No.LM- 9/Calibration Centers/2015 / 655

Date: 28th January, 2015

Sub:- Regarding calibration centers.

As per Section 2(p) of the Legal Metrology Act, the calibration center which has been issued / renewed the license as a repairer do not fall under this provision since they do not do any work with the vehicle tanker with a view to ensure that such tank lorry conforms to the standards established by or under the Act. As such the licenses issued / renewed are hereby cancelled and they should surrender the license to the Legal Metrology Department.

The calibration centers at oil companies' terminals / premises (PSUs) shall be functional as usual as the calibration is carried out by Legal Metrology Officers. Calibration work hence forthwith shall not be carried out at the premises of private calibrators.

(Sanjay Pandey)

Controller of Legal Metrology,
Maharashtra State, Mumbai
