Dear Nodal officers (AEBAS)

All of you must receive email from AEBAS helpdesk regarding installation of RD services of UIDAI. This Registered device service is must for all AEBAS devices to function after 30 September, 2017. RD service provide security measures as all BAS devices are registered to UIDAI to function properly.

Necessary softwares can be downloaded from website: basreports.attendance.gov.in/downloads

All nodal officers/nodal admin must ensure that RD services software must installed in all systems before 30th September 2017 as per below steps:

1. Uninstall old BAS software

- Control panel-Programs & features-- uninstall AEBAS Software(If Exists)
- delete folder c:\Fingerprintsensors(If Exists)
- Reboot system

2. Download and install RD services for BAS device (eg Startek Device)

- Download from basreports.attendance.gov.in/downloads [30 MB file]
- Downloaded folder contains 3 files [two .msi files & one installation guide]
- Installation will be done as per installation guide attached. Both .msi files to be installed one by one.

- After installation of RD Service and Support Service then Restart the System which is Compulsory.
- Check RD services running successfully [START-RUN services.msc] RD services running/Started.

3. Download and install Client BAS Software

- download from basreports.attendance.gov.in/downloads [3.8 MB file]
- Install this client software. [This client software is common for all BAS devices]
- Get activation code from nodal officer & activated by biometric admin.

You are thus requested to download and install above software immediately. for further query you may contact helpdesk-attendance@gov.in, bas1-hry@nic.in ,011-24305050,56 or 0172-2728229

Regards

SELECT DOMAIN NAME

HOW TO GET ACTIVATION CODE

The screenshot shows a web browser window with multiple tabs open, including Yahoo, Facebook, and Attendance.gov.in. The browser address bar shows the URL `attendance.gov.in/auth/login`. The page title is "Attendance.gov.in" and the language is set to "English".

The main heading of the page is "Login to Aadhaar Enabled Biometric Attendance System (AEBAS) - Delhi Central".

The login form contains the following fields and buttons:

- A text input field containing the username "anilgupta".
- A password input field with masked characters ".....".
- A text input field for the activation code, containing "c18EEa".
- A button labeled "Sign me in".
- Links for "Forgot Password" and "Don't have an account? Click here".

Instructions for using Login:

1. To access the Employee corner, you can login using the 6 digit Attendance/Registration ID.

Please follow the below process to get an account

1. Click on the Don't have an account? Click Here.
2. Enter the 6 digit Attendance/Registration ID.
3. Enter Captcha code as displayed in image.
4. Generate OTP to sign in to employee corner

2. Once you create your account you can setup a password for regular usage, in case you forget the password you try to reset the password using the Forgot password link.

3. Nodal & Reporting officers can also login from , and the system would welcome you to the Employee corner and you can switch the view to the management console.

Note:

- a. If you have already generated an OTP which is valid, This OTP is now your password for login to BAS.
- b. For any other assistance please get in touch with the Helpdesk at 1800 111 555 (Toll free no.).

GENERATED ACTIVATION CODE

The screenshot displays the 'Attendance.gov.in' web application. The browser's address bar shows the URL 'attendance.gov.in/device/activate'. The page has a green header with the site name and a navigation menu on the left. The main content area is titled 'Manage Device' and contains a form to generate a device activation code. The form includes dropdown menus for 'Office Building Location' (set to 'CGO Complex A- Block') and 'Biometric Admin' (set to 'Anil Gupta (xxxxx x 0816)'). There are radio buttons for 'Device Type' (Fixed and Mobile). A 'Generate Activation Code' button is at the bottom of the form. To the right of the form, there are instructions and a note. The instructions list four steps: 1. Select the Office Building Location, 2. Select the Biometric Admin, 3. Check the device physical type, and 4. Please review the form before submission. The note states that after pressing 'Generate Activation Code', a six-digit activation code is sent to the email and mobile of the selected biometric admin. It also mentions that the device activation code is required to register device software and that the biometric admin must authenticate with the Aadhaar system. A final note states that the activation code is valid through the generation date only.

1. Install the Software on Tablet or Desktop device.

2. After Installation it will ask for the six digit code, enter the same as received in your biometric admin's email/mobile.

3. After the activation code is verified, you will be asked to choose the Entry Point Location.

4. Select the Location.

5. After the entry point is selected, the Biometric admin will be asked to provide his/her biometric credentials (either IRIS/ Fingerprint depending on the Biometric device plugged to the Tablet/desktop device).

6. The Biometric data is then verified using the Aadhaar system, if the authentication is successful, the software is registered and ready for use.

7. If the Authentication fails, start again from step one.

Note:

a. Device Activation code should be used within the same day as it is valid for the generation date only.

b. Entry Point Location is the physical location of the Tablet/Desktop device where it has been installed.

c. Please ensure that you have properly created the master data for the entry Points in the

ENTER ACTIVATION CODE

START ATTENDANCE MARKING

The screenshot shows a mobile application interface for attendance marking. At the top, a status bar displays the time 12:34. Below it, a browser address bar shows a red spiral icon and the text "http:". The main content area has a dark blue header with the text "01 hours 46 minutes 51 second". Below this is a white input field labeled "Attendance ID/उपस्थिति आईडी". A large light blue rectangular area follows. Below that, the text "WiFi-'Anil'" is displayed. A checkbox is checked, and the text "I agree to the Terms and Conditions" is shown. Below this is a dark blue bar with the text "Enter Valid Attendance ID/उपस्थिति आईडी दर्ज करें". A numeric keypad is displayed with buttons for digits 1-9, 0, "Bksp", and "Reset". At the bottom, a status bar shows the time 12:18:21, the IP address 192.168.0.102, a thumbs up icon, a battery icon, and the battery level 88%.

01 hours 46 minutes 51 second
