Brief Introduction

Tourism sector in Ladakh has got potential to contribute a lot to Ladakh economy. Ladakh is known globally for its natural beauty, Monasteries breath taking meadows, snow clad mountains and majestic rivers and lakes. The role of trained and skilled manpower for success in any organization is pivotal and tourism industry is no exception. The research paper takes a close look at different aspects of hospitality industry , the requirements of hospitality industry and how **Hunar se Rozgar a scheme conceived by ministry of tourism Govt of India** has emerged as Employment generator in providing employment to local youths in hotels by training them various departments of a hotel like F&B Service , Housekeeping , Food production and bakery and how this scheme has Further the study also helps to uncover the various problems which local hoteliers face in carrying out their operations smoothly because of paucity of staff and how Hunar se Rozgar has brought an end to the miseries of Hoteliers as far providing trained and skilled manpower is concerned. The paper also tries to put forth the role played by Central implementing agencies in implementing the scheme and the strategies adopted by these agencies in achieving the targets set by Ministry of Tourism Govt of India.
