

State Medicinal Plants Board Haryana
Implementing Agency of
National Medicinal Plants Board (NMPB),
Ministry of AYUSH, Govt. of India, New Delhi.

Invites project proposals related to medicinal plants of Haryana for onward submission to NMPB as under:

- For cultivation, conservation (in situ & ex situ), development and sustainable management of medicinal plants found or are cultivated in Haryana.
- For conducting quality research related to various aspects of medicinal plants like propagation including developing tissue culture protocols, seed related studies (like weight, viability, germination), chemistry studies (like active principles), plant protection studies (like diseases and insect pests and their control), marketing, innovations in value added chain system, plants in use in local healing systems, ecological status, awareness generation, promotional activities like construction of cooperative sheds for storage and processing and providing machines etc.

➤ The project(s) can be submitted by State Government departments, Institutions, Universities, Public, Quasi-Public, Private Institutions and individuals having sufficient knowledge of plant sciences and fulfilling the criteria as laid down in the guidelines.

➤ The details for proposals, guidelines, eligibility criteria and proforma of applications for submitting proposals can be downloaded from NMPB website (www.nmpb.nic.in)
