3. Record of Proceedings

3.1 During the proceedings, the Complainant submitted that he had faced difficulty while filling the admission form of the University of Delhi, as the admission portal did not permit him to correctly select the applicable fee waiver option. He submitted that, due to the accessibility-related difficulty, he inadvertently selected the incorrect option and subsequently approached the concerned officers of the University for Correction of his fee waiver status.

3.2 The Respondent submitted that the Complainant had already been granted a 75?e waiver applicable to PwBD students for registration as well as for the entire course. The Respondent further submitted that the Complainant's batch, which had earlier been changed from B2 to A1, had also been restored to B2.

3.3 The Complainant, however, submitted that he was seeking an additional fee concession under the income/EWS-based scheme, which, according to him, provides for a higher fee waiver subject to the prescribed income criterion. He submitted that the admission portal contained a separate option for the said concession, but he was unable to select the same due to the accessibility issue.

4. Observation and Recommendation

4.1 The Court observed that the 75?econcession applicable to PwBD students had already been extended to the Complainant by the Respondent University. The Complainant's remaining grievance relates to an additional concession under the EWS/income-based scheme.

4.2 The Court further observed that the EWS/income-based fee concession does not fall within the scope of the present proceedings. However, if the Complainant seeks to pursue a grievance specifically concerning the accessibility of the admission portal, he may raise the same as a separate accessibility-related grievance before this Court. Consequently, the Court has determined no further intervention necessary.

5. Accordingly, the case is disposed of.
