

# 1. DRUG DISPOSAL MONITORING SYSTEM (DDMS)

DESIGNED & DEVELOPED BY THE HON'BLE HIGH COURT AT CALCUTTA

WEB HOSTED BY NIC, GOVT. OF INDIA

WEB SECURITY AUDITED BY STQC, GOVT. OF INDIA

## INTRODUCTION

URL: <https://ddms.calcuttahighcourt.gov.in>

Drug Disposal Monitoring System or DDMS is a real-time data reporting software which will note as well as monitor all the seized items that come under the NDPS Act all over in West Bengal. This software will also monitor the subsequent processes after seizure, i.e. storage of the seized items as aforesaid, sampling, certification by the learned judicial magistrates in courts, and eventually the disposal of the seized items.

DDMS will connect different stake holders and connects different stakeholders, e.g. Police Stations, Law Enforcement Agencies (like NCB, DRI, Excise, Customs, CID, etc), Superintendent of Police of each Police District, all the courts of learned Judicial Magistrate Courts which are designated for inventory of seized items, the NDPS Courts, and finally the Hon'ble High Court at Calcutta.

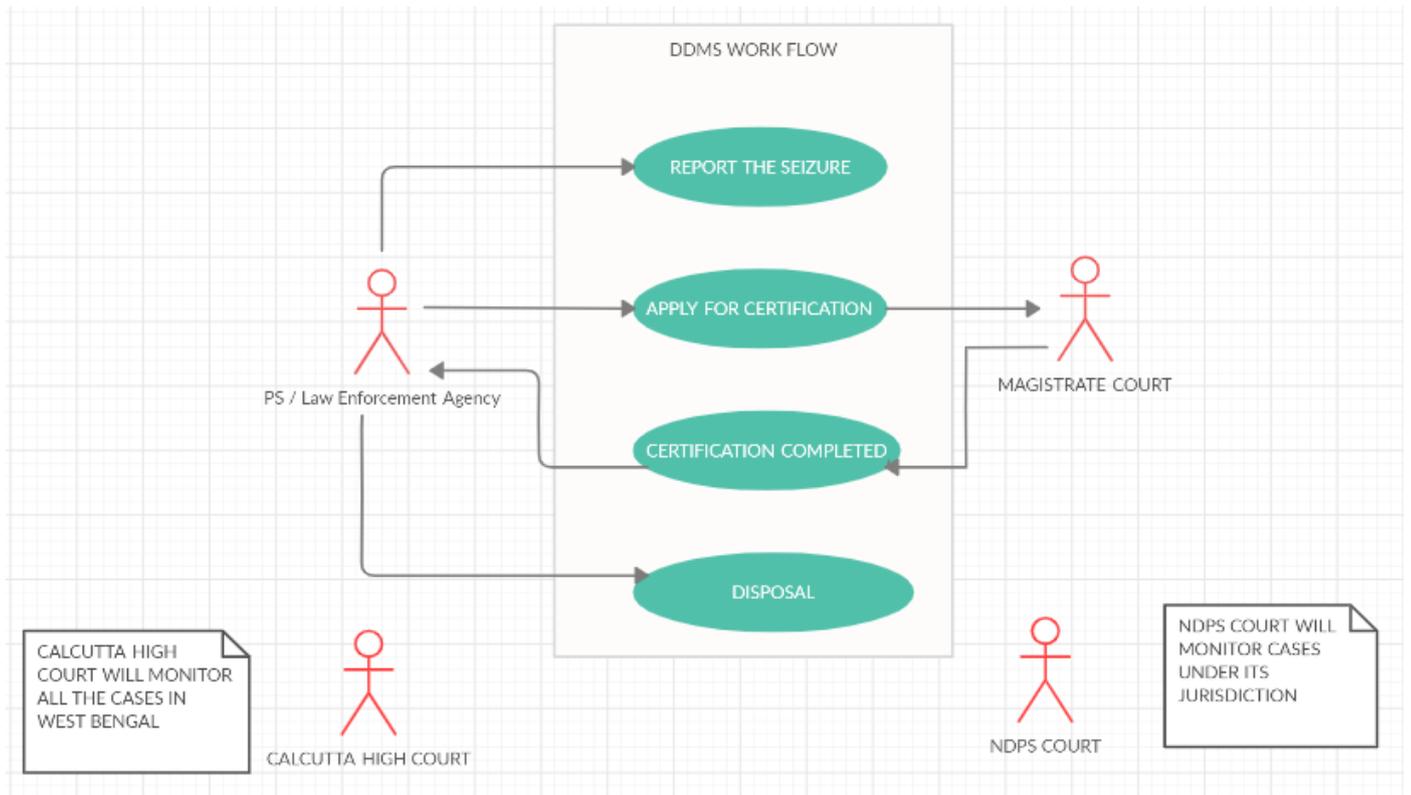

Objectives of this system:

1. The primary objective of this system is to monitor whether the seized narcotics and psychotropic substances are disposed of in time and without delay and the process of inventory is done immediately.
2. By virtue of this DDMS, the reports can be send to the hon'ble Calcutta high court by the stakeholders directly without collecting the seizure reports from the police station of their respective jurisdiction.

## TYPES OF USERS

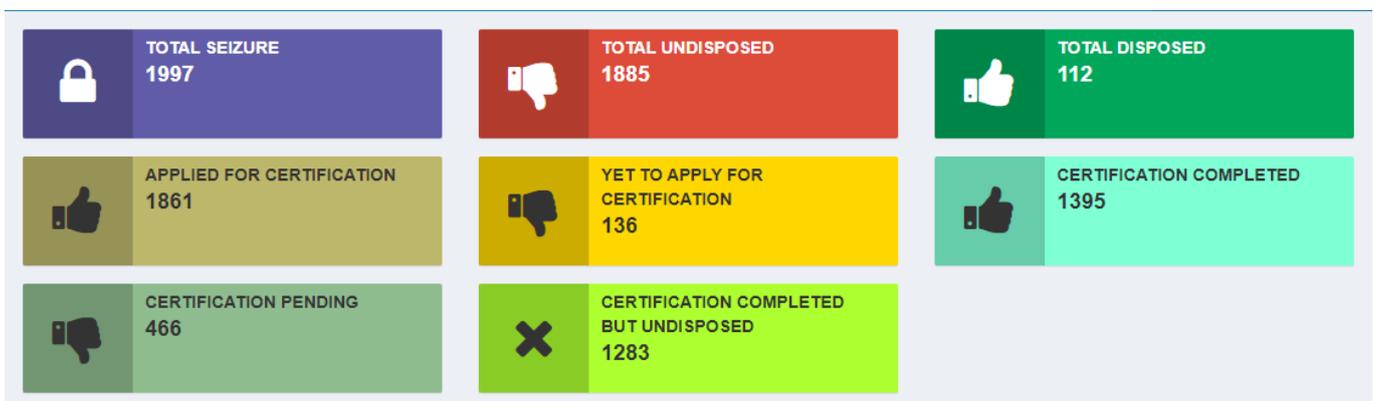

- Police Stations.
- Law Enforcement Agencies, e.g. CID, Narcotic Cell (Kolkata Police), Narcotic Control Bureau, West Bengal Excise, Customs, Directorate of Revenue Intelligence, etc.
- Drug Disposal Committee of each Police District.
- Learned Courts of Judicial Magistrate designated for the inventory of seized narcotics.
- Learned Special Judges of NDPS Courts.
- Hon'ble Calcutta High Court.

## PROCESS FLOW

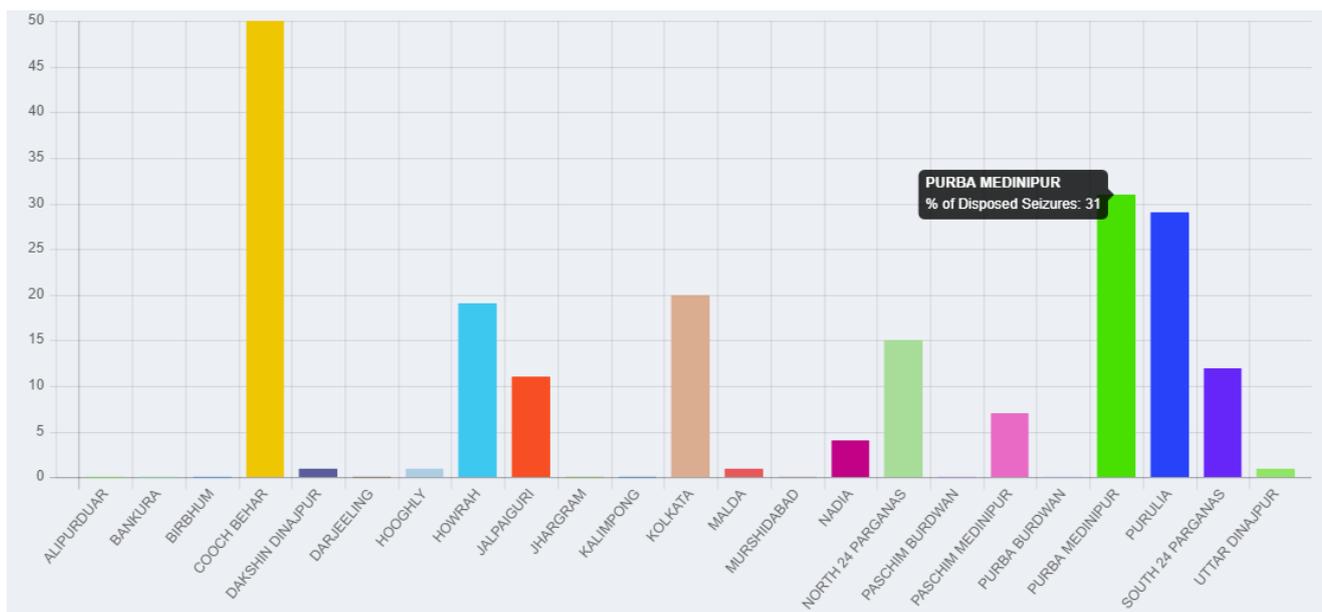

## TYPES OF REPORTS AND STATISTICS

- In the dashboard of the Calcutta High Court, the following figures can be seen showing the Total no. of seizures of narcotics in the state of West Bengal, Total Disposal, Completion as well as Pendency of Inventory of seizures, etc.

- The dashboard of Calcutta High Courts also contains graphical representation of Disposal of seized narcotics district wise.

- Monthly Report can be generated at the Calcutta High Court’s end containing details of seizures in NDPS Cases. Following is the synoptical view of the Monthly Report.

# 3.HARDWARE RESOURCE MANAGER

DESIGNED & DEVELOPED BY HON'BLE HIGH COURT AT CALCUTTA

## INTRODUCTION

This is a software which is create for the purpose of Computer stock maintenance, distribution, repair, disposal of computer hardware peripherals along with various reports generation tools.

## MODULE DESCRIPTION

- **STOCK:**

STOCK ENTRY form reflects device details along with vendor details and billing details. In the very first step, user has to input the categories via ADD CATEGORY form so that STOCK ENTRY form can take the entries under specified categories. STOCK ENTRY form takes Product IDs of a particular category of device (e.g. If 10 laptops are to be taken into stock then 10 unique laptop IDs have to be entered by user)

STOCK DETAIL report view box will show the detailed stock along with age of the device. User can also download report in PDF and EXCEL format. Report can be filtered by the name,category, delivery date, age of the device.

VENDOR DETAIL report view box will show detail of vendor and billing. Report can be filtered by order number, name of the vendor and device. Reports can be downloaded in PDF or Excel format.

The screenshot displays the HRM application interface with three main panels:

- ADD CATEGORY:** Includes a form to add a new category, radio buttons for "With Device ID" and "Without Device ID", and "ADD" and "RESET" buttons. A note explains that categories added here will be reflected in the "STOCK ENTRY" and "STOCK DETAIL" sections.
- STOCK ENTRY:** A form for entering stock details, including fields for "Select Category", "Device Name", "Date of Delivery", "Vendor Name", "Order ID", "Quantity", "Rate", "GST%", "Total Amount", and "Remarks". An "ADD TO STOCK" button is at the bottom.
- STOCK DETAIL:** A report view showing a table of stock items. It includes a "SEARCH STOCK" button and options to download the report in "Excel" or "PDF" format. The table lists device names, quantities, and ages of batches.

Device	in Stock	Age of Batch
DELL USB MOUSE delivered on 06-09-2021	20	4 mons 21 days

- **DISTRIBUTION:**

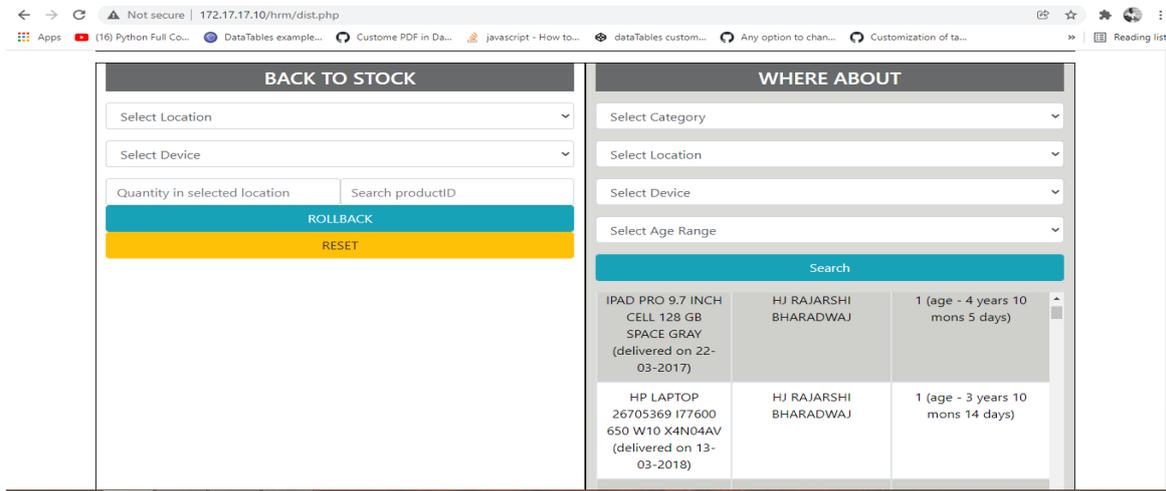

LOCATION form allows user to add various locations (court1, court2, judges' lounge, video conference studio etc.) of Calcutta High Court.

DISTRIBUTE form helps user to distribute a particular product in a particular location.

BACK TO STOCK form helps user to take back a product from its delivered location into stock.

WHERE ABOUT report view box will show which hardware device is located in which location in the entire Calcutta High Court. This report can be filtered by device category, location, name and age. This report can be downloaded in PDF or Excel format.

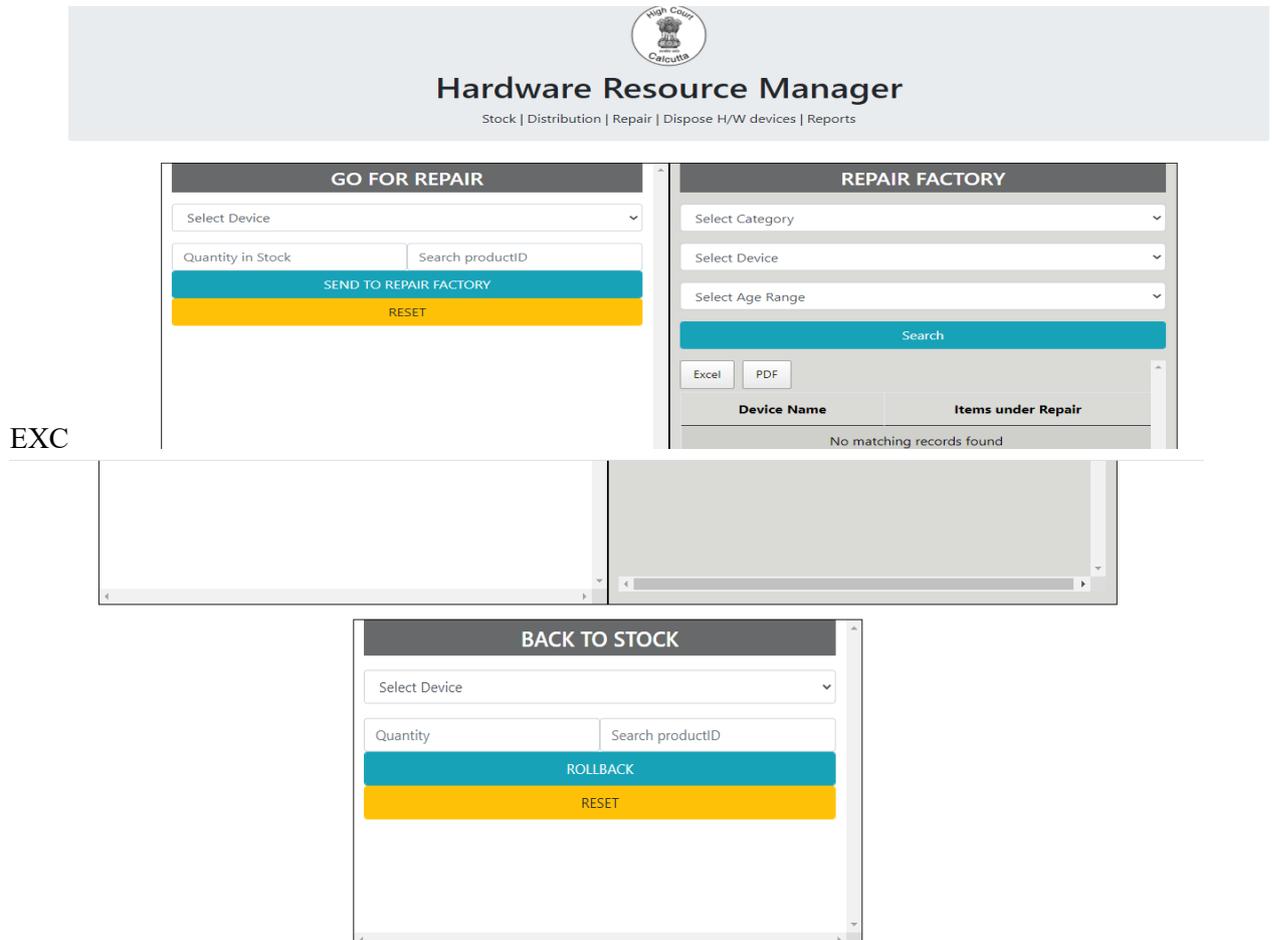

- **REPAIR:**

In this module GO FOR REPAIR form allows user to send repairable devices to the factory for repair. A device must be rolled back from distribution into stock before sending it to repair factory.

BACK TO STOCK form allows user to take back a device into stock after it is repaired.

REPAIR FACTORY report view box shows the list of devices taken to factory for repair. This report can be filtered by category, device name and age range of the devices. This report can also be downloaded as PDF or

EXC

- **DISPOSE:**

In this module DISPOSE DEVICE form helps user to dispose any scrapped device into disposal godown. After any device is disposed, can't be rolled back into stock. This event is a final event for any device.

DISPOSAL GODOWN shows detail of devices disposed along with their age. This report can be filtered by device category. This report can be downloaded either in PDF or in Excel format.

Before disposal of any device user must take the scrapped device from its location back in stock. Then only it can be disposed.

The screenshot displays the HRM interface. At the top, there is a navigation bar with 'HRM' on the left and 'Stock Distribution Repair Dispose Report' on the right. Below this is a header for 'High Court Calcutta' with the court's emblem. The main title is 'Hardware Resource Manager' with a subtitle 'Stock | Distribution | Repair | Dispose H/W devices | Reports'.

The interface is split into two main sections:

- DISPOSE DEVICE:** This section contains a 'Select Device' dropdown menu, a 'Quantity' input field, a 'Search productID' input field, and a 'Remarks if needed' text area. At the bottom of this section are two buttons: 'SEND TO DISPOSAL GODOWN' (blue) and 'RESET' (yellow).
- DISPOSAL GODOWN:** This section features a 'Select Category' dropdown menu and two buttons for 'Excel' and 'PDF'. Below these is a table with two columns: 'Device Name' and 'Items Disposed'.

Device Name	Items Disposed

- **REPORT:**

In this module PRODUCT DETAIL WITH IDs report view box will show all devices details along with their product IDs, current position (location), NEW/OLD product status and age of that particular product. This view will not show products taken into stock not having IDs. That can be already viewed in STOCK page's STOCK DETAIL report view area. This report can be filtered by order number, vendor name, device name, device category, age range and current position of the device. This report can also be downloaded either in PDF or in Excel format.

PRODUCT TRACKING report view area will show you the tracking of a particular product having unique ID from the very day it was taken into stock. If user writes a particular device's ID in the search box and press the search button, user can see the products entire track right from the day it was delivered in Calcutta High Court by its vendor.

## 10. AGENDA MANAGEMENT SYSTEM (AMS)

URL- <http://172.17.17.10/ams/>

This application is meant for managing Administrative Committee (AC) and Full Court Committee (FC) meeting agendas.

- We can create agenda list and tag each agenda with category
- We can set an upcoming meeting by importing pending agendas
- We can upload **paper books** for an upcoming meeting
- We can upload **resolution** scan copies associated with a particular meeting
- We can mark any agenda “**Disposed**” or “**Transferred to FC** ” or just leave it as pending from the list of agendas discussed in a meeting
- Any time we can view list of pending, disposed, transferred agenda list.
- We can upload legacy data in the form of **meeting dates - resolutions - paper books**
- The above points are applicable for both AC and FC module.
- Any time user can switch between AC and FC.

## ➤ E-Gatepass

DESIGNED & DEVELOPED BY THE HON'BLE HIGH COURT AT CALCUTTA

WEB HOSTED BY NIC, GOVT. OF INDIA

URL: <https://www.calcuttahighcourt.gov.in/E-Gate-Pass-Application>

This portal gives the access to the litigants and the outsiders in the court premises. This is an OTP based module currently running and linked in Calcutta high court official website. Visitors have to put the basic details and purpose of their visit along with the details of the ID proof which visitors need to bring at the time of admission. Based on the e-gatepass generated by this module a visitor needs to bring the identity card he/she has mentioned during filling up the form. Visitors will get an SMS as the gatepass which he/she needs to show to the police personnel at the time of entry.

The screenshot displays the Calcutta High Court website's interface for the e-Gate-Pass application. The top navigation bar is red and contains links for Judges, Cause Lists, Case Status, Orders & Judgments, Services, Notifications, Login, and English. The main content area features a red 'e-Filing Notification' button and a blue 'e-Gate-Pass' button. A red arrow points to the 'e-Gate-Pass' button with the text 'Click on this'. Below the navigation bar, there is a list of notifications, including 'Bar Association Room) IMP' and 'Notice regarding list and determination of Hon'ble Justice Shekhar B. Saraf for 31.01.2022 IMP'. A photograph of the Calcutta High Court building is also visible. The bottom navigation bar includes links for Display Board - Jalpaiguri, Display Board - Port Blair, e-Pay, Commercial Courts, District Courts, and Important Links.
