Judicial Training & Research Institute (JTRI), Lucknow: Training and Capacity Building Initiatives for Judicial Officers

Judicial Training & Research Academy, Uttar Pradesh conducted multiple training programmes during July 2026 for judicial officers across the State. Two batches of Early Career Training (**ECT_14_2026**) were organised in offline mode at the Academy from 06 July 2026 to 10 July 2026 and 13 July 2026 to 17 July 2026, respectively. These programmes were attended by 73 and 56 Judicial Officers of the Civil Judge (Senior Division) Cadre. Additionally, Early Career Training (**ECT_16_2026**) was conducted online through the Zoom Platform on 19 July 2026 for all Judicial Officers of Uttar Pradesh, facilitating wider participation and outreach across the State.

Andhra Pradesh Judicial Academy: Training and Skill Development Initiatives for Court Personnel

Andhra Pradesh Judicial Academy conducted two training programmes during July 2026 catering to different categories of court personnel. **ECT_6_2026** was organised as a one-day offline programme on 18 July 2026, attended by 101 High Court Digitization Staff members. Subsequently, **ECT_8_2026** was conducted on 25 July 2026 in a hybrid mode (Offline and Online), benefiting 1,953 participants, including Administrative Heads, Nazarat Staff and Process Servers. These programmes were aimed at enhancing the capacity and professional competence of court staff through focused training and outreach initiatives.

Maharashtra Judicial Academy: Statewide Training Initiative for Administrative Head Staff and Court Managers

Maharashtra Judicial Academy conducted **ECT_5_2026**, a one-day training programme for Administrative Head Staff and Court Managers, across multiple districts of Maharashtra and Goa on 25 and 26 July 2026. The programme was delivered in offline mode at various district court establishments. The programme witnessed extensive participation from judicial administration personnel, with a cumulative attendance of 2,420 Administrative Head Staff and Court Managers, reflecting the Academy's commitment to strengthening court administration and enhancing the managerial capacities of court personnel across the region.

West Bengal Judicial Academy: Specialised Training Programmes for Judicial Officers and District System Administrators

The West Bengal Judicial Academy scheduled **ECT_14_2026** for Judicial Officers of the District Judge Cadre in physical mode, comprising a total of six sessions conducted on 15 July 2026 (one session), 16 July 2026 (three sessions) and 30 July 2026 (two sessions). A total of 32 Judicial Officers of the District Judge Cadre participated in the programme. The West Bengal Judicial Academy also organised **ECT_11_2026** for District System Administrators. The programme was conducted over multiple batches from 3 July 2026 to 1 August 2026. Each training day comprised six hours of instruction and the programme was attended by 195 District System Administrators.

Chhattisgarh State Judicial Academy: Promoting Effective Implementation of Judicial Record Digitization

The Chhattisgarh State Judicial Academy conducted a One-Day Training Programme for High Court Digitization Officials (**ECT_6_2026**) on 11 July 2026 in offline mode at Bilaspur, with the participation of 24 officials. The programme aimed to strengthen the technical and operational capacities of officials involved in the digitization of judicial records and familiarise them with the objectives, processes and implementation requirements of the Scanning and Digitization Project.

The training covered the importance of digitization, the legal framework governing electronic records under Section 7 of the Information Technology Act, 2000 and the objectives of digitization initiatives at the High Court and District Court levels. It also addressed Case Management Systems and the management of pending and disposed judicial and administrative records. Detailed sessions focused on the infrastructure requirements and standard workflow for digitization, including record preparation, weeding out obsolete documents, file verification, metadata entry, scanning, Optical Character Recognition (OCR), Intelligent Character Recognition (ICR), PDF/PDF-A creation and preservation and multi-level quality checks.

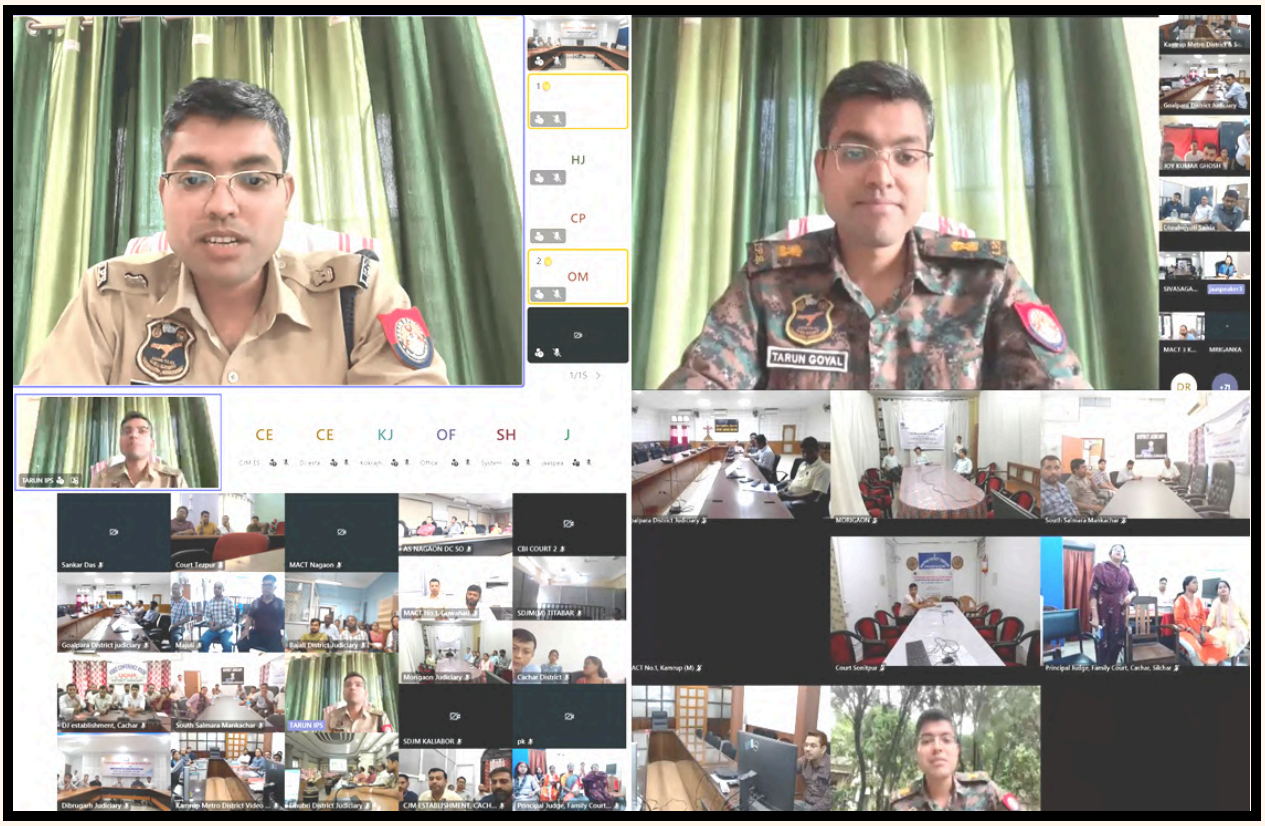

The programme concluded with an interactive discussion, providing participants an opportunity to clarify operational issues and exchange practical insights on the effective implementation of judicial record digitization initiatives.

Delhi Judicial Academy: Enhancing Digital Skills of District Judiciary Staff

The Delhi Judicial Academy conducted **ECT_9_2026** on 28 July 2026 as a one-day physical training programme for the staff of the District Judiciary. The programme was organised with the objective of enhancing the digital competencies and technical capabilities of court staff, thereby supporting the effective implementation of e-Courts initiatives and technology-driven court administration. The training provided participants with practical exposure to digital tools, electronic record management processes and the efficient utilisation of information and communication technology in judicial functioning. A total of 113 officials from the District Judiciary participated in the programme, contributing to the strengthening of digital infrastructure and service delivery within the justice delivery system.

Assam Judicial Academy: Capacity Building of Court Personnel through Digital Training Programmes

The Judicial Academy, Assam conducted a series of district-level training programmes in June and July 2026 to strengthen digital proficiency and promote effective use of eCourts services and technology-enabled judicial processes among various stakeholders in the district judiciary.

Under Training Programme **ECT_4_2026**, a one-hour physical training session was conducted on 30 June 2026 for Advocates and Advocates' Clerks of the district courts of Assam, with 768 participants. The training was conducted by Master Trainers comprising Systems Officers and

Systems Assistants. The sessions covered Electronic Case Management Tools (ECMT), eCourts services, e-Filing, the Inter-Operable Criminal Justice System (ICJS), service delivery in court complexes and other digital services.

Under Training Programme **ECT_6_2026**, a series of one-hour virtual training sessions was conducted on 25 June, 9 July, 23 July and 24 July 2026 through Microsoft Teams, with 759 participants comprising Systems Officers, Systems Assistants, Bench Assistants/Bench Clerks and IT-related staff of the District Courts of Assam and Arunachal Pradesh. The sessions were conducted by Shri Tarun Goyal, Co-District Superintendent of Police, Abhayapuri, Bongaigaon and focused on e-Sakshya, e-Summons, MedLeaPR, Nyaya Shruti and other applications used in courts.

Further, under Training Programme **ECT_8_2026**, a one-hour physical training session was conducted on 28 July 2026 for Nazarat staff and Process Servers of the district courts of Assam, with 431 participants. The training was imparted by Master Trainers comprising Systems Officers and Systems Assistants. The topics covered included Electronic Case Management Tools for the general public, service delivery and maintenance in court complexes, process generation through CIS and the National Service and Tracking of Electronic Processes (NSTEP).

These training initiatives reflect the Judicial Academy, Assam's continued commitment to strengthening digital capacity among judicial stakeholders and promoting the effective implementation of technology-driven services across district courts.

Gujarat State Judicial Academy: Strengthening Institutional Efficiency through Staff Training Programmes

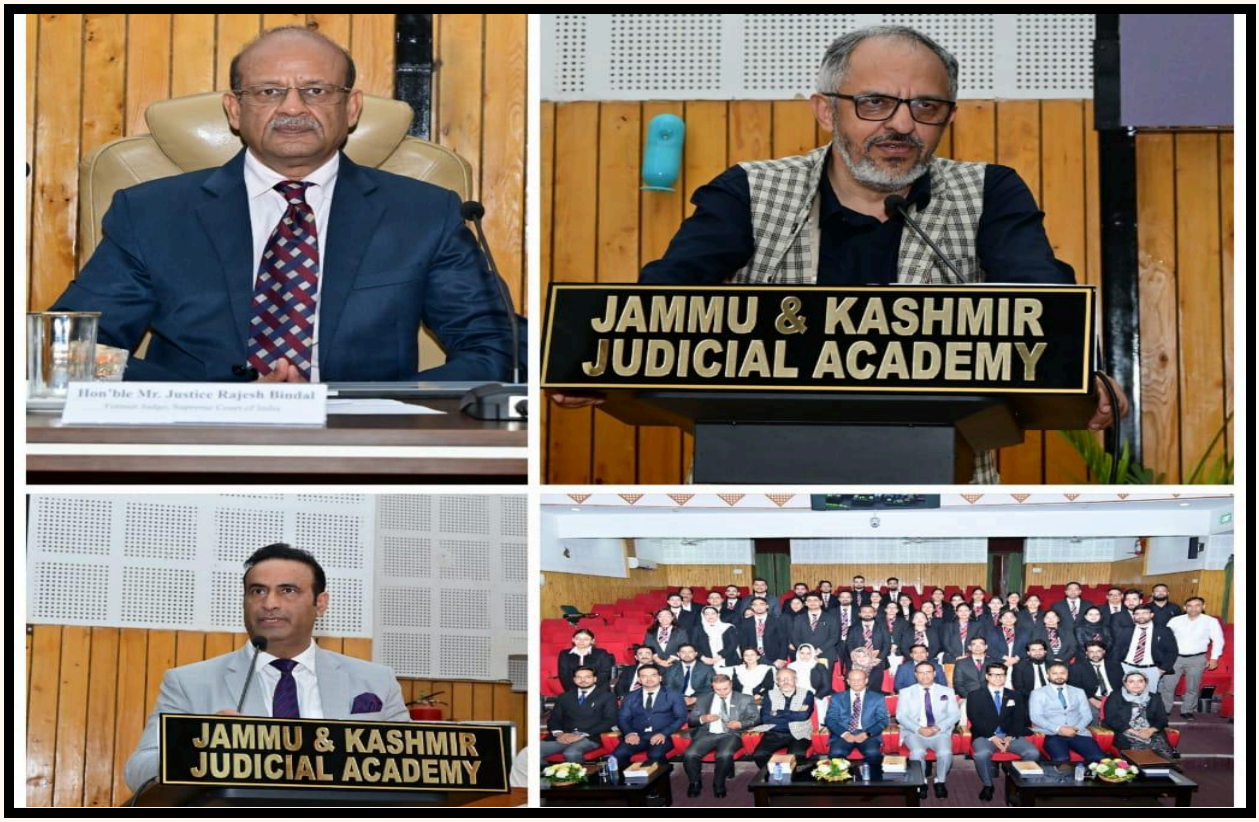

The Gujarat State Judicial Academy organised multiple capacity-building programmes for the Staff of the High Court of Gujarat during July 2026. Under **ECT_15_2026**, three one-day physical training programmes were conducted on 04 July 2026 for Batch-15 comprising 24 participants, on 04 July 2026 for Batch-16 comprising 25 participants and on 18 July 2026 for Batch-17 comprising 42 participants. Additionally, under **ECT_03_2026**, two two-day physical training programmes were conducted from 06 July 2026 to 07 July 2026 for Batch-1 with 29 participants and from 30 July 2026 to 31 July 2026 for Batch-2 with 37 participants. These programmes were specifically designed for the staff of the High Court of Gujarat with the objective of enhancing administrative efficiency in the judicial system.

Himachal Pradesh Judicial Academy: Enhancing Technical Skills and Digital Adoption

The Himachal Pradesh Judicial Academy conducted the **ECT_09_2025** Refresher Programme on e-Services/Ubuntu-Linux over a period of two days for Ministerial Staff of the District Judiciary. A total of 32 participants attended the programme, which was organised at the Academy to enhance practical knowledge and proficiency in e-services and the Ubuntu-Linux operating environment. Further, the Academy organised the **ECT_04_2025** & **ECT_07_2025** Online Training Programme on "e-Filing and e-Courts Services" on 29 July 2026. The two-hour online programme was attended by 104 Advocates and Advocates' Clerks and was aimed at familiarising participants with the use of e-Filing mechanisms and various e-Courts services for efficient court-related processes.

Jammu & Kashmir Judicial Academy: Capacity Building of Judicial Officers in Judicial Administration

The J&K Judicial Academy conducted **ECT_14_2025** on 17 July 2026 as a one-day physical training programme for newly selected Trainee Civil Judges. The programme witnessed the participation of 39 officers and was organised at the Academy with the objective of familiarising newly inducted judicial officers with various aspects of judicial administration. Subsequently, the Academy organised **ECT_17_2025** on 18 July 2026 for Judicial Officers. A total of 79 participants attended the programme, which aimed at enhancing awareness and capacity-building in the use of digital initiatives and e-Courts services within the judicial system.

Judicial Academy Jharkhand: Enhancing Technology Adoption among Advocates and Advocates' Clerks

The Judicial Academy, Jharkhand conducted ECT-7, a one-day classroom training program in July 2026 for Advocates and Advocates' Clerks. The programme focused on enhancing participants' understanding and use of technology-enabled judicial services and digital court processes. Approximately 950 participants attended the training, reflecting the Academy's significant outreach efforts towards strengthening awareness and adoption of e-Courts initiatives among members of the Bar and their supporting staff.

The programme provided an important platform for familiarising legal practitioners and advocates' clerks with digital judicial services, thereby promoting greater efficiency, accessibility and effective utilisation of technology within the justice delivery system.

Karnataka Judicial Academy: Comprehensive Capacity Building in e-Courts Services for Judicial Officers and Court Personnel

The Karnataka Judicial Academy conducted an extensive series of e-Courts and ICT-related training programmes during July 2026, catering to a diverse spectrum of stakeholders within the justice delivery system. Several hybrid programmes, conducted between 1 and 18 July 2026 through Zoom and Google Meet, targeted Judicial

Officers, Advocates and Advocates' Clerks, Court Managers and court staff, Bailiffs, Process Servers and Nazirs. These programmes collectively benefited 1,400 participants, strengthening digital competencies and promoting the effective utilisation of technology-enabled judicial services. The Academy also organised specialised training programmes for different categories of judicial personnel. A two-day programme under **ECT_14_2026**, held on 20 and 21 July 2026, was attended by 31 Civil Judges of the 2022 Batch, while **ECT_16_2026** programmes trained 33 Civil Judges of the 2022 Batch and 19 Civil Judges of the 2026 Batch. Additionally, **ECT_18_2026** was conducted for newly promoted District Judges of the 2026 Batch.

Further, dedicated sessions were organised for FDAs and SDAs of court staff (256 participants), Sheristedar Administration staff (30 participants), newly appointed Assistant Public Prosecutors (50 participants) and District Judges (140 participants).

Through these programmes, the Academy continued its efforts to enhance digital literacy, improve proficiency in e-Courts services and facilitate the effective implementation of technology-driven initiatives across the judicial system.

Kerala Judicial Academy: Orientation on e-Courts Services and Digital Judicial Processes for Newly Recruited Civil Judges

The Kerala Judicial Academy conducted **ECT_17_2026** on 21 July 2026 for the newly recruited Civil Judge (Junior Division) Trainees of the 2026-27 Batch. The programme, held at the Kerala Judicial Academy, Athani, was organised in an offline mode and had a duration of three hours. A total of 15 trainee judicial officers participated in the training programme. The session was aimed at familiarising newly inducted judicial officers with technology-enabled judicial processes and e-Courts services, thereby strengthening their understanding of digital tools and initiatives that support efficient and effective justice delivery.

Through such orientation programmes, the Academy continues to promote capacity-building and technological readiness among officers entering the judicial service.

Manipur Judicial Academy: Capacity Building of Legal Practitioners and Development of Master Trainers

The Manipur Judicial Academy conducted **ECT_4_2026** on 08 July 2026 in physical mode for Advocates and Advocate Clerks. The one-day training programme was attended by 168 participants. The programme was aimed at enhancing the professional knowledge and practical understanding of the participants, thereby contributing to the strengthening of legal and judicial processes. Further, the Manipur Judicial Academy organised **ECT_3_2026** on 29 July 2026 in physical mode for New Master Trainers. The one-day training programme witnessed the participation of 12 trainees. The programme served as an important platform for developing training and facilitation skills among the participants, enabling them to effectively disseminate knowledge and contribute to future training initiatives.

Meghalaya State Judicial Academy: Capacity Building of Court Personnel and Advocates through Judicial Training

The Meghalaya State Judicial Academy, Shillong conducted **ECT_11_2025** on 15 July 2026 in physical mode for the staff of the District and Sessions Court, West Jaintia Hills District, Khliehtyrshi Jowai. The two-hour training programme was attended by 16 participants. The programme was designed to enhance awareness and understanding of key judicial and administrative processes, while also strengthening the professional capacities of court personnel. Through focused discussions and interactive learning sessions, the participants were equipped with relevant knowledge and practical insights to support the efficient functioning of the judicial system. The programme reflected the Academy's continuing commitment

to building institutional capacity and promoting excellence in court administration.

On the same day, the Meghalaya State Judicial Academy, Shillong also organised **ECT_4_2026** and **ECT_12_2026** in physical mode for Advocates from the Jaintia Hills Bar Association, Khliehtyrshi Jowai. The two-hour programme witnessed the participation of 33 advocates. The training served as an important platform for enhancing legal awareness and strengthening professional competencies among members of the Bar. The sessions facilitated meaningful interaction and knowledge-sharing on contemporary legal and judicial developments, enabling participants to deepen their understanding of evolving legal practices. The active engagement of the advocates underscored the significance of continuous professional development and highlighted the Academy's role in fostering a well-informed and competent legal community.

Odisha Judicial Academy: Capacity Building of Legal Practitioners and High Court Staff through Judicial Training

The Odisha Judicial Academy conducted **ECT_7_2026** on 04 July 2026 in hybrid mode, enabling participants to attend both physically and through the Zoom platform. The one-day training programme was organised for Advocates and Advocates' Clerks and attracted the participation of 82 attendees. The programme was designed to enhance participants' understanding of important aspects of judicial administration, legal procedures and the effective use of technology in the justice delivery system. Through interactive sessions, discussions and knowledge-sharing exercises, the programme sought to strengthen the professional competencies of legal practitioners and their supporting staff. The substantial participation reflected the growing interest of the legal community in continuous professional development and capacity-building initiatives.

Further, the Odisha Judicial Academy organised **ECT_15_2026** on 25 July 2026 in hybrid mode, with participation facilitated through both physical attendance and Zoom connectivity. The one-day programme was conducted for the staff of the High Court and witnessed the participation of 30 officials.

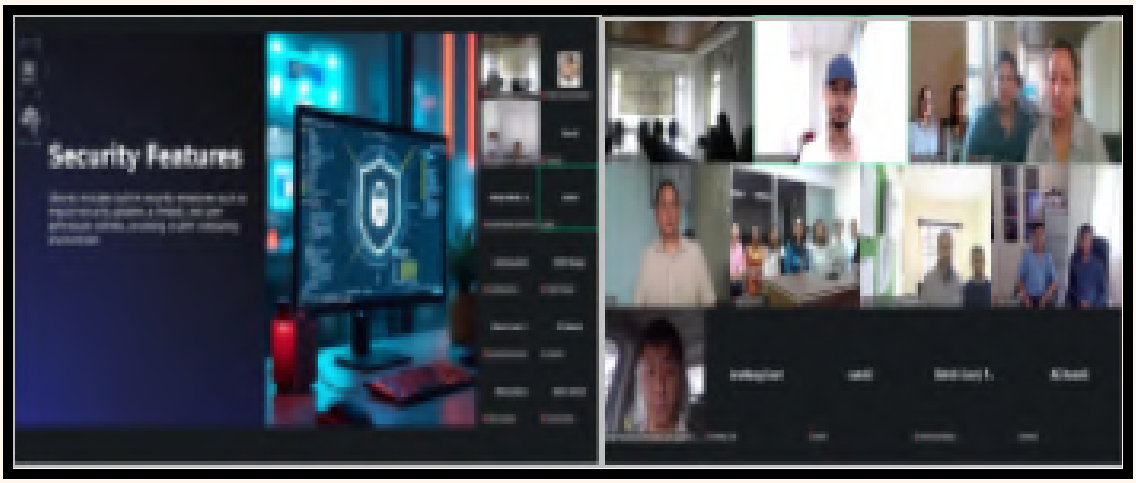

The training focused on enhancing administrative efficiency, procedural knowledge and professional skills required for the effective functioning of the judicial institution. The sessions provided participants with an opportunity to engage with contemporary developments in court administration and best practices in judicial support services. The programme contributed significantly to strengthening institutional capacity and reaffirmed the Academy's commitment to promoting excellence, efficiency and professionalism within the judicial system.

Chandigarh Judicial Academy: Strengthening Professional Knowledge and Judicial Skills among Judicial Officers

The **ECT_14_2026** programme was conducted by the Chandigarh Judicial Academy on 25 July 2026 as a one-day physical training programme at the Academy premises. The programme witnessed the participation of 59 Judicial Officers from Punjab and Haryana. Organised in an in-person format, the training programme provided a valuable platform for judicial officers to engage in academic deliberations, enhance their professional knowledge and judicial skills and strengthen their understanding of contemporary legal and judicial issues. The programme reflected the Academy's continued commitment to fostering professional excellence and capacity building within the judiciary.

Sikkim Judicial Academy: Enhancing Administrative Efficiency and Professional Competencies of Court Managers and Administrative Staff

The **ECT_05_2026** training programme was organized by the Sikkim Judicial Academy on 28 July 2026 and conducted in an online mode through the Zoom platform. The two-hour session witnessed the participation of 38 Administrative Head Staff and Court Managers from the District Judiciary, reflecting the Academy's continued efforts to strengthen court administration and enhance the professional competencies of judicial support personnel. The programme provided a virtual platform for meaningful engagement, knowledge sharing and capacity building on issues relevant to court management and administrative functioning. Through interactive discussions and expert deliberations, the session aimed to equip participants with practical insights and administrative skills necessary for ensuring greater efficiency, coordination and effectiveness in the functioning of district courts.

Tripura Judicial Academy: Capacity Building of Judicial Officers and High Court Digitisation Personnel

On 19 July 2026, the Tripura Judicial Academy organised **ECT_13_2026**, a one-day offline training programme attended by 31 Judicial Officers from West Tripura and Khowai Districts. Through focused deliberations and interactive sessions, participants were provided with opportunities to engage with contemporary legal and judicial issues, thereby contributing to the effective administration of justice and strengthening the judicial system at the district level.

On the same day, the Tripura Judicial Academy also conducted **ECT_6_2026**, a one-day offline programme for 20 High Court Digitization Officials and Staff Members. The training was aimed at enhancing participants' understanding of digital court management processes. The programme facilitated discussions on technology-driven court administration, record management and digital transformation, enabling officials and staff to strengthen their technical capabilities and support the modernization of judicial institutions.

Uttarakhand Judicial Academy: Strengthening Institutional Coordination and Administrative Competencies through Judicial Training Programmes

On 18 July 2026, the Uttarakhand Judicial & Legal Academy, Nainital conducted **ECT_6_2026**, a one-day programme in the physical mode with the participation of 26 stakeholders from various sectors associated with the justice delivery system. The programme served as a platform for fostering collaboration, strengthening institutional linkages and promoting a shared understanding of issues relevant to judicial administration and service delivery. Through interactive discussions and knowledge-sharing sessions, participants exchanged experiences and best practices, contributing to enhanced coordination and capacity building

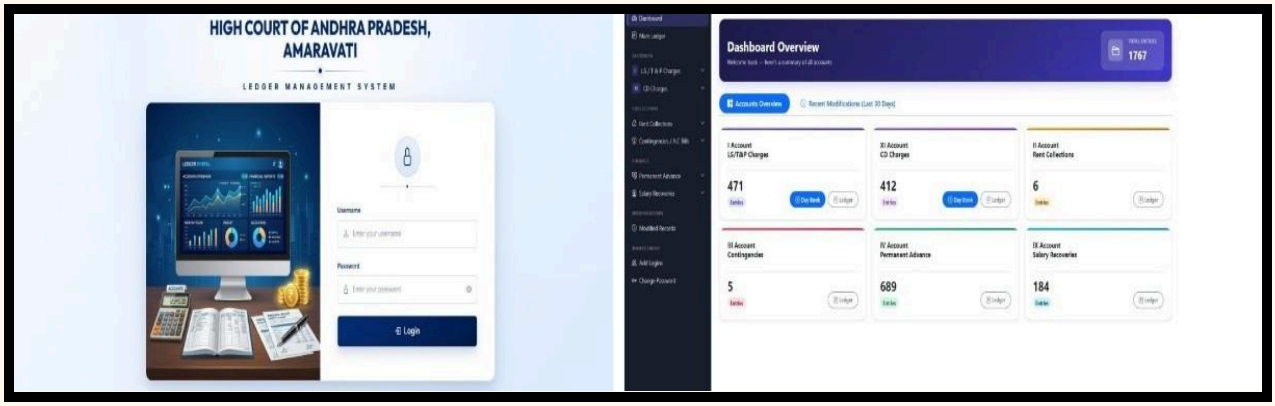

among stakeholders involved in the judicial process.

On 19 July 2026, the Academy organised **ECT_9_2026**, a one-day physical training programme attended by 26 court staff members. The programme was aimed at enhancing the administrative and professional competencies of court personnel by focusing on key aspects of court management and day-to-day judicial administration. The training provided participants with practical insights and skill-based learning opportunities to improve efficiency, accuracy and effectiveness in court operations. The initiative reflected the Academy's continued commitment to strengthening institutional capacity and ensuring the smooth functioning of courts through the professional development of support staff.

High Court Digital Transformation Initiatives

High Court of Andhra Pradesh Advances Digital Transformation through Financial Management Systems and e-Registers Managements System

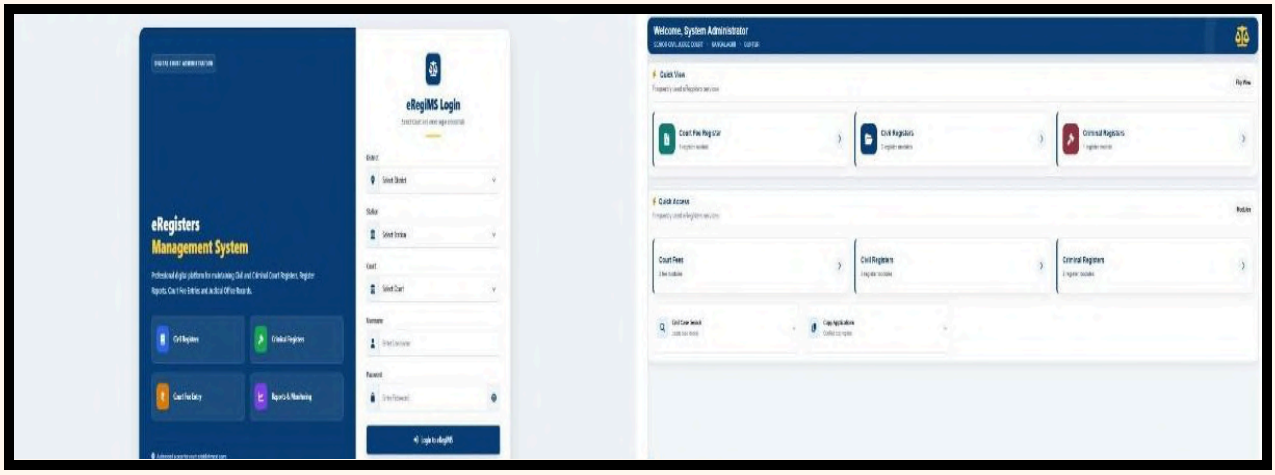

High Court of Andhra Pradesh - The Ledger Management System

The Ledger Management System is an accounts-based application that manages six different High Court accounts. The six accounts are I Account – L.S / T & P Charges, II Account – Rent Collections, III Account – Contingencies / A.C Bills, IV Account – Permanent Advance, IX Account – Salary Recoveries and XI Account – CD Charges. The I Account and XI Account have a Day Book facility where daily transactions are entered and automatically reflected in the respective ledgers. Ledger records can be viewed based on date and account, with account-wise totals reflected in the Main Ledger. The Receipt Particulars record money received by the High Court, while Payment Particulars reflect payments made to the Government or individuals. The I Account mainly manages charges paid by advocates

who approach the High Court for appeals and related proceedings, while the XI Account manages CD charges and the II Account manages rent collections received by the High Court. The III Account deals with abstract contingencies / A.C. Bills, while the IV Account – Permanent Advance manages petty expenditures such as expenses related to judges' meetings and overseer expenditure.

e-Registers Managements System

The e-Registers Management System Application has been started for managing e-Registers of the District Judiciary. EP Received: Execution Petition received by the court for enforcing a decree/order. It is registered and given an E.P. number. Court Fee Register: Records court-fee stamps/amounts paid in cases, petitions, appeals, etc. and helps account for court-fee collections. Civil Registers: Registers maintained for civil cases, such as plaint register, suit register, execution petition register, decree register and disposal register. Criminal Registers: Registers maintained for criminal cases, such as calendar case register, FIR/PRC-related registers, bail register, property register and disposal register.

High Court of Chhattisgarh Strengthens Digital Justice Delivery through Statewide Training on Judicial Applications

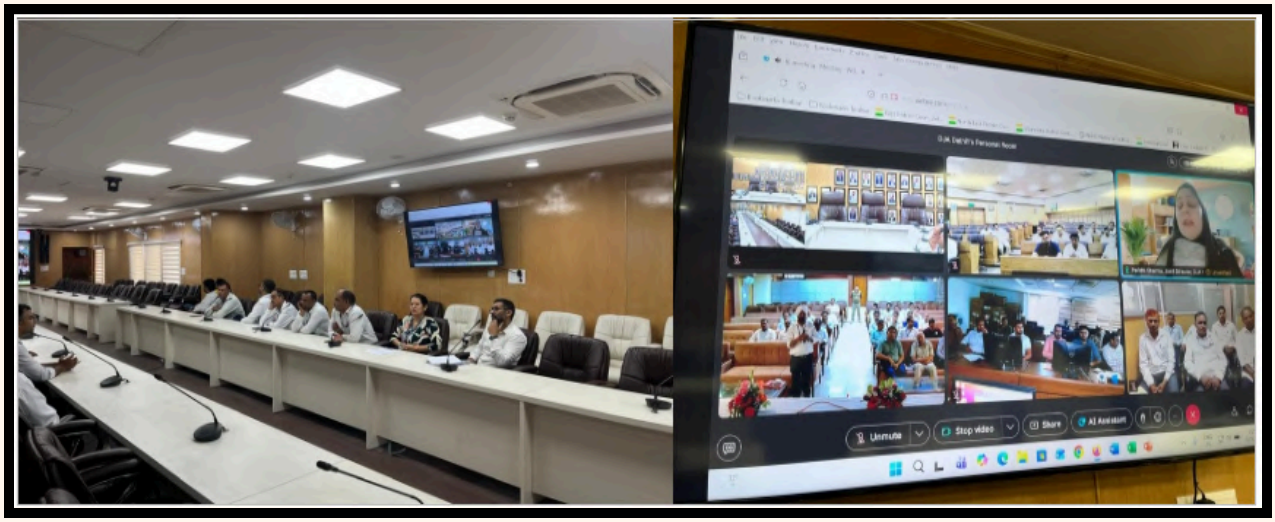

Under the directions of the Hon'ble Mr. Justice Ramesh Sinha, Chief Justice, High Court of Chhattisgarh, a comprehensive training programme on digital judicial applications, namely Nyaya Shruti, eSakshya, eSummons, eChallan, the Crime and Criminal Tracking Network and Systems (CCTNS) and the Interoperable Criminal Justice System (ICJS), was organised on Sunday, 19 July 2026, at the District and Sessions Courts across the State for Judicial Officers. The initiative was undertaken to enhance the understanding, effective management and efficient utilisation of digital platforms that are integral to the modern justice delivery system. The training programme was conducted for Judges posted in the District and Taluka Courts, Family Courts and Judicial Officers serving on deputation. The objective of these workshops was to strengthen the criminal justice delivery system

through the effective implementation of the new criminal laws by leveraging digital technology, thereby making the justice delivery process more robust, transparent and time-efficient. As part of this statewide training initiative, Judicial Officers were imparted comprehensive training on the new criminal laws and the associated digital technologies. Special emphasis was laid on the growing importance of digital evidence and technology-enabled judicial processes under the new criminal law framework. The programme also focused on the practical application and effective use of the aforesaid digital judicial platforms. These digital platforms have been introduced to facilitate seamless court functioning, improve coordination among stakeholders in the criminal justice system, expedite judicial processes and promote greater transparency and efficiency in court administration. During the training sessions, the Judicial Resource Persons provided the Judicial Officers with detailed demonstrations and practical guidance on the operational features of these digital platforms. The sessions were designed to equip the Judicial Officers with the technical knowledge and practical skills required for the effective use of these platforms in day-to-day judicial work, including digital recording of proceedings, electronic service of summons, processing of electronic challans, digital evidence management through eSakshya and integration with CCTNS and ICJS. The training programme reflects the continued commitment of the High Court of Chhattisgarh towards the digital transformation of the judiciary and the strengthening of institutional capacity through continuous professional development of Judicial Officers.

Delhi District Courts: Recent Training Programmes, Workshops and Initiatives

Karkardooma, Delhi District Court: Process Server Training Programme

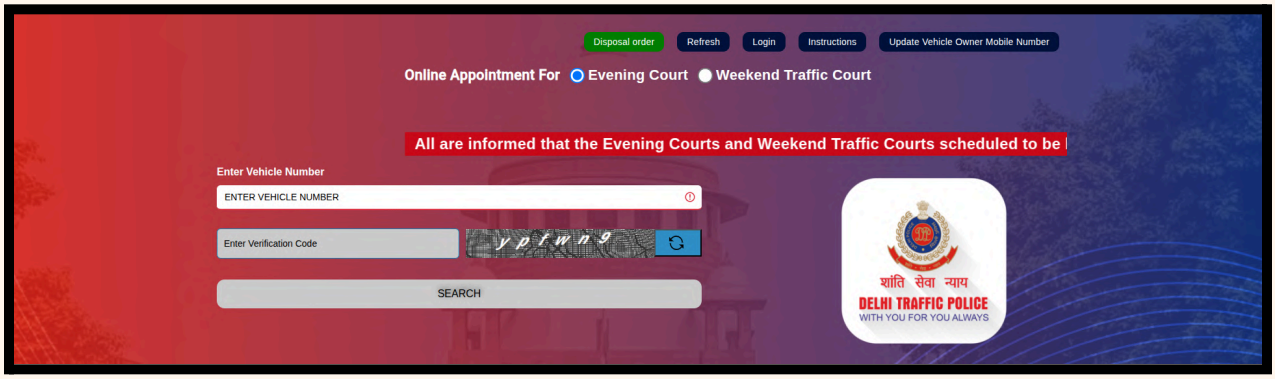

As per the direction of the Hon'ble High Court of Delhi, the Delhi Judicial Academy is conducting half-day online training programmes (comprising two post-lunch sessions) on "Effective & Efficient Process Serving for Process Servers from the District Courts." Held via the Cisco Webex Meeting Platform, these sessions took place on 24th July 2026 and are scheduled for 27th November 2026.

Patiala House, Delhi District Court: Workshop on Law and Technology

A specialized workshop titled "Bridging Law and Technology: Judicial Perspective on Evidence and e-Sakshya under the Criminal Justice Regime" was successfully held on 25th July 2026. The programme saw active engagement, with approximately 30 participants taking part in the sessions.

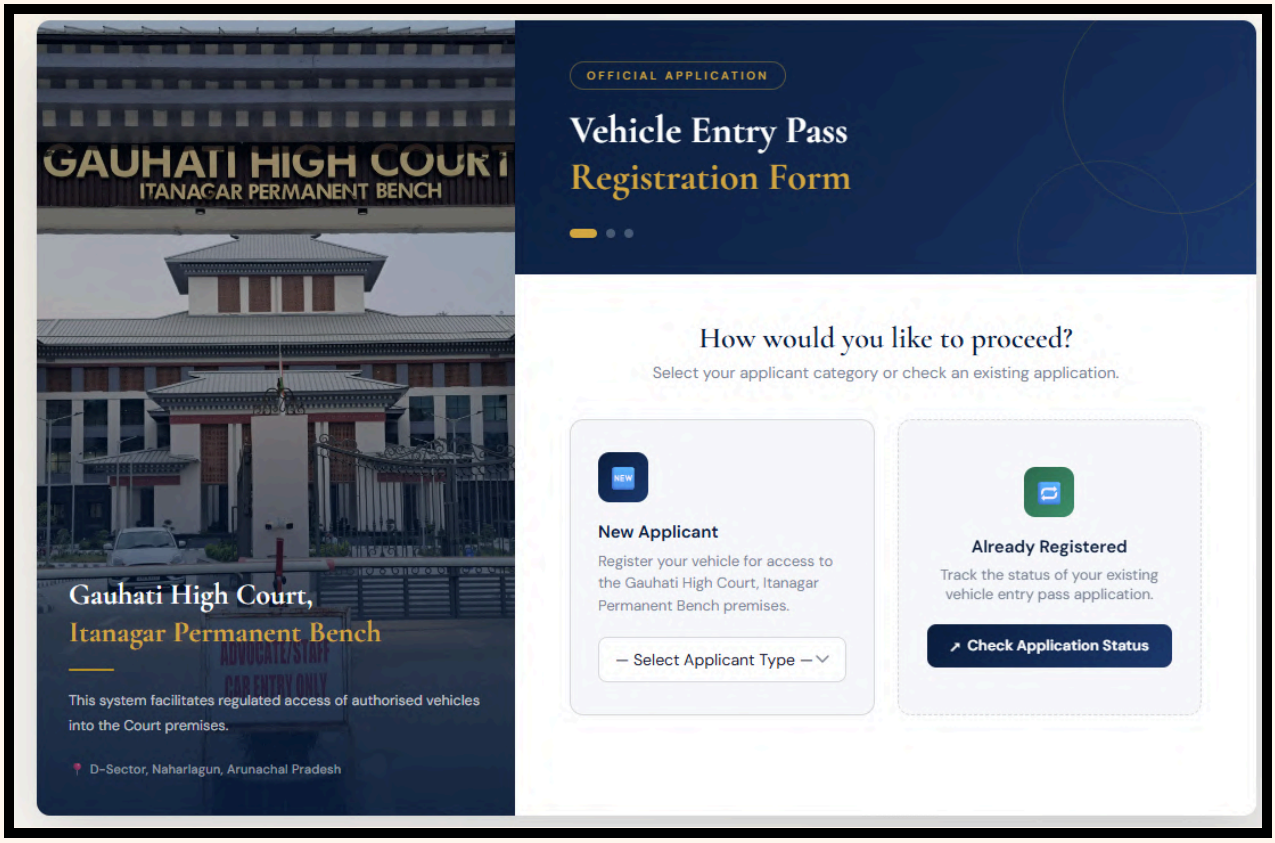

Tis Hazari, Delhi District Court: Implementation of Weekend Traffic Lok Adalat

The Weekend Traffic Lok Adalat has been successfully implemented across the Delhi District Courts. This initiative provides an efficient, accessible mechanism for the public to resolve traffic challans and compounding matters swiftly.

Arunachal Pradesh Vehicle Entry Pass Portal Launched

The Vehicle Entry Pass Portal is a dedicated online platform for the Gauhati High Court, Itanagar Permanent Bench, designed to simplify and streamline vehicle entry pass registration. Applicants can conveniently submit their personal, vehicle, ownership and address details online, along with required documents such as a passport-size photograph and Vehicle RC. The portal provides a simple, organized and efficient way to manage vehicle pass applications and facilitate authorized entry into the Court premises. The portal allows applicants to check the status of their submitted applications and a digital vehicle entry pass is created automatically.

Gauhati High Court Kohima Bench: Launch of “MADAD” AI Chatbot

The Gauhati High Court, Kohima Bench, has introduced its official AI assistant chatbot, MADAD, which was launched on 31st July 2026 by the Hon’ble Mrs. Justice Yarenjungla Longkumer, Judge, Gauhati High Court, in the presence of the Hon’ble Mr. Justice Anjan Moni Kalita, Judge, Gauhati High Court. Developed by the IT Intern Team under the supervision and guidance of the eCourts Team at the Kohima Bench, the chatbot was created to enhance public legal education and court-related guidance. The primary objective of MADAD is to help users understand various legal concepts and court procedures while offering accessible information on the services provided by the Gauhati High Court, Kohima Bench.

Gujarat High Court Establishes Statistical And Data Analysis Unit To Enable Data-Driven Judicial Administration

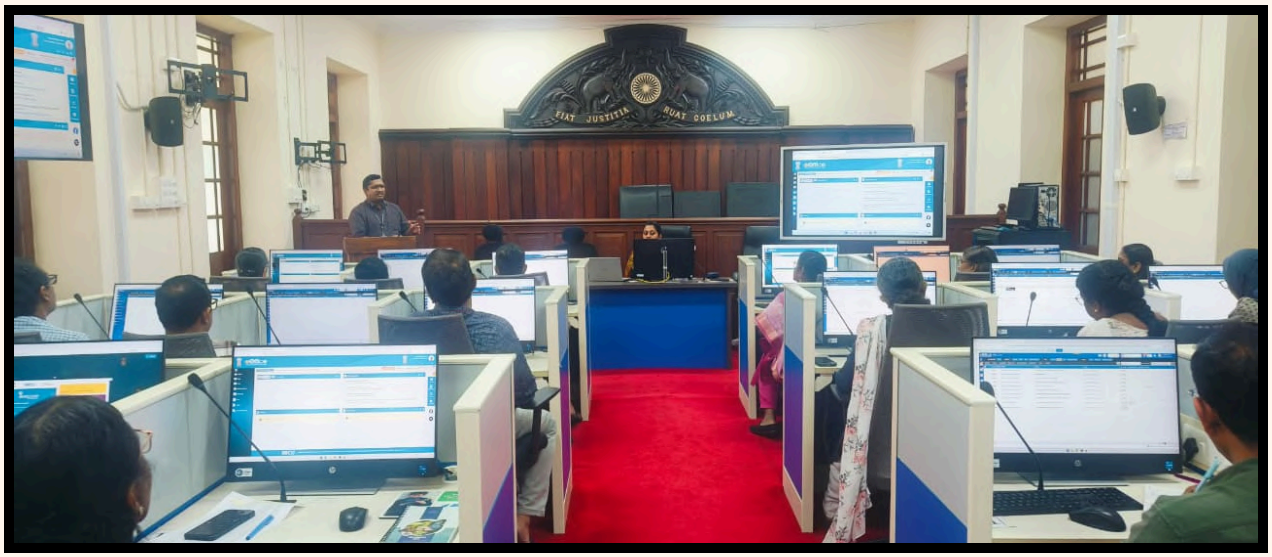

In a significant leap toward data-driven judicial administration, the High Court of Gujarat has established a dedicated Statistical and Data Analysis Unit. Designed as a permanent, in-house unit, it aims to transform judicial data from the High Court and District Judiciary into proactive foresight, allowing the administration to identify systemic bottlenecks rather than merely recording them in hindsight. The Unit was inaugurated by Hon'ble Mr. Justice Vipul M. Pancholi, Judge, Supreme Court of India, in the presence of Hon'ble Mrs. Justice Sunita Agarwal, Chief Justice, High Court of Gujarat and other Hon'ble Judges on Tuesday, July 7th, 2026, at the High Court premises.

While the e-Courts Mission Mode Project has digitized massive amounts of filing and disposal data over the last two decades through systems like the Case Information System (CIS), administrative frameworks traditionally analyzed this data retrospectively. It integrates data across pendency, filing, disposal, infrastructure and manpower into a unified system, eliminating duplicated paperwork and enabling evidence-based reforms.

The Statistical and Data Analysis Unit focuses heavily on tracking the actual age of litigation, standardizing case definitions and rolling out real-time, visual dashboards for the Hon’ble Chief Justice and Hon’ble Administrative Judges. By moving from assumption to verified evidence, the Unit represents a vital institutional investment by the High Court of Gujarat to streamline the delivery of timely justice across the state.

Technology-Driven Initiatives, Training Programmes And Digital Enhancements of the Kerala High Court

Training Programme on eOffice for Controlling Officers

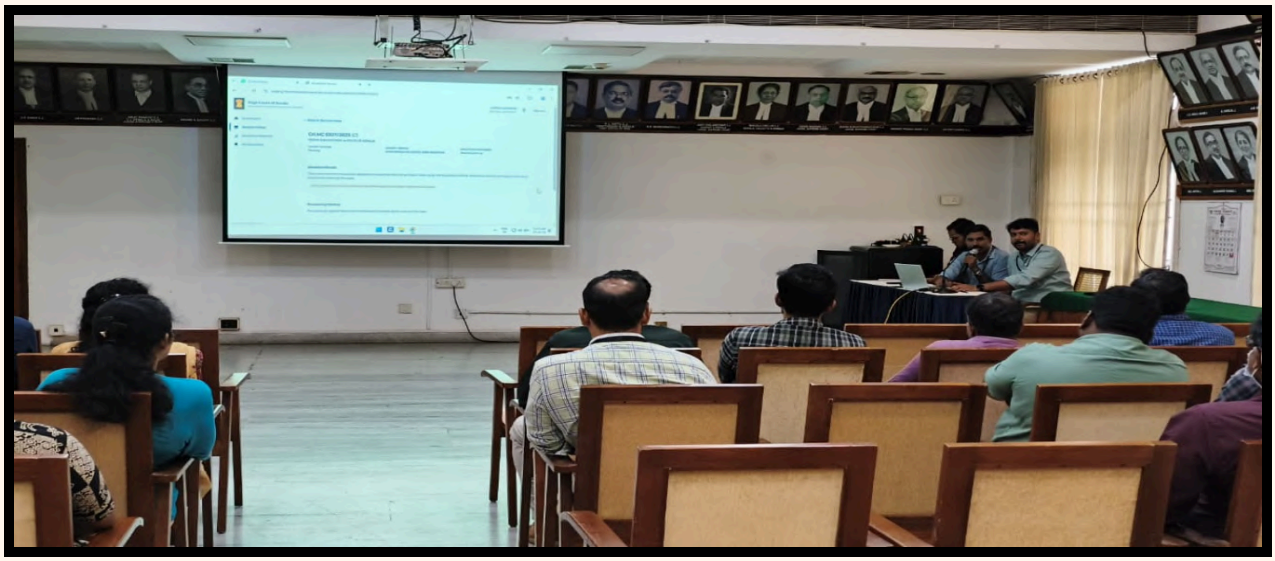

A training programme on the eOffice System was conducted for Controlling Officers on 4 July 2026 at the IT Training Hall. The programme focused on familiarizing participants with the eOffice platform, including electronic file management, workflow processing and efficient digital office administration.

DCMS Training for Trainee Judicial Officers from Sikkim

A training programme on the District Court Case Management System (DCMS) was conducted for Trainee Judicial Officers from the State of Sikkim on 6 July 2026 at the IT Training Hall. The programme covered the key features and workflows of DCMS, enabling the participants to gain practical exposure to the system.

Training Programme on High Court Mediation Module

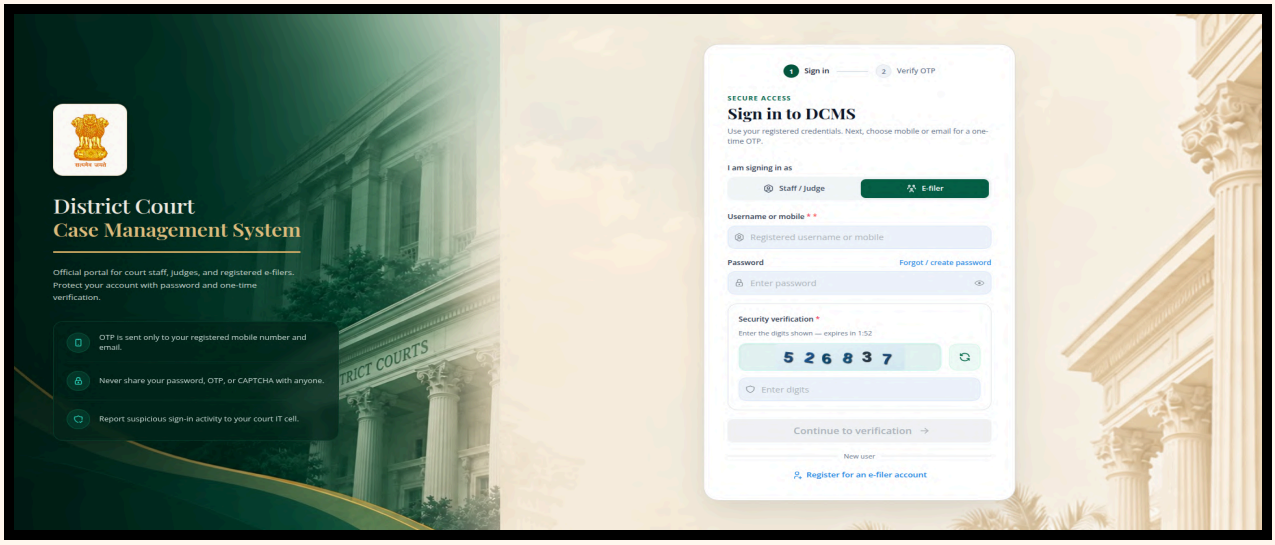

To ensure the effective utilization of the newly implemented Mediation Module, a training programme was conducted on 20 July 2026 at the Banquet Hall. The programme introduced the participants to the features and operational workflow of the module, enabling a smooth transition to the new system.

Interaction with Judicial Officers of Maharashtra

An interaction session with Judicial Officers from the State of Maharashtra was held on 24 July 2026 at the Banquet Hall. The session focused on familiarizing the participants with the key features and functionalities of the District Court Case Management System (DCMS), along with discussions on its workflows and implementation.

New Implementations, Enhancements and Modifications in the District Court Case Management System (DCMS)

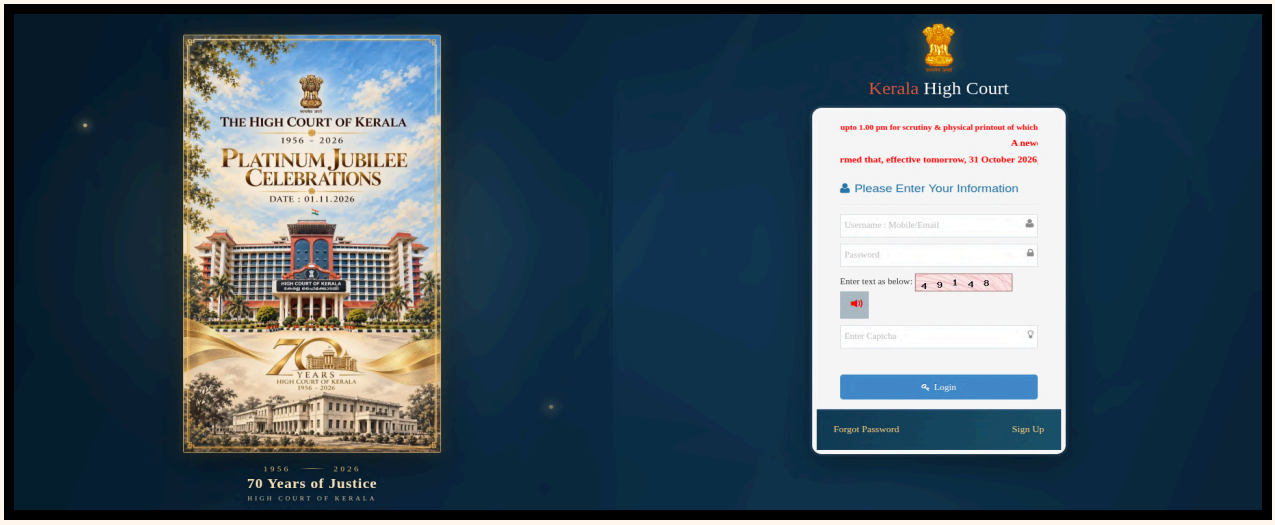

The District Court Case Management System (DCMS) has undergone several enhancements and modifications aimed at streamlining judicial processes, strengthening digital record management, improving accessibility and ensuring greater efficiency in court administration. The key developments are as follows:

1. Introduction of Counselling Module
2. Integration of Digitisation Module
3. Hide/Unhide Proceedings Feature
4. Conviction Notification to Legal Services Authorities
5. Introduction of PDF Compression Tool
6. Enhancements to the Caveat Filing Module
7. Extension of Exhibit Marking Facility to Disposed Cases
8. Access to Unmasked Judgments/Orders in the Copy Application Module
9. Display of Connected Case Series in Live Court, Cause List and VConsole

10. Incorporation of CNR Number and QR Code in Judgments

The inclusion of the CNR and QR Code facilitates easy identification and verification of judicial documents, supports seamless retrieval of case information and strengthens the "One Case One Data" initiative by promoting uniformity and integrated case data management across the judiciary.

New Implementations, Enhancements and Modifications in the Case Management System (CMS)

The High Court Case Management System (CMS) has been further strengthened through the introduction of new digital facilities and enhancements aimed at streamlining judicial processes, improving case management and promoting seamless access to judicial records. The key developments are as follows:

1. Implementation of High Court Mediation Module

2. CNR Number in High Court Judgments

The inclusion of the CNR facilitates easy identification and verification of judicial documents and supports seamless retrieval of case information.

Inauguration of Additional Family Court, Tiruchirappalli District Through Video Conference by The Hon'ble Chief Justice of Madras High Court

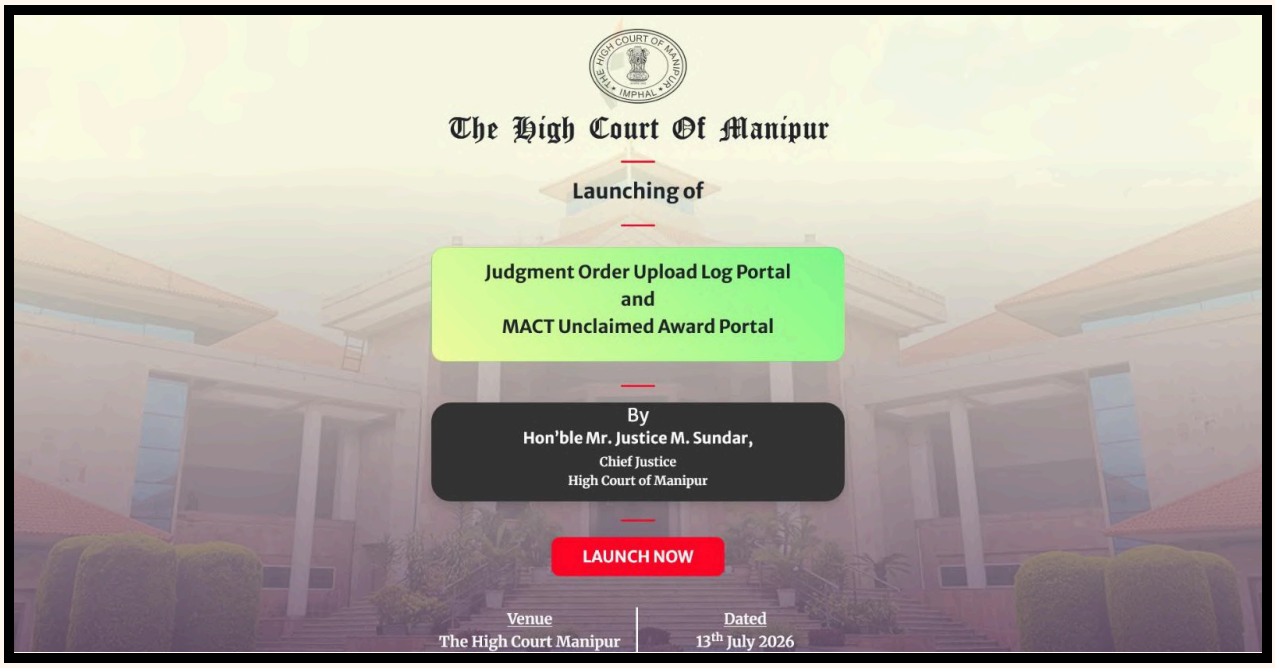

The Additional Family Court at Tiruchirappalli was inaugurated on 17 July 2026 at the Tiruchirappalli District Court Complex through videoconference by the Hon'ble Chief Justice, Thiru Justice Sushrut Arvind Dharmadhikari.

The establishment of the Court was sanctioned by the Government of Tamil Nadu vide G.O. (Ms.) No. 267, Home (Courts-II), dated 10.06.2025, under the provisions of the Family Courts Act, 1984.

The inauguration ceremony was graced by the Hon'ble Judges of the Madras High Court, Judicial Officers, District Collector, Police officials, Members of the Bar, Court staff and other dignitaries.

The creation of this Additional Family Court is expected to reduce pendency of family and matrimonial cases and ensure speedy, accessible and effective justice to litigants in Tiruchirappalli District.

High Court of Manipur Launches Judgment Order Upload Log Portal and MACT Unclaimed Award Portal

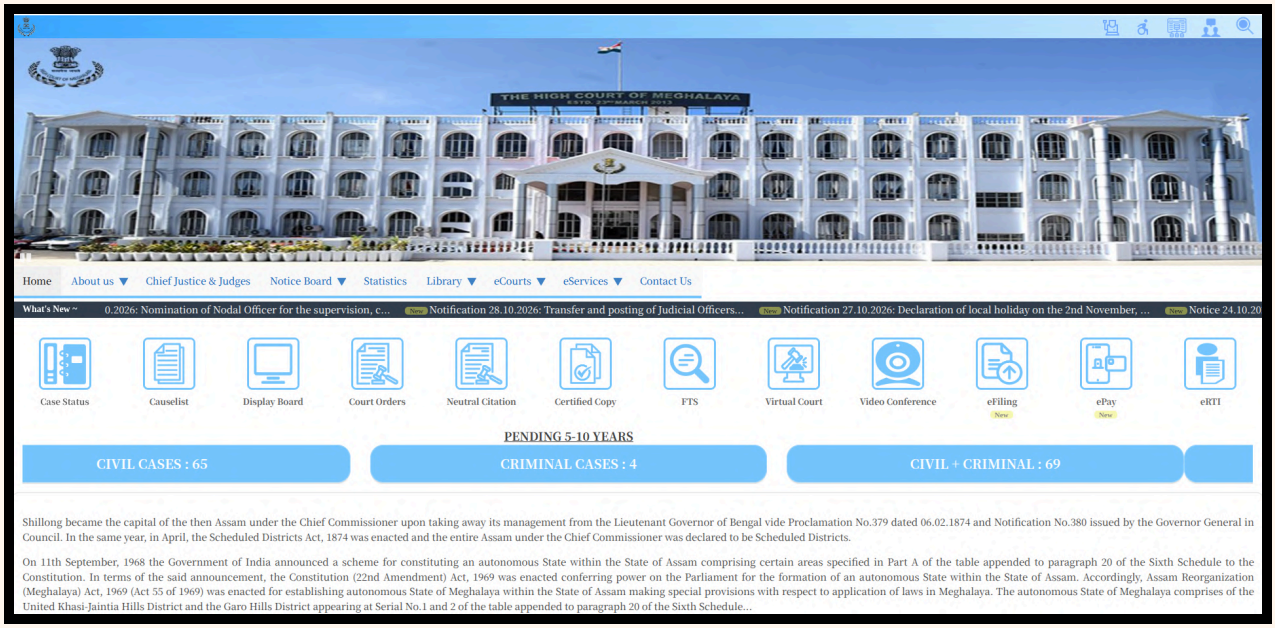

In a major push toward enhancing judicial transparency and digital accessibility, the High Court of Manipur launched two key digital initiatives, the Judgment Order Upload Log Portal and the MACT Unclaimed Award Portal on 13th July 2026.

The platforms were officially inaugurated by Hon'ble Mr. Justice M. Sundar, Chief Justice of the High Court of Manipur. The Judgment Order Upload Log Portal is designed to monitor and streamline the prompt, transparent uploading of judicial orders across courts.

Meanwhile, the MACT Unclaimed Award Portal provides a centralized system to help claimants and legal heirs identify and receive pending compensation awards under the Motor Accident Claims Tribunal.

Meghalaya High Court Develops Dashboard For Monitoring Delay In Uploading Judgments

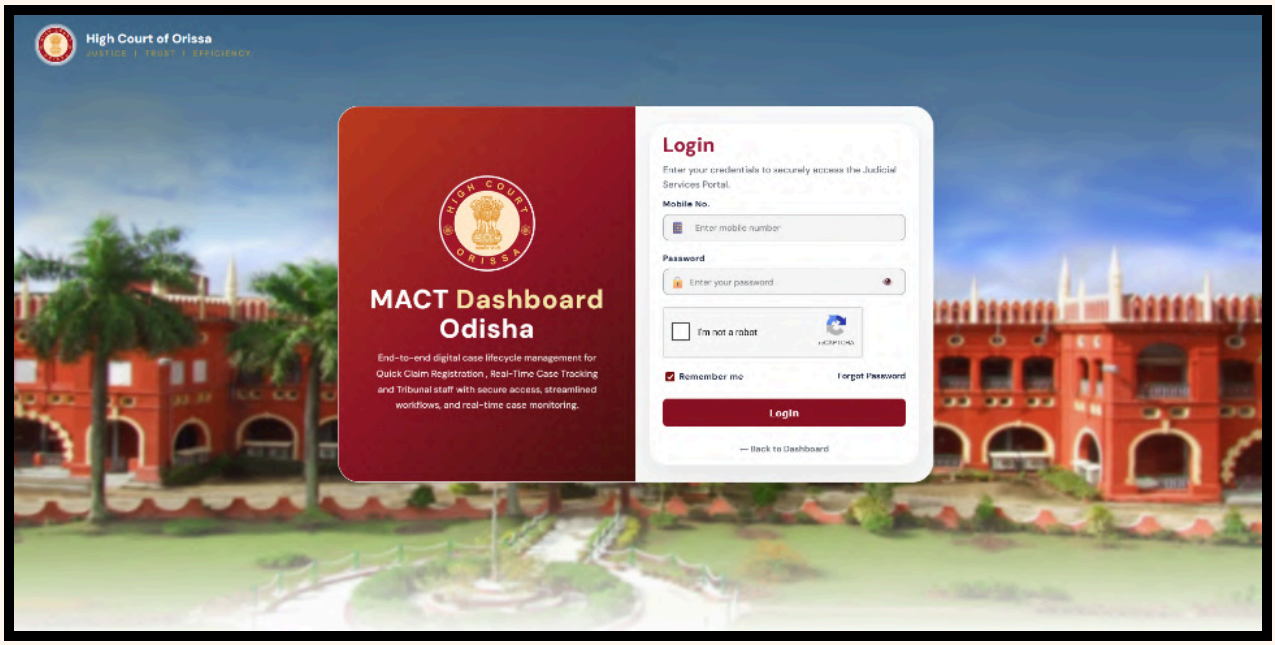

In compliance with the judgment dated 29 May 2026 passed by the Hon'ble Supreme Court of India in *Pila Pahan @ Peela Pahan & Ors. v. State of Jharkhand & Anr., W.P. (Crl.) No. 169 of 2025*, a dedicated dashboard has been developed by the Meghalaya High Court to facilitate the recording of reasons for judgments that remain unpublished for more than 15 days from the date of pronouncement of the operative part.

To ensure the smooth implementation and effective utilisation of the dashboard, a training session on its features and functionality was conducted for Private Secretaries on 3 July 2026, which was attended by 14 participants.

The initiative aims to strengthen monitoring mechanisms, promote accountability and ensure timely uploading of judgments.

Digital Initiatives of the High Court of Orissa: MACT Dashboard Portal, VC Scheduler and e-Meeting

MACT Dashboard Portal

In a major step toward digital judicial governance, the High Court of Orissa has officially launched the MACT Dashboard Portal (https://mactodisha.in). The portal was inaugurated by the Hon'ble Chief Justice on July 7, 2026, fulfilling the directives of the Hon'ble Supreme Court of India in *Suo Motu Writ Petition (Civil) No. 7 of 2024.*

Designed to streamline the processing of motor accident and workplace injury claims, the digital ecosystem modernizes how compensation amounts deposited under the Motor Vehicles Act, 1988 and the Workmen's Compensation Act, 1923 are tracked, monitored and disbursed across the State Judiciary.

Key Features & System Capabilities

• Core Litigation Hub: Functions as a centralized repository for tracking case details, claimant records and court award information.

• Deposit Tracking: Offers real-time visibility into compensation amounts deposited by insurance companies.

• Disbursal Management: Provides structured entry fields to record and monitor direct payments to beneficiaries.

• Compliance & Analytical Reporting: Features an automated Reporting Desk that generates real-time analytics and compliance reports for judicial oversight.

Implementation & Next Steps

The portal is now fully operational across all District Courts, Motor Accidents Claims Tribunals (MACTs) and Industrial Tribunals in Odisha. Designated Presiding Officers and dealing staff have been provided with login credentials and operational manuals.

Upcoming Phase II Features

A second phase is actively under development to integrate the portal directly with Core Banking Solutions (CBS) via secure APIs. Once implemented, Phase II will introduce:

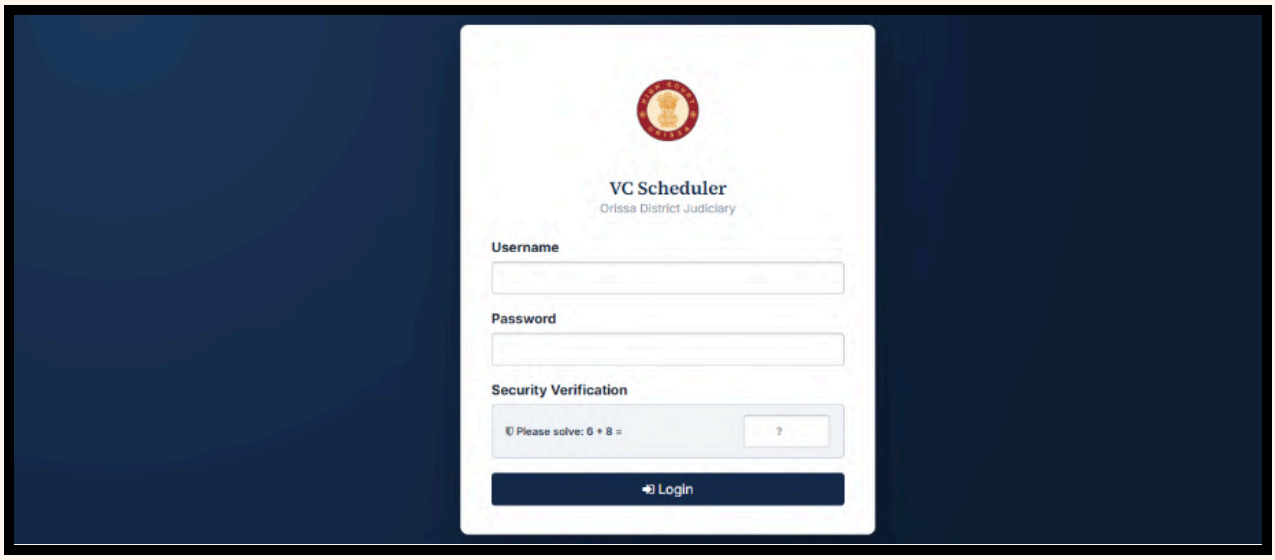

• Automated, system-verified deposits

• Automated creation of Fixed Deposits

• Direct Electronic Fund Transfers (EFT) to claimants' accounts

• Real-time ledger reconciliation

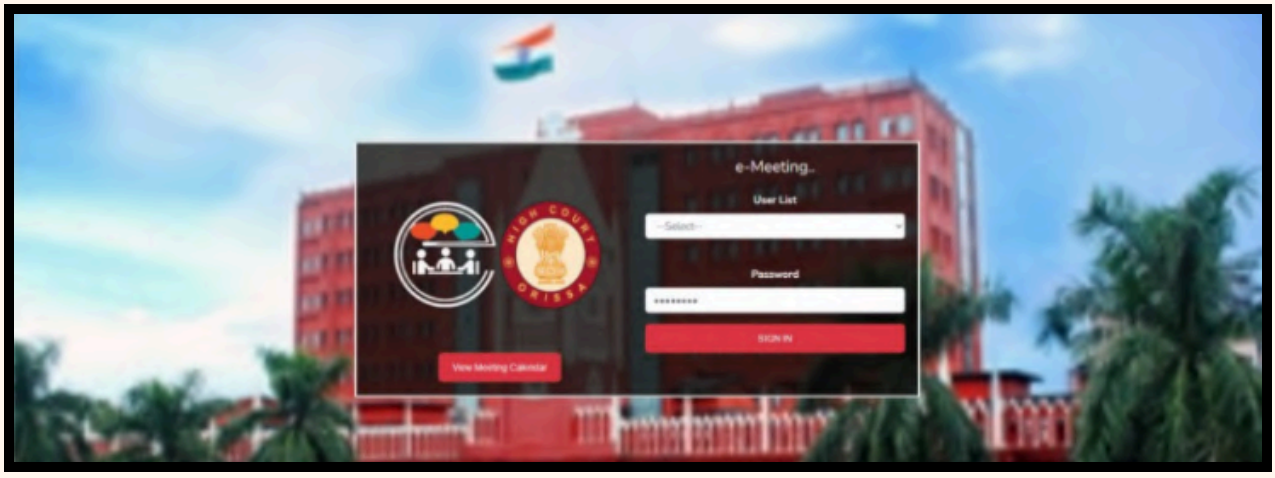

VC Scheduler

VC Scheduler is a web-based application used by the Orissa District Judiciary to plan, request and manage Video-Conferencing (VC) slots between different courts. It allows a source court (the court making the request) to book a VC connection with a target court (the destination court) for a specific case, date and time slot.

The system routes every request to the destination court's administrator, who reviews it and either approves or rejects it — with a remark and, on approval, the venue and VC link details. Both courts can track the status of a request at any time from the Calendar or My Requests screens.

e-Meeting

The e-Meeting application is a web-based committee meeting scheduling system used by the High Court of Orissa to plan, approve and track committee meetings involving Hon'ble Judges, Registrars and committee members. The system provides a public holiday/meeting calendar, an administrator dashboard for scheduling meetings, automatic detection of judge scheduling conflicts and master-data management for registrars, users, venues, judges and committees.

Key Capabilities

- Role-based sign-in for Registrars and other authorised users.
- A public-facing Meeting Calendar that can be viewed without logging in.
- Creation and approval of committee meetings with date, venue and time selection.
- Automatic scheduling-conflict detection when a Hon'ble Judge is already assigned to another meeting at an overlapping date/time.
- Search and review of upcoming meetings by committee.
- Administration of Registrars, Users, Venues, Judges, Committees and Committee Members.

Rajasthan High Court: Establishment of Seven Vulnerable Witness Deposition Centres (VWDCs)

In the light of directions of the Hon'ble Supreme Court of India in *Mahender Chawla & Ors. vs Union of India & Ors.* which emphasized the need for Vulnerable Witness Deposition Complexes across the country and was further strengthened through *Smruti Tukaram Badade vs. State of Maharashtra & Anr.* (2022), wherein the Supreme Court directed all High Courts to establish Vulnerable Witness Deposition Centres, drawing upon the model evolved by the High Court of Delhi. The **Vulnerable Witness Deposition Centre (VWDC)** is a dedicated facility that provides a safe and child-friendly environment for recording the testimony of vulnerable witnesses. Designed to minimize trauma and uphold the dignity of witnesses, VWDCs facilitate the recording of evidence in a manner that ensures fairness, accessibility and sensitivity in the judicial process. Till the end of July 2026, 7 VWDCs have been made functional at District Headquarters across Rajasthan.

High Court of Tripura: Implementation and Rollout of eStatement Application

The in-house Technical Team of the High Court of Tripura has successfully developed a web application, namely, the eStatement Application. This initiative is aimed at enabling the District and Sub-Divisional Courts of Tripura to submit periodical statistical reports through online mode to the High Court. This initiative will also ensure efficient, transparent and timely reporting while promoting a paperless environment.

The said web application supports multiple categories of reports: monthly, bi-monthly, quarterly, half-yearly and yearly.

Presently, the M9 Statement Module (one of the monthly statements) under this web application has been fully developed, tested and rolled out on a pilot basis across the District and Sub-Divisional Courts of Tripura from August 2026.

A Standard Operating Procedure (SOP) and User Manual have been prepared to guide the Judicial Officer and concerned staff members of the Courts for smooth operation of the said application.

High Court of Uttarakhand: Launch of Judges Human Resource Management System (HRMS)

The High Court of Uttarakhand successfully launched its Judicial Officer Human Resource Management System (HRMS) portal on July 23, 2026.

Designed with a modern and user-friendly interface, the portal serves as a central gateway to various administrative modules, including appraisal reports, the transfer module for judicial officers, a digital repository of records, leave management and comprehensive judicial officer profiles.

The platform features a personalized HRMS User dashboard that provides judicial officers with a tailored view of their accounts. It displays crucial information such as transfer representations, training exemption applications, real-time notifications and graphical summaries of submitted applications, enabling officers to monitor their requests efficiently.

Additionally, the portal includes a dedicated Judicial Officers Information Display module, offering

a centralized platform to view detailed records of judicial officers serving across the High Court and its subordinate courts. Users can easily search and filter records by district, officer type and keywords like name, court, or designation. Each profile card highlights essential career details, while a "View Profile" option provides comprehensive background information. This initiative significantly enhances administrative transparency, simplifies information retrieval and establishes a robust digital repository for judicial records in the state.

Statewise e-Initiatives Rollout Status as on 31.07.2026
