Inauguration of 'Legal Metrology Online Management System'

17th May 2023

Adv. G R Anil, Hon'ble Minister for Food, Civil Supplies, Consumer Affair and Legal Metrology, Government of Kerala inaugurated the online verification module of Legal Metrology Online Management System (LMOMS) Portal on 17th May 2023 in a function held at Directorate of Legal Metrology, Thiruvananthapuram in the presence of Adv. V K Prasanth, Hon'ble Member of Legislative Assembly (Vattiyoorkavu Constituency), Smt. Asha Varma K C, DDG & ASIO(NIC Kerala), Shri. P M Ali Asgar Pasha IAS, Secretary(Legal Metrology), Shri. V K Abdul Kader, Controller(Legal Metrology) along with the Officials from the Directorate and District Offices. Adv. V K Prasanth, Hon'ble Member of Legislative Assembly (Vattiyoorkavu Constituency) presided over the function. The event began with a welcome note by Secretary (Legal Metrology) followed by a report on the Department by the Controller, Legal Metrology. Hon'ble Minister emphasised the need of this Portal to simplify the current manual processes and avail the Department Services without the need for the general public in visiting the Offices and bring transparency.

The event ended with vote of thanks by Smt. Reena Gopal R, Additional Controller, Legal Metrology Department, Government of Kerala.

LMOMS Portal

LMOMS Software of the Legal Metrology Department computerizes the activities carried out by the department such as issue of licences, registration of packers and importers, verification of weighing and measuring instruments and compounding of cases. LMOMS software facilitates the Public to register in the Portal by giving their personal information along with their mobile number and apply for the necessary licence viz. Manufacturer, Dealer, Repairer and Registration for Packer/Importer. e-Treasury Payment Portal has been integrated for online fee payment. Various stages of application processing are intimated to the licensee through SMS. Once the licence is approved, the licensee can download the digitally signed licence from the portal. In addition to this, facilities are also provided to request for renewing the licence, amending the licence, renewing expired licence. The MIS details are shared with the Kerala State Dashboard through APIs.
