

## RURAL DEVELOPMENT DEPARTMENT, HARYANA

### No. of Rural BPL Households in the State alongwith Definition of Rural Poverty

At the instance of the Ministry of Rural Development, Govt. of India, the Below Poverty Line door to door surveys to identify the BPL households are conducted by the DRDAs in accordance with the prescribed procedure, definition of poverty, formats, time schedule etc. given by the Ministry. The field surveys are carried out for the 5 years plan periods. The basic objective of Below Poverty Line Survey is to identify families living poverty line who could be assisted under various ante poverty programmes.

### Results of the survey:-

1. First time, BPL Survey was conducted in rural areas of the State during 1984 as per BPL definition prescribed by the Govt. of India, Ministry of Rural Development and the results of the same are as under:-

### RURAL AREAS

Year	No. of Families found Below Poverty Line	Definition of Poverty Line
1981-84	5,19,444	Annual family income upto Rs.3500/-

### District-wise table

Statement showing the number of families found living below the poverty line in the Rural Areas of Haryana as per Household Survey conducted from 1981 to (1984). (Criteria : Annual Family income upto Rs.3500/-)

Sr. No.	District	No. of Blocks	No. of families surveyed	Total No. of families found below the poverty line	%age of Col.5 to Col.4	No. of S.C. families found below the poverty line	%age of Col.7 to Col.5

## 5. Socio-Economic and Caste Census-2011

The Govt. of India, Ministry of Rural Development, decided to conduct a Socio-Economic and Caste Census (SECC)-2011 for 12<sup>th</sup> Five Year Plan. From this survey priorities families can be identified based on 14 exclusion indicators, 5 inclusion indicator and 7 deprived indicators. In Haryana State survey was conducted during 2011 in both Rural and Urban Areas by the Ministry through Bharat Electronics Limited (BEL) with the help of district authorities.

### SECC-2011 - Features & Process

1. During the November, 2011, the Govt. of India, Ministry of Rural Development, had decided to conduct Socio-Economic and Caste Census survey to identify the BPL families for 12th Five Year Plan in the rural areas of the State. Similarly, in urban areas the Ministry of Housing and Urban Poverty Alleviation (MoHUPA) defined the criteria for urban areas. Registrar General of India (RGI) has provided their enumeration blocks, layout and registers including house listing used by them during census. The main features of the survey conducted in the year 2011-12 are as under:-

- Bharat Electronic Limited (BEL), as per agreement with GoI, conducted door to door survey to collect data in 15687 PC tablets through their operators in 32320 rural enumeration blocks and 12068 EBs in urban areas (each EB having 100-150 families).
- Following officers were notified under to conduct SECC-2011 in rural areas of the State on 16.8.2011:-

Sr. No.	Designation of SECC-2011	Officer
1	Principal SECC-2011 Officers(PSO)	All the Deputy Commissioners in the State
2	District SECC-2011 Officers	All the Addl. Dy. Commissioners in the State
3	Addl. Distt. SECC-2011 Officers	All the Sub Divisional Magistrates, City Magistrates, District Development & Panchayat Officers, District Revenue Officers and Executive Magistrates.
4	Charge Officers	All the Tehsildars/ Naib Tehsildars Charge Officers

- After completion of 100% Enumeration & Supervision, the **draft** lists were published in districts, blocks and Gram Sabha upto August 2012 for submission of claims and objections within 15 days by the general public. The said lists were also uploaded on MoRD website <http://secc.gov.in> by Govt. of India.
- For filing, receiving and disposing claims and objections, officers were designated as under:-

Sr. No.	Officer	Level
1	Gram Sachiv	Panchayat Level
2	Block Dev. and Panchayat Officer	Block Level (1st Appeal)

3	Addl. Dy. Commissioner and Distt. Dev. & Panchayat Officer (DD&PO)	District Level (2nd Appeal)
---	--	-----------------------------

- The Claims and Objections received from general public were resolved by the Gram Sachiv at Panchayat level, BDOs at block level and ADCs at district level.
- BEL with the help of NIC, Delhi (MoRD) has also uploaded the approved claims and objections on the website of MoRD <http://sec-census.nic.in>
- BEL has sent the final PDF lists of all the districts for final publication as per protocol issued by MoRD, being Nodal Ministry.
- The Govt. of India has declared the SECC 2011 results of all the States on 03.07.2015 and made available on their website <http://secc2011.nic.in>.
- The State Govt. has published final lists of SECC 2011 of all the districts on 10<sup>th</sup> Sept., 2015 at district level by District Administration.

### Criteria for SECC-2011

The SECC-2011 adopted the following, as categories based on indicators

- **Automatic Exclusion of households in rural areas -**
  1. Households owning Motorized Two/Three/Four Wheelers/Fishing boats
  2. Households owning mechanized Three/Four wheeler agricultural equipments
  3. Households having Kisan Credit Card with the credit limit of Rs.50,000 and above
  4. Households with any member as Government Employee
  5. Households with Non-Agricultural Enterprises registered with Government
  6. Households with any member earning more than Rs. 10,000 p.m
  7. Households paying income tax
  8. Households paying professional tax
  9. Households having three or more rooms with all rooms with all rooms having pucca walls and roof
  10. Households owning a Refrigerator
  11. Households owning Landline Phone
  12. Households owning 2.5 acres or more of irrigated land with at least 1 irrigation equipment
  13. Households owning 5 acres or more of irrigated land for two or more crop seasons
  14. Households owning at least 7.5 acres of land or more with at least one irrigation equipment.
- **Automatic Inclusion:-**
  1. Households without shelter
  2. Destitute /living on alms
  3. Manual scavengers
  4. Primitive Tribal Groups
  5. Legally released bonded labourers

➤ **Deprivation Categories:-** which can be considered as deprived on the basis of ranking to be developed for different schemes. Following deprivation indicators have been used:-

1. Households with only one room with kucha walls and kucha roof
2. Households with no adult member between age 18 to 59
3. Female headed households with no adult male member between age 18 to 59
4. Households with disabled member and no able bodied adult member
5. SC/ST households
6. Households with no literate adult above 25 years
7. Landless households deriving major part of their income from manual casual labour.

- As per this results, the main features of SECC-2011 (Rural) of Haryana State are as under:-

Total Number of Households Rural	29,69,509
Total Number of Households Urban	16,61,450
Total Number of Households in State	46,30,959
Rural Population	1,60,35,620
Urban Population	75,93,219
Total Population	2,36,28,839
Number of households directly excluded (Rural)	17,79,954
Number of households automatically included (Rural)	11,89,555
Households with only one room with kucha walls and kucha roof (Rural)	1,00,740
Households with no adult member between age 18 to 59 (Rural)	56,001
Female headed households with no adult male member between age 18 to 59 (Rural)	51,546
Households with disabled member and no able bodied adult member (Rural)	5,668
SC/ST households (Rural)	4,67,018
Households with no literate adult above 25 years (Rural)	4,95,278
Landless households deriving major part of their income from manual casual labour (Rural).	8,04,538
