FROM THE DESK OF THE EDITORS :

It gives us immense pleasure to place the first issue of Uttarakhand Court News in your hands. It is necessary to keep the bench, the bar as well as the general public informed on the key aspects of functioning of a public institution so as to enable them to develop an opinion on its working and performance. In this inaugural news letter we are providing information not only relating to High Court and Subordinate Courts of the State but also about the activities of Uttarakhand Legal and Judicial Academy and State Legal Services Authority. We have also included some historical facts relating to the State Judiciary. With every quarterly issue we propose to provide not only the figures of pendency of cases, their institution and disposal, but also news relating to transfers and postings of Judicial Officers, apart from a mention of important judgments of the High Court of Uttarakhand.

Any suggestions for further improvement and making the publication more useful, are welcome.

Chief Justice
High Court of Uttarakhand

Message

On 09th November, 2000, the judiciary of the State of Uttarakhand came to be established with the establishment of High Court of Uttarakhand along with Courts, which came under its superintendence. In the matter of dispensation of justice to the people of the State of Uttarakhand, how far the judiciary of Uttarakhand has progressed, is required to be made known to the people. The Court has, therefore decided to come out with a quarterly bulletin in the form of a news letter to inform the public about matters pertaining to the judiciary of Uttarakhand. The first issue to this bulletin has been proposed to be published in course of the week celebrating the 10 years of completion of establishment of the judiciary of the State of Uttarakhand. The bulletin/news letter, would bring out such information pertaining to the judiciary of the State, which would make the people aware of the functioning of the judiciary of the State, its aims and achievements as well as its shortcomings. It would be an endeavour to place on record all facts pertaining to the judiciary, which people must know, the manner in which laws are perceived by the judiciary of the State and those which are to be taken note of, in the administration of justice.

The Court has decided to stand by this commitment and, I assure that I will do my best to achieve the same.
