For the purpose of this new scheme meant for BPL and BC (A) students the schools shall remain attached with the same Bank branch. However, two new school accounts separately for the purpose of BPL scheme and BC (A) scheme should be opened.

The nature of school accounts shall remain same as in the case of S.C. students scheme, that is, it should not be possible for any one to withdraw case from the account. From the school accounts the money can only be transferred to the accounts of the students. All bank branches must be specifically instructed to ensure that no cash transaction is allowed or is possible from the school accounts, nor should it be possible to transfer money to any accounts other than those of students.

**4. OPENING OF ACCOUNTS OF STUDENTS BELONGING TO BPL FAMILIES**

- (i) BPL families survey in the State has been completed by Rural Development Department, District-wise list of all the BPL families accordingly, is available in the State Headquarter as well as with each Addl. of the village should reach the school together and carry out formalities for opening of student's accounts belonging to BPL families studying in the schools. Further Details in this regard may be worked out by DCs/ADs with the help of Lead Bank Officers and DEOs.

(iii) The Deputy Commissioners/Addl. Deputy Commissioners may plan in such a manner that all the students accounts are opened before April 15<sup>th</sup>, 2009, so that in the month of May, 2009, funds can be transferred to the school/student's accounts.

(iv) Before the pre-appointed date for the meeting of the above group for opening students' accounts, the official of the Education Department authorized to operate the accounts should approach respective banks and obtain adequate number of account opening forms. He/She should have those forms filled up by obtaining relevant details from the children and their parents before the due date. **9. CONDITION FOR RELEASE OF SUBSEQUENT INSTALMENTS.**

Under the scheme, before release of next quarterly installment, the school teacher shall see that the money is not released in respect of those children whose attendance falls below 50%. In other words, the next installment should be released only if the student in the previous quarter had attended at-least 50% classes.

It has also been envisaged under the scheme that if after dropping out from the school the student re-joins the classes and he again attends minimum 50% classes in the subsequent 3 months, his previously due installment as well as the installment of the current quarter shall also be released.
