

**DEPARTMENT OF ARCHITECTURE, HARYANA,
REVIEW ON THE ANNUAL ADMINISTRATIVE REPORT FOR THE YEAR 2019-20.**

The Department of Architecture, Haryana, is a State Government Organization with vast and varied experience of more than 53 years. The Department has a key role in the designing and development of infrastructure in the State of Haryana. It renders Architectural services to all State Government Departments/Boards/Corporations/Autonomous bodies/Universities in planning and designing of a wide spectrum of building types.

The Department is involved in the planning and execution of the projects of Revenue, Judiciary, Health, Education and Technical education, Sports, Social Welfare and various other Departments of the State. The Department has planned many new hospitals as well as has planned up-gradation of existing hospitals, Community Health Centers, Primary Health Centers and Sub Health Centers at various places in the entire state. The Department is planning E-Disha Kendras (Saral) at District and Sub-Division levels, more than 50 nos. Govt. Colleges for the Higher Education Department and various District Head quarter buildings of Excise and Taxation Department etc. etc.

The Department of Architecture also coordinates with the user Departments as well as the different Engineering Departments at planning stage and at field level to complete record number of building projects in a manner to achieve economical, functionally suitable and aesthetically appealing designs.
