FOREWORD

Haryana State Biodiversity Board is engaged in conservation of Biodiversity, sustainable use of its components and fair & equitable sharing of the benefits arising out of the utilization of biological resources in the State. As per Section 41 of the Biological Diversity Act, 2002 Biodiversity Management Committees (BMCs) have been constituted at every local body level i.e Gram Panchayat, Block Samiti, Zila Parishad and Urban Local Bodies level. A total of 6435 BMCs have been constituted in the State

Biodiversity Conservation Awareness among BMCs is being created with the help of Technical Support Groups (TSGs) and District Coordinators (HSBB) engaged for this purpose. The capacity of the BMCs in understanding their roles and responsibilities; Preparation of People's Biodiversity Registers (PBRs); Conservation of Biodiversity and its sustainable use etc. is being enhanced by conducting training awareness programmes at Gram Panchayat/Block/District Level regularly.

Apart from BMCs, other stakeholders like School, College and University students; Farmers; Officers and Frontline Staff of Forest Department and General public are also being made aware about Biodiversity Conservation by holding Exhibitions and training sessions, conducting events like Slogan Writing, Paintings etc.

During the year 2021-22, an Exhibition was held on World Wetlands Day on 02.02.2022 at Sultanpur National Park (Gurugram). Events like Azadi ka Amrit Mahotsav (AKAM) on theme of Conservation of Rivers; Asian Water Bird Census-2022 were celebrated. Surveys on Flora and Fauna like Butterflies and Mushroom were conducted with the help of local BMCs. To sensitize the general public about the importance of Biodiversity Conservation, hoardings were installed during 35th Surajkund International Crafts Meta held at Surajkund (Faridabad) on 19.03.2022 to 04.04.2022. Training Sessions on "Fundamental of Biodiversity, Biological Diversity Act, 2002 and Biological Diversity Rules, 2004" were conducted for frontline staff of Forest Department.

A brief account of the Biodiversity Conservation Awareness Programme conducted during the year 2021-22 has been presented in this compilation.

जैव विविधता के संरक्षण के लिए छात्रों को किया जा रहा है जागरूक

कुरुक्षेत्र(काजल)। गांव किरमच खण्ड धानेसर के सरकारी स्कूल में श्री सुनील कुमार जिला समन्वयक और श्री सौरभ सिंह तकनीकी सहायता समूह ने स्कूल में छात्रों को जैव विविधता के महत्व को समझाया और प्रति एक छात्र को पौधा रोपण के लिए प्रेरित किया। आने वाली पीढ़ी को विरासत में देने के लिए जैव संसाधनों को बचाकर रखना होगा। पेड़ पौधों और जीव जन्तुओं के कम होने से होगी गंभीर समस्या इसलिए इनका संरक्षण जरूरी है। बहुत सी प्रजातियां लुप्त होने की कगार पर है अगर उनको नहीं बचाया गया वो हमेशा के खत्म हो जायेगी।
