

Indian Sign Language Research and Training Centre (ISLRTC)

Indian Sign Language Interpreters Directory

ISLRTC has come out with a directory of ISL interpreters in India. The directory aims at categorizing the list of interpreters primarily according to their status, i.e., whether they are active or non active, and if they are active, then, whether they are RCI certified are not. This organization of the directory will help in finding the required interpreters according to their status and zone.

The directory lists total 325 interpreters across India. It has been categorized in the following way:

Active Interpreters - 263
Non-Active Interpreters - 47
Active but Not Certified - 15 (including CODA/SODA)

The interpreters have been further divided into six zones: North, South, East, West, Central and North-east.
