1 The first of these is the fact that the
 2 number of cases of this disease has
 3 increased steadily since 1950. This
 4 is true of all countries in the world.
 5 The second fact is that the disease
 6 is now being found in many parts of
 7 the world where it was never before.
 8 The third fact is that the disease
 9 is now being found in many parts of
 10 the world where it was never before.

11 The fourth fact is that the disease
 12 is now being found in many parts of
 13 the world where it was never before.
 14 The fifth fact is that the disease
 15 is now being found in many parts of
 16 the world where it was never before.
