# Launch of Intelligent Traffic Management System (ITMS) at Goa

On 15th March 2023, Chief Minister of Goa launched Intelligent Traffic Management System (ITMS) for monitoring of Traffic Violations. Beltech AI company and L & T SmartWorld has been pushing the violations data to the NIC ITMS Application hosted on URL **https://itmschallan.parivahan.gov.in/**.

Violations captured under ITMS Challaning

1. **Red Light Jump**
2. **Over Speeding**
3. **Without Helmet**
4. **Talking on Mobile Phone**
5. **Overloading Two-Wheelers (Excess pillion rider)**
6. **No Seatbelt**
7. **Zebra Crossing**
8. **Wrong Way / No Entry**
9. **Without Registration Number plate**
10. **Driving Dangerously**

Presently the integration has been completed for Beltech AI for one Location and L & T SmartWorld for six Locations, the integration work is in progress for additional 8 Locations by L & T SmartWorld.

After the violations are approved by enforcement officer (Traffic Police and Transport Department) ITMS Notice with seven days period will be sent to the offenders and also intimation will be given through SMS. If offenders doesn't respond then e-Challan will be generated, for each offender will have to Pay Online or at Counter.

We are thankful to e-Transport Central Team, for extending their support for timely integration of ITMS and e-Challan Application in Goa.
