

Report on the visit of State Informatics Officer, NIC Goa to South Goa NIC District Centre, Goa

Sh. Sameer P. Datar, SIO, NIC Goa and Sh. J. S. Rozario, ASIO visited South Goa District Centre on 21st February 2024. During the visit, the SIO had a detailed interaction with ADIO Sh. Dhanesh K.R. The discussion covered various aspects such as e-governance initiatives, infrastructure availability, and election preparedness.

Later SIO had meeting with the District Collector, Sh. Asvin Chandru A., IAS, and briefed him on the activities undertaken by NIC (National Informatics Centre) in the district. The District Collector expressed a positive outlook and agreed to provide necessary support to NIC.

Subsequently, the officers visited the NIC Training Centre located in the District Collectorate building, which houses a Training hall and Video Conferencing room. There, they reviewed the activities conducted by Sh. Alex Kurian, Scientist-E, and his team of developers.

This visit appears to be a significant step in fostering collaboration and understanding the progress of NIC initiatives in South Goa District.
