

**SEVEN (07) DAYS LONG CAMPAIGN TITLED AS 'HAQ KI BAAT'
ON THE OCCASION OF "WORLD DAY OF SOCIAL JUSTICE"
FROM 20.02.2025 TO 26.02.2025**

REPORT ON THE CAMPAIGN "HAQ KI BAAT" FOR THE WORKERS OF UNORGANIZED SECTOR COMMENCING ON THE OCCASION OF 'WORLD DAY OF SOCIAL JUSTICE' i.e. 20TH FEBRUARY, 2025 TO 26TH FEBRUARY, 2025.

The Unorganized Sector comprises a significant portion of the workforce particularly in developing economies. These workers, often engaged in informal employment, lack job security, social protection, and access to fair wages.

Workers in the unorganized sector form the backbone of many economies, yet they often face severe challenges due to the informal nature of their employment. These workers, including daily wage laborers, domestic helpers, street vendors, construction workers, and agricultural laborers, lack job security, fixed wages, and social benefits such as health insurance, pensions, and paid leave. They are frequently subjected to exploitation, hazardous working conditions, and wage discrimination, with little legal protection or recourse. The absence of formal contracts leaves them vulnerable to sudden job loss and economic instability. Despite their crucial role in economic growth, their contributions remain largely unrecognized, and they struggle for basic rights and dignity at work. Governments and social organizations must prioritize policy reforms, minimum wage laws, social security benefits, and workplace safety regulations to uplift these workers. Empowering them through unionization, awareness programs, and legal aid can help bridge the gap between informal employment and decent work conditions, ensuring a more equitable and just labor system.

A campaign for unorganized sector workers is crucial to ensuring dignity, fair treatment, and social security for millions of laborers. Through collective efforts, advocacy, and awareness, significant progress can be made in securing their rights and improving their livelihoods.

Keeping in view the vulnerability of the Workers in the Unorganized Sector, the Hon'ble Executive Chairman, Uttarakhand SLSA, Nainital has been pleased to direct the Machinery of Legal Services Institutions in the State of Uttarakhand to launch a campaign on the occasion of '**World Day of Social**

The "HAQ KI BAAT" Campaign was nestled in the far-flung interior of rural areas, villages of the State of Uttarakhand which became the focal point of a significant outreach effort on February 21, 2025. This event was part of a broader State-wide initiative called "HAQ KI BAAT", a campaign designed to educate and empower labourers from unorganized sector/underserved communities about their legal rights and available government services.

Running from February 20 to February 26, 2025, the campaign aimed to bridge the gap between labourers from unorganized sector and Govt. Welfare Schemes and social welfare systems that often seem distant or inaccessible to them. The gathering in the State was a meticulously planned awareness camp, bringing together labourers from unorganized sector to discuss a wide array of topics critical to their lives and well-being.

The camps/programmes were opened with the stirring notes of "**Ek Mutthi Aasman**", the theme song of the National Legal Services Authority (NALSA). This song, symbolizing hope, justice, and the aspiration for a better life, set an uplifting tone for the day's proceedings. It was played again at the end, bookending the event with a reminder of its core message: that every individual, no matter how remote their home, has a right to justice and dignity.

A key focus was the *NALSA (Effective Implementation of Poverty Alleviation) Scheme, 2015* and *NALSA (Legal Services to the Workers in the Unorganized Sector) Scheme, 2015*. Attendees were informed about how this scheme aims to provide legal assistance to the economically disadvantaged, ensuring that poverty does not become a barrier to justice. The NALSA helpline number, 15100, was shared for those needing free legal advice or support.

Labour, Social Welfare and Medical Department also organized different legal awareness and Medical camps/programmes in cooperation with Legal Services Authorities/Institutions at local levels and through these camps Labourers from Unorganized Sectors including common mass were get benefited as per their requirements.

In the heart of rural villages, remotest and far-flung areas of the State from February 20 to 26, 2025, the 'HAQ KI BAAT' campaign launched by the UKSLSA and District Legal Services Authorities, lit a spark of justice and awareness. On February 21, residents gathered to learn about their rights—be it through the NALSA Poverty Alleviation Scheme, the POCSO Act, or the importance of the Flag Code of India.

Pamphlets fluttered into hands, books opened minds, and the melody of “Ek Mutthi Aasman” echoed hope. This wasn’t just a campaign; it was a movement to bridge gaps, ensuring every laborer, child, and citizen knows their rights and the systems there to protect them. As we reflect on World Day of Social Justice 2025, let’s carry forward this momentum—because justice begins when awareness takes root.

During the aforesaid Seven Days long campaign titled as ‘Haq Ki Baat’ organized on the occasion of **“World Day of Social Justice”** total **897** Legal Awareness Camps, and **26** Nukkad Natak were organized by the District Legal Services Authorities/Institutions in cooperation with District Administration, Labour Department, Panel Advocates & PLVs and approx. **95519** persons have attended the said campaign and out of them approx. **89222** Labourers from Unorganized Sector were present during the “Haq Ki Baat” Awareness Drive organized from 20.02.2025 to 26.02.2026 on the occasion of ‘World Day of Social Justice’.
