Judicial Training & Research Institute (JTRI), Lucknow: Capacity Building and Digital Evidence

The Judicial Training and Research Institute (JTRI), Uttar Pradesh, conducted a series of training programmes.

Under **ECT_17_2025**, two training sessions were conducted for Civil Judges. The first session, "Investigation of Cyber Crimes and Appreciation of Digital Evidence", was held on 04 August 2026, followed by a session on "Cyber Crime and Digital Evidence: Procedure and Judicial Approach under the Information Technology Act, 2000 and BNSS, 2023" on 07 August 2026. Each session had two participants and was conducted by Shri Ankur Garg, Deputy Director, JTRI. Further, under Training Code **ECT_18_2025**, a training programme on "Appreciation and Collection of Digital Evidence" was conducted on 31 August 2026 for newly appointed Additional District Judges. The programme, scheduled from 24 August to 07 October 2026, was organised in offline mode and was attended by 20 participants.

Andhra Pradesh Judicial Academy: e-Courts Training Programmes

The Andhra Pradesh Judicial Academy conducted three training programmes during August 2026 as part of its initiatives to strengthen digital literacy and the effective implementation of e-Courts services.

Under **ECT_6_2026**, a one-day training programme on "Digitization at High Court Level" was conducted on 01 August 2026 for High Court digitization staff. The programme was attended by 114 participants. It focused on the maintenance of ICT infrastructure and e-Court applications.

Further, under Training Code **ECT_4_2026**, a one-day "eCourts Programme for Advocates and Advocate Clerks" was conducted on 01 August 2026. The programme covered e-Filing, electronic case management, document scanning, e-Payment, video conferencing, hybrid hearings and other e-Courts services to enhance the digital proficiency of advocates and advocate clerks.

Additionally, under **ECT_9_2026**, "Refresher Programme for Court Staff" was conducted on 22 August 2026 focusing on the Case Information System (CIS), e-Filing, ICJS, NSTEP, digital case management, and other technology-enabled judicial services.

Judicial Academy Assam: Advancing Digital Justice Programmes

The Judicial Academy, Assam, conducted two training programmes in August 2026 to strengthen the technological competencies of judicial officers and court staff and promote the effective use of digital tools in judicial administration.

The first training programme, conducted under Training Code **ECT_9_2026** on 18 August 2026, was organised at the district level for Senior Administrative Assistants and Junior Administrative Assistants working as Bench Assistants/Bench Clerks. The one-hour, in-person programme was attended by 535 participants. Conducted by Master Trainers, including the Systems Officer and Systems Assistant, the training covered various eCourts applications and digital services, including ECMT, CIS, NSTEP, JustIS Mobile App, e-Filing, e-Pay, Virtual Courts and the Judgment Search Portal.

The second training programme, conducted under Training Code **ECT_16_2026** on 22 August 2026, was organised in blended mode for Judicial Officers of Assam. The six-hour programme was attended by 41 Judicial Officers and was conducted cluster-wise by the Judicial Academy, Assam. Shri Tarun Goyal, Co-District Superintendent of Police, Abhayapuri, Bongaigaon, served as the resource person. The sessions covered various technology-enabled applications used in courts, including e-Sakshya, e-Summons, MedLeaPR and Nyaya Shruti, along with other relevant digital applications.

These training programmes aimed to familiarise judicial officers and court staff with digital platforms and technology-enabled services and facilitate the effective integration of technology into day-to-day judicial functioning.

Maharashtra Judicial Academy: Strengthening Digital Competencies Through ICT Training Initiatives

The Maharashtra Judicial Academy conducted a series of training programmes during August 2026 to strengthen digital proficiency. Under **ECT_4_2026**, training programmes were organised across various districts.

Further, under **ECT_5_2026**, one-day training programmes were conducted for Administrative Head Staff and Court Managers in Buldana, Gondia, Nandurbar, Raigad-Alibag, Satara, Yavatmal, Daman, Diu and Dadra & Nagar Haveli. Under **ECT_6_2026**, a one-day training programme for High Court Digitisation Officials and Staff was conducted on 23 August 2026. The programme was attended by 183 participants, including judicial officials and technical experts. Additionally, under **ECT_7_2026**, a one-day training programme was conducted on 22 August 2026 at Amgaon, Gondia

district, with 38 participants. Under **ECT_8_2026**, training programmes were organised for Administrative Heads, Nazarat staff and Process Servers in Akola, Aurangabad and Jalgaon, with 173, 133 and 321 participants, respectively.

Under **ECT_9_2026**, a series of one-day refresher training programmes was conducted for Staff of the District Judiciary across various districts and talukas, including Ahmednagar, Akola, Aurangabad, Beed, Bhandara, Chandrapur, Gadchiroli, Jalgaon, Kolhapur, Nanded, Nashik, Mumbai, Osmanabad, Parbhani, Raigad, Sangli, Sindhudurg, Daman and Diu.

Further, under **ECT_10_2026**, a one-day training programme for Technical Staff and NIC Coordinators of the High Court was conducted on 30 August 2026 at the Maharashtra Judicial Academy. The programme was attended by 52 participants and conducted by five resource persons, including Shri Shakeel Shaikh, Deputy Registrar (IT), High Court of Bombay, and other technical experts.

Lastly, under **ECT_14_2026**, a one-day training programme for Judicial Officers was conducted on 07 August 2026 at the Maharashtra Judicial Academy. The programme was attended by 138 participants and conducted by Dr. Ananth Prabhu, Professor and Principal Investigator, Cyber Security and Digital Forensics, Sahyadri College of Engineering & Management, Mangaluru, Karnataka.

These initiatives contributed to strengthening institutional capacity of judicial officers, court staff, advocates and other stakeholders in the effective implementation of ICT-enabled judicial services.

West Bengal Judicial Academy: ICT Capacity Building and Digital Infrastructure Training Programmes

The West Bengal Judicial Academy conducted training programmes to enhance the implementation of ICT-enabled judicial services. Under **ECT_15_2026**, a programme was conducted on 29 August 2026 and was attended by 45 participants. The training covered CIS 1.0, e-Filing tools for paperless courts, hybrid hearings, data management and digitization of court records.

Further, under **ECT_11_2026**, a training programme was conducted for District System Administrators in three phases, from 06–07 August, 13–14 August and 20–21 August 2026. Each training day comprised six hours of sessions, with a total of 85 participants. The sessions focused on hardware and software maintenance, LAN connectivity and ICT infrastructure management practices.

These training initiatives aimed to strengthen and support the implementation of e-Courts services.

Chhattisgarh State Judicial Academy: Strengthening Digital Literacy and e-Courts Services

The Chhattisgarh State Judicial Academy conducted a series of programmes during August 2026 under **ECT_4_2026, ECT_7_2026** and **ECT_12_2026,** to enhance digital literacy and strengthen the adoption of ICT-enabled services.

The two-day training programmes were organised across 23 districts. The programmes were attended by 680 advocates. The training covered an overview of the eCourts Project, electronic case management, eCourts Services Mobile Application, case status tracking, judgments, e-Filing, e-Payment, Virtual Courts, NSTEP and video conferencing.

These initiatives aimed to enhance the digital competencies and promote the effective utilisation of e-Courts services and strengthen technology-enabled judicial processes across Chhattisgarh.

Delhi Judicial Academy: Enhancing Technical Expertise for Digital Judicial Administration

The Delhi Judicial Academy, under the Delhi High Court, conducted a one-day training programme on 12 August 2026 under **ECT_11_2026**, to strengthen technical competencies and support the effective implementation of ICT-enabled judicial services.

The programme was organised in physical mode for 43 technical staff members of the District Judiciary. The sessions were conducted by Mr. Amit Kumar, Mr. Yogesh Kumar, Mr. Ajay Kumar Shukla and Mr. Nishtant Garg, System Analysts, THC.

The training was conducted with the objective of enhancing the technical capabilities of District Judiciary personnel. The programme aimed to strengthen technical capacity within the District Judiciary and support the efficient functioning of technology-enabled judicial administration in Delhi.

Gujarat State Judicial Academy: Strengthening Digital Judicial Infrastructure

The Gujarat State Judicial Academy, conducted a one-day ICT training programme on 20 August 2026 under **ECT_11_2026** to strengthen technical competencies and promote the effective implementation of technology-enabled judicial services.

The programme was organised for 38 technical staff members of the District Judiciary. The training covered court data management, data replication, CIS 4.0 updates, master data management, case history transfers, Lok Adalat disposal entries, JSON-based CIS features and the District Administrative Dashboard. Participants were familiarised with ICJS configuration, NSTEP and e-Prison ID tagging. The session addressed its architecture, CCTNS, electronic evidence tracking, e-Forensics, e-Prisons, e-Prosecution integration and interoperable dashboards.

Himachal Pradesh State Judicial Academy: Promoting Digital Literacy and e-Courts Accessibility Through ICT Training

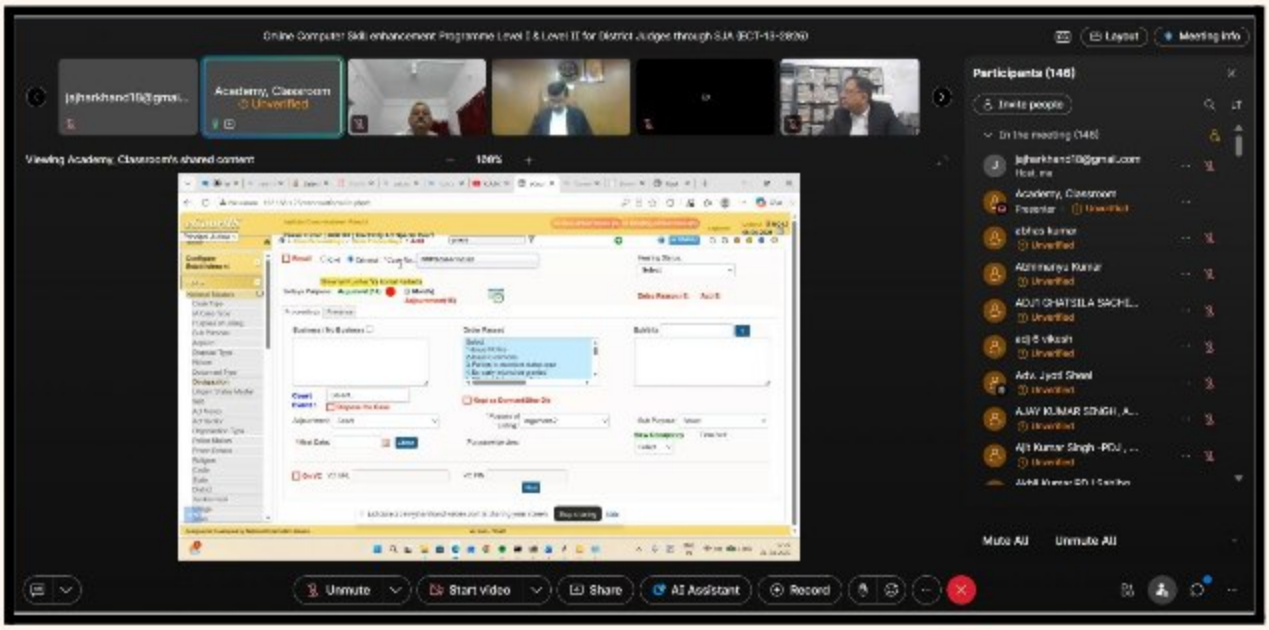

The Himachal Pradesh Judicial Academy, under the High Court of Himachal Pradesh, conducted an online training programme on 13 August 2026 under **ECT_04_2025** and **ECT_07_2025**, to enhance digital literacy and promote the effective utilisation of e-Courts services.

The two-hour training programme, titled "e-Filing and e-Courts Services," was organised for advocates and advocate clerks, with a total of 145 participants. The programme focused on familiarising legal professionals with electronic filing and digital court services to facilitate greater accessibility and efficiency in judicial processes.

The training initiative aimed to strengthen the digital competencies of advocates and advocate clerks, encourage the adoption of electronic filing procedures and support the effective utilisation of technology-enabled judicial services across Himachal Pradesh.

Judicial Academy Jharkhand: ICT Training Programmes for District Judges and Court Staff

The Judicial Academy, Jharkhand, conducted two ICT training programmes during August 2026 to enhance digital competencies and strengthen technology-enabled judicial administration. Under **ECT_13_2026**, a one-hour online training programme was conducted on 21 August 2026 for District Judges. The session focused on the Case Management System.

Further, under ECT-9_2026, a one-day offline training programme was conducted on 23 August 2026 for court staff at district headquarters. The programme focused on Computer Enhancement Skills, with the objective of improving the computer proficiency of court personnel and supporting their effective use of digital tools in day-to-day judicial administration.

Karnataka Judicial Academy: ICT Skill Enhancement, Digital Evidence and e-Courts Training Programmes

The Karnataka Judicial Academy, Bengaluru conducted nine (9) ICT training programmes during August 2026 covering 1,172 participants.

Under **ECT_13_2026, ECT_4_2026, ECT_5_2026** and **ECT_8_2026**, ICT skill enhancement programmes were conducted with the participation of 138 judicial officers, 185 advocates and advocate clerks, 357 court managers and staff, and 232 bailiffs, process servers and Nazirs. Conducted by district technicians and master trainers, the sessions focused on e-Filing, e-Payments, eCourts services, real-time case updates, digital workflows and the effective use of NSTEP.

Under **ECT_14_2026**, a workshop on Cyber Crime and Cyber Laws was conducted on 27–28 August 2026 for 27 judicial officers of different cadres. Organised in association with the Centre for Cyber Crime

Investigation, Training and Research, CID Headquarters, Bengaluru, the programme covered emerging cybercrimes, admissibility of digital evidence, digital forensics, cryptocurrency investigations, dark web crimes and practical demonstrations relating to the search and seizure of electronic evidence.

Further, under **ECT_9_2026**, training programmes were conducted on 12, 19, 22, 27 and 29 August 2026 for 128 First Division Assistants and Second Division Assistants and 22 Sheristedar administrative staff. The sessions focused on maintenance and preservation of court records, indexing, digitization, e-Filing and online submission of court records to appellate courts.

Under **ECT_16_2026**, training sessions were conducted on 13, 17 and 18 August 2026 for 33 judicial officers belonging to the Civil Judges 2022 Batch. The programme addressed cybersecurity, admissibility and preservation of digital evidence and technology-based criminal investigations.

Additionally, under **ECT_4_2026**, training programmes were conducted on 3 and 12 August 2026 for 50 newly appointed Assistant Public Prosecutors. The sessions covered cybersecurity fundamentals, digital forensics, handling of electronic evidence, cybercrime investigations, case studies and video conferencing rules.

These training initiatives aimed to enhance digital literacy, strengthen the management of electronic judicial records, improve understanding of cybercrime and digital evidence, and promote the effective implementation of e-Courts services across Karnataka.

Kerala Judicial Academy: Capacity Building Programmes on DCMS and Digitization of Case Records

The Kerala Judicial Academy conducted two capacity-building programmes under **ECT_3_2026** and **ECT_6_2026**. The programmes focused on strengthening digital competencies and improving the implementation of the District Court Case Management System (DCMS).

Under **ECT_3_2026**, conducted on 13 August 2026 for 25 Judicial Officers covered the workflow involved in the Digitization Project and best practices for digitization and management of case records.

Under **ECT_6_2026**, conducted on 17 August 2026 focused on DCMS, digitization workflows and best practices for handling electronic case records, with emphasis on strengthening technical preparedness before the deployment of Digitization Officers. These initiatives aimed to enhance digital case management and preservation of judicial records.

Tamil Nadu Judicial Academy: ICT Training on Court Operations, Case Information System and Hybrid Court Procedures

The Tamil Nadu State Judicial Academy conducted a one-day ICT training programme on 22 August 2026 under **ECT_5_2026** to strengthen digital competencies and promote the effective implementation of technology-enabled judicial services.

The programme was organised for 1,744 Court Managers and Administrative Head Staff of the District Judiciary. The sessions were conducted focusing on strengthening administrative efficiency and improving the use of digital systems in day-to-day court functioning.

The training covered Basic Court Operations, Case Information System (CIS), Notices, Warrants and Hybrid Appearance.

Manipur Judicial Academy: Refresher Training Programmes on Nyay Shruti, Case Information System and NSTEP

The Manipur Judicial Academy conducted two ICT training programmes on 8 and 22 August 2026 to strengthen digital competencies and promote the effective utilisation of technology-enabled services.

Under **ECT_9_2026**, a refresher training programme was conducted on 8 August 2026 for 91 judicial officers and court staff. The programme focused on Nyay Shruti, helping participants understand the application and its various aspects.

Further, under **ECT_8_2026** and **ECT_9_2026,** a refresher training programme was conducted on 22 August 2026. The training focused on the Case Information System (CIS) and NSTEP. These initiatives aimed to enhance the technical proficiency of judicial officers and court personnel, improve the utilisation of CIS, Nyay Shruti and NSTEP, and support efficient, technology-enabled judicial administration across Manipur.

Meghalaya State Judicial Academy: Training Programme on e-Filing 3.0 and eCourts Digital Services for Advocates

The Meghalaya State Judicial Academy, Shillong, conducted a two-hour ICT programme on 13 August 2026, under **ECT_4_2026** and **ECT_12_2026** to strengthen digital competencies and promote the utilisation of eCourts services.

The programme was organised for 135 advocates focusing on e-Filing 3.0, eCourts Portals, eCourts Mobile Services App, Judgments Portal, India Code, NSTEP and Push & Pull SMS Services. The programme also covered electronic summons and process service, along with automated SMS-based case updates.

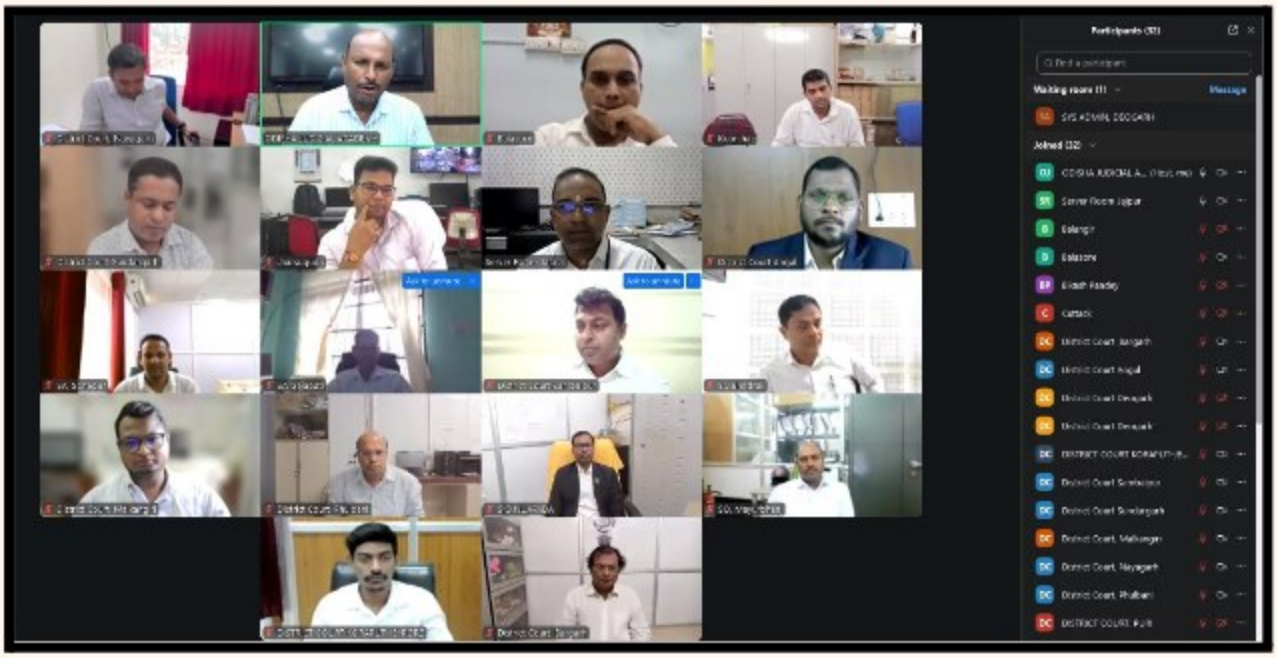

The programme provided practical familiarity with Electronic Case Management Tools (ECMT) and enabled more efficient tracking of court proceedings while reducing dependence on manual record verification.

Nagaland Judiciary: Refresher Training Programme on NSTEP, eSummons, CIS 4.0, ICJS and e-Filing

The Nagaland Judiciary, under the Gauhati High Court conducted a two-day ICT refresher training programme on 21 and 22 August 2026, under **ECT_08-2026** to promote the effective utilisation of eCourts services. The programme was organised for 150 participants. The programme focused on NSTEP, eSummons, Case Information System (CIS) 4.0, Interoperable Criminal Justice System (ICJS) and e-Filing. Participants were introduced to new features of CIS 4.0, electronic summons and process management, and various eCourts services. Additional sessions covered District Court service matters, roles and responsibilities of court personnel, Nazareth functions, and civil and criminal processes.

Odisha Judicial Academy: ICT Training Programmes for Technical Staff and Judicial Officers

The Odisha Judicial Academy, conducted two ICT training programmes during August 2026 under **ECT_11_2026** and **ECT_3_2026** to strengthen digital competencies and promote technology-enabled judicial administration.

Under **ECT_11_2026**, a one-day online programme was conducted on 29 August 2026. It focused on ICT-related technical training, with detailed topics provided in separate training modules. Further, under **ECT_3_2026**, a two-day physical training programme was conducted on 29 and 30 August 2026 for 39 Judicial Officers. The programme formed part of the Academy's ICT capacity-building initiatives for judicial officers, aimed at strengthening their familiarity with technology-enabled judicial processes.

Bihar Judicial Academy: ICT and eCourts Training Programme for Newly Nominated Judicial Master Trainers

The Bihar Judicial Academy conducted a two-day ICT training programme on 22 and 23 August 2026, under **ECT_03_2026**. The programme was organised for 64 newly nominated Judicial Officers serving as Master Trainers. The training covered the history of ICT under the National e-Governance Plan (NeGP), the role of the eCommittee, and Phases II and III of the eCourts Project.

The programme also focused on the Case Information System (CIS), NSTEP, e-Filing, eCourts Services, Virtual Courts, Video Conferencing and CIS–ICJS integration. The sessions combined theoretical knowledge with practical and technical concepts to strengthen participants' understanding of ICT applications in judicial administration.

Chandigarh Judicial Academy: Training Completion on Refresher Programme on Cyber Laws and Appreciation and Handling of Digital Evidence

The Chandigarh Judicial Academy conducted a one-day Refresher Programme on Cyber Laws and Appreciation and Handling of Digital Evidence under **ECT_14_2025** on 22.08.2026, attended by 54 Judicial Officers from Punjab, Haryana and UT Chandigarh.

The programme covered preservation and handling of digital evidence, its application in investigation and prosecution, cell phone architecture and forensics, and the admissibility of electronic evidence with particular emphasis on judicial appreciation and relevant legal principles.

The sessions were delivered by experienced judicial officers and subject experts, providing participants with insights into the legal and technical aspects of electronic evidence and its effective appreciation in judicial proceedings.

Sikkim Judicial Academy: Training on Digitization, Digital Preservation and Related Technologies

The Sikkim Judicial Academy conducted a three-hour training programme on **"Digitization, Digital Preservation and Related Technologies"** under **ECT_06_2026** on 21.08.2026.

The session focused on scanning and digitalization of judicial records, Optical Character Recognition (OCR), and the Sikkim Integrated Case Management (SICM) System. It covered digital preservation standards, ISO 16363, the Open Archival Information System (OAIS) model, and trustworthy digital repositories.

The programme further addressed the digitization of legacy records, pre-scanning procedures and long-term preservation of electronic records. The training aimed to enhance the technical knowledge and understanding regarding efficient digital record management, preservation and modernization of judicial administrative processes.

Telangana State Judicial Academy: Training on eCourts Applications and Digital Judicial Processes

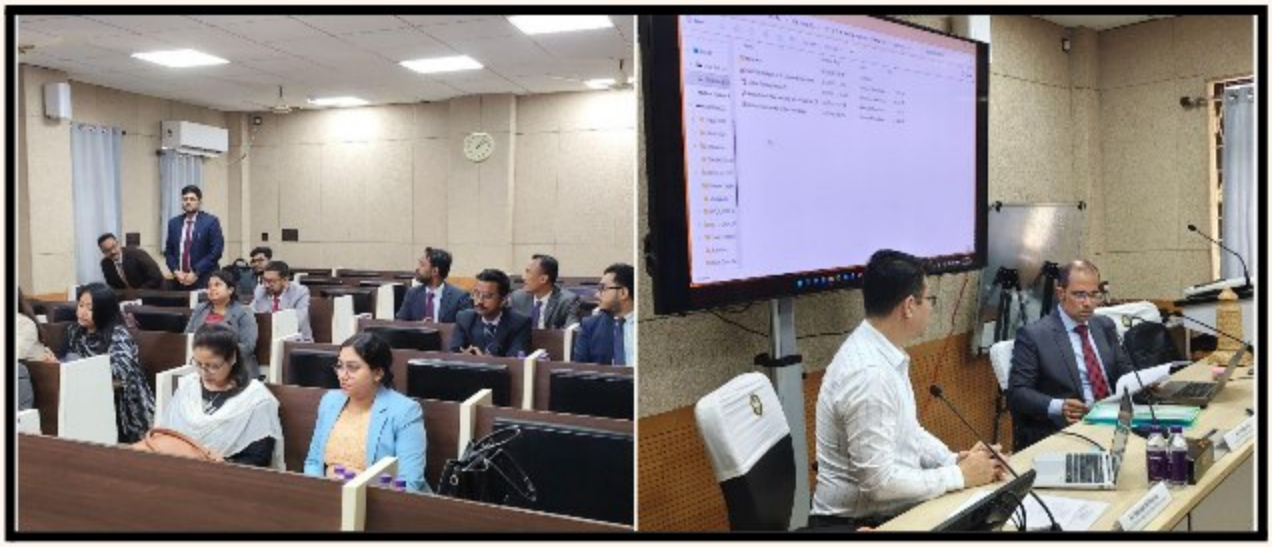

The Telangana State Judicial Academy conducted different training programmes on 1 and 22 August 2026, under **ECT_8_2026, ECT_5_2026, ECT_10_2026 and ECT_11_2026**. The programmes were organised for a total of **1,466 participants.**

The sessions covered various ICT initiatives under the eCourts Project, including the Case Information System (CIS), e-Filing, digitization of judicial records and the handling of Motor Vehicles Act cases. The programme aimed to enhance participants' technical knowledge and understanding of digital applications used in judicial administration, case management, electronic filing and service of processes.

It also sought to strengthen the effective implementation of eCourts services and promote efficiency, transparency and accessibility in court functioning.

Tripura Judicial Academy: ICT Training on eCourts Applications and Digital Judicial Administration

The Tripura Judicial Academy conducted two one-day ICT training programmes on 8 and 19 August 2026, under **ECT_3_2026 and ECT_5_2026**, respectively. The programmes covered the National e-Governance Plan (NeGP), the evolution and implementation of Phases I, II and III of the eCourts Project.

The sessions also focused on digitization and digital preservation of judicial records, the core-periphery model of CIS, generation of statistical reports, procurement, e-Filing helpdesks and preparation of budget estimates.

These initiatives aimed to strengthen institutional training capacity, enhance the technical and administrative proficiency of judicial officers and court personnel, and promote efficient, transparent and technology-enabled judicial administration across Tripura.

Uttarakhand Judicial & Legal Academy, Nainital: ICT Training Programme on Digitization and Digital Judicial Processes

The Uttarakhand Judicial & Legal Academy, Nainital, conducted two one-day sessions on 2 and 16 August 2026, under **ECT_6_2026**.

The training covered digitization of judicial processes, Special Summons, machine scrutiny of Negotiable Instruments Act cases, Roznama, Data Health Card, and electronic consumption of FIRs and charge-sheets. The programmes included hands-on training and live demonstrations on the generation and service of civil and criminal processes through the National Service and Tracking of Electronic Processes (NSTEP) and e-mail.

The sessions emphasised the practical application of digital tools to streamline judicial procedures, strengthen electronic record management and improve the efficiency of court processes.

High Court Tech Roadmap

High Court of Allahabad: Strengthening ICT Infrastructure and Digital Connectivity

As part of its ongoing efforts to strengthen ICT infrastructure and enhance technology-enabled judicial administration, the High Court undertook initiatives relating to the procurement, upgradation and maintenance of essential IT equipment and digital services.

The initiatives included enterprise-grade network routers and switches, Windows Operating Systems with antivirus protection, 400 units of 1 KVA Uninterruptible Power Supply (UPS) systems, 287 HP printers, 15 Cisco Webex Suite licences, renewal of Oracle Annual Technical Support (ATS), and 14 servers.

The measures reflect the High Court's continued commitment to modernising judicial infrastructure.

High Court of Andhra Pradesh: Launch of the Advocate Services Portal

The High Court of Andhra Pradesh developed a dedicated Advocate Services Portal to provide learned Advocates with secure, convenient and real-time access to judicial information and digital court services.

The Portal enables access through registered mobile numbers and OTP authentication. Its key feature, the Case Hearing Dashboard, provides real-time updates on cases listed before the High Court, including Court Hall Number, VC Link, Item Number, Current Item and Case Status. The Dashboard dynamically prioritises cases likely to be taken up shortly and uses colour-coded indicators to facilitate efficient monitoring of court proceedings.

The platform also incorporates features such as the Next Hearing Calendar, My Final Orders Status, My Case Diary, details of

unregistered cases, marking of favourite cases and access to scanned case documents. Additional services, including Online CD, APHC e-Court Fee, Utilities, MACT Calculator, Digi Reporter and details of Law Officers and Standing Counsels, have been integrated into a unified digital platform.

The initiative represents a significant advancement in technology-enabled judicial services by reducing the need for Advocates to continuously monitor physical display boards and enabling them to focus more effectively on case preparation and court proceedings.

Gauhati High Court: Introduction of Paperless Courts at the Principal Seat

The Gauhati High Court has taken a significant step towards modernising judicial functioning with the introduction of Paperless Courts in the courtrooms of its Principal Seat.

The initiative is aimed at enhancing the efficiency, accessibility and speed of judicial proceedings by reducing dependence on physical files and facilitating the digital management of court documents. The Paperless Court system is being implemented in a phased manner as part of the High Court's ongoing efforts towards greater adoption of technology in judicial administration. As part of the initiative, the Document Management System (DMS) for the Paperless Court solution has been implemented. The system enables the digital management and access of court documents, thereby facilitating a more streamlined workflow for the Hon'ble Judges and the Registry.

The Paperless Court system has been made functional in five courtrooms of the Principal Seat on a pilot basis with effect from August 13, 2026.

Chhattisgarh High Court: Foundation Stone Laid for New District Court Complex at Durg and Launch of Digital Judicial Facilities

An important chapter was added to the judicial history of Durg district on Saturday with the Bhoomi Pujan and foundation stone laying ceremony for the new Principal District and Sessions Court Building. Hon'ble the Chief Justice of the Chhattisgarh High Court, Justice Mr. Ramesh Sinha, performed the Bhoomi Pujan and foundation stone laying ceremony.

The programme was graced by Hon'ble Mr. Justice P. P. Sahu, Hon'ble Mr. Justice Naresh Kumar Chandravanshi, Hon'ble Mr. Justice Ravindra Kumar Agrawal, Hon'ble Mr. Justice Vibhu Dutt Guru and

Hon'ble Mr. Justice Amitendra Kishore Prasad.

The programme began with the welcome address by Mr. Vinod Kujur, Principal District and Sessions Judge, Durg, who highlighted the need for a new court building and the vision of developing a modern judicial complex in accordance with future requirements. The proposed building is expected to provide a better and well-organised environment for judicial work and improved facilities for judicial officers, advocates, employees and litigants.

Addressing the gathering, Hon'ble the Chief Justice, Mr. Ramesh Sinha emphasised the importance of modern judicial infrastructure, technological innovation and a people-centric justice delivery system. Describing the new court building as an important achievement for Durg's judicial system, he stressed the need to strengthen judicial institutions in line with future requirements. He also appreciated digital judicial initiatives and community mediation, stating that the justice system is successful when justice is accessible, simple, transparent and close to the common people.

Three Digital Judicial Facilities Launched

Three digital judicial initiatives developed by the Information Technology Team of the Chhattisgarh High Court were launched and presented through a video presentation:

- *Cashless Fine Payment Facility:* This facility enables litigants and concerned persons to pay fines imposed by the Court through digital modes. It promotes quick, secure, transparent, and hassle-free transactions, reducing dependence on cash payments.

- *AFR Mobile Application (Android):* This Android-based application provides easy access to Annual/Authoritative Final Reports (AFR) and court judgments/orders. It helps advocates, litigants, and judicial users conveniently access case-related information through mobile devices.
- *Court Fee Ticket Generation System:* It has been implemented to facilitate the online generation and payment of court-fee tickets. It simplifies the court-fee process, reduces paperwork, and provides a convenient and transparent digital alternative to physical court-fee tickets.

These facilities aim to simplify judicial processes, enhance transparency and make court services more technology-enabled and convenient for citizens and judicial stakeholders. Their implementation is expected to benefit all concerned and bring greater transparency to judicial processes.

On the occasion, the book **Sandhi Setu**, based on community mediation and prepared by the District Legal Services Authority, Durg, was also released. The book documents efforts to resolve disputes at the community level through dialogue, consensus and mediation.

Judicial officers, district judiciary officers and employees, advocates, Legal Services Authority representatives, administrative officers, paralegal volunteers and social representatives attended the programme. At the conclusion, Suman Ekka, Principal Judge, Family Court, Durg, expressed her gratitude. The District Advocates' Association, Durg, accorded a dignified welcome to the Chief Justice, while members of the State Bar Council selected from Durg district also felicitated him.

Delhi High Court: Strengthening Judicial Infrastructure and Courtroom Management

The Delhi High Court undertook two significant initiatives aimed at strengthening judicial infrastructure and promoting the efficient administration of justice.

Inauguration of Special NIA, MCOCA and NDPS Courts at Rouse Avenue Courts by Hon'ble The Chief Justice of India

On 3rd August, 2026, Special NIA, MCOCA and NDPS Courts were inaugurated at Rouse Avenue Courts Complex, New Delhi by Hon'ble the Chief Justice of India, HMJ Surya Kant, in the august presence of HMJ Devendra Kumar Upadhyaya, Chief Justice, High Court of Delhi,

Chairman and members of the Portfolio Judges' Committee, Rouse Avenue Courts Complex and other companion Judges of the High Court of Delhi.

Training programme on Maintaining Judicial Balance: Handling Difficult Situations in Court

Further, training programmes on "Maintaining Judicial Balance: Handling Difficult Situations in Court" were conducted at Karkardooma District Courts on 5 and 19 August 2026. The programmes focused on maintaining judicial balance and effectively handling challenging situations arising during court proceedings.

High Court of Gujarat: Inauguration of Enterprise Wi-Fi Facility to Strengthen Paperless Court Infrastructure

In a major step towards building an accessible, efficient, and technologically integrated judicial ecosystem, a state-of-the-art Enterprise Wi-Fi facility across the High Court complex was inaugurated on 15th August, 2026 by Hon'ble the Chief Justice of the High Court of Gujarat.

This Wifi system is powered by approximately 655 enterprise-grade Access Points which are built on a high-density, centralized enterprise framework and designed to provide secure internet access while supporting the High Court's paperless court initiatives.

The network is specifically optimized to amplify digital court operations, delivering seamless, high-speed Wi-Fi 6 connectivity across key user zones, i.e. Courtrooms, outside Lobbies, the Advocate Bar Room, Advocate Libraries and the AIR Cafe.

This Wifi facility, envisaged as a foundational pillar under the e-Courts project and the paperless court vision, aims to digitally empower Advocates and Litigants during court proceedings.

High Court of Kerala: Digital Authentication, DCMS Implementation for Paperless Judicial Administration

As part of its continued efforts towards digital transformation and the implementation of a paperless court system, the High Court of Kerala launched the following initiatives:

Digital Authentication and Digitisation of A Diary

As part of the continued efforts towards a paperless court system, a facility has been provided in the District Court Case Management System (DCMS) for the digital signing of a diary using a Digital Sign.

Online Demonstration of DCMS for Railway Officials

An online demonstration of DCMS was conducted for 28 Railway officials on 5th August 2026, showcasing the system's features, workflows, and case management capabilities.

Training Programme for Senior System Officers (SSOs) – on DCMS and Digitisation

A training programme was conducted on 17 August 2026 for 14 Senior System Officers (SSOs), covering key areas including DCMS, digitisation processes, and technical support procedures.

Incremental Digitisation Training for High Court Staff

A training programme on Incremental Digitisation was conducted on 29 August 2026 for 26 High Court staff members.

Training Programme for Master Trainers – District Judiciary

A training programme was conducted on 13 August 2026 for 31 Master Trainers from the District Judiciary to familiarize them with DCMS and equip them to train judicial officers and court staff in their respective districts.

High Court of Madras: Strengthening Digital Judicial Infrastructure and Technology-Enabled Justice Delivery

The Madras High Court undertook several significant initiatives to enhance digital governance and promote technology-enabled judicial administration across Tamil Nadu and the Union Territory of Puducherry.

The Hon'ble Chief Justice of the Madras High Court Chairs the Computer Committee

On 6 August 2026, Hon'ble the Chief Justice, Mr. Justice Sushrut Arvind Dharmadhikari, chaired a meeting of the Computer Committee to review and advance ICT infrastructure, digital governance and technology-enabled judicial processes. The meeting focused on

aligning ongoing technological initiatives with the modernisation of judicial administration.

Demo Programme on "E-Prisons Early Release Processing Module" in Tamil Nadu State Judicial Academy, Chennai

The Hon'ble Division Bench comprising Dr. Justice Anita Sumanth and Mr. Justice Sunder Mohan, in W.P.Crl.No.486 of 2025 and W.M.P.Crl.No.230 of 2025, directed the implementation of the E-Prisons Early Release Processing Module as a pilot project in Puzhal Prison. In compliance, the Registrar (IT-cum-Statistics) coordinated with the National Informatics Centre and the Tamil Nadu Prison Department for development of the module. A demonstration programme was successfully conducted on 23.08.2026 by the Registrar (IT-cum-Statistics) at the Tamil Nadu State Judicial Academy, Chennai, with participation from officials of the High Court Legal Services Authority, Tamil Nadu State Legal Services Authority, District Legal Services Authority, Public Prosecutor, Standing Counsel for TNSLSA, Inspector General of Prisons, and other stakeholders, including Prison Department officials.

Dashboard for Tracking Unclaimed MCOP and Labour Court Cases – Apex Court direction

The Hon'ble Supreme Court of India has directed in Suo Moto W.P.(C)No.7 of 2024 to create a dashboard for Tracking Unclaimed MCOP and Labour Court Cases. In compliance, the Madras High Court

in co-ordination with the National Informatics Centre (NIC), has developed a Dashboard to track unclaimed amounts in Motor Accident Claims Petitions (MCOP) and Labour Court cases. To apprise stakeholders of its functionalities and to obtain suggestions and feedback regarding the pilot testing, the Registry convened a meeting on 21.08.2026 with the Judicial Officers of the concerned Courts through Video Conferencing. The Dashboard is now ready for implementation and is pending a security audit. This dashboard, made in compliance with the Hon'ble Apex Court direction, marks a significant step towards transparency and effective monitoring of compensation deposits under judicial directions.

Implementation of Additional 115 e-Sewa Kendras in the State of Tamil Nadu and U.T. of Puducherry

The High Court also initiated the implementation of **115 additional e-Sewa Kendras**, along with associated ICT infrastructure and capacity-building measures. Following feasibility assessments and review meetings, the provision of e-Sewa Kendras commenced at 94 locations to improve public access to digital judicial services.

Madras High Court Video Conferencing Rules, 2026 – Framed & Published

The Madras High Court has framed the Video Conferencing Rules, 2026 (Nyaya Shruti) pursuant to directions from the Government of India, following the enforcement of the new criminal laws. These rules have been

published in the Tamil Nadu Government Gazette on 12.08.2026 and in the Gazette of Puducherry on 25.08.2026.

Inauguration of Additional District Court at Harur, Dharmapuri District Through Video Conference by the Hon'ble Chief Justice of Madras High Court

The Hon'ble Chief Justice, Thiru Justice Sushrut Arvind Dharmadhikari, inaugurated the Additional District Court at Harur in Dharmapuri District on 8 August 2026 through Video Conference. The Court has commenced functioning in the Combined Court Buildings, Harur, as per G.O. (Ms.) No. 287, Home (Courts-III) Department, dated 17.06.2025.

The inauguration was marked by the effective adoption of the virtual mode, which greatly enhanced time efficiency and connectivity. The Hon'ble Chief Justice graced the occasion from Chennai, while the Hon'ble Mrs. Justice S. Srimathy joined concurrently from Madurai, with the proceedings seamlessly linked to Dharmapuri. This tri-location participation, enabled through Video Conferencing, stood as a testament to the judiciary's commitment to technology-driven accessibility and the reach of its digital infrastructure.

High Court of Rajasthan: Launch of Nyayayan, Expansion of Paperless Courts and Establishment of e-Seva Kendras

The Rajasthan High Court inaugurated **Nyayayan – "The Way of Digital Service"**, an indigenous software application developed by the Technical Team of the Rajasthan High Court to facilitate paperless judicial proceedings. The application also incorporates role-based access, authentication mechanisms and audit trails to ensure secure and transparent judicial processes. The initiative is intended to facilitate 1,495 courts and 1,517 Judicial Officers across Rajasthan.

The High Court also expanded the Paperless Court System in the District Judiciary. Following its initial implementation on 15 December 2025 in two pilot courts, the system was extended to 34 additional Negotiable Instruments

Act Courts and 8 Commercial Courts, incorporating feedback received during the pilot phase. The expansion aims to reduce dependence on physical records, streamline court proceedings and promote efficient and environmentally sustainable judicial functioning.

Further, under Phase III of the eCourts Project, the High Court established 18 new e-Seva Kendras across 14 judgeships, all of which became operational in August 2026. These centres provide citizen-centric digital services, including video conferencing, case status information, cause lists, access to judgments and orders, e-Filing and e-Payment facilities, thereby improving accessibility and convenience for advocates, litigants and other stakeholders.

Collectively, these initiatives reflect the Rajasthan High Court's continued commitment to digital transformation, strengthening paperless judicial processes, expanding technology-enabled court services and promoting efficient, transparent, accessible and sustainable administration of justice across the State.
