Case No.: CCPD/14242/1011/2023

In the matter of:

Complainant:

Shri Anant Kumar

Respondent(s):

1. The Secretary, Railway Board, Ministry of Railway
2. The Chairman, Railway Recruitment Board Mumbai

RECORD OF PROCEEDINGS

1. Hearing: A personal hearing in the hybrid mode in the matter was conducted on **03.03.2026**, wherein the following were present :

Sl. No.	Name & Designation of the Attendees (Smt./Shri)	On behalf of	Mode of Presence
1.	Anant Kumar	Complainant	Online
2.	Vikas Jha, Member Secretary (RRB Mumbai)	Respondent No. 2	Online

2.1 The Complainant submitted that he had been shortlisted for document verification in the RRB NTPC recruitment on the basis of a disability certificate issued by a Government hospital, reflecting 45% locomotor disability. However, during document verification, RRB Mumbai required him to produce a revised disability certificate issued by a Railway Hospital, wherein his disability was

reportedly assessed at 42%, and subsequently at 10% during medical examination, thereby affecting his eligibility.

2.2 The Respondent clarified that while the disability certificate initially submitted by the Complainant reflected 45% disability, the medical examination conducted at the Railway Hospital indicated a lower percentage. Accordingly, the Complainant was advised to produce a revised disability certificate reflecting his current disability status in accordance with the applicable rules.

2.3 The Court noted the discrepancy in the percentage of disability reflected in the medical assessments and observed that the issue could appropriately be resolved through a fresh medical assessment. Accordingly, the Complainant is advised to appear for medical examination at the concerned Railway Hospital within 30 days from the date of issuance of this Order and to extend necessary cooperation for determination of the percentage of disability. The Respondent is thereafter recommended to forward the medical assessment report to this Court within a further period of 15 days.
