

HIGH COURT OF UTTARAKHAND AT NAINITAL

NOTICE

It is hereby informed for the information of all Learned Advocates, Parties-in-Person and other stakeholders that the Hon'ble High Court has adopted the VConsol Video Conferencing Platform for conducting virtual court proceedings with a view to ensuring enhanced privacy, security, reliability, efficiency and procedural uniformity in the conduct of virtual hearings.

The migration from the existing Google Meet platform to the VConsol Platform shall be carried out in a phased manner. The implementation schedule is as follows:

SN	COURT NO.	DATE OF IMPLEMENTATION OF VCONSOL
1.	Hon'ble Chief Justice Court	29/07/2026
2.	Court No. 1	Already implemented
3.	Court No. 2	30/07/2026
4.	Court No. 3	31/07/2026
5.	Court No. 4	03/08/2026
6.	Court No. 5	04/08/2026
7.	Court No. 6	Already implemented
8.	Court No. 7	Already implemented

All Learned Advocates and Parties-in-Person intending to participate in virtual hearings are requested to register themselves on the VConsol Platform well in advance.

The VConsol application is available on the official website of the Hon'ble High Court under Quick Links → VConsol. The User Manual, containing detailed instructions regarding downloading, installation, registration and usage of the application, is also available on the official website.

All concerned are advised to complete the registration process sufficiently in advance of the scheduled date of hearing to avoid any inconvenience during virtual proceedings.

For any technical assistance or query regarding the VConsol Platform, Mr. Narendra Bisht, System Officer, High Court of Uttarakhand, may be contacted on Mobile No. +91-9720863884.

By Order of Hon'ble the Chief Justice

Introduction

This user guide will be handy to familiarise Vconsol Court video conferencing software. It provides a simple explanation of what and how it works.

1. Registration

If you are a new user, you must first register with the VConsol court.

Go to the web **URL**: <https://highcourtofuttarakhand.vconsol.com/>

The screenshot shows the login interface of the VConsol Court system. On the left is the official seal of the High Court of Uttarakhand, featuring the Ashoka Lion Capital and the motto 'सत्यमेव जयते' (Satyameva Jayate) in Sanskrit, with 'NAINITAL' below it. The seal is encircled by the text 'HIGH COURT OF UTTARAKHAND'. On the right, the 'Login' section prompts the user to enter their phone number and password. It includes input fields for 'Phone Number' and 'Password' (with a toggle for visibility), a 'Forgot Password?' link, and a prominent 'LOGIN' button. Below the login button are links for 'Login with OTP' and 'Don't have an account? Register'. A 'Help' button is located in the bottom right corner. At the very bottom, a small footer states 'Powered by Vconsol from Techgentsia'.

When you click the Register button, you will be redirected to the registration page.

1.1 Choose Role

Register

Please enter the following details to register your account.

choose a role

2. Login

You can log in with two methods. **Log in with Password** and **Log in with OTP**. The first method is to log in with your password, where you enter your registered password along with your mobile number. The second method is to log in with OTP, which will be sent to your registered mobile number for verification.

Login

Please enter your phone number and password to proceed

3. Court List

After logging in, the advocate will be directed to the court listing page

- i. Tap on the court you want to select from the court list.
- ii. Tap on the **REFRESH** button to get updated court lists.

- i. Click on **Next** to redirect the participant to the **Make Your Selection** pop-up.
- ii. Select any option in the pop-up:
 - **View Court Proceedings** to join as a passive participant (view-only access)
 - **Appear in a Court** to join as an active participant
- iii. Then you will be directly redirected to the **Ready to Join** page.

4. How to appear for a Serial Number in a court by an Advocate

After logging in, the user will be redirected to the court list page

Select the court and click on the next button

An advocate has the option to choose the active courts where they can appear for a case. The number under the Court name denotes the Serial numbers which are called in that court.

E.g.: An Advocate wish to enter Court COURT ROOM NO. CH:2

First, select the court and confirm that the selected court is correct by clicking the checkbox.

After clicking the checkbox, the “**NEXT**” button gets active then click on it.

Select the option “**Appear in Court**”; it will redirect you to the **Case Listing** page.

Make a Submission

☐ Memo Mentioning

Back Next

On this page, an Advocate has the option to select the **Serial Numbers/Case Number** from the lists in which they wish to appear. If you have a **Memo/Mentioning**, the Advocate can select that as well.

On clicking the **NEXT** button, you are redirected to the Audio/Video input Settings Page.

where you can select your audio/video devices connected to the Computer/Laptop.

4.1 Audio/Video input Settings selection page

It provides an option to select the proper audio input devices, like Microphones, audio output devices such as Headphones and video input such as Cameras.

A user can enter the meeting page only after selecting the input/output devices properly.

After selecting audio/video, clicking the **Proceed** button will redirect you to the **Meeting** page.

5. How to View the Court Proceedings as a Passive User

An advocate also has the option to view court proceedings without interfering with the court. To do this, they must select the appropriate court, click the **Proceed** button, and then choose the **View Court Proceedings** option from the **You Are Here For** page. After making this selection, they will be redirected to the **Audio/Video Input Settings** page. Once audio and video are selected, clicking the **Proceed** button will redirect them to the **Meeting** page.

Note: If the advocate submits a hand raise request and the Master accepts it based on the judge's instruction, the passive advocate will be converted to an active participant in the court.

6. Meeting page controls of Advocates

6.1 Passive Advocate Meeting page

6.2 Active Advocate Meeting page

When the court Officer calls the Serial numbers selected by the advocates, they are automatically active in that particular case and appear in the court with their audio and video. When the Court officer calls the open session, all appearing advocates will join as active participants. When the Court officer calls the closed session, they will switch to passive participants.

The meeting room options available for active users are:

- **Raise hand button (For passive users)**
It helps to notify the Court Officer to make the advocate/Party in Person/Public an Active participant. Once the Court master accepts the request, the advocate will get an option to say something in that court.
- **Exit Court button**
It will help to exit all the courts.
- **Menu button**
It helps the advocate to see all the courts active at present. An advocate can switch to other courts easily and view the proceedings happening in each court.
- **Screen share option (For active users only)**

By clicking this button, a request is sent to the court officer's side. After approving the request, the user can share their screen.

➤ **Participant List**

This button provides an option to see the active and passive participants.

➤ **Flash messages**

By clicking this button, we can see the Flash messages from the Court officer and admin.

→ **Hand raise request button to notify a Court master**

→ **Exit Court button**

→ **Menu button to view the Active/Live Court list.**

→ **Screen share button**

→ **Participant List button**

→ **Flash messages**

→ **Meeting Statistics**

→ **Picture-in-Picture**

7. Switch Court

It helps the advocate to see all the courts active at present. An advocate can switch to other courts easily.

An advocate will easily switch to other courts by clicking the active courts listed here.

8.Chat

The chat option is available for sending and receiving messages as well as documents.

Passive advocates can send chat messages only after they receive approval from the master. Once the master grants permission, Advocates will be able to communicate through the chat feature to share messages or documents as needed.

→ The attach file button helps to upload images, PDF files, etc., up to a file size of 10 Mb.

→ Chat Send Button

9. How to change/reset the password of an Advocate/Party In Person/Public

1 .Click on the forgot password link-

<https://highcourtofuttarakhand.vconsol.com/auth/forgot-password>

2. Enter your registered phone number

3. Enter the OTP and new password, then click the Submit button.
