1. INTRODUCTION

1. INTRODUCTION

1.1 Preamble

Sports are integral to public health, youth development and nation-building. The Government of UT Ladakh recognizes sports as an important instrument for physical fitness, social inclusion and economic development and therefore accords high priority to their promotion.

1.2 Vision and Mission

Vision

To establish Ladakh as a leading sporting destination by fostering a vibrant, inclusive and sustainable sports ecosystem that promotes physical literacy, lifelong participation and sporting excellence, while leveraging the Union Territory's unique strengths in winter sports and high-altitude training to achieve national and international recognition.

Mission

The New Ladakh Sports Policy 2026 seeks to create an enabling environment for sports through the principles of "**Scout, Facilitate and Recognize.**" The Policy aims to:

- Promote sports and physical activity as an integral part of everyday life and human development;
- Identify and nurture sporting talent through a structured pathway from grassroots participation to high-performance excellence;
- Develop modern sports infrastructure, strengthen institutions and adopt sports science and technology to enhance athlete performance;
- Ensure equitable opportunities for all, including women, para sportspersons and underserved communities;
- Foster partnerships with educational institutions, sports organizations, defence forces and the private sector; and
- Position Ladakh as a national hub for winter sports, high-altitude training and sports tourism.

Through these strategic interventions, the Government seeks to create a resilient and self-sustaining sports ecosystem that empowers youth, enhances public health, promotes social inclusion and contributes to the socio-economic development of the Union Territory.

1.3 Goals and Objectives

The New Ladakh Sports Policy 2026 seeks to establish a vibrant, inclusive and high-performing sports ecosystem that promotes physical literacy, nurtures sporting talent and enables excellence at all levels. The Policy is guided by the principles of:

- Identify Talent
- Promote Participation
- Develop Excellence
- Recognize Achievement

Objectives

The Policy shall endeavour to:

- i) Promote sports, physical literacy and fitness as an integral part of everyday life across all sections of society.
- ii) Establish a structured pathway for talent identification, athlete development and high-performance sports through scientific coaching, sports science and modern infrastructure.
- iii) Ensure equitable access to quality sports infrastructure, coaching, competitions and opportunities, with special emphasis on women, para sportspersons and underserved communities.
- iv) Strengthen sports governance, institutions and human resource capacity through transparent, professional and accountable systems.
- v) Foster collaboration with educational institutions, sports associations, defence forces, the private sector and other stakeholders to build a sustainable sports ecosystem.
- vi) Promote winter sports, high-altitude training, sports tourism and innovation to position Ladakh as a nationally recognised centre of sporting excellence.

1.4 Interpretation of the Policy

If any question arises regarding the interpretation of any provision of this Policy, the matter shall be referred to the Lieutenant Governor, whose decision shall be final.

1.5 Policy Period

This Policy shall remain in force for a period of ten years from the date of its notification unless amended, modified or superseded earlier by the Government.

1.6 Non-Discrimination and Gender Equity

There shall be no discrimination against any person on the ground of gender, gender identity, disability, religion, caste, language, region or economic status in respect of selection, training, access to infrastructure, coaching, competition, awards, incentives, employment or participation in the governance of sport under this Policy.

Women and girls shall have equal opportunity and equal entitlement under every provision of this Policy. Awards, scholarships, incentives and prize money shall be identical for men and women at every level of competition, and no provision of this Policy shall be implemented so as to dilute this parity.

The eligibility of transgender and gender-diverse sportspersons to compete in a particular category shall be determined in accordance with the rules of the concerned National Sports Federation or International Sports Federation; provided that no such person shall be denied access to training, infrastructure, coaching, sports science support or the general benefits of this Policy on the ground of gender identity.

The Department shall designate a Gender Nodal Officer to oversee implementation of this Section and to report annually to the Ladakh Sports Council.

2. FITNESS, SPORTS FOR ALL

2. FITNESS, SPORTS FOR ALL

2.1 Strategy

The implementation of the New Ladakh Sports Policy 2026 shall be aligned with the National Sports Policy and the initiatives of the Ministry of Youth Affairs & Sports, Government of India. The Government shall adopt an integrated approach to promote sports and physical fitness as a way of life, while creating a sustainable pathway from grassroots participation to sporting excellence.

The Government shall endeavour to:

- i) Promote mass participation in sports and physical activity through community-based programmes, awareness campaigns and recreational sporting events.
- ii) Encourage early identification and systematic development of sporting talent through schools, educational institutions and community-level competitions.
- iii) Develop and strengthen accessible, inclusive and all-weather sports infrastructure to support year-round participation.
- iv) Promote partnerships with educational institutions, local bodies, sports organizations, the private sector and other stakeholders, including through Corporate Social Responsibility (CSR), for sports development.
- v) Encourage healthy lifestyles and lifelong participation in sports to improve public health, social inclusion and youth development.

2.2 Wellness Through Sports & Fitness Activities: A Mandate

The New Ladakh Sports Policy 2026 would pave the way for an inclusive UT-Ladakh wide applicable mandate for prescribing universal wellness & fitness through sports & fitness activities, at the panchayat, zonal, district, UT, National & International levels.

2.3 Sports Governance System

The Government shall strengthen the institutional, legal and administrative framework for sports governance to ensure effective implementation of this Policy through transparent, accountable and professional institutions.

For this purpose, the Government shall:

Ensure that the Ladakh Sports Council, every District Sports Executive Body and every Selection and Screening Committee constituted under this Policy comprises not less than 33% women members, and includes at least one serving or former sportsperson and one para sportsperson.

Require every recognized Sports Association and Sports Club, as a condition of recognition and of receiving any grant, to (i) constitute an Internal Committee under the PoSH Act, (ii) adopt a child-protection protocol consistent with the Protection of Children from Sexual Offences Act,

2012, and (iii) include women in its executive body.

Publish an annual sports governance and gender report containing sex-disaggregated data on participation, coaching, awards, scholarships and infrastructure utilisation.

Ensure adherence to the National Sports Code and to the sports governance legislation and rules for the time being in force, including provisions relating to elections, tenure, ethics and dispute resolution in sports bodies.

- undertaken to optimize utilization of available human resources.
- v) The Department shall set and publish annual targets for the recruitment, certification and retention of women coaches, women referees, umpires and judges, and women Physical Education Teachers, and shall reserve not less than one-third of the seats and scholarships under the Strategic Coach Development Programme for women.
- vi) At least one qualified woman coach or manager shall be engaged for each Focus Sport in which women or girls compete.

3.6 Referees, Umpires and Judges

The Department shall promote development of qualified referees, umpires and judges through certification, refresher courses, workshops and periodic assessment. A performance-based accreditation framework shall be developed, and outstanding technical officials may be recognized through awards notified separately.

3.7 Sports Associations

Recognized Sports Associations shall be key partners in the promotion and development of sports within the Union Territory.

The Government may provide assistance in the form of:

- i) Coaching support;
- ii) Training camps;
- iii) Financial assistance for recognized competitions and participation in National and International events;
- iv) Sports infrastructure and equipment; and
- v) Such other assistance as may be notified from time to time.

The recognition, regulation and functioning of Sports Associations shall be governed by norms notified by the Ladakh Sports Council, consistent with the National Sports Code and the guidelines issued by the Ministry of Youth Affairs & Sports, Government of India. Recognition may be suspended or withdrawn for violation of the National Sports Code, this Policy or any guidelines issued by the Government.

Recognition shall not be granted or renewed unless the Sports Association has constituted an Internal Committee under the PoSH Act, adopted a child-protection protocol, and demonstrated compliance with the Safe Sports Policy notified under Section 8.5.

3.8 Co-Ordination with Educational System

A. Schools

- i) The Department shall, in coordination with the School Education Department and other stakeholders:
- ii) Prepare an annual sports calendar.
- iii) Promote integration of sports into the school curriculum.
- iv) Encourage participation of every student in at least one sport.
- v) Organize inter-school competitions and talent identification programmes.
- vi) Strengthen deployment of Physical Education Teachers and improve sports

infrastructure.

- vii) Provide appropriate academic flexibility to students participating in recognized competitions.

B. Higher Educational Institutions

- i) Colleges and Universities shall promote sports and physical education among students and collaborate with the Department and the Ladakh Sports Council in organizing coaching, competitions and talent development programmes.

3.9 Interdepartmental Synergies

The Dept. of YSS shall strive to seek convergence of different departments and shall take the initiative to use sporting talent in competitive sports at the UT, national and international levels as required.

3.10 Athletes' Commission

An Athletes' Commission shall be constituted, comprising serving and former sportspersons of the Union Territory elected by their peers, with not less than 50% women members and at least one para sportsperson. The Commission shall advise the Ladakh Sports Council on athlete welfare, safety, selection policy and grievance redressal, and its Chairperson shall be an ex-officio member of the Council.

4. SPORTS EDUCATION, COACHING AND EXCELLENCE

EXCELLENCE

The sports resources & knowledge within the UT of Ladakh will be divided into a two-pillar system:

- A. Sports Education & Coaching.
- B. Sports for Excellence.

4.1 Sports Education & Coaching

Sports Education

The Government recognizes sports and physical education as essential components of holistic education, youth development and sporting excellence. The Department shall promote the integration of sports within the education system to foster physical literacy, healthy lifestyles and a culture of lifelong participation. The Department shall endeavour to:

- i) Integrate age-appropriate sports and physical education programmes across schools, colleges, universities and Centres of Excellence.
- ii) Strengthen the capacity of Physical Education Teachers, coaches and sports professionals through training, certification and continuous professional development.
- iii) Promote the adoption of sports science, technology and evidence-based coaching practices to enhance athlete development and performance.
- iv) Encourage higher education, research and professional training in sports science and allied disciplines.
- v) Ensure transparent and merit-based selection of sportspersons, coaches and beneficiaries under Government schemes through digital systems in accordance with applicable laws.

Sports Coaching

The Government shall establish a structured coaching ecosystem to develop qualified coaches capable of nurturing sportspersons from grassroots to elite levels. Coaching standards, accreditation, certification, performance evaluation and career progression shall be governed through the Strategic Coach Development Programme (SCDP) notified separately by the Department.

4.2 Strategic Coach Development Program¹

The Department shall implement a Strategic Coach Development Programme comprising the following levels:

- a. Community Coach;
- b. Intermediate Coach; and
- c. Elite Coach.

The Programme shall include the following components:

- i) Identification and accreditation of coaching talent;

¹ A separate notification shall be carried out by UT of Ladakh to notify Strategic Coach Development Program (SCDP)

- ii) Education, certification and continuous professional development;
- iii) Periodic performance assessment and licensing; and
- iv) Career progression, incentives and recognition.

The eligibility criteria, accreditation framework, certification standards, monitoring mechanism, career progression and incentive structure under the SCDP shall be prescribed separately by the Department through notification. The Department may prescribe minimum qualification standards for engagement of coaches under various schemes.

Talent Retention & Development

Outstanding sportspersons shall be encouraged to pursue coaching as a professional career upon completion of their competitive careers, thereby facilitating retention of sporting expertise within the Union Territory. The Department shall formulate appropriate mechanisms to utilize such experienced sportspersons in coaching, mentoring and athlete development programmes.

4.3 Sports for Excellence

The Government shall establish and strengthen Centres of Excellence to promote high-performance sports through scientific coaching, sports science support, research, Long-Term Athlete Development Programmes (LTADP), knowledge exchange and institutional capacity building.

The Department shall collaborate with national and international institutions to facilitate knowledge transfer, advanced coaching and athlete development, with the objective of developing internationally competitive sportspersons.

4.4 Talent Search & Training

The Department shall establish a structured and transparent talent identification system for scouting promising sportspersons across the Union Territory, particularly in schools and rural areas.

Identified sportspersons shall be provided appropriate coaching, equipment, sports science support, exposure, scholarships and long-term athlete development opportunities in accordance with schemes notified by the Government. The selected candidates shall be put through a well-structured sports development program on the pattern of SAI schemes.

4.5 Para Sportspersons

The Government of UT Ladakh through designated sports bodies shall take all necessary steps to meet sporting needs of para sportspersons. Due care shall be taken to ensure that there are sufficient infrastructure, training facilities and competitive events to enable them to participate fully in sports. District and UT level tournaments shall be organized in various games for para sportspersons.

4.6 Women and Girls in Sports

The Government recognizes that women and girls in Ladakh face specific barriers to participation in sport, including distance and mobility constraints, safety concerns, the absence of gender-responsive facilities, the limited number of women coaches, and prevailing social expectations. The Government shall take affirmative measures to remove these barriers.

The Government shall endeavour to:

- Achieve, within the Policy period, not less than 40% participation of women and girls in all Departmental sports programmes, talent identification drives, training camps and competitions, and report progress annually.
- Organize dedicated girls' and women's competitions at the Panchayat, Sub-Divisional, District and Union Territory levels in every Focus Sport, with the same standard of officiating, facilities and prize money as the corresponding men's events.
- Ensure that every women's or girls' contingent travelling to any camp, competition or exposure visit is accompanied by a qualified woman coach, manager or chaperone.
- Provide safe and subsidised transport for girls travelling from villages and remote areas to Sub-Divisional and District training centres, and secure residential facilities with women wardens.
- Provide dedicated women-only training slots at District and Sub-Divisional facilities where required.
- Ensure that no sportsperson forfeits a scholarship, cash award, incentive or in-service benefit by reason of pregnancy, childbirth or the postpartum period; a scholarship shall in such circumstances be suspended and resumed, and not cancelled, for a period of up to twenty-four months.
- Provide childcare support at residential training camps of extended duration.
- Integrate menstrual health, nutrition, bone health and prevention of Relative Energy Deficiency in Sport (RED-S) into sports science, sports medicine and coach education programmes, and ensure the availability of women sports medicine and physiotherapy personnel.
- Undertake community and parental outreach, including in the nomadic and remote communities of Changthang, Zaskar, Nubra and Drass, to encourage the participation of girls in sport.
- Institute scholarships and mentorship for girls identified through the Rural Sports Talent Identification Programme.
- Leverage the achievements of Ladakh's women ice hockey, archery and winter sports athletes as role models through the Wall of Fame and school outreach programmes.

5. AWARDS AND INCENTIVES

5. AWARDS & INCENTIVES

The Awards and incentives shall be provided to encourage and motivate the outstanding sportsperson for even higher achievements and to attract the younger generation to adopt sports as a career. These awards shall serve as recognition of the outstanding achievements and contributions of sportspersons to the Union Territory and the Nation.

5.1 Awards

The awards for the outstanding sportspersons and coaches shall be announced every year on the occasion of Republic Day celebration. Such awards will enhance the prestige of sportspersons and motivate them to perform better at the national and international levels. The scope of the award shall be suitably increased/modified and notified by the UT administration of Ladakh from time to time. Awards to sportspersons and coaches shall be conferred annually, and shall be identical in value for men and women.

i) UT Award (Sports Category)

The awards for the outstanding sportspersons shall be announced every year on the occasion of Republic Day celebrations as per the circular already issued by the GAD and on the recommendation of the Ladakh Sports Council.

7. INFRASTRUCTURE MAINTENANCE & AUGMENTATION

7 INFRASTRUCTURE MAINTENANCE & AUGMENTATION

With sincere long-term efforts of the Department, UT Ladakh aims to become one of the top UTs across the country to enjoy a formidable pool of sports infrastructural assets across a wide spectrum of sports. Having an existing sports infrastructure of repute is an advantage in itself. The thrust of policy is to create futuristic sports facilities in tune with evolving times, while at the same time augmenting the existing facilities to bring them at par with latest sports techniques and globally mandated standards. Sports infrastructure shall be planned and developed in accordance with national standards, accessibility requirements, environmental sustainability and future sporting needs.

- i) **Development of Sports Infrastructure:** The Administration shall endeavor to establish the following sports infrastructure in a phased manner, subject to availability of suitable land, technical feasibility and budgetary provisions:

At every District Headquarters:

- A Multipurpose Indoor Stadium;
- An AstroTurf Ground; and
- A Practice Ice Hockey Rink.

At every Sub-Divisional Headquarters:

- Multipurpose Indoor Stadium;
- A Futsal Ground; and
- A Practice Ice Hockey Rink.

All sports infrastructure created, upgraded or maintained under this Policy shall be gender-responsive and accessible. Every facility shall provide separate, secure, well-lit and functional toilets, changing rooms and rest areas for women and girls; residential and hostel facilities shall have women wardens and secure access control. No new facility shall be commissioned, and no upgradation certified complete, unless these requirements are met.

Facilities shall be designed in accordance with the Harmonised Guidelines and Standards for Universal Accessibility, and shall meet environmental sustainability standards appropriate to Ladakh's cold-desert ecology, including water conservation and energy efficiency.

- ii) **Optimum Utilization of Sports Infrastructure/Facilities:** It is equally significant that these facilities are optimally utilized and regularly upgraded taking into account the needs and requirements of sportspersons. The department shall engage with all stakeholders to ensure optimum utilization of existing sports infrastructure and facilities.
- iii) **Advertisements in Sports Complexes:** There is a vast potential to lease out this space to sponsors at fixed rates/charges as sponsors utilize this space for their brand value and promotion. The department will explore various instruments of advertisement such as unipoles, digital screens, hoardings etc. inside the premises of sports complexes on a

chargeable basis. A pre-defined set of rules and norms in this regard shall be formulated by the department. Advertisements shall not be permitted where they are indecent or derogatory to women, or contrary to the Indecent Representation of Women (Prohibition) Act, 1986, or where they promote alcohol, tobacco or betting.
