All BEOs must ensure that all admissions allotted to private schools under their block/district jurisdiction are properly updated on the admission tracking portal.

All private schools allotted admissions under RTE are hereby directed:-

- 1) It has come to the notice of the department that some schools have denied or ignored admissions based on the distance of 1-3 km. It is hereby clarified that 0-1 km and 1-3 km distance ranges are valid under RTE admissions and approved by the competent authorities. Therefore, no school shall reject any admission on the basis of distance within these limits. **All such schools that have already denied admissions based on 1-3 km distance must admit the students and update the tracking portal accordingly.**
- 2) Ensure that all allotted admissions are updated on the admission tracking portal by the last date i.e. 16.07.2025.
- 3) It is further clarified that if any school denies admission without proper valid reasons, its recognition shall be liable for cancellation by the competent authorities.

Update the admission status of each allotted student on a daily basis on the portal.

Compliance: Non-compliance or arbitrary rejection of admissions without valid, document-based justification will be viewed seriously.

Strict action will be taken under the provisions of the RTE Act, including, but not limited to, withdrawal of recognition and initiation of penal proceedings if necessary.

For All Parents/Guardians: Parents/Guardians are instructed to report to the allotted private schools on or before 16.07.2025 with all relevant documents for admission.

For any grievance related to RTE admission, you may **contact the Block-Level or District-Level Committee.**
