

Visit of Director General, NIC to NIC Tamil Nadu State Centre on 8th September 2025

Shri Abhishek Singh, IAS, Additional Secretary, MeitY & Director General, NIC visited Tamil Nadu State Centre on 8th September 2025 and interacted with officials from both the State and District Centres. DG, NIC was extended warm welcome by DDG & SIO, Shri M. Kamalakkannan, Senior officers, and staff of the Tamil Nadu State Centre.

The DDG & SIO, TNSC initiated the proceedings with a comprehensive presentation on the State Centre's strategic ICT framework. This was followed by domain-specific briefings from the project heads, who provided detailed insights into system architectures, technology stacks, implementation methodologies, and key performance indicators.

The deliberations showcased the deployment of e-Governance solutions across multiple sectors, including land records, rural development, health, social welfare, and grassroots-level digital service delivery. Several workflow-driven applications enabling end-to-end process digitization were also presented, underscoring a systematic, scalable, and standards-compliant approach to governance that has enhanced efficiency, transparency, and data-driven decision-making.

Director General, NIC acknowledged and appreciated the dedication and efforts of the NIC Tamil Nadu team in advancing digital transformation at the grassroots level. DG, NIC advised the officers to take the applications to the next level by enabling initiatives such as land record exchange, where multiple stakeholders can contribute to ensure more accurate and reliable data. He emphasized that such advancements would support informed decision-making and promote greater transparency in processes.

Director General, NIC encouraged the officers to actively engage in knowledge sharing, exchange ideas and to participate in capacity-building initiatives, including training on emerging technologies such as Artificial Intelligence etc. He further advised them to utilize online learning platforms like iGOT to enhance their technical competencies and stay abreast of the latest advancements in the field.

The session concluded with an interaction of the Director General, NIC, with officers from the State Centre, District Centres, as well as Central Projects, covering various technical challenges, administrative aspects, and general issues. NIC, Tamil Nadu officials expressed their heartfelt gratitude to the Director General, NIC for sparing his valuable time to visit and for his continued encouragement, guidance and support in strengthening the digital initiatives of the State.
