

**THE ADMINISTRATION OF UNION TERRITORY OF LADAKH
OFFICE OF THE EXCISE COMMISSIONER
UNION TERRITORY OF LADAKH**

Email: eto-ladakh@jk.gov.in

Subject: Expression of Interest (EOI) for finalization of Holograms Specifications.

Excise Department, Union territory of Ladakh is going to re-execute the process of e-tendering for production and supply of Polyester based security Holograms. It is hereby informed to all the interested tenderers, who manufactures and supplies polyester based security Holograms to submit their latest technical specification (security features) along with digital presentation at the conference hall of Deputy Commissioner, Leh on 18-03-2023 at 11:00 AM, so that the same can be included in Tender Documents.

It is not mandatory that the technical specifications given by different tenderer shall be included in Tender Document for production and supply of polyester based security Holograms. It is the discretion of Excise Commissioner, Union territory of Ladakh only. The approximate volume of holograms that would be required for 1 year would be approximate 90 lacs in numbers.

Only those tenderers will participate who fulfil the following conditions:

1. The tenderer should have licensed manufacturing facility including the Master origination facility in India, all in one premises. In case a tenderer has collaboration with any international manufacturer for Master Origination facility, such Mastering Facility should be located in India in one premise.
2. The tenderer should have an annual turnover of not less than Rs 50 lacs per annum during the preceding two years (FY 2020-21 & FY 2021-22), in the manufacture and supply of polyester based Security Holograms only and not other products like holographic films (wide web etc.), polyester film, paper label, paper label with hologram, etc.
3. The tenderer should have minimum "Net worth" of Rs. 1 Crore as on 31st Mar, 2022.
4. The tenderer should have at least 03 (three) years of experience in the field of manufacture of security Holograms as well as operating a mastering lab and should be presently capable to produce polyester based Security Holograms with upto 1,20,000 DPI (with Litho).
5. The tenderer must have experience in supplying Excise holograms to any State Excise Department only in India in any one of the last 3 financial years 2019-20, 2020-21 & 2021-22 for affixation on liquor bottles. The holograms must have been manufactured completely in-house in one premises.
