Tournament Rules for Governor's Cup Golf Tournament-2024

Safety First : There are several crossing sections of the golf course. Play carefully.

Core Principal : "Play the course as you find it. Play the ball as it lies"

Format of Play :

1. "Handicap of the Day" to be Established based on the Single Preoria System on Day 1, 2 – which will be in Stableford Format over 18 holes. Maximum Handicap of the Day is capped at 18.
2. Those making the cut in each category will play on the final day in a 9-hole Stroke Play format.

Completion of Hole :

1. **Stable Ford** : Pick-up the ball is more than 2 over Par on any hole (Because there is no possibility of any Stable ford Point). Put 3+Par Value of Hole" on Scorecard.
2. **Stroke Play** : All holes must be played completely – there is no "given"

Pace of Play :

- i) Ready Golf to be played : those in position and able to play will make the stroke.
- ii) Ball search time is a maximum of three minutes.

Course Markings :

Fairways : Fairway edge is marked with white bricks. On the line is inside the fairway.

Penalty Relief : Ball outside fairway marking :-

1. Play as it is from rough.
2. Place the ball on the line with one penalty Stroke on fairway marking line (recommended). Not applicable if ball is lost / not found.

Penalty Areas : Red Penalty Area (Water body and this is also a "No" Play Zone) common to Hole No. 2, 7, 8 and back Hole No. (11,16,17)

Preferred Lie :

There is one club preferred lie (not nearer to the hole) within Fairway markers only.

Drop Zones (DZ) :

- 1) Where provided, Drop Zones must be used if relief is taken (to aid the Pace of Play)
– A Penalty of one stroke will apply
- 2) Drop Zones are marked on Hole 1, 4, 5, 7, 8 and back nine (10, 13, 14, 16, 18) .
D Z may be, in some situations, closer to the hole.

No Play Zones :

1. Play is prohibited from these areas players are not permitted to enter or play, and will take mandatory penalty relief :-
2. Red penalty area (Water body on Hole no. 2,7,8 and Hole no 11, 16, 17)
3. Ditch on hole no 7 & 16

Free Relief : Ball going inside fairways to near drains / Mud drains : take a free drop within 2 club lengths, no closer to the hole.

Tee-Off Timing and Late Comers :

- i) Players need to report on the tee at the designated times.
- ii) Late comers will be accommodated (if possible) at the discretion of the Tournament Committee with the next flight with a vacant slot.
- iii) In Stable Ford, 2 Strokes will be added to the first hole. In Stroke play, 2 strokes will be added to the Gross Total.

Play Can not be Completed :

If for any reason, play cannot be completed, the number of holes to be played/ to be counted will be decided by the Tournament Committee.

Tournament Committee : The decision of the Tournament Committee (TC) will be final in all respects. The Tournament Committee consists of :

S.N.	Name	Role
1	Mr. Shraman Jha	Tournament Referee
2	Col Vivek Bhatt (Retd.)	Golf Captain
3	Dr. S. Chamoli	Member Core Committee

Use ful Extracts from the Rules of Golf, 2024 :

1. Maximum time to search for a ball is 3 minutes. If a ball is not found, the **ONLY** option is to replay the stroke from the last point (Stroke & Distance Penalty). E.g. If a Tee shot is lost, then the original stroke counts, there is a one-stroke penalty and the re-played stroke is, therefore, the third shot)
2. If you think a ball may be lost (not found within 3 minutes), please play a Provisional Ball – clearly saying so aloud. If the Provisional Ball becomes a ball in play because the original ball is not found, it will have the same status as above (Stroke & Distance Penalty)
3. **Dropping a Ball :** Whether a Free drop or a Penalty drop, it must be dropped from **Knee height.**
