New Initiative taken under Computerization project for Public Libraries in West Bengal:

The purpose of this initiative is to introduce the scope of Computerization and e-Library across all tiers of libraries in the state of West Bengal. The scope is extended to State Central library, District Libraries and Town and Rural libraries of West Bengal.

The Computerization of libraries started its journey by introducing a server with a few Computers at State Central Library. A significant numbers of bibliography records entered into the system via the User Interface provided by the Library Management System. During this period old Library Management Software was replaced by using Modern Library Management Software – KOHA. At the same time old computers were replaced with the new higher capacity system. Presently there is a collection of bibliographic description of 1.8 Lac books available in the database for the readers. Now the scope of the computerization is not restricted to the urban environment. The scope is extended to Rural Level also. Under this project 35000 digitized rare books are made available to use for the readers.

Some achievements of Directorate of Library Services:-

- I) Improvement of infrastructural facilities were given emphasis specially in the SC,ST,OBC, Minority Community based parts of West Bengal and Hill areas.
- II) To increase the library membership under “**BOI DHORO BOI PORO PRAKALPA**” for all public libraries of the all districts and State Central Library, Kolkata.
- III) More than 770 libraries were given computers and efforts are on for internet connectivity to all the libraries (internet connectivity is presently available in some libraries) for benefit of the readers.
- IV) Materials regarding competitive examination were made available more and more among the library readers as well as examinees of various competitive examinations in Career Guidance section of the libraries.
- V) Bangla Sahayata Kendra (BSK) has been opened in 748 Govt. Sponsored Public Libraries in State. From these Kendras various types of online services are given.
