SEAT DECLARATION PORTAL UNDER RTE-2009

**[SCHOOLS THAT HAVE FINALLY SUBMITTED THEIR DATA
BUT DECLARED SEATS FOR MORE THAN ONE CLASS]**
[UPTO DATED 24.05.2025]

It is important to reiterate that schools are required to submit the total number of seats available for entry-level classes. The system will automatically calculate 25% of these seats based on the data provided by the school.

1) If the entry-level class in your school starts from Nursery, then only Nursery class seats should be declared.
2) If the entry-level class starts from LKG, then only LKG class seats should be declared.
3) If the entry-level class starts from UKG, then only UKG class seats should be declared.
4) If the entry-level class starts from Class 1st, then only Class 1st seats should be declared.

Note: Declaring seats in multiple classes (e.g., Nursery, LKG, UKG, and 1st simultaneously) is not permitted and will be treated as incorrect.
