The candidate must also have passed laboratory practical with at least 75% marks (aggregate) during their final qualifying degree. (All OBC category (non creamy layer) candidates are eligible to 10% relaxation in the percentage of marks in the qualifying examination in relation to open category. The SC/ST and Person with Disability (PWD) candidates who have passed the qualifying examination irrespective of their percentage of marks are eligible to appear in the Entrance Examination).</p>
54	Central	SCQP08	(Research) in Chemistry	M.Sc.	<p>1. Bachelor's degree (with Chemistry as one of the main subjects) under the 10+2+4 pattern of education in Chemistry. OR Students have been admitted to M.Sc. degree programme (regular mode, not distance mode) in an institution through nationwide entrance test, following a three-year undergraduate degree, and completed one-year M.Sc. programme in Chemistry.</p> <p>2. AND the candidates must have passed with at least 75% marks aggregate at the end of the four-year UG programme, or first year M.Sc. degree programme with following pre-requisite courses – Basic Organic, Inorganic and Physical Chemistry, Quantum Chemistry, and at least one or more of topics in Molecular Spectroscopy and Group Theory. The candidates must also have passed laboratory practicals with at least 75% marks (aggregate) during their final qualifying degree. (All OBC category (non creamy layer) candidates are eligible to 10% relaxation in the percentage of marks in the qualifying examination in relation to open category. The SC/ST and Person with Disability (PWD) candidates who have passed the qualifying examination irrespective of their percentage of marks are eligible to appear in the Entrance Examination).</p>
55	Central	SCQP19	(Research) in Mathematics	M.Sc.	<p>1. Bachelor's degree in Mathematics (Hons) under the 10+2+4 pattern of education in Mathematics. OR Students have been admitted to M.Sc. degree programme (regular mode, not distance mode) in an institution through nationwide entrance test, following a three-year undergraduate degree, and completed one-year M.Sc. programme in Mathematics.</p> <p>2. AND the candidates must have passed with at least 75% marks aggregate at the end of the four-year UG programme, or first year M.Sc. degree programme with following pre-requisite courses – Real Analysis, Complex Analysis, Functional Analysis, Linear Algebra, Group Theory, Ring Theory, Elementary Number Theory, Topology, Measure Theory, Ordinary Differential Equations, Computational Mathematics. (All OBC category (non creamy layer) candidates are eligible to 10% relaxation in the percentage of marks in the qualifying examination in relation to open category. The SC/ST and Person with Disability (PWD) candidates who have passed the qualifying examination irrespective of their percentage of marks are eligible to appear in the Entrance Examination).</p>
