Training to Officials of Transport Department, Government of Tamil Nadu for the issuance of RC and DL in digital form

Hon'ble Chief Minister of Tamil Nadu announced the issuance of Registration Certificates (RC) and Driving License (DL) in digital form in the floor of the Assembly. Accordingly, Vahan and Sarathi applications have been customised for Tamil Nadu to digitally download the RC and DL document with the technical support of NIC Transport Informatics Division.

An awareness training to all 147 RTO officials of Transport Department, Government of Tamil Nadu for the issuance of RC and DL in digital form was conducted for three days from 09/09/2026 to 11/09/2026 (one hour daily) through VC. The Training has enabled the RTO officials to facilitate citizens to download and print Registration Certificate (RC) and Driving License (DL) in digital form with QR code. The QR code can be used by the enforcement authorities to instantly verify the authenticity of the digital RC / DL electronically.

The Training session was inaugurated by Deputy Transport Commissioner and Nodal Officer on 9th Sep 2026 and concluded by the Transport Commissioner on 11th Sep 2026. Additionally, details about the Vahan and Sarathi software, flow and other aspects of the software were explained. The doubts of the participants have been clarified, and the suggestions of the participants are taken as feedback for enhancements in the software. The training session was conducted by NIC Tamil Nadu officials: Shri D. Eswaran, Senior Director (IT), Shri S. Sathyamoorthi, Senior Director (IT) and Tmt. A. Rahamathunisa Begum, Director (IT).
