

Training on

## ePrison & National Prison Information Portal

23-24 Aug 2023

NIC DC, Secretariat, Goa

A two day refresher training programme on ePrisons & National Prison Information Portal was conducted for the Inspectorate of Prison Department & Colvale Central Prison Goa officials at, NIC Data Centre, Secretariat, Goa. The training programme was arranged by NIC-ICJS Goa team as requested by the office of IG Prison Goa and the officers from Prison Head Quarters Goa and Colvale Central Prison Goa attended the session. The training session comprised of a demonstration and hands-on covering all modules of the ePrison application.

The session was commenced by a brief introduction on the NPIP portal and recent major enhancements in the system. As the ePrison application has been in use since 2020, the training session was mainly focused on the recent updates and functionalities introduced in the application targeting the newly deployed officials in Prison HQ and Colvale Central Prison.

After the introductory session, a detailed demonstration was provided for the officials regarding related to Prisoners management, Prison Administration, ICJS related functionalities introduced in the system, functionalities pertaining to the Court and legal matters, modules for Visitor Management and Online eMulakat facilities, aid for Parole & Special remission provisions, Dashboard and automatic alerts, other recent updates in the system etc.

Queries raised by the audience during the concluding session were clarified by the NIC-ICJS Goa team and the training session was ended by vote of thanks.
