child Labour Projects as also during surprise checking on the subject. The concept has been received very well, therefore, it is proposed as follows:

1. That the current rehabilitation centers allocated for Faridabad, Panipat and Yamuna Nagar may be extended in the Plan for the year 2010-11 also with the same plan outlay i.e. ₹ 1,15,30,000/- (original minus allocation for furniture)
2. Three new Rehabilitation centers may be established in Gurgaon, Rohtak & Hisar. The setting up of these centers is justified for the simple reason that Gurgaon is already covered by National Child Labour Project which has to be supported with a rehabilitation center. Hisar has the largest automobile market where child labour both local and migrant, is commonly detected, therefore, there is an urgent need for such a center to cater to need of Hisar and other neighboring districts there from. Similarly, Rohtak has a large number of sweet shops and eateries employing child labour; this center will be central to Districts Jhajjar, Sonapat & Bhiwani. The plan outlay for the purpose will be the same for the new centers.

Hence, a provision of ₹70,00,000/- is being made for the year 2017-18 under this scheme.

(6)

Code No. : 1- 1-3953-2230-01-800-99-99-98
Name of the scheme : Computerization of Labour Department (IT and Establishment Expenses)
Outlay : ₹1,65,00,000/-

The Labour Department, Haryana was initially computerized during 2002-03. In the 10th IT-PRISM meeting held on 12.2.2002, it was decided to computerize all the offices at Gurgaon, Faridabad, Panchkula, Panipat and Hisar with Headquarter at Chandigarh so that data pertaining to various labour legislation could be shared on daily/monthly/yearly basis by the concerned Officers. It was also decided that various software to be developed under the guidance of NIC and hiring professionals from HARTRON. This plan was divided into two phases namely purchase of H/W and Software Developed.

In the 12th IT-PRISM meeting held on 24.05.2004, it was decided to computerize all the seven Labour Courts-cum-Industrial Tribunals located at different geographical locations in the State with HQ, so that data pertaining to Industrial Disputes could be shared on daily/monthly/yearly basis by the concerned Offices/Officers. It was also decided that software to be developed under the guidance of NIC and hiring professionals from HARTRON.

All software will be integrated into a single application which will be a centralized solution. The entire field Offices will be connected to the server located at HQs. Through SWAN and all the transactions occurring at field level will get reflected in the central server. The application will be based on REAL TIME, centralized solution to maintain integrity and allow centralized monitoring and access to the data of entire offices of the Department in the State. Thus the system will be a comprehensive solution for the entire computerization of the Department. Further, department is also going to develop various applications which could not be completed in previous phases with the help of HARTRON Professionals.

Hence, a provision of ₹1,65,00,000/- (₹150,00,000/- + ₹15,00,000/-) is being made for the year 2017-18 under this scheme.

(7)

Code No. : 1-1-0864-4250-51-201-97-51
Name of the Scheme : Purchase of plot for Labour Court Complexes.
Outlay : ₹ 2,00,00,000/-

This scheme is proposed to purchase of plot for construction of "Shharam Bhawan" to consolidate to host offices situated at Ambala of Labour department. The purpose to this scheme to provide facilities to laboures, management, employees and trade unions of the factories in the state, under one roof being a compact building. The case for purchase of plot from HUDA at Ambala is under active programmes of department.

An outlay of ₹ 2,00,00,000 has been provided under this scheme for the year 2017-18.

(8)

Code No. : 1-1-0866-4250-51-201-96-51
Name of the Scheme : Construction of Labour Court Complexes.
Outlay : ₹ 3,00,00,000/-

This scheme is proposed to construct Labour court complexes at Gurgaon and Faridabad. The object of this scheme is to construct courts, and office complexes building for providing justice to the workers, management and trade unions of the factories in the state. The committee of judges of Hon'ble Punjab and Haryana High court impressed for the construction of Court Complexes at Gurgaon and Faridabad. The Court complex at Gurgaon has been completed. The total cost of the project is

₹1978 Lacs i.e. for constructions of Court Complexes at Faridabad.

The total rough cost estimate of construction of Labour Court at Gurgaon project was ₹ 936 Lacs. This building has been constructed as six stories for revenue Department & Labour Department. As per decision of the committee of Judges of Punjab and Haryana High court, 3 floors

(3rd to 5th) are to be taken by revenue department & the other 3 floors (ground, 1st & 2nd) by Labour Department. The construction work of Labour Court Complex at Gurgaon has been completed in the year 2012 and same offices of Labour Department including two courts has shifted in that building. Administrative Approval construction of Labour court complex, Faridabad has been issued by Administrative Department and worked of construction is under of process by PWD(B&R) Haryana. The benefit of the scheme is to provide better facilities to workers, management and labour unions of factories by establishing of these courts.

An outlay of ₹ 3,00,00,000 has been provided under this scheme for the year 2017-18 for construction of Labour Courts Complex at Faridabad.

(9)

Code No. : 2- 1-3905-2230-01-112-99-51
Name of the scheme : Rehabilitation of Bonded Labour
Outlay : ₹ 5,00,000/-

This is a sharing basis central scheme. The Bonded Labour System (Abolition) Act, 1976 came into force in the State of Haryana w.e.f. 23.10.1976. It provides for the abolition of bonded labour system to prevent the economic and physical exploitation of weaker sections of the society. Most of the bonded labour, which have been detected, were migratory from far off States and from socially and economically very poor background. They were mostly found on brick kilns. Fifty percent of subsidy under the scheme is given as central assistance and the remaining fifty percent is to be met by the State Govt. As per the scheme of Government of India, a sum of ₹ 20,000/- is given for rehabilitation of bonded labour. Funds are also utilized for the identification of bonded labour through exhaustive survey with the help of NGOs.

There is no reported case of bonded labour in Haryana pending rehabilitation at present and therefore provision of ₹ 2.50 lac only has been proposed towards grant for the year 2016-17 on 50:50 basis. However, extra funds would be sought for rehabilitation of bonded labour as and when detected, if necessary.

The District Magistrates and the Sub Divisional Magistrates are the designated authorities in the said Act ibid for its enforcement. However, the monitoring and evaluation of the implementation of the scheme is done at the level of the Labour Commissioner.

Therefore, a provision of ₹ 5,00,000 /- (₹2,50,000 of State Share and ₹ 2,50,000 of Central Share) is being made for the year 2017-18 under this scheme.

EMPLOYMENT EXCHANGE

(1)

Code No : 1-1-3907-2230-02-101-97
Name of the Scheme : Computerization of Employment Exchange Operations
Outlay : ₹ 35,00,000/-

Computerization shall remain a key factor for successfully carrying out all the activities of the department. In order to create a database and its proper utilization for various purposes, it is of utmost importance that comprehensive computerization is achieved in the department. The main activities of the department viz. registration of job seekers, booking of vacancies and submission of suitable applicants are to be made fully web-enabled. Software regarding employment activities is in final stage of development. The department plans to provide all the services on line through its network of employment exchanges. 39 Employment Exchanges have been computerized and connected through internet and made available on line through the web portal www.hrex.org.

Services like registration of unemployed jobs-seekers, booking of Vacancies submission of applicants as also Vocational Guidance and Career Counseling would be computerized and also made Web-enabled in a phased manner. No income accrues from this scheme. When all the services will be web enabled, it will benefit unemployed youth of the state.

An amount of ₹ 35,00,000/- has been kept under this scheme for the year 2017-2018.

(2)

Code No. : 1-1-3941-2230-02-101-87
Name of the Scheme : Private Placement Consultancy and Recruitment Services (PPC&RSCs)
Outlay : ₹ 2,00,000/-

With the shrinking of job avenues in the Government Departments and the department having no significant role in the matter of Government recruitment, private placement services have been made available in major industrial towns of Gurgaon, Faridabad, Sonapat, Rohtak, Hisar, Panipat, Bahadurgarh and Yamuna Nagar on the pattern of Private Placement Agencies. The staff posted for this purpose have been provided adequate training to facilitate the employer and the applicant. All the services being provided by these calls are on line on website www.haryanajobs.in. The department plans to place applicants in the private sector through these centers.

These centers will provide effective placement services to the employers and the job seekers in the Private Sector.

An amount of ₹ 2,00,000/- has been provided under the scheme for the year 2017-2018.

(3)

Code No. and : 1-1-3940-2230-02-101-86
Name of the Scheme : Overseas Employment Bureau.
Outlay : ₹ 1,00,000/-

In order to cater to the growing demands for skilled and unskilled labour, Technicians, IT professionals, Engineers and Doctors in foreign countries especially in middle-east, the Government has set up an Overseas Placement Bureau in the department of Employment. The office of the Overseas Placement Bureau is at SCO-6, Sector-5, Panchkula. These services are freely available at the website www.opbharyana.com and www.haryanajobs.in. The Bureau tie-up with the various companies abroad and target to send at least one thousand persons abroad on work permits and shall send approximately 300 students to different countries for further studies.

It will facilitate the applicants regarding their placement in the foreign countries.

An amount of ₹ 1,00,000/- has been provided under this scheme for the year 2017-2018.

(4)

Code No. and : **3-1-0000-2230-02-101-85**
Name of the Scheme : **National Career Service Project.**
Outlay : **₹ 23,00,000/-**

This is a 100% Centrally Sponsored Scheme.

Model Career Centre will connect local youth and other job seekers with all possible job opportunities in a transparent and effective manner, through counseling and training. Model Career centre will undertake market sizing exercise to estimate the number of employment opportunities in their area, associated skill requirements, skill training capacity availability etc. Model Career Centre will undertake the job for the candidates. The candidates will be assessed through skill assessment and psychometric test and guided to the right opportunity whether it is for employment, skill training, apprenticeship training, on-the-job training, finishing courses (gap training) etc.

NCS will provide a variety of Employment related services to the job seekers.

An amount of ₹ 23,00,000/- has been provided under this scheme for the year 2017-2018.

SOCIAL JUSTICE & EMPOWERMENT

(1)

Code No. 1-1-4003-2235-02-101-82-51
Name of the Scheme Govt. Institute-cum-Braille Library for the Blind Boys Panipat
Outlay ₹ 3,60,000/-

Govt. Institute-cum-Braille Library for the Blind Boys, Panipat is being run with the aim to provide education and training to such blind children who do not have adequate means for the maintenance, education or training, so as to enable them to become self-sufficient.

Hence, a sum of ₹3,60,000/- is being provided under this scheme for the year 2017-18.

(2)

Code No. 1-1-4046-2235-02-101-74-51
Name of the Scheme Awareness Programme through workshop/ Seminars and conferences
Outlay ₹10,00,000/-

The Person with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 was enacted by Indian Parliament and notified for implementation w.e.f. 7.2.1996. The Government has to ensure the implementation of the said Act, by making necessary institutional arrangements and implementing various programmes for the people with disabilities within the limits of their economic capacity and development. The implementation of the provisions of the Act require a multi-sectoral collaborative approach of all concerned Ministries of the Central Government/State Government and Union Territories and other appropriate authorities.

For the proper implementation of all the provisions of the Act, necessary steps have already been taken in the State of Haryana. To review the progress made under the said Act, and problems faced by the persons with disabilities in getting benefit, co-ordination among various departments, about the points which need special attention of the Government specially Department of Social Justice & Empowerment, Haryana, being the nodal department for PWD Act, 1995 schemes for the welfare of disabled are being implemented through this department. Such as, scholarship to physically differently abled students, unemployment allowance to educated unemployed persons, pension to differently abled persons, blind school for boys and girls, training Centre for Adult Blind. Necessary steps can be taken on the recommendation of the experts in the workshop.

Hence, a sum of ₹10,00,000/- is being provided under this scheme for the year 2017-18.

(3)

Code No. 1-1-4071-2235-02-101-73-51
Name of the Scheme State Level Project/Home for Mentally Handicapped
Outlay ₹ 3,25,00,000/-

In Haryana approximately 4.50 lakh children are mentally handicapped and out of this, more than 50% fall in the category of educable and remaining 50% in the category of trainable group. Through a few special schools are being run by some voluntary organizations. Yet it seems that these are not able to provide full facilities to the mentally handicapped due to financial crunch or due to lack of grant-in-aid from funding agencies. These schools are providing educational facilities and elementary or vocational training to benefit the handicapped of the limited area where these centres are situated. It is also observed that in these centres and mentally retarded are getting benefited and the children who have cerebral palsy (complex, multi-handicapped condition) are not being benefited. These children have number of other major impairment and locomotive disabilities.

To provide full rehabilitation facilities under one roof to the mentally retarded children with cerebral palsy it is essential to set up a State Level Home for Mentally Retarded Children for their over-all development. The service such as psychological palsy educational and vocational training is provided in a barrier free homely and residential atmosphere to the children admitted in the institution by the specialist.

An amount of ₹3,25,00,000/- is being provided under this scheme for the year 2017-18.

(4)

Code No.	1-1-4070-2235-02-101-72-51
Name of the Scheme	Financial assistance to non-school going disabled children Renamed as Financial assistance to non-school going differently abled children.
Outlay	₹ 7,00,00,000/-

Presently Haryana Govt. is providing Financial Assistance in the form of scholarship to such disabled children of state who are below 18 years of age and are getting formal education in different schools, colleges, technical institutions and universities etc. and those disabled persons who are above 18 years of age are being provided financial assistance in the form of Disabled Pension. But there are some mentally retarded children in the age group of 0 to 18 years who are in the category of profound & severely retardation, who are not able to attend formal education, training etc. due to their disability. They are totally dependent on their parents or relatives and need constant supervision and care of their families. Some of them require nursery care also. These children because of their severity of M.R. are looked down upon in society and are also forced to live in deplorable and humiliating environment. Their Parents also some time find it difficult to look after them properly either due to financial difficulties or otherwise. Therefore it is felt imminent that in order to boost the morale of these children as well as provide support to their parents some financial assistance should be given to them for their welfare and respectful up bringing. Keeping this in view a scheme named "Financial Assistance to the Non- School going disabled Children" is conceived aiming at to providing financial assistance. to such parents who cannot send them for formal schooling and boarding of their disabled wards in the age group of below 18 years because of financial constraints or because of the returns of their Mental Retardation.

Eligibility:- Eligibility conditions are as follows:-

- (i) A person having physical disability in the age-group of below 18 years shall be eligible for grant of Assistance.
 - (ii) The applicant should be a domicile of Haryana State and should be residing in Haryana State for the last three years at the time of submission of application. He /She will have to submit domicile proof for this purpose issued by the competent authority.
 - (iii) The applicant's close relatives and parents are not in a financial position to support him/ her and the income of his/ her parents, close relatives or his/ her own income from all sources is less than the income as prescribed under the Minimum Wages Act, i.e. Rs. 3510/- p.m. as in 2008. She/he will have to submit proof of income verified by the competent authority.
 - (iv) The assistance would not be given to such children who are already receiving assistance under the Scholarship, Unemployment Allowance and Disabled Pension Schemes being implemented by the Social Justice & Empowerment Department, Haryana.
 - (v) The applicant should have the following disabilities:-
 - (a) Mental Retardation with I.Q not exceeding 35. Medical Certificate duly issued by the Civil Surgeon will have to be produced for (i) to (v) above.
 - (b) The applicant shall submit proof regarding age of the ward/child in the form of:
 - (i) Birth Certificate issued by the Registrar of Births & Death; or
 - (ii) Affidavit by the applicant attested from the First Class Magistrate;
- OR
- (iii) A certificate from any Gazette Officer of the State/Central

An amount of ₹ 7,00,00,000/- is being provided under this scheme for the year 2017-18.

(5)

Code No.	1-1-4069-2235-02-101-71-51
Name of the Scheme	Establishment of research Centre/Special School and Recreation Centre for the disabled .
Outlay	₹ 1,00,000/-

For setting up Special Recreational Centers for the Persons with Disability, the Panchayat & Development Department, Rural Development Department and HUDA shall allot land to the Municipal Corporation at nominal price, which would further be developed by the institution at their own cost.

Panchayat & Development Department, Rural Development Department and HUDA shall allot land to the societies with firm dedication and established track record of at least 3 years preceding the date of application, in the field of research, for setting up Research Centers for the general welfare of the persons with disability.

It is proposed the State Govt. would provide the accessories/ equipments to the NGOs for running Recreational centre as grant-in-aid especially to the District Red Cross Societies.

An amount of ₹1,00,000/- is being provided under this scheme for the year 2017-18.

(6)

Code No.	1-1-4068-2235-02-101-66-51
Name of the Scheme	Insurance Scheme (NIRMAYA)
Outlay	₹ 25,000/-

The National Trust for the welfare of Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities has introduced a Health Insurance Scheme with the collaboration with ICICI Lombard called "Niramaya" for above four disabilities. The details of the Scheme are as under:

OBJECTIVE

- To provide affordable Health Insurance to Persons with Autism, Cerebral Palsy, Mental Retardation & Multiple Disabilities.
- To encourage health services seeking behavior among persons with disability.
- to improve the general health condition & quality of life of persons with disability.

SCHEME & ITS COVERAGE

The scheme envisages to deliver 'Community based' cover which will

- Have a single premium across age band
- Provide same coverage irrespective of the type of disability
- Insurance cover upto ₹ 1.00 lakh
- All persons with disabilities will be eligible and included and there will be no 'selection'

The Scheme further envisages that there shall be

- No exclusion of Pre-existing condition
- Same cover as that for other persons
- Services ranging from regular Medical Checkup to Hospitalization. Therapy to Corrective Surgery, Transportation
- Conditions requiring repetitive medical intervention as an in-patient
- Pre & Post hospitalization expenses, subject to limits.
- No pre-insurance medical tests
- Cashless settlements only
- Smart/Biometric cards with not only health data but also provision for other (Micro) financial data

The Nodal Agency for implementation of the scheme is M/S Alegion Insurance Broking Ltd., 117, St. EBBA'S Avenue, P.S. Sivasamy Salai, Millipore, Chennai, Ph.No.9789982257, 9789982242.

The Scheme will be implemented through NGO member of LLC of concerned District. The NGO will enroll the beneficiaries and keep the records of the beneficiaries. The beneficiary should be a domicile of Haryana State and should be residing in Haryana State for the last three years at the time of submission of application. He/She will have to submit domicile proof for this purpose issued by the competent authority.

An amount of ₹ 25,000/- is being provided under this scheme for the year 2017-18.

(7)

Code No.	1-1-6001-2235-02-101-64-51
Name of the Scheme	Control of Drug Trafficking and setting up of de-addiction centre in Haryana
Outlay	₹ 50,00,000/-

The prevalence and use of drugs, alcohol and Narcotic Substances has been increasing world wide as well as in the country. The State of Haryana has also been affected by these unhealthy trends. It is commonly felt that consumption of drugs has increased in both urban and rural areas. So far as the State of Haryana is concerned, the use of type of drugs used varies in different parts of the State. The most sufferers of this abuse are the middle class as well the poor, who just for the sake of enjoyment for a short time, do not hesitate to spend their hard-earned money which has resulted in destroying families, and breaking the marriages. Accordingly, in order to get rid of this dreaded problem, a scheme has been framed for treatment of the drug-addicts, their rehabilitation and taking the prevention measures in this regard.

Government of India has formulated a scheme know as Central Sector Scheme of Assistance for Prevention of Alcoholism and Substance (Drugs) Abuse and for Social Defence Services. However, analysis based on reports from field, reveal that there are certain lacunae in the Scheme.

The State has decided to make minimum criteria/benchmarks for various institutions like a Drug De-addiction Centres. The Health Department has laid down a standard. Therefore, it is our endeavor to set up Drug De- addiction Centre based on these standards. It will supplement the Government of India Scheme wherever, it falls short of the standards. This Scheme will aim at (i) setting up new model De-addiction Centres (ii) up gradation the existing institutions by supplementing the funds received from Government of India.

OBJECTIVES:-

The aims and objectives of the scheme for prevention of alcoholism and substance abuse will be same as laid down in Government of India which are as follows:-

- To create awareness about the ill-effects of alcoholism and substance abuse to the individual, the family and the society at large.
- To provide for the whole range of community based services for the identification, motivation, counseling, de-addiction, after care and rehabilitation for Whole Person Recovery(WPR) of addicts;
- To alleviate the consequences of drug and alcohol dependence amongst the individual, the family and society at large;
- To facilitate research, training, documentation and collection of relevant information to strengthen the above mentioned objectives; and
- To support other activities which are in consonance with the mandate of the Ministry of Social Justice & Empowerment in this field.

Approach and Strategy.

- To develop culture-specific models for the prevention of addiction and treatment and rehabilitation of addicts.
- To evolve and provide a whole range of community based services for the identification, motivation, detoxification, counseling, after care and rehabilitation of addicts. To promote community participation and public cooperation in the reduction of demand for dependence-producing substances.
- To promote collective initiatives and self-help endeavors among individuals and groups vulnerable to addiction.
- To establish appropriate linkages between voluntary agencies, working in the field of addiction and government organizations.
- To support activities of non-governmental organizations, working in the areas of prevention of addiction and rehabilitation of addicts.

The State Government is committed not to allow the menace of Drug Abuse to get roots in the State. In the Swarn Jayanti year a massive awareness campaign will be launched with collaboration of the Students of Schools, Colleges & Youth Clubs in the society. The Government has also announced to appreciate the efforts of Individuals, Institutions and Organizations working in this field by conferring State Awards.

An amount of ₹ 50,00,000/- is being provided under this scheme for the year 2017-18.

(8)

Code No. 1-1-6006-2235-02-102-99-51
Name of the Scheme Financial Assistance to Destitute Children
Outlay ₹ 112,76,00,000/-

Under this scheme, a child under 21 years of age who had been deprived of parental support by reason of death, continued absence from the house of his father for the last two years or father/mother had been imprisoned for a period not less than one year or physical or mentally incapacity of parents and whose parents/guardians income does not exceed ₹ 10,000/- p.a. is granted financial assistance @ ₹ 100/- p.m.. per child but not more than two children preferably who are receiving education in a family. (10)

Code No. 1-1-4076-2235-02-104-96-51
Name of the Scheme Issuance of identity cards to senior citizens of Haryana.
Outlay ₹ 10,00,000/-

The aim of the Scheme is to give honour, respect and due recognition to the Senior Citizens in the society. The Government of Haryana is already extending a number of facilities to its senior citizens. In order to avail the benefits under various schemes of Governments, the senior citizens are required to establish their identity. In order to facilitate them, it is felt necessary to give them Identity Cards so that they can easily get the benefits of these schemes.

APPLICATION:-

Under this Scheme, any person of the age of 60 years and above and who is a domicile of State of Haryana is eligible to apply for the issuance of Senior Citizen Identity Card which shall be provided free of cost. In order to facilitate the supply of application forms to the eligible applicants, the prescribed form, as per Annexure `A`, shall be made available by the pension disbursing agencies to the applicants at the time of disbursement of the various Pensions/Allowances. In case any applicant/s fails to come present on the date of disbursement of the pension, then he/she can get the form from the office of Sub Divisional Officer (Civil) / District Social Welfare Officer of their respective areas or it can be downloaded from the web-site of the department i.e. www.socialjusticehry.nic.in.

An amount of ₹ 10,00,000/- is being provided under this scheme for the year 2017-18.

(11)

Code No. 1-1-6003-2235-02-104-94-51
Name of the Scheme State award for older persons
Outlay ₹ 22,00,000/-

The Government of Haryana is making all efforts for providing social security to the senior citizens in the State. The percentage of persons above the age of 60 years among the total population is increasing. The joint family system has completely broken down and there is a marked trend of

withdrawal of family support. It is the need of the hour to create such favourable conditions so that the senior citizen could spend rest of their lives with dignity and also provide the benefit of their long experiences in various fields to the society in general.

An amount of ₹22,00,000/- is being provided under this scheme for the year 2017-18.

(12)

Code No.	1-1-4074-2235-02-104-93-98
Name of the Scheme	Setting up of senior citizens voluntary service association/ network- Establishment Expenses.
Outlay	₹10,00,000/-

Today with the improved life expectancy the demography of the State is also changing because there is an increase in number of persons above the age of 60 years. The population projections for India for the period 1996-2016 made by the Technical Group on Population Projections indicated that 100 million persons will be above the age of 60 years in 2018. Similarly, United Nations had also indicated that there will be 198 million people in 2030 above this age. Today roughly 7-8% of the population in the State is above 60 years of age. Amongst this population group, the majority of the people are in the age group of 60-69 years which can be considered 'as not old.'

The above facts indicate that there is a large human resource available above the age of 60 who are active, creative and can still contribute to the society. These persons have the advantage of rich experience of their lives which can be shared with the society. Normally a kind of vacuum is created on retirement from service or active work leading to frustration and loneliness which has damaging effect not only on the health but also on the psychology of the Senior Citizens as well as the family. Most of the Senior Citizens after retirement feel redundant due to lack of activity. Therefore, it is very necessary to make them feel that they are still important and are required by the society. This can be done by providing them opportunities for maintaining their separate identity and to restore their self-esteem. It is felt that with a positive frame of mind backed by long experience they can continue to be creative contributors to the society. However, most of the people either do not know how to approach NGOs or they do not want to be a part of them. Besides there is no database or any mechanism available to access administration or NGOs.

On the other hand, there is a felt need for experienced and committed people in the various sectors of society, where the rich human resource of senior citizens can be utilized effectively. Various Govt Departments and Local Bodies often require voluntary helping hands to fulfill their objectives aiming to serve the general public especially the poor, helpless & illiterate especially in the field of education, health and civic development.

Keeping in view this background, a scheme for "Promotion of Senior Citizens Voluntary Service Network/Association has been formulated. The main objective of the scheme is to encourage the Senior Citizens to come together to form a net work/association/group for offering voluntary service in each district. This net work will provide a platform to the Senior Citizens to offer their services in an organized manner and on regular basis to the District Administration and the Local Authorities for the socio-economic development of the district. This network/association aims to provide its services to the District Administration/Municipal Committees or any other govt./semi govt. organizations.

An amount of ₹10,00,000/- is being provided under this scheme for the year 2017-18.

(13)

Code No.	1-1-0000-2235-02-104-90-51
Name of the Scheme	Operation of Maintenance and Appellate Tribunals for Senior Citizens
Rules	2009 .
Outlay	₹ 1,00,000/-

In Indian culture high importance is given to providing care and protection for parents and elderly but the virtual disappearance of traditional joint family system has contributed to the challenges faced by elderly. Nowadays they are forced to live alone and are exposed to various kinds of problems such as lack of physical, social, emotional and financial support. To overcome such difficulties and to face new challenges, the Government of India has enacted Maintenance and

Welfare of Parents and Senior Citizens Act, 2007 so as to provide maintenance and protection to parents and senior citizens. The basic objectives of the Act is to provide in-expensive and speedy procedure to claim monthly maintenance for parents and senior citizens. This Act casts obligations on children to maintain their parents/grandparents and also the relative of the senior citizen to maintain such senior citizens.

An amount of ₹1,00,000/- is being provided under this scheme for the year 2017-18.

(14)

(18)

Code No.	1-1-4060-2235-60-102-93-51
Name of the Scheme	Ladli Social Security Pension Scheme for Families having only Girl/Girls Renamed as Ladli (Social Security Pension Scheme)
Outlay	₹ 47,04,00,000/-

To remove the sense of economic insecurity in the mind of parents who have only daughters, a Scheme on the pattern of Old Age Allowance scheme, has been started w.e.f. 1-1-2006. Under this scheme a sum of ₹1600/-per month per family are paid from the 45th birthday of father/mother. As the primary reasons for 'Son preference' is usually the old age protection. In a patriarchal society followed by almost virtual absence of social security and old age support system, the birth of a son is seen as insurance to all the problems related to old age especially the economic security. Since parents hope to live with their sons in their old age as a matter of right as per the recognized Indian family pattern, the girl children as often seen as burden and liability (Paraya Dhan).

2. Eligibility

- Any family where biological single parent/ parents are domicile of Haryana or working for Govt. of Haryana and having no son, biological or adopted, but only daughter/daughters are eligible to get benefit @ `1600/- per month under this scheme w.e.f. 1-11-2016.
- The gross annual income from all sources of the family must not exceed `2,00,000/-to be eligible for getting benefit under this scheme.
- The eligible family will be entitled to receive benefit under this Scheme for a period of 15 years from the date either of the two parents completes 45 years of age. The benefit will be paid to the mother, if surviving. In case the mother is not surviving, the benefit will be paid to the father.
- The scheme will not be restricted to BPL/SC/ST families; it will be open for all sections of the society irrespective of their caste, race, creed, and religion.
- The following persons shall be excluded for grant of benefit under this scheme:-
 - Those who themselves or their children are Income tax/sales tax assesses.
 - Those whose children are Class-I/Class-II Gazetted Officers in the services of the Government or hold equivalent post of public sector undertaking or are employed under a private employer and draw a salary equivalent to that of a Class-II Gazetted Officer.
 - Those whose children are professional i.e. a) Doctor, b) Lawyer,c) Chartered Accountant, d) Income Tax Consultant f) Dental Surgeon, and g) Engineer or Architect, h) Contractor etc. (This is only illustrative and all such professionals of a similar nature may also be included).

(26)

Code No.	1-2-4090-2235-60-789-95-51
Name of the Scheme	Financial assistance to Scheduled Castes families under "Ladli" Social Security Pension Scheme for the families having only girl/girls Renamed Ladli(Social Security Pension Scheme) for SCs.
Outlay	₹ 15,70,00,000/-

To remove the sense of economic insecurity in the mind of parents who have only daughters, a Scheme on the pattern of Old Age Allowance scheme, has been started w.e.f.1-11-2006. Under this scheme a sum of ₹ 1600/-per month per family are paid from the 45th birthday of father/mother. As the primary reasons for 'Son preference' is usually the old age protection. In a patriarchal society followed by almost virtual absence of social security and old age support system, the birth of a son is seen as insurance to all the problems related to old age especially the economic security. Since parents hope to live with their sons in their old age as a matter of right as per the recognized Indian family pattern, the girl children as often seen as burden and liability (Paraya Dhan).

Eligibility

1. Any family where biological single parent/ parents are domicile of Haryana or working for Govt. of Haryana and having no son, biological or adopted but only daughter/daughters are eligible to get benefit under the scheme.
2. The enrolment of families under this scheme will commence from the 45th birthday of the mother or the father whoever is older of the two till their 60th birthday i.e. for 15 years (Thereafter they will be eligible for old age Allowances). In case of the death of either of the parents, the surviving partner will get this benefit (i.e. ₹ 1600/-per month) till he/she turns 60 years.

3. In case of single parent families; the age of the surviving parents will be the deciding factor. Family will start getting the benefit of Rs.500/-per month from the day the surviving parents turns 45 years.
4. The scheme will not be restricted to BPL/SC/ST families; it will be open for all sections of the society irrespective of their caste, race, creed, and religion.
5. The following persons shall be excluded for grant of benefit under this scheme:-
 - a) Those who themselves or their children are Income tax/sales tax assesses.
 - b) Those whose children are Class-I/Class-II Gazetted Officers in the services of the Government or hold equivalent post of public sector undertaking or are employed under a private employer and draw a salary equivalent to that of a Class-II Gazetted Officer.

WOMEN & CHILD DEVELOPMENT

(1)

Code Number 1-1-4006-2235-02-001-97-99
Name of Scheme Staff for headquarter-Information Technology
Outlay ₹ 20,00,000/-

The Directorate of Women & Child Development Haryana plays a Major role to provide a focus on the status of Women and children by launching various schemes. In order to effectively and efficiently pursue the mandate given to the department especially to improve the status of women & children, the department maintains regular coordination with the Govt. of India for release of funds under various schemes and to monitor the schemes effectively and bring transparency in the day to day functioning. Govt. of India has sanctioned 11 new projects so computers and printers are to be provided for these projects. To disseminate information timely to different departments of the State/ Centre Govt. and other agencies, IT for Women & Child Development, Haryana is essential.

The Niti Ayog, Govt. of India, had desired that 2-3% of total Outlay should be earmarked for Information Technology Sector.

Hence, a sum of ₹ 20,00,000/- has been provided under the scheme for the year 2017-18.

(2)

Code Number 1-1-4052-2235-02-001-95-51
Name of Scheme Communication and Publicity
Outlay ₹ 35,00,000/-

Efforts are being made to meet the multifarious needs of children and women through various schemes and programmes and through convergence. The Government has accorded priority to women and children in the development programmes. But various indicators reveal that the fruits of development have not flown to women and children due to existing social impediments in the development process which include certain practices, behavioral patterns and attitude towards issues concerning child development especially the girl child and women. One of the other important reasons of low status of women in the society and low nutritional and health status of children is attributed to lack of awareness and knowledge. Thus, the role of publicity in the context of child and women development is vital for furthering advocacy, social mobilization and community empowerment.

Hence, a sum of ₹ 35,00,000/- has been provided for the year 2017-18.

(3)

Code Number 1-1-4023-2235-02-102-92-51
Name of Scheme Integrated Child Development Services Scheme.
Outlay ₹ 6,27,00,000/-

This scheme aims at the delivery of package of services such as supplementary nutrition, Immunization, health check-up, referral services, Health and Nutrition, Education to the pregnant and nursing mothers in the age group of 15-44 years and to the children in the age group of 6 months to 6 years and pre-school education to the children in the age group of 3 years to 6 years.

Hence, a sum of ₹ 6,27,00,000/- has been provided under this scheme for the year 2017-18

(4)

Code Number 1-1-4055-2235-02-102-80-51
Name of Scheme Improving Infant & Young Child Feeding
Outlay ₹ 16,00,000/-

Position of optimal infant and young child feeding practices is crucial for preventing malnutrition, infant mortality and for promoting integrated early child development for which the scheme for Improving Infants & Young Child Feeding is proposed.

A sum of ₹ 16,00,000/- has been provided for the year 2017-18.

(5)

Code Number 1-1-4054-2235-02-102-79-51
Name of Scheme Award for Rural Adolescent Girls/Renamed as Swaran Jayanti Puraskar Yojna.
Outlay ₹ 60,50,000/-

In order to encourage rural girls for pursuing higher education, an award is proposed for top 3 girls from each block, who will be given an award of ₹ 2000/-, ₹ 1500/- and ₹ 1000/- for 1st, 2nd, and 3rd positions respectively and who have passed their matriculation examination conducted by Haryana State Education Board from schools in rural areas and other awards i.e. Best Mother Awards, Sports meet for women, Nutrition awards etc.

A sum of ₹ 60,50,000/- is provided for the year 2017-18.

(6)

Code Number 1-1-4053-2235-02-102-78-51
Name of Scheme Apni Betian Apna Dhan (LADLI)/Renamed as Aapki Beti Hamari Beti.
Outlay ₹ 92,00,00,000/-

In order to combat the menace of the female foeticide and increase the number of girls to balance the declining sex ratio in the State, it has been proposed an incentive based scheme Renamed as Aapki Beti Hamari Beti under this scheme first child born in Scheduled Caste and Below Poverty Line (BPL) families shall be eligible to receive ₹ 21000/-. All second and third girl child born on or after 24th August 2015, will receive ₹ 21,000/- (one time) irrespective of their caste creed, religion income. In special cases, when twin/multiple girls are born on or after 22nd January 2015, will receive ₹ 21,000/- (one time) per girl child in any family of the State of Haryana satisfying the eligibility conditions.

During the year 2017-18, a sum of ₹ 92,00,00,000/- has been provided under this scheme.

(7)

Code Number 1-1-4061-2235-02-102-77-51
Name of Scheme Juvenile Justice Fund
Outlay ₹ 10,00,000/-

With the implementation of J.J. Act, 2000 in the State of Haryana w.e.f. 1.4.2001, the J.J. Fund has been notified under section 61 of the Act vide Govt. notification No. 50181/CA/56/2000/561/2001 dated 10.12.2001. As per Rule 57(2) J.J. Fund shall be applied :-

- to implement programme for the welfare and rehabilitation of Juvenile or Children under the Act.
- for imparting training and educational/vocational skills.
- for purchase of equipment, machinery and furniture.
- repair and construction of buildings.
- for any other purpose in the interest of inmates as approved by the State Advisory Board.
- to meet expenses of State Advisory Board.
- to do all other things that are incidental and conducive to the above purposes.

Hence, a sum of ₹ 10,00,000/- has been provided for the year 2017-18.

(8)

Code Number 1-1-4064-2235-02-102-76-51
Name of Scheme Future Security Scheme of Insurance for Anganwari Workers/Helpers
Outlay ₹ 4,90,00,000/-

The scheme of Future Security of Anganwari workers/Helpers has been approved by the State Govt. Under this scheme, Govt. invests ₹ 100/- per month per Anganwari Worker/Helper for insurance through Life Insurance Corporation of India who have completed one year of service as on 1.1.2008. All Anganwari Workers/Helpers would be offered a sum assured to the tune of ₹ 50,000/- in a uniform manner. The risk premium would form 17% and the saving part would be 83% of the contribution of ₹ 100/- per month.

Hence, a sum of ₹ 4,90,00,000/- has been provided for the year 2017-18.

(9)

Code Number 1-1-6015-2235-02-103-87-99
Name of Scheme **Strengthening of Voluntary Sector (Training-cum-Production centres and stipendiary Schemes)**

Outlay ₹ 14,00,00,000/-

The National Perspective Plan formulated by the Ministry of Human Resources Development (HRD), Govt. of India, highlighted the role of voluntary sector in women's empowerment. The development scenario, both at national as well as international level has not only shown the achievements of the non-governmental organizations but also the International Women's Conferences have clearly witnessed the contribution of voluntary sector in un-covering the realities of women's lives which resulted in making women friendly policies and programmes.

Under this scheme financial assistance will be provided to Bhartiya Gramin Mahila Sangh and GIA to Haryana State Council for Child Welfare etc.

Hence, a sum of ₹ 14,00,00,000/- has been provided for the year 2017-18.

(10)

Code Number 1-1-4057-2235-02-103-79-51

Name of Scheme **Gender Sensitization**

Outlay ₹ 28,00,000/-

The village community in general and women in particular come into frequent contacts with various development functionaries and officials at the village level. These service providers are usually Doctors, MPHWs, ANMs, Educationists, Panchayati Raj Personnel, Police etc. These officials often lack gender sensitivity owing to the fact that they are also brought up and socialized in the same society as that of the community. Efforts of empowerment get diluted in the absence of support from service providers. It is, therefore, important to sensitize them.

It is proposed to initially gender sensitize Panches and Sarpanches, Medical Officers and Police Personnel.

These gender sensitization trainings will be organized at district level in 2160 batches consisting of 54682 panches, 6035 sarpanches, 2000 doctors and 2000 police personnel (Total 64717 participants). Each batch will consist of 30 participants. A three days training manual will be used for orienting these functionaries. These trainings will be imparted through Expert Agencies/Gender Consultants / NGOs @ 6 training programmes per block per year @ ₹ 10,000/-.

Hence, a sum of ₹ 28,00,000/- has been provided for the year 2017-18.

(11)

Code Number 1-1-4065-2235-02-103-76-51

Name of Scheme **Protection of Women from domestic violence (Setting up of cell)**

Outlay ₹ 1,50,00,000/-

The Law & Legislative Department of Govt. of India has published the Act and as per section 8 & 10 of the Act, State Govt. has decided to appoint Protection Officers alongwith supporting staff at each Sub Division in Haryana.

Hence, a sum of ₹ 1,50,00,000/- has been provided for the year 2017-18.

(12)

Code Number 1-1-6013-2235-02-103-73-51

Name of Scheme **Relief and Rahablitation of Women Acid Victims.**

Outlay ₹ 30,00,000/-

Under this is scheme adhoc relief, medical reimbursement and rehabilitation services will be provided to women acid victims and the scheme will cover all girls and women acid victims residing in Haryana where an applications has been filed either by the victim or by heir claiming on her behalf in cases where the victim herself is disabled to make an application and only the victims facing acid attack after the launching of the scheme will be eligible,

Hence, a sum of ₹ 30,00,000/- has been provided for the year 2017-18.

(13)

Code Number 1-1-6012-2235-02-103-72-51
Name of Scheme Financing for Rashtriya Swasthya Bima Yojna (RSBY)
Outlay ₹ 10,00,000/-

This is a new scheme. RSBY is a State scheme for the BPL population of India. Under this scheme the anganwadi workers having 5 years satisfactory performance may be covered and the entire premium of ₹ 750/- per annum per person will be paid by the State Government.

Hence, a sum of ₹ 10,00,000/- is proposed for the year 2017-18.

(14)

Code Number 1-3-4085-2235-02-789-99-51
Name of Scheme Financial Assistance to Scheduled Caste families under Apni Betian Apna Dhan (LADLI) Renamed as Aapki Beti Hamari Beti.
Outlay ₹ 39,55,00,000/-

In order to combat the menace of the female foeticide and increase the number of girls to balance the declining sex ratio in the State, it has been proposed an incentive based scheme renamed as Aapki Beti Hamari Beti under this scheme first child born in Scheduled Caste and Below Poverty Line (BPL) families shall be eligible to receive ₹ 21000/-. All second and third girl child born on or after 24th August 2015, will receive ₹ 21,000/- (one time) irrespective of their caste creed, religion income. In special cases, when twin/multiple girls are born on or after 22nd January 2015, will receive ₹ 21,000/- (one time) per girl child in any family of the State of Haryana satisfying the eligibility conditions.

For the year 2017-18, a sum of ₹ 39,55,00,000/- has been provided under this scheme.

(15)

Code Number 1-3-4084-2235-02-789-98-51
Name of Scheme Financial Assistance to Scheduled Caste families under Future Security Scheme of Insurance for Anganwari Workers/Helpers
Outlay ₹ 125,00,000/-

The scheme of Future Security of Anganwari workers/Helpers has been approved by the State Govt. Under this scheme Govt. invests ₹ 100/- per month per Anganwari Worker/Helper for insurance through Life Insurance Corporation of India who have completed one year of service as on 1.1.2008. All Anganwari Workers/Helpers would be offered a sum assured to the tune of ₹ 50,000/- in a uniform manner. The risk premium would form 17% and the saving part would be 83% of the contribution of ₹ 100/- per month.

Hence, a sum of ₹ 125,00,000/- has been provided for the year 2017-18.

(16)

Code Number 1-1-4082-2235-02-789-96-51
Name of Scheme Financial Assistance to Scheduled Caste families under Gender Sensitization
Outlay ₹ 7,00,000/-

The village community in general and women in particular come into frequent contacts with various development functionaries and officials at the village level. These service providers are usually Doctors, MPHWS, ANMs, Educationists, Panchayati Raj Personnel, Police etc. These officials often lack gender sensitivity owing to the fact that they are also brought up and socialized in the same society as that of the community. Efforts of empowerment get diluted in the absence of support from service providers. It is, therefore, important to sensitize them.

It is proposed to initially gender sensitize Panches and Sarpanches, Medical Officers and Police Personnel.

These gender sensitization trainings will be organized at district level in 2160 batches consisting of 54682 panches, 6035 sarpanches, 2000 doctors and 2000 police personnel (Total 64717 participants). Each batch will consist of 30 participants. A three days training manual will be

used for orienting these functionaries. These trainings will be imparted through Expert Agencies / Gender Consultants / NGOs @ 6 training programmes per block per year @ ₹ 10,000/-.

Hence, a sum of ₹ 7,00,000/- has been provided for the year 2017-2018 under Special Component for Scheduled Castes.

(17)

Code Number 1-1-4080-2235-02-789-94-51
Name of Scheme Financial Assistance to Scheduled Caste families by Haryana Women Development Corporation
Outlay ₹ 40,00,000/-

Haryana Women Development Corporation was incepted with a view to promote activities for women's development, awareness generation, vocational training and arrange institutional finance for self employment of women. To make women economically independent, more and more women are required to be canalized into income generating activities. But the women, without resources are incapable of starting their ventures.

It may also be mentioned that since group activities through community mobilization is over emphasized as an empowerment strategy, more and more SHGs are emerging at the village level. Unless, these women's groups are linked with economic institutions, the vital issue of economic empowerment of women will not be adequately addressed. Within this context, to make economic resources more easily accessible to women, HWDC can play a vital role through its loaning scheme.

It is envisaged to cover at least 10,000 prospective women entrepreneurs every year not only to give direction and strength to the existing SHGs but also to motivate more and more women to take up income generating activities to become productive members of the society.

Hence a sum of ₹ 40,00,000/- has been provided under subsidy for the year 2017-18 under Special Component for Scheduled Caste.

(18)

Code Number 1-1-4078-2235-02-789-92-51
Name of Scheme Financial Assistance to Scheduled Caste families under Infant & Young Child.
Outlay ₹ 4,00,000/-

Position of optimal infant and young child feeding practices is crucial for preventing malnutrition, infant mortality and for promoting integrated early child development for which the scheme for Improving Infants & Young Child Feeding is proposed.

As per guidelines of Niti Ayog under SCSP, a sum of ₹ 4,00,000/- has been provided for the year 2017-18 under Special Component for Scheduled Caste.

(19)

Code Number 1-1-4030-2235-02-800-87-51
Name of Scheme Haryana Women Development Corporation (Subsidy)
Outlay ₹ 2,10,00,000/-

Haryana Women Development Corporation was incepted with a view to promote activities for women's development, awareness generation, vocational training and arrange institutional finance for self employment of women. To make women economically independent, more and more women are required to be canalized into income generating activities. But the women, without resources are incapable of starting their ventures.

It may also be mentioned that since group activities through community mobilization is over emphasized as an empowerment strategy, more and more SHGs are emerging at the village level. Unless, these women's groups are linked with economic institutions, the vital issue of economic empowerment of women will not be adequately addressed. Within this context, to make economic resources more easily accessible to women, HWDC can play a vital role through its loaning scheme.

It is envisaged to cover at least 10,000 prospective women entrepreneurs every year not only to give direction and strength to the existing SHGs but also to motivate more and more women to take up income generating activities to become productive members of the society.

Hence, a sum of ₹ 2,10,00,000/- has been provided under subsidy for the year 2017-18.

(20)

Code Number 1-1-4059-2235-02-800-82-98
Name of Scheme Financial Assistance to Women Awareness and Management Academy (WAMA)
Outlay ₹ 20,00,000/-

WAMA at Rai was set up in January, 1995 which is registered under the Societies Act, 1860. The essence was to cater to the training needs of the rural women and other grass-root level functionaries. It goes without saying that since the development planning has moved from welfare to development followed by empowerment approach, the need of the hour is to orient the development machinery on various gender issues, gender development constructs, community mobilization, participatory approach etc. Consequently, this Institution was upgraded as Regional Level Gender Training Institute in the Women's Empowerment Year, 2001. Thousands Sanjeevanies and Dadies under Integrated Women's Empowerment and Development Project and women of SWASHAKTI Project had been successfully imparted training in this institute apart from organizing workshops.

This Institute has no resources of its own and depends upon State Govt. grants that too are not regular. In order to achieve the desired goals, the institutional mechanism needs to be strengthened for regular and quality trainings. It needs to be strengthened not only from infra-structure point of view but also from management perspective as well.

It is proposed that grant-in-aid to WAMA may be granted on regular basis. Hence, a sum of ₹ 20,00,000/- has been provided for WAMA during the year 2017-2018.

(21)

Code Number 1-1-0000-4235-02-102-99-99
Name of Scheme Construction of Building for Anganwadi Centers-NABARD Contribution.
Outlay ₹ 28,50,00,000/-

At present there are 148 ICDS projects, having 25699 Anganwadi Centres running in the State. Out of these, 148 ICDS Projects with 21028 Anganwadi centres are in rural area. 3253 Anganwadi Centres have their own constructed buildings and 1930 Anganwadi Centres are under construction. Rest of the AWCs are functioning in buildings such as Dharamshalas, Choupals, Temples, Schools, Govt. buildings, Community Places, Sub-Centres, Mahila Mandal Bhavans etc. and 4039 AWCs are in rented buildings and 1495 AWCs are functioning in homes of Anganwadi Workers relatives.

It is proposed that 30 Anganwadi Centres will be constructed in each district every year and priority will be given to those AWCs which are running in rented accommodation and in homes of AWW's relatives in the beginning.

Hence, a sum of ₹ 28,50,00,000/- has been provided for the year 2017-18 to construct Anganwadi Centres.

(22)

Code Number 1-1-0000-4235-02-102-99-98
Name of Scheme Construction of Building for Anganwadi Centers-State Contribution.
Outlay ₹ 68,08,00,000/-

At present there are 148 ICDS projects, having 25699 Anganwadi Centres running in the State. Out of these, 148 ICDS Projects with 21028 Anganwadi centres are in rural area. 3253 Anganwadi Centres have their own constructed buildings and 1930 Anganwadi Centres are under construction. Rest of the AWCs are functioning in buildings such as Dharamshalas, Choupals, Temples, Schools, Govt. buildings, Community Places, Sub-Centres, Mahila Mandal Bhavans etc. and 4039 AWCs are in rented buildings and 1495 AWCs are functioning in homes of Anganwadi Workers relatives.

It is proposed that 30 Anganwadi Centres will be constructed in each district every year and priority will be given to those AWCs which are running in rented accommodation and in homes of AWW's relatives in the beginning.

Hence, a sum of ₹ 68,08,00,000/- has been provided for the year 2017-18 to construct Anganwadi Centres.

(23)

Code Number 1-1-0000-4235-02-102-97-99
Name of Scheme Implementation of J.J.Act
Outlay ₹ 7,00,00,000/-

As per instruction of Ministry of Women and Child Development, Govt. of India, Juvenile Justice (Care and Protection of Children) Act 2000 has been enforced in the State of Haryana w.e.f. 1.4.2001. Observation Homes, Special Home, State After Care Home set up by Govt. have been notified under the provisions of the New Act. Children Homes and Shelter Homes set up at Chhachrauli and Rewari through district branches of Haryana State Council for Child Welfare. Haryana Juvenile Justice (Care & Protection of Children) Rules 2009 have been notified vide notification dated 14-9-09. This Act is working under Plan side on 50:50 sharing basis.

The Observation Home at Sonipat is housed in a building which was constructed only for 25 inmates. Under J.J. Act 2000, the age of juveniles has been increased from 16 to 18 years so the actual strength in Homes have been increased to 100 inmates. To solve the problem of over-crowding in observation home Sonipat, additional observation home at Faridabad has been setup. One observation home for female under trial juveniles has also been set up at Karnal.

To solve the problem of over-crowding in Observation Home, Sonipat and Faridabad two additional Observation Homes at Ambala and Hisar are being constructed.

A sum of ₹ 7,00,00,000/- has been provided under the scheme for the year 2017-18.

(24)

(26)

Code Number 2-1-0000-2235-02-102-88-51
Name of Scheme Setting up of Anganwadi Training Centers (UDISHA)
Outlay ₹ 5,00,00,000/-

Presently 10 Anganwadi Workers Training Centres are being run by the State, out of which 8 centres for Anganwadi Workers for ICDS are being run by the Haryana State Child Welfare Council and 2 Training Centres by the Kasturba Gandhi National Memorial Trust, Radaur. The Haryana State Child Welfare Council has been receiving grant-in-aid directly from the Govt. of India through their National Headquarter of Indian Council for child welfare for this purpose upto the year 1998-99. Grant-in-aid to Kastruba Gandhi National Memorial Trust, Radaur is released by the State Govt. under Central Sector for which the Govt. of India provides grant-in-aid to the State Govt. Job/Refresher Training to Anganwadi Workers and orientation training to Anganwadi helpers is provided through these Training Centres.

With effect from 1-04-1999, Govt. of India has sanctioned a World Bank assisted innovative training project namely UDISHA for providing training to ICDS functionaries i.e. Anganwadi Workers and their Helpers as well as Supervisors working under Integrated Child Development Services Scheme. Hence-forth with effect from 1999-2000 (1.4.1999) grant-in-aid to all the 10 Anganwadi Workers Training Centres and one middle level Training Centre, Panchkula for providing training to ICDS Supervisors will be released through the State Govt. and Govt. of India will provide grant-in-aid for this purpose.

To provide job training for new ICDS staff, the existing ten Anganwadi Training Centres will be continued during the year 2017-18 for which a sum of ₹ 5,00,00,000/- has been provided.

(27)

Code Number 2-1-4036-2235-02-102-87-51
Name of Scheme Adolscent Girls scheme Renamed as Kishori Shakti Yojna
Outlay ₹ 90,00,000/-

The Adolescent Girls scheme rename as Kishori Shakti Yojna was being implemented in 4 blocks namely Nathusari Chopta, Baragudha, Odhan and Rania with the objective of improving the nutritional and health status of adolescent girls between 11-18 years of age, to train and equip them to improve home based and vocational skills and to promote awareness of health hygiene, nutrition, home management, child care and take all measures as to facilitate their marrying after attaining the age of 18 years and if possible even later. This scheme is being implemented through Anganwadi Centres. The girls are also provided supplementary nutrition @ ₹ 5% per girl per day. The expenditure on supplementary nutrition is being borne by the State Government.

The Central Government sanctioned this scheme for 81 more ICDS projects including 5 urban projects vide their letter dated 13-09-2001, thus, this scheme is sanctioned for 85 blocks. Out of 81 blocks, the scheme has further been expanded to 15 ICDS projects of Gurgaon and Faridabad districts where work regarding survey and enrolment has already begun and 154 Balika Mandals have been formed. Under this scheme in 10% of Anganwadi Centres, Balika Mandals have been formed. Each Balika Mandal will consist of 20 girls for six months. Thus, in a year 40 girls of each Balika Mandal will be trained. For this programme a sum of ₹ 90,00,000/- has been provided for the year 2017-18.

(28)

Code Number 2-1-6008-2235-02-102-74-51

(34)

Code Number 3-1-6017-2235-02-102-70-51
Name of Scheme Scheme for Beti Bachao Beti Pado
Outlay ₹ 25,00,000/-

The Govt. of India has announced the “**Beti Bachao, Beti Padhao**”(BBBP) programme to address the issue of declining Child Sex Ratio (CSR) through a national level media campaign and multi sectoral action in 100 districts having adverse CSR. The Ministry of Women & Child Development has been designated as the Nodal Ministry for this initiative, which would be supported by the Ministries of Health & Family Welfare, Human Resource Development and Information & Broadcasting.

The objectives of “**Beti Bachao, Beti Padhao**”(BBBP) are as under:-

- Prevent gender biased sex selective elimination.
- Ensure survival and protection of the girl child
- Ensure education of the Girl Child.

Monitorable Targets:

- Improve the SRB in 100 gender critical districts by 10 points in a year.
- Reduce gender differential in under five child mortality rate from 8 points in 2011 to 4 points by 2017.
 - Improve the Nutrition status of girls – by reducing number of underweight and anemic girls under 5 years of age (from NFHS 3 level).
 - Ensure universalization of ICDS, girls attendance and equal care monitored, using joint ICDS NRHM Mother Child Protection Cards.
 - Increase the girls enrollment in secondary education from 76% in 2013-14 to 79% by 2017.
 - Provide girl's toilet in every school in 100 CSR districts by 2017.
 - Promote a protective environment for Girl Children through implementation of Protection of Children from Sexual Offences (POCSO) Act 2012.

- Train Elected Representative/Grassroot functionaries as Community Champions to mobilize communities to improve CSR & promote Girl's education.

Strategies: The strategies include:

- Implement a sustained Social Mobilization and Communication Campaign
 - to create equal value for the girl child and promote her education.
- Place the issue of decline in CSR/SRB in public disclosure, improvement of which would be a indicator for good governance.
 - Focus on Gender Critical Districts and Cities low on CSR for intensive & integrated action.
 - Mobilize & Train Panchayati Raj Institutions/Urban local bodies/ Grassroot workers as catalysts for social change, in partnership with local community/women's/youth groups.
 - Ensure service delivery structures/scheme & programmes are sufficiently responsive to issue of gender and children's rights.
 - Enable Inter-sectoral and inter-institutional convergence at District/Block/Grassroot levels.

The overall Child Sex Ratio of Haryana which was 819 in 2001 has improved by 15 points to 834 in 2011, however these levels are much below the national average of 918. Mahendergarh, Jhajjar, Rewari, Sonipat, Ambala, Kurukshetra, Rohtak, Karnal, Yamunanagar, Kaithal, Bhiwani and Panipat districts in Haryana State having lowest CSR have been selected under Beti Bachao, Beti Padhao (BBBP).

Hence, a sum of ₹ 25,00,000/- has been provided for the year 2017-18.

(35)

Code Number 2-1-6014-2235-02-103-74-51

(1)

Code No. 1-1-4152-2236-02-101-94-51
Name of the Scheme Adolescent Girl's Scheme (Kishori Shakti Yojna)
Outlay ₹ 3,79,50,000/-

Government of India has desired to provide facilities to the Adolescent Girls in the age groups 11-18 years. This scheme is being implemented in 128 blocks through Anganwadi centres functioning under Integrated Child Development Scheme (ICDS) for improving the nutritional and health status of adolescent girls between 11-18 years of age, to train and equip them to improve home based and vocational skills and to promote awareness of health, hygiene, nutrition, home management, child care and to take all measures as to facilitate their marrying after attaining the age of 18 years and if possible even later. The girls are also provided supplementary nutrition at the rate of ₹ 5.00 per girl per day. The expenditure on supplementary Nutrition is being borne by the State Govt. Under this scheme training is provided for 6 months through formation of Balika Mandals and each Balika Mandal consists of 20 girls.

A sum of ₹ 3,79,50,000/- has been provided under the scheme for the year 2017-18.

(2)

Code No. 1-2-4158-2236-02-789-99-51
Name of the Scheme Kishori Shakti Yojna for Scheduled Caste
Outlay ₹ 95,00,000/-

Government of India has desired to provide facilities to the Adolescent Girls in the age groups 11-18 years. This scheme is being implemented in 128 blocks through Anganwadi centres functioning under Integrated Child Development Scheme (ICDS) for improving the nutritional and health status of adolescent girls between 11-18 years of age, to train and equip them to improve home based and vocational skills and to promote awareness of health, hygiene, nutrition, home management, child care and to take all measures so as to facilitate their marrying after attaining the age of 18 years or even later. The girls are also provided supplementary nutrition at the rate of ₹ 5.00 per girl per day. The expenditure on supplementary Nutrition is being borne by the State Govt. Under this scheme, training is provided for 6 months through formation of Balika Mandals and each Balika Mandal consists of 20 girls.

A sum of ₹ 95,00,000/- has been provided as SCCP component under this scheme for the year 2017-18.

(3)

Code No. 2-1-4151-2236-02-101-95-51
Name of the Scheme Supplementary Nutrition Programme
Outlay ₹ 183,30,00,000/-

This Scheme was started under Integrated Child Development Scheme(ICDS) in the State of Haryana during the year 1975-76. The scheme aims at delivery of package of services such as supplementary nutrition, immunization, health check-up, referral services, health and nutrition education to the pregnant and nursing mothers in the age group of 15-44 years and the children in the age group of 6 months to 6 years and pre-school education to the children in the age group of 3 years to 6 years. Under this scheme, Nutritive diet is being provided to the pregnant/nursing mothers containing 600 calories and 18-20 grams protein and to the children below 6 years containing 500 calories and 12 to 15 grams protein. The Haryana Govt. has revised the norms fixed for beneficiaries from ₹ 2.00 to ₹ 3.00 per child and ₹ 2.50 to ₹ 5.00 per mother.

Now the Govt. of India has agreed to bear 50% expenditure of SNP from 1.4.2005 onwards. So the entire expenditure of this scheme will be met under sharing basis. Thus under Supplementary Nutrition Programme to cover 14.51 lakh beneficiaries. Hence, a sum of ₹ 183,30,00,000/- has been provided for the year 2017-2018.

(4)

Code No.	2-1-4159-2236-02-101-89-51
Name of the Scheme	Rajeev Gandhi Scheme for Empowerment of Adolescent Girls (RGSEAG)-SABLA
Outlay	₹ 18,25,50,000/-

This scheme has been formulated to empower adolescent girls, along with improvement in the nutritional and health status and upgrading various skills like home skills, life skills and vocational skills. A scheme for Empowerment of Adolescent Girls called Rajeev Gandhi Scheme for Empowerment of Adolescent girls (RGSEAG) has been formulated by merging the two existing schemes of the ministry i.e. Nutrition Programme for Adolescent Girls (NPAG) and Kishori Shakti Yojna (KSY).

It would be a Centrally-sponsored Scheme implemented through the State Governments with 100 percent financial assistance from the Central Government for all inputs other than nutrition provision for which the Central Assistance to States will be provided to the extent of 50% of the actual expenditure incurred by the States or 50% of the cost norms, whichever is less.

Hence, a sum of ₹ 18,25,50,000/- has been provided for the year 2017-18.

(5)

Code No.	2-1-4161-2236-02-101-88-51
Name of the Scheme	Indira Gandhi Matritva sehyog yojna
Outlay	₹ 22,00,00,000/-

The Scheme envisages providing cash directly to P&L women during pregnancy and lactation in response to individual fulfilling specific conditions. It would address short term income support objectives with long term objective of behavior and attitudinal change. The scheme attempts to partly compensate for weight loss to pregnant & lactating women both prior to and after delivery of the child. The scheme will be implemented using the platform of ICDS with the objectives i.e. to improve the health and nutrition status of pregnant, lactating women and infants by: (I) Promoting appropriate practices, care and service utilization during pregnancy, safe delivery and lactation (II) Encouraging the women to follow (optimal) IYCF practices including early and exclusive breast feeding for six months (III) Contributing to better enabling environment by providing cash incentives for improved health and nutrition to pregnant and nursing mothers. Under the scheme pregnant Women of 19 years of age and above for first live births are entitled for benefits under the scheme. All Government (Central & State) employees will be excluded from the Scheme as they are entitled for paid maternity leave.

The beneficiaries will be paid ₹ 4000/- in three instalments per P&L women between the second trimester till the child attains the age of 6 months on fulfilling specific conditions related to maternal and child health to partly compensate for weight loss to mothers- women during pregnancy and period of lactation.

Anganwadi worker (AVW) and Anganwadi helper (AWH) would receive an incentive of ₹ 200/- and 100/- respectively per P & L woman after all the due cash transfers to the beneficiary are complete.

Hence, a sum of ₹ 22,00,00,000/- has been provided for the year 2017-18.

(6)

Code No.	2-1-4163-2236-02-101-87-51
Name of the Scheme	Scheme for Multi Sectoral Nutrition Programme to address the Maternal and Child Under-Nutrition
Outlay	₹ 1,00,000/-

Implementing the Multi Sectoral Programme to Address the Maternal and Child Under nutrition in selected High Burden Districts. As per survey conducted by National *institute of Nutrition* in 2013-14, the districts with highest number of underweight children are selected in five high burdened district i.e. Mewat, Palwal, Kaithal, Faridabad and Narnaul on sharing basis scheme. Hence, a sum of ₹ 1,00,000/- has been provided for the year 2017-2018 as token provision.

(7)

Code No. 2-2-4157-2236-02-789-98-51
Name of the Scheme Supplementary Nutrition Programme for Scheduled Castes
Outlay ₹ 45,00,00,000/-

This Scheme was started under ICDS in the State of Haryana during the year 1975-76. The scheme aims at delivery of package of services such as supplementary nutrition, immunization, health check-up, referral services, health and nutrition education to the pregnant and nursing mothers in the age group of 15-44 years and the children in the age group of 6 months to 6 years and pre school education to the children in the age group of 3 years to 6 years. Under this scheme Nutritive diet is being provided to the pregnant/nursing mothers containing 600 calories and 18-20 grams protein and to the children below 6 years containing 500 calories and 12 to 15 grams protein. The Haryana Govt. has revised the norms fixed for beneficiaries from ₹ 2.00 to ₹ 3.00 per child and ₹ 2.50 to ₹ 5.00 per mother.

Now the Govt. of India has agreed to bear 50% expenditure of SNP from 1.4.2005 onwards. So the entire expenditure of this scheme will be met under sharing basis. Thus under Supplementary Nutrition Programme to cover 14,51,000 beneficiaries.

Hence, a sum of ₹ 45,00,00,000/- has been provided for the year 2017-2018 for scheduled castes.

(8)

Code No. 2-2-4160-2236-02-789-97-51
Name of the Scheme Financial Assistance to Scheduled Castes Adolescent Girls under Rajeev Gandhi Scheme for Empowerment of Adolescent Girls (SABLA).
Outlay ₹ 10,00,00,000/-

This scheme has been formulated to empower adolescent girls, along with improvement in the nutritional and health status and upgrading various skills like home skills, life skills and vocational skills. A scheme for Empowerment of Adolescent Girls called Rajeev Gandhi Scheme for Empowerment of Adolescent girls (RGSEAG) has been formulated by merging the two existing schemes of the ministry i.e. Nutrition Programme for Adolescent Girls (NPAG) and Kishori Shakti Yojna (KSY).

It would be a Centrally-sponsored Scheme implemented through the State Governments with 100 percent financial assistance from the Central Government for all inputs other than nutrition provision for which the Central Assistance to States will be provided to the extent of 50% of the actual expenditure incurred by the States or 50% of the cost norms, whichever is less. This scheme has been formulated for Scheduled Castes.

Hence, a sum of ₹ 10,00,00,000/- has been provided for the year 2017-18.

(9)

Code No. 2-2-4162-2236-02-789-96-51
Name of the Scheme Financial Assistance to Scheduled Castes Women (Indira Gandhi Matritva Sahayog Yojna)
Outlay ₹ 2,50,00,000/-

The Scheme envisages providing cash directly to P&L women during pregnancy and lactation in response to individual fulfilling specific conditions. It would address short term income support objectives with long term objective of behavior and attitudinal change. The scheme attempts to partly compensate for weight loss to pregnant & lactating women both prior to and after delivery of the child. The scheme will be implemented using the platform of ICDS with the objectives i.e. to improve the health and nutrition status of pregnant, lactating women and infants by: (I) Promoting appropriate practices, care and service utilization during pregnancy, safe delivery and lactation (II) Encouraging the women to follow (optimal) IYCF practices including early and exclusive breast feeding for six months (III) Contributing to better enabling environment by providing cash incentives for improved

health and nutrition to pregnant and nursing mothers. Under the scheme pregnant Women of 19 years of age and above for first live births are entitled for benefits under the scheme. All Government (Central & State) employees will be excluded from the Scheme as they are entitled for paid maternity leave.

The beneficiaries will be paid ₹ 6000/- in two installments per P&L women between the second trimester till the child attains the age of 6 months on fulfilling specific conditions related to maternal and child health to partly compensate for weight loss to mothers- women during pregnancy and period of lactation.

Anganwadi worker (AVW) and Anganwadi helper (AWH) would receive an incentive of ₹ 200/- and 100/- respectively per P & L woman after all the due cash transfers to the beneficiary are complete.

Hence, a sum of ₹ 2,50,00,000/- has been provided as SCSP component for the year 2017-18.

INDUSTRIAL TRAINING DEPARTMENT

(1)

Code No.	:	1-1-3918-2230-03-001-96-98
Name of the Scheme	:	State Project Implementation Unit (S.P.I.U) – Establishment Expenses
Outlay	:	₹ 4,03,00,000/-

The Department of Industrial Training, Haryana is imparting the quality skill based training to the unemployed youth through a network of 149 Govt. Industrial Training Institutes (33 GITIs exclusively for Women) and 204 Private ITIs. The Govt. of India has fixed a target to train 500 million trained manpower by 2022. This department intends to increase the present training capacity significantly by following multi-pronged strategy. Many Govt. ITIs have been converted into societies to provide them functional, financial & managerial autonomy. Several Govt. ITIs have been upgraded into Centres of Excellence. The posting of staff at Directorate is very essential for the implementation and monitoring of Craftsmen Training Scheme as well as to have supervision on the working of field institutes.

The posting of staff at Directorate is very essential for the implementation and monitoring of Craftsmen Training Scheme as well as to have supervision on the working of field institutes.

An amount of ₹ 4,03,00,000/- has been kept for the scheme for the year 2017-18.

(2)

Code No.	:	1-1-3950-2230-03-003-64-51
Name of the Scheme	:	Development of ITIs
Outlay	:	₹192,60,00,000/-

The Department of Industrial Training, Haryana is imparting the quality skill based training to the unemployed youth through a network of 149 Govt. Industrial Training Institutes (33 GITIs exclusively for Women) and 204 Private ITIs. There are many un-serviced blocks in the State in which no Govt. ITIs is functional at present. So, it is required to establish at least one Govt. ITI in these development blocks for providing skill training to youth. There is also an urgent need to revamp women training programme so as to make the women folk economically independent by equipping them in the skill of modern trades. New trades of high employability have been started in Govt. ITIs. The supervisory staff and instructional staff have been posted in all Govt. ITIs in the State for effective implementation of Craftsmen Training Scheme. The intake capacity of Govt. ITIs in the State is 83,365 trainees presently. The objective of the Department is to increase this intake capacity in coming years. New Govt. ITIs in the State are opened in this scheme

To prepare the students for getting employment/self employment particularly in new/modern trades.

An amount of ₹ 192,60,00,000/- has been kept for the scheme for the year 2017-18.

Code No. : **1-1-0859-4250-51-800-97-51**
Name of the Scheme : **Modernisation of Machinery & Equipment**
Outlay : **₹30,00,00,000/-**

All courses running in Govt. Industrial Training Institutes in the state are to be affiliated with National Council of Vocational Training (NCVT). Machinery, equipments and furniture is provided in these institutes as per norms prescribed by NCVT. To keep pace with the changing technology and liberalization of economy, outdated and worn out machinery has to be replaced with modern updated machinery. Some units of Govt. ITIs are still to be affiliated with NCVT. There is deficiency of machinery equipment and furniture in these units and this will have to be made up urgently. It is also proposed to purchase Smart Boards, Photostat Machines, Printers, LCD/Media Projector etc. to replace the old teaching methodology of black board to cope with the changing technology scenario. In the changing scenario of information & technology, the IT training has become an integral part of training. The students will be able to get better employment after getting the intensive computer training in industries including information technology sector. So, computers have been provided for training in all institutes.

The students will be able to get better employment after getting the intensive training on latest Machinery & Equipment.

An amount of ₹ 30,00,00,000/- has been kept for the scheme for the year 2017-18.

(7)

Code No. : 1-1-0863-4250-51-800-94-51
Name of the Scheme : Creation of Infrastructure for Development of Industrial Training
Outlay : ₹ 30,00,00,000/-

New Govt. ITIs are opened keeping in view the demand of area. The intake capacity of Govt. ITIs in the State is less as compared to Polytechnics and Engineering Colleges. So, it has been decided that the intake capacity of Govt. ITIs may be increased. The construction of building of 14 Govt. ITIs Jahangirpur (Jhajjar), Khuddan (Jhajjar), Saharanwas (Rewari), Dubaldhan (Jhajjar), Bhirdana (Fatehabad), Odhan (Sirsa), Paharipur (Jhajjar), Ujjina (Mewat), Uncha Majra (Gurugram), Bharanpur (Ambala), Fatepur Billoch (Faridabad), Siwani (Bhiwani), Kharkhara (Rewari) and Pundri (Kaithal) had been completed during FY 2015-16. Similarly, the construction of building of 09 Govt. ITIs (Rania (Sirsa), Siwani (Bhiwani), Pabnawa (Kaithal), Rajound (Kaithal), Moujabad (Gurugram), Farmana Khas (Rohtak), Mustfabad (Yamuna Nagar) Assandh (Karnal) and Madina (Rohtak) has been completed during FY 2016-17. This scheme is essential for strengthening the infrastructure of the Govt. ITIs and ITIs (Women). It includes purchase of land, construction and repair of workshops, administrative blocks of the institutes and residential colonies as well as the building of Directorate. At present the headquarter staff is seating at Chandigarh as well as Panchkula, with the construction of building of Directorate of this department, the entire staff will be able to sit at one place resulting in speed & efficiency in execution of official work.

This scheme has been formulated for strengthening the infrastructure of the Directorate ITI's & ITI (Women), it includes purchase of land, construction and repair of workshops, administrative block of the institutes and residential colonies.

An amount of ₹ 30,00,00,000/- has been kept for the scheme for the year 2017-18.

(8)

Code No. : 1-1-0000-4250-51-800-90-51
Name of the Scheme : Construction of new ITIs (Swaran Jayanti)
Outlay : ₹47,00,00,000/-

The Department of Industrial Training, Haryana is imparting the quality skill based training to the unemployed youth through a network of 149 Govt. Industrial Training Institutes (33 GITIs exclusively for Women) and 204 Private ITIs. This department intends to increase the present training capacity significantly by following multi-pronged strategy. There are many un-serviced blocks in the State in which no Govt. ITIs is functional at present. So, it is required to establish at least one Govt. ITI in these development blocks for providing skill training to youth. In this scheme, the construction of 12 new Govt. ITIs (Talwara, Kadma, Bapoli, Sikrona, Sahbajpur, Bhojawas, Matloda, Indri, Sehlang, Barana, Musudpur, Hassanpur) is being executed. In addition to these Govt. ITIs, 22 Model ITIs (Tosham, Jhajjar at Gudha, Kurukshehra, Mahendragarh, Nuh, Palwal, Panchkula, Panipat, Sirsa, Gohana, Tohana, Yamunanagar, (W) Ambala City, (W) Charkhi Dadri, (W) Faridabad, (W) Gurgaon, (W) Hisar, (W) Jind, (W) Kaithal, (W) Karnal, (W) Rewari and (W) Rohtak) are to be setup at district level under this scheme.

This scheme has been formulated for strengthening the infrastructure of the Directorate, ITI's & ITI (Women).

An amount of ₹ 47,00,00,000/- has been kept for the scheme for the year 2017-18.

(9)

Code No. : 2-1-3918-2230-03-001-96-51
Name of the Scheme : State Project Implementation Unit (SPIU)
Outlay : ₹25,00,000/-

This is a Central scheme (sharing basis 75:25).

The State Project Implementation Unit (SPIU) has been established at Directorate as per Gol guidelines to implement World Bank assisted Vocational Training Implementation Project (VTIP) in the State. The task of SPIU is to facilitate physical and financial implementation and monitoring of the project as per project guidelines to achieve objectives of the project which also involves other related activities such as providing guidance to Govt. ITIs in the matters of preparation of Institution Development Plans (IDPs) and procurement & financial issues, timely release of funds to Govt. ITIs, submitting reimbursement claims, preparing timely progress and expenditure report etc.

The SPIU is responsible and accountable for implementation for VTIP, including the timely release of funds to ITIs, submitting re-imburement claims, preparing timely progress and expenditure reports. The SPIU is also providing guidance on preparing institutions development plans (IDPs) and on procurement and financial issues. It also includes efforts to build capacity of the ITIs, particularly the Institutes Managing Committees (IMCs).

An amount of ₹25,00,000/- (₹ 18,75,000/- 75% Central share & ₹ 6,25,000/- 25% State Share) has been kept for the scheme for 2017-2018.

(10)

Code No. : 2-1-3939-2230-03-003-70-51
Name of the Scheme : Upgradation of ITIs into Centres of excellence
Outlay : ₹4,00,000/-

This is a Central scheme (sharing basis 75:25).

The Union Finance Minister in the Budget Speech 2004-05 has stressed that skill imparted by Govt. ITIs must keep pace with the technological demands of the industry and the expanding universe of knowledge to produce world class workforce. In this connection, Govt. of India launched a programme in the Central Sector to upgrade 100 Govt. ITIs through domestic funding and 300 Govt. ITIs through World Bank assisted project titled 'Vocational Training Improvement Project'. 5 Govt. ITIs have been upgraded under domestic funding and Centres of Excellence Scheme has been started to provide multi-skilling through Basic Modules as well as advanced training through Advanced Modules. 12 Govt. ITIs have been upgraded into Centres of Excellence and general upgradation has been made in 04 Govt. ITIs in this scheme. These Institutions have been empowered by providing sufficient autonomy, building up partnership with the nearby Industries & setting up of Institute Managing Committees with representatives from Industries to take care of the skill gap with their experience and expertise of the changing technologies and other Industry practices. In addition to upgradation of Govt. ITIs into Centres of Excellence, the Govt. of India decided in FY 2013-14 to establish Institute for Training of Trainers (ITOT) at Rohtak at a cost of Rs. 700.00 lakh in this scheme to impart training to existing instructors as well as to produce new instructors. All the Central share had been released by Gol till previous financial years and maximum expenditure has also been made.

An amount of ₹4,00,000/- (₹ 3,00,000/- 75% Central share & ₹ 1,00,000/- 25% State Share) has been kept for the scheme for 2017-2018.

(11)

Code No. : 2-1-3958-2230-03-003-63-51
Name of the Scheme : Implementation of MIS application for improvement in Vocational Training Services
Outlay : ₹8,000/-

This is a Central scheme (sharing basis 75:25).

The Union Finance Minister in the Budget Speech 2004-05 has stressed that skills imparted by Govt. ITIs must keep pace with the technological demands of the industry and the expanding universe of knowledge to produce world class workforce. In this connection, Govt. of India launched a programme in the Central Sector to upgrade 100 ITIs through domestic funding and 400 ITIs through World Bank assisted Project titled 'Vocational Training Improvement Project'. Now the Govt. of India has stressed for implementation of MIS application for reforms and improvement in Vocational Training Services rendered by the Central and the State Govt. with World Bank assistance. Under this scheme, the computers and its peripherals had been procured on DGS&D rate contract for 84 Govt. ITIs in Haryana State at a total project cost of Rs. 74.00 lakh. All the Central share had been released by Gol till previous financial years and maximum expenditure has also been made.

The skill imparted by these centers will keep pace with the technological demands of the industries and the expending universe of knowledge to produce world class workforce.

An amount of ₹.8,000/- (₹ 6,000/- 75% Central share & ₹ 2,000/- 25% State Share) has been kept for the scheme for 2017-2018.

(12)

Code No.	:	2-1-0000-2230-03-003-61-51
Name of the Scheme	:	Skill Strengthening for Industrial Value Enhancement
Outlay	:	₹20,00,000/-

This is a Central scheme (sharing basis 70:30).

Govt. of India is designing a programme, titled STRIVE that will inter-alia support a select number of Industrial Training Institutes across the country to be managed under industry leadership. In each State, a few high performing Govt. ITIs will be identified by the Ministry of Skill Development and Entrepreneurship (MSDE) in consultation with State Govt. and industry partners and designated as 'Nodes'. Govt. ITIs in existing industrial hubs will have the most likelihood of serving as Nodes. Another 5-8 relatively less developed Govt. ITIs will be identified as 'Affiliates' which will be supported by each Node. Each group of Node and its affiliate ITIs will be turned as an ITI cluster. Each ITI cluster will be managed by one, multi-sectoral Institute Management Board (IMB). The IMB for an ITI Cluster will initially be formed by merging all currently functional Institute Management Committees at the ITI level that might exist in various ITIs forming the Cluster.

A few high performing Govt. ITIs have been identified in the State by Ministry of Skill Development and Entrepreneurship in consultation with State Govt. and industry partners and designated as 'Nodes'. Another less developed Govt. ITIs will be identified as 'Affiliates' which will be supported by each Node. Each group of Node and its Affiliate ITIs will be termed as an ITI Cluster. Each Cluster will be managed by one, multi-sectoral Institute Management Board which will function as an executive management team for the Cluster, and will be provided with appropriate financial resources and authority to support the decision making process for day to day functioning and management of Cluster ITIs.

An amount of ₹.20,00,000/- (₹ 14,00,000/- 70% Central share & ₹6,00,000/- 30% State Share) has been kept for the scheme for 2017-2018.

(13)

Code No.	:	2-1-0000-2230-03-003-60-51
Name of the Scheme	:	Up-gradation of ITIs into Model ITIs
Outlay	:	₹10,00,000/-

This is a Central scheme (sharing basis 70:30).

DGT, Gol has decided to upgrade 29 Govt. ITIs into Model ITIs in the country. Accordingly, ITI Gurgaon has been identified for upgradation under this project in the State of Haryana. Industrial sector is fast growing around Gurgaon and it is Industrial hub and cluster of Industries. Govt. ITI Gurgaon is also adopted by M/s Maruti Suzuki India Ltd., Gurgaon. As Gurgaon is an industrial hub and workers of different industries / sector can be trained and placed at high scale. In this scheme, the long term objectives are to provide benefits to new job entrants through existing trades, starting of new trades and to conduct short term training programmes with customized skill training. In addition to new job entrants, the existing workers and the workers of un-organized sector will also be benefited.

Existing Govt. ITI, Gurgaon is to be converted into Model ITI. The key objective is to develop a benchmark for Industry oriented ITI which would serve as a model for other ITIs and would also raise the dignity of ITI education. The ITI will be provided funds for taking up several initiatives and reforms to achieve broad objective. The Model ITI will establish links with the industrial clusters in their vicinity to enable it to function as a solution provider to the cluster group. The objectives will include offering training to new job entrants, existing workers & workers of un-organized sector. Model ITI may plan to upgrade existing trades, close obsolete trades and start new trades that cater to the Industry clusters. Further, they can run short-term courses under Modular Employable Skills (MES).

An amount of ₹10,00,000/- (₹ 7,00,000/- 70% Central share & ₹. 3,00,000/- 30% State Share) has been kept for the scheme for 2017-2018.

(16)

Code No. : **3-1-3955-2230-03-001-95-51**
Name of the Scheme : **State Implementation Cell for upgradation of ITIs under PPP**
Outlay : **₹9,00,000/-**

This is a Centrally Sponsored Scheme (100%).

In the budget speech 2007-08, the Union Finance Minister announced a scheme for Upgradation of 1396 Govt. ITIs into Centres of Excellence in specific trades & skills through Public Private Partnership and with the wide ranging discussions with State Governments, Industry Associations and other stakeholders, a scheme namely "Up-gradation of 1396 Govt. ITIs through PPP" has been formulated and the Union Cabinet has approved this scheme in principle. The State of Haryana has been assigned the responsibility to upgrade 52 Govt. ITIs. State Implementation Cell (SIC) has been established at HQ for management, monitoring & evaluation of this scheme. The SIC is responsible for implementation of this scheme under guidance of State Steering Committee (SSC). The major functions of SIC are : to register Institute Managing Committee (IMC) as Society after identification of Industry partner, to ensure signing of Memorandum of Agreement (MoA) by industry partner, State Govt. and Central Govt., to guide & support the IMC society in preparation of Institution Development Plan (IDP) for further submission of same to SSC for recommendations and approval of National Steering Committee (NSC), to manage, monitor & evaluate the scheme and to seek funds from Central Govt.

The scheme is beneficial for management, monitoring and evaluation of PPP scheme.

An amount of ₹9,00,000/- (100% Central share) has been kept for the scheme for 2017-2018.

(17)

Code No. : **3-1-3954-2230-03-001-94-51**
Name of the Scheme : **Skill Development Initiative**
Outlay : **₹6,00,00,000/-**

This is a Centrally Sponsored Scheme (100%).

The department of Industrial Training Haryana is catering to the requirement of skilled manpower in the State through a network of Industrial Training Institutes, Centres of Excellence and Teacher Training Centres. Different courses are running in the Government Industrial Training Institutes in different trades. The funds provided by Govt. of India in this scheme are to be incurred on the re-imbursement of training cost to Vocational Training Providers (VTPs) & assessment fees to Assessing Bodies (ABs) for the training under SDI Scheme. There are no formal programmes to provide any kind of vocational /skill training to school drop outs. Almost all the courses being run by ITIs are meant for Class-X pass students only. Therefore, a scheme has been formulated to provide formal vocational/industrial training to these school dropouts. The Govt. of India's scheme "Skill Development Initiative" is being implemented in the existing Govt. & private ITIs and other technical institutions. There is an objective to impart short term courses in the Modular Employable Skills (MES) scheme through registered VTPs. On the successful completion of courses, the candidates are awarded NCVT certificate resulting in enhancement of their job opportunities.

The scheme is beneficial to provide formal vocational/industrial training to school dropouts.

An amount of ₹6,00,00,000/- (100% Central share) has been kept for the scheme for 2017-2018.

(18)

Code No. : **3-1-3901-2230-03-003-74-51**
Name of the Scheme : **Organising Special Training for S.C., S.T. under Special Central Assistance System**
Outlay : **₹1,00,00,000/-**

This is a Centrally Sponsored Scheme (100%).

The Department of Industrial Training, Haryana is imparting the quality skill based training to the unemployed youth through a network of 149 Govt. Industrial Training Institutes (33 GITIs exclusively for Women) and 204 Private ITIs. In the year 1985-86, Director Welfare of scheduled

Castes & Backward Classes Department, Haryana desired that a special scheme to impart training to scheduled Castes/ Tribes/ Vimukta Jatis candidates in popular trades wise Turner, Machinist, Radio & T.V. etc. be started. The scheme is running in GITI Sonapat, Faridabad, Hissar, Narnaul, Yamuna Nagar, Ambala Cantt, Pundri, Rewari, Gurgaon & Kaithal. Training is being imparted to the students in various Engineering and Non-Engineering trades under the craftsmen training scheme to make them able to get better job opportunities. In addition to this, the department intends to provide skill training to SC students exclusively in this scheme making able them to get suitable employment or to opt self employment. The funds for this scheme are being provided by Govt. of India through Directorate, Welfare of Scheduled Castes & Backward Classes, Haryana

The scheme is beneficial for imparting skill training to the youth belonging to Scheduled Castes to make them able to get better job opportunities.

An amount of ₹1,00,00,000/- (100% Central share) has been kept for the scheme for 2017-2018.

(19)

Code No.	:	3-1-0865-4250-51-800-92-51
Name of the Scheme	:	Hospitality Education in ITIs
Outlay	:	₹1,06,17,000/-

This is a Centrally Sponsored Scheme (100%).

The department of Industrial Training, Haryana is catering to the requirement of skilled manpower in the State through a network of 149 Govt. ITIs & ITIs (Women). Different Courses are running in the Govt. ITIs in different trades. The Govt. of India has taken initiative to impart hospitality education to meet the acute shortage of trained manpower of about two lakh every year in the hospitality sector across the country. So, the Ministry of Tourism, Govt. of India decided to provide one time central assistance for establishment of hospitality wings in the State of Haryana. These hospitality wings are being established in ITIs Toshiam, Rohtak & Karnal. The one time Central Assistance is to be incurred for developing infrastructure including civil works, equipments, furniture etc. The recurring expenditure like staff salary, training expenditure etc. is to be borne by the State Govt.

The scheme is beneficial to impart Hospitality Education to meet the acute shortage of trained manpower in hospitality sector across the country.

An amount of ₹1,06,17,000/- (100% Central share) has been kept for the scheme for 2017-2018.

Name of the Scheme Establishment of Department of Food & Drug Administration
Outlay ₹ 4,70,00,000/-

The State Government has constituted a new Department with the name of "Department of Food & Drugs Administrative" for regulation of Food Standards & Safety and Drugs & Cosmetics. The Food & Drugs Administrative and is working under the administrative Secretary of the Department of Health.

The Department also took an extensive drive in the State to implement the provision of Infant Milk Substitute, Feeding bottle and Infant Food (Regulation of Production, Supply and Distribution), Act 1992/Amendment Act 2003 so as discourage advertisements and promotion of infant milk substitute products and to promote breast feeding in the State. Haryana is the first state in this context to implement it in the country. The FDA officers have so far seized samples of such products from the various parts of the State for purpose of its test and analysis under the provision of FSSA 2006.

A sum of ₹4,70,00,000/- is required to continue this scheme for the financial year 2017-2018.

An outlay of ₹20,00,00,000/- has been provided for the scheme during the year 2017-18.

(3)

Code No. 1-1-0000-4408-02-101-99-99
Name of the scheme - Construction of godowns.(NABARD Contribution)
Outlay ₹9,50,00,000/-

This is a State Scheme.

The expenditure incurred under this scheme is to be borne by the State Government. This scheme is for creation of Warehousing infrastructure under WIF (Warehousing Infrastructure Fund) Scheme of NABARD.

During the year 2017-18, besides the provision of `9.50 crore, an additional storage capacity of 92554 MT by constructing god owns at Bhor Saidan (Kurukshetra), Kharkhoda (Sonapat) and Tigaon (Faridabad) on the lands transferred by other departments in the name of Food Supplies Department. However, as per the modified outlay an expenditure of ` 9.50 crore shall be incurred on construction of these god owns during the year 2017-18 by taking a loan from NABARD. Contribution of ` 9.50 crore shall be met from the Budget of the Food Supplies Department.

Hence, an amount of ₹9,50,00,000/- has been provided for the scheme during the year 2017-18.

(4)

Code No. 1-1-0000-4408-02-101-99-98
Name of the scheme Construction of godowns.(State Contribution)
Outlay ₹ 50,00,000/-

This is a State Scheme.

The expenditure incurred under this scheme is to be borne by the State Government. This scheme for creation of Warehousing infrastructure under WIF (Warehousing Infrastructure Fund) Scheme of NABARD.

During the year 2017-18, besides the provision of `0.50 crore, an additional storage capacity of 92554 MT by constructing godowns at Bhor Saidan (Kurukshetra), Kharkhoda (Sonapat) and Tigaon (Faridabad) on the lands transferred by other departments in the name of Food Supplies Department.

Hence, an amount of ₹ 50,00,000/- has been provided for the scheme during the year 2017-18.

Part-II Share basis Schemes (1)

Code No.	2-1-5102--2408-01-001-91-51
Name of the scheme	End-to-End Computerization of TPDS (Targetted Public Distribution Scheme)
Outlay	₹22,44,00,000/-

This is a Share basis CS Scheme

“End-to-End Computerization of TPDS/NFSA Operations” - TPDS (Targetted Public Distribution System) encompasses the process of allocation of food grains, storage, beneficiary identification and management of delivery of food grains to beneficiaries. It operates in 21 districts through a network of 9300 Fair Price Shops (FPSs). As a result, there are multiple stakeholders involved at various levels in operations of TPDS, namely, Central Government, State Governments, Food Corporation of India (FCI), Confed, FPS dealers, beneficiaries, etc. for better coordination among various agencies for ensuring timely delivery of food grains at FPS level, it is necessary that information regarding movement of food grains is available on a common platform. Huge difference between cost of the food grains and CIPs creates incentives for leakages and diversions. With computerization of supply-chain, the movement of food grains up to FPS level can be tracked and the problem of leakage and diversion can be addressed.

Current Status:

The project is divided into two components. The Component wise status is as follows:

Component-I: Activity wise status is as follows

- A) Digitization of beneficiary data:** 29, 40,870 families (AAY, CBPL, SBPL and OPH) have been digitized and verified. 22,37,466 (76.1 %) Ration Cards have Aadhaar number of at least 1 member and 86,46,676 (66.5%) beneficiaries' Aadhaar have been seeded. There are 13,86,461 (16 %) duplicate Aadhaar in PDS database. The process of deduplication (eliminating duplicate Aadhaar) is in progress and would be completed in February 2016. Aadhaar, mobile number and bank account seeding is also in progress in offline mode and the same would be updated in PDS database.
- B) Digitization of FPS Data:** Master data entry of FPS has been completed and uploaded on Stake holder Identity Management System (SIMS). The same has been ported to ePDS module of CAS (Common Application Software).
- C) Digitization of Godowns and Agencies Data:** Master data entry of godowns has been completed and uploaded on Stake holder Identity Management System (SIMS).
- D) Transparency Portal** of the Department (<http://haryanafood.gov.in>) is functional and is being updated regularly. It has been redesigned and made bilingual (Hindi and English).
- E) Computerization of Supply Chain Management:** The Department is implementing Food & Essential Commodities Assurance & Security Target (FEAST) Software for online allocation and supply chain management. FEAST for Online has been tested. Trial Online allocation was carried out for the entire state in January 2016.
- F) Training of Departmental Staff regarding ePDS and FEAST** has been conducted from 04 Jan to 09 Jan 2016.
- G) Toll free Number and Online System for Grievances Redressal:** Toll Free PDS helpline numbers 1800-180-2087 and 1967 are operational. The online grievances redressal system developed by NIC exclusively for PDS complaints is under testing and would be made available for public use after customization.
- H) Procurement of Hardware and Software:** Common application Software (CAS) for PDS has been installed at National cloud (Meghraj) and hardware at State HQs and District HQs has also been installed. Supply order for Hardware at AFSO/Block level has been placed with Hartron and the same is expected to be installed in February 2016. The Process for procurement of Hardware to be installed at CONFED offices and Godowns has been initiated. Hardware at all the CONFED offices and godowns is expected to be installed by March 2016.

Component-II (FPS Automation).

The Government of India has also informed that they would pay 17 paisa per kg for the transitions of food grains made after online biometric authentication of the beneficiaries to compensate the cost of Point of Sale /Mobile terminal to be installed at Fair Price Shops (FPSs). The State was required to finalize any one of the three models proposed for FPS automation

by Government of India i.e. Procurement of devices by State/ FPS owner / appoint a system Integrator. The Government of Haryana has decided to appoint system Integrator for installation and operations of Point of Sale (PoS) devices at FPS. The Department has procured 20 PoS devices, 10 each from BEL and ECIL for trial in Panchkula District. The testing/trial was carried out in last week of September 2015. The commodities are being distributed to beneficiaries after Aadhaar based biometric authentication at 20 FPS from October 2015. The System Integrator is likely to be appointed by March 2016 and the FPS automation is expected to be rolled out in the entire State by September 2016.

Benefit to Government:

Digitization of beneficiary database will help in weeding out the bogus ration cards and better targeting of subsidies. Facilities of SMSs, e-mails, toll free numbers will be used to inform the beneficiary about the availability of the TPDS supplies in the FPS, which will ensure timely and transparent distribution of foodgrains to beneficiaries as per their entitlement. Transparency portal and social audit will further strengthen the functioning of FPSs and ensure accountability at various levels. Beneficiaries will also be able to register their grievances through toll free numbers and seeks its resolution.

The Government of India has also informed that they would pay 17 paise per kg for the transitions of foodgrains made after online biometric authentication of the beneficiaries to compensate the cost of Point of Sale /Mobile terminal to be installed at Fair Price Shops (FPSs).The State was required to finalize any one of the three models proposed for FPS automation by Government of India i.e. Procurement of devices by State/ FPS owner / appoint a system Integrator. The Government of Haryana has decided to appoint system Integrator for installation and operations of Point of Sale (PoS) devices at FPS. The Department has procured 20 PoS devices, 10 each from BEL and ECIL for trial in Panchkula District. The testing/trial was carried out in last week of September 2015. PUBLIC WORKS (GENERAL ADMINISTRATION)

(1)

Code No. : 1-1-4252-4059-01-051-99-51
Name of Scheme : District Administration
Outlay : ₹ 150,00,00,000/-

It is a State Plan Scheme. The State Government is constructing Mini Secretariat and allied buildings in the State. In most of districts the buildings have been completed. Suitable accommodation would be made available for the entire district level staff under one roof.

Hence, a provision of ₹ 150,00,00,000/- has been made for the year 2017-2018.

(2)

Code No. : 1-1-4270-4059-01-051-69-51
Name of Scheme : Construction of office building for State Vigilance Bureau
Outlay : ₹20,00,00,000/-

It is a State Plan Scheme for construction of office building of State Vigilance Bureau, Haryana (Non-residential) in the State during the year 2017-18.

Hence, a provision of ₹20,00,00,000/- has been made for the year 2017-2018 under this scheme.

(3)

Code No. : 1-1- 4269-4059-01-051-68-51
Name of Scheme : Construction of Rozgar Bhawan
Outlay : ₹ 1,50,00,000/-

It is a State Plan Scheme for the construction/completion of the building of Rozgar Bhawan (Non-Residential) in the State.

A provision of ₹ 1,50,00,000/- has been made for the year 2017-2018 under this scheme.

(4)

Code No. : 1-1- 4267-4059-01-201-99-51
Name of Scheme : Purchase of Land for Construction of Office Building
 (Home Guard & Civil Defence)
Outlay : ₹ 4,50,50,000/-

It is a State Plan Scheme for the purchase of land for construction of office buildings (Home Guard & Civil Defence).

A provision of ₹4,50,50,000/- has been made for the year 2017-2018 under this scheme.

(5)

Code No. : 1-1-4254-4059-60-051-99-51
Name of Scheme : Public Works
Outlay : ₹40,00,00,000/-

It is a State Plan Scheme for the construction/completion of PWD (B&R) buildings, Rest Houses, Guest Houses etc. in the State. In most of districts the buildings have been completed and in the remaining district the buildings are required to be constructed.

Hence, a provision of ₹40,00,00,000/- has been made for the year 2017-2018 to provide suitable accommodation to VIPs/Officers in the State.

(6)

Code No. : 1-1-4256-4059-60-051-98-51
Name of Scheme : Administration of Justice.
Outlay : ₹25,00,00,000/-

It is a State Plan Scheme for the construction of Judicial Buildings in the State. In most of districts the buildings have been completed and in the remaining districts the buildings of Judicial Complexes and Courts are required to be constructed in the State. To provide suitable accommodation for the entire district level staff under one roof will be very useful and economical for the State.

Hence, a provision of ₹25,00,00,000/- has been made for the year 2017-2018.

(7)

Code No. : 1-1-4255-4059-60-051-97-51
Name of Scheme : Excise and Taxation
Outlay : ₹ 25,00,00,000/-

It is a State Plan Scheme for the construction/completion of buildings of Excise and Taxation department in the State. In most of districts the buildings have been completed and in the remaining district the buildings are to be constructed.

A provision of ₹25,00,00,000/- has been made for the year 2017-2018 to provide suitable accommodation to the Excise and Taxation offices in the State.

(8)

Code No. : 1-1-4251-4059-60-051-96-51
Name of Scheme : Jails
Outlay : ₹55,00,00,000/-

It is a State Plan Scheme. There are three Central Jails at Ambala, Hisar and Hisar-II, sixteen District Jails at Karnal, Gurgaon, Faridabad, Jhajjar, Yamuna Nagar, Panipat, Palwal, Narnaul, Bhiwani, Sirsa, Sonipat, Jind, Kurukshetra, Rohtak Rewari and Kaithal having capacity of 16647 prisoners are functioning in the State. As per population statement, as stood on 1.11.2014, there are 18164 prisoners confined in the various Jails of State. To overcome the problem of overcrowding, the construction of new District Jail at Panipat having capacity of 500 prisoners has already been started and the construction of the new District Jail at Rewari having capacity of 500 prisoners are starts shortly. The land for construction of new district jail at Nuh has already been acquired. The process of acquisition of land for the construction of new District jails at Fatehabad, Panchkula and Palwal is under way.

Hence, a provision of ₹55,00,00,000/- has been made for the year 2017-2018.

(9)

Code No. : 1-1-4271-4059-60-051-64-51
Name of Scheme : Construction of MLA Flats
Outlay : ₹10,00,00,000/-

This is a new State Plan Scheme. A budget provision of ₹10,00,00,000/- is required in the Budget Estimates 2017-18. The Construction of MLA Flats is proposed to be constructed through PW(B&R) Department.

Hence, an amount of ₹10,00,00,000/- is being provided under this scheme for the year 2017-18.

(10)

Part-II Sharing Basis

Code No. : 2-1-4256-4059-60-051-98-51
Name of Scheme : Administration of Justice
Outlay : ₹30,00,00,000/-

It is a sharing basis Central Plan Scheme for the construction of judicial buildings in the State. In most of districts the buildings have been completed and in the remaining districts the buildings of Judicial Complexes and Courts are required to be constructed in the State. A provision of ₹30,00,00,000/- has been made for the year 2017-2018, out of which ₹12,00,00,000/- is to be provided by State Government and remaining amount of ₹18,00,00,000/- is to be borne by Government of India. To provide suitable accommodation to the entire district level staff under one roof will be very useful and economical for the State.

Hence, a provision of ₹30,00,00,000/-(including Centre Share) has been made for the year 2016-2017.

(1)

Code No.	1-1-5002-2040-51-001-99-98
Name of the scheme.	Headquarter Staff-Establishment Expenses
Outlay	₹ 2, 00, 00,000/-

It has also been decided to establish a Tax Research Unit in the Department at Panchkula for which an amount of ₹ 2, 00, 00,000/- has been earmarked during the year 2017-18.

Hence, a provision of ₹2, 00, 00,000/- has been made under the Scheme for the year 2017-18.

(2)

Code No.	1-1-5002-2040-51-001-99-99
Name of the scheme.	Headquarter Staff-Information Technology
Outlay	₹ 38,55,00,000/-

To complete the Mission Mode Project of commercial Tax an amount of ₹ 38,55,00,000/- is required during the year 2017-18. The Department was selected under the NEGP Plan of Govt. of India for Mission Mode Project for Commercial Taxes (MMPT). Under this project all activities of the Excise and Taxation Department will be comprehensively computerised and e-service will be implemented for the facility of citizens. The project activities were supported only up to 31st March 2014 by the Centre. Under this project consultants (M/s Ernst & Young Pvt. Ltd.) were engaged at ₹95.00 lakh. M/s Wipro Ltd. has been engaged as SI for this project at ₹ 115.00 crore. This System Integrator will implement this project in approx. 18 months and will maintain the system for 5 years. As the payments to be made to the System Integrator and Consultant are milestone based, the anticipated amount to be paid to System Integrator in the financial year 2017-18 would be approx. ₹38.55 crore and for Consultants it would be ₹ 33.25 lakh.

Hence, a total provision of ₹ 3855.00 lakh has been made under the scheme for the year 2017-18.
