18 Hole Golf Course, RBGC, Nainital

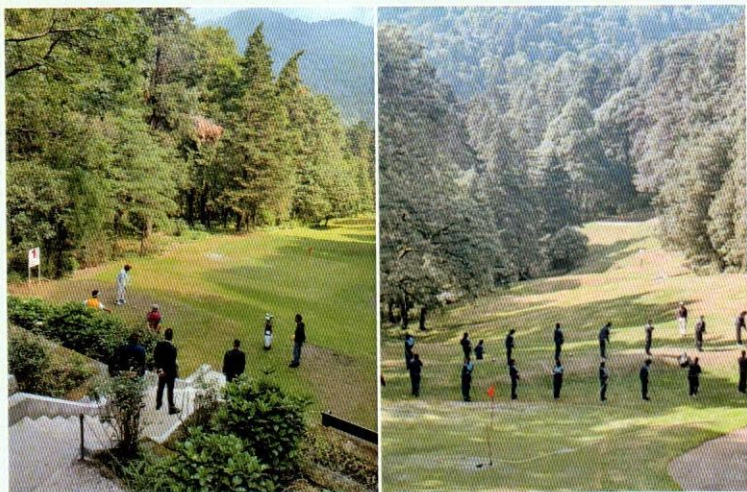

Raj Bhawan Golf Club, Nainital

The Raj Bhawan Golf Club, Nainital was founded in 1926 as part of the Government House estate, the Raj Bhawan Golf Course is a connoisseur's delight. Set in a lush and pristine mixed forest, it is a short par 61 course with the regulation 18 holes covering a distance of about 3200 yards at a height of 6700 ft to 7000 ft. above mean sea level.

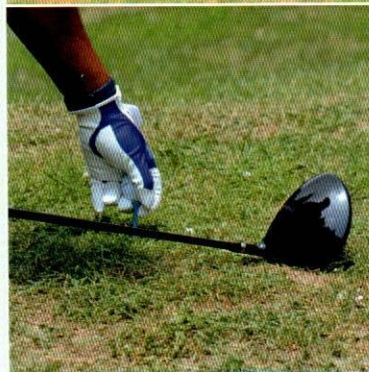

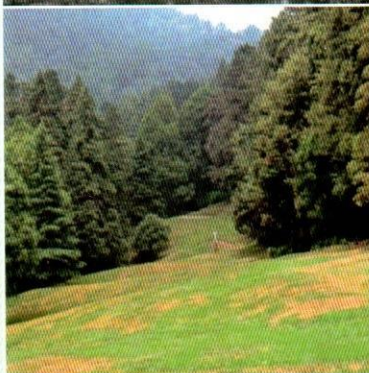

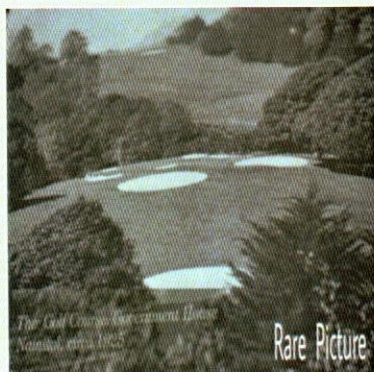

The Sport of kings is now becoming King of Sports in India. Despite hype and Glamour, Golf retains a core of genteel civility in the Historic and Quaint location at the Raj Bhawan Golf Course in Nainital.

Lt General Gurmit Singh, PVSM, UYSM, AVSM, VSM (Retd.), Hon'ble Governor of Uttarakhand, who is a golfer himself has given a much needed thrust to make the RBGC a Golf Course to be an attraction of its own and become a prominent destination for golfers across the country at Nainital

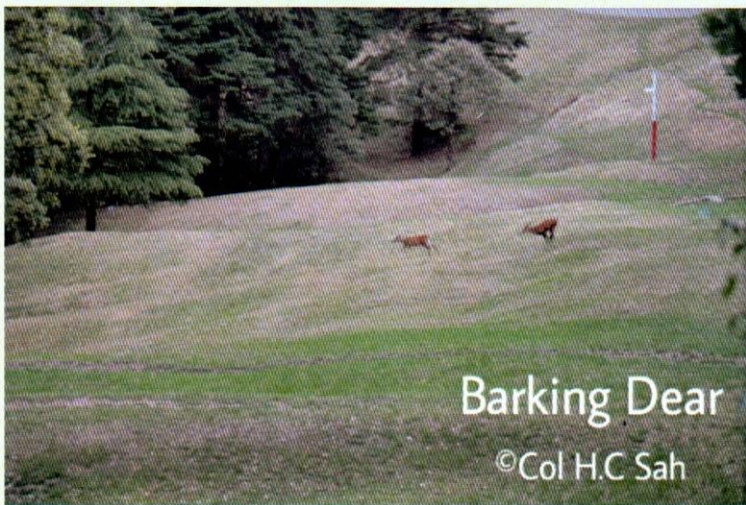

What the course lacks in length it makes up for other technical changes of narrow fairways and ever growing afforestation. A round of golf at this course is a very unique experience. Stroke and distance play have to be carefully considered while playing at this course.

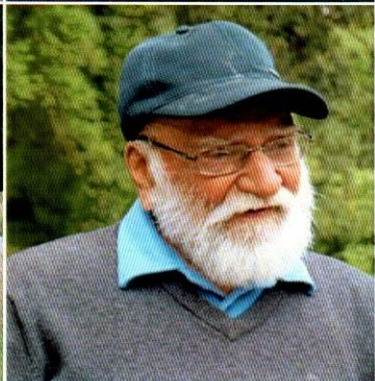

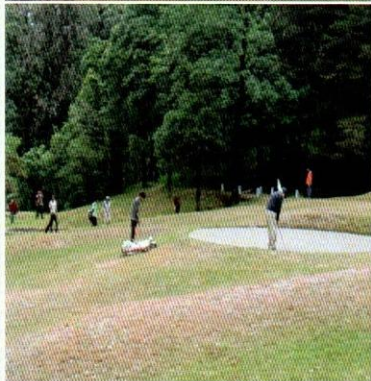

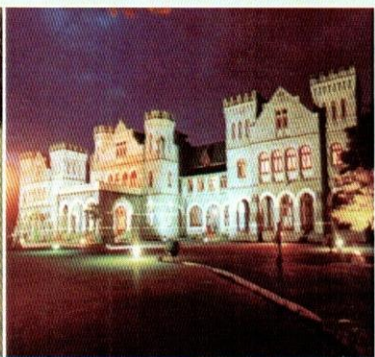

The course is set on a breath-taking hill station. The changes in elevation, verdant surroundings and the rarity of the high mountain air makes the course a challenge for even seasoned golfers.

Greens are also cured by selective soft local grass which is manicured by hand driven green cutters to ensure some canny and effective Putting. A visiting golfer has rightly written in the Visitors Book that "it is my dream to play in this course without losing a ball" Set in a lush and pristine mixed forest, the course is also a nature lover's delight with many rare and endangered species of flora and fauna in residence.

At present the facilities at the Golf Course consist of a cozy clubhouse where a welcome cup of tea/coffee and snacks are available to Golfers. At the turnaround of the ninth hole there two Pavilions called the Governors Pavilion and the Hailey Pavilion where refreshments are made available to Golfers so that they can sustain themselves for the gruelling climb which beckons them to the next nine holes.
