General Transfer Drive of HT/PRT

In continuation of notices dated 27.11.2021 and 09.12.2021 regarding General Transfer Drive of HT/PRT. During data verification, it is observed that option for Voluntary Participation was inadvertently opened for few employees who are eligible for compulsorily participation in General Transfer Drive as per Teachers' Transfer Policy. Few such teachers used their option for 'Yes' and then neutralize the same by opting 'No' thereafter, whereas few teachers opted 'Yes' who are otherwise also eligible for compulsory transfer (list of such teachers attached). It is made clear that all such teachers will be treated as per policy.
