No. 1/83-2022-e.Gov

Dated: 07.09.2022

In continuation of notice Number 1/83-2022-e.Gov dated 5.9.2022, it is further informed that those guest teachers who have taught board classes, can now upload their result also directly on the one school portal by visiting <https://mis.oneschoolsuite.com/> and using their user name and password as used on MIS portal.

It is also informed that Guest teachers who were declared “Surplus” during General Transfer Drive 2019 or relieved by “End of Contract” after that, but are still working in any school, will be allowed to fill up their choices without mapping of their present school. Hence, updation of service record has been relaxed for guest teachers. It is also made clear that the condition of serving in a zone will not be imposed upon the guest teachers while choosing / allocating the schools.

It is also informed that those guest teachers, who are working against those “Deemed Vacancies” which were offered in the General Transfer Drive 2022 but have not been allocated to any regular teacher, will not be forced to fillup the choices if they do not want transfer. If they do not fill up the choices of school at the time of school preferences their vacancy will be excluded from the drive at the time of allocation. But if they fill up the choices and lock the same during the period of submission of school preferences, such guest teachers will not have an option to stay back in the same school. Merit points will be considered as per Teacher Transfer Policy for allocation of school.

This is for information and necessary action of all concerned.
