Memo No. 33/2-2026 PS (E-2)

Dated, Panchkula, the 05.05.2026

Subject: - Regarding Guidelines for Private Schools regarding admission reporting and tracking under RTE for 2026-27.

Kindly refer to earlier letter no even dated 30.04.2026 issued on the subject cited above.

The Department has published the results for admissions under the Right to Education (RTE) Act, 2009, for the academic year 2026-27. A total of 21,752 applicants have been allotted to private schools across the state. The admission process for these students commenced on 30.04.2026 and must be completed by 09.05.2026.

It has come to the Department's notice that several grievances have been received from parents/guardians via Helpline No., email, and other modes. Complaints allege that some schools are **delaying admissions** or **denying admissions** on untenable grounds not permissible under the RTE Act.

Such actions violate Sections 12(1) (c) and 13 of the RTE Act, 2009, and are viewed with utmost seriousness. To ensure transparency and real-time tracking of admissions under RTE, A designated portal has been launched to track each of the 21,752 allotted applicants.

Portal Link : http://117.239.183.208/RTE_Admission_Tracking/

Each allotted private school shall log in to its MIS account on the portal. Schools shall update the status of each allotted student as:

- Admission Accepted or
- Admission Rejected

If the admission is rejected, the school must:

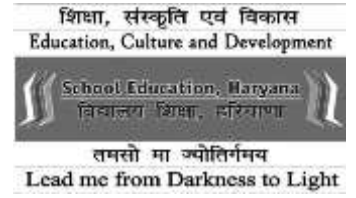

- Select the **appropriate reason for rejection** from the predefined options available on the portal.
- Ensure that the reasons for rejection are as per RTE guidelines and relevant Government Orders, and not arbitrary.

Update the admission status of each allotted student on a daily basis on the portal.

Compliance:

- Non-compliance or arbitrary rejection of admissions without valid, document-backed reasons will be viewed seriously.
- Action will be taken under the relevant provisions of the RTE Act, including but not limited to withdrawal of recognition, if found necessary.

All 4703 private schools are hereby directed to follow the above guidelines meticulously to ensure smooth, transparent, and timely admission under the RTE for the academic year 2026-27.

The Department is committed to enforcing the RTE Act in letter and spirit. Strict compliance is expected to ensure no child is deprived of education.

Enclosures: List of 4703 allotted Schools (for reference and necessary action).
