TEMPLATE FOR SUBMITTING THE PROPOSAL

for

The proposal can be in form of a <mark>document (pdf) or presentation (ppt) or audio-visual presentation or any other format</mark> that is able to convey the idea effectively

Title: (Title of the proposal)

Team Members: (List the names and contact information of the team members, if applicable)

College/Institute Name:

<mark>(First Page/First slide to only have this information)</mark>

1

Problem Description: (Describe the sustainability problem that your proposal aims to address. What are the root causes of the problem? How does it affect the campus environment? Why is it important to address this problem?)

Proposed Solution: (Describe your proposed solution. How does it address the sustainability problem you identified? What are the key features of your solution? How is it innovative and/or unique? What makes it feasible and practical?)

Expected Impact: (Describe the expected impact of your proposed solution. What are the short-term and long-term benefits? How will your solution contribute to promoting sustainability on the campus? Who will benefit from your solution?)

Implementation Plan: (Outline the steps that will be needed to implement your proposed solution. What resources will be required? What are the potential challenges and how will you overcome them? How will you measure and evaluate the success of your solution?)

Budget: (What are the estimated costs for implementing your solution? How will the funds be used?)

Conclusion: (Summarize your proposal and emphasize its significance. Why should your proposal be selected as a winner? What is the potential for your proposal to make a positive impact on the campus sustainability?)

References: (List any references that you used to support your proposal, such as academic papers, reports, or news articles.)
