

The image is a composite background. The top half shows a starry night sky with numerous star trails, suggesting a long-exposure photograph. The bottom half shows a dark silhouette of a mountain range against a lighter, hazy sky. Overlaid on the entire image is a grid of concentric circles, some solid and some dotted, creating a technical or digital aesthetic.

Introduction to **Filmmaking**

Types of films

- **Friction Film**
- **Documentary Film**
- **Future film**
- **Short Film**

5 main Production Stages

1. **Development**
