

GENERAL NOTICE

General Transfer Drive (Intra-district) of HT and PRTs/JBTs

Whereas many teachers belonging to protected category who did not earlier submit their consent as 'YES' for voluntary participation, have now requested to allow them to participate in the General Transfer Drive of HT/PRT. Few teachers have requested that they could not update their personal profile, hence they are deprived of the points they deserve and may be allowed to update their personal profile. Many more queries are also received at state HQ which have been considered.

After considering the requests the Department has decided to close the ongoing transfer drive and allow those teachers who want to update their personal profile to do so from 21.01.2022 to 23.01.2022 and seek options for voluntary participation afresh w.e.f. 24.01.2022 by redefining the online transfer drive and reprocessing the drive. The eligibility date for reprocessing teachers will be 28.02.2022

Tentative revised schedule for re-processing the General Transfer Drive will be as per following timelines:-
