#### HARYANA GOVERNMENT

#### SOCIAL JUSTICE & EMPOWERMENT DEPARTMENT

#### Notification

The 4th October, 2018

**No. 1517 /SW(4)-2018.**— The Governor of Haryana is pleased to formulate a scheme namely “Financial Assistance to Women and Girl Acid Attack Victims” to acid victims, financial assistance to help them lead their lives with dignity in the society.

#### 1. INTRODUCTION

The State Government through the Women and Child Development Department has notified a scheme “Relief and Rehabilitation of Women Acid Victims” vide notification No. 337-SW(3)-2016 dated 25.03.2016. Under Clause 8 of the scheme, it has been provided “that monthly financial assistance of Rs. 8000/- to acid victims who come in the definition of disability under clause (r) (s) and (zc) of section 2 of the Rights of Persons with Disabilities Act, 2016 should be provided by the Social Justice & Empowerment Department”.

#### 2. OBJECTIVE:

Acid attack is not something unheard of in India. It has shocked the conscience of our nation again and again with mutilated faces, unbeaten survivors coming to the frontlines to share their horrific stories, and families driven to bankruptcy supporting recovery costs. Acid attack is possibly one of the worst inflictions on another human – leading to complete debilitation, loss of income and opportunity, and even social sequestration.

Acid attack on women & girls is the result of an uneven socio-gender set-up. Quarrels, disobedience or willfulness and even the lack of any reason have resulted in acid attacks on women.

In some cases women & girls have lost their ability to hear due to the attack. When acid enters the wind pipe or the food pipe, it can lead to fatal diseases. Many deaths have been reported after acid attacks. Treatment calls for a huge amount of money & it is not possible for every victim to afford such costly treatment. This social security scheme will allow a monthly pension to a woman or girl acid attack victim and allow her a continuous source of income until the end of her life. Thus, it seeks to restore, to an extent the right to live with dignity for a woman and girl acid attack victim.

**3. ELIGIBILITY CRITERIA**

- (i) "Acid attack victim" here means a woman or girl who has suffered disfigurement of any part of the body or has become disabled due to acid attack or similar corrosive substance as defined under clause (r) (s) and (zc) of section 2 of "The Rights of Persons with Disabilities Act, 2016" .
