Best Practices in the area of
Information & Communication Technology
by
The High Court of Gujarat

Live Streaming of High Court Proceedings

- A visionary initiative spearheaded by Honourable the then Chief Justice Hon'ble Mr. Justice Vikram Nath, now Judge, Supreme Court of India; was the experimental live streaming of proceedings of the Chief Justice's Court on YouTube from 26th October, 2020, which was formally launched for other Benches of the High Court on 17th July, 2021.
- The High Court of Gujarat has continued with live streaming of Court Proceedings even after switching to physical functioning of the Court from 17th August, 2021. The Information Technology Cell implemented an in-house technical solution for live streaming of the Court Proceedings using computer systems, webcams, digital audio interface and public address systems.
- The live streaming is being done on the official YouTube Channel of the High Court which is now touching a subscriber base of 1,24,000 and total cumulative views of 1.89 Crore.

SCMS War Room at High Court of Gujarat

Objectives of SCMS War Room at High Court of Gujarat

WAR ROOM

Functionalities and Objectives

- ❑ To act as a centre to maintain compiled statistics relating to all the Judicial as well as administrative aspects including financial and human resources using comprehensive Management Information System (MIS) software, and make the same available to the concerned sections of the Registry.
- ❑ Finalizing proformas of all such statistical reports and returns that have to be maintained periodically and/or required for being shared with the Honourable Supreme Court of India, Parliament, State Government, Legislature etc., from time to time.
- ❑ All the information to be maintained with daily recording of statistics so that, after a certain cut-off date, consistently accurate information of a past '**as on date**' status can also be generated anytime and inconsistency of reports generated at different points of time is completely avoided.
- ❑ To study the various information categories/items required relating to Subordinate Courts by the Administrative "D" Branch of the High Court of Gujarat from time to time; and maintain all such data so that manual process of requisitioning and compiling the information from Subordinate Courts is avoided.
- ❑ All statistics touching upon all the six elements of the National Court Management Systems (NCMS) also to be covered in the Statistics by the War Room.
- ❑ In addition to monitoring the infrastructural resources in this War Room, monitoring and following up of Budgets including the Finance Commission Funds also to be taken up with the aid of latest statistics and in-depth analysis thereof.
- ❑ To be the centre for data warehousing and data mining for the State Judiciary and the High Court.

Email Updates to Ld. Advocates of whole Life Cycle of a Case

- **By now Ld. Advocates are shared with automatic email updates of case status and progress of the whole life cycle of a case. Email Notifications on filing, registration, Scrutiny, Disposal, uploading of orders and judgments, process issuance, Caveat Filing & Matching and Progress of Certified Copy.**
- **Automatic transmission of email notifications to learned Advocates and Parties in person on events like filing, registration, Scrutiny, Disposal, uploading of orders and judgments and process issuance were developed and implemented during the pandemic crisis. Email notifications upon caveat filing, caveat matching and progress of certified copies have proved to be a real value addition to these services for the learned advocates.**

Order passed by the High Court upon the impugned Order of Judicial Officers challenged in the High Court

- **A unique email facility was already implemented for the Judicial Officers of Gujarat. All Judicial Officers get automatic email, whenever any order is passed by the High Court of Gujarat, upon any impugned order of the particular Judicial Officer. This facility has been very popular amongst all Judicial Officers of the State.**

Order / Judgment uploaded by the Judicial Officers and Judgments of Hon'ble High Court Judges

- **A unique email based initiative of Gujarat High Court, for all the Judicial Officers, was that all the orders and judgments passed and uploaded by the Judicial Officer, have started to be automatically sent to his/her official email address.**
- **This has immensely helped the Judicial Officers in automatically creating a repository of orders and judgments, with facility of searching on many criteria.**
- **All the judgments passed by a Bench of the High Court are automatically sent in email to the respective Judges of the Bench for their information & confirmation of the same having been uploaded by PS/PPS.**

Live Display Board on Youtube and Official Telegram Channel

- A new display board is telecast live on High Court YouTube Channel
- High Court's official Telegram Channel for sharing circulars, miscellaneous notification, causelists etc. presently has more than 8800 subscribers getting notification and updates.

Complete, Accurate, Regular and Efficient (CARE) data updation in the Case Information System (CIS)

- **SCMS War Room is regularly monitoring various parameters of District Judiciary and High Court, namely age of the cases, case types, nature of cases, stage (purpose) of the cases, act-section involved in the case, etc.**
- **Upon observing various reports of pendency of District Judiciary of the State, Honourable the Chief Justice has been pleased to pass the necessary directions to the Judicial Officers and the staff concerned of all the Courts to ensure Complete, Accurate, Regular and Efficient (CARE) data updation in the CIS.**

Complete, Accurate, Regular and Efficient (CARE) data update in the Case Information System (CIS)

HIGH COURT OF GUJARAT

CARE (Complete, Accurate, Regular and Efficient) Data Update Directions of Honourable the Chief Justice as amended on 06/05/2022

- a. Complete, Accurate, Regular and Efficient (CARE) data update in the CIS must be given utmost importance and priority by all the Judicial Officers and the officers/staff concerned.
- b. Henceforth, whenever a matter is listed, all the pending CARE data entry of the case be done without fail by the staff of the concerned Court; including (but not limited to) the following details:
 - i. Nature of the Case for the particular Case Type
 - ii. All the Acts-Sections involved in the case
 - iii. Correct & exact stage (purpose) of the case for next listing of the case
 - iv. Complete FIR Details in all Police cases
 - v. Latest status of Under Trial Prisoners in the UTP matters
 - vi. Status of Stay in the matter stayed by any of the Superior Courts
 - vii. Next date of the case with accurate description of the proceedings of the day
 - viii. If the matter is disposed of on that day, order/judgment uploading with actual and accurate disposal type
 - ix. If the matter is adjourned, 'Delay Reason' in all matters which are more than 2 years old
 - x. **Status of the Litigant under Litigant Update option such as Absconding / Abated / Dead / Name quashed from charge-sheet / Permanently exempted / in jail for another offence etc.**
- c. All the Principal District Judicial Officers should impress upon all concerned that, henceforth, a matter if listed but is found to lack CARE data update by end of the day, the

Court staff concerned shall be held responsible for the same. List of CIS usernames for the Court Staff must be as per the instructions already issued and should be shared by the Court establishments with the IT Cell of the High Court in soft copy from time to time.

- d. In all fresh cases being registered, the CARE data entry of Case Nature, Act-Section, FIR Details, stage for first listing must be updated by the Central Filing Centre (CFC) before allocation to the concerned Court. Concerned officer/staff of the CFC dealing with matter be made responsible for CARE data updating upto the stage of registration and allocation.
- e. All the Principal District Judicial Officers must, on a daily basis, check the reports on District Judicial Data Grid (DJDG) for monitoring the deficiency in the aforesaid CARE data update and for analysis of the arrears.
- f. All the Judicial Officers must ensure uploading of all orders/judgments of the cases disposed of by the Judicial Officers during their tenure at the present station, without fail. For all non-uploading of Orders/Judgements, the concerned Judicial Officer and his/her assisting Stenographer at the relevant time, shall be held responsible.
- g. All the Principal Judicial Officers should scrupulously ensure that no cases unduly remain unattended without allocation to a Judicial Officer i.e. in a vacant Court without a Judicial Officer, in any CIS invalid Court (0, -1, -2) etc.
- h. Wherever, the Court Manager is posted, he/she must ensure the CARE data entry in all cases and submit weekly reports of compliance & non-compliance of CARE data entry to the Principal District Judicial Officer. Where the Court Manager is not posted, this task be assigned to the appropriate Officer by the concerned Principal District Judicial Officer.
- i. The Branches of the High Court Registry and all the Court Establishments of the District Judiciary must give utmost preference to making use of the data which is updated in the CIS, rather than resorting to manual collection and compilation of data.

Judicial Officer Helpdesk for Information Technology [JOHIT]

Telegram Channel

- An online Helpdesk is on Telegram platform for all the Judicial Officers for queries relating to use of Information Technology in their day-to-day work, named as JOHIT.
- The queries sent by the Judicial Officer on Telegram contact of the IT Cell of the High Court will be responded in a proper Q & A format through a private Telegram channel; within one working day.
- To address the inhibition of the J. O.s from asking queries, private Telegram channel option has been chosen for sharing of Q. & A.s where the identity will not be disclosed.
- Publication and circulation of soft copy of monthly digest of the new Q. & A.s and quarterly digest of the FAQs will also be done by the IT Cell.

Judicial Officers' Portal

- **This Paperless Portal for all the Judicial Officers has facilities for submission of leave application in e-mode, its approval by the higher authorities in e-mode and even the communication of the leave application instantly through SMS and email.**
- **The Judicial Officers can apply for leave at any point of time from anywhere.**
- **J. O. Portal would also maintain the leave history and leave record of all the Judicial Officers, and would also gradually integrate the performance assessment statistics of the Judicial Officers in live mode.**
- **This portal also has a secure mechanism of submitting Self Appraisal by the Judicial Officers in online mode, which would be evaluated by the Reporting Authorities in e-mode. The Annual Property Statement to be submitted by all the Judicial Officers as per the applicable rules, would also now be submitted online through this Portal.**

(5) We have heard learned counsel appearing for respective parties at length.

(5) અમે સંબંધિત પક્ષકારોના દિવાન કાઉન્સેલશ્રીઓને સાંભળ્યા.

(5.1) At the outset it is required to be noted that the original award dated 11.06.1993 passed under Section 11 of the Act, 1894 was a consent award with respect to the land owned by the present respondent – original land owner as well as other lands acquired for re-settlement of Narmada Project oustees. It is also to be noted that thereafter and pursuant to the consent award, the amount of compensation (90% + 10%) was in fact offered to the land owner and he was called upon to accept the compensation offered, but the respondent – original land owner refused to accept the compensation offered and insisted to withdraw the acquisition.

(પ.૧) ગરુઆતમાં એ બાબત નોંધવી જરૂરી છે કે ૧૯૯૪ના કાયદાની કલમ ૧૧ હેઠળનો તા.૧૧.૦૬.૧૯૯૩ના રોજનો મૂળ એવોર્ડ હાલના સામાવાળા - મૂળ જમીનમાલિકોની જમીન તેમજ નર્મદા યોજનાના વિસ્થાપિતોના પુનર્વસન માટે સંપાદિત કરાયેલ જમીને સળગ કન્સેન્ટ એવોર્ડ હતો.

It is also to be noted that thereafter and pursuant to the consent award, the amount of compensation (90% + 10%) was in fact offered to the land owner and he was called upon to accept the compensation offered, but the respondent – original land owner refused to accept the compensation offered and insisted to withdraw the acquisition.

અહીં એ પણ નોંધવું રહ્યું કે, ત્યારબાદ અને કન્સેન્ટ એવોર્ડ થતાં, હરીકલમાં જમીનમાલિકોને વળતરની રકમ (૯૦% + ૧૦%) પરસ્તાવિત કરવામાં આવી હતી અને તેને પરસ્તાવિત વળતર સ્વીકારવા માટે કહેવામાં આવ્યું હતું, પરંતુ સામાવાળા-મૂળ જમીન માલિકે પરસ્તાવિત વળતર સ્વીકારવાનો ઇનકાર કર્યો હતો અને સંપાદન પરત લેવાનો આગ્રહ કર્યો હતો.

It was the case on behalf of the appellants before the High Court that the possession of the land in question was taken by drawing spot panchnama at the time of passing of the consent award.

Online RTI Portal

- As directed by Hon'ble the Supreme Court of India, the IT Cell of the High Court has developed in-house a Portal to facilitate filing of RTI Applications and Appeals while also ensuring automatic transmission of replies of the Ld. PIO and the orders passed by the Ld. First Appellate Authority to the RTI Applicant / Appellant.
- The applicable fee for the RTI will be accepted through online payment.
- The interface of the portal would be in English as well as Gujarati to facilitate ease of understanding for one and all.
- This platform also has workflow integration for processing of the RTI application for the office of the Ld. PIO.
- The portal is under security audit and would be soon made live with necessary formalities of rules amendment.

Periphery Modules Development at High Court of Gujarat

- **In consonance with National Core Case Information System (NC CIS) software, periphery software modules have been developed in-house by the IT Cell of the High Court relating to Causelist Generation, Process Generation, Certified Copy, Report Generation, Case File Tracking, IA Party Numbering etc.**
- **The periphery work in perfect sync with the Core part of the CIS.**

Vertical Integration of Case Information System of High Court and District Judiciary

- **The data of CIS of District Judiciary is regularly synchronised with the High Court Backup server which is integrated with the High Court CIS server.**
- **As per direction from the Supreme Court of India about prioritising the listing of POCSO cases as per the age of POCSO victim, a mechanism has been developed whereby the age of the POCSO victim updated in the respective District Court establishment is automatically updated in High Court CIS server.**

In house CIS Integrated Document Management System On Elastic Search Mechanism

- **In house Software Developed for Document Management of Scanned Case Files.**
- **Meta-data integrated with National Core Case Information System (NC CIS) and High Court CIS Periphery.**
- **No need of redundant data entry for scanning project.**
- **Elasticsearch NOSQL based Analytic Engine Used for meta-data as well as content searching.**

A. I. based Text to Voice for Computerised Callout of Ld. Advocates and Parties from C.I.S

- **Using the Artificial Intelligence(A.I.) based Natural Language Processing technology of Google, a periphery software solution has been developed by the software development team of the I. T. Cell of the High Court in integration with Case Information System (CIS) being used at the High Court of Gujarat and Courts in the District Judiciary of the State, whereby the names of the Ld. Advocates, Parties and the Case Numbers along with the Sr. Nos. on the causelists can be pronounced by the computer system using appropriate sound amplification.**
- **Google Cloud subscription would be used for bulk conversion of text data into voice messages to be stored in the CIS Server periphery.**
