Subject: - Identification of Citizen Centric Services of various Departments to be made online.

Circular No: 07-IT (UTL) OF 2021,

Dated: 08.09.2021

In order to provide transparent, time-bound and affordable Government to Citizen (G2C) services, the Information Technology Department, Ladakh intends to convert manual process of various G2C services to online (end-to-end) which will be made available through common service delivery outlets.

This will not only reduce the time taken to avail various G2C services but also remove the need for other expenditures like travel and loss of wages and time.

In this regard, the undersigned is directed to request all the Departments to identify the list of various G2C services which can be made online and communicate to the IT Department, Ladakh by 20.09.2021 for rolling out of such services. Ms. Stanzein Sedol (9622974983, sezein.dol@gmail.com) will be the nodal officer for the purpose.
