Satesh P. Redkar, Director (IT), NIC Goa explaining the flow of portal

The RTI Online Portal, designed and developed by the National Informatics Centre (NIC) Goa and the Nodal Agency Department of Information & Publicity, represents a digital platform that facilitates the submission of RTI applications, first appeals, and second appeals online. By integrating eChallan Payment Gateway for RTI fee payment, the portal offers convenience and efficiency to users.

With nearly 600 Departments/Public Authorities under the Goa State Government covered by this initiative, the RTI Online Portal promises to enhance transparency, accountability, and citizen engagement within the governance framework of the state. It empowers citizens to seek information and participate actively in the democratic process.

Overall, the launch of the RTI Online Portal signifies a progressive move towards leveraging technology for the betterment of governance and the empowerment of citizens in Goa.
